ARTICLE IV - COVENANT FOR MAINTENANCE ASSESSMENTS

1. Creation of the Lien and Personal Obligation for Assessments. The Declarant, for each lot owned within the Properties, hereby covenants, and each owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: 1) annual assessments or charges, and (2) special assessments for capital improvements or maintenance, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to such owner's successors in title unless expressly assumed by them, but the lien shall survive any conveyance of title.

2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the Properties and for the improvement and maintenance of the common areas, islands in roadways, and the storm and/or surface water management system. Said maintenance, in addition to the foregoing, shall

## OFFICIAL RECORDS

include the continual maintenance and cleaning of the storm and/or surface water management system required by the St. Johns River Water Management District pursuant to permit number 42-031-0910N and other applicable rules and regulations. The continual maintenance and cleaning provided for in this paragraph shall be the sole responsibility of the Association.

3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum assessment shall be \$48.00 per year per lot.

a) From and after January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum assessment may be increased each year but not more than 5% above the maximum assessment for the previous year without a vote of the membership.

b) From and after January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum assessment may be increased more than 5% by a vote of two-thirds of the members who are voting in person or by proxy, at a meeting duly called for such purpose.

c) The Board of Directors shall fix the assessment annually at amounts not in excess of the maximum.

4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, re-construction, repair or replacement of a capital improvement upon any common area, including fixtures and personal property related thereto; provided that any such special assessment shall have the assent of two-thirds of the votes of each class of members who are voting in person or by proxy at a meeting duly called for such purpose.

5. Notice and Quorum for any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the

VOL 6703 262243

purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast 60% of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all lots and may be collected on a quarterly basis.

7. Date of Commencement of Annual Assessments. Due Dates: The annual assessments provided for herein shall commence as to all lots on the date of the recording of this Declaration in the public records of Duval County, Florida. No lot owned by the Declarant or a Builder shall be subject to any assessment until a residence has been constructed thereon and occupied. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least 30 days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether or not the assessments on a specified lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within 30 days after the

VOL 5 103 102244

due date shall bear interest from the due date at the rate of 10% per annum. The Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property involved, or both. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or abandonment of such owner's lot.

9. Subordination of the Lien to Mortgages. The lien for the assessments provided for herein shall be subordinate to the lien of any institutional first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

## ARTICLE V - LAND USE AND BUILDING TYPE

1. Land Use and Building Type. No one other than Declarant shall use any lot except for residential purposes. Unless otherwise specifically allowed or permitted under these covenants, no structure shall be erected, altered, placed, or permitted to remain on any lot other than one detached single-family dwelling not to exceed two stories in height. No wheeled vehicles of any kind or any other offensive objects may be kept or parked in a state of disrepair between the paved road and residential structures. No automobiles, trailers, or boats shall be parked in the roadways or on the right-of-way adjoining the lots. For purposes of this paragraph, a vehicle which is a 3/4 ton or less truck used as transportation to and from the lot owner's employment shall not be considered a commercial vehicle. No travel trailers or motorized homes shall be permitted unless approved by the Architectural Control Committee. Said approval shall be in writing and shall specify the location, size and placement of such motorized home or travel trailer. The decision to grant such exception is discretionary with the Architectural Control Committee and shall be capable of being withdrawn should the terms and conditions set forth by the Architectural Control Committee not be complied with by the lot owner to whom such exception is granted. The decision to grant such exception is discretionary with the Architectural Control Committee and the decision to not grant such an exception shall not be subject to judicial review.

All fences shall be constructed and maintained to present a pleasing appearance as to quality of workmanship and materials, harmony of external design with existing structures and as to location with respect to topography and finished grade elevation. It shall be within the sole and exclusive purview of the Architectural Control Committee to make the determination as to whether or not a fence is pleasing in appearance as provided herein. In the event of the death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. So long as Declarant owns any lots in the subdivision, Declarant shall have the right to appoint the members of such committee. At any time after Declarant has sold all lots or has waived, in writing, its right to appoint such committee members, the then record owners of a majority of the lots shall have the power and right through a duly recorded written instrument to elect the members of the committee, to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties. Such rights may be assigned to the Brookshire Owners Association, Inc.

b) Procedure. The committee's approval or disapproval as required in these covenants shall be in writing. In the event the committee, or its designated representative, fails to approve or disapprove within thirty (30) days after the plans and

Nothing herein shall be construed as preventing the digging of a well to be used exclusively for use in the yard and garden of any lot or tract or to be used exclusively for air conditioning. All sewage from any building must be disposed of through its sewage lines and through the sewage lines and disposal plant owned or controlled by the City of Jacksonville or its successors or assigns. 33. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. The Declarant reserves and shall have the sole right to: a) amend these covenants and restrictions so long as the Declarant owns at least ten (10) lots within the subdivision; and b) to release any building plat from any part of the covenants and restrictions which have been violated (including, without limiting the foregoing, violations of building restriction lines and provisions hereof relating thereto) if Declarant, in its sole opinion, deems such violations to be insubstantial violations or if Declarant, in its sole opinion, deem such violations necessary for construction and/or sales. Subject to the above rights reserved by the Declarant, this Declaration may be amended by an instrument signed by not less than 66% of the lot owners.

34. Legal Action on Violation. If any person, firm or corporation, or other entity shall violate or attempt to violate any of these covenants and restrictions, it shall be lawful for the Declarant or any person or persons owning any lot on said land (a) to proceed at law for the recovery of damages against those so violating or attempting to violate any of such covenants

and restrictions; and (b) to maintain a proceeding in equity against those so violating or attempting to violate any such covenants and restrictions, for the purpose of preventing or enjoining all or any of such violations or attempted violations. The remedies contained in this paragraph shall be construed as cumulative of all other remedies now or hereafter provided by law. The failure of Declarant, its successors or assigns, to enforce any covenant or restriction or any obligation, right, power, privilege, authority, or reservation herein contained, however long continued, shall in no event be deemed as a waiver of the right to enforce the same thereafter as to the same breach or violation thereof occurring prior to or subsequent thereto. Lot owners found in violation of these restrictions shall be obliged to pay attorney's fees to the successful plaintiff in all actions seeking to prevent, correct or enjoin such violations or in damage suits thereon. All restrictions herein contained shall be deemed several and independent.
