Membership and Voting Rights

1. Right to Membership. Every Owner of a Residential Lot which is subject to this Declaration shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Residential Lot.
2. Classes of Membership. The Association shall have two classes of voting membership:
 - (a) Class A. Class A members shall be all Owners, with the exception of the Declarant. Each Class A member shall be entitled to one (1) vote for each Residential Lot owned.
 - (b) Class B. The Class B members shall be the Declarant who shall be entitled to three (3) votes for each Residential Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of any of the following events, which ever first occurs:
 - (1) The number of votes assigned to Class A members equals the number of votes assigned to Class B members;
 - (2) Within six (6) months from that time at which all the Residential Dwelling Units that are subject to this Declaration have been completed, some have been conveyed to purchasers and no Residential Dwelling Units are under construction or offered for sale by the Declarant in the ordinary course of business; or
 - (3) Ten (10) years from the date of recording this Declaration.
3. Multiple Owners. When any Residential Lot is owned of record in the name of two (2) or more persons or entities, whether fiduciaries or in any other manner of joint or common ownership, only one of such persons, who shall be designated by such joint owners, shall become the member entitled to vote. Such vote shall be exercised as they among themselves determine but in no event shall more than one (1) vote be cast with respect to any such Residential Lot. Where a partnership, corporation or other entity is a Class A member, such Class A member shall designate one representative of such partnership or such corporation or other entity to be the member entitled to vote.

ARTICLE III Covenant of Maintenance Assessments

1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Residential Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association annual assessments or charges and special assessments, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, late charges and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the Residential Lot against which each such assessment is made. Each such assessment, together with

interest, costs, late charges and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Residential Lot at the time when the assessment fell due. In the case of co-Owners, each co-Owner shall be jointly and severally liable for the entire amount of the assessment. The personal obligation for delinquent assessments shall not pass to an Owner's successor in title unless expressly assumed by such successor in title.

2. Purpose of Annual Assessments. The annual assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the Property and for the improvement, maintenance and operation of the Common Areas as described by Exhibit "B". In addition, the assessments shall be used for the maintenance and repair of the Surface Water or Stormwater Management Systems including, but not limited to, work within retention areas, drainage structures and drainage easements.
3. Maximum Annual Assessment.
 - (a) During the calendar year when the first Residential Lot is conveyed to an Owner, the maximum annual assessment shall be the Initial Maximum Annual Assessment.
 - (b) From and after January 1 of the year immediately following the conveyance of the first Residential Lot to any Owner, the maximum annual assessment may be increased each year not more than fifteen percent (15%) above the maximum assessment for the previous year without a vote of the membership.
 - (c) From and after January 1 of the year immediately following the conveyance of the first Residential Lot to any Owner, the maximum annual assessment may be increased above fifteen percent (15%) by a vote of two-thirds (2/3rd) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.
 - (d) The Board shall fix the annual assessment at an amount not in excess of the maximum.
 - (e) The Board, in determining the common expenses, may establish and maintain a reserve fund for the periodic maintenance, repair and replacement of the Common Areas or for such other purposes as the Board deems prudent for the operation of the Association.
4. Special Assessments. In addition to the annual assessments authorized above, the Board may levy, in any assessment year, a special assessment applicable to that year provided that any such assessment shall have the assent of two-thirds (2/3rds) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

In addition, the Board may assess a special assessment against an Owner for the cost to repair any damage or injury to the Common Areas caused by the Owner's

negligence or for such other amount as determined by the Board due to an Owner's failure to comply with the provisions of this Declaration as hereinafter provided.

5. Notice and Quorum for Any Action Authorized under Paragraphs 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under paragraphs 3 and 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At such meeting, the presence of members or of proxies entitled to cast a majority of the votes of each class of membership shall constitute a quorum.
6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Residential Lots (except special assessments specifically assessed against an Owner for costs incurred solely on account of his negligence or failure to comply herewith). Declarant shall not be required to pay annual or special assessments on any Residential Lot owned by Declarant until such time as such Residential Lot has been conveyed to an Owner provided however, in the event that Declarant is a Class B member or is otherwise in control of the Association, no less frequently than monthly, an amount equal to the difference between the operating expenses incurred by the Association and the assessments receivable from other members and other income of the Association for each month.
7. Date of Commencement of Assessments; Due Dates. The annual assessments provided for herein shall commence as to all Residential Lots conveyed to an Owner on the first day of the month following the conveyance of the first Residential Lot to an Owner. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The annual assessment shall be payable at the times and in the manner determined by the Board. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Residential Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Residential Lot is binding upon the Association as of the date of its issuance.
8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid by its due date shall be subject to a late charge of ten percent (10%) of the amount of the payment due and shall bear interest from the due date at the rate of fifteen percent (15%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the Residential Lot. No Owner may escape liability for the assessments provided for herein by abandonment of his Residential Lot. The Board may suspend the voting rights and right to use the Common Areas of a member during any period in which such member shall be in default of any assessment levied by the Association.
9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Residential Lot shall not affect the assessment lien. However, the sale or transfer of any Residential Lot pursuant to mortgage foreclosure or any proceeding in lieu

thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Residential Lot from liability for any assessment thereafter becoming due or from the lien thereof. Any such delinquent assessments which were extinguished pursuant to the foregoing may be reallocated and assessed against the remaining Residential Lots as a common expense or special assessment.

ARTICLE V Architectural Control

1. Design Criteria. It is the Declarant's intent to create and maintain a subdivision in harmony with its surroundings and the natural elements of the Property. The Residential Dwelling Units constructed or to be constructed on the Property have been or will be designed to be compatible with each other and to establish a level of construction standards. No owner is permitted to make any changes to the exterior of any Residential Dwelling Unit or other improvement on the Property without the prior approval of the Architectural Control Committee of the Association (hereinafter referred to as the "ARC").
2. Necessity of Architectural Review and Approval. No building, fence, wall or other structure, which is visible from outside any Residential Dwelling Unit, shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change in alteration, including, without limitation, a change in the exterior color, be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the ARC. In the event the ARC fails to approve or disapprove such design and location within thirty (30) days after the plans and specifications have been submitted to them, approval will not be required and this Article will be deemed to have been fully complied with.
3. Architectural Control Committee. The ARC shall be appointed by a majority vote of the Board at a meeting duly called for such purpose or by resolution executed by a majority of the members of the Board. The majority of the ARC shall constitute a quorum to transact business at any meeting.
4. Provisions Inoperative as to Declarant. Notwithstanding any other provisions of this Declaration, any development of the Property or construction of Residential Dwelling Units by Declarant shall not be subject to review and approval by the ARC.

ARTICLE VI Use of Property

In order to provide for congenial occupancy of the Property and for the protection of the value of the Residential Dwelling Units, the use of the Property shall be in accordance with the following provisions so long as the Property is subject to this Declaration.

1. Common Areas. The Common Areas shall be used only for the purposes for which they are intended in the furnishing of services and facilities for the enjoyment of the Owners. There shall be no obstruction or alteration of, nor shall anything be stored, altered or constructed in, or removed from, the Common Areas without the prior written consent of the Board.
2. Insurance. No use shall be made of the Common Areas which will increase the rate of insurance upon the Property without the prior consent of the Board. No Owner shall permit anything to be done or kept on the Common Areas which will result in cancellation of insurance on any part of the Common Areas or which will be in violation of any law. No waste shall be committed in the Common Areas.
3. Nuisances. No obnoxious or offensive activity shall be allowed upon the Common Areas, nor any use or practice which is the source of annoyance or nuisance to Owners or guests or which interferes with the peaceful possession and proper use of the Common Areas by Owners. The Board shall have the power to adopt reasonable rules and regulations governing the use of the Common Areas and the personal conduct of the members and their guests thereon, and to establish fines for the infraction thereof as hereinafter provided. In addition, the Board may also suspend the right of a member to use the Common Areas, after notice and hearing for a period not to exceed sixty (60) days, as a result of such members' infraction of such published rules and regulations.
4. Lawful Use. No immoral, improper, offensive or unlawful use shall be made of the Common Areas or any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. The responsibility of meeting the requirements of governmental bodies pertaining to maintenance, replacement, modification or repair of the Common Areas shall be the same as is elsewhere herein specified.
5. Surface Water or Stormwater Management System. The Association shall be responsible for the maintenance, operation and repair of the Surface Water or Stormwater Management System. Maintenance of the Surface Water or Stormwater Management System(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities as permitted by the St. Johns River Water Management District. The Association shall be responsible for such maintenance and operation. Any repair or reconstruction of the Surface Water or Stormwater Management System shall be as permitted, or if modified, as approved by the St. Johns River Water Management District.

ARTICLE VII

Lakes

1. Water Level and Use. With respect to the lakes now existing or which may hereafter be erected within the Property, only the Association shall have the right to remove any water from such lakes for the purpose of irrigation or other use or to place any matter or object in such lakes. The Association shall have the sole and absolute right

to control the water level of all lakes and to control the growth and eradication of plants, fowl, reptiles, animals, fish and fungi in and on such lakes and to fill any lake and no Owner shall deposit any fill in such lake. No dock, moorings, pilings, boat shelters or other structure shall be erected on or over the lakes without the approval of the ARC. No gas or diesel driven boat shall be permitted to be operated on any lake. Canoes and small, noncombustion powered boats will be permitted. All permitted boats shall be stored, screened from public view, and shall be stored either within existing structures on the Owner's Residential Lot, in designated areas within the planned development or behind landscaping approved by the ARC.

2. Lake Embankments. The lake embankments shall be maintained by the Owner owning the lake bottom. The embankments shall be maintained by each applicable Owner so that the grass, planting or other lateral support shall prevent erosion of the embankment of the lake and the height, grade and contour of such embankments shall not be changed without the prior written consent of the ARC. If the Owner required to maintain the embankment fails to maintain such embankment as part of his landscape maintenance obligations in accordance with the foregoing, the Association and its agent or representative shall have the right, but not the obligation, to enter upon such Owner's property to perform such maintenance which may be reasonably required, all at the expense of the appropriate Owner.
3. Easement for Access and Drainage. The Association shall have a perpetual, non-exclusive easement over all areas of the Surface Water or Stormwater Management Systems for access to operate, maintain or repair such systems. This easement shall provide the Association with the right to enter upon any portion of a Residential Lot which is adjacent to or a part of the Surface Water or Stormwater Management System, at a reasonable time and in a reasonable manner, to operate, maintain or repair the Surface Water or Stormwater Management System as required by the St. Johns River Water Management District permit. In addition, the Association shall have a perpetual, non-exclusive easement for drainage over the entire Surface Water or Stormwater Management System. No person shall alter the drainage flow of the Surface Water or Stormwater Management System, including buffer areas or swales, without the prior written approval of the St. Johns River Water Management District.

ARTICLE VIII

Easements

1. Reservation of Easements. Declarant reserves for itself, its successors and assigns, a right-of-way and easement to erect, maintain and use electric and telephone poles, wires, cables, conduits, storm sewers, drainage swales, sanitary sewers, water mains, gas, sewer and water lines and other public conveniences or utilities on, in and over the Common Areas.
2. Drainage Easements. Owners shall not obstruct or divert drainage flow from drainage easements. Declarant may cut drainage swales for surface waters and establish easements therefore wherever and whenever such action may appear to Declarant to be necessary to maintain reasonable standards of health, safety and appearance. These easements include the right to cut any trees, bushes or shrubbery,

make any grading of the soil, or take any other action reasonably necessary to install utilities and maintain reasonable standards of health and appearance but shall not include the right to disturb any improvements on the Property unless such improvements are restored to their condition prior to such disturbance promptly thereafter. Except as provided herein, the existing drainage system shall not be altered so as to divert the flow of water onto an adjacent property or into sanitary sewer lines.

3. **Additional Easements.** Declarant reserves the right to impose further restrictions and to grant or dedicate additional easements and rights-of-way over the property owned by Declarant. In addition, Declarant hereby reserves the right to grant easements and rights-of-way over, under and through the Common Areas so long as Declarant shall own any portion of the Property. The easements and rights-of-way granted by Declarant shall not structurally weaken any improvements or unreasonably interfere with enjoyment of the Common Areas.
4. **Cable Television Easement.** Declarant reserves for itself an exclusive easement for the installation and maintenance of radio and television cables within Common Areas and the rights-of-ways and easement areas referred to herein.
5. **Encroachments.** Declarant may grant individual Owners the right to encroach upon easements or Common Areas where necessary for the preservation of trees or the maintenance of overall aesthetics in the community.

ARTICLE IX Rights of Mortgagees

1. **Rights of Mortgagees.** Upon written request to the Association identifying the name and address of a mortgagee, such mortgagee will be entitled to timely written notice of:
 - (a) Any condemnation loss or casualty loss which affects a material portion of the Property or any Residential Dwelling Unit on which there is a first mortgage held, insured or guaranteed by such mortgagee.
 - (b) Any delinquency in the payment of the assessments or charges owed by an Owner of a Residential Dwelling Unit subject to a first mortgage held, insured or guaranteed by such mortgagee, which remains due but unpaid for a period of sixty (60) days.
 - (c) Any lapse, cancellation or material modification of any insurance policy, fidelity bond or other bond maintained by the Association.
 - (d) Any proposed action which would require the consent of a specified percentage of the mortgage holders.

ARTICLE X Reconstruction or Repair after Casualty
