Rules and Regulations

The goal and purpose of the Paradise Moorings Homeowner's Association is to maintain the quality of the property and the lifestyle of the community. All members, and their tenants, have the responsibility to occupy, use and maintain their property in accordance with the documents of the community. These documents include the Declaration of Covenants, Restrictions and Easements for Paradise Moorings, the Architectural Review Board documents (including Paradise Moorings Design Standards dated December 2001 and any other documents approved by the Board of Directors which cover rules and regulations.

For owners, these documents should have been provided to you by your closing agent and for tenants, it is the responsibility of the owner to provide a copy of these documents when signing a leasing agreement. These documents are also available on the Owners Association Newsletter. Article V, Paragraph F(2e) and Article VI, B(5) of the Declaration give the Board of Directors the authority to impose fines for violations.

Enclosed is a summarized list of the Paradise Moorings Rules and Regulations; however, it cannot be considered as all inclusive. The Declaration of Covenants, Conditions, Restrictions and Easements document is recorded with the Clay County Clerk of Circuit Court, Book 2148 and Page 0900.

Fines up to \$100 per day may be imposed for failure to comply with the Rules and Regulations of the Paradise Moorings Covenants, Conditions, Restrictions and Easements for Paradise Moorings document, the Architectural Review Board documents, and any other documents approved by the Board of Directors which cover rules and regulations.

Any resident (owner and/or tenant) breaking these Rules and Regulations will receive a violation letter from the Owner's Association. Each violator is responsible for correcting the violation as stated in the letter.

The adopted Violation Procedure is as follows:

- | | |
|--|---|
| 1 st Reminder Notice Letter | 7 days or less to correct the problem |
| 2 nd Letter, same matter | 7 days or less to correct the problem |
| 3 rd Letter, same matter | Notice of Intent to Impose Fine shall be mailed or hand delivered.
(approximately 30 days from first letter to next Board Meeting) |

Notice of Intent to Impose Fine letter allows the property owner 14 days from the receipt of the Notice to request a hearing before the Compliance Committee to dispute the fine violation. (The Compliance Committee consists of at least three members who are not officers, directors, or employees of the association, or the spouse, parent, child, brother, or sister of an officer, director, or employee.) Should the property owner accept the violation as stated, or the property owner does not request a hearing, the fine is charged to the property owner on the 15th day after the Notice is received and continues to be charged daily until it is paid or reaches an aggregate of \$1000.00. The Compliance Committee determines whether the fine for the violation is charged or dismissed. If the Compliance Committee

votes to dismiss, no further action is taken. If the Compliance Committee votes to uphold the fine, the fine will be enacted the day following the decision and will be charged daily until it is paid or reaches an aggregate of \$1,000.00.

- a) For the initial violation of any covenant, restriction or rule of the Association, the Association shall issue a friendly reminder to the owner of the alleged infraction in writing requesting the violation be corrected within seven (7) days or less of receipt of the Notice of Violation. The number of days is dependent upon the violation.
- b) Should an owner remain in non-compliance of the same violation during the following inspection, the Association shall send a second notice to the owner of the alleged infraction in writing requesting the violation be corrected within seven (7) days or less of receipt of the Notice of Violation. The number of days is dependent upon the violation.
- c) Should an owner remain in non-compliance of the same violation during the follow-on third inspection, the Association shall provide the owner with a certified mail notice of its Intent to Impose a Fine for such violation. Included in the notice shall be the date and time of a meeting of a committee appointed by the Board (the "Compliance Committee") at which time the owner shall present argument, if the owner chooses, as to why a fine should not be imposed. At least fourteen (14) days prior notice of such meeting shall be given. Regardless of the final disposition of the violation by the Compliance Committee, the owner will be responsible for the cost the postage and associated cost of letters/documents.
- d) At the meeting, the alleged infractions shall be presented to the Compliance Committee, after which the Committee shall receive evidence and hear arguments as to why a fine should not be imposed.
