3. **Plan of Development.**

3.1 **Plan.** The planning process for JENNINGS FARM is an ever-evolving one and must remain flexible in order to be responsible to and accommodate the needs of the community. Subject to the Title Documents, Declarant may and has the right to develop JENNINGS FARM and adjacent property owned by the Declarant into single-family homes. The existence at any point in time of walls, landscape screens, or berms is not a guaranty or promise that such items will remain or form part of JENNINGS FARM as finally developed.

3.2 Governing Documents. The Governing Documents create a general plan of development for JENNINGS FARM that may be supplemented by additional covenants, restrictions and easements applicable to any portion of JENNINGS FARM. In the event of a conflict between or among the Governing Documents and the additional covenants or restrictions, and/or the provisions of any other articles of incorporation, bylaws, rules or policies, the Governing Documents shall control. Nothing in this Section shall preclude any Supplemental Declaration or other recorded covenants applicable to any portion of JENNINGS FARM from containing additional restrictions or provisions that are more restrictive than the provisions of this Declaration. All provisions of the Governing Documents shall apply to all Owners, Builders and to all occupants of Homes, as well as their respective tenants, guests and invitees. Any Lease Agreement for a Home within JENNINGS FARM shall provide that the Lessee and all occupants of the leased Home shall be bound by the terms of the Governing Documents. Specific requirements for Lessees and tenants are set forth in this Declaration.

3.3 Site Plans and Plats. The Plat may identify some of the facilities within JENNINGS FARM. The description of the facilities on the Plat is subject to change and the notes on a Plat are not a guarantee of what improvements will be constructed on such facilities. Site plans used by Declarant in its marketing efforts may illustrate the types of improvements that may be constructed on the facilities but such site plans are not a guarantee of what improvements will actually be constructed. Each Owner should not rely on a Plat or any site plans used for illustration purposes as the Declaration governs the rights and obligations of Declarant and Owners with respect to the Common Areas or facilities.

4. Amendment.

4.1 General Restrictions on Amendments. Notwithstanding any other provision herein to the contrary, no amendment to this Declaration shall affect the rights of Declarant unless such amendment receives the prior written consent of Declarant, which consent may be withheld for any reason whatsoever. No amendment shall alter the provisions of this Declaration benefiting Lenders without the prior approval of the Lender(s) enjoying the benefit of such provisions. If the prior written approval of any governmental entity or agency having jurisdiction is required by applicable law or governmental regulation for any amendment to this Declaration, then the prior written consent of such entity or agency must also be obtained. All amendments must comply with Section 25.2 which benefits SJRWMD. No amendment shall be effective until it is recorded in the Public Records.

4.2 No Vested Rights. Each Owner by acceptance of a deed to a Home irrevocably waives any claim that such Owner has any vested rights pursuant to case law or statute with respect to this Declaration or any of the other Governing Documents. It is expressly intended that Declarant and the Association have the broad right to amend this Declaration and the other Governing Documents, except as limited by applicable law or except as expressly set forth herein.

4.3 Amendments Prior to the Turnover. Prior to the Turnover, Declarant shall have the right to amend this Declaration as it deems appropriate, without the joinder or consent of any person or entity whatsoever, except as limited by applicable law or except as expressly set forth herein. Such amendments may include, without limitation (i) the creation of easements for telecommunications systems, utility, drainage, ingress and egress and roof overhangs over any portion of JENNINGS FARM; (ii) additions or deletions from JENNINGS FARM and/or the properties comprising the Common Areas; (iii) changes in the Rules and Regulations; (iv) changes in maintenance, repair and replacement obligations; and (v) modifications of the use restrictions for Homes. Declarant's right to amend under this provision is to be construed as broadly as possible. By way of example, and not as a limitation, Declarant may create easements over, under and across Lots conveyed to Owners or Builders provided that such easements do not prohibit the use of Homes on such Lots as residential dwellings. In the event the Association shall desire to amend this Declaration prior to the Turnover, the Association must first obtain Declarant's prior written consent to any proposed amendment. Thereafter, an amendment identical to that approved by Declarant may be adopted by the Association pursuant to the requirements for amendments from and after the Turnover. Declarant shall join in such identical amendment so that its consent to the same will be reflected in the Public Records. To the extent legally required, each Owner and Builder shall be deemed to have

granted to Declarant, and thereafter, the Association, an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

4.4 Amendments From and After the Turnover. After the Turnover, but subject to the general and specific restrictions on amendments set forth herein, this Declaration may be amended with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly noticed meeting of the members of the Association at which there is a quorum. Notwithstanding any other provision herein to the contrary, no amendment to this Declaration from and after Turnover shall affect the rights of a Builder unless such amendment receives the prior written consent of such Builder, which consent may be withheld for any reason whatsoever.

4.5 Compliance with HUD, FHA, VA, FNMA, GNMA and SJRWMD. Notwithstanding any provision of this Declaration to the contrary, prior to the Turnover, the Declarant shall have the right to amend this Declaration, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by lenders, HUD, FHA, VA, FNMA, GNMA, SJRWMD, or any other governmental agency or body as a condition to, or in connection with, such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Association, other Owners, or any other party shall be required or necessary to such amendment. After the Turnover, but subject to the general restrictions on amendments set forth above, the Board shall have the right to amend this Declaration, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by lenders, HUD, FHA, VA, FNMA, GNMA, SJRWMD or any other governmental agency or body as a condition to, or in connection with such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Owners, or any other party shall be required or necessary to any such amendments by the Board.

5. Annexation and Withdrawal.

5.1 Annexation by Declarant. Prior to the Community Completion Date, additional lands may be made part of JENNINGS FARM by Declarant. Except for applicable governmental approvals (if any), no consent to such annexation shall be required from any other party (including, but not limited to, the Association, Builders, Owners or any Lenders). Such annexed lands shall be brought within the provisions and applicability of this Declaration by the recording of a Supplemental Declaration to this Declaration in the Public Records. The Supplemental Declaration shall subject the annexed lands to the covenants, conditions, and restrictions contained in this Declaration as fully as though the annexed lands were described herein as a portion of JENNINGS FARM. Such Supplemental Declaration may contain additions to, modifications of, or omissions from the covenants, conditions, and restrictions contained in this Declaration as deemed appropriate by Declarant and as may be necessary to reflect the different character, if any, of the annexed lands. Except as otherwise provided herein, prior to the Community Completion Date, only Declarant may add additional lands to JENNINGS FARM.

5.2 Annexation by the Association. After the Community Completion Date, and subject to applicable governmental approvals (if any), additional lands may be annexed with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly noticed meeting of the members of the Association at which there is a quorum.

5.3 Withdrawal. Prior to the Community Completion Date, any portions of JENNINGS FARM (or any additions thereto) may be withdrawn by Declarant from the provisions and applicability of this Declaration by the recording of an amendment to this Declaration in the Public Records. The right of Declarant to withdraw portions of JENNINGS FARM shall not apply to any Lot that has been conveyed to an Owner or Builder unless that right is specifically reserved in the instrument of conveyance or the prior written consent of the Owner or Builder is obtained. The withdrawal of any portion of JENNINGS FARM shall not require the consent or joinder of any other party (including without limitation, the Association, Builders, Owners, or any Lenders). Association shall have no right to withdraw land from JENNINGS FARM.

5.4 Effect of Filing Supplemental Declaration. Any Supplemental Declaration filed pursuant to this Section 5 shall be effective upon recording in the Public Records, unless otherwise specified in such Supplemental Declaration. On the effective date of the Supplemental Declaration, any additional property subjected to this Declaration shall be assigned voting rights in the Association and Assessment liability in accordance with the provisions of the Supplemental Declaration and this Declaration.

6. Dissolution.

6.1 Generally. In the event of the dissolution of the Association without reinstatement within thirty (30) days, other than incident to a merger or consolidation, any Owner may petition the Circuit Court of the appropriate Judicial Circuit of the State of Florida for the appointment of a receiver to manage the affairs of the dissolved Association and to manage the Common Areas in the place and stead of the Association, and to make such provisions as may be necessary for the continued management of the affairs of the dissolved Association. To the extent a permitted project, including, but not limited to, the SWMS in accordance with the Permit, is completed and operating or otherwise exists within Association property generally or specifically within the Common Areas and governed by this Declaration, said permitted project shall be transferred to and accepted by an entity which complies with Rule 62-330.310, F.A.C., and Applicant's Handbook Volume I, Section 12.3, and be approved by the SJRWMD prior to such termination, dissolution or liquidation.

6.2 Applicability of Declaration after Dissolution. In the event of dissolution of the Association, JENNINGS FARM and each Lot therein shall continue to be subject to the provisions of this Declaration, including without limitation, the provisions respecting Assessments specified in this Declaration. Each Owner shall continue to be personally obligated to the successors or assigns of the Association for Assessments to the extent that Assessments are required to enable the successors or assigns of the Association to properly maintain, operate and preserve the Common Areas. The provisions of this Section

only shall apply with regard to the maintenance, operation, and preservation of those portions of JENNINGS FARM that had been Common Areas and continue to be so used for the common use and enjoyment of the Owners.

7. Binding Effect and Membership.

7.1 Term. Subject to the Declarant's right to amend this Declaration prior to Turnover and the Association's right to amend this Declaration after Turnover, the covenants, conditions and restrictions of this Declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Association, or the owner of any land subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of twenty-five (25) years from the date this Declaration is recorded in the Public Records, after which time the covenants, conditions and restrictions contained in this Declaration shall be automatically extended for successive periods of ten (10) years unless prior to the end of such twenty-five (25) year period, or each successive ten (10) year period, an instrument signed by eighty percent (80%) of the total Voting Interests agreeing to terminate this Declaration has been recorded in the Public Records. Provided, however, that no such agreement to terminate the covenants, conditions and restrictions shall be effective unless made and recorded at least ninety (90) days in advance of the effective date of such change.

7.2 Transfer. The transfer of the fee simple title to a Home or Lot, whether voluntary or by operation of law, terminating an Owner's or Builder's title to that Home or Lot, shall terminate the rights to use and enjoy the Common Areas and shall terminate such Owner's or Builder's membership in the Association. An Owner's or Builder's rights and privileges under this Declaration are not assignable separately from a Lot. The record title owner of a Lot is entitled to the benefits of, and is burdened with the duties and responsibilities set forth in the provisions of this Declaration. All parties acquiring any right, title and interest in and to any Lot shall be fully bound by the provisions of this Declaration. In no event shall any Owner acquire any rights that are greater than the rights granted to, and limitations placed upon its predecessor in title pursuant to the provisions of this Declaration. The transferor of any Lot, whether a Builder or any Owner, shall remain jointly and severally liable with the transferee for all obligations pursuant to this Declaration that accrue prior to the date of such transfer, including without limitation, payment of all Assessments accruing prior to the date of transfer.

7.3 Membership and Voting Rights.

7.3.1 In addition to the Declarant, upon acceptance of title to a Lot, and as more fully provided in the Articles and Bylaws, each Owner and Builder shall be a member of the Association. Membership rights are governed by the provisions of this Declaration, the Articles and Bylaws. Membership shall be an appurtenance to and may not be separated from the ownership of a Lot. Declarant rights with respect to membership in the Association are set forth in this Declaration, the Articles and Bylaws. The Association shall have the following two (2) classes of voting membership:

7.3.1.1 Class A Members. Class A members shall be all Owners and Builders. Each Class A member shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot as an "Owner," all such persons shall be members. The vote for such Lot shall be exercised as such persons determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

7.3.1.2 Class B Member. Declarant shall be the Class B member and shall be entitled to nine (9) votes for each Lot owned; provided, however, as to land which is annexed or added pursuant to the terms of this Declaration, Declarant shall be entitled to fourteen (14) votes per acre or fraction thereof contained within a Parcel, until such time as the Parcel is platted, whereupon Declarant shall be entitled to nine (9) votes per Lot in lieu of the votes per acre. Notwithstanding the foregoing, from and after the Turnover Date, the Declarant shall be entitled to one (1) vote for each Lot owned. "Turnover" shall mean

the transfer of operation of the Association by the Declarant to Owners and Builders. The Turnover of the Association by the Declarant shall occur on the Turnover Date at the Turnover meeting. The purpose of the Turnover meeting shall be to elect a majority of the directors to the Association. No more than sixty (60) days and no less than thirty (30) days prior to the Turnover meeting, the Association shall notify in writing all Class A members of the date, location, and purpose of the Turnover meeting. The Turnover shall take place within three (3) months of the occurrence of the following events, whichever occurs earliest:

7.3.1.2.1 When ninety percent (90%) of the Lots ultimately planned for JENNINGS FARM are conveyed to Owners; or

7.3.1.2.2 When the Declarant makes the election, in its sole and absolute discretion, to give written notice to the Association of its decision to cause the Turnover to occur.

7.4 Ownership by Entity. In the event that an Owner is other than a natural person, that Owner shall, prior to occupancy of the Home, designate one or more persons who are to be the occupants of the Home and register such persons with Association. All provisions of this Declaration and other Governing Documents shall apply to both such Owner and the designated occupants.

7.5 Voting Interests. Voting Interests in the Association are governed by this Declaration and the Articles and Bylaws.

7.6 Document Recordation Prohibited. Neither Association nor any Builder or Owner, nor group of Owners, may record any documents that, in any way, affect or restrict the rights of Declarant or conflict with the provisions of this Declaration or the other Governing Documents.

7.7 Conflicts. In the event of any conflict among this Declaration, the Articles, the Bylaws or any of the other Governing Documents, this Declaration shall control.

8. Paramount Right of Declarant. Notwithstanding anything to the contrary herein, prior to the Community Completion Date, Declarant shall have the paramount right to dedicate, transfer, and/or convey (by absolute conveyance, easement, or otherwise) portions of JENNINGS FARM for various public purposes or for the provision of telecommunications systems, or to make any portions of JENNINGS FARM part of the Common Areas, or to create and implement a special taxing district which may include all or any portion of JENNINGS FARM. SALES BROCHURES, SITE PLANS, AND MARKETING MATERIALS ARE CURRENT CONCEPTUAL REPRESENTATIONS AS TO WHAT IMPROVEMENTS, IF ANY, WILL BE INCLUDED WITHIN THE COMMON AREAS. DECLARANT SPECIFICALLY RESERVES THE RIGHT TO CHANGE THE LAYOUT, COMPOSITION, AND DESIGN OF ANY AND ALL COMMON AREAS AT ANY TIME, WITHOUT NOTICE AND AT ITS DISCRETION.

9. Common Areas.

9.1 Prior to Conveyance. Prior to the conveyance of the Common Areas to the Association as set forth in Section 9.4 herein, any portion of the Common Areas owned by Declarant shall be operated, maintained, and administered at the sole cost of the Association for all purposes and uses reasonably intended, as Declarant in its sole discretion deems appropriate. During such period, Declarant shall own, operate, and administer the Common Areas without interference from any Owner or any other person or entity whatsoever. Owners shall have no right in or to any Common Areas referred to in this Declaration unless and until same are actually constructed, completed, and conveyed to the Association. Declarant, so long as it controls the Association, further specifically retains the right to add to, delete from, or modify any of the Common Areas referred to herein at its discretion without notice.

9.2 Construction of Common Areas Improvements. Declarant anticipates it will construct very limited, if any, improvements as part of the Common Areas. Declarant shall be the sole judge of the composition of any Common Area improvements. Prior to the Community Completion Date, Declarant

reserves the absolute right to construct additional Common Area improvements within JENNINGS FARM, from time to time, in its sole discretion, and to remove, add to, modify and change the boundaries, facilities and improvements now or then part of the Common Areas. Declarant is not obligated to, nor has it represented that it will construct any Common Area improvements. Declarant is the sole judge of the Common Area improvements, including the plans, specifications, design, location, completion schedule, materials, size, and contents of the facilities, improvements, appurtenances, personal property, color, textures, finishes or changes or modifications to any of them.

9.3 Use of Common Areas by Declarant. Until the Community Completion Date, Declarant shall have the right to use any portion of the Common Areas, without charge, for any purpose deemed appropriate by Declarant.

9.4 Conveyance.

9.4.1 Generally. The Common Areas may be designated by the Plat, created in the form of easements, or conveyed to Association by quitclaim deed or other instrument of conveyance as determined by the Declarant in its sole and absolute discretion. Association shall pay all costs of the conveyance at the Declarant's request. The designation of Common Areas, creation by easement, or conveyance shall be subject to easements, restrictions, reservations, conditions, limitations, and declarations of record, real estate taxes for the year of conveyance, zoning, land use regulations and survey matters. Association shall be deemed to have assumed and agreed to pay all continuing obligations and service and similar contracts relating to the ownership operation, maintenance, and administration of the conveyed portions of Common Areas and other obligations relating to the Common Areas imposed herein. Association shall, and does hereby, indemnify and hold Declarant harmless on account thereof. Association, by its joinder to this Declaration, hereby accepts such dedication(s) or conveyance(s) without setoff, condition, or qualification of any nature. Association shall accept any and all transfer of permits from Declarant, or any other permittee, of any permit required by a governmental agency in connection with the development of JENNINGS FARM, as modified and/or amended. Association shall cooperate with Declarant, or any other permittee of such permits, as modified and/or amended, with any applications, certifications, documents or consents required to effectuate any such transfer of permits to Association. THE COMMON AREAS, PERSONAL PROPERTY AND EQUIPMENT THEREON AND APPURTENANCES THERETO SHALL BE CONVEYED TO THE ASSOCIATION IN "AS IS, WHERE IS" CONDITION WITHOUT ANY REPRESENTATION OR WARRANTY, EXPRESSED OR IMPLIED, IN FACT OR BY LAW, AS TO THE CONDITION, FITNESS OR MERCHANTABILITY OF THE COMMON AREAS BEING CONVEYED. Notwithstanding the foregoing, any such conveyance or encumbrance of such Common Areas is subject to an irrevocable ingress and egress easement in favor of each Owner and Builder granting access to their respective Lots.

9.4.2 Common Area Reservations. Each deed of the Common Areas shall be subject to the following provisions:

9.4.2.1 a perpetual nonexclusive easement in favor of governmental agencies for the maintenance and repair of existing road, speed and directional signs, if any;

9.4.2.2 matters reflected on the Plat;

9.4.2.3 perpetual non-exclusive easements in favor of Declarant, its successors, and assigns in, to, upon and over all of the Common Areas for the purposes of vehicular and pedestrian ingress and egress, installation of improvements, utilities, landscaping and/or drainage, without charge, including, without limitation, the right to use such roadways for construction vehicles and equipment. These easements shall run in favor of Declarant, and its employees, representatives, agents, licensees, guests, invitees, successors and/or assigns;

9.4.2.4 all restrictions, easements, covenants and other matters of record;

9.4.2.5 in the event that Association believes that Declarant shall have failed in any respect to meet Declarant's obligations under this Declaration or has failed to comply with any of Declarant's obligations under law, or the Common Areas conveyed herein are defective in any respect, the Association shall give written notice to Declarant detailing the alleged failure or defect. Once the Association has given written notice to Declarant pursuant to this Section, the Association shall be obligated to permit Declarant and their agents to perform inspections of the Common Areas and to perform all tests and make all repairs/replacements deemed necessary by Declarant to respond to such notice at all reasonable times. Association agrees that any inspection, test and/or repair/replacement scheduled on a business day between 9 a.m. and 5 p.m. shall be deemed scheduled at a reasonable time. The rights reserved in this Section include the right of Declarant to repair or address, in Declarant's sole option and expense, any aspect of the Common Areas deemed defective by Declarant during its inspections of the Common Areas. Association's failure to give the notice and/or otherwise comply with the provisions of this Section will damage Declarant; and

9.4.2.6 a reservation of right in favor of Declarant (so long as Declarant owns any portion of JENNINGS FARM) to require that Association re-convey all or a portion of the Common Areas by quitclaim deed in favor of Declarant in the event that such property is required to be owned by Declarant for any purpose, including without limitation, the reconfiguration of any adjacent property by replatting or otherwise. To the extent legally required, each Owner shall be deemed to have granted to Declarant and, thereafter, the Association an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

9.5 Operation After Conveyance. Subject to the Association's right to grant easements and other interests as provided herein, the Association may not convey, abandon, alienate, encumber, or transfer all or a portion of the Common Areas to a third party without (i) if prior to the Turnover Date, the approval of (a) a majority of the Board; and (b) the consent of Declarant, or (ii) from and after the Turnover Date, approval of (x) a majority of the Board; and (y) fifty-one percent (51%) of the total Voting Interests present (in person or by proxy) at a duly noticed meeting of the members at which there is a quorum.

9.6 Paved Common Areas. The Common Areas may contain certain paved areas. Without limiting any other provision of this Declaration, the Association is responsible for the maintenance, repair and/or resurfacing of all paved surfaces, including but not limited to parking areas, pathways, bicycle paths, and sidewalks forming a part of the Common Areas, if any. Although pavement appears to be a durable material, it requires maintenance. Association shall have the right, but not the obligation, to arrange for a periodic inspection of all paved surfaces forming a part of the Common Areas by a licensed paving contractor and/or engineer. The cost of such inspection shall be a part of the Operating Expenses of the Association. The Association shall determine periodically the parameters of the inspection to be performed, if any. Any patching, grading, or other maintenance work should be performed by a company licensed to perform the work. Notwithstanding the foregoing, the roads are owned and maintained by Association.

9.7 Delegation. Once conveyed to the Association, the Common Areas and improvements located thereon shall at all times be under the complete supervision, operation, control, and management of the Association. Notwithstanding the foregoing, the Association may delegate all or a portion of its obligations hereunder to a licensed manager or professional management company. Association specifically shall have the right to pay for management services on any basis approved by the Board (including bonuses or special fee arrangements for meeting financial or other goals). Declarant, its affiliates and/or subsidiaries shall have the right to manage the Association. Owners and Association acknowledge that it is fair and reasonable to have Declarant, its affiliates and/or subsidiaries manage Association. Further, in the event that Common Area is created by easement, the Association's obligations and rights with respect to such Common Area may be limited by the terms of the document creating such easement.

9.8 Use.

9.8.1 Nonexclusive Use. The Common Areas shall be used and enjoyed by the Owners and Builders on a non-exclusive basis in common with other persons, entities and corporations (who may, but are not required to be, members of the Association) entitled to use those portions of the Common Areas. Prior to the Community Completion Date, Declarant, and thereafter, the Association has the right, at any and all times, and from time to time, to further additionally provide and make the Common Areas available to other individuals, persons, firms, or corporations, as it deems appropriate. The granting of such rights shall not invalidate this Declaration, reduce or abate any Owner's or Builder's obligations pursuant to this Declaration, or give any Owner or Builder the right to avoid any of the covenants, agreements or obligations to be performed hereunder.

9.8.2 Right to Allow Use. Declarant and/or the Association may enter into easement agreements or other use or possession agreements whereby the Owners, Telecommunications Providers, and/or Association and/or others may obtain the use, possession of, or other rights regarding certain property, on an exclusive or non-exclusive basis, for certain specified purposes. Association may agree to maintain and pay the taxes, insurance, administration, upkeep, repair, and replacement of such property, the expenses of which shall be Operating Expenses. Any such agreement by the Association prior to the Community Completion Date shall require the prior written consent of Declarant. Thereafter, any such agreement shall require the approval of the majority of the Board, which consent shall not be unreasonably withheld or delayed.

9.8.3 Obstruction of Common Areas. No portion of the Common Areas may be obstructed, encumbered, or used by Owners for any purpose other than as permitted by the Association.

9.8.5 Assumption of Risk. Without limiting any other provision herein, each Owner and Builder, as applicable, accepts and assumes all risk and responsibility for noise, liability, injury, or damage connected with use or occupancy of any portion of such Common Areas including, without limitation: (a) noise from maintenance equipment; (b) use of pesticides, herbicides and fertilizers; (c) view restrictions caused by maturation of trees and shrubbery; (d) reduction in privacy caused by the removal or pruning of shrubbery or trees within JENNINGS FARM; and (e) design of any portion of JENNINGS FARM. Each such person also expressly indemnifies and agrees to hold harmless Declarant, the Association and all employees, directors, representatives, officers, agents, and partners of the foregoing, from any and all damages, whether direct or consequential, arising from or related to the person's use of the Common Areas, including for attorneys' fees, paraprofessional fees and costs at trial and upon appeal. Without limiting the foregoing, all persons using the Common Areas do so at their own risk. BY ACCEPTANCE OF A DEED, EACH OWNER ACKNOWLEDGES THAT THE COMMON AREAS MAY CONTAIN WILDLIFE SUCH AS INSECTS, ALLIGATORS, COYOTES, RACCOONS, SNAKES, DUCKS, DEER, SWINE, TURKEYS, AND FOXES. DECLARANT, BUILDERS AND ASSOCIATION SHALL HAVE NO RESPONSIBILITY FOR MONITORING SUCH WILDLIFE OR NOTIFYING OWNERS OR OTHER PERSONS OF THE PRESENCE OF SUCH WILDLIFE. EACH OWNER AND HIS OR HER GUESTS AND INVITEES ARE RESPONSIBLE FOR THEIR OWN SAFETY.

9.8.6 Owners' Obligation to Indemnify. Each Owner agrees to indemnify and hold harmless Declarant, the Association, their officers, partners, agents, employees, affiliates, directors and attorneys (collectively, "**Indemnified Parties**") against all actions, injury, claims, loss, liability, damages, costs and expenses of any kind or nature whatsoever ("**Losses**") incurred by or asserted against any of the Indemnified Parties from and after the date hereof, whether direct, indirect, or consequential, as a result of or in any way related to the Common Areas, including, without limitation, use of the lakes and other water bodies within JENNINGS FARM by Owners, and their guests, family members, invitees, or agents. Should any Owner bring suit against Declarant, the Association, or any of the Indemnified Parties for any claim or matter and fail to obtain judgment therein against such Indemnified Parties, such Owner shall be liable to such parties for all Losses, costs and expenses incurred by the Indemnified Parties in the defense of such suit, including attorneys' fees and paraprofessional fees at trial and upon appeal.

9.9 Rules and Regulations.

9.9.1 Generally. Prior to the Turnover, Declarant, and thereafter Association, shall have the right to adopt Rules and Regulations governing the use of the Common Areas. The Rules and Regulations need not be recorded in the Public Records. The Common Areas shall be used in accordance with this Declaration and Rules and Regulations promulgated hereunder.

9.9.2 Declarant Not Subject to Rules and Regulations. The Rules and Regulations shall not apply to Declarant or to any property owned by Declarant, and shall not be applied in a manner which would adversely affect the interests of Declarant. Without limiting the foregoing, Declarant and its assigns, shall have the right to: (i) develop and construct Lots, Homes, Common Areas, and related improvements within JENNINGS FARM, and make any additions, alterations, improvements, or changes thereto; (ii) maintain sales offices (for the sale and re-sale of (a) Lots and Homes and (b) residences and properties located outside of JENNINGS FARM), general office and construction operations within JENNINGS FARM; (iii) place, erect or construct portable, temporary or accessory buildings or structures within JENNINGS FARM for sales, construction storage or other purposes; (iv) temporarily deposit, dump or accumulate materials, trash, refuse and rubbish in connection with the development or construction of any portion of JENNINGS FARM; (v) post, display, inscribe or affix to the exterior of any portion of the Common Areas, or portions of JENNINGS FARM, signs and other materials used in developing, constructing, selling or promoting the sale of any portion JENNINGS FARM including, without limitation, Lots, Parcels and Homes; (vi) excavate fill from any lakes or waterways within and/or contiguous to JENNINGS FARM by dredge or dragline, store fill within JENNINGS FARM and remove and/or sell excess fill; and grow or store plants and trees within, or contiguous to, JENNINGS FARM and use and/or sell excess plants and trees; and (vii) undertake all activities which, in the sole opinion of Declarant, are necessary or convenient for the development and sale of any lands and improvements comprising JENNINGS FARM.

9.10 Public Facilities. JENNINGS FARM may include one or more public facilities.

9.11 Default by Owner and Builders. No default by any Owner or Builder in the performance of the covenants and promises contained in this Declaration shall be construed or considered (i) a breach by Declarant or Association of any of their promises or covenants in this Declaration; (ii) an actual, implied or constructive dispossession of another Owner from the Common Areas; or (iii) an excuse, justification, waiver or indulgence of the covenants and promises contained in this Declaration.

9.12 Special Taxing Districts. For as long as Declarant controls the Association, Declarant shall have the right, but not the obligation, to dedicate or transfer or cause the dedication or transfer of all or portions of the Common Areas of JENNINGS FARM to a special taxing district, or a public agency or authority under such terms as Declarant deems appropriate in order to create or contract with special taxing districts and community development districts (or others) for lighting, perimeter walls, entrance features, roads, landscaping, irrigation areas, ponds, surface water management systems, wetlands mitigation areas, parks, recreational or other services, security or communications, or other similar purposes deemed appropriate by Declarant, including without limitation, the maintenance and/or operation of any of the foregoing. As hereinafter provided, Declarant may sign any taxing district petition as attorney-in-fact for each Owner. Each Owner's and Builder's obligation to pay taxes associated with such district shall be in addition to such Owner's and Builder's obligation to pay Assessments. Any special taxing district shall be created pursuant to all applicable ordinances of County and all other applicable governing entities having jurisdiction with respect to the same.

9.13 Association's Obligation to Indemnify. Association and Owners each covenant and agree jointly and severally to indemnify, defend and hold harmless Declarant, its officers, directors, shareholders, and any related persons or corporations and their employees from and against any and all claims, suits, actions, causes of action or damages arising from any personal injury, loss of life, or damage to property, sustained on or about the Common Areas, or other property serving Association, and improvements thereon, or resulting from or arising out of activities or operations of the Association or Owners, and from

and against all costs, expenses, court costs, attorneys' fees and paraprofessional fees (including, but not limited to, all trial and appellate levels and whether or not suit be instituted), expenses and liabilities incurred or arising from any such claim, the investigation thereof, or the defense of any action or proceedings brought thereon, and from and against any orders, judgments or decrees which may be entered relating thereto. The costs and expense of fulfilling this covenant of indemnification shall be Operating Expenses to the extent such matters are not covered by insurance maintained by the Association.

10. Maintenance by the Association.

10.1 Common Areas. Except as otherwise specifically provided in this Declaration to the contrary, the Association shall at all times maintain, repair, replace and insure the Common Areas, including all improvements placed thereon, including, but not limited to, entrance features, buffer or landscape areas, wet and dry retention/detention areas, mail kiosks, wetland areas, electronic gates, preservation/native habitat preserves, historical preservation areas, and the SWMS and its adjoining areas.

10.2 Landscape Maintenance. Notwithstanding any other provision of this Declaration to the contrary, the Association shall have no responsibility for the maintenance of landscaped areas within any Lot, including without limitation, sod, irrigation, yards, grass, shrubs, trees, mulch, or any other landscaping. The record title owner of each such Lot shall be responsible for the repair, replacement and maintenance of the irrigation and all landscaped areas and other improvements within any portion of the Lot. Any such repair, replacement and maintenance shall be consistent with the Landscape Maintenance Standards set forth in this Declaration.

Notwithstanding the foregoing, the Association shall at all times provide landscape maintenance on all common areas including grass cutting, maintenance of trees and hedges; fertilization, and mulching to occur twice per year.

10.3 Adjoining Areas. Except as otherwise provided herein, the Association shall not maintain those drainage areas, swales, lake maintenance easements, lake slopes and banks.

10.4 Negligence. The expense of any maintenance, repair or construction of any portion of the Common Areas necessitated by the negligent or willful acts of an Owner or Builder or persons utilizing the Common Areas through or under an Owner or Builder, shall be borne solely by such Owner or Builder and the Lot owned by such Owner or Builder shall be subject to an Individual Assessment for that expense. By way of example, and not of limitation, an Owner shall be responsible for the removal of all landscaping and structures placed within easements or Common Areas without the prior written approval of the Association.

10.5 Right of Entry. Declarant and the Association are granted a perpetual and irrevocable easement over, under and across all of JENNINGS FARM for the purposes herein expressed, including, without limitation, for inspections to ascertain compliance with the provisions of this Declaration, and for the performance of any maintenance, alteration or repair which they are entitled to perform. Without limiting the foregoing, Declarant specifically reserves easements for all purposes necessary to comply with any governmental requirement or to satisfy any condition that is a prerequisite for a governmental approval. By way of example, and not of limitation, Declarant may construct, maintain, repair, alter, replace and/or remove improvements; install landscaping; install utilities; and/or remove structures on any portion of JENNINGS FARM if Declarant is required to do so in order to obtain the release of any bond posted with any governmental agency.

10.6 Maintenance of Property Owned by Others. Association shall, if designated by Declarant (or by the Association after the Community Completion Date) by amendment to this Declaration or any document of record, maintain landscaping, irrigation systems, community identification/features and/or other areas or elements designated by Declarant (or by the Association after the Community Completion Date) upon areas that are within or outside of JENNINGS FARM. Such areas may abut, or be proximate to, JENNINGS FARM, and may be owned by, or be dedicated to, others including, but not limited to, a utility, governmental or quasi-governmental entity or a property owners association. These areas may include (for example and not limitation) parks, swale areas, landscape buffer areas, berm areas or median

areas within the right-of-way of public streets, roads, drainage areas, community identification or entrance features, community signage or other identification. Notwithstanding the foregoing, the roads and the lift station shall be owned and maintained by Clay County and not the responsibility of the Association. The Association shall have the right to enter into new agreements or arrangements from time to time for improvements and facilities serving the members of the Association or to amend the foregoing if the Board deems the same reasonable and appropriate for the continued use and benefit of any part of the Common Areas.

11. Maintenance by Owners. All Lots and Homes, including without limitation, all lawns, landscaping, irrigation systems, driveways, walkways, rights of way which form part of each Lot with the exception of parts of each Lot that extend into lakes, and any property, structures, improvements and appurtenances not maintained by the Association shall be well maintained and kept in first class, good, safe, clean, neat and attractive condition consistent with the general appearance of JENNINGS FARM by the record title owner of the applicable Lot. Each Owner is specifically responsible for maintaining all grass, landscaping and improvements within any portion of a Lot. No tree installed by the Declarant on any Lot shall be felled, removed, or cut down unless such tree represents a hazard to the Home or other improvements on the Lot, or to persons occupying or utilizing JENNINGS FARM. If any such tree dies, such tree shall be replaced by the Owner of the Lot upon which the tree was located, at the Owner's expense, by a similar tree of similar size in diameter. No other objects or landscaping may be installed in place of any such trees. In the event Lots and Homes are not maintained by the record title owner of the Lot in accordance with the requirements of this Section 11, the Association may, but shall not be obligated to, perform the maintenance obligations on behalf of the Owner.

11.1 Right of the Association to Enforce. Declarant hereby grants the Association an easement over each Lot for the purpose of ensuring compliance with the requirements of this Section 11. In the event an Owner does not comply with this Section 11, the Association may perform the necessary maintenance and charge the costs thereof to the non-complying Owner as an Individual Assessment. The Association shall have the right to enforce this Section 11 by all necessary legal action. In the event that Association is the prevailing party with respect to any litigation respecting the enforcement of compliance with this Section 11, it shall be entitled to recover all of its attorneys' fees and paraprofessional fees, and costs, at trial and upon appeal.

11.2 Landscape Maintenance Standards. The following maintenance standards (the "Landscape Maintenance Standards") apply to landscaping within all Lots:

11.2.1 Trees. Trees are to be pruned as needed and maintained with the canopy no lower than eight feet (8') from the ground.

11.2.2 Shrubs. All shrubs are to be trimmed as needed.

11.2.3 Grass.

11.2.3.1 Cutting Schedule. Grass shall be maintained in a neat and appropriate manner. In no event shall lawns within any Lot be in excess of five inches (5") in height.

11.2.3.2 Edging. Edging of all streets, curbs, beds and borders shall be performed as needed. Chemical edging shall not be permitted.

11.2.3.3 Grass. St. Augustine grass (i.e., Floratam or a similar variety), as acceptable, is permitted in the front yards and side yards, including side yards facing a street.

11.2.4 Mulch. Mulch shall be replenished as needed as determined by the Board of Directors.

11.2.5 Insect Control and Disease. Insect control and disease shall be performed on an as needed basis. Failure to do so could result in additional liability if the disease and insect spread to neighboring Lots and Common Areas. Dead grass shall be removed and replaced within thirty (30) days of dying. If the County code or SJRWMD regulations require Bahia grass in the rear yards, it shall remain as Bahia and if it dies, may only be replaced with Bahia.

11.2.6 Fertilization. Fertilization of all turf, trees, shrubs, and palms shall be performed according to Best Management Practices as provided by the County Extension Service (if any) or The University of Florida IFAS Extension.

11.2.7 Irrigation. Watering and irrigation, including the maintenance, repair and replacement of irrigation facilities and components will be the sole responsibility of the record title Owner of the respective Lot. Lots shall be consistently irrigated to maintain a green and healthy lawn at all times. Sprinkler heads shall be maintained on a monthly basis. Water spray from sprinklers shall not extend beyond any property line of the respective Lot. Automatic sprinkler systems shall not cause water to run onto neighboring Lots, walkways, streets or the like and shall include a timing system to limit hours of operation. All components of the irrigation system, clock, pump stations and valves shall be checked as needed by an independent contractor to assure proper automatic operation.

11.2.8 Weeding. All beds are to be weeded upon every cut. Weeds growing in joints in curbs, driveways, and expansion joints shall be removed as needed. Chemical treatment is permitted.

11.2.9 Trash Removal. Dirt, trash, plant and tree cuttings and debris resulting from all operations shall be removed and all areas left in clean condition before the end of the day.

11.3 Landscaping and Irrigation. The following provisions shall relate to all Lots and Homes within JENNINGS FARM:

11.3.1 Every Owner shall be required to irrigate the grass and landscaping located on their Lot in a routine and ordinary manner, as may be permitted by SJRWMD and/or County regulations, and shall ensure that sufficient irrigation occurs during all periods when the Owner is absent from the Lot.

11.3.2 Without the prior written consent of the ACC, no sod, topsoil, tree or shrubbery shall be removed from JENNINGS FARM and there shall be no change in the plant landscaping, elevation, condition of the soil or the level of the land of such areas which results in any change in the flow and drainage of surface water which the ACC, in its sole discretion, considers detrimental or potentially detrimental to person or property. Notwithstanding the foregoing, Owners who install improvements to the Lot (including, without limitation, concrete or brick pavers) that result in any change in the flow and/or drainage of surface water shall be responsible for all of the costs of drainage problems resulting from such improvement. Further, in the event that such Owner fails to pay for such required repairs, each Owner agrees to reimburse Association for all expenses incurred in fixing such drainage problems including, without limitation, removing excess water and/or repairing the SWMS.

11.3.3 No landscape lighting shall be installed by an Owner without the prior written approval of the ACC.

11.4 Weeds and Refuse. No weeds, underbrush, or other unsightly growth shall be permitted to be grown or remain upon any Lot. No refuse or unsightly objects shall be allowed to be placed or allowed to remain upon any Lot.

11.5 Paved Surfaces. Each Owner and Builder shall be responsible to timely repair, maintain and/or replace the driveway, walkways, including without limitation any brick pavers, and other paved

surfaces comprising part of a Lot. Further, each Owner agrees to reimburse the Association any expense incurred in repairing any damage to such driveway, walkways, sidewalks and other paved surfaces in the event that such Owner or Builder fails to make the required repairs, together with interest at the highest rate allowed by law.

11.6 Water Intrusion. Florida experiences heavy rainfall and humidity on a regular basis. Each Owner is responsible for making sure his or her Home remains watertight including, without limitation, checking caulking around windows and seals on doors. Each Owner acknowledges that running air conditioning machinery with windows and/or doors open in humid conditions can result in condensation, mold and/or water intrusion. Declarant and Association shall not have liability under such circumstances for any damage or loss that an Owner may incur. FURTHER, GIVEN THE CLIMATE AND HUMID CONDITIONS IN FLORIDA, MOLDS, MILDEW, TOXINS AND FUNGI MAY EXIST AND/OR DEVELOP WITHIN HOMES. EACH OWNER IS HEREBY ADVISED THAT CERTAIN MOLDS, MILDEW, TOXINS AND/OR FUNGI MAY BE, OR IF ALLOWED TO REMAIN FOR A SUFFICIENT PERIOD MAY BECOME, TOXIC AND POTENTIALLY POSE A HEALTH RISK. BY ACQUIRING TITLE TO A HOME AND/OR LOT, EACH OWNER, SHALL BE DEEMED TO HAVE ASSUMED THE RISKS ASSOCIATED WITH MOLDS, MILDEW, TOXINS AND/OR FUNGI AND TO HAVE RELEASED DECLARANT FROM ANY AND LIABILITY RESULTING FROM SAME.

11.7 Water Mains. In the event the County or any of its subdivisions, agencies, and/or divisions must remove any portion of an Owner's or Builder's driveway, then the Owner or Builder, as applicable, of such driveway shall be responsible to replace or repair the driveway at such Owner's or Builder's expense, if such expenses are not paid for by the County. In the event an Owner or Builder does not comply with this Section 11.7, the Association may perform the necessary maintenance and charge the costs thereof to the non-complying Owner or Builder as an Individual Assessment. In the event that Association is the prevailing party with respect to any litigation respecting the enforcement of compliance with this Section 11.7, it shall be entitled to recover all of its attorneys' fees and paraprofessional fees, and costs, at trial and upon appeal. Each Owner and Builder grants the Association an easement over its Lot for the purpose of ensuring compliance with the requirements of this Section 11.7.

12. Use Restrictions. The following Use Restrictions shall apply to all Lots within JENNINGS FARM, except for any Lots owned by the Declarant. Each Owner and Builder must comply with the following:

12.1 Alterations and Additions. No material alteration, addition or modification to a Lot or Home, or material change in the appearance thereof, shall be made without the prior written approval thereof being first had and obtained from the ACC as required by this Declaration.

12.2 Animals. No animals of any kind shall be raised, bred or kept within JENNINGS FARM for commercial purposes. Owners may keep domestic pets as permitted by Clay County animal ordinances and otherwise in accordance with the Rules and Regulations established by the Board from time to time. Notwithstanding the foregoing, pets may be kept or harbored in a Home only so long as such pets or animals do not constitute a nuisance. A determination by the Board that an animal or pet kept or harbored in a Home is a nuisance shall be conclusive and binding on all parties. All pets shall be walked on a leash. No pet shall be permitted outside a Home unless such pet is kept on a leash or within an enclosed portion of the yard of a Lot. No pet or animal shall be "tied out" on the exterior of the Home or left unattended in a yard or on a balcony, porch, or patio. No dog runs or enclosures shall be permitted on any Lot. When notice of removal of any pet is given by the Board, the pet shall be removed within forty-eight (48) hours of the giving of the notice. The person walking the pet or the Owner shall clean up all matter created by the pet. Each Owner shall be responsible for the activities of its pet.

12.3 Artificial Vegetation. Except as otherwise permitted by Florida law, no artificial grass, plants or other artificial vegetation, or rocks or other landscape devices, shall be placed or maintained upon the exterior portion of any Lot, unless approved by the ACC.

12.4 Vehicles. Notwithstanding any other provision in this Declaration to the contrary, the following restrictions shall not apply to construction vehicles utilized in connection with construction, improvement, installation, or repair by Declarant or Builders, or their agents.

12.4.1 Parking. Owners' automobiles shall be parked in the garage or driveway of the respective Owners' Lot and shall not block the sidewalk or the Common Area roadway. There shall be no parking in the Common Area roadway. To the extent JENNINGS FARM has any guest parking, Owners are prohibited from parking in such guest parking spaces. To the extent guest parking spaces exist near or around mail kiosks, Owners are prohibited from parking in such guest parking spaces overnight. No vehicles used in business for the purpose of transporting goods, equipment and the like, shall be parked in JENNINGS FARM except during the period of a delivery.

12.4.2 Repairs and Maintenance of Vehicles. No vehicle which cannot operate on its own power shall remain on JENNINGS FARM for more than twelve (12) hours, except in the garage of a Home. No repair or maintenance, except emergency repair, of vehicles shall be made within JENNINGS FARM, except in the garage of a Home. No vehicles shall be stored on blocks. No tarpaulin covers on vehicles shall be permitted anywhere within the public view.

12.4.3 Prohibited Vehicles. No commercial vehicle, vehicles with more than two (2) axles, limousine, recreational vehicle, trailer, including without limitation, house trailers, mobile homes, and trailers of every other type, kind or description, or camper, may be kept within JENNINGS FARM except in the garage of a Home. The term "commercial vehicle" shall not be deemed to include law enforcement vehicles or recreational or utility vehicles (i.e., Broncos, Blazers, Explorers, Navigators, etc.) or clean "non-working" vehicles such as pick-up trucks, vans, or cars if they are used by the Owner on a daily basis for normal transportation. No vehicles bearing a "for sale" sign shall be parked within the public view anywhere within JENNINGS FARM. For any Owner who drives an automobile issued by the County or other governmental entity (i.e., police cars), such automobile shall not be deemed to be a commercial vehicle and may be parked in the garage or driveway of the Lot. No vehicle shall be used as a domicile or residence either temporarily or permanently. No ATV or mini motorcycle may be parked or stored within JENNINGS FARM, including on any Lot, except in the garage of a Home.

12.4.4 Towing. Subject to applicable laws and ordinances, any vehicle parked in violation of these or other restrictions contained herein or in the Rules and Regulations may be towed by the Association at the sole expense of the owner of such vehicle if such vehicle remains in violation for a period of twenty-four (24) hours from the time a notice of violation is placed on the vehicle or if such a vehicle was cited for such violation within the preceding fourteen (14) day period. Each Owner by acceptance of title to a Home irrevocably grants the Association and its designated towing service the right to enter a Lot and tow vehicles in violation of this Declaration. Neither the Association nor the towing company shall be liable to the owner of such vehicle for trespass, conversion or otherwise, nor guilty of any criminal act, by reason of such towing or removal and once the notice is posted, neither its removal, nor failure of the owner to receive it for any other reason, shall be grounds for relief of any kind. For purposes of this paragraph, "vehicle" shall also mean campers, mobile homes, trailers, etc. By accepting title to a Home, the Owner provides to the Association the irrevocable right to tow or remove vehicles parked on the Owner's Lot that are in violation of this Declaration. An affidavit of the person posting the foresaid notice stating it was properly posted shall be conclusive evidence of proper posting.

12.5 Casualty Destruction to Improvements. In the event that a Home or other improvement is damaged or destroyed by casualty loss or other loss, then the Owner thereof shall commence to rebuild or repair the damaged Home or improvement in accordance with Section 14.2.2 of this Declaration. As to any such reconstruction of a destroyed Home or improvements, the same shall only be replaced as approved by the ACC. Notwithstanding anything to the contrary herein, to the extent that insurance coverage obtained and maintained by the Association covers such casualty destruction, the Owner of such damaged or destroyed Home shall not perform any activities that would negate such coverage or impair the availability of such coverage.

12.6 Commercial Activity. Except for normal construction activity, sale, and re-sale of a Home, sale or re-sale of other property owned by Declarant or Builders, administrative offices of Declarant or Builders, no commercial or business activity shall be conducted within JENNINGS FARM, including without limitation, within any Home. Notwithstanding the foregoing, and subject to applicable statutes and ordinances, an Owner may maintain a home business office within a Home for such Owner's personal use; provided, however, business invitees, customers, and clients shall not be permitted to meet with Owners in Homes unless the Board provides otherwise in the Rules and Regulations. No Owner may actively engage in any solicitations for commercial purposes within JENNINGS FARM. No solicitors of a commercial nature shall be allowed within JENNINGS FARM, without the prior written consent of the Association. No day care center or facility may be operated out of a Home. No garage sales are permitted, except as permitted by the Association. Prior to the Community Completion Date, the Association shall not permit any garage sales without the prior written consent of Declarant.

12.7 Completion and Sale of Homes. No person or entity shall interfere with the completion and sale of Homes and/or Lots within JENNINGS FARM. WITHOUT LIMITING THE FOREGOING, EACH OWNER, BY ACCEPTANCE OF A DEED, AGREES THAT ACTIONS OF OWNERS MAY IMPACT THE VALUE OF HOMES AND/OR LOTS; THEREFORE EACH OWNER IS BENEFITED BY THE FOLLOWING RESTRICTIONS: PICKETING AND POSTING OF NEGATIVE SIGNS IS STRICTLY PROHIBITED IN ORDER TO PRESERVE THE VALUE OF THE HOMES AND/OR LOTS IN JENNINGS FARM AND THE RESIDENTIAL ATMOSPHERE THEREOF.

12.8 Control of Contractors. Except for direct services which may be offered to Owners (and then only according to the Rules and Regulations relating thereto as adopted from time to time), no person other than an Association officer shall direct, supervise, or in any manner attempt to assert any control over any contractor of the Association.

12.9 [Intentionally Omitted]

12.10 Decorations. No decorative objects including, but not limited to, birdbaths, light fixtures, sculptures, statues, or weather vanes, or flagpoles shall be installed or placed within or upon any portion of JENNINGS FARM without the prior written approval of the ACC. Notwithstanding the foregoing, holiday lighting and decorations shall be permitted to be placed upon the exterior portions of the Home and upon the Lot in the manner permitted hereunder commencing the week before Thanksgiving and shall be removed not later than January 15th of the following year. The ACC may establish standards for holiday lights. No structure, landscaping, or other material shall be placed or be permitted to remain which may damage or interfere with the drainage or irrigation of JENNINGS FARM and/or installation or maintenance of utilities or which may obstruct or retard the flow of water through JENNINGS FARM and/or water management areas and facilities or otherwise interfere with any drainage, irrigation and/or easement provided for in this Section or the use rights set forth elsewhere in this Declaration.

15.10 Blanket Easement in favor of the Association. Association is hereby granted an easement over all of JENNINGS FARM, including all Lots, for the purposes of: (i) constructing, maintaining, replacing and operating all Common Areas; (ii) performing any obligation that the Association is obligated to perform under this Declaration; and (iii) performing any obligation of an Owner for which Association intends to impose an Individual Assessment.

15.11 Intentionally Deleted.

15.12 Duration. All easements created herein or pursuant to the provisions hereof shall be perpetual unless stated to the contrary.

16. Water Bodies.

16.1 Retention/Detention Areas. JENNINGS FARM MAY INCLUDE RETENTION/DETENTION AREAS. NEITHER THE DECLARANT NOR THE ASSOCIATION MAKE ANY REPRESENTATION CONCERNING THE CURRENT OR FUTURE WATER LEVELS IN ANY OF THE RETENTION/DETENTION AREAS IN JENNINGS FARM; PROVIDED, FURTHER, NEITHER THE DECLARANT NOR THE ASSOCIATION BEAR ANY RESPONSIBILITY TO ATTEMPT TO ADJUST OR

MODIFY THE WATER LEVELS SINCE SUCH LEVELS ARE SUBJECT TO SEASONAL GROUNDWATER AND RAINFALL FLUCTUATIONS THAT ARE BEYOND THE CONTROL OF THE DECLARANT AND THE ASSOCIATION. BY ACCEPTANCE OF A DEED TO A LOT, EACH OWNER ACKNOWLEDGES THAT THE WATER LEVELS OF ALL RETENTION/DETENTION AREAS MAY VARY. THERE IS NO GUARANTEE BY THE DECLARANT OR THE ASSOCIATION THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT. NEITHER THE DECLARANT NOR THE ASSOCIATION SHALL BE OBLIGATED TO ERECT FENCES, GATES, OR WALLS AROUND OR ADJACENT TO ANY RETENTION/DETENTION AREAS WITHIN JENNINGS FARM.

16.2 Retention/Detention Area Slopes. The rear yard of some Lots may contain water body slopes adjacent to the retention/detention areas (the "Retention/Detention Area Slopes"). All Retention/Detention Area Slopes will be regulated, owned and maintained by the Association, except as otherwise provided in the Retention/Detention Area Slopes Maintenance Standards. The Declarant hereby grants the Association an easement of ingress and egress across all Lots adjacent to retention/detention areas for the purpose of regulating and maintaining such Retention/Detention Area Slopes, except as otherwise provided in the Retention/Detention Area Slopes Maintenance Standards, if any. The Association may establish from time to time standards for the Retention/Detention Area Slopes to be complied with by all Owners who own Lots adjacent to such areas ("Retention/Detention Area Slopes Maintenance Standards"). Such Retention/Detention Area Slopes Maintenance Standards may include requirements respecting compaction and strengthening of banks. The Association shall have the right to inspect such Retention/Detention Area Slopes to ensure that each Owner has complied with its obligations hereunder and under the Retention/Detention Area Slopes Maintenance Standards. Each Owner hereby grants the Association an easement of ingress and egress across his or her Lot to all retention/detention areas for the purpose of ensuring compliance with the requirements of this provision and the Retention/Detention Area Slopes Maintenance Standards. For the purposes of this Declaration, each day that an Owner fails to comply with the requirements of this paragraph or any Retention/Detention Area Slopes Maintenance Standards shall be deemed a separate and independent violation of this Declaration.

16.3 Drainage Easement. The Association shall be responsible for reasonably maintaining the drainage easements dedicated to the Association as identified in the Plat or hereinafter created. The Owner shall not interfere with access, ingress or egress to such drainage easements nor shall the Owner install any infrastructure, landscaping, plants, walls, fences, structures, or other vertical construction generally within such drainage easement. Failure of the Owner to abide by this Section shall be a violation of this Declaration. Notwithstanding the foregoing, the Owner shall be responsible for maintaining the landscaping within the drainage easement contained within his or her Lot, including, but not limited to, mowing the lawn.

17. Assessments.

17.1 Types of Assessments. Each Owner and Builder, by acceptance of a deed or instrument of conveyance for the acquisition of title in any manner (whether or not so expressed in the deed), including any purchaser at a judicial sale, shall be deemed to have covenanted and agreed to pay to the Association at the time and in the manner required by the Board, assessments or charges as are fixed, established and collected from time to time by the Association (collectively, the "Assessments"). As Vacant Lots and Spec Lots (as defined herein) may not receive certain services, Declarant, Builders and Owners shall not be assessed uniformly.

17.2 Purpose of Assessments. The Assessments levied by the Association shall be used for, among other things, the purpose of operating and maintaining the Association and JENNINGS FARM. Assessments shall include the following categories of charges as and when levied and deemed payable by the Board:

17.2.1 Any periodic assessment (on such frequency as determined by the Board) or charge for the purpose of operating the Association and accomplishing any and all of its purposes, as determined in accordance herewith, including without limitation, payment of Operating Expenses

and collection of amounts necessary to pay any deficits from prior years' operation ("**Installment Assessments**");

17.2.2 Any special assessments for capital improvements, major repairs, emergencies, or nonrecurring expenses ("**Special Assessments**");

17.2.3 Any specific fees, dues or charges to be paid for any special services, for any special or personal use of the Common Areas, or to reimburse the Association for the expenses incurred in connection with such service or use ("**Use Fees**");

17.2.4 Assessments of any kind for the creation of reasonable reserves for any of the aforesaid purposes. The Board may, but shall have no obligation to, include a "Reserve for Replacement" in the Installment Assessments in order to establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements comprising a portion of the Common Areas (the "**Reserves**"). Reserves shall be payable in such manner and at such times as determined by the Association, and may be payable in installments extending beyond the fiscal year in which the Reserves are established; and

17.2.5 Any specific assessment for costs incurred by the Association or charges, fees or fines levied against a specific Lot or Lots or the record title owner thereof, which amounts are by their nature applicable only to one or more Lots, but less than all Lots ("**Individual Assessments**"). By way of example and not limitation, in the event an Owner fails to maintain their Lot or the exterior of their Home in a manner required by the Governing Documents, the Association shall have the right, through its agents and employees, to enter upon the Lot and to repair, restore, and maintain the Lot and/or Home as required by the Governing Documents. The costs of any such repair, restoration and/or maintenance, plus the reasonable administrative expenses of the Association and any costs incurred in bringing a Lot and/or Home into compliance with the Governing Documents shall be an Individual Assessment. The lien for an Individual Assessment may be foreclosed in the same manner as any other Assessment.

17.3 **Designation**. The designation of Assessment type and amount shall be made by the Association. Prior to the Community Completion Date, any such designation must be approved by Declarant. Such designation may be made on the budget prepared by the Association. The designation shall be binding upon all Owners and Builders.

17.4 **Allocation of Operating Expenses**.

17.4.1 Commencing on the first day of the period covered by the annual budget, and until the adoption of the next annual budget, the Assessments for Operating Expenses and Reserves (if any) shall be allocated so that each Owner shall pay Operating Expenses, Special Assessments and Reserves based upon a fraction, the numerator of which is one (1) and the denominator of which is the total number of Lots in JENNINGS FARM conveyed to Owners and or any greater number determined by Declarant from time to time. Declarant, in its sole and absolute discretion may change such denominator from time to time; provided, however, under no circumstances will the denominator be less than the number of Lots owned by Owners. In addition, any Lot that does not have a Home constructed thereon as evidenced by a Certificate of Occupancy (a "**Vacant Lot**") and any Lot that has a Home constructed thereon but is owned by a Builder (a "**Spec Lot**") shall be assessed at fifty percent (50%) of the Installment Assessments assessed to Lots with Homes constructed thereon and owned by Owners. The lesser Assessment amount reflects that Vacant Lots and Spec Lots will not benefit from maintenance and other services provided by the Association. At such time as a Home is conveyed by the Declarant to an Owner, then the Spec Lot shall be deemed a fully assessed Lot and shall be responsible for one hundred percent (100%) of Installment Assessments and Special Assessments, except as otherwise provided herein. The Vacant Lot Assessment and the Spec Lot Assessment shall be additional income to the Association for use by the Board, in its sole and absolute discretion, including, but not limited to future and existing capital improvements, Operating Expenses, support costs and start-up costs. Vacant Lots

and Spec Lots shall not be included in the denominator used to determine each Owner's pro rata share of the Operating Expenses and Reserves (if any), unless otherwise determined by the Declarant in its sole and absolute discretion. In no event, however, shall Builders pay Special Assessments.

17.4.2 In the event the Operating Expenses as estimated in the budget for a particular fiscal year are, after the actual Operating Expenses for that period is known, less than the actual costs, then the difference shall, at the election of the Association: (i) be added to the calculation of Installment Assessments, as applicable, for the next ensuing fiscal year; or (ii) be immediately collected from the Owners as a Special Assessment. The Association shall have the unequivocal right to specially assess Owners retroactively on January 1st of any year for any shortfall in Installment Assessments, which Special Assessment shall relate back to the date that the Installment Assessments could have been made. After the Turnover Date, no vote of the Owners shall be required for such Special Assessment (or for any other Assessment) except to the extent specifically provided herein. Prior to the Turnover, a Special Assessment may be levied by the Association with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly called meeting of the members.

17.4.3 Each Owner agrees that so long as it does not pay more than the required amount it shall have no grounds upon which to object to either the method of payment or non-payment by Owners, the Declarant or Builders of any sums due.

17.5 General Assessments Allocation. Installment Assessments and Reserves shall be uniform for all Lots improved with a Home, except as provided herein. Special Assessments shall be allocated equally to each Owner. Notwithstanding anything to the contrary contained in the Governing Documents, but subject to the rights of Declarant pursuant to Section 17.8 of this Declaration, Vacant Lots and Spec Lots shall be assessed at twenty-five percent (25%) of the Installment Assessments assessed to Lots with Homes constructed thereon and owned by Owners. This lesser Assessment amount reflects that such Vacant Lots and Spec Lots will not benefit from maintenance and other services provided by the Association. At such time as a Home is conveyed by the Builder to the end user, then the Vacant Lot or Spec Lot, as applicable, shall be deemed a fully assessed Lot and shall be responsible for one-hundred percent (100%) of Installment Assessments, Reserves and Special Assessments, except as otherwise provided herein.

17.6 Use Fees and Individual Assessment. Except as hereinafter specified to the contrary, Use Fees and Individual Assessments shall be made against the Owners and Builders benefiting from, or subject to, the special service or cost as specified by the Association.

17.7 Commencement of First Assessment. Assessments shall commence as to each Owner on the day of the conveyance of title of a Home to such Owner by a Builder or the Declarant. Assessments shall commence as to each Builder on the day of the conveyance of title of a Lot to such Builder by the Declarant. Assessments will be payable on a quarterly basis. The record title owner of a Lot is jointly and severally liable with the previous record title owner of the Lot for all unpaid Assessments that came due up to the time of transfer of title. A record title owner of a Lot, regardless of how title to the Lot has been acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, is liable for all Assessments that come due while such person or entity was the record title owner of the Lot. An Owner's or Builder's liability for Assessments may not be avoided by waiver or suspension of the use or enjoyment of any Common Areas or by abandonment of the Lot upon which the Assessments are made.

17.8 Shortfalls and Surpluses. Each Owner and Builder acknowledges that because Installment Assessments, Special Assessments, and Reserves are allocated based on the formula provided herein, or upon the number of Lots conveyed to Owners in the prior fiscal year, it is possible that the Association may collect more or less than the amount budgeted for Operating Expenses. Prior to the Turnover Date, Declarant shall have the option to (i) pay any Operating Expenses incurred by the Association that exceed the Assessments receivable from Owners and Builders and other income of the Association as set forth herein (the "Deficit"), or (ii) for each Lot owned by the Declarant, pay ten percent (10%) of the Installment

Assessment established for Lots owned by Owners. Notwithstanding any other provision of this Declaration to the contrary, Declarant shall never be required to (i) pay Assessments if Declarant has elected to fund the Deficit instead of paying Assessments on Homes or Lots owned by Declarant, (ii) pay Special Assessments, Individual Assessments or Reserves, or (iii) fund deficits due to delinquent Owners. Any surplus Assessments collected by the Association may be allocated towards the next year's Operating Expenses or, in the Association's sole and absolute discretion, to the creation of Reserves, whether or not budgeted. Under no circumstances shall the Association be required to pay surplus Assessments to Owners and Builders. The Declarant may at any time give thirty (30) days prior written notice to the Association terminating its responsibility for funding the Deficit, and waiving its right to exclusion from Assessments. Upon giving such notice, or upon Turnover, whichever is sooner, each Lot owned by Declarant shall thereafter be assessed at ten percent (10%) of the Installment Assessment established for Lots owned by Owners. Declarant shall not be responsible for any Reserves, Individual Assessments or Special Assessments. Upon transfer of title of a Lot owned by Declarant, the Lot shall be assessed in the amount established for Lots owned by Owners or Builders, prorated as of and commencing with, the month following the date of transfer of title.

THE DECLARANT DOES NOT PROVIDE A GUARANTEE OF THE LEVEL OF ASSESSMENTS. AS SUCH, THERE IS NO MAXIMUM GUARANTEED LEVEL OF ASSESSMENTS DUE FROM OWNERS AND BUILDERS. IN THE EVENT THE DECLARANT ELECTS TO DEFICIT FUND IN LIEU OF PAYING ASSESSMENTS ON THE SAME BASIS AS OTHER OWNERS, THE DECLARANT SHALL SPECIFICALLY ELECT TO FUND THE DEFICIT AS PROVIDED IN SECTION 720.308(1)(B), FLORIDA STATUTES (2018). AS SUCH, THE PROVISIONS OF SECTIONS 720.308(2) THROUGH 720.308(6), FLORIDA STATUTES (2018), ARE NOT APPLICABLE TO THE DECLARANT OR THE CALCULATION OF THE DEFICIT OR OTHER AMOUNTS DUE FROM THE DECLARANT.

17.9 Budgets. The initial budget prepared by Declarant is adopted as the budget for the period of operation until adoption of the first annual Association budget. Thereafter, annual budgets shall be prepared and adopted by the Association. Assessments shall be payable by each Owner and Builder as provided in this Declaration. THE INITIAL BUDGET OF THE ASSOCIATION IS PROJECTED (NOT BASED ON HISTORICAL OPERATING FIGURES). THEREFORE, IT IS POSSIBLE THAT ACTUAL ASSESSMENTS MAY BE LESS OR GREATER THAN PROJECTED.

17.10 Establishment of Assessments. Assessments shall be established in accordance with the following procedures:

17.10.1 Installment Assessments shall be established by the adoption of a twelve (12) month operating budget by the Board. The budget shall be in the form required by Section 720.303(6), Florida Statutes (2013). The Board may from time to time determine when the Installment Assessments will be collected by the Association (i.e. monthly, quarterly, or annually). Unless otherwise established by the Board, Installment Assessments for Operating Expenses shall be collected in advance on a yearly basis.

17.10.2 Special Assessments and Individual Assessments may be established by the Association, from time to time, and shall be payable at such time or time(s) as determined by the Board. Until the Community Completion Date, no Special Assessment shall be imposed without the consent of Declarant.

17.10.3 Association may establish, from time to time, by resolution, rule or regulation, or by delegation to an officer or agent, including, a professional management company, Use Fees. The sums established shall be payable by the Owner utilizing the service or facility as determined by the Association.

17.11 Initial Contribution. The first purchaser of each Home from the Builder, at the time of closing of the conveyance from Builder to the purchaser, shall pay to the Association no initial contribution (the "Initial Contribution"). The funds derived from the Initial Contributions are deemed income to the Association and shall be used at the discretion of Board for any purpose, including without limitation, future

and existing capital improvements, operating expenses, support costs and start-up costs. Notwithstanding any other provision of this Declaration to the contrary, the Builder purchasing a Lot from the Declarant shall not be obligated to pay to the Association the Initial Contribution.

17.12 Resale Contribution. After the Home has been conveyed by Builder, there shall be collected upon every conveyance of an ownership interest in a Home by an Owner a resale contribution of \$200.00 (the "**Resale Contribution**"). The Resale Contribution shall not be applicable to conveyances from Declarant to Builder or from Builder to an Owner. The funds derived from the Resale Contributions are income to the Association and shall be used at the discretion of Board for any purpose, including without limitation, future and existing capital improvements, operating expenses, support costs and start-up costs. Notwithstanding any other provision of this Declaration to the contrary, the Builder purchasing a Lot from the Declarant shall not be obligated to pay to the Association the Resale Contribution.

17.13 Assessment Estoppel Certificates. No Owner or Builder shall sell or convey its interest in a Lot or Home unless all sums due to Association have been paid in full and an estoppel certificate shall have been received by such Owner or Builder. Association shall prepare and maintain a ledger noting Assessments due from each Owner and Builder. The ledger shall be kept in the office of the Association, or its designees, and shall be open to inspection by any Owner or Builder. Within fourteen (14) days of a written request therefor, there shall be furnished to an Owner or Builder an estoppel certificate in writing setting forth whether the Assessments have been paid and/or the amount that is due as of any date. As to parties other than Owners and Builder who, without knowledge of error, rely on the certificate, the certificate shall be conclusive evidence of the amount of any Assessment therein stated. The Owner or Builder requesting the estoppel certificate shall be required to pay Association a reasonable sum to cover the costs of examining records and preparing such estoppel certificate. The initial fee to produce such estoppel certificate shall be Two Hundred and No/100 Dollars (\$200.00) until amended by the Association.

17.14 Payment of Home Real Estate Taxes. Each Owner and Builder shall pay all taxes and obligations relating to its Lot which, if not paid, could become a lien against the Lot that is superior to the lien for Assessments created by this Declaration.

17.15 Creation of the Lien and Personal Obligation. Each Owner and Builder, by acceptance of a deed or instrument of conveyance for the acquisition of title to a Lot, shall be deemed to have covenanted and agreed that the Assessments, and/or other charges and fees set forth herein, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels of proceedings including appeals, collections and bankruptcy, shall be a charge and continuing lien in favor of the Association encumbering the Lot and all personal property located thereon owned by the Owner or Builder against whom each such Assessment is made. The lien is effective from and after recording a Claim of Lien in the Public Records stating the legal description of the Lot, name of the Owner or Builder, and the amounts due as of that date, but shall relate back to the date that this Declaration is recorded. The Claim of Lien shall also cover any additional amounts which accrue thereafter until satisfied. Each Assessment, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, and other costs and expenses provided for herein, shall be the personal obligation of the person or entity that was the record title owner of the Lot at the time when the Assessment became due, as well as the such record title owner's heirs, devisees, personal representatives, successors or assigns.

17.16 Subordination of the Lien to Mortgages. The lien for Assessments shall be subordinate to bona fide first mortgage held by a Lender on any Lot, if the mortgage is recorded in the Public Records prior to the Claim of Lien. The lien for Assessments shall not be affected by any sale or transfer of a Lot, except in the event of a sale or transfer of a Lot pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise) of a bona fide first mortgage held by a Lender, in which event, the acquirer of title, its successors and assigns, shall be liable for Assessments which became due prior to such sale or transfer to the extent provided in Section 720.3085, Florida Statutes (2013). However, any such unpaid Assessments for which such acquirer of title is not liable may be reallocated and assessed to all Owners and Builders (including such acquirer of title) as a part of Operating Expenses. Any sale or transfer pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise pursuant to a foreclosure) shall not relieve

the record title owner from liability for, nor the Lot from the lien of, any Assessments made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent Assessments from the payment thereof, or the enforcement of collection by means other than foreclosure. A Lender shall give written notice to Association if the mortgage held by such Lender is in default. Association shall have the right, but not the obligation, to cure such default within the time periods applicable provided in the mortgage held by such Lender. In the event Association makes such payment on behalf of a record title owner, the Association shall, in addition to all other rights reserved herein, be subrogated to all of the rights of the Lender. All amounts advanced on behalf of a record title owner pursuant to this Section shall be added to Assessments payable by such record title owner with appropriate interest.

17.17 Intentionally Deleted.

17.18 Non-Payment of Assessments. If any Assessment is not paid within ten (10) days (or such other period of time established by the Board) after the due date, a late fee of Twenty-Five and no/100 Dollars (\$25.00) per month (or such greater amount established by the Board), together with interest in an amount equal to the maximum rate allowable by law (or such lesser rate established by the Board), per annum, beginning from the due date until paid in full, may be levied. The late fee shall compensate the Association for administrative costs, loss of use of money, and accounting expenses. The Association may, at any time thereafter, bring an action at law against the record title owner personally obligated to pay the same, and/or foreclose the lien against the Lot, or both. The Association shall not be required to bring such an action if it believes that the best interests of the Association would not be served by doing so. There shall be added to the Assessment all costs expended in preserving the priority of the lien and all costs and expenses of collection, including attorneys' fees and paraprofessional fees, at all levels of proceedings, including appeals, collection and bankruptcy. No Builder or Owner may waive or otherwise escape liability for Assessments provided for herein by non-use of, or the waiver of the right to use the Common Areas or by abandonment of a Lot or Home. All payments on accounts shall be first applied to fines levied in accordance with the terms of this Declaration, interest accrued by the Association, then to any administrative late fee, then to costs and attorneys' fees, and then to the delinquent Assessment payment first due. The allocation of payment described in the previous sentence shall apply notwithstanding any restrictive endorsement, designation, or instruction placed on or accompanying a payment.

17.19 Exemption. Notwithstanding anything to the contrary herein, Declarant, at Declarant's sole option, may pay Assessments on Lots and Homes owned by it, or fund the Deficit, if any, as set forth in Section 17.8 herein. In addition, the Board shall have the right to exempt any portion of JENNINGS FARM subject to this Declaration from the Assessments, provided that such part of JENNINGS FARM exempted is used (and as long as it is used) for any of the following purposes:

17.19.1 Any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; and

17.19.2 Any of JENNINGS FARM exempted from ad valorem taxation by the laws of the State of Florida or exempted from Assessments by other provisions of this Declaration.

17.20 Collection by Declarant. If for any reason Association shall fail or be unable to levy or collect Assessments, then in that event, Declarant shall at all times have the right, but not the obligation: (i) to advance such sums as a loan to Association to bear interest and to be repaid as hereinafter set forth; and/or (ii) to levy and collect such Assessments by using the remedies available as set forth above, which remedies; including, but not limited to, recovery of attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy. Such remedies shall be deemed assigned to Declarant for such purposes. If Declarant advances sums, it shall be entitled to immediate reimbursement, on demand, from Association for such amounts so paid, plus interest thereon at the Wall Street Journal Prime Rate plus two percent (2%), plus any costs of collection including, but not limited to, reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy.

17.21 Rights to Pay Assessments and Receive Reimbursement. Association, Declarant and any Lender of a Home shall have the right, but not the obligation, jointly and severally, and at their sole option,

to pay any Assessments or other charges which are in default and which may or have become a lien or charge against any Lot or Home. If so paid, the party paying the same shall be subrogated to the enforcement rights of the Association with regard to the amounts due.

17.22 Mortgagee Right. Each Lender may request in writing that Association notify such Lender of any default of the Owner of the Home subject to the Lender's mortgage which default is not cured within thirty (30) days after Association learns of such default. A failure by the Association to furnish notice to any Lender shall not result in liability of the Association because such notice is given as a courtesy to a Lender and the furnishing of such notice is not an obligation of the Association to Lender.

17.23 Collection from Lessees. If a Home is occupied by a Lessee and the Owner is delinquent in the payment of Assessments, the Association may demand from the Lessee payment to the Association of all monetary obligations, including without limitation, Assessments due from the Owner to the Association. So long as the Owner remains delinquent, future rent payments due to the Owner must be paid to the Association and shall be credited to the monetary obligations of the Owner to the Association; provided, however, if within fourteen (14) days from the written demand of the Association, the Lessee provides the Association with written evidence of making prepaid rent payments, the Lessee shall receive a credit for the prepaid rent for the applicable period of such prepaid rent.

18. Information to Lenders, Builders and Owners.

18.1 Availability. There shall be available for inspections upon request, during normal business hours or under other reasonable circumstances, to Owners, Builders and Lenders current copies of the Governing Documents.

18.2 Copying. Any Owner, Builder and/or Lender shall be entitled, upon written request, and at its cost, to a copy of the documents referred to above.

18.3 Notice. Upon written request by a Lender (identifying the name and address of the Lender and the name and address of the applicable Owner), the Lender will be entitled to timely written notice of:

18.3.1 Any condemnation loss or casualty loss which affects a material portion of a Home to the extent Association is notified of the same;

18.3.2 Any delinquency in the payment of Assessments owed by an Owner of a Home subject to a first mortgage held by the Lender, which remains uncured for a period of sixty (60) days;

18.3.3 Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained hereunder; and

18.3.4 Any proposed action that specifically requires the consent of a Lender.

19. Architectural Control.

19.1 Architectural Control Committee. The ACC shall be a permanent committee of the Association and shall administer and perform the architectural and landscape review and control functions relating to JENNINGS FARM. The ACC shall consist of a minimum of three (3) members who shall initially be named by Declarant and who shall hold office at the pleasure of Declarant. Until the Community Completion Date, Declarant shall have the right to change the number of members on the ACC, and to appoint, remove, and replace all members of the ACC. Declarant shall determine which members of the ACC shall serve as its chairman and co-chairman. In the event of the failure, refusal, or inability to act of any of the members appointed by Declarant, Declarant shall have the right to replace any member within thirty (30) days of such occurrence. If Declarant fails to replace that member, the remaining members of the ACC shall fill the vacancy by appointment. From and after the Community Completion Date, the Board shall have the same rights as Declarant with respect to the ACC.

19.2 Membership. There is no requirement that any member of the ACC be a member of the Association.

19.3 General Plan. It is the intent of this Declaration to create a general plan and scheme of development of JENNINGS FARM. Accordingly, the ACC shall have the right to approve or disapprove all architectural, landscaping, and improvements within JENNINGS FARM by Owners and Builders. The ACC shall have the right to evaluate all plans and specifications as to harmony of exterior design, landscaping, location of any proposed improvements, relationship to surrounding structures, topography and conformity with such other reasonable requirements as shall be adopted by ACC. The ACC may impose standards for construction and development which may be greater or more stringent than standards prescribed in applicable building, zoning, or other local governmental codes. Prior to the Community Completion Date, any additional standards or modification of existing standards shall require the consent of Declarant, which may be granted or denied in its sole discretion. The minimum requirements for home plans within JENNINGS FARM are attached hereto as Exhibit 5 and made a part hereof.

19.4 Master Plan. Declarant has established an overall Master Plan. However, notwithstanding the above, or any other document, brochures or plans, Declarant reserves the right to modify the Master Plan or any site plan at any time as it deems desirable in its sole discretion and in accordance with applicable laws and ordinances. WITHOUT LIMITING THE FOREGOING, DECLARANT AND/OR BUILDERS MAY PRESENT TO THE PUBLIC OR TO OWNERS RENDERINGS, PLANS, MODELS, GRAPHICS, TOPOGRAPHICAL TABLES, SALES BROCHURES, OR OTHER PAPERS RESPECTING JENNINGS FARM. SUCH RENDERINGS, PLANS, MODELS, GRAPHICS, TOPOGRAPHICAL TABLES, SALES BROCHURES, OR OTHER PAPERS ARE NOT A GUARANTEE OF HOW JENNINGS FARM WILL APPEAR UPON COMPLETION AND DECLARANT RESERVES THE RIGHT TO CHANGE ANY AND ALL OF THE FOREGOING AT ANY TIME AS DECLARANT DEEMS NECESSARY IN ITS SOLE AND ABSOLUTE DISCRETION.

19.5 Community Standards. Each Owner, Builder and their respective contractors and employees shall observe, and comply with, the Community Standards which now or may hereafter be promulgated by the Declarant or the ACC. The Community Standards shall be effective from the date of adoption; shall be specifically enforceable by injunction or otherwise; and shall have the effect of covenants as if set forth herein verbatim. The Community Standards shall not require any Owner or Builder to alter the improvements previously constructed. Until the Community Completion Date, Declarant shall have the right to approve the Community Standards, which approval, may be granted in its sole discretion.

19.6 Quorum. A majority of the ACC shall constitute a quorum to transact business at any meeting. The action of a majority present at a meeting at which a quorum is present shall constitute the action of the ACC. In lieu of a meeting, the ACC may act in writing.

19.7 Power and Duties of the ACC. No improvements shall be constructed on a Lot, no exterior of a Home shall be repainted, no landscaping, sign, or improvements erected, removed, planted, or installed upon on a Lot, nor shall any material addition to or any change, replacement, or alteration of the improvements as originally constructed by a Builder (visible from the exterior of the Home) be made until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, color scheme, and the location of same shall have been submitted to and approved in writing by the ACC.

19.8 Procedure. In order to obtain the approval of the ACC, each Owner and Builder shall observe the following:

19.8.1 Each applicant shall submit an application to the ACC with respect to any proposed improvement or material change in an improvement, together with the required application(s) and other fee(s) as established by the ACC. The applications shall include such information as may be required by the application form adopted by the ACC. The ACC may also require submission of samples of building materials and colors proposed to be used. At the time of such submissions, the applicant shall, if requested, submit to the ACC, such site plans, plans and specifications for the

proposed improvement, prepared and stamped by a registered Florida architect or residential designer, and landscaping and irrigation plans, prepared by a registered landscape architect or designer showing all existing trees and major vegetation stands and surface water drainage plan showing existing and proposed design grades, contours relating to the predetermined ground floor finish elevation, pool plans and specifications and the times scheduled for completion, all as reasonably specified by the ACC.

19.8.2 In the event the information submitted to the ACC is, in the ACC's opinion, incomplete or insufficient in any manner, the ACC may request and require the submission of additional or supplemental information. The applicant shall, within fifteen (15) days thereafter, comply with the request.

19.8.3 No later than thirty (30) days after receipt of all information required by the ACC for final review, the ACC shall approve or deny the application in writing. The ACC shall have the right to refuse to approve any plans and specifications which are not suitable or desirable, in the ACC's sole discretion, for aesthetic or any other reasons or to impose qualifications and conditions thereon. In approving or disapproving such plans and specifications, the ACC shall consider the suitability of the proposed improvements, the materials of which the improvements are to be built, the site upon which the improvements are proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on adjacent or neighboring property. In the event the ACC fails to respond within said thirty (30) day period, the plans and specifications shall be deemed disapproved by the ACC.

19.8.4 Construction of all improvements shall be completed within the time period set forth in the application and approved by the ACC.

19.8.5 In the event that the ACC disapproves any plans and specifications, the applicant may request a rehearing by the ACC for additional review of the disapproved plans and specifications. The meeting shall take place no later than thirty (30) days after written request for such meeting is received by the ACC, unless applicant waives this time requirement in writing. The ACC shall make a final written decision no later than thirty (30) days after such meeting. In the event the ACC fails to provide such written decision within said thirty (30) days, the plans and specifications shall be deemed disapproved.

19.8.6 Upon final disapproval (even if the members of the Board and the ACC are the same), the applicant may appeal the decision of the ACC to the Board within thirty (30) days of the ACC's written review and disapproval. Review by the Board shall take place no later than thirty (30) days subsequent to the receipt by the Board of the applicant's request therefor. If the Board fails to hold such a meeting within thirty (30) days after receipt of request for such meeting, then the plans and specifications shall be deemed disapproved. The Board shall make a final decision no later than sixty (60) days after such meeting. In the event the Board fails to provide such written decision within said sixty (60) days after such meeting, such plans and specifications shall be deemed disapproved. The decision of the ACC, or, if appealed, the Board, shall be final and binding upon the applicant, its heirs, legal representatives, successors and assigns.

19.9 Alterations. Any and all alterations, deletions, additions and changes of any type or nature whatsoever to then existing improvements or the plans or specifications previously approved by the ACC shall be subject to the approval of the ACC in the same manner as required for approval of original plans and specifications.

19.10 Variances. Association or ACC shall have the power to grant variances from any requirements set forth in this Declaration or from the Community Standards, on a case by case basis, provided that the variance sought is reasonable and results from a hardship upon the applicant. The granting of a variance shall not nullify or otherwise affect the right to require strict compliance with the requirements set forth herein or in the Community Standards on any other occasion.

19.11 Permits. Each Owner and Builder is solely responsible to obtain all required building and other permits from all governmental authorities having jurisdiction.

19.12 Construction Activities. The following provisions govern construction activities by Owners and Builders after consent of the ACC has been obtained:

19.12.1 Each Owner and Builder shall deliver to the ACC, if requested, copies of all construction and building permits as and when received by the Owner or Builder, as applicable. Each construction site in JENNINGS FARM shall be maintained in a neat and orderly condition throughout construction. Construction activities shall be performed on a diligent, workmanlike and continuous basis. Roadways, easements, swales, Common Areas, and other such areas in JENNINGS FARM shall be kept clear of construction vehicles, construction materials and debris at all times. No construction office or trailer shall be kept in JENNINGS FARM and no construction materials shall be stored in JENNINGS FARM, subject, however, to such conditions and requirements as may be promulgated by the ACC. All refuse and debris shall be removed or deposited in a dumpster on a daily basis. No materials shall be deposited or permitted to be deposited in any Common Areas or other Lots or be placed anywhere outside of the Lot upon which the construction is taking place. No hazardous waste or toxic materials shall be stored, handled and used, including, without limitation, gasoline and petroleum products, except in compliance with all applicable federal, state and local statutes, regulations and ordinances, and shall not be deposited in any manner on, in or within the construction or adjacent property. All construction activities shall comply with the Community Standards. If a Builder or Owner (or any of their respective contractors and employees) shall fail to comply in any regard with the requirements of this Section, the ACC may require that such Owner or Builder post security with the Association in such form and such amount deemed appropriate by the ACC in its sole discretion.

19.12.2 There shall be provided to the ACC, if requested, a list (name, address, telephone number and identity of contact person), of all contractors, subcontractors, materialmen and suppliers (collectively, "**Contractors**") and changes to the list as they occur relating to construction. Each Builder and all of its employees and Contractors and their employees shall utilize those roadways and entrances into JENNINGS FARM as are designated by the ACC for construction activities. The ACC shall have the right to require that each Builder's and Contractor's employees check in at the designated construction entrances and to refuse entrance to persons and parties whose names are not registered with the ACC. In addition, the ACC shall have the right to require any Builder to designate concrete washout areas to be approved by the ACC in advance of any construction-related activities.

19.12.3 Each Owner and Builder is responsible for ensuring compliance with all terms and conditions of these provisions and of the Community Standards by all of its employees and contractors. In the event of any violation of any such terms or conditions by any employee or contractor, or, in the opinion of the ACC, the continued refusal of any employee or contractor to comply with such terms and conditions, after five (5) days' notice and right to cure, the ACC shall have, in addition to the other rights hereunder, the right to prohibit the violating employee or contractor from performing any further services in JENNINGS FARM.

19.12.4 The ACC may, from time to time, adopt standards governing the performance or conduct of Owners, Builders, Contractors and their respective employees within JENNINGS FARM. Each Owner and Builder shall comply with such standards and cause its respective employees to also comply with same. The ACC may also promulgate requirements to be inserted in all contracts relating to construction within JENNINGS FARM and each Owner and Builder shall include the same therein.

19.13 Inspection. There is specifically reserved to Association and ACC and to any agent or member of either of them, the right of entry and inspection upon any portion of JENNINGS FARM at any time within reasonable daytime hours, for the purpose of determining whether there exists any violation of the terms of any approval or the terms of this Declaration or the Community Standards.

19.14 Violation. Without limiting any other provision herein, if any improvement shall be constructed or altered without prior written approval, or in a manner which fails to conform with the approval granted, the Owner or Builder, as applicable, shall, upon demand of the Association or the ACC, cause such improvement to be removed, or restored until approval is obtained or in order to comply with the plans and specifications originally approved. The applicable Owner or Builder shall be liable for the payment of all costs of removal or restoration, including all costs and attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, incurred by Association or ACC. The costs shall be deemed an Individual Assessment and enforceable pursuant to the provisions of this Declaration. The ACC and/or Association are specifically empowered to enforce the architectural and landscaping provisions of this Declaration and the Community Standards, by any legal or equitable remedy.

19.15 Court Costs. In the event that it becomes necessary to resort to litigation to determine the propriety of any constructed improvement or to cause the removal of any unapproved improvement, the prevailing party shall be entitled to recover court costs, expenses and attorneys' fees and paraprofessional fees at all levels, including appeals, collections and bankruptcy, in connection therewith.

19.16 Certificate. In the event that any Owner or Builder fails to comply with the provisions contained herein, the Community Standards, or other rules and regulations promulgated by the ACC, the Association and/or ACC may, in addition to all other remedies contained herein, record a Certificate of Non-Compliance against the Lot stating that the improvements on the Lot fail to meet the requirements of this Declaration and that the Lot is subject to further enforcement remedies.

19.17 Certificate of Compliance. If requested by an Owner or Builder, prior to the occupancy of any improvement constructed or erected on any Lot by other than Declarant, or its designees, the Owner or Builder shall obtain a Certificate of Compliance from the ACC, certifying that the Owner or Builder, as applicable, has complied with the requirements set forth herein. The ACC may, from time to time, delegate to a member or members of the ACC the responsibility for issuing the Certificate of Compliance. The issuance of a Certificate of Compliance does not abrogate the ACC's rights set forth in this Section 19.

19.18 Exemption. Notwithstanding anything to the contrary contained herein, or in the Community Standards, but subject to the requirements of Section 19.20 below, any improvements of any nature made or to be made by Declarant or any Builder, including without limitation, improvements made or to be made to the Common Areas or any Lot, shall not be subject to the review of the ACC, the Association, or the provisions of this Declaration or the Community Standards.

19.19 Exculpation. Declarant, the Association, the directors or officers of the Association, the ACC, the members of the ACC, or any person acting on behalf of any of them, shall not be liable for any cost or damages incurred by any Owner or Builder or any other party whatsoever, due to any mistakes in judgment, negligence, or any action of Declarant, the Association, ACC or their members, officers, or directors, in connection with the approval or disapproval of plans and specifications. Each Owner and Builder agrees, individually and on behalf of its heirs, successors and assigns by acquiring title to a Lot, that it shall not bring any action or suit against Declarant, the Association or their respective directors or officers, the ACC or the members of the ACC, or their respective agents, in order to recover any damages caused by the actions of Declarant, the Association, or ACC or their respective members, officers, or directors in connection with the provisions of this Section 19. Association does hereby indemnify, defend and hold Declarant and the ACC, and each of their members, officers, and directors harmless from all costs, expenses, and liabilities, including attorneys' fees and paraprofessional fees at all levels, including appeals, of all nature resulting by virtue of the acts of the Owners, Builders, the Association, ACC or their members, officers and directors. Declarant, the Association, its directors or officers, the ACC or its members, or any person acting on behalf of any of them, shall not be responsible for any defects in any plans or specifications or the failure of same to comply with applicable laws or code nor for any defects in any improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency thereof and for the quality of construction performed pursuant thereto.

19.20 Builders. Notwithstanding any other provision of this Declaration to the contrary, so long as Declarant owns any portion of JENNINGS FARM, Declarant and not the ACC shall have the right to approve any proposed plans and specifications for initial construction by any Builder. Declarant's approval of plans and specifications for any model plan proposed by an Builder shall be binding upon the Association, Board and ACC, and the Association, Board and ACC shall have no right to approve or deny plans and specifications for initial construction by an Builder. Approval of an Builder's model plans by the Declarant shall not be unreasonably withheld or delayed, and is only required once for any model plan and subsequent approvals of the same plan are not required.

20. Enforcement.

20.1 Right to Cure. Should any Owner or Builder do any of the following:

20.1.1 Fail to perform its responsibilities as set forth herein or otherwise breach the provisions of the Declaration including, without limitation, any provision herein benefiting SJRWMD;

20.1.2 Cause any damage to any improvement or Common Areas;

20.1.3 Impede Declarant or Association from exercising its rights or performing its responsibilities hereunder;

20.1.4 Undertake unauthorized improvements or modifications to a Lot or Common Areas; or

20.1.5 Impede Declarant from proceeding with or completing the development of JENNINGS FARM, as the case may be; then Declarant and/or Association, where applicable, after ten (10) days prior written notice, shall have the right, through its agents and employees, to cure the breach, including, but not limited to, the entering upon the Lot and causing the default to be remedied and/or the required repairs or maintenance to be performed, or as the case may be, remove unauthorized improvements or modifications. The cost thereof, plus reasonable overhead costs and attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, incurred shall be assessed against the Owner or Builder, as applicable, as an Individual Assessment.

20.2 Non-Monetary Defaults. In the event of a violation by any Owner or Builder, other than the nonpayment of any Assessment or other monies, of any of the provisions of this Declaration, Declarant or Association shall notify the Owner of the violation, by written notice. If such violation is not cured as soon as practicable and in any event within seven (7) days after such written notice, the party entitled to enforce same may, at its option:

20.2.1 Commence an action to enforce the performance on the part of the Owner or Builder, as applicable, or to enjoin the violation or breach or for equitable relief as may be necessary under the circumstances, including injunctive relief; and/or

20.2.2 Commence an action to recover damages; and/or

20.2.3 Take any and all action reasonably necessary to correct the violation or breach.

All expenses incurred in connection with the violation or breach, or the commencement of any action against any Owner or Builder, including reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy shall be assessed against the Owner or Builder, as applicable, as an Individual Assessment, and shall be immediately due and payable without further notice.

20.3 No Waiver. The failure to enforce any right, provision, covenant or condition in this Declaration, shall not constitute a waiver of the right to enforce such right, provision, covenant or condition in the future.

20.4 Rights Cumulative. All rights, remedies, and privileges granted to Declarant, the Association and/or the ACC pursuant to any terms, provisions, covenants or conditions of this Declaration, or Community Standards, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude any of them from pursuing such additional remedies, rights or privileges as may be granted or as it might have by law.

20.5 Enforcement By or Against Other Persons. In addition to the foregoing, this Declaration or Community Standards may be enforced by Declarant and/or, where applicable, Owners, Builders, and/or the Association by any procedure at law or in equity against any person violating or attempting to violate any provision herein, to restrain such violation, to require compliance with the provisions contained herein, to recover damages, or to enforce any lien created herein. The expense of any litigation to enforce this Declaration or Community Standards shall be borne by the person against whom enforcement is sought, provided such proceeding results in a finding that such person was in violation of this Declaration or the Community Standards. SJRWMD shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in the Declaration which relate to the maintenance, operation and repair of SWMS.

20.6 Fines and Suspensions. Association may suspend, for reasonable periods of time, the rights of an Owner or an Owner's tenants, guests and invitees, or both, to use the Common Areas and may levy reasonable fines, not to exceed the maximum amounts permitted by Section 720.305(2), Florida Statutes (2013), against an Owner, tenant, guest or invitee, for failure to comply with any provision of this Declaration including, without limitation, those provisions benefiting SJRWMD.

20.6.1 A fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing. Fines in the aggregate are not capped to any amount.

20.6.2 A fine or suspension may not be imposed without notice of at least fourteen (14) days to the person sought to be fined or suspended and an opportunity for a hearing before a committee of at least three (3) persons (the "Violations Committee") appointed by the Board who are not officers, directors or employees of the Association, or the spouse, parent, child, brother, sister of an officer, director or employee. If the Violations Committee does not by a majority vote approve a fine or suspension the same may not be imposed. The written notice of violation shall be in writing to the Owner, tenant, guest or invitee and detail the infraction or infractions. Included in the notice shall be the date and time of the hearing of the Violations Committee. If the Association imposes a fine or suspension, the Association must provide written notice of such suspension by mail or hand delivery to the Owner or Lessee. The notice and hearing requirements under this Section 20.6.2 do not apply to suspensions imposed due to an Owner's failure to pay monetary obligations due to the Association; however, any such suspension must be approved at a properly noticed meeting of the Association's Board of Directors.

20.6.3 The non-compliance shall be presented to the Violations Committee acting as a tribunal, after which the Violations Committee shall hear reasons why a fine should not be imposed. The hearing shall be conducted in accordance with the procedures adopted by the Violations Committee from time to time. A written decision of the Violations Committee shall be submitted to the Owner, tenant, guest or invitee, as applicable, by not later than twenty-one (21) days after the meeting of the Violations Committee. The Owner, tenant, guest or invitee shall have a right to be represented by counsel and to cross-examine witnesses.

20.6.4 The Violations Committee may impose a fine against the Owner in the amount of One Hundred and no/100 Dollars (\$100.00) (or any greater amount permitted by law from time to time) for each violation. Each day of noncompliance shall be treated as a separate violation and there is no cap on the aggregate amount the Violations Committee may fine an Owner, tenant, guest or invitee. Fines shall be paid not later than five (5) days after notice of the imposition of the fine. All monies received from fines shall be allocated as directed by the Board of Directors. Any fine in excess of One Thousand Dollars (\$1,000.00) shall constitute a lien against the applicable Lot, and a fine shall further be lienable to the extent otherwise permitted under Florida law.

21. Additional Rights of Declarant.

21.1 Sales and Administrative Offices. Declarant shall have the perpetual right to take such action reasonably necessary to transact any business necessary to consummate the development of JENNINGS FARM and sales and re-sales of Lots, Homes and/or other properties owned by Declarant or others outside of JENNINGS FARM. This right shall include, but not be limited to, the right to maintain models, sales offices and parking associated therewith, have signs on any portion of JENNINGS FARM, including Common Areas, employees in the models and offices without the payment of rent or any other fee, maintain offices in models and use of the Common Areas to show Lots or Homes. The sales office and signs and all items pertaining to development and sales remain the property of Declarant. Declarant shall have all of the foregoing rights without charge or expense. Without limiting any other provision of this Declaration, Declarant may assign its rights hereunder to each Builder. The rights reserved hereunder shall extend beyond the Turnover Date.

21.2 Modification. The development and marketing of JENNINGS FARM will continue as deemed appropriate in Declarant's sole discretion, and nothing in this Declaration or Community Standards, or otherwise, shall be construed to limit or restrict such development and marketing. It may be necessary or convenient for the development of JENNINGS FARM to, as an example and not a limitation, amend the Master Plan, modify the boundary lines of the Common Areas, grant easements, dedications, agreements, licenses, restrictions, reservations, covenants, rights-of-way, and to take such other actions which Declarant, or its agents, affiliates, or assignees may deem necessary or appropriate. Association, Builders and Owners shall, at the request of Declarant, execute and deliver any and all documents and instruments which Declarant deems necessary or convenient, in its sole and absolute discretion, to accomplish the same.

21.3 Promotional Events. Prior to the Community Completion Date, Declarant shall have the right, at any time, to hold marketing, special and/or promotional events within JENNINGS FARM and/or on the Common Areas without any charge for use. Declarant, its agents, affiliates, or assignees shall have the right to market JENNINGS FARM in advertisements and other media by making reference to JENNINGS FARM, including, but not limited to, pictures or drawings of JENNINGS FARM, Common Areas, Parcels and Homes constructed in JENNINGS FARM. All logos, trademarks, and designs used in connection with JENNINGS FARM are the property of Declarant, and Association shall have no right to use the same after the Community Completion Date except with the express written permission of Declarant. Without limiting any other provision of this Declaration, Declarant may assign its rights hereunder to each Builder.

21.4 Use by Prospective Purchasers. Prior to the Community Completion Date, Declarant shall have the right, without charge, to use the Common Areas for the purpose of entertaining prospective purchasers of Lots, Homes, or other properties owned by Declarant outside of JENNINGS FARM.

21.5 Franchises. Declarant may grant franchises or concessions to commercial concerns on all or part of the Common Areas and shall be entitled to all income derived therefrom.

21.6 Management. Declarant may manage the Common Areas by contract with Association. Declarant may also contract with a third party ("Manager") for management of the Association and the Common Areas. Each Owner acknowledges that Declarant may receive lump sum or monthly compensation from any Manager in connection with the costs of services provided by such Manager. Such compensation may be paid on a per Home or other basis. All such compensation shall be the sole property of Declarant, who shall have no duty to account for or disclose the amount of such compensation.

21.7 Easements. Until the Community Completion Date, Declarant reserves the exclusive right to grant, in its sole discretion, easements, permits and/or licenses for ingress and egress, drainage, utilities, maintenance, Telecommunications Services and other purposes over, under, upon and across JENNINGS FARM so long as any said easements do not materially and adversely interfere with the intended use of Homes previously conveyed to Owners. By way of example, and not of limitation, Declarant may be required to take certain action, or make additions or modifications to the Common Areas in connection with an

environmental program. All easements necessary for such purposes are reserved in favor of Declarant, in perpetuity, for such purposes. Without limiting the foregoing, Declarant may relocate any easement affecting a Lot, or grant new easements over a Lot, after conveyance to an Owner or Builder, without the joinder or consent of such Owner or Builder, as applicable, so long as the grant of easement or relocation of easement does not materially and adversely affect the Owner's or Builder's use of the Lot. As an illustration, Declarant may grant an easement for telecommunications systems, irrigation, drainage lines or electrical lines over any portion of a Lot so long as such easement is outside the footprint of the foundation of any residential improvement constructed on such Lot. Declarant shall have the sole right to any fees of any nature associated therewith, including, but not limited to, license or similar fees on account thereof. The Association and Owners will, without charge, if requested by Declarant: (i) join in the creation of such easements, etc. and cooperate in the operation thereof; and (ii) collect and remit fees associated therewith, if any, to the appropriate party. The Association will not grant any easements, permits or licenses to any other entity providing the same services as those granted by Declarant, nor will it grant any such easement, permit or license prior to the Community Completion Date without the prior written consent of Declarant which may be granted or denied in its sole discretion.

21.8 Right to Enforce. Declarant has the right, but not the obligation, to enforce the provisions of this Declaration and the Community Standards and to recover all costs relating thereto, including attorneys' fees and paraprofessional fees at all levels of proceeding, including appeals, collections and bankruptcy. Such right shall include the right to perform the obligations of the Association and to recover all costs incurred in doing so.

21.9 Additional Development. If Declarant withdraws portions of JENNINGS FARM from the operation of this Declaration, Declarant may, but is not required to, subject to governmental approvals, create other forms of residential property ownership or other improvements of any nature on the property not subjected to or withdrawn from the operation of this Declaration. Declarant shall not be liable or responsible to any person or entity on account of its decision to do so or to provide, or fail to provide, the amenities and/or facilities which were originally planned to be included in such areas. If so designated by Declarant, owners or tenants of such other forms of housing or improvements upon their creation may share in the use of all or some of the Common Areas and other facilities and/or roadways that remain subject to this Declaration. The expense of the operation of such facilities shall be allocated to the various users thereof, if at all, as determined by Declarant.

21.10 Representations. Declarant makes no representations concerning development both within and outside the boundaries of JENNINGS FARM including, but not limited to, the number, design, boundaries, configuration and arrangements, prices of all Parcels or Homes and buildings in all other proposed forms of ownership and/or other improvements on JENNINGS FARM or adjacent to or near JENNINGS FARM, including, but not limited to, the size, location, configuration, elevations, design, building materials, height, view, airspace, number of homes, number of buildings, location of easements, parking and landscaped areas, services and amenities offered.

21.11 [Intentionally Omitted]

21.12 Non-Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE GOVERNING DOCUMENTS, NEITHER THE DECLARANT, ANY BUILDER, NOR ASSOCIATION SHALL BE LIABLE OR RESPONSIBLE FOR, OR IN ANY MANNER A GUARANTOR OR INSURER OF, THE HEALTH, SAFETY OR WELFARE OF ANY OWNER, OCCUPANT OR USER OF ANY PORTION OF JENNINGS FARM INCLUDING, WITHOUT LIMITATION, RESIDENTS AND THEIR FAMILIES, GUESTS, LESSEES, LICENSEES, INVITEES, AGENTS, SERVANTS, CONTRACTORS, AND/OR SUBCONTRACTORS OR FOR ANY PROPERTY OF ANY SUCH WITHOUT LIMITING THE GENERALITY OF THE FOREGOING:

21.12.1 IT IS THE EXPRESS INTENT OF GOVERNING DOCUMENTS THAT THE VARIOUS PROVISIONS THEREOF WHICH ARE ENFORCEABLE BY THE ASSOCIATION AND WHICH GOVERN OR REGULATE THE USES OF JENNINGS FARM HAVE BEEN WRITTEN, AND ARE TO BE INTERPRETED AND ENFORCED, FOR THE SOLE PURPOSE OF

ENHANCING AND MAINTAINING THE ENJOYMENT OF JENNINGS FARM AND THE VALUE THEREOF;

21.12.2 ASSOCIATION IS NOT EMPOWERED, AND HAS NOT BEEN CREATED, TO ACT AS AN AGENCY WHICH ENFORCES OR ENSURES THE COMPLIANCE WITH THE LAWS OF THE STATE OF FLORIDA AND/OR CLAY COUNTY OR PREVENTS TORTIOUS ACTIVITIES;

21.12.3 THE PROVISIONS OF GOVERNING DOCUMENTS SETTING FORTH THE USES OF ASSESSMENTS SHALL BE APPLIED ONLY AS LIMITATIONS ON THE USES OF ASSESSMENT FUNDS AND NOT AS CREATING A DUTY OF THE ASSOCIATION TO PROTECT OR FURTHER THE HEALTH, SAFETY, OR WELFARE OF ANY PERSON(S), EVEN IF ASSESSMENT FUNDS ARE CHOSEN TO BE USED FOR ANY SUCH REASON; AND

21.12.4 EACH OWNER (BY VIRTUE OF ITS ACCEPTANCE OF TITLE TO A HOME) AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING A USE OF, ANY PORTION OF JENNINGS FARM (BY VIRTUE OF ACCEPTING SUCH INTEREST OR LIEN OR MAKING SUCH USE) BE BOUND BY THIS SECTION AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL RIGHTS, CLAIMS, DEMANDS AND CAUSES OF ACTION AGAINST ASSOCIATION ARISING FROM OR CONNECTED WITH ANY MATTER FOR WHICH THE LIABILITY OF THE ASSOCIATION HAS BEEN DISCLAIMED IN THIS SECTION OR OTHERWISE. AS USED IN THIS SECTION, "ASSOCIATION" SHALL INCLUDE WITHIN ITS MEANING ALL OF THE ASSOCIATION'S DIRECTORS, OFFICERS, COMMITTEE AND BOARD MEMBERS, EMPLOYEES, AGENTS, CONTRACTORS (INCLUDING MANAGEMENT COMPANIES, MANAGERS, SUBCONTRACTORS, SUCCESSORS AND ASSIGNS).

21.13 Resolution of Disputes. BY ACCEPTANCE OF A DEED, EACH OWNER AGREES THAT THE GOVERNING DOCUMENTS ARE VERY COMPLEX; THEREFORE, ANY CLAIM, DEMAND ACTION, OR CAUSE OF ACTION, WITH RESPECT TO ANY ACTION, PROCEEDING, CLAIM COUNTERCLAIM, OR CROSS CLAIM, WHETHER IN CONTRACT AND/OR IN TORT (REGARDLESS IF THE TORT ACTION IS PRESENTLY RECOGNIZED OR NOT), BASED ON, ARISING OUT OF IN CONNECTION WITH OR IN ANY WAY RELATED TO GOVERNING DOCUMENTS, INCLUDING ANY COURSE OF CONDUCT, COURSE OF DEALING, VERBAL OR WRITTEN STATEMENT, VALIDATION PROTECTION, ENFORCEMENT ACTION OR OMISSION OF ANY PARTY SHOULD BE HEARD IN A COURT PROCEEDING BY A JUDGE AND NOT A JURY IN ORDER TO BEST SERVE JUSTICE. DECLARANT HEREBY SUGGESTS THAT EACH OWNER UNDERSTAND THE LEGAL CONSEQUENCES OF ACCEPTING A DEED TO A HOME.

21.14 Venue. EACH OWNER ACKNOWLEDGES REGARDLESS OF WHERE SUCH OWNER (i) EXECUTED A PURCHASE AND SALE AGREEMENT, (ii) RESIDES, (iii) OBTAINS FINANCING OR (iv) CLOSED ON A HOME, EACH HOME IS LOCATED IN CLAY COUNTY, FLORIDA. ACCORDINGLY, AN IRREBUTTABLE PRESUMPTION EXISTS THAT THE APPROPRIATE VENUE FOR THE RESOLUTION OF ANY DISPUTE LIES IN CLAY COUNTY, FLORIDA. IN ADDITION TO THE FOREGOING, EACH OWNER AND DECLARANT AGREES THAT THE VENUE FOR RESOLUTION OF ANY DISPUTE LIES IN CLAY COUNTY, FLORIDA.

21.15 Reliance. BEFORE ACCEPTING A DEED TO A HOME, EACH OWNER HAS AN OBLIGATION TO RETAIN AN ATTORNEY IN ORDER TO CONFIRM THE VALIDITY OF THIS DECLARATION. BY ACCEPTANCE OF A DEED TO A HOME, EACH OWNER ACKNOWLEDGES THAT HE OR SHE HAS SOUGHT AND RECEIVED SUCH AN OPINION OR HAS MADE AN AFFIRMATIVE DECISION NOT TO SEEK SUCH AN OPINION. DECLARANT IS RELYING ON EACH OWNER CONFIRMING IN ADVANCE OF ACQUIRING A HOME THAT THIS DECLARATION IS VALID, FAIR AND ENFORCEABLE. SUCH RELIANCE IS DETRIMENTAL TO DECLARANT ACCORDINGLY, AN ESTOPPEL AND WAIVER EXISTS PROHIBITING EACH OWNER FROM TAKING THE POSITION THAT ANY PROVISION OF THIS DECLARATION IS INVALID IN ANY RESPECT. AS A FURTHER MATERIAL INDUCEMENT FOR DECLARANT TO SUBJECT JENNINGS FARM TO THIS DECLARATION, EACH

OWNER DOES HEREBY RELEASE, WAIVE, DISCHARGE, COVENANT NOT TO SUE, ACQUIT, SATISFY AND FOREVER DISCHARGE DECLARANT, ITS OFFICERS, DIRECTORS, EMPLOYEES, AND AGENTS AND ITS AFFILIATES AND ASSIGNS FROM ANY AND ALL LIABILITY, CLAIMS, COUNTERCLAIMS, DEFENSES, ACTIONS, CAUSES OF ACTION, SUITS, CONTROVERSIES, AGREEMENTS, PROMISES AND DEMANDS WHATSOEVER IN LAW OR IN EQUITY WHICH AN OWNER MAY HAVE IN THE FUTURE, OR WHICH ANY PERSONAL REPRESENTATIVE, SUCCESSOR, HEIR OR ASSIGN OF OWNER HEREAFTER CAN, SHALL OR MAY HAVE AGAINST DECLARANT, ITS OFFICERS, DIRECTORS, EMPLOYEES, AND AGENTS, AND ITS AFFILIATES AND ASSIGNS, FOR, UPON OR BY REASON OF ANY MATTER, CAUSE OR THING WHATSOEVER RESPECTING THIS DECLARATION, OR THE EXHIBITS HERETO. THIS RELEASE AND WAIVER IS INTENDED TO BE AS BROAD AND INCLUSIVE AS PERMITTED BY THE LAWS OF THE STATE OF FLORIDA.

21.16 Duration of Rights. The rights of Declarant set forth in this Declaration shall, unless specifically provided to the contrary herein, extend for a period of time ending upon the earlier of: (i) the Community Completion Date; or (ii) a relinquishment by Declarant in an amendment to the Declaration recorded in the Public Records.

21.17 Additional Covenants. The Declarant may record additional covenants, conditions, restrictions, and easements applicable to portions of JENNINGS FARM, and may form condominium associations, sub-associations, or cooperatives governing such property. Any such instrument shall be consistent with the provisions of Section 5, and no person or entity shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of JENNINGS FARM without Declarant's prior review and prior written consent. Evidence of Declarant's prior written consent shall be obtained in the form of a joinder executed by the Declarant. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the Public Records.

21.18 Right to Approve Sales Materials. All sales, promotional, and advertising materials for any sale of property in JENNINGS FARM by any Builder may be subject to the prior written approval of Declarant. Declarant shall deliver notice to any Builder of Declarant's approval or disapproval of all such materials and documents within thirty (30) days of receipt of such materials and documents, and, if disapproved, set forth the specific changes requested. If Declarant fails to do so within such thirty (30) day period, Declarant shall be deemed to have waived any objections to such materials and documents and to have approved the foregoing. Upon disapproval, the foregoing procedure shall be repeated until approval is obtained or deemed to be obtained.

21.19 Use Name of "JENNINGS FARM". No person or entity shall use the name "JENNINGS FARM," its logo, or any derivative of such name or logo in any printed or promotional material without the Declarant's prior written approval. Until the Turnover Date, the Declarant shall have the sole right to approve the use of JENNINGS FARM name and logo, and such right shall automatically pass to the Association after the Turnover Date. However, Owners may use the name "JENNINGS FARM" in printed or promotional matter where such term is used solely to specify that particular property is located within JENNINGS FARM. Builders shall be exempt from the requirements of this Section and shall be entitled to use the name "JENNINGS FARM," its logo, and/or any derivative of such name or logo in any printed or promotional material in connection with its sales, promotions, and advertising of property in JENNINGS FARM.

21.20 Density Transfers. If any Builder shall develop any portion of JENNINGS FARM so that the number of Lots contained such portion of JENNINGS FARM is less than the allowable number of Lots allocated by governmental authorities to that particular Parcel, the excess allowable Lots not used by the Builder (with respect to that Parcel) shall inure to the benefit of Declarant.

22. Refund of Taxes and Other Charges. Unless otherwise provided herein, the Association agrees that any taxes, fees or other charges paid by Declarant to any governmental authority, utility company or any other entity which at a later date are refunded in whole or in part, shall be returned to Declarant in the event such refund is received by the Association.

23. Assignment of Powers. All or any part of the rights, exemptions, powers and reservations of Declarant, as the case may be, herein contained may be conveyed or assigned in whole or part to other persons or entities by an instrument in writing duly executed, acknowledged, and, at Declarant's option, recorded in the Public Records.

24. General Provisions.

24.1 Authority of Board. Except when a vote of the membership of the Association is specifically required, all decisions, duties, and obligations of the Association hereunder may be made by the Board. Association, Builders and Owners shall be bound thereby.

24.2 Severability. Invalidation of any of the provisions of this Declaration by judgment or court order shall in no way affect any other provision, and the remainder of this Declaration shall remain in full force and effect.

24.3 Execution of Documents. Declarant's plan of development for the Property including, without limitation, the creation of one (1) or more special taxing districts may necessitate from time to time the execution of certain documents as required by governmental agencies. To the extent that said documents require the joinder of Owners, Declarant, by its duly authorized officers, may, as the agent or the attorney-in-fact for the Owners, execute, acknowledge and deliver such documents (including, without limitation, any consents or other documents required by any governmental agencies in connection with the creation of any special taxing district); and the Owners, by virtue of their acceptance of deeds, irrevocably nominate, constitute and appoint Declarant, through its duly authorized officers, as their proper and legal attorneys-in-fact, for such purpose. Said appointment is coupled with an interest and is therefore irrevocable. Any such documents executed pursuant to this Section may recite that it is made pursuant to this Section. Notwithstanding the foregoing, each Owner agrees, by its acceptance of a deed to a Lot or any other portion of JENNINGS FARM, to execute or otherwise join in any petition and/or other documents required in connection with the creation of any special taxing district relating to JENNINGS FARM or any portion(s) thereof.

24.4 Affirmative Obligation of the Association. In the event that Association believes that Declarant has failed in any respect to meet Declarant's obligations under this Declaration or has failed to comply with any of Declarant's obligations under law or the Common Areas are defective in any respect, the Association shall give written notice to Declarant detailing the alleged failure or defect. Association agrees that once Association has given written notice to Declarant pursuant to this Section, the Association shall be obligated to permit Declarant and its agents to perform inspections of the Common Areas and to perform all tests and make all repairs/replacements deemed necessary by Declarant to respond to such notice at all reasonable times. Association agrees that any inspection, test and/or repair/replacement scheduled on a business day between 9 a.m. and 5 p.m. shall be deemed scheduled at a reasonable time. The rights reserved in this Section include the right of Declarant to repair or address, in Declarant's sole option and expense, any aspect of the Common Areas deemed defective by Declarant during its inspections of the Common Areas. Association's failure to give the notice and/or otherwise comply with the provisions of this Section will damage Declarant.

24.5 Notices. Any notice required to be sent to any person, firm, or entity under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address at the time of such mailing.

24.6 Florida Statutes. Whenever this Declaration refers to the Florida Statutes, it shall be deemed to refer to the Florida Statutes as they exist on the date this Declaration is recorded except to the extent provided otherwise as to any particular provision of the Florida Statutes.

24.7 Construction Activities. ALL OWNERS, BUILDERS, OCCUPANTS AND USERS OF JENNINGS FARM ARE HEREBY PLACED ON NOTICE THAT (1) DECLARANT, BUILDERS AND/OR THEIR RESPECTIVE AGENTS, CONTRACTORS, SUBCONTRACTORS, LICENSEES AND OTHER

DESIGNEES AND/OR (2) ANY OTHER PARTIES WILL BE, FROM TIME TO TIME, CONDUCTING CONSTRUCTION ACTIVITIES, EXCAVATION, CONSTRUCTION AND OTHER ACTIVITIES WITHIN OR IN PROXIMITY TO JENNINGS FARM, WHICH MAY CAUSE NOISE, DUST OR OTHER TEMPORARY DISTURBANCE. BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF JENNINGS FARM, EACH SUCH OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (i) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (ii) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY PROPERTY WITHIN OR IN PROXIMITY TO JENNINGS FARM WHERE SUCH ACTIVITY IS BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (iii) DECLARANT AND THE OTHER AFORESAID RELATED PARTIES SHALL NOT BE LIABLE FOR ANY AND ALL LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES, EXCEPT RESULTING DIRECTLY FROM DECLARANT'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, AND (iv) ANY PURCHASE OR USE OF ANY PORTION OF JENNINGS FARM HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING.

24.8 Title Documents. Each Owner and Builder by acceptance of a deed to a Lot acknowledges that such Lot is subject to certain land use and title documents recorded in the Public Records (collectively, the "**Title Documents**"). Declarant's plan of development for JENNINGS FARM may necessitate from time to time the further amendment, modification and/or termination of the Title Documents. DECLARANT RESERVES THE UNCONDITIONAL RIGHT TO SEEK AMENDMENTS AND MODIFICATIONS OF THE TITLE DOCUMENTS. It is possible that a governmental subdivision or agency may require the execution of one or more documents in connection with an amendment, modification, and/or termination of the Title Documents. To the extent that such documents require the joinder of Owners, Declarant, by any one of its duly authorized officers, may, as the agent and/or the attorney-in-fact for the Owners, execute, acknowledge and deliver any documents required by applicable governmental subdivision or agency; and the Owners, by virtue of their acceptance of deeds, irrevocably nominate, constitute and appoint Declarant, through any one of its duly authorized officers, as their proper and legal attorney-in-fact for such purpose. This appointment is coupled with an interest and is therefore irrevocable. Any such documents executed pursuant to this Section may recite that it is made pursuant to this Section. Notwithstanding the foregoing, each Owner agrees, by its acceptance of a deed to a Lot: (i) to execute or otherwise join in any documents required in connection with the amendment, modification, or termination of the Title Documents; and (ii) that such Owner has waived its right to object to or comment on the form or substance of any amendment, modification, or termination of the Title Documents. Without limiting the foregoing, upon the Community Completion Date, the Association shall assume all of the obligations of Declarant under the Title Documents unless otherwise provided by Declarant by amendment to this Declaration recorded by Declarant in the Public Records, from time to time, and in the sole and absolute discretion of Declarant.

24.9 Right to Contract for Telecommunications Services. Association shall have the right, but not the obligation, to enter into one or more contracts for the provision of one or more Telecommunications Services for all or any part of JENNINGS FARM. Prior to the Community Completion Date, all contracts between a Telecommunications Provider and the Association shall be subject to the prior written approval of Declarant. If any such contract is established, the fees for the Telecommunications Services payable to the Telecommunications Provider shall be Operating Expenses and shall be included within the annual budget of the Association. Notwithstanding the foregoing, each Owner shall pay the Telecommunications Provider for such service delivered directly to their Home. There shall be no alarm system installed by Declarant.

25. Surface Water Management System.

25.1 Surface Water Management Systems. The HOA shall be responsible for maintenance of SWMS in JENNINGS FARM. All SWMS within JENNINGS FARM, excluding those areas (if any) normally

maintained by the County or another governmental agency, will be the ultimate responsibility of the HOA, whose agents, employees, contractors and subcontractors may enter any portion of the facilities and make whatever alterations, improvements or repairs that are deemed necessary to provide or restore property water management. Notwithstanding the HOA's ultimate responsibility for the maintenance of SWMS, the Association shall have the right to enforce the provisions of this Section 25.

25.1.1 No construction activities may be conducted relative to any portion of the SWMS. Prohibited activities include, but are not limited to: digging or excavation; depositing fill, debris or any other material or item; constructing or altering any water control structure; or any other construction to modify the SWMS. To the extent there exists within JENNINGS FARM a wetland mitigation area or a wet retention pond, no vegetation in these areas shall be removed, cut, trimmed or sprayed with herbicide without specific written approval from SJRWMD. Construction and maintenance activities which are consistent with the design and permit conditions approved by SJRWMD in the Permit may be conducted without specific written approval from SJRWMD.

25.1.2 No Owner or other person or entity shall unreasonably deny or prevent access to water management areas for maintenance, repair, or landscaping purposes by Declarant, the Association or any appropriate governmental agency that may reasonably require access. Nonexclusive easements therefor are hereby specifically reserved and created.

25.1.3 No Lot, Parcel or Common Area shall be increased in size by filling in any lake, pond or other water retention or drainage areas which it abuts. No person shall fill, dike, rip-rap, block, divert or change the established water retention and drainage areas that have been or may be created without the prior written consent of the Association. No person other than the Declarant or the Association may draw water for irrigation or other purposes from any lake, pond or other water management area, nor is any boating or swimming in such areas allowed.

25.1.4 All SWMS, excluding those areas (if any) maintained by the County or another governmental agency will be the ultimate responsibility of the HOA. The HOA may enter any Lot, Parcel or Common Area and make whatever alterations, improvements or repairs are deemed necessary to provide, maintain, or restore proper SWMS. The cost shall be part of the HOA Assessments. NO PERSON MAY REMOVE NATIVE VEGETATION THAT MAY BECOME ESTABLISHED WITHIN THE CONSERVATION AREAS. "REMOVAL" INCLUDES DREDGING, APPLICATION OF HERBICIDE, PULLING AND CUTTING.

25.1.5 Nothing in this Section shall be construed to allow any person to construct any new water management facility, or to alter any SWMS, without first obtaining the necessary permits from all governmental agencies having jurisdiction, including SJRWMD, the Association and the Declarant, its successors and assigns.

25.1.6 SJRWMD has the right to take enforcement measures, including a civil action for injunction and/or penalties, against the Association to compel it to correct any outstanding problems with the SWMS.

25.1.7 Any amendment of the Declaration affecting the SWMS or the operation and maintenance of the SWMS shall have the prior written approval of SJRWMD.

25.1.8 If the HOA shall cease to exist, the system completed in accordance with the Permit shall be transferred to and accepted by an entity which complies with Rule 62-330.310, F.A.C., and Applicant's Handbook Volume I, Section 12.3, and be approved by SJRWMD prior to such termination, dissolution or liquidation.

25.1.9 No owner of property within the subdivision may construct or maintain any building, residence or structure, or undertake or perform any activity in the SWMS and drainage easements described in the Permit and Plat of the subdivision, unless prior approval is received from the SJRWMD Regulation Department.

25.1.10 Each Owner within JENNINGS FARM at the time of the construction of a Home or structure shall comply with the construction plans for the SWMS approved and on file with SJRWMD.

25.1.11 Owners shall not remove native vegetation (including cattails) that becomes established within the wet retention ponds abutting their property. Removal includes dredging, the application of herbicide, cutting, and the introduction of grass carp. Owners shall address any questions regarding authorized activities within the wet retention ponds to SJRWMD, Surface Water Regulation Manager.

25.2 Proviso. Notwithstanding any other provision in this Declaration, no amendment of the Governing Documents by any person, and no termination or amendment of this Declaration, will be effective to change the HOA's responsibilities for the SWMS, unless the amendment has been consented to in writing by SJRWMD. Any proposed amendment that would affect the SWMS must be submitted to SJRWMD for a determination of whether the amendment necessitates a modification of the Permit.

25.3 Provision for Budget Expense. In the event JENNINGS FARM has onsite wetland mitigation (as defined in the regulations) that requires monitoring and maintenance by the Association, the Association shall include in its budget an appropriate allocation of funds for monitoring and maintenance of the wetland mitigation area(s) each year until SJRWMD determines that the area(s) is successful in accordance with the Permit.

The foregoing rights shall be in addition to, and not exclusive of, all other rights to which such Director or Officers may be entitled.

16. Transactions in Which Directors or Officers are Interested. No contract or transaction between the Association and the one (1) or more of its Directors or Officers or the Declarant, or between the Association and any other corporation, partnership, the Association, or other organization in which one (1) or more of its Officers or Directors are Officers, Directors, or employees or otherwise interested shall be invalid, void or voidable solely for this reason, or solely because the Officer or Director is present at, or participates in, meetings of the Board thereof which authorized the contract or transaction or solely because said Officers' or Directors' votes are counted for such purpose. No Director or Officer of the Association shall incur liability by reason of the fact that such Director or Officer may be interested in any such contract or transaction. Interested Directors shall disclose the general nature of their interest and may be counted in

determining the presence of a quorum at a meeting of the Board which authorized the contract or transaction.

1. Name and Location. The name of the corporation is JENNINGS FARM HOMEOWNERS ASSOCIATION, INC. (the "Association"). The principal office of the corporation shall be located at 17425 Bridge Hill Court, Suite 101, Tampa, Florida 33647, or at such other location determined by the Board of Directors (the "Board") from time to time.

2. Definitions. The definitions contained in the COMMUNITY DECLARATION FOR JENNINGS FARM HOMEOWNERS ASSOCIATION, INC. (the "Declaration") relating to the residential community known as JENNINGS FARM, recorded, or to be recorded, in the Public Records of Clay County, Florida, are incorporated herein by reference and made a part hereof. In addition to the terms defined in the Declaration, the following terms shall have the meanings set forth below:

"Minutes" shall mean the minutes of all member and Board meetings, which shall be in the form required by the Florida Statutes. In the absence of governing Florida Statutes, the Board shall determine the form of the minutes.

"Official Records" shall mean all records required to be maintained by the Association pursuant to Section 720.303(4), Florida Statutes (2018).

3. Members.

3.1 Voting Interests. Each Owner and the Declarant shall be a member of the Association. No person who holds an interest in a Lot only as security for the performance of an obligation shall be a member of the Association. Membership shall be appurtenant to, and may not be separated from, ownership of any Lot. There shall be one (1) vote appurtenant to each Lot. Prior to the Turnover, the Declarant shall have Voting Interests equal to nine (9) votes per Lot owned; provided, however, as to land which is annexed or added pursuant to the terms of the Declaration, the Declarant shall be entitled to fourteen (14) votes per acre or fraction thereof contained within a Parcel, until such time as the Parcel is platted, whereupon the Declarant shall be entitled to nine (9) votes per Lot in lieu of the votes per acre. After the Turnover, the Declarant shall have Voting Interests equal to one (1) vote for each Lot owned. For the purposes of determining who may exercise the Voting Interest associated with each Lot, the following rules shall govern:

3.1.1 Home Owned By Legally Married Couple. Either spouse (but not both) may exercise the Voting Interest with respect to a Lot. In the event the spouses cannot agree, neither may exercise the Voting Interest.

3.1.2 Trusts. In the event that any trust owns a Lot, the Association shall have no obligation to review the trust agreement with respect to such trust. By way of example, if the Lot is owned by Robert Smith, as Trustee, Robert Smith shall be deemed the Owner of the Lot for all Association purposes. If the Lot is owned by Robert Smith as Trustee for the Laura Jones Trust, then Robert Smith shall be deemed the member with respect to the Lot for all Association purposes. If the Lot is owned by the Laura Jones Trust, and the deed does not reference a trustee, then Laura Jones shall be deemed the member with respect to the Lot for all Association purposes. If the Lot is owned by the Jones Family Trust, the Jones Family Trust may not

exercise its Voting Interest unless it presents to the Association, in the form of an attorney opinion letter or affidavit reasonably acceptable to the Association, the identification of the person who should be treated as the member with respect to the Lot for all Association purposes. If Robert Smith and Laura Jones, as Trustees, hold title to a Lot, either trustee may exercise the Voting Interest associated with such Lot so long as such Trustee is registered with the Association as the registered member eligible to exercise its Voting Interest on an annual basis. Any change in the registered member eligible to exercise its Voting Interest must be registered with the Association within thirty (30) days of any meeting. In the event that any other form of trust ownership is presented to the Association, the decision of the Board as to who may exercise the Voting Interest with respect to any Lot shall be final. The Association shall have no obligation to obtain an attorney opinion letter in making its decision, which may be made on any reasonable basis whatsoever.

3.1.3 Corporations. If a Lot is owned by a corporation, the corporation shall designate a person, an officer, employee, or agent who shall be treated as the member who can exercise the Voting Interest associated with such Lot on an annual basis. Any change to that registered member eligible to exercise its Voting Interest must be registered with the Association within thirty (30) days of any meeting.

3.1.4 Partnerships. If a Lot is owned by a limited partnership, any one of the general partners may exercise the Voting Interest associated with such Lot. By way of example, if the general partner of a limited partnership is a corporation, then the provisions hereof governing corporations shall govern which person can act on behalf of the corporation as general partner of such limited partnership. If a Lot is owned by a general partnership, any one of the general partners may exercise the Voting Interest associated with such Lot so long as that general partner is registered with the Association on an annual basis as the member for the Partnership eligible to exercise its Voting Interest. Any change to that registered member eligible to exercise its Voting Interest must be registered with the Association within thirty (30) days of any meeting.

3.1.5 Multiple Individuals. If a Lot is owned by more than one individual, any one of such individuals may exercise the Voting Interest with respect to such Lot so long as that individual is registered with the Association as the member eligible to exercise its Voting Interest on an annual basis. Any change to that registered member eligible to exercise its Voting Interest must be registered with the Association within thirty (30) days of any meeting.

3.1.6 Liability of the Association. The Association may act in reliance upon any writing or instrument or signature, whether original or by Electronic Transmission, which the Association, in good faith, believes to be genuine, may assume the validity and accuracy of any statement or assertion contained in such a writing or instrument, and may assume that any person purporting to give any writing, notice, advice or instruction in connection with the provisions hereof has been duly authorized to do so. So long as the Association acts in good faith, the Association shall have no liability or obligation with respect to the exercise of Voting Interests, and no election shall be invalidated (in the absence of fraud) on the basis that the Association permitted or denied any person the right to exercise a Voting Interest. In addition, the Board may impose additional requirements respecting the exercise of Voting Interests (e.g., the execution of a Voting Certificate).

3.2 Annual Meetings. The annual meeting of the members (the "Annual Members Meeting") shall be held at least once each calendar year on a date, at a time, and at a place to be determined by the Board.

3.3 Special Meetings of the Members. Special meetings of the members (a "**Special Members Meeting**") may be called by the President, a majority of the Board, or upon written request of twenty percent (20%) of the Voting Interests of the members. The business to be conducted at a Special Members Meeting shall be limited to the extent required by Florida Statutes.

3.4 Notice of Members Meetings. Written notice of each members meeting shall be given by, or at the direction of, any officer of the Board or any management company retained by the Association. A copy of the notice shall be given to each member entitled to vote, not less than ten (10) days before the meeting (provided, however, in the case of an emergency, two (2) days' notice will be deemed sufficient), unless otherwise required by Florida law. Written notice is effective (i) when mailed, if mailed postpaid and correctly addressed to the members' address last appearing on the books; or (ii) when transmitted by any form of Electronic Transmission. The notice shall specify the place, day, and hour of the meeting and, in the case of a Special Members Meeting, the purpose of the meeting. Alternatively, and to the extent not prohibited by the Florida Statutes, as amended from time to time, the Board may, by majority consent, adopt from time to time, other procedures for giving notice to the members of the Annual Members Meeting or a Special Members Meeting. By way of example, and not of limitation, such notice may be included in a newsletter sent to each member.

3.5 Quorum of Members. Until the Turnover, a quorum shall be established by the Declarant's presence, in person or by proxy, at any meeting. After the Turnover, a quorum for purposes of conducting business shall be established by the presence, in person or by proxy, of the members entitled to cast twenty percent (20%) of the total Voting Interests. To the extent permitted by applicable law, as amended from time to time, members may attend members' meetings and vote as if physically present via telephone, real-time videoconferencing, or similar real-time electronic or video communication. A member's attendance via telephone, real-time videoconferencing, or similar real-time electronic or video communication shall count toward the quorum requirements as if such member was physically present. In the event members elect not to be physically present at a members' meeting, a speaker must be used so that the conversation of such members may be heard by the Board or committee members attending in person as well as by any Owners present at the meeting. Notwithstanding the foregoing or any other provision of these Bylaws to the contrary, members may attend and participate via telephone, real-time videoconferencing, or similar real-time electronic or video communication only if a majority of the Board approved such manner of attendance.

3.6 Adjournment of Members Meetings. If, however, a quorum shall not be present at any members meeting, the meeting may be adjourned as provided in the Florida Statutes. In the absence of a provision in the Florida Statutes, the members present shall have power to adjourn the meeting and reschedule it on another date.

3.7 Action of Members. Decisions that require a vote of the members must be made by a concurrence of a majority of the Voting Interests present in person or by proxy, represented at a meeting at which a quorum has been obtained unless provided otherwise in the Declaration, the Articles, or these Bylaws.

3.8 Proxies. At all meetings, members may vote their Voting Interests in person or by proxy. In addition, to the extent permitted by the Board and to extent the Association adopted technology that facilitates voting remotely, members may also cast their votes utilizing such technology and participating via telephone, real-time videoconferencing, or similar real-time electronic or video communication. All proxies shall comply with the provisions of Section 720.306(8), Florida Statutes (2018), as amended from time to time, be in writing, and be filed with the Secretary at, or prior to, the meeting. Proxyholders may also attend and/or participate via telephone, real-time videoconferencing, or similar real-time electronic or video communication so long as the proxies are delivered to the Secretary at or prior to the meeting and otherwise in compliance with this Section 3.8. Every proxy shall be revocable prior to the meeting for which it is given.

4. Board of Directors.

4.1 Number. The affairs of the Association shall be managed by a Board consisting of no less than three (3) persons and no more than five (5) persons. Board members appointed by the Declarant need not be members of the Association. Board members elected by Owners must be members of the Association. Pursuant to Section 720.307(2), Florida Statutes (2018) Owners are entitled to elect one (1) member of the Board (the "**Pre-Turnover Director**") when fifty percent (50%) of all the Lots ultimately planned for JENNINGS FARM are conveyed to Owners, provided the Owners exercise such right. In the event the Owners do not exercise the right to elect the Pre-Turnover Director, then a vacancy on the Board shall occur and the remaining members of the Board may fill such vacancy.

4.2 Term of Office. The term of office for the Pre-Turnover Director shall end at the next Annual Members Meeting after the Pre-Turnover Director's election, or on the date the

Turnover election takes place (the “**Turnover Date**”), whichever occurs first. In the event that the Pre-Turnover Director’s term expires at the Annual Members Meeting, a new Pre-Turnover Director shall be elected by the Owners at the next Annual Members Meeting or on the Turnover Date, whichever occurs first, with the election process repeated thereafter until Turnover. Except with respect to the Pre-Turnover Director, the election of Directors shall take place after the Declarant no longer has the authority to appoint a majority Board and shall take place on the Turnover Date. On the Turnover Date the members shall elect three (3) Directors: one (1) Director for a term of one (1) year, one (1) Director for a term two (2) years, and one (1) Director for a term of three (3) years. In effect, this shall provide for staggered terms for each Director. The candidates receiving the most votes shall be elected to office. Of such candidates receiving the most votes, the candidate with the most votes shall serve as the Director for three (3) years; the candidate receiving the second highest number of votes shall serve as Director for two (2) years; and the candidate receiving the least amount of votes shall serve as Director for one (1) year. At each Annual Members Meeting thereafter, the members shall elect the appropriate number of Directors for a term of three (3) years. Each Director’s respective term shall end upon the election of new Directors at the Annual Members Meeting (except that the term of any Director appointed by the Declarant shall extend until the date designated by the Declarant, or until the Turnover Date).

4.3 Removal. Any vacancy created by the resignation or removal of a Board member appointed by the Declarant may be replaced by the Declarant. The Declarant may replace or remove any Board member appointed by the Declarant in the Declarant’s sole and absolute discretion. In the event of death or resignation of a Director elected by the members, the remaining Directors may fill such vacancy. Directors may be removed with or without cause by the vote or agreement in writing of members holding a majority of the Voting Interests.

4.4 Compensation. No Director shall receive compensation for any service rendered as a Director to the Association; provided, however, any Director may be reimbursed for actual expenses incurred as a Director.

4.5 Action Taken Without a Meeting. Except to the extent prohibited by law, the Board shall have the right to take any action without a meeting by obtaining the written approval of the required number of Directors. Any action so approved shall have the same effect as though taken at a meeting of Directors.

4.6 Appointment and Election of Directors. Until the Turnover, the Declarant shall have the unrestricted power to appoint a majority of the Directors of the Association. Subject to the Declarant’s right to appoint a Director as permitted by Section 720.307(3), Florida Statutes (2018), from and after the expiration of the Turnover, or such earlier date determined by the Declarant in its sole and absolute discretion, the members shall elect all Directors of the Association at or in conjunction with the Annual Members Meeting.

4.7 Nomination. Prior to each election at which Owners are entitled to elect any of the Directors, the Board shall prescribe (and communicate to the members) the opening date and the closing date of a reasonable filing period (“Candidate Filing Period”) in which every eligible person who has an interest in serving as a Director may file as a candidate for such Director position. The Board may also appoint a Nominating Committee to make nominations for election of Directors to the Board. A Nominating Committee, if appointed, shall consist of a Chairman, who shall be a member of the Board of Directors, and two (2) or more members of the Association. Any Nominating Committee shall serve for a term of one (1) year or until its successors are appointed. In preparation for each election, the Nominating Committee, if appointed, shall meet and make as many nominations for election to the Board as it shall in its discretion determine, but in no event less than the number of Directors’ positions to be filled at such election. Any member may nominate himself or herself as a candidate by notice to the Nominating Committee (or to the Secretary if there is no Nominating Committee) within the Candidate Filing Period.

4.8 Election. Each member may cast as many votes as the member has under the provision of the Declaration, for each vacancy on which such member is entitled to vote. If the number of candidates nominated is equal to or less than the number of positions to be filled, then those candidates shall be deemed elected without the necessity of a vote. If the number of candidates nominated exceeds the number of positions to be filled, an election shall be held, and the person receiving the largest number of votes cast by the members (for each vacancy on which such members are entitled to vote) is elected. Cumulative voting is not permitted. So long as required by Section 720.306(9), Florida Statutes (2018), any election dispute between a member and the Association shall be resolved by mandatory binding arbitration with the Division of Florida Condominiums, Timeshares, and Mobile Homes in the Department

of Business and Professional Regulation. Any challenge to the election process must be commenced within sixty (60) days after the election results are announced.

5. Meeting of Directors.

5.1 Regular Meetings. Regular meetings of the Board shall be held on a schedule adopted by the Board from time to time. Meetings shall be held at such place and hour as may be fixed, from time to time, by resolution of the Board.

5.2 Special Meetings. Special meetings of the Board shall be held when called by the President, or by any two (2) Directors. Each Director shall be given not less than two (2) days' notice except in the event of an emergency. Notice may be waived. Attendance shall be a waiver of notice. Telephone conference meetings are permitted.

5.3 Emergencies. In the event of an emergency involving immediate danger of injury or death to any person or damage to property, if a meeting of the Board cannot be immediately convened to determine a course of action, the President or, in his absence, any other officer or director, shall be authorized to take such action on behalf of the Association as shall be reasonably required to appropriately respond to the emergency situation, including the expenditure of the Association funds in the minimum amount as may be reasonably required under the circumstances. The authority of officers to act in accordance herewith shall remain in effect until the first to occur of the resolution of the emergency situation or a meeting of the Board convened to act in response thereto.

5.4 Quorum. A majority of the number of Directors shall constitute a quorum for the transaction of business. Every act or decision done or made by a majority of the Directors present at a duly held meeting, at which a quorum is present, or in writing in lieu thereof, shall be an action of the Board. Directors may attend meetings via telephone, real-time videoconferencing, or similar real-time electronic or video communication. A Director's participation in a meeting via telephone, real-time videoconferencing, or similar real-time electronic or video communication counts toward a quorum, and such Director may vote as if physically present. A speaker must be used so that the conversation of Directors not physically present may be heard by the Board, as well as by any members present at the meeting. Members may not attend Board meetings via telephone, real-time videoconferencing, or similar real-time electronic or video communication.

5.5 Open Meetings. Meetings of the Board, and of any Committee of the Board, shall be open to all members.

5.6 Voting. Board members shall cast votes in the manner provided in the Florida Statutes. In the absence of a statutory provision, the Board shall establish the manner in which votes shall be cast.

5.7 Notice of Board Meetings. Notices of meetings of the Board shall be posted in a conspicuous place on the Common Areas at least 48 hours in advance, except in an event of an emergency. Alternatively, notice may be given to members in any other manner provided by Florida Statute, as amended from time to time. By way of example, and not of limitation, notice may be given in any newsletter distributed to the members. Written notice of Board meetings also may be provided when transmitted by any form of Electronic Transmission. For the purposes of giving notice, the area for notices to be posted selected by the Board shall be deemed a conspicuous place. Notwithstanding anything to the contrary herein, notice of any meeting of the Board at which an Assessment will be levied must be provided to all members at least fourteen (14) days before the meeting, which notice shall include a statement that Assessments will be considered at the meeting and the nature of the Assessments.

5.8 Electronic Video Attendance. The Board may, by majority consent, permit any directors to participate in a regular or special meeting by, or conduct the meeting through the use of, any means of communication by which all Directors participating may simultaneously hear each other during the meeting, such as telephone, real-time videoconferencing, or similar real-time electronic or video communication. A Director participating in a meeting by this means is deemed to be present in person at the meeting. Notwithstanding any provision herein to the contrary, the meeting must be held at a location that is accessible to a physically handicapped person if requested by a physically handicapped person who has a right to attend the meeting.

6. Powers and Duties of the Board.

6.1 Powers. The Board shall have, subject to the limitations and reservations set forth in the Declaration and Articles, the powers reasonably necessary to manage, operate, maintain and discharge the duties of the Association, including, but not limited to, the power to cause the Association to do the following:

This right may be exercised by the Declarant at any time within sixty (60) days following a meeting held pursuant to the terms and provisions hereof. This right to disapprove may be used to veto proposed actions but shall not extend to the requiring of any action or counteraction on behalf of the Association, the Board, the ACC, or any Committee of the Association.

7. Obligations of the Association. The Association, subject to the provisions of the Declaration, the Articles, and these Bylaws shall discharge such duties as necessary to operate the Association pursuant to the Declaration, including, but not limited to the following:

The Association must allow a member to use a portable device, including a smartphone, tablet, portable scanner, or any other technology capable of scanning or taking photographs, to make an electronic copy of the official records in lieu of the Association providing the member with a copy of such records. The Association may not charge a fee to a member for the use of a portable device.

11. Amendments.

11.1 General Restrictions on Amendments. Notwithstanding any other provision herein to the contrary, no amendment to these Bylaws shall affect the rights of the Declarant unless such amendment receives the prior written consent of the Declarant which may be withheld for any reason whatsoever. If the prior written approval of any governmental entity or agency having jurisdiction is required by applicable law or governmental regulation for any amendment to these Bylaws, then the prior written consent of such entity or agency must also be obtained. No amendment shall be effective until it is recorded in the Public Records.

11.2 Amendments Prior to the Turnover. Prior to the Turnover, the Declarant shall have the right to amend these Bylaws as it deems appropriate, without the joinder or consent of any person or entity whatsoever, except as limited by applicable law as it exists and is effective on the date the Declaration is recorded in the Public Records or except as expressly set forth herein. The Declarant's right to amend under this provision is to be construed as broadly as possible. In the event the Association shall desire to amend these Bylaws prior to the Turnover, the Association must first obtain the Declarant's prior written consent to any proposed amendment. An amendment identical to that approved by the Declarant may be adopted by the Association pursuant to the requirements for amendments from and after the Turnover. Thereafter, the Declarant shall join in such identical amendment so that its consent to the same will be reflected in the Public Records.

11.3 Amendments From and After the Turnover. After the Turnover, but subject to the general and specific restrictions on amendments set forth above, these Bylaws may be amended with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly called meeting of the members. Notwithstanding the foregoing, these Bylaws may be amended after the Turnover by a majority of the Board acting alone to change the number of Directors on the Board and their respective terms. Such change shall not require the approval of the members. Any change in the number of Directors shall not take effect until the next Annual Members Meeting. A quorum for any meeting of the members for the purpose of adopting amendments after the Turnover shall be established by the presence, in person or by proxy, of the members entitled to cast twenty percent (20%) of the total Voting Interests.

11.4 Compliance with HUD, FHA, VA, FNMA, GNMA and SJRWMD. Prior to the Turnover, the Declarant shall have the right to amend these Bylaws, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA and SJRWMD, or any other governmental agency or body as a condition to, or in connection with such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Association, other Owners, or any other party shall be required or necessary to such amendment. "EXHIBIT A"
CONDITIONS FOR ISSUANCE OF PERMIT NUMBER 171682-2
Jennings Farm (Transfer)
PERMIT TRANSFER ISSUED July 17, 2023

1. All activities shall be implemented following the plans, specifications and performance criteria approved by this permit. Any deviations must be authorized in a permit modification in accordance with Rule 62-330.315, F.A.C. Any deviations that are not so authorized may subject the permittee to enforcement action and revocation of the permit under Chapter 373, F.S.
2. A complete copy of this permit shall be kept at the work site of the permitted activity during the construction phase, and shall be available for review at the work site upon request by the District staff. The permittee shall require the contractor to review the complete permit prior to beginning construction.
3. Activities shall be conducted in a manner that does not cause or contribute to violations of state water quality standards. Performance-based erosion and sediment control best management practices shall be installed immediately prior to, and be maintained during and after construction as needed, to prevent adverse impacts to the water resources and adjacent lands. Such practices shall be in accordance with the State of Florida Erosion and Sediment Control Designer and Reviewer Manual (Florida Department of Environmental Protection and Florida Department of Transportation June 2007), and the Florida Stormwater Erosion and Sedimentation Control Inspector's Manual (Florida Department of Environmental Protection, Nonpoint Source Management Section, Tallahassee, Florida, July 2008), which are both incorporated by reference in subparagraph 62-330.050(9)(b)5, F.A.C., unless a project-specific erosion and sediment control plan is approved or other water quality control measures are required as part of the permit.
4. At least 48 hours prior to beginning the authorized activities, the permittee shall submit to the District a fully executed Form 62-330.350(1), "Construction Commencement Notice," (October 1, 2013) (<http://www.flrules.org/Gateway/reference.asp?No=Ref-02505>), incorporated by reference herein, indicating the expected start and completion dates. A copy of this form may be obtained from the District, as described in subsection 62-330.010(5), F.A.C., and shall be submitted electronically or by mail to the Agency. However, for activities involving more than one acre of construction that also require a NPDES stormwater construction general permit, submittal of the Notice of Intent to Use Generic Permit for Stormwater Discharge from Large and Small Construction Activities, DEP Form 62-621.300(4)(b), shall also serve as notice of commencement of construction under this chapter and, in such a case, submittal of Form 62-330.350(1) is not required.
5. Unless the permit is transferred under Rule 62-330.340, F.A.C., or transferred to an operating entity under Rule 62-330.310, F.A.C., the permittee is liable to comply with the plans, terms and conditions of the permit for the life of the project or activity.
6. Within 30 days after completing construction of the entire project, or any independent portion of the project, the permittee shall provide the following to the Agency, as applicable:
 - a. For an individual, private single-family residential dwelling unit, duplex, triplex, or quadruplex — "Construction Completion and Inspection Certification for Activities Associated with a Private Single-Family Dwelling Unit" [Form 62-330.310(3)]; or

b. For all other activities — “As-Built Certification and Request for Conversion to Operation Phase” [Form 62-330.310(1)].

c. If available, an Agency website that fulfills this certification requirement may be used in lieu of the form.

7. If the final operation and maintenance entity is a third party:

a. Prior to sales of any lot or unit served by the activity and within one year of permit issuance, or within 30 days of as-built certification, whichever comes first, the permittee shall submit, as applicable, a copy of the operation and maintenance documents (see sections 12.3 thru 12.3.4 of Volume I) as filed with the Florida Department of State, Division of Corporations and a copy of any easement, plat, or deed restriction needed to operate or maintain the project, as recorded with the Clerk of the Court in the County in which the activity is located.

b. Within 30 days of submittal of the as- built certification, the permittee shall submit “Request for Transfer of Environmental Resource Permit to the Perpetual Operation and Maintenance Entity” [Form 62-330.310(2)] to transfer the permit to the operation and maintenance entity, along with the documentation requested in the form. If available, an Agency website that fulfills this transfer requirement may be used in lieu of the form.

8. The permittee shall notify the District in writing of changes required by any other regulatory District that require changes to the permitted activity, and any required modification of this permit must be obtained prior to implementing the changes.

9. This permit does not:

a. Convey to the permittee any property rights or privileges, or any other rights or privileges other than those specified herein or in Chapter 62-330, F.A.C.;

b. Convey to the permittee or create in the permittee any interest in real property;

c. Relieve the permittee from the need to obtain and comply with any other required federal, state, and local authorization, law, rule, or ordinance; or

d. Authorize any entrance upon or work on property that is not owned, held in easement, or controlled by the permittee.

10. Prior to conducting any activities on state-owned submerged lands or other lands of the state, title to which is vested in the Board of Trustees of the Internal Improvement Trust Fund, the permittee must receive all necessary approvals and authorizations under Chapters 253 and 258, F.S. Written authorization that requires formal execution by the Board of Trustees of the Internal Improvement Trust Fund shall not be considered received until it has been fully executed.

11. The permittee shall hold and save the District harmless from any and all damages, claims, or liabilities that may arise by reason of the construction, alteration, operation, maintenance, removal, abandonment or use of any project authorized by the permit.

12. The permittee shall notify the District in writing:

a. Immediately if any previously submitted information is discovered to be inaccurate; and

- b. Within 30 days of any conveyance or division of ownership or control of the property or the system, other than conveyance via a long-term lease, and the new owner shall request transfer of the permit in accordance with Rule 62-330.340, F.A.C. This does not apply to the sale of lots or units in residential or commercial subdivisions or condominiums where the stormwater management system has been completed and converted to the operation phase.
13. Upon reasonable notice to the permittee, District staff with proper identification shall have permission to enter, inspect, sample and test the project or activities to ensure conformity with the plans and specifications authorized in the permit.
 14. If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, stone tools, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the permitted project shall cease all activities involving subsurface disturbance in the vicinity of the discovery. The permittee or other designee shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section (DHR), at (850) 245-6333, as well as the appropriate permitting agency office. Project activities shall not resume without verbal or written authorization from the Division of Historical Resources. If unmarked human remains are encountered, all work shall stop immediately and the proper authorities notified in accordance with Section 872.05, F.S. For project activities subject to prior consultation with the DHR and as an alternative to the above requirements, the permittee may follow procedures for unanticipated discoveries as set forth within a cultural resources assessment survey determined complete and sufficient by DHR and included as a specific permit condition herein.
 15. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered binding unless a specific condition of this permit or a formal determination under Rule 62-330.201, F.A.C., provides otherwise.
 16. The permittee shall provide routine maintenance of all components of the stormwater management system to remove trapped sediments and debris. Removed materials shall be disposed of in a landfill or other uplands in a manner that does not require a permit under Chapter 62-330, F.A.C., or cause violations of state water quality standards.
 17. This permit is issued based on the applicant's submitted information that reasonably demonstrates that adverse water resource-related impacts will not be caused by the completed permit activity. If any adverse impacts result, the District will require the permittee to eliminate the cause, obtain any necessary permit modification, and take any necessary corrective actions to resolve the adverse impacts.
 18. A Recorded Notice of Environmental Resource Permit may be recorded in the county public records in accordance with Rule 62-330.090(7), F.A.C. Such notice is not an encumbrance upon the property.
 19. At a minimum, all retention and detention storage areas must be excavated to rough grade prior to building construction or placement of impervious surface within the area to be served by those facilities. To prevent reduction in storage volume and percolation rates, all accumulated sediment must be removed from the storage area prior to final grading and stabilization.
 20. All wetland areas or water bodies that are outside the specific limits of construction authorized by this permit must be protected from erosion, siltation, scouring or excess turbidity, and dewatering.

21. Deed of Conservation Easement

This permit requires the recording of a conservation easement. Within 30 days of recording, the permittee shall provide the District with: (a) the original recorded easement (including exhibits) showing the date it was recorded and the official records book and page number, (b) a copy of the recorded plat (if applicable), (c) a surveyor's sketch of the easement area plotted on the appropriate USGS topographic map, and (d) the original recorded consent and joinder(s) of mortgagee (if applicable). Before recording them, the permittee shall ensure that these documents are acceptable to the District as described below.

Description of Conservation Easement Area.

The permittee shall provide to the District for review and written approval a copy of: (a) the preliminary plat showing the area to be encumbered by the conservation easement, or (b) a surveyor's sketch and legal description of the area to be placed under the conservation easement, per the approved mitigation plan, at least 45 days before (1) dredging, filling, or clearing any wetland or surface water for which mitigation is required; (2) clearing any upland within a Riparian Habitat Protection Zone for which mitigation is required; (3) the sale of any lot or parcel; (4) the recording of the subdivision plat; or (5) use of the infrastructure for its intended use, whichever occurs first.

If the impacts to an upland within a Riparian Habitat Protection Zone or to a wetland or surface water for which mitigation is required will occur in discrete phases, the areas to be preserved to offset such impacts may be placed under conservation easement in phases such that impacts are offset during each phase. Such phasing of preservation shall only occur if it has been proposed in the mitigation plan and approved by the permit, or if it is approved in writing by the District. A surveyor's sketch and legal description of the area to be placed under conservation easement during each phase must be submitted in accordance with the previous paragraph.

Recording of Conservation Easement.

Before (1) dredging, filling, or clearing any wetland or surface water for which mitigation is required, (2) clearing any upland within a Riparian Habitat Protection Zone for which mitigation is required, (3) the sale of any lot or parcel, (4) the recording of the subdivision plat, or (5) use of the infrastructure for its intended use, whichever occurs first, the permittee shall record a conservation easement. The conservation easement shall include restrictions on the real property pursuant to section 704.06, Florida Statutes, and be consistent with section 10.3.8, ERP Applicant's Handbook, Volume I (October 1, 2013) and Fla. Admin. Code R. 62-330.301(6).

The conservation easement shall be in the form approved in writing by the District and, if no plat has been submitted, the easement shall include the approved legal description and surveyor's sketch. If the District does not provide written comments on the preliminary plat or surveyor's sketch and legal description within 45 days of receipt, then the permittee may record the conservation easement with the legal description and surveyor's sketch or plat reference previously submitted. If the District provides written disapproval of the preliminary plat or surveyor's sketch and legal description, the permittee shall, within ten (10) days of receipt of the disapproval, correct all errors with the conservation easement, including the preliminary plat or legal description and surveyor's sketch, and record the conservation easement. Pursuant to section 704.06, Florida Statutes, the conservation easement shall prohibit all construction, including clearing, dredging, or filling, except that which is specifically authorized by this permit, within the mitigation areas delineated on the final plans and/or mitigation proposal approved by the District.

The easement may not be amended without written District approval.

Additional Documents Required.

The permittee shall ensure that the conservation easement identifies, and is executed by, the correct grantor, who must hold sufficient record title to the land encumbered by the easement. If the easement's grantor is a partnership, the partnership shall provide to the District a partnership affidavit stating that the person executing the conservation easement has the legal authority to convey an interest in the partnership land. If there exist any mortgages on the land, the permittee shall also have each mortgagee execute a consent and joinder of mortgagee subordinating the mortgage to the conservation easement. The consent and joinder of the mortgagee shall be recorded simultaneously with the conservation easement in the public records of the county where the land is located. Within 30 days of recording, the permittee shall provide the District with: (a) the original recorded easement (including exhibits) showing the date it was recorded and the official records book and page number, (b) a copy of the recorded plat (if applicable), (c) a surveyor's sketch of the easement area plotted on the appropriate USGS topographic map, and (d) the original recorded consent and joinder(s) of mortgagee (if applicable).

22. This permit does not authorize the permittee to cause any adverse impact to or "take" of state listed species and other regulated species of fish and wildlife. Compliance with state laws regulating the take of fish and wildlife is the responsibility of the owner or applicant associated with this project. Please refer to Chapter 68A-27 of the Florida Administrative Code for definitions of "take" and a list of fish and wildlife species. If listed species are observed onsite, FWC staff are available to provide decision support information or assist in obtaining the appropriate FWC permits. Most marine endangered and threatened species are statutorily protected and a "take" permit cannot be issued. Requests for further information or review can be sent to FWCConservationPlanningServices@MyFWC.com.
23. The operation and maintenance entity shall inspect the stormwater or surface water management system once within two years after the completion of construction and every two years thereafter to determine if the system is functioning as designed and permitted. The operation and maintenance entity must maintain a record of each required inspection, including the date of the inspection, the name and contact information of the inspector, and whether the system was functioning as designed and permitted, and make such record available for inspection upon request by the District during normal business hours. If at any time the system is not functioning as designed and permitted, then within 30 days the entity shall submit a report electronically or in writing to the District using Form 62-330.311(1), "Operation and Maintenance Inspection Certification," describing the remedial actions taken to resolve the failure or deviation.
24. The permittee has documented its real property interest over the land upon which the activities subject to the application will be conducted as evidenced by a contract to purchase the real property included in the application. In accordance with Section 4.2.3.(d), ERP Applicant's Handbook, Volume I, work cannot begin until proof of ownership is provided to the Agency.
25. Authorizations are valid only for the specified activity or use. Any unauthorized deviation from the specified activity or use and the conditions for undertaking that activity or use shall constitute a violation. Violation of the authorization shall result in suspension or revocation of the grantee's use of the sovereignty submerged land unless cured to the satisfaction of the Board.
26. Authorizations convey no title to sovereignty submerged land or water column, nor do they constitute recognition or acknowledgment of any other person's title to such land or water.

27. Authorizations may be modified, suspended or revoked in accordance with their terms or the remedies provided in Sections 253.04 and 258.46, F.S., or Chapter 18-14, F.A.C.
28. Structures or activities shall be constructed and used to avoid or minimize adverse impacts to sovereignty submerged lands and resources.
29. Construction, use, or operation of the structure or activity shall not adversely affect any species which is endangered, threatened or of special concern, as listed in Rules 68A-27.003, 68A-27.004, and 68A-27.005, F.A.C.
30. Structures or activities shall not unreasonably interfere with riparian rights. When a court of competent jurisdiction determines that riparian rights have been unlawfully affected, the structure or activity shall be modified in accordance with the court's decision.
31. Structures or activities shall not create a navigational hazard.
32. Structures shall be maintained in a functional condition and shall be repaired or removed if they become dilapidated to such an extent that they are no longer functional. This shall not be construed to prohibit the repair or replacement subject to the provisions of Rule 18-21.005, F.A.C., within one year, of a structure damaged in a discrete event such as a storm, flood, accident, or fire.
33. Structures or activities shall be constructed, operated, and maintained solely for water dependent purposes, or for non-water dependent activities authorized under paragraph 18-21.004(1)(g), F.A.C., or any other applicable law.
34. During the term of this Letter of Consent you shall maintain satisfactory evidence of sufficient upland interest as required by 18-21.004(3)(b), Florida Administrative Code. If such interest is terminated or the Board of Trustees determines that such interest did not exist on the date of issuance of this Letter of Consent, this Letter of Consent may be terminated by the Board of Trustees at its sole option. If the Board of Trustees terminates this Letter of Consent, you agree not to assert a claim or defense against the Board of Trustees arising out of this Letter of Consent.

35.

STANDARD MANATEE CONDITIONS FOR IN-WATER WORK

2011

The permittee shall comply with the following conditions intended to protect manatees from direct project effects:

- a. All personnel associated with the project shall be instructed about the presence of manatees and manatee speed zones, and the need to avoid collisions with and injury to manatees. The permittee shall advise all construction personnel that there are civil and criminal penalties for harming, harassing, or killing manatees which are protected under the Marine Mammal Protection Act, the Endangered Species Act, and the Florida Manatee Sanctuary Act.
- b. All vessels associated with the construction project shall operate at "Idle Speed/No Wake" at all times while in the immediate area and while in water where the draft of the vessel provides less than a four-foot clearance from the bottom. All vessels will follow routes of deep water whenever possible.
- c. Siltation or turbidity barriers shall be made of material in which manatees cannot become entangled, shall be properly secured, and shall be regularly monitored to avoid manatee entanglement or entrapment. Barriers must not impede manatee movement.

- d. All on-site project personnel are responsible for observing water-related activities for the presence of manatee(s). All in-water operations, including vessels, must be shutdown if a manatee(s) comes within 50 feet of the operation. Activities will not resume until the manatee(s) has moved beyond the 50-foot radius of the project operation, or until 30 minutes elapses if the manatee(s) has not reappeared within 50 feet of the operation. Animals must not be herded away or harassed into leaving.
 - e. Any collision with or injury to a manatee shall be reported immediately to the Florida Fish and Wildlife Conservation Commission (FWC) Hotline at 1-888-404-3922. Collision and/or injury should also be reported to the U.S. Fish and Wildlife Service in Jacksonville (1-904-731-3336) for north Florida or Vero Beach (1-772-562-3909) for south Florida, and to FWC at ImperiledSpecies@myFWC.com
 - f. Temporary signs concerning manatees shall be posted prior to and during all in-water project activities. All signs are to be removed by the permittee upon completion of the project. Temporary signs that have already been approved for this use by the FWC must be used. One sign which reads *Caution: Boaters* must be posted. A second sign measuring at least 8 ½" by 11" explaining the requirements for "Idle Speed/No Wake" and the shut down of in-water operations must be posted in a location prominently visible to all personnel engaged in water-related activities. These signs can be viewed at MyFWC.com/manatee. Questions concerning these signs can be sent to the email address listed above.
36. The proposed surface water management system must be constructed and operated in accordance with the plans received by the District on February 1, 2022 and as modified by plans received by the District on February 22, 2022.
37. This permit for construction will expire on February 28, 2027.

Pursuant to Chapter 28-106 and Rule 40C-1.1007, Florida Administrative Code, the petition must be filed (received) either by delivery at the office of the District Clerk at District Headquarters, P. O. Box 1429, Palatka Florida 32178-1429 (4049 Reid St., Palatka, FL 32177) or by e-mail with the District Clerk at Clerk@sjrwm.com, within twenty-six (26) days of the District depositing the notice of District decision in the mail (for those persons to whom the District mails actual notice), within twenty-one (21) days of the District emailing the notice of District decision (for those persons to whom the District emails actual notice), or within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail or email actual notice). A petition must comply with Sections 120.54(5)(b)4. and 120.569(2)(c), Florida Statutes, and Chapter 28-106, Florida Administrative Code. The District will not accept a petition sent by facsimile (fax), as explained in paragraph no. 4 below.
2. Please be advised that if you wish to dispute this District decision, mediation may be available and that choosing mediation does not affect your right to an administrative hearing. If you wish to request mediation, you must do so in a timely-filed petition. If all parties, including the District, agree to the details of the mediation procedure, in writing, within 10 days after the time period stated in the announcement for election of an administrative remedy under Sections 120.569 and 120.57, Florida Statutes, the time limitations imposed by Sections 120.569 and 120.57, Florida Statutes, shall be tolled to allow mediation of the disputed District decision. The mediation must be concluded within 60 days of the date of the parties' written agreement, or such other timeframe agreed to by the parties in writing. Any mediation agreement must include provisions for selecting a mediator, a statement that each party shall be responsible for paying its pro-rata share of the costs and fees associated with mediation, and the mediating parties' understanding regarding the confidentiality of discussions and documents introduced during mediation. If mediation results in settlement of the administrative dispute, the District will enter a final order consistent with the settlement agreement. If mediation terminates without settlement of the dispute, the District will notify all the parties in writing that the administrative hearing process under Sections 120.569 and 120.57, Florida Statutes, is resumed. Even if a party chooses not to engage in formal mediation, or if formal mediation does not result in a settlement agreement, the District will remain willing to engage in informal settlement discussions.
3. A person whose substantial interests are or may be affected has the right to an informal administrative hearing pursuant to Sections 120.569 and 120.57(2), Florida Statutes, where no material facts are in dispute. A petition for an informal hearing must also comply with the requirements set forth in Rule 28-106.301, Florida Administrative Code.

Notice Of Rights

4. A petition for an administrative hearing is deemed filed upon receipt of the complete petition by the District Clerk at the District Headquarters in Palatka, Florida during the District's regular business hours. The District's regular business hours are 8:00 a.m. – 5:00 p.m., excluding weekends and District holidays. Petitions received by the District Clerk after the District's regular business hours shall be deemed filed as of 8:00 a.m. on the District's next regular business day. The District's acceptance of petitions filed by e-mail is subject to certain conditions set forth in the District's Statement of Agency Organization and Operation (issued pursuant to Rule 28-101.001, Florida Administrative Code), which is available for viewing at www.sjrwmd.com. These conditions include, but are not limited to, the petition being in the form of a PDF or TIFF file and being capable of being stored and printed by the District. Further, pursuant to the District's Statement of Agency Organization and Operation, attempting to file a petition by facsimile is prohibited and shall not constitute filing.
5. Failure to file a petition for an administrative hearing within the requisite timeframe shall constitute a waiver of the right to an administrative hearing. (Rule 28-106.111, Florida Administrative Code).
6. The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, Florida Statutes, Chapter 28-106, Florida Administrative Code, and Rule 40C-1.1007, Florida Administrative Code. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice. A person whose substantial interests are or may be affected by the District's final action has the right to become a party to the proceeding, in accordance with the requirements set forth above.
7. Pursuant to Section 120.68, Florida Statutes, a party to the proceeding before the District who is adversely affected by final District action may seek review of the action in the District Court of Appeal by filing a notice of appeal pursuant to Rules 9.110 and 9.190, Florida Rules of Appellate Procedure, within 30 days of the rendering of the final District action.
8. A District action is considered rendered, as referred to in paragraph no. 7 above, after it is signed on behalf of the District and filed by the District Clerk.
9. Failure to observe the relevant timeframes for filing a petition for judicial review as described in paragraph no. 7 above will result in waiver of that right to review.
