Section 2.2. Conveyance of Common Areas to the Association. When Declarant conveys title to the first Unit to be conveyed to a Class "A" Member, the Declarant shall be obligated to convey title to all of the Common Areas to the Association which shall be obligated to accept such conveyance pursuant to Article 7.

ARTICLE 3

CREATION OF ASSOCIATION; MEMBERSHIP; VOTING RIGHTS

Section 3.1. Creation of Association. Upon execution of this Declaration, Declarant shall cause the Association to be created by recording the Articles of Incorporation and Bylaws thereof with the Secretary of State of Florida in the forms attached hereto as **Exhibits "D" and "E"**, respectively, and incorporated herein by reference.

Section 3.2. Membership. Every Owner of a Unit or Lot, and every Builder owning any Unit or Lot, by virtue of the ownership of such Unit or Lot, and the Declarant and its successors and assigns, shall be Members of the Association, and by acceptance of a deed or other instrument evidencing an ownership interest, each Owner, Builder and Declarant accepts membership in the Association, acknowledges the authority of the Association as herein stated, and agrees to abide by and be bound by the provisions of this Declaration, the Articles of Incorporation, the Bylaws and other rules and regulations of the Association. The term "**Member**" shall include each person or entity owning any right, title or interest in any Unit or Lot, except persons or entities holding mortgages or other security or trust interests unless such persons or entities also have the right of possession. Tenants or others occupying any Unit who do not have an ownership interest therein shall not be Members for the purposes of this Declaration. Membership in the Association is appurtenant to, and may not be severed from, the Unit or Lot. The rights and obligations of a Member may not be assigned or delegated except as provided in this Declaration, the Articles of Incorporation or Bylaws of the Association, and shall automatically pass to the successor-in-interest of any Owner upon conveyance of such Owner's interest in the Lot or Unit. Members shall be responsible for compliance with the terms and conditions of this Declaration, the Articles of Incorporation and Bylaws, and rules and regulations of the Association by all occupants, tenants, guests, invitees and family members while residing in or visiting any Unit, Common Area or other portion of the Property.

Section 3.3. Voting Rights. Members of the Association shall be allocated votes as follows:

3.3.1. Classes.

Class A. Class A Members shall be all Owners with the exception of the Declarant and any Builders. Each Class "A" Member shall be entitled to one vote for each Lot or Unit owned.

Class B. The Class B Member shall be the Declarant, or its specifically designated (in writing) successor. The Class B Member shall be allocated three (3) votes for each Lot or Unit owned by it within the Property which is subject to assessment by this Association; provided, that the Class B membership shall cease and become converted to Class A membership as set forth in Section 3.5 of this Article 3. Upon conversion to Class A membership, the Declarant shall have one vote for each Unit or Lot owned by it within the Property so long as said Unit or Lot is subject to assessment by this Association.

Class C. All Builders, as defined herein, except the Declarant, shall be Class C Members. Class C Members shall have one (1) vote for each Lot or Unit they own in the Property.

3.3.2. Joint Ownership. When any Unit or Lot is owned of record in the name of two or more persons or entities, whether fiduciaries, joint tenants, tenants in common, tenants in partnership, or in any other manner of joint or common ownership, or if two or more persons or entities have the same fiduciary relationship respecting the same property, then unless the instrument or order appointing them or creating the tenancy otherwise directs, and a copy thereof is filed with the secretary of the Association, such Owner shall select one official representative to qualify for voting in the Association and shall notify in writing the Secretary of the Association of the name of such individual. The vote allocated to any Unit or Lot (including Units or Lots owned by the Declarant or a Builder) may not be divided or cast in any fraction, and the vote of each official representative shall be considered to represent the will of all the Owners of that Lot or Unit. If the Owners fail to designate their official representative, then the Association may accept the person asserting the right to vote as the voting Owner until notified to the contrary by the other Owner(s). Upon such notification no affected Owner may vote until the Owner(s) appoint their official representative pursuant to this paragraph.

Section 3.4. Change of Membership.

3.4.1. Ownership. Change of membership in the Association shall be established by recording in the Public Records of Duval County, Florida, a deed or other instrument conveying record fee title to any Lot or Unit, and by the delivery to the Association, of a copy of such recorded instrument. The Owner designated by such instrument shall, by acceptance of such instrument, become a Member of the Association, and the membership of the prior Owner shall be terminated. In the event that a copy of said instrument is not delivered to the Association, said Owner shall become a Member, but shall not be entitled to voting privileges until delivery of a copy of the conveyance instrument to the Association. The foregoing shall not, however, limit the Association's powers or privileges and the new Owner shall be liable for accrued and unpaid fees and assessments attributable to the Lot or Unit acquired. Notwithstanding the foregoing, the Declarant, or any Builder, shall have the right to notify the Association in writing of conveyance of a Unit to an Owner without the requirement of providing a copy of the deed, and the Association shall recognize the Owner identified in such written notice as a Member of the Association and Owner of the Unit.

3.4.2. Interest in Association. The interest, if any, of a Member in the funds and assets of the Association shall not be assigned, hypothecated or transferred in any manner except as an appurtenance to the Owner's real property. Membership in the Association by all Owners shall be compulsory and shall continue, as to each Owner, until such time as such Owner of record transfers or conveys his interest in the real property upon which his membership is based or until said interest is transferred or conveyed by operation of law, at which time the membership shall automatically be conferred upon the transferee. Membership shall be appurtenant to, run with, and shall not be separated from the real property interest upon which membership is based.

Section 3.5. Class B Membership Status.

3.5.1. Duration. The Declarant's Class B membership status shall continue, and shall be in effect, during the period from the inception of this Declaration until either (1) seven (7) years from the date this Declaration is recorded; or (2) five (5) years after the date of recording of the last Supplemental Declaration annexing additional property into this Association, whichever event, (1) or (2) occurs later; or (3) upon recording of a voluntary written notice executed by the Declarant or its duly authorized successor or assignee electing to convert its Class B status to Class A; or (4) in any event, ninety (90) days after the conveyance of the Unit to a Class A Member that causes the total number of votes held by all Class A Members of this Association to equal the number of votes held by the Class B Member, whichever event, (1), (2), (3) or (4), occurs first.

3.5.2. Assignment. The Declarant shall have the right to partially assign its status as Declarant and Class B Member, by recorded instrument executed by the original Declarant and acknowledged and accepted by the assignee Declarant, to any person or entity acquiring any portion of the Property for the purpose of development of a residential subdivision, and any such assignee shall thereafter be deemed to be the Declarant as to the Lots or Units owned by such person or entity, and shall have the right to exercise all of the rights and powers of the Declarant as to such Lots and Units, while, at the same time, the original Declarant shall continue to exercise the rights and powers of the Declarant as to all Lots and Units owned by such original Declarant. If any action of the Association requires the approval, consent or vote of the Declarant, and the original Declarant has partially assigned its rights as Declarant to others pursuant to this paragraph, the consent or vote of all such Declarants shall be required to satisfy the requirement of consent by the Declarant.

ARTICLE 6

ASSESSMENTS

Section 6.1. Creation of the Lien and Personal Obligations of Assessments.

Declarant covenants, and each Owner of any Lot or Unit shall by acceptance of a deed therefor, regardless of whether it shall be so expressed in any such deed or other conveyance, be deemed to covenant and agree to all the terms and provisions of this Declaration and to pay the Association: (1) Annual Assessments, (2) Special Assessments, and (3) Initial Working Capital Assessments all fixed, established and collected from time to time as hereinafter provided. Such Assessments, together with such interest thereon and costs of collection provided herein shall be a charge and continuing lien as provided herein on the real property and improvements of the Owner against whom each such assessment is made. Each such assessment, together with such interest thereon and cost of collection, shall also be the personal obligation of the person who is the Owner of such real property at the time when the assessment first becomes due and payable. In the case of co-ownership of a Unit or Lot, all of such co-owners shall be jointly and severally liable for the entire amount of the assessment.

The liability for assessments may not be avoided by waiver of the use or enjoyment of any Common Property or by the abandonment of the property against which the assessment was made. No diminution or abatement of assessment or set-off shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the Bylaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

Section 6.2. Purpose of Annual Assessments. The Annual Assessments levied by the Association may be used for the improvement, maintenance, enhancement and operation of the Common Maintenance Area, Surface Water and Storm Water Management Systems, Common Property and public areas located in, on or about the Property to the extent that deterioration of the public areas would adversely affect the appearance of the Property or the operation of systems appurtenant to the Property, and further to provide services which the Association is authorized or required to provide by contract or otherwise, including, but not limited to, the payment of taxes and insurance thereon, construction, repair or replacement of improvements, payment of the costs to

acquire labor, equipment, materials, management and supervision necessary to carry out its authorized functions, and for the payment of principal, interest and any other charges connected with loans made to or assumed by the Association for the purpose of enabling the Association to perform its authorized or required functions.

Section 6.3. Duty of the Board. It shall be the duty of the Board, at least thirty (30) days in advance of each fiscal year of the Association, to establish the annual budget and to fix the amount of the Annual Assessment against each Lot or Unit for the coming fiscal year, and to prepare a roster of the Lots and Units and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by the Owner. Failure to fix the amount of the Annual Assessment within the time period set forth above will not preclude the Board from fixing the Annual Assessment at a later date. In the event the Board fails for any reason to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year, and the Annual Assessment for the immediately preceding year shall continue for the current year. Written notice of the Annual Assessment shall be sent to every Owner subject thereto not later than seven (7) days after fixing the date of commencement thereof.

Section 6.4. Rate of Assessment. Annual Assessments shall be established by dividing the total expenses of the Association by the total number of Lots or Units subject to assessment to derive a uniform base assessment amount applicable to all Lots. Special Assessments for capital improvements or expenses applicable to all Lots within the Property shall be established in the same manner; however, Special Assessments applicable to a particular Lot for expenses attributable exclusively to such Lot shall be determined by dividing the applicable expense by the number of Lots to which it applies. After such amounts have been determined, the amounts due from the Class "B" and Class "C" Members shall be adjusted according to the following provisions. Declarant will have the following option for each assessment year:

6.4.1. During the period in which Declarant has the status of the Class B Member, all Lots and Units owned by Declarant, unless otherwise elected in writing by Declarant, shall be assessed at twenty-five percent (25%) of the rate of assessment applicable to units owned by Class A Members, provided however, that in the event that the actual operating expenses of the Association during the year for which the Declarant's assessment is 25% of the Class A Membership assessment exceed the actual income of the Association derived from all assessments imposed on all Members, Declarant shall reimburse the Association the difference between its actual operating expenses and its actual assessment income for such year, save and except any portion of such deficit attributable to delinquent assessments owed by Class A Members. Payment of such reimbursement shall be made by Declarant within 30 days after receipt of the Association's annual statement of accounts. Notwithstanding the foregoing, the Declarant shall have the right, but not the obligation,

to reimburse the Association for deficits attributable to delinquent assessments owed by Class A Members, and, in that event, the Association shall promptly institute collection proceedings, including legal action if necessary, to recover such unpaid amount(s) from such Owner(s), and, upon receipt of such recovery, the Association shall reimburse Declarant the amount(s) so recovered up to the amount of any operating deficit funded by Declarant which arose from such non-payment.

6.4.2. In the alternative, Declarant may elect by written notice to the Board to pay the full Class A rate of assessment for each Unit owned by Declarant within the Association and subject to assessment for any assessment year without thereby waiving its Class B status or its right to elect to pay assessments pursuant to Subsection 6.4.1 for any ensuing assessment years, and, in such event, shall not be liable for the operating deficit of the Association as provided in Subsection 6.4.1.

6.4.3. At such time as Class B status shall cease, all Lots and Units owned by Declarant shall be assessed at the full Class A rate and Declarant shall have no obligation to fund any operating deficit of the Association thereafter.

Section 6.5. Builder Assessments. Lots or Units owned by Class C Members shall be assessed at twenty-five percent (25%) of the Annual Assessment rate fixed for Class A Units during the period of Class B membership. Upon conversion of Class B membership to Class A, Class C shall also be converted to Class A, and full assessments shall apply.

Section 6.6. Initial Maximum Annual Assessment; Increases in Maximum Assessment; and Annual Assessment Rates.

6.6.1. Initial Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Unit by the Declarant or a Builder to a Class A Member, the Maximum Annual Assessment per Unit shall be \$155.00.

6.6.2. Increases in Maximum Annual Assessment - Without Consent of the Members. From and after such date, the Maximum Annual Assessment shall be increased each year by the Board without a vote of the Membership of the Association by an amount not more than either (a) ten percent (10%) above the sum of (1) the Maximum Annual Assessment for the previous year, plus (2) increases mandated by governmental agencies and/or increased fixed costs incurred for insurance, taxes, recycling, waste disposal, or to obtain services from utility companies, or (b) the percentage increase, if any, in the current U.S. Government's Consumer Price Index (Urban Price Index - All Urban Consumers), herein referred to as the "CPI", over the CPI published for the preceding period, or other statistical index providing similar information if the CPI ceases to be published, whichever amount, (a) or (b), is greater.

6.6.3. Increases in Maximum Annual Assessment - Requiring Consent of the Members. The Maximum Annual Assessment may not be increased above the amount described in Subsection 6.6.2 above without the approval of a simple majority of each class of Members who are either voting in person or by proxy, at a meeting of the Association duly called for this purpose, or whose approval is evidenced by the written consent of the majority of such Members.

6.6.4. Establishing the Annual Assessment. The Board of Directors of the Association shall set the Annual Assessment for each fiscal year at an amount not in excess of the Maximum Annual Assessment then in effect as established pursuant to Subsections 6.6.1, 6.6.2 or 6.6.3 above. If the Board sets the Annual Assessment at an amount which is less than the allowable Maximum Annual Assessment, the Board shall have the right to increase the Annual Assessment to any amount not greater than the allowable Maximum Annual Assessment then in effect without the consent of the Members upon thirty (30) days written notice. The election of the Board to set the Annual Assessment at an amount less than the Maximum Annual Assessment shall not affect the calculation of the Maximum Annual Assessment for ensuing years pursuant to this Section 6.6.

Section 6.7. Special Assessments. In addition to the Annual Assessments authorized herein, the Association may levy in any fiscal year a Special Assessment applicable to that fiscal year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Property, including fixtures and personal property related thereto; provided, such assessment shall have the affirmative vote or written consent, or combination thereof, at least a simple majority of the votes of each class of Members. The obligation to pay Special Assessments shall be computed on the same basis as for Annual Assessments. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines.

The Association (by simple majority vote of the Board) may also levy a Special Assessment against any Member to reimburse the Association for costs incurred pursuant to Article 4, Section 4.3.13 and 4.3.15, in bringing a Member and his Unit or Lot into compliance with the provisions of the Declaration, any amendments thereto, the Articles, the Bylaws, and the Association rules and regulations, or for the recovery of expenses incurred pursuant to Section 6.14 of this Article 6, which Special Assessment may be levied upon the vote of the Board after notice to the Member and an opportunity for a hearing.

Section 6.8. Notice and Quorum Requirements. Written notice of any proposed action to be taken pursuant to Subsection 6.6.3 or Section 6.7 shall be delivered to each Member at least 30 days in advance of (1) any meeting at which such matter is to be discussed or (2) any

action which is to be taken by written approval of the Members in lieu of a meeting. The notice shall state the purpose of the meeting or proposed written approval and shall contain a written description of the of the proposed assessment. The notice shall also contain a copy of a proxy that can be cast in lieu of attendance at the meeting. If the Association has, or is planned to have, 250 Members or less - the quorum for any such meeting shall be no less than 20% of the total number of votes. If the Association has, or is planned to have, more than 250 Members but less than 1000 Members - the quorum for any such meeting shall be no less than 10% of the total number of votes. If the Association has, or is planned to have, more than 1000 Members - the quorum for any such meeting shall be no less than 5% of the total number of votes. The foregoing requirements are minimum requirements, however, more stringent requirements imposed elsewhere in this Declaration, or pursuant to applicable laws or regulations shall supersede the requirements contained in this Section and the Association shall be bound by such more restrictive requirements as if fully reproduced herein.

Section 6.9. Date of Commencement of Annual Assessments; Due Dates. The Annual Assessments provided for herein shall commence as to each Lot or Unit on the first day of the month next following the month in which the Lot or Unit is subjected to the terms and conditions of this Declaration by recordation of this Declaration, or on the date the Association Articles of Incorporation are filed with the Secretary of State of Florida, whichever occurs later. The dates when such Annual Assessments shall become due shall be established by duly adopted resolution of the Board. The Annual Assessment shall be adjusted according to the number of days remaining in the fiscal year at the time assessments commence on the Unit. The Association may delegate to a mortgage company, financial institution or management company responsibility for collection of assessments with the express written consent and agreement of such financial institution or management company. The Annual Assessments shall be payable in advance in monthly installments, or in annual, semi-annual or quarter-annual installments if so determined by the Board of Directors of the Association (absent which determination they shall be payable monthly).

Section 6.10. Initial Working Capital Assessment. There is hereby established an assessment, herein referred to as the "**Initial Working Capital Assessment**", applicable to each Lot or Unit owned by a Class A Member (except the Declarant if the Declarant shall become a Class A Member) in the amount of \$ ~~0~~ per Lot or Unit, which shall become due and payable by the Class A Owner of each Lot or Unit upon first occupancy of such Lot or Unit as a place of residence by a Class A Member. For purposes of clarity, the Initial Working Capital Assessment is a one-time assessment due at the closing at which the Lot is conveyed to a Class A Member for the purpose of construction of a residential dwelling by the Class A Member or any Builder, or at which the completed Unit is conveyed to a Class A Member for use as a residence, whether occupied or not. No further Initial Working Capital Assessment shall be due for any subsequent transfer of ownership of any Unit from one Class A Member to a successor Class A Member.

Section 6.11. Records of Payment. The Board shall prepare a roster of Owners and Annual Assessments and Special Assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner at reasonable times with reasonable notice. Any Owner shall have the right to request the Association to issue a written statement signed by an officer of the Association, setting forth whether all Annual Assessments and/or Special Assessments owed by such Owner have been paid. The Association shall have the right to impose a fee for the issuance of such statements not to exceed \$50.00 per statement. Requests for such statements shall be in writing addressed to the address to which Annual Assessment payments are made. Each request shall contain the street address and legal description (by platted lot and block) of the property and the full name of the Owner. The Association shall issue the requested statement within 30 days after receipt of the written request, subject to the payment of any fee for such service imposed by the Association. Such written statement issued by the Association shall be *prima facie* evidence of payment of any assessment therein stated to have been paid.

Section 6.12. Effect of Non-Payment of Assessment: The Personal Obligation of the Owner; The Lien: Remedies of Association.

6.12.1. If any assessment (e.g. any Annual Assessment or Special Assessment) is not paid on the date due, then such assessment shall become delinquent and the entire assessment shall, together with interest thereon and cost of collection thereof as hereinafter provided, become due and payable and be a continuing lien on the property which shall bind such property in the hands of the then Owner, the Owner's heirs, devisees, personal representatives and assigns. The obligation of the Owner to pay such assessment is a personal obligation and any assessments that are due but remain unpaid at the time the Owner disposes of his or her ownership interest shall be enforceable by the Association against such person or against such person's successor in interest to the property subject to the assessment unless such successor in interest is a *bona fide* purchaser for value without notice of the assessment, or acquires title to the property by foreclosure of a lien securing a purchase money mortgage or home equity mortgage, or by deed or conveyance in lieu of foreclosure of such lien.

6.12.2. The Association may record a notice of lien for delinquent assessments in the public records and foreclose the lien in the same manner as a mortgage. The lien shall not be valid against subsequent *bona fide* purchasers or mortgagees for value unless so recorded. Upon recording, the lien shall secure the amount of delinquency stated therein and all unpaid assessments due thereafter until satisfied of record, together with interest thereon, as provided herein, and the reasonable cost of (a) notices of delinquency, (b) demands for payment, (c) notices of liens, (d) assignment of liens, (e) releases of liens, (f) recording costs, (g) attorney's fees, and (h) management company fees.

6.12.3. If the assessment is not paid within thirty (30) days after the due date it shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same for collection of the amounts due, or an action to foreclose the lien against the property. Suit to recover a money judgment for delinquent amounts owed to the Association and attorney's fees and costs shall be maintainable without foreclosing or waiving the lien securing the same. In the event that the Association turns the account over to an attorney for collection, there shall be added to the amount due the reasonable fees and charges of such attorney, including, but not limited to, charges for issuing notice of legal action or demands for payment, negotiation and preparation of settlement agreements and/or releases, costs of preparation of legal action, court costs, filing fees and all other expenses incurred by the Association for enforcement of its lien and/or collection of amounts owed.

6.12.4. In the event that the Association elects to foreclose its lien against any Unit, the Association, acting on behalf of the Owners, shall have the power to bid for the Unit at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. During the period in which a Unit is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be assessed or levied on it; and (c) each other Unit shall be charged, in addition to its usual assessment, its pro rata share of the assessment that would have been charged such Unit had it not been acquired by the Association as a result of foreclosure.

Section 6.13. Subordination of the Lien to Mortgages; Mortgagees' Rights. The lien of the assessments provided for herein is subordinate to the lien of any purchase money or home equity Mortgage given to an Institutional Lender now or hereafter placed upon a Unit or Lot recorded prior to the recording of a notice of lien pursuant to Section 6.12 of this Article 6; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

Each Owner hereby authorizes and instructs the Association that an Institutional Lender holding a secured mortgage lien on a Unit, upon delivery of written request from the Institutional Lender to the Association, shall be entitled to written notification from the Association of any default of an Owner of any obligation hereunder which is not cured within sixty (60) days. The Association may provide such notice without receiving a request from the Institutional Lender without further notice to the Unit Owner. An Institutional Lender holding a mortgage on a Unit may pay any past due assessment or other obligation of the Unit Owner to the Association on behalf of such Owner, and, upon request from the Institutional Lender, the Association shall assign its lien rights herein established to such Institutional Lender.

An Institutional Lender may pay taxes or other charges which are in default and which may or have become a charge against any Common Property and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy for such Common Property and Institutional Lenders making such payments shall be owed immediate reimbursement therefor from the Association.

Section 6.14. Damage to Common Property by Owners. Any maintenance, repairs or replacements within the Common Property arising out of or caused by the willful or negligent act of the Owner, his family, guests or invitees shall be done at said Owner's expense or a Special Assessment therefore shall be made against his Lot or Unit.

Section 6.15. Exempt Property. The following property subject to this Declaration shall be exempted from all assessments, charges and liens created herein: (a) all easements, rights-of-way or other interest dedicated and accepted by the local public authority and devoted to public use; and (b) all Common Property.

ARTICLE 7

TITLE TO COMMON AREAS; ACCEPTANCE AND MAINTENANCE OF COMMON PROPERTY

Section 7.1. Construction and Ownership of Common Property Improvements. It is anticipated that Declarant will designate certain portions of the Property, as well as Bel Tel Way and the South Ditch, to be Common Property or Common Area (collectively referred to in this Article 7 as the "Common Property") that will be improved or developed in phases in association with the development and annexation of the additional property. Declarant may elect to construct or install certain improvements or facilities upon portions of the Common Property, but is not obligated to do so. Declarant shall have the absolute right and power to determine what improvements or facilities, if any, it will install or construct on the Common Property at all times prior to conveying such Common Property to the Association, and within two (2) years thereafter. All lands designated by the Declarant as Common Property shall be conveyed to, and title shall be held by, the Association, together with all improvements or facilities constructed or installed thereon.

Section 7.2. Acceptance of Common Property. Within thirty (30) days after receipt of written notice from the Declarant informing the Association that Declarant has completed construction or installation of improvements upon any portion of Common Property, the President of the Association, or in the absence of the President, any Vice President of the Association, together

with a duly authorized representative of the Declarant, shall conduct a thorough inspection of the improvements or facilities, and shall report in writing any incomplete or defective conditions. The Association shall have the right to engage the service of a professional engineer, or other qualified inspector, to assist with the inspection and preparation of the written report. Upon completion or correction of any incomplete or defective conditions by Declarant, and re-inspection and approval by the President (or Vice President, as the case may be), or, in the event that the Declarant and the representative of the Association disagree about the completion or correction of allegedly incomplete or defective conditions, upon written certification of completion by a licensed engineer or architect engaged by the Declarant, Declarant shall convey all of its right, title and interest in and to the Common Property in question, including the improvements or facilities, to the Association free and clear of all liens, claims or expenses arising from the construction or installation of improvements on the Common Property by Declarant, and the Association shall accept and acknowledge the deed of conveyance, and/or the certificate of completion, and shall thereafter own all right, title and interest in the Common Property and improvements or facilities then conveyed.

Section 7.3. Maintenance of the Common Property. The Association shall own, operate and maintain all Common Property and the improvements or facilities constructed or installed thereon in first class condition, subject to normal wear and tear, depreciation, and the elements. Maintenance of the Common Property shall include periodic inspection and preventive maintenance for the improvements and facilities thereon.

Section 7.4. Inspections of the Common Property by Declarant. Declarant hereby reserves the right, at all times after conveyance of the Common Property to the Association, to enter the Common Property, without prior notice, and to inspect the condition of the improvements and facilities thereon. If Declarant determines, in its sole judgement, that the improvements or facilities are in need of repair or maintenance, it may so notify the Association in writing, and it shall be the sole obligation of the Association owning such Common Property to promptly complete such repairs or maintenance. Failure of the Association to properly maintain and repair the Common Property shall relieve the Declarant of any liability to the Association or to any Member for any condition of the Common Property. Declarant shall have the right to make a record of its inspections by photographing and/or videotaping the Common Property, and shall have the right to perform tests or examinations to determine the condition of the Common Property, provided that Declarant shall indemnify the Association from any claims for personal injury, death, property damage or non-payment asserted by persons claiming by, through or under the Declarant for injury, death or damage occurring as a result of such examinations or tests. Notwithstanding the foregoing, Declarant shall have no obligation to perform inspections of the Common Property owned by the Association. The deeds conveying the Common Property to the Association may contain a recitation of this reservation, however failure to recite such reservation in such deeds shall not affect the rights of Declarant herein reserved.

Section 7.5. Maintenance and Repair Records. The Association shall keep records of maintenance and repairs performed on the Common Property, and such records shall be made available to the Declarant and to any Member upon written request. Failure of the Association to maintain appropriate records of maintenance and repairs shall be conclusive evidence that such maintenance and repairs were not performed.

Section 7.6. Operation, Maintenance and Monitoring of Drainage Facilities. The Association shall maintain, as part of the common elements, drainage structures for the property and comply with conditions of the permits from the St. Johns River Water Management District ("**SJRWMD**") for the drainage system. The Association, shall, when requested by Declarant, apply for or accept transfer of the SJRWMD permit identified as Number ~~40-091-0822~~ - ERP for the Cherrywood property and shall be designated as the "permittee" thereof. The conditions of the permits include monitoring and record keeping schedules, and maintenance. The drainage facilities and improvements, including without limitation, the retention/detention ponds, underground pipes, inlets and outfall structures, if any, shall be collectively referred to herein as the "**Surface Water and Storm Water Management System**". The following additional conditions shall apply:

- a. The Association shall hold and save the SJRWMD harmless from any and all damages, claims, or liabilities which may arise by reason of the operation, maintenance or use of any facility authorized by the permit.
- b. The Association shall at all times properly operate and maintain the systems of treatment and control (and related appurtenances) that are installed or used to achieve compliance with conditions of the permit, as required by the SJRWMD. This provision includes the operation of backup or auxiliary facilities or similar systems when necessary to achieve compliance with the conditions of the permit and when required by SJRWMD rules.
- c. The Association, specifically agrees to allow authorized SJRWMD personnel, upon presentation of credentials or other documents as may be required by law, access to the Common Maintenance Area premises, at all reasonable times, where the permitted activity is located or conducted; for the purposes of inspection and testing to determine compliance with the permit and SJRWMD regulations, such as:
 1. Having access to and copying any records that must be kept under the conditions of the permit; and

2. Inspecting the facility, equipment, practices, or operations regulated or required under the permit; and
3. Sampling or monitoring any substances or parameters at any location reasonably necessary to assure compliance with the permit or SJRWMD rules; and
4. Gathering of data and information.

Reasonable time may depend on the nature of the concern being investigated.

d. Establishment and survival of littoral areas provided for storm water quality treatment in wet detention systems shall be assured by proper and continuing maintenance procedures designed to promote viable wetlands plant growth of natural diversity and character. Following as-built approval, perpetual maintenance shall be provided for the permitted system.

e. The Association shall submit inspection reports in the form required by SJRWMD, in accordance with the following schedule unless specified otherwise here or in permit application:

1. For systems utilizing effluent filtration or exfiltration, the inspection shall be performed eighteen (18) months after operation is authorized and every eighteen (18) months thereafter.
2. For systems utilizing retention and wet detention, the inspections shall be performed two (2) years after operation is authorized and every two (2) years thereafter.

f. It shall be the responsibility of each Lot Owner within the subdivision at the time of construction of a building, residence, or structure, to comply with the construction plans for the surface water management system pursuant to Chapter 40D-4, F.A.C., approved and on file with the SJRWMD.

g. It is the Lot Owner's responsibility not to remove native vegetation (including cattails) that become established within the wet detention ponds abutting their property. Removal includes dredging, the application of herbicide, and cutting. Lot Owners should address any question regarding authorized activities within any wet detention pond to SJRWMD, Surface Water Permitting Department.

h. No Owner of a Lot within the subdivision may construct or maintain any building, residence, or structure, or undertake or perform any activity in the wetlands, buffer areas, and upland conservation areas described in the approved permit and recorded Plat of the subdivision, unless prior approval is received from the SJRWMD pursuant to Chapter 40D-4, F.A.C.

Section 7.7. Effect of Dissolution. In the event of the termination, dissolution or final liquidation of the Association, the responsibility for the operation and maintenance of the Surface Water and Storm Water Management System must be transferred to and accepted by an entity which would comply with Section 40C-42.027, Florida Administrative Code, and be approved by the SJRWMD prior to such termination, dissolution or liquidation.

Section 7.8. Special Amendments Relating to Surface Water and Storm Water Management System. Any amendment to this Declaration which alters the Surface Water and Storm Water Management System, beyond maintenance in its original condition, including the water management portions of the Common Property, must have the prior written approval of the SJRWMD. This section may not be amended without the consent of such District.

Section 7.9. Shared Facilities. It is expected that certain portions of the Surface Water and Storm Water Management System will serve the drainage needs of adjacent lands not owned by Declarant and not within the Property subject to this Declaration. Declarant reserves the right to grant such drainage and/or use easements and rights as Declarant may deem necessary or appropriate for accomplishing the drainage needs of the Property and/or lands owned by others provided that such agreements shall not unreasonably interfere with the use of the system by the Owners or unreasonably increase the cost of maintenance of the system by the Association.

Section 7.10. Water Levels in Retention Ponds; Flooding. The Surface Water and Storm Water Management System is designed to provide drainage for the Property. Neither the Association nor the Declarant shall have any liability whatsoever to any Owner for claims or damages alleged by an Owner due to water levels in the lakes and/or retention ponds, if any, being below normal or otherwise unacceptable to the Owner. Recreational use and aesthetic appearance of the retention ponds is secondary to their intended drainage function, and during periods of prolonged drought or other unusual weather events water levels in the retention ponds may recede, and neither the Association nor the Declarant shall have any liability for such conditions. Provided that the Surface Water and Storm Water Management System is constructed in substantial compliance with the plans and specifications therefor approved by the appropriate governmental authorities, neither the Declarant, nor the Association nor any governmental authority shall be liable to the Association or any Owner for damage caused by flooding, and each Owner acknowledges and agrees that as long as the Declarant and the Association have acted in good faith in reliance on reasonable engineering criteria approved by the governmental authorities in the design and

construction of the Surface Water and Storm Water Management System, they shall not be liable for damages sustained by any Owner caused by weather events not taken into consideration in the design or construction of such system and facilities.

Section 7.11. Condemnation. In the event of condemnation or a sale in lieu thereof of all or any portion of the Common Areas, the funds payable with respect thereto shall be payable to the Association and shall be used by the Association to purchase additional Common Areas to replace that which has been condemned or to take whatever steps it deems reasonably necessary to repair or correct any damage suffered as a result of the condemnation. In the event that the Board of Directors of the Association determines that the funds cannot be used in such a manner due to the lack of available land for additional Common Areas or for whatever reason, any remaining funds may be distributed to the Owners on a pro rata basis.

ARTICLE 8

ARCHITECTURAL REVIEW

Section 8.1. Architectural Control Committee. A committee to be known as the Architectural Control Committee (the "**ACC**") shall be established consisting of three (3) persons who need not be members of the Association.

a. The committee members of the ACC shall be appointed, terminated and/or replaced by the Declarant so long as there is Class B membership. Thereafter the committee members of the ACC shall be appointed, terminated and/or replaced by the Board of Directors. The persons appointed to the ACC are

Todd White
Art Lancaster
Candi Paulsen

b. The purpose of the ACC is to enforce the architectural standards of the community and to approve or disapprove plans for improvements proposed for the Lots.

c. The ACC shall act by simple majority vote, and shall have the authority to delegate its duties or to retain the services of a professional engineer, architect, designer, inspector or other person to assist in the performance of its duties.

Section 8.2. Scope of Review. No building, fence, wall, outbuilding, landscaping, pool, athletic facility or other structure or improvement shall be erected, altered, added onto or repaired upon any portion of the Property without the prior written consent of the ACC, provided however,

that improvements erected, altered, added onto or repaired by Declarant shall be exempt from the provisions of this Article 8.

Section 8.3. Submission of Plans. Prior to the initiation of construction upon any Lot, the Owner thereof shall first submit to the ACC a complete set of plans and specifications for the proposed improvements, including site plans, grading plans, landscape plans, floor plans depicting room sizes and layouts, exterior elevations, specifications of materials and exterior colors, and any other information deemed necessary by the ACC for the performance of its function. In addition, the Owner shall submit the identity of the individual or company intended to perform the work and projected commencement and completion dates.

Section 8.4. Plan Review. Upon receipt by the ACC of all of the information required by this Article 8, it shall have twenty-one (21) days in which to review said plans. The proposed improvements will be approved if, in the sole opinion of the ACC: (1) the improvements will be of an architectural style and material that are compatible with the other structures in the Property; (2) the improvements will not violate any restrictive covenant or encroach upon any easement or cross platted building set back lines; (3) the improvements will not result in the reduction in property value, use or enjoyment of any of the Property; (4) the individual or company intended to perform the work is acceptable to the ACC in the exercise of its reasonable discretion, provided however, that the right of the ACC to consent to the individual or company selected to perform the work shall not be used to require any Owner to retain the Declarant or its employees, agents, contractors or affiliated companies or any Builder, nor shall such consent be deemed approval or indorsement of the quality of work or performance of the company or individual performing such work; and (5) the improvements will be substantially completed, including all cleanup, within three (3) months of the date of commencement [6 months for the construction of a complete house]. In the event that the ACC fails to issue its written approval within twenty-one (21) days of its receipt of the last of the materials or documents required to complete the Owner's submission, the ACC's approval shall be deemed to have been granted without further action.

Section 8.5. Non-conforming Structures. If there shall be a material deviation from the approved plans in the completed improvements, such improvements shall be in violation of this Article 8 to the same extent as if erected without prior approval of the ACC. The ACC, the Association or any Owner may maintain an action at law or in equity for the removal or correction of the non-conforming structure and, if successful, shall recover from the Owner in violation all costs, expenses and fees incurred in the prosecution thereof.

Section 8.6. Immunity of ACC Members. No individual committee member of the ACC shall have any personal liability to any Owner or any other person for the acts or omissions of the ACC if such acts or omissions were committed in good faith and without malice. The Association shall defend any action brought against the ACC or any committee member thereof arising from acts or omissions of the ACC committed in good faith and without malice.

Section 8.7. Address for Notice. Requests for ACC approval or correspondence with the ACC shall be addressed to the Cherrywood Architectural Control Committee and mailed or delivered to the principal office of Centex Homes at 6620 Southpoint Drive, South 400, Jacksonville, Florida 32216, or such other address as may be designated from time to time by the ACC. No correspondence or request for approval shall be deemed to have been received until actually received by the ACC in form satisfactory to the ACC.

ARTICLE 9

EASEMENTS

Section 9.1. Utility Easements. As long as Class B membership shall be in effect, the Declarant hereby reserves the right to grant perpetual, nonexclusive easements for the benefit of Declarant or its designees, upon, across, over, through and under any portion of the Common Area for ingress, egress, installation, replacement, repair, maintenance, use and operation of all utility and service lines and service systems, public and private, including, without limitation, cable television. Declarant, for itself and its designees, reserves the right to retain title to any and all pipes, lines, cables or other improvements installed on or in such easements. Upon cessation of Class B membership, the Association shall have the right to grant the easements described herein.

Section 9.2. Declarant's Easement to Correct Drainage. Declarant hereby reserves for the benefit of Declarant and any Builder a blanket easement on, over and under the ground within the Property to maintain and correct drainage of surface waters and other erosion controls in order to maintain reasonable standards of health, safety and appearance and shall be entitled to remove trees or vegetation, without liability for replacement or damages, as may be necessary to provide adequate drainage for any Lot. Notwithstanding the foregoing, nothing herein shall be interpreted to impose any duty upon Declarant or any Builder to correct or maintain any drainage improvements within the Property.

Section 9.3. Easement for Unintentional Encroachment. The Declarant hereby reserves an exclusive easement for the unintentional encroachment by any structure upon the Common Area caused by or resulting from, construction, repair, shifting, settlement or movement of any portion of the Property, which exclusive easement shall exist at all times during the continuance of such encroachment as an easement appurtenant to the encroaching Property to the extent of such encroachment.

Section 9.4. Entry Easement. In the event that the Owner fails to maintain the Lot as required herein, or in the event of emergency, the Association shall have the right to enter upon the Lot to make emergency repairs and to do other work reasonably necessary for the proper maintenance and operation of the Property. Entry upon the Lot as provided herein shall not be deemed a trespass, and the Association shall not be liable for any damage so created unless such damage is caused by the Association's willful misconduct or gross negligence.

Section 9.5. Drainage Easements. Easements for installation and maintenance of utilities, storm water retention/detention ponds, and/or conservation areas are reserved as may be shown on any recorded Plat. Within these easement areas, no structure, landscaping or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may hinder or change the direction of flow of drainage channels or slopes in the easements. The easement area of each Lot and all improvements contained therein shall be maintained continuously by the Owner of the Lot, except for those improvements for which a public authority, utility company or the Association is responsible. No fences, walls, hedges or other improvements that interfere with, retard or redirect the flow of drainage shall be installed, or permitted to remain, in the Private Unobstructed Drainage Easement on Lots 1 through 14; 34; 35; 46 through 53, or the Private Lake/Stormwater Management Facility and Private Drainage Easement on Lots 32 through 39, as depicted on the Plat.

Section 9.6. Temporary Completion Easement. All Lots shall be subject to an easement of ingress and egress for the benefit of the Declarant, its employees, subcontractors, successors and assigns, over and upon the front, side and rear yards of the Lots as may be expedient or necessary for the construction, servicing and completion of dwellings and landscaping upon adjacent Lots, provided that such easement shall terminate 24 months after the date such Lot is conveyed to the Owner by the Declarant.

Section 9.7. Retaining Wall and Drainage Maintenance Easement. Section 11.3. Rezoning Prohibited. No Lot shall be rezoned to any classification allowing commercial, institutional or other non-residential use without the express consent of the Association and Declarant, which may be withheld in Declarant's sole discretion. ARTICLE 12

USE RESTRICTIONS

This restriction shall not be

interpreted to limit the right of Declarant or any Builder to use trailers or outbuildings as sales offices, construction offices or material storage facilities.

Section 12.4. Signs. No sign or emblem of any kind may be kept or placed upon any Lot or mounted, painted or attached to any Unit, fence or other improvement upon such Lot so as to be visible from public view or mounted on any vehicle or trailer parked or driven in the Property or carried by any person or by any other means displayed within the Property except the following:

The ACC, as designated in this Declaration, shall have the absolute authority to determine from time to time whether a vehicle and/or accessory is operable and adequately screened from public view. Upon an adverse determination by said ACC, the vehicle and/or accessory shall be removed and/or

otherwise brought into compliance with this paragraph. No dismantling or assembling of motor vehicles, boats, trailers, recreational vehicles, or other machinery or equipment shall be permitted in any driveway or yard adjacent to a street. No commercial vehicle bearing commercial insignia or names shall be parked on any Lot except within an enclosed structure or a screened area which prevents such view thereof from adjacent lots and streets, unless such vehicle is temporarily parked for the purpose of serving such Lot.

Section 12.6. Pets, Livestock and Poultry. Section 12.8. Sight Distance at Intersections. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between three (3) and ten (10) feet above the roadways shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street property lines and in a line connecting them at points thirty-five (35) feet from the intersection of the street lines, or in the case of a rounded property corner, from the intersection of the street property lines extended. The same sight line limitations shall apply on any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines. The foregoing limitations may be

waived for Lot 55 of Cherrywood if, in the reasonable opinion of the ACC, fencing on Lot 55 would not obstruct the view or endanger the safety of motorists.

Section 12.9. Parking. No vehicles, trailers, implements or apparatus may be driven or parked in the Common Maintenance Areas or on any easement (except areas intended for vehicular access) unless in use for maintaining such Common Maintenance Areas.

Section 12.10. Commercial or Institutional Use. Section 12.11. Detached Buildings. Every outbuilding, inclusive of such structures as a storage building, greenhouse or children's playhouse shall be compatible with the dwelling to which it is appurtenant in terms of its design and material composition. In no instance shall an outbuilding exceed one (1) story in height or have total floor area in excess of ten percent (10%) of the floor area of the main dwelling.

Section 12.12. Fences. No fence, wall or hedge shall be erected or maintained on any Lot nearer to the street than the building setback lines for the front yard, except for fences erected in conjunction with model homes or sales offices. Except as may be necessary to maintain the sight distances required by Section 12.8, side yard fences on corner Lots must be erected inside the side street setback line of the Lot. All fences shall be constructed of materials approved by the ACC pursuant to Article 8 except for fences or retaining walls installed by Declarant or required by SJRWMD or Duval County. All fences shall be of uniform height except sales office or model home fences. Unless otherwise agreed between Owners, side and rear yard fences that separate adjacent lots shall be owned and maintained by the Owner on whose Lot the fence exists, or if the location is indefinite, such fence will be maintained by the Owners whose Lots are involved jointly with expenses being shared equally.

Section 12.13. Landscaping. Decorative ground cover rock in the front and side yard may not exceed ten (10) percent of the total area of the front and side yard. Lawns must be properly maintained (not to exceed six (6) inches in height).

No exterior radio or television antenna, satellite dish, microwave antenna or other antenna or device for sending or receiving television or radio signals may be erected or maintained on the exterior of any Unit in the Property in such a manner as to be visible to an observer from the street in front of the Unit. Television and/or radio receiving devices may be erected on the exterior of a Unit in a location that does not allow them to be visible to an observer from the street in front of the Unit if such devices are approved for installation by the ACC, provided however, that satellite receiving dishes in excess of 39 inches in diameter shall be prohibited on all Lots. Notwithstanding the foregoing, the Board of Directors of the Association shall have the authority to establish size limitations for television and radio receiving devices that do not have a material effect upon the appearance of the Unit which devices may be approved for use in areas that are visible to an observer from the street if advances in technology create devices that are unobtrusive and do not materially affect the appearance of the Unit. By acceptance of a deed to a Unit within the Property, each Owner agrees that this restrictive covenant is a reasonable limitation on the Owners' ability to receive television and/or radio transmissions, and (1) does not unreasonably delay or prevent installation, maintenance or use of television or radio receiving devices, (2) does not unreasonably increase the cost of installation, maintenance or use of television or radio receiving devices, (3) does not preclude reception of an acceptable quality television or radio signal, and (4) does not impose an unnecessary burden, expense or delay on any Owner. Each Owner covenants with Declarant and every other Owner that the rights of the Association and all other Owners of Units in the Property in the protection of property values and the architectural character and aesthetics of the Property supersedes and takes precedence over the interests of each individual Owner in the placement of television and radio receiving devices, and that the limitations established in this Declaration provide each Owner reasonable alternatives for receiving quality television and radio signals without the necessity of erecting receiving devices in locations that are visible to observers from the street in front of the Unit or otherwise materially affect the appearance of the Unit. Therefore, each Owner agrees to be bound by this limitation and waives the benefits of any contrary rule or regulation promulgated by the Federal Communications Commission or other governmental body or agency.

Section 12.15. Exterior Finish. All exterior walls of all dwellings, garages and approved accessory buildings shall be completely finished with wood, stucco, brick, stone, paneling or other material acceptable to the ACC. The first floor exterior walls of the main residence building constructed on any Lot shall be composed of at least 50% masonry or masonry veneer (including stucco), said percentage to apply to the aggregate area of all first floor exterior walls, excluding windows, doors or other openings and gable ends. The minimum masonry requirement specified shall apply to the lower floor only for a two-story dwelling. Masonry or masonry veneer includes stucco, ceramic tile, clay, brick, rock and all other materials commonly referred to in the Duval County, Florida area as masonry. Notwithstanding the foregoing, the ACC is empowered to waive this restriction if, in its sole discretion, such waiver is advisable in order to accommodate a unique or advanced building concept, design, or material, and the resulting structure will not detract from the general appearance of the neighborhood.

Section 12.16. Chimneys. All fireplace flues shall be completely enclosed and concealed from public view in finished chimneys of materials architecturally compatible with the principal finish material of the exterior walls of the dwelling or otherwise approved by the ACC.

Section 12.17. Clothes Hanging Devices. Clothes hanging devices exterior to a dwelling shall not exceed six (6) feet in height and shall not be placed nearer to any street abutting the Lot than the side yard setback line or the back of the Unit constructed on the Lot. Clothes hanging devices shall be screened from public view by a fence approved by the ACC. Such fence shall be erected by the Owner before any clothes hanging device is erected.

Mail boxes shall be erected and maintained upon areas determined by the U.S. Postal Service in accordance with the current postal authority standards and the approval of the ACC. If the U.S. Postal Service requires the use of "cluster" type mailboxes, they shall be located at sites approved by the Postal Service and the Declarant, and shall be maintained by the Association as part of the Common Property.

Section 12.21. Garages. An enclosed garage able to accommodate at least two (2) automobiles must be constructed and maintained for each residence. The openings of such garages must be situated within the setback lines set out herein. If the garage is detached from the house, it shall be located entirely in the rear yard area and not less than five (5) feet from any side or rear Lot line and in the case of corner Lots, not less than the distance required for dwellings from side streets. Garages may be used as the Declarant's or Builder's sales offices prior to permanent occupancy of the main structure, however, sales offices must be converted to garages prior to permanent occupancy. Detached garages may not exceed a height of eighteen feet (18') at the highest ridge point of the roof measured from the existing ground unless prior written approval is obtained from the Architectural Control Committee. With the exception of periods when garages are used by the Builder as sales offices, all garages shall be maintained for the storage of automobiles, and no garage may be enclosed or otherwise used for habitation.

Section 12.22. Roof. No exposed roof surfaces on any principal and/or secondary structures shall be of wood shingles or wood shakes unless rated by the State Insurance Board as meeting fire retardant standards. The Architectural Control Committee shall have the authority to approve roof treatments and materials when in its determination such treatments and materials, in the form utilized will not be a detriment to the quality of the neighborhood.

Section 12.23. Setback Lines. All buildings or other structures (except fences), permanent or temporary, habitable or uninhabitable, must be constructed, placed and maintained in conformity with setback lines imposed herein. In no event shall any such building or other structure be constructed, placed or maintained within 5 feet of the side boundary of a Lot (except for Lots bordering a side street, in which case the side street setback line shall be 10 feet) or within

10 feet of the rear boundary of a Lot. Front setback lines for one story homes are hereby established at 20 feet, and for two story homes at 20 feet. Detached garages and temporary structures shall be located entirely in the rear yard area and not less than 5 feet from any side or rear Lot line and in the case of corner Lots, not less than the distance required for dwellings from side streets. The eaves, steps and porches of buildings shall not be deemed to be a part of a building or structure for the purpose of this covenant. Notwithstanding the foregoing, the ACC shall have the right and authority to approve variances from the setback requirements for reasonable cause or to alleviate a hardship.

Section 12.24. Athletic and Recreational Facilities. Outdoor athletic and recreational facilities such as basketball goals, swing sets and sport courts of either a permanent or temporary nature shall not be placed on any Lot between the street right-of-way and the front of a Unit and must be approved by the Architectural Control Committee pursuant to Article 8. Tennis court lighting and fencing shall be allowed only with the approval of the ACC.

Section 12.25. Security. Neighborhood security patrols may be provided by independent contractors through the Association, from time to time; however the Association is not responsible for security of the neighborhood or any Unit and the Owners are exclusively responsible for security for their homes and property.

Section 12.26. Water and Sewage Systems. No individual water supply system or sewage disposal system shall be permitted on any Lot, including but not limited to water wells, cesspools or septic tanks.

Section 12.27. Exterior Holiday Decorations. All lights and decorations that are not permanent fixtures of the Unit which are part of the original construction or have been properly approved as permanent improvements by the ACC shall be removed within thirty (30) days after the holiday has ended. Christmas decorations or lights may not be displayed prior to November 15th of any year. For other holidays, decorations or lights may not be displayed more than two (2) weeks in advance of the holiday. The Association shall have the right, upon thirty (30) days prior written notice to enter upon any Lot and summarily remove exterior lights or decorations

displayed in violation of this provision. The Association, and the individuals removing the lights and decorations, shall not be liable to the Owner for trespass, conversion or damages of any kind except intentional misdeeds and gross negligence.

Section 12.28. Solar Energy Devices. No Owner may erect or maintain solar collector panels or other solar energy devices or equipment upon any Lot unless such apparatus is erected and maintained in such a way that it is screened from public view at a point in the center of the public street right-of-way directly in front of the house erected on such Lot; and no such apparatus shall be erected without the prior written consent of the ACC.

ARTICLE 13

By acceptance of the deed to any Lot covered by this Declaration, the Owner covenants and agrees with the Owners of all other Lots within the subdivision, that no Owner or resident of any Lot shall engage in picketing, protest marches, sit-in demonstrations, protest speeches or other forms of public protest, including without limitation, displaying signs or placards within public view, upon any Lot or within any Common Area, easement or street adjacent to any Lot, or affixed to any vehicle or apparatus upon or adjacent to any Lot, street, easement or Common Area. This prohibition shall not affect the right of any person to participate in any other form of public protest conducted outside the area depicted on any recorded subdivision Plat. No Owner or resident of any Lot shall engage in conduct that tends to vilify, ridicule, denigrate, or impugn the character of any other Owner or resident if such conduct occurs on any Lot, Common Area, easement or street depicted on the subdivision Plat. Each Owner, by acceptance of the deed to any Lot, shall be deemed to have accepted the foregoing prohibitions as reasonable limitations on his or her constitutional right of free speech and to recognize and agree that all Owners have the right to the peaceful enjoyment of their property; the right of privacy; the right to practice their own religion; the freedom of association; the right to engage in a profession, business or life-style of their own choosing provided that the conduct of such profession, business or life-style is not illegal and does not otherwise violate any provision of this Declaration.

Section 15.4. Damage and Destruction.

15.4.1. Immediately after damage or destruction by fire or other casualty to all or any part of the Common Property covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Property to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

15.4.2. In the event of damage or casualty loss to the improvements, if any, erected on the Common Property, which in the opinion of the Board of Directors, should not be repaired or reconstructed, the Board shall deliver written notice thereof to each Member stating (1) the amount of the insurance proceeds to be paid to the Association by the insurer as a result of the loss; (2) the estimated cost of repair or reconstruction; and (3) a request that each Member deliver a written response voting for or against repair or reconstruction within 30 days after receiving the Board's notice. Such notice shall be sent to each Member within 60 days after the Board has received the settlement offer of the insurer and the estimated cost of repair or reconstruction from a qualified contractor. The Association shall make the repairs or reconstruct the improvements unless at least 75% of the Members of each class of membership vote not to do so. No Eligible Holder shall have the right to participate in the determination of whether the damage or destruction to the Common Area shall be repaired or reconstructed; provided, however, this provision shall not apply to construction Mortgagees, if any, providing construction financing for such damaged Common Property.

15.4.3. In the event that it should be determined in the manner described above that the damage or destruction to the Common Area shall not be repaired or reconstructed and no alternative improvements are authorized by the Members, then and in that event the affected portion of the Common Property shall be restored to its natural state and maintained by the Association in a neat and attractive condition.

Section 15.5. Disbursement of Proceeds. If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs

or reconstruction. Any proceeds remaining after defraying such costs of repair or reconstruction to the Common Property shall be retained by and for the benefit of the Association and placed in a capital improvements account. In the event no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner or Owners and their Eligible Holders as their interests may appear, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of any Eligible Holder of a Unit and may be enforced by such Mortgagee.

Section 15.6. Repair and Reconstruction. If the damage or destruction to the Common Area for which insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the Members, levy a Special Assessment against all Owners on the same basis as provided for Annual Assessments. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

ARTICLE 16

GENERAL PROVISIONS

Section 16.1. Duration. The covenants, conditions and restrictions of this Declaration shall run with and bind the Property, and shall inure to the benefit of and be enforceable by the Association, the Declarant and any Owner, their respective legal representatives, heirs, successors, and assigns, for a period of thirty (30) years from the date this Declaration is recorded. Said certificate shall be recorded in the Public Records of Duval County, Florida, and may be relied upon for the correctness of the facts contained therein as they relate to the termination of this Declaration. The notice shall state the purpose of the meeting or proposed written approval and shall contain a summary of any Material Amendment or Extraordinary Action to be considered. The notice shall also contain a copy of a proxy that can be cast in lieu of attendance at the meeting. If the Association has, or is planned to have, 250 Members or less - the quorum for any such meeting shall be no less than 20% of the total number of votes. If the Association has, or is planned to have,

more than 250 Members but less than 1000 Members - the quorum for any such meeting shall be no less than 10% of the total number of votes. 16.2.4. Approval Required for Material Amendment or Extraordinary Action. Material Amendments and Extraordinary Actions may be approved by the Members, after receipt of notice as set forth above, either (1) by the affirmative vote of at least 67% of the Class A Members (i.e. all Members except the Declarant and any Builder who retain Class B or Class C status) who are present, in person or by proxy, and voting at the meeting called as described in the notice at which a quorum is present, and the vote of the Declarant, or (2) by the written consent of at least 67% of all Class A Members and the Declarant (if the Declarant then retains Class B status) to any action taken in lieu of a meeting.

16.2.5. Additional Approval Requirements. In addition to the approval of the Members and the Declarant set forth above, the following conditions shall apply:

a. Any Material Amendment or Extraordinary Action that changes the rights of any specific class of Members (i.e. Class A; Class B; or Class C) must also be approved either (1) by the affirmative vote of at least 51% of the Members of such Class who are present, in person or by proxy, and voting at a meeting called as described in the required notice at which a quorum of such Class of Members is present, or (2) by the written consent of at least 51% of all Members of such Class to any action taken in lieu of a meeting.

b. Any Material Amendment or Extraordinary Action proposed during the period in which the Declarant retains its Class B status must also be approved by the Federal Housing Administration ("FHA"), and the Department of Veterans Affairs ("VA") if any Unit within the Property has been financed by a mortgage insured by FHA or guaranteed by VA. The Association shall deliver written notice of the proposed Material Amendment or Extraordinary Action to the FHA and VA simultaneously with its notice to the Members. If the FHA or VA fails

to deliver written notice to the Association of its objection to the proposed Material Amendment or Extraordinary Action within 30 days after receipt of the notice, FHA and VA will be deemed to have approved the matters contained in the notice, and the Association shall be entitled to record an affidavit signed by an authorized officer averring that written notice was delivered to the FHA and VA and no objection was timely received from such agencies.

16.2.6. Notice of Material Amendment or Extraordinary Action. Upon approval of a Material Amendment or Extraordinary Action, the Association shall record appropriate written notice thereof in the Public Records of Duval County, Florida, and take all such further action as may be prudent or necessary to implement and carry out the Material Amendment or Extraordinary Action.

Section 16.3. Non-Material Amendments. The Association may amend this Declaration in regard to all matters, except those identified in Section 16.2 as "Material Amendments", in the following manner.

16.3.1. Amendments by Members - Notice Required for Non-Material Amendment. Written notice of any Non-Material Amendment proposed by the Board of Directors of the Association shall be delivered to each Member at least 30 days in advance of (1) any meeting at which such matter is to be discussed or (2) any action which is to be taken by written approval of the Members in lieu of a meeting. The notice shall state the purpose of the meeting or proposed written approval and shall contain a summary of any Non-Material Amendment to be considered. The notice shall also contain a copy of a proxy that can be cast in lieu of attendance at the meeting. If the Neighborhood Association has, or is planned to have, 250 Members or less - the quorum for any such meeting shall be no less than 20% of the total number of votes. If the Association has, or is planned to have, more than 250 Members but less than 1000 Members - the quorum for any such meeting shall be no less than 10% of the total number of votes. If the Association has, or is planned to have, more than 1000 Members - the quorum for any such meeting shall be no less than 5% of the total number of votes. The foregoing requirements are minimum requirements, however, more stringent requirements imposed elsewhere in this Declaration, or pursuant to applicable laws or regulations shall supersede the requirements contained in this Section and the Association shall be bound by such more restrictive requirements as if fully reproduced herein.

16.3.2. Approval Required for Non-Material Amendment by Members.

Non-Material Amendments proposed by the Board of Directors pursuant to Subsection 16.3.1 may be approved by the Members, after receipt of notice as set forth above, either (1) by the affirmative vote of at least 51% of the Class A Members (i.e. all Members except the Declarant and any Builder who retain Class B or Class C status) who are present, in person or by proxy, and voting at the meeting called as described in the notice at which a quorum is present, and the vote of the Declarant, or (2) by the written consent of at least 51% of all Class A Members and the Declarant (if the Declarant then retains Class B status) to any action taken in lieu of a meeting.

16.3.3. Amendments by Declarant Without Consent by Members.

During the period in which the Declarant retains the status of the Class "B" Member, Declarant shall have the right to amend this Declaration, without the necessity of consent or joinder by Owners or any other persons or entities, to make nonsubstantial changes that do not materially or adversely affect the interests of other Owners or other affected parties, and to clarify any ambiguities or conflicts, or correct any scrivener's errors in this Declaration. No approval by the Association or by any Member shall be required for Declarant to amend this Declaration pursuant to this Subsection 16.3.3.

16.3.4. Notice of Non-Material Amendment.

Upon approval of a Non-Material Amendment by the Members pursuant to Subsection 16.3.2, or delivery of notice of amendment by Declarant pursuant to Subsection 16.3.3, the Association shall record appropriate written notice thereof in the Public Records of Duval County, Florida, and take all such further action as may be prudent or necessary to implement and carry out the Non-Material Amendment.

Section 16.4. Assignment of Rights and Duties.

Any and all of the rights, powers and reservations of the Association and Declarant may be assigned to any person, corporation or association which will assume the duties of the Association or Declarant pertaining to the particular rights, powers and reservations assigned. Upon such assignee evidencing its consent in writing to accept such assignment and assume such duties, he or it shall to the extent of such assignment have the same rights and powers and be subject to the same obligations and duties as are herein given to and assumed by the Association or Declarant. Further, the Association or Declarant may from time to time delegate any and all of its rights, powers, discretion and duties hereunder to such agent or agents as it may nominate.

Section 16.5. Municipal Service Taxing Units. In order to perform the services contemplated by this Declaration, the Association or Declarant, in conjunction with Duval County, Florida, may seek the formation of special purpose municipal service taxing units ("MSTUs"). The MSTUs will have responsibilities defined in their enabling resolutions which may include, but are not limited to, maintaining roadway informational signs, traffic control signs, benches, trash receptacles and other street furniture, keeping all public roadways and roadside pedestrian easements clean of windblown trash and debris, mowing, payment of electrical charges, maintenance of drainage canals, ponds and structures, maintenance of designated landscape areas, payment of energy charges for street and pedestrian lighting, and other services benefitting the Property. In the event such MSTUs are formed, the Property will be subject to assessment for the cost of services performed within the MSTU and personnel working for or under contract with Duval County shall have the right to enter upon lands within the Property to affect the services contemplated. Each Owner by acquiring lands within the Property agrees to pay each and every MSTU assessment imposed upon the Owner's land in a timely manner, failing which such assessments and special charges shall be a lien upon those lands. The Association retains the right to contract with Duval County to provide the services funded by the MSTUs. Services performed by an MSTU that would otherwise be performed by the Association and for which the MSTU imposes assessments on the Owners shall be removed from the Association's budget and the Board shall reduce the Annual Maintenance Assessment accordingly.

Section 16.6. Severability. Should any covenant, condition or restriction herein contained, or any Article, Section, subsection, sentence, clause, phrase or term of this Declaration be declared to be void, invalid, illegal, or unenforceable, for any reason, by the adjudication of any court or other tribunal having jurisdiction over the parties hereto and the subject matter hereof, such judgment shall in no way affect the other provisions hereof which are hereby declared to be severable and which shall remain in full force and effect.

Section 16.7. Interpretation. The Board shall have the right except as limited by any other provisions of this Declaration or the Bylaws to determine all questions arising in connection with this Declaration and to construe and interpret its provisions, and its good faith, determination, construction or interpretation shall be final and binding. In all cases, the provisions of this

Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the maintenance of Common Areas and the facilities located thereon.

Section 16.8. Disposition of Common Property on Termination of Declaration.

Should the Members of the Association vote not to renew and extend this Declaration as provided for herein, all Common Property owned by the Association at such time shall be transferred to another association or appropriate public agency having similar purposes. If no other association or agency will accept such property then it will be conveyed to a Trustee appointed by the Circuit Court of Duval County, Florida, which Trustee shall sell the Common Property free and clear of the limitations imposed hereby upon terms established by the Circuit Court of Duval County, Florida. That portion of the Common Property consisting of the Surface Water and Storm Water Management System cannot be altered, changed or sold separate from the lands it serves except that Declarant shall be obligated to and shall convey that portion of the Common Property consisting of the Surface Water and Storm Water Management System to the Association upon completion and approval of such system by all applicable governmental authorities. The proceeds of such a sale shall first be used for the payment of any debts or obligations constituting a lien on the Common Property, then for the payment of any obligations incurred by the Trustee in the operation, maintenance, repair and upkeep of the Common Property. The excess of proceeds, if any, from Common Property shall be distributed among Owners in a proportion which is equal to the proportionate share of such Owners in Common Expenses.

Section 16.9. Execution of Documents. The approved plan for the development of the Property may require from time to time the execution of certain documents required by governmental authorities. To the extent that said documents require the joinder of Owners, Declarant by its duly authorized officers may, as the agent or the attorney-in-fact for the Owners, execute, acknowledge and deliver such documents and the Owners, by virtue of their acceptance of deeds, irrevocably nominate, constitute and appoint Declarant, through its duly authorized officers, as their proper and legal attorneys-in-fact for such purpose. Said appointment is coupled with an interest and is therefore irrevocable. Any such documents executed pursuant to this Section shall recite that it is made pursuant to this Section.

Section 16.10. Indemnification. The Association shall indemnify every officer, director, and committee member against any and all expenses, including counsel fees, reasonably incurred

by or imposed upon such officer, director or committee member in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board) to which he or she may be a party by reason of being or having been an officer, director, or committee member. The officers, directors, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer, director, or committee member, or former officer, director, or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

Section 16.11. Prohibited Actions. Notwithstanding anything contained herein to the contrary, the Association will perform no act nor undertake any activity which will violate its not-for-profit status under applicable state or federal law.

Section 16.12. Singular, Plural and Gender. Whenever the context so permits, the use of the singular shall include the plural and the plural shall include the singular, and the use of any gender shall be deemed to include all genders.

Section 16.13. Construction. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the operation of the Property.

Section 16.14. Conflicts. In the event of conflict between the terms of this Declaration and any Bylaws, rules, regulations or Articles of Incorporation of the Association, this Declaration shall control.

Section 16.15. Partial Invalidity. The invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

ARTICLE 17

ENFORCEMENT

Section 17.1. Enforcement. Enforcement of these covenants, conditions and restrictions shall be in accordance with this Article 17 by any proceeding at law or in equity and may be instituted by Declarant, its successors or assigns, the Association, its successors or assigns, or any Owner against any person or persons violating or attempting to violate or circumvent any covenant, condition or restriction, either to restrain violation or to recover damages, and to enforce any lien created by these covenants; and failure by the Association or any Owner or Declarant, or their successors or assigns, to enforce any covenant, condition or restriction herein contained for any period of time shall in no event be deemed a waiver or estoppel of the right to enforce the same thereafter. Further, the Association shall have the right of self help to cure any violations that remain uncured after any required notice is given. If the Association elects to commence enforcement proceedings after delivery of notice thereof to any Owner in violation hereof, and incurs any expenses in the commencement of such proceedings, the Association shall prosecute such enforcement proceedings to conclusion notwithstanding subsequent voluntary compliance by the Owner until the Association shall have recovered its expenses from such Owner.

Section 17.2. Mediation and Arbitration of Disputes. Before commencing any other form of legal action to enforce the provisions of this Declaration, the party desiring enforcement shall first demand mediation by an independent third party professional mediator. If a settlement of the dispute is reached through voluntary mediation, a notice thereof shall be executed by the parties, and, if appropriate, shall be recorded in the real property records to place all successors and assigns of the Owner on notice of such settlement. If no settlement is achieved through voluntary mediation, either party shall have the right to initiate mandatory binding arbitration according to the rules of the American Arbitration Association. All persons owning any portion of any Lot, their family members and tenants, shall be deemed to have consented to mandatory binding arbitration of all disputes arising under this Declaration, and shall cooperate and

participate in such arbitration proceedings. The award of the arbitrator may be entered as an agreed judgment in any litigation or legal proceeding concerning the subject matter of the arbitration, and shall be enforceable in accordance with its terms. In any such arbitration proceedings, the arbitrator shall award recovery of the arbitration fees, attorneys' fees, expert witness fees, and other costs and expenses of such proceeding to the prevailing party.

The vote allocated to any Unit or Lot (including Units or Lots owned by the Declarant or a Builder) may not be divided or cast in any fraction, and the vote of each official representative shall be considered to represent the will of all the Owners of that Lot or Unit. AMENDMENTS

Section 8.1 Proposal. An amendment or amendments to these Articles of Incorporation may be proposed by the Board of Directors of the Association acting upon a vote of the majority of the Directors, or by a majority of the Members of the Association, whether meeting as Members or by instrument in writing signed by them. Upon any amendment or amendments to the Articles of Incorporation being proposed by the Board of Directors or Members, such proposed amendment or amendments shall be transmitted to the President of the Association, or the acting chief executive officer in his absence, and a meeting of the Members of the Association shall be called not later than sixty (60) days from the receipt by him of the proposed amendment or amendments.

Section 8.2. Notice. It shall be the duty of the Secretary to give each member written notice of such meeting, stating the proposed amendment or amendments in reasonably detailed form, which notice shall be prepared by and at the expense of the Homeowners Association and mailed by the Homeowners Association or presented personally to each Member not less than thirty (30) days nor more than sixty (60) days before the date set for the meeting. Any Member may, by written waiver of notice signed by such Member, waive such notice, and such waiver when filed in the records of the Homeowners Association, whether before, during or after the holding of the meeting, shall be deemed equivalent to the giving of such notice to such Member. The notice shall also contain a copy of a proxy that can be cast in lieu of attendance at the meeting. The quorum requirement for any such meeting shall be twenty percent (20%) of the total number of votes. The foregoing requirements are minimum requirements, however, more stringent requirements imposed elsewhere in the Declaration, or pursuant to applicable laws or regulations shall supersede the requirements contained in this Section and the Association shall be bound by such

more restrictive requirements as if fully reproduced herein.

Section 8.3 Resolution. At the meeting at which the amendment is to be proposed and considered, a resolution for the adoption of the proposed amendment may be made by any member of the Board of Directors of the Association, or by any Member of the Association, present in person or by proxy. The approval of a resolution or the adoption of a proposed amendment to these Articles of Incorporation shall require the affirmative vote of a majority of the members of the Board of Directors of the Association.

Section 8.4. Approval. Amendments may be approved by the Members, after receipt of notice as set forth above, by either (1) the affirmative vote of the Declarant and the affirmative vote of a simple majority of the Class A Members (i.e. all Members, except the Declarant and any Builder who retain Class B or Class C status) who are present, in person or by proxy, and voting at the meeting called as described in the notice at which a quorum is present, or (2) the written consent of a simple majority of all Class A Members and the Declarant (if the Declarant then retains Class B status) to any action taken in lieu of a meeting. In addition to the approval of the Members and the Declarant set forth above, the following shall apply:

a. Any Material Amendment or Extraordinary Action (as defined in the Declaration) that changes the rights of any specific class of Members (i.e. Class A; Class B; or Class C) must also be approved by either (1) the affirmative vote of a simple majority of the Members of such Class who are present, in person or by proxy, and voting at meetings called as described in the required notice at which a quorum of such Class of Members is present, or (2) the written consent of a simple majority of all Members of such Class to any action taken in lieu of a meeting.

b. Any Material Amendment or Extraordinary Action proposed during the period in which the Declarant retains its Class B status must also be approved by the Federal Housing Administration ("FHA"), and the Department of Veterans Affairs ("VA") if any Unit within the Property has been financed by a mortgagee insured by FHA or guaranteed by VA. The Association shall deliver written notice of the proposed Material Amendment or Extraordinary Action to the FHA and VA simultaneously with its notice to the Members. If the FHA or VA fails to deliver written notice to the Association of its objection to the proposed Material Amendment or

Extraordinary Action within 30 days after receipt of the notice, FHA and VA will be deemed to have approved the matters contained in the notice, and the Association shall be entitled to record an affidavit signed by an authorized officer averring that written notice was delivered to the FHA and VA and no objection was timely received from such agencies.

Notwithstanding the foregoing, during the period in which the Declarant retains the status of the Class "B" Member, the Declarant shall have the right to amend these Articles of Incorporation, without the necessity of joinder by the Members or any other persons or entities, to make nonsubstantial changes that do not materially or adversely affect the interests of other Members or other affected parties, and to clarify any ambiguities or conflicts, or correct any scriveners' errors in these Articles of Incorporation.

Section 8.5 Limitation. No amendment shall make any changes in the qualification for membership nor in the voting rights or property rights of Members, nor any changes in the provisions of Article IV hereof, without approval of sixty-seven percent (67%) of the votes of each class of Members and the joinder of all Eligible Holders (as defined in the Declaration) of mortgages upon Units. No amendment shall be made that is in conflict with the Declaration, nor shall any amendment make any changes which would in any way affect any of the rights, privileges, powers or options herein provided in favor of or reserved to the Declarant, or the designated successor of the Declarant, unless the Declarant or such successor shall join in the execution of the amendment.

Section 8.6 Recording. Any amendment or amendments of these Articles of Incorporation shall be transcribed and certified in such form as may be necessary to file the same in the office of the Secretary of State of the State of Florida. **ARTICLE X
INDEMNIFICATION**

Section 10.1 Indemnity. The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he is or was a Director, employee, officer or agent of the Association, against expenses (including attorneys fees and appellate attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceedings, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceedings, has no reasonable cause to believe his conduct was unlawful, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for gross negligence or misfeasance or malfeasance in the performance of his duty to the Association, unless and only to the extent that the Court in which such action or suit was brought shall determine upon application that despite the adjudication of liability, but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such Court shall deem proper. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

Section 10.2 Expenses. To the extent that a Director, officer, employee or agent of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 10.1 above, or in defense of any action, suit or proceeding referred to in Section 10.1 above, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees and appellate attorneys' fees) actually and reasonably incurred by him in connection therewith.

Section 10.3 Approval. Any indemnification under Section 10.1 above (unless ordered by a Court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Directors, officers, employees or agent is proper under the circumstances because he has met the applicable standard of conduct set forth in Section 10.1 above. Such determination shall be made (a) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding, or (b) if such quorum is not obtainable, or, even if obtainable, if a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion, or by a majority of the Members.

Section 10.4 Advances. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition or such action, suit or proceeding as authorized by the Board of Directors in any specific case upon receipt of an undertaking by or on behalf of the affected Director, officer, employee or agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association as authorized in this Article X.

Section 10.5 Miscellaneous. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any Bylaw, agreement, vote of Members or otherwise, and shall continue as to a person who has ceased to be a Director, officer, employee or agent and shall inure to the benefit of the heirs and personal representatives of such person.

Section 10.6 Insurance. The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a Director, officer, employee or agent of the Association, as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Article.

ARTICLE XI

BYLAWS

The first Bylaws of the Association will be adopted by the Directors named herein, and may be altered, amended, or rescinded in the manner provided by said Bylaws. Any Bylaws adopted by the Board of Directors shall be consistent with these Articles.

ARTICLE XII

**TRANSACTIONS IN WHICH DIRECTORS OR OFFICERS
ARE INTERESTED**

Section 12.1 No contract or transaction between the Association and one or more of its Directors or officers, or between the Association and any other corporation, partnership, or Association, or other organization in which one or more of its Directors or officers are Directors or officers have a financial interest, shall be invalid, void or voidable solely for this reason, or solely because the Director or officer is present at or participates in the meeting of the Board or committee thereof which authorized the contract or transaction, or solely because his or their votes are counted for such purpose. No Director or officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

Section 12.2 Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction.

Section 2. Bylaws Applicability. The provisions of these Bylaws are applicable to the Association created pursuant to the Declaration of Covenants, Conditions and Restrictions for Cherrywood recorded in the Public Records of Duval County, Florida (herein referred to as the "Declaration"). All capitalized words or phrases used herein shall have the meanings herein ascribed, and if not defined in this instrument, such capitalized words or phrases shall have the meanings given in the Declaration or Articles of Incorporation of the Association.

Section 3. Personal Application. All present and future Owners of Lots or Units within Cherrywood (as defined in the Articles of Incorporation and Declaration of the Association) and their tenants, guests and invitees are subject to the regulations set forth in these Bylaws.

The recording of a declaration authorizing the creation of a homeowners association and the mere acquisition of a Lot or acquisition or rental of any Unit or the mere act of occupancy of any Unit signify that these Bylaws are accepted, ratified, and will be complied with.

ARTICLE II

MEMBERSHIP, VOTING RIGHTS, MAJORITY
OF QUORUM, QUORUM, PROXIES

Section 1. Membership. Every Owner of a Unit or Lot, and every Builder owning any Unit or Lot, by virtue of the ownership of such Unit or Lot, and the Declarant and its successors and assigns, shall be Members of the Association, and by acceptance of a deed or other instrument evidencing an ownership interest, each Owner, Builder and Declarant accepts membership in the Association, acknowledges the authority of the Association as herein stated, and agrees to abide by and be bound by the provisions of the Declaration, the Articles of Incorporation, these Bylaws and other rules and regulations of the Association. The term "Member" shall include each person or entity owning any right, title or interest in any Unit or Lot, except persons or entities holding mortgages or other security or trust interests unless such persons or entities also have the right of possession. Tenants or others occupying any Unit who do not have an ownership interest therein shall not be Members for the purposes of these Bylaws. Membership in the Association is appurtenant to, and may not be severed from, the Unit or Lot. The rights and obligations of a Member may not be assigned or delegated except as provided in the Declaration, the Articles of Incorporation or these Bylaws of the Association, and shall automatically pass to the successor-in-interest of any Owner upon conveyance of such Owner's interest in the Lot or Unit. Members shall be responsible for compliance with the terms and conditions of the Declaration, the Articles of Incorporation and these Bylaws, and rules and regulations of the Association by all occupants, tenants, guests, invitees and family members while residing in or visiting any Unit, Common Property or other portion of the Property.

Section 2. Voting Rights.

2.1. Members of the Association shall be allocated votes as follows:

Class A. Class A Members shall be all Owners with the exception of the Declarant and any Builders. Each Class "A" Member shall be entitled to one vote for each Lot or Unit owned.

Class B. The Class B Member shall be the Declarant, or its specifically designated (in writing) successor(s). The Class B Member shall be allocated three (3) votes for each Lot or Unit owned by it within the Property which is subject to assessment by this

Association; provided, that the Class B membership shall cease and become converted to Class A membership as set forth in Section 4. Upon conversion to Class A membership, the Declarant shall have one vote for each Unit or Lot owned by it within the Property so long as said Unit or Lot is subject to assessment by the Association.

Class C. All Builders, as defined herein, shall be Class C Members. Class C Members shall have one (1) vote for each Lot or Unit they own in the Property. Class C membership shall cease and be converted to Class A status at the same time Declarant's Class B status converts to Class A.

2.2. When any Unit or Lot is owned of record in the name of two or more persons or entities, whether fiduciaries, joint tenants, tenants in common, tenants in partnership, or in any other manner of joint or common ownership, or if two or more persons or entities have the same fiduciary relationship respecting the same property, then unless the instrument or order appointing them or creating the tenancy otherwise directs and it or a copy thereof is filed with the secretary of the Association, such Owner shall select one official representative to qualify for voting in the Association and shall notify in writing the Secretary of the Association of the name of such individual. The vote allocated to any Unit or Lot (including Units or Lots owned by the Declarant or a Builder) may not be divided or cast in any fraction, and the vote of each official representative shall be considered to represent the will of all the Owners of that Lot or Unit. If the Owners fail to designate their official representative, then the Association may accept the person asserting the right to vote as the voting Owner until notified to the contrary by the other Owner(s). Upon such notification no affected Owner may vote until the Owner(s) appoint their official representative pursuant to this paragraph.

Section 3. Change of Membership.

3.1. Change of membership in the Association shall be established by recording in the Public Records of Duval County, Florida, a deed or other instrument conveying record fee title to any Lot or Unit, and by the delivery to the Association, of a copy of such recorded instrument. The Owner designated by such instrument shall, by acceptance of such instrument, become a Member of the Association, and the membership of the prior Owner shall be terminated. In the event that a copy of said instrument is not delivered to the Association, said Owner shall become a Member, but shall not be entitled to voting privileges until delivery of a copy of the conveyance instrument to the Association. The foregoing shall not, however, limit the Association's powers or privileges

and the new Owner shall be liable for accrued and unpaid fees and assessments attributable to the Lot or Unit acquired.

3.2. The interest, if any, of a Member in the funds and assets of the Association shall not be assigned, hypothecated or transferred in any manner except as an appurtenance to the Owner's real property. Membership in the Association by all Owners shall be compulsory and shall continue, as to each Owner, until such time as such Owner of record transfers or conveys his interest in the real property upon which his membership is based or until said interest is transferred or conveyed by operation of law, at which time the membership shall automatically be conferred upon the transferee. Membership shall be appurtenant to, run with, and shall not be separated from the real property interest upon which membership is based.

Section 4. Class B Membership Status.

4.1. Such proposed amendment or amendments shall be transmitted to the President of the Association, or the acting chief executive officer in the absence of the President, who shall thereupon call a Special Meeting of the Members of the Association not later than sixty (60) days from the receipt by him of the proposed amendment or amendments.

If mailed, such notice shall be deemed to be properly given when deposited in the United States mail, addressed to the Member at his post office address as it appears on the records of the Association, with postage thereupon prepaid. Any Member may, by written waiver of notice signed by such Member, waive such notice, and such waiver when filed in the records of the Association, whether before, during or after the holding of the meeting, shall be deemed equivalent to the giving of such notice to such Member. The notice shall also contain a copy of a proxy that can be cast in lieu of attendance at the meeting.

Any Material Amendment or Extraordinary Action proposed during the period in which the Declarant retains its Class B status must also be approved by the Federal Housing Administration ("FHA"), and the Department of Veterans Affairs ("VA") if any Unit within the Property has been financed by a mortgage insured by FHA or guaranteed by VA. The Association shall deliver written notice of the proposed Material Amendment or Extraordinary Action to the FHA and VA simultaneously with its notice to the Members. If the FHA or VA fails to deliver written notice to the Association of its objection to the proposed Material Amendment or Extraordinary Action within 30 days after receipt of the notice, FHA and VA will be deemed to have approved the matters contained in the notice, and the Association shall be entitled to record an affidavit signed by an authorized officer averring that written notice was delivered to the FHA and VA and no objection was timely received from such agencies.

Notwithstanding the foregoing, during the period in which the Declarant retains the status of the Class "B" Member, the Declarant shall have the right to amend these Bylaws, without the necessity of joinder by the Members or any other persons or entities, to make nonsubstantial changes that do not materially or adversely affect the interests of other Members or other affected parties, and to clarify any ambiguities or conflicts, or correct any scrivener's errors in these Articles of Incorporation.

Section 6. Recording. Such amendment or amendments of these Bylaws shall be transcribed and certified in such form as may be necessary to file the same in the office of the Association and shall be recorded in the Public Records of Duval County, Florida within thirty (30) days from the date on which the same is approved.
