Except as the right is herein reserved to Developer, neither a Unit Owner nor the Association shall make any alterations, Improvements or additions to Units, Common Elements, or Limited Common Elements except in compliance with the following conditions.

8.1 Developer's Right to Alter.

Until the control of the Association is transferred to the Unit Owners, the Developer shall have the right, without the vote or consent of the Association or Unit Owners, to (i) make alterations, additions or Improvements in, to and upon Units owned by the Developer, whether structural or non-structural, interior or exterior, ordinary or extraordinary; (ii) change the layout or number of rooms in any Developer-owned Units; (iii) change the size and/or number of Developer-owned Units by subdividing one or more Developer-owned Units into two or more separate Units, combining separate Developer-owned Units (including those resulting from such subdivision or otherwise) into one or more Units, or otherwise; and (iv) reapportion among the Developer-owned Units affected by such change in size or number pursuant to the preceding clause their appurtenant interest in the Common Elements a share of the Common Surplus and Common Expenses; provided, however, that the percentage interest in the Common Elements and share of the Common Surplus and Common Expenses of any Units (other than Developer-owned Units) shall not be changed by reasons thereof unless the Owners of such Units shall consent thereto and, provided further, that Developer shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction in so doing. In making the above alterations, additions and Improvements, the Developer may relocate and alter Common Elements adjacent to such Units, incorporate portions of such Common Elements into altered Units and/or create additional Common Elements from portions of altered Units, provided that such relocation and alteration does not materially or adversely affect the market value or ordinary use of Units owned by Unit Owners other than the Developer. Any amendments to this Declaration required by actions taken pursuant to this Article may be affected by the Developer alone. Without limiting the generality of Section 6.4 hereof, the provisions of this Section may not be added to, amended or deleted without the prior written consent of the Developer.

8.2 Unit Owner's Right to Alter.

No Unit Owner shall make any addition, alteration or Improvements in or to the Common Elements nor to his Unit or any Limited Common Element without the prior written consent of the Board. The Board shall have the obligation to answer any written request by a Unit Owner for approval of such an additional alteration or improvement in such Unit Owner's Unit or Limited Common Element within sixty (60) days after such request and all additional information requested is received, and the failure to do so within the stipulated time shall constitute the Board's consent. The proposed additions, alterations, and Improvements by the Unit Owners shall be made in compliance with all laws, rules, ordinances and regulations of all governmental authorities having jurisdiction, and with any conditions imposed by the Association with respect to design, structural

integrity, aesthetic appeal, construction details, lien protection or otherwise. The Board shall have the right, in its sole discretion, to consult with architects or engineers to review the proposed alterations or Improvements. The cost of such professional services shall be assessed to the Unit Owner making the request for such additions, alterations or Improvements. A Unit Owner making or causing to be made any such additions, alterations or Improvements agrees, and shall be deemed to have agreed, for such Owner, and his heirs, personal representatives, successors and assigns, as appropriate, to hold the Association and all other Unit Owners harmless from any liability or damage to the Condominium Property and expenses arising therefrom, and shall be solely responsible for the maintenance, repair and insurance thereof from and after that date of installation or construction thereof as may be required by the Association, subject to the Board's right to perform appropriate maintenance upon the failure of the Unit Owner to do so as provided in Section 7.6.

Provided, however, in the event that a Unit Owner owns more than one Unit, such Unit Owner shall have the right to divide or combine Units owned by such Unit Owner or Owners as long as the common interest appurtenant to such Units after division or combination shall equal in total the common interest applicable to the Unit or Units divided or combined prior to the division or combination. Any such division or combination shall require the written consent of the Board and shall be in compliance with all governmental laws, ordinances and regulations all as more fully set forth above. The division or combination shall become effective upon the recording of an amendment to this Declaration executed by the Owners of the Units divided or combined, together with the filing of floor plans of the Units as divided or combined.

In any litigation or other dispute related to or arising out of this Article, if the Association shall be the prevailing party, it shall be entitled to reimbursement of its costs incurred in said litigation or dispute, including, without limitation, reasonable attorneys' fees.

9. MANAGEMENT AGREEMENT.

9.1 Management Firm.

The Association, through its Board of Directors, may enter into a management agreement with a professional management firm ("Management Firm").

The Association may delegate to the Management Firm certain powers of the Association, not reserved to the Board of Directors under the provisions of the Condominium Act.

9.2 Duties of Management Firm.

Each Unit Owner, his or her heirs, successors, and assigns, shall be bound by the Management Agreement for the purposes therein expressed, including but not limited to:

- (a) Adopting, ratifying, confirming, and consenting to the execution of the Management Agreement by the Association.

- (b) Covenanting and promising to perform each and every of the covenants, promises, and undertakings to be performed by Unit Owners as provided in the Management Agreement.
- (c) Ratifying, confirming, and approving each and every provision of the Management Agreement, and acknowledging that all of the terms and provisions thereof are reasonable.
- (d) Agreeing that the persons acting as directors and officers of the Association entering into such an Agreement have not breached any of their duties or obligations to the Association.

9.3 Interested Directors.

It is specifically recognized that some or all of the persons comprising the original Board are or may be stockholders, officers and Directors of the Management Firm, and that such circumstances shall not and cannot be construed or considered as a breach of their duties and obligations to the Association, nor as possible grounds to invalidate such Management Agreement, in whole or in part.

10. INSURANCE.

Insurance shall be carried and kept in force at all times in accordance with the following provisions:

10.1 Duty and Authority to Obtain.

The Association shall obtain and keep in force at all times the insurance coverage which it is required hereby to carry and may obtain and keep in force all of such other or additional insurance coverage as it is authorized hereby to carry. All insurance obtained by the Association shall be purchased for the benefit of the Association and the Unit Owners and their mortgagees, and all policies of such insurance shall be deposited with and held by the Board of Directors of the Association or the "Insurance Trustee", (as herein identified, if an Insurance Trustee is appointed, at the sole and exclusive option of the Association acting through its Board of Directors); provided that a certificate evidencing a mortgagee endorsement shall be issued to the mortgagee of each Unit. The Unit Owners may, at their own expense, obtain insurance coverage against damage to and loss of the contents of the Unit, personal liability for injury to and death of persons and damage to and loss of personal property of others, and against additional living expenses. Provided, however, that each policy of such insurance purchased by a Unit Owner shall, where such provision is available, state that the insurer waives its right of subrogation as to any claim or claims against other Unit Owners, the Association, and their respective employees, agents, guests and invites.

10.2 Required Coverage.

The Association shall purchase and carry casualty insurance covering all of the Buildings and other Improvements, including personal property of the Condominium, including, without limitation, all "Building(s)" (as that term is defined in section 718.111(11)(b), Florida Statutes) Limited Common Elements and Common Elements, (which may be jointly referred to as "Insured Property") in an amount equal to the maximum insurance replacement value thereof, exclusive of excavation and foundation costs, as determined annually by the Board of Directors of the Association in accordance with reasonably acceptable appraisal practice; such insurance to include or afford protection against:

- (a) Loss or damage by fire or other hazards covered by the standard extended coverage and broad form and/or special form; and
- (b) Such other risks of a similar or dissimilar nature as are or shall be customarily covered with respect to Buildings and other Improvements similar, in construction, location and use, to the building and other Improvements of the Condominium, including without limitation, vandalism, malicious mischief, windstorm, and flood.
- (c) Comprehensive general liability insurance in the amount of \$1,000,000 for personal injury and \$500,000 for property damage and an umbrella policy of not less than \$2,000,000 for both, insuring the Association, the Board of Directors, the Management Firm, at the discretion of the Board of Directors, and each Unit Owner for claims arising out of or in connection with the ownership, operation or maintenance of any of the Condominium Property. This coverage shall exclude Unit Owner liability coverage for claims arising in connection with that portion of the property used and occupied exclusively by a particular Unit Owner. Such comprehensive general liability insurance shall also cover cross liability claims of one insured against the other and water damage and fire legal liability coverage. The Board of Directors shall review such limits once a year.
- (d) Workmen's compensation insurance to meet the requirements of law.
- (e) Loss or damage by flood, to the extent and limitations, if any, required or necessitated by law, including, without limitation, the Flood Disaster Protection Act of 1973, or any similar law or regulation.
- (f) Director and officer liability coverage, and to the extent the duties and obligations of the Board are delegated for such delegates.

10.3 Optional Coverage.

The Association may purchase and carry other insurance coverage or obtain other endorsements including without limitation, products liability, agreed amount and inflation guard endorsements, construction code endorsements, steam boiler coverage and/or business interruption insurance as the Board, in its sole discretion, may determine from time to time to be in the best interests of the Association and Unit Owners, or as an Institutional Mortgagee may reasonably require while it holds a mortgage encumbering any Unit. Any waiver of subrogation contained in policies shall include waivers as to the Management Firm.

10.4 Premiums.

Premiums for all insurance obtained and purchased by the Association shall be paid by the Association. Except that in the event that the use of a Unit results in an increase of insurance premium due to the high risk resulting from the use, such Unit Owner shall pay the difference in the premium resulting from the high risk nature of the risk use of the Unit. The cost of insurance premiums, and other incidental expenses incurred by the Association in administering and carrying out the provisions of this Article, shall be assessed against and collected from Unit Owners as a common expenses and maintenance fee.

10.5 Additional Provisions.

Any policy obtained by the Association must provide for the following, if available:

- (a) Recognition of any Insurance Trust Agreements.
- (b) Waiver of the right of subrogation against Unit Owners individually.
- (c) The insurance will not be prejudiced by any act or neglect of individual Unit Owners which is not in the control of such Owners collectively.
- (d) The policy shall be primary in the event that the Unit Owner has other insurance covering the same loss.
- (e) The policy may not be canceled or substantially modified without at least sixty (60) days prior written notice to the Association and each holder of a first mortgage which is listed as a scheduled holder of a first mortgage in the insurance policy.

10.6 Assured.

All policies of insurance obtained and purchased by the Association shall be for the benefit of the Association, the Unit Owners and their mortgagees, as their interests may appear, and shall

provide that all proceeds covering casualty losses shall be paid to the "Insurance Trustee," or to its successor, and the proceeds from insurance against any casualty loss shall be held for the use of the Association, Unit Owners and their respective mortgagees, as their interests may appear, to be applied or distributed in the manner herein provided. The Association is hereby constituted and appointed agent for all Unit Owners, with authority to negotiate and settle the value and extent of any and all losses covered under any policy of casualty insurance, and the Association is granted full right and authority to execute, in favor of any insurer, a release of liability arising out of any occurrence covered by any policy or policies of casualty insurance and resulting in loss of or damage to insured property.

10.7 Insurer.

All persons beneficially interested in the insurance coverage obtained, purchased and maintained by the Association, including without limitation Unit Owner(s) and Mortgagees shall be bound by the Association's selection of its insurer(s) and the amount of insurance coverage carried and kept in force by the Association.

10.8 Insurance Trustee.

The Association shall have the right, but no obligation to designate an Insurance Trustee. If an Insurance Trustee is designated, all persons beneficially interested in such insurance coverage shall be bound by the Association's selection of the Insurance Trustee. If the Association fails or elects not to appoint such Insurance Trustee, the Board of Directors of the Association will perform all obligations hereinafter described and imposed upon the Insurance Trustee by this Declaration.

(a) Qualifications, Rights and Duties.

The Insurance Trustee shall be either a bank with trust powers, doing business in the State of Florida, the Board or an attorney who is a member of the Florida Bar. The Insurance Trustee, if a bank or attorney, shall not be liable for the payment of premiums, the renewal of any policy or policies of casualty insurance, the sufficiency of coverage, the form or content of policies, nor for the failure to collect any insurance proceeds. The duties of the Insurance Trustee, if a bank or attorney, shall be to hold such insurance policies as may be placed with it pursuant to Section 10.1 and to receive such proceeds of casualty insurance as are paid to hold the same in trust for the purposes herein stated, and for the benefit of the Association, Unit Owners and their respective mortgagees, to be disbursed as herein provided. The Association shall pay a reasonable fee to the Insurance Trustee, if a bank or attorney, for services rendered hereunder and shall pay such costs and expenses as the Insurance Trustee may incur in the performance of its duties hereunder. Such fees and costs to be assessed against and collected from Unit Owners as a Common Expense. The Insurance Trustee shall be liable only for its willful misconduct, bad faith or gross negligence, and then only for such money as may come into the possession of the Insurance Trustee. If and when the Insurance Trustee is required to distribute insurance proceeds to Unit Owners and their mortgagees, as their respective interests may appear, the Insurance Trustee, if a bank or attorney,

may rely upon a certificate of the President and Secretary of the Association, executed under oath and provided to the Insurance Trustee upon request to the Association, such certificate to certify the name or names of the owners of each Unit, the mortgagee(s) thereof, and the respective percentages of any distribution which is to be made to the Unit Owner(s) and mortgagee(s), as their respective interests may appear. If and when insurance proceeds are paid to the Insurance Trustee for any casualty loss, the holder(s) of any Mortgage or Mortgages encumbering a Unit shall not have the right to determine or participate in the determination of repair or replacement of any loss or damage, and shall not have the right to elect to apply insurance proceeds to the reduction of indebtedness secured by such Mortgage(s), unless the insurance proceeds represent a distribution to the Unit Owners and the mortgagee(s) thereof, after such insurance proceeds have been first applied to repair, replacement or reconstruction of any loss or damage, or unless such casualty insurance proceeds are authorized to be distributed to the Owner(s) of the Unit, and the mortgagee(s) thereof by reason of loss of or damage to personal property constituting a part of the Common Elements and as to which a determination is made not to repair, replace or restore such personal property.

10.9 Application of Insurance Proceeds.

The proceeds of casualty insurance paid to the Insurance Trustee by an insurer for loss or damage to real and/or personal property upon which the Association carries insurance, shall be applied and paid as follows:

(a) Common Elements Only.

The proceeds paid to the Insurance Trustee for loss of or damage to real property constituting Common Elements only shall be applied to the repair, replacement or reconstruction of such loss or damage. If such insurance proceeds exceed the cost of the repair, replacement or reconstruction of such Common Elements, the excess shall be paid by the Insurance Trustee to the owners of all Units, and their respective mortgagees, as their interests may appear, in shares or proportions equal to the undivided interest appurtenant to each Unit in the Common Elements. If the insurance proceeds shall be insufficient to pay the cost of the repair, replacement or reconstruction of such Common Elements, the Association shall deposit with the Insurance Trustee, from any Association Reserve Fund which may have been established, the difference between the total cost of repairing, replacing or reconstructing such loss or damage and the amount to the insurance proceeds. If no such Association Reserve Fund has been established, or if any such Association Reserve Fund has been established and is insufficient to pay the Insurance Trustee such difference, the Association shall assess the amount of the difference against, and collect it from, all Unit Owners, as a Common Expense.

(b) Units.

The proceeds paid to the Insurance Trustee for loss of or damage to any portion of the Building, to the extent it constitutes damage to Common Elements and one or more Units of the Condominium, shall be first applied to the repair, replacement or reconstruction of Common

Elements, then to the repair, replacement or reconstruction of any Unit or Units in the Building which has been destroyed or damaged. If such insurance proceeds exceed the cost of the repair, replacement or reconstruction of such Common Elements and Units, the excess shall be paid by the Insurance Trustee to the owners of the damaged or destroyed Units and their respective mortgagees, as their interest may appear, in shares or proportions equal to the undivided interest appurtenant to each such Unit in the Common Elements. If the insurance proceeds shall be sufficient to pay for the repair, replacement or reconstruction of the Common Elements but shall be insufficient to pay the cost of the repair, replacement or reconstruction of the damaged or destroyed Unit or Units in such building, the Association shall assess the amount of the difference against, and collect the same from, the owner(s) of the Unit(s) damaged or destroyed, in proportion that the amount of damage sustained to each such Unit bears to the total deficit, and deposit such sum with the Insurance Trustee to be applied by the Insurance Trustee toward the total cost of repairing, replacing or reconstructing all of such damaged or destroyed Common Elements and Units. If the insurance proceeds shall be insufficient to pay the cost of the repairs, replacements or reconstruction of the Common Elements and the damaged or destroyed Unit or Units in such building, the Association shall assess the amount of the difference against, and collect the same from all Unit Owners, the total cost of repairing or replacing the Common Elements as a common expense. The cost of repairing, replacing or reconstructing the Unit or Units destroyed or damaged shall be assessed by the Association against, and collected from, the owner(s) of such damaged or destroyed Units.

(c) Proceeds of Optional Property Coverage.

If any, proceeds from any damage occasioned solely to Units and/or certain portions of all of the contents thereof not included in Insured Property, as determined by the Association in its sole discretion, (collectively "Optional Property"), are collected by reason of optional insurance which the Association elects to carry thereon, such proceeds shall be held for the benefit of the Owners of the Units or other portions of the Optional Property damaged in proportion to the cost of repairing the damage suffered by each such affected Owner, which cost and allocation shall be determined in the sole discretion of the Association.

10.10 Deposits to Insurance Trustee After Damage.

Within sixty (60) days after a loss of or damage to Condominium Property covered by casualty insurance, the Association shall obtain estimates of the cost of repairing, replacing or restoring the same, including the cost of professional fees and any construction bond which the Board of Directors may require. If, from such estimates, it shall appear that the insurance proceeds payable for such loss or damage will be insufficient to pay the total costs thereof, the additional money required to pay the total cost thereof, whether it is to be paid by one or more Unit owners, shall be deposited with the Insurance Trustee not later than thirty (30) days for (i) the day on which the Insurance Trustee receives the insurance proceeds or (ii) the date of receipt of cost estimates for repair or replacement, whichever last occurs.

11. RECONSTRUCTION OR REPAIR AFTER CASUALTY.

Whether, and the manner in which, any or all of the Condominium Property which shall be damaged or destroyed by casualty shall be repaired, reconstruction or replaced shall be determined as follows:

11.1 Insured Property.

If the Insured Property shall be damaged or destroyed, repair or reconstruction thereof, or termination of the Condominium, shall be in accordance with the following:

(a) Total Destruction of the Insured Property.

If seventy-five (75%) or more of the Insured Property is destroyed or so damaged that no Units therein are habitable, the building and none of the Improvements comprising Common Elements thereof shall be reconstructed, and the Condominium shall be terminated unless the owners of Units to which seventy-five (75%) percent of the Common elements are appurtenant agree in writing, within sixty (60) days after the date of such destruction, to reconstruct the same and/or unless any policy or policies of casualty insurance covering the same shall require reconstruction thereunder, and in either case as long as the then applicable zoning and other regulatory laws and ordinances shall allow the same to be reconstructed.

(b) Partial Damage to Insured Property.

If less than seventy-five (75%) percent of the Insured Property is damaged or destroyed Common Elements and/or Units shall be repaired or reconstructed so that the Units and Common Elements shall be restored to substantially the same condition as existed prior to such damage or destruction, unless within sixty (60) days after the casualty it is determined by agreement in the manner elsewhere herein provided that the Condominium shall be terminated.

(c) Damage to Common Elements.

Damage or destroyed Improvements constituting part of the Common Elements and Limited Common Elements shall be repaired, reconstructed and/or replaced unless, in the event of total destruction of the Units, or, by agreement after partial destruction, the Condominium shall be terminated.

(d) Responsibility for Damage to Units Only.

If the damage or destruction shall be limited only to one or more Units for which the responsibility of maintenance and repair is that of the affected Unit Owners, then such Unit Owners shall be responsible for carrying out the repair or reconstruction thereof. In all other instances of

damage or destruction, the Association shall be responsible for carrying out the repair and reconstruction thereof.

11.2 Certificate.

The Insurance Trustee may rely upon a certificate executed by the President and Secretary of the Association to determine whether or not damaged or destroyed Condominium Property shall be repaired or reconstructed.

11.3 Plans and Specifications.

Repair or reconstruction of Condominium Property shall be substantially in accordance with the plans and specifications pursuant to which the same was originally constructed, provided that the Board may authorized reasonable variations from the original plans and specifications as may appear to them to be necessary or desirable.

11.4 Construction Funds.

All funds for the payment of repair and reconstruction costs, consisting of insurance proceeds and/or funds collected by the Association from Unit Owners, shall be disbursed toward payment of such costs in the following manner:

(a) Association.

If the total fund assessed against and collected from Unit owners by the Association for payment of repair and reconstruction costs is more than \$100,000.00, then all such sums shall be deposited by the Association with and disbursed by the Insurance Trustee. In all other cases the Association shall hold such sums so assessed and collected and shall disburse the same in payments of the costs of reconstructions and repair.

(b) Insurance Trustee.

The proceeds of insurance collected on account of a casualty, and the sums assessed against and collected from Unit Owners by the Association and deposited with the Insurance Trustee shall constitute a construction fund which shall be disbursed in payment of the costs of repair and reconstruction in the following manner:

(i) Unit Owner.

The portion of insurance proceeds representing damage for which the responsibility of repair and reconstruction is upon one or more, but less than all, Unit Owners shall be paid by the Insurance Trustee to the affected Unit Owners and, if any of such Units are mortgaged, to the affected Unit Owners and their mortgages jointly.

(ii) Association - Lesser Damage.

If the amount of the estimated costs of reconstruction and repair which is the responsibility of the Association is less than \$100,000.00, then the construction fund shall be disbursed in payment of such costs upon the order of the Association; provided, however, that upon request to the Insurance Trustee by a mortgagee which is a beneficiary of an insurance policy the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner hereafter provided for the reconstruction and repair of major damage.

(iii) Association - Lesser Damage.

If the amount of the estimated costs of reconstruction and repair which is the responsibility of the Association is less than \$100,000.00, then the construction fund shall be disbursed in payment of such costs upon the order of the Association; provided, however, that upon request to the Insurance Trustee by a mortgagee which is a beneficiary of an insurance policy the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner hereafter provided for the reconstruction and repair of major damage.

(iv) Association - Major Damage.

If the amount of the estimated costs of reconstruction and repair which is the responsibility of the Association is more than \$100,000.00, then the construction fund shall be disbursed by the Insurance Trustee in payment of such costs in the manner required by the Board and as approved by an architect, engineer, building contractor or other qualified person licensed to practice in Florida and employed by the Association to supervise the work.

(v) Surplus.

It shall be presumed that the first moneys disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in the construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund in the manner elsewhere herein stated; except, however, that the part of a distribution to a beneficial owner which is not in excess of assessments paid by such owner into the construction fund shall not be made payable to any mortgagee.

(vi) Certificate.

Notwithstanding the provisions herein, the Insurance Trustee, if a bank or attorney, shall not be required to determine whether or not sums paid by Unit Owners upon assessments shall be deposited by the Association with the Insurance Trustee, nor to determine whether the disbursements from the construction fund are to be upon the order of the Association or upon approval of an architect engineer, building contractor or other qualified person employed

by the Association to supervise the work or otherwise, nor whether a disbursement is to be made from the construction fund nor to determine whether surplus funds to be distributed are less than the assessments paid by owners. Instead, the Insurance Trustee may rely upon a certificate of the Association made by its President and Secretary as to any or all of such matters and stating that the sums to be paid are due and properly payable and stating the name of the payee and amount to be paid; provided that when a mortgagee is herein required to be named as payee or when the Association, or a mortgagee which is the beneficiary of an insurance policy the proceeds of which are included in the construction fund, so requires, the approval of an architect, engineer, building contractor or other qualified person employed by the Association to supervise the work named by the Association shall be first obtained by the Association.

12. ARCHITECTURAL APPROVAL PRIOR TO CONSTRUCTION OR ALTERATION.

12.1 Architectural Standards.

Except as provided herein, no Owner may make any encroachment onto the Common Elements or Limited Common Elements, or make any exterior change, alteration, or construction (including painting and landscaping), nor erect, place or post any object, sign, antenna, light, storm door or window, artificial vegetation, exterior sculpture, fountain, flag, or thing on the exterior of the Buildings, in any windows, on any Limited Common Elements, or any other Common Elements, without first obtaining the written approval of the Board of Directors. The standard for approval of such Improvements shall include, but not be limited to, aesthetic consideration, materials to be used, harmony with the external design of the existing Buildings and the location in relation to surrounding structures and topography. The provisions of this Article shall not apply to activities of the Developer in connection with the original construction of the Condominium and sale of Units. Applications for approval of any architectural modification shall be in writing and shall provide such information as the Board of Directors may reasonably require. The Board of Directors shall be the sole arbiter of such application and may withhold approval for any reason, including purely aesthetic considerations, and it shall be entitled to stop any construction which is not in conformance with approved plans. The Board of Directors may publish written architectural standards for exterior alterations or additions, and any request in substantial compliance therewith shall be approved; provided, however, each such requested change shall be in harmony with the external design of the existing Buildings and Units and the location in relation to surrounding structures and topography. The Board of Directors may allow such encroachments on the Common Elements and Limited Common Elements as it deems acceptable. In the event that the Board of Directors fails to approve or to disapprove such application within forty-five (45) days after the application has been made and all information the Board of Directors may reasonably require has been submitted, its approval will not be required the owner shall be deemed to have complied with this Article; provided, however, even if the requirements of this Article are satisfied, nothing herein shall authorize anyone to construct or maintain any structure or improvement that is otherwise in violation of the Declaration, the Bylaws, or the rules and regulations.

12.2 Condition of Approval.

As a condition of approval for a requested architectural change, modification, addition, or alteration, an Owner shall assume all responsibilities for maintenance, repair, replacement and insurance of such change, modification, addition, or alteration.

12.3 Limitation of Liability.

Review and approval of any application pursuant to this Article is made on the basis of aesthetic considerations only and neither the Developer nor the Board of Directors shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements. Neither the Developer, the Association, or the Board of Directors shall be held liable for any injury, damages or loss arising out of the manner or quality of approved construction or modifications to any Common Elements or Unit.

12.4 No Waiver of Future Approvals.

Each Owner acknowledges that the members of the Board of Directors will change from time to time and that interpretation, application and enforcement of the architectural standards may vary accordingly. The approval of the Board of Directors of any proposals, plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Board of Directors shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings, or matters whatever subsequently or additionally submitted for approval or consent.

12.5 Enforcement.

Any construction, alteration, or other work done in violation of this Article shall be deemed to be nonconforming. Any exterior change, alteration, or construction (including painting and landscaping) made by an Owner in violation of this Declaration shall be at such Owner's sole risk and expense. The Board may require that the Owner remove the change, alteration, or construction and restore the Condominium to its original condition, or it may require that the change, alteration or construction remain without reimbursement to the Owner for any expense incurred in making the change, alteration or construction. Should an Owner fail to remove and restore as required hereunder the Association shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as existed prior to the construction, alteration or other work.. All costs thereof, including reasonable attorney's fees, may be assessed against the Owner's Unit and collected as an assessment pursuant to this Declaration. In addition to the foregoing, the Board of Directors shall have the authority and standing, on behalf of the Association, to impose reasonable fines and to pursue all legal and equitable remedies available to enforce the provisions of this Article and its decisions.

13. USE RESTRICTIONS.

In order to provide for mutually beneficial occupancy of the Condominium Property and for the protection of the value of the Units, the use of the Condominium Property and Units shall be in accordance with the following provisions so long as the Property is subject to the Declaration:

13.1 General.

Each Owner shall be responsible for ensuring that the Owner's invitees, guests, and Occupants comply with all provisions of the Condominium Documents and the rules and regulations of the Association. Furthermore, each Owner and Occupant shall always observe and promote the cooperative purposes for which the Association was established. In addition to any rights the Association may have against the Owner's invitees, guests or Occupants, as a result of such Person's violation of the Condominium Documents, the Association may take action under this Declaration against the Owner as if the Owner committed the violation in conjunction with the Owner's invitees, guests or Occupants.

13.2 Subdivision of Units and outbuildings.

Except as provided in Section 14.2 hereof, no Unit may be subdivided into a smaller Unit. No structure of a temporary character, trailer, tent, shack, carport, garage, barn or other outbuilding shall be erected or used by any Owner on any portion of the Condominium, at any time, either temporarily or permanently, without the written consent of the Board.

13.3 Use of Units.

Units shall be used for commercial business and professional offices only. Residential use of a Unit shall be prohibited.

13.4 Prohibition of Waste.

No damage to or waste of the Common Elements or of a common service paid for as a Common Expense shall be permitted by any Owner. Each Owner shall indemnify and hold the Association and the other Owners harmless against all loss to the Association or other Owners resulting from any such damage or waste caused by such Owner, guests, invitees, or occupants of the Unit.

13.5 Parking.

The Board may, in its sole discretion, elect to assign parking spaces to individual Units. If a vehicle is parked in a fire lane, is blocking another vehicle or access to another Unit, is obstructing the flow of traffic, is parked on any landscaped area, is parked in a space which has been assigned

for use by another Unit, or creates a hazardous condition, no notice shall be required and the vehicle may be towed immediately. If a vehicle is towed in accordance with this provision, neither the Association nor any officer or agent of the Association shall be liable to any person for any claim of damage as a result of the towing activity. Notwithstanding anything to the contrary herein, the Board of Directors may elect to impose fines or use other available sanctions, rather than exercise its authority to tow.

13.6 Signs.

Except as may be required by legal proceedings, no signs, advertising posters or billboards of any kind shall be erected, placed, or permitted to remain on the Condominium Property without the prior written consent of the Board, except that one professional security sign not to exceed six (6) inches by six (6) inches in size may be displayed from within a Unit and one professionally lettered "For Rent" or "For Sale" sign not to exceed two (2') feet by two (2') feet in size may be displayed in connection with a Unit being offered for sale or for lease. All signs shall be in compliance with applicable sign ordinances and each Unit Owner is responsible for ensuring compliance with the sign ordinance with respect to any sign it places upon the Condominium Property. The Board shall have the right to erect reasonable and appropriate signs on behalf of the Association. Notwithstanding these restrictions, the Board shall have the right to enact reasonable rules and regulations governing the general placement of signs on the Condominium. The foregoing restrictions on signs shall not apply to signs erected by the Developer.

13.7 Rubbish, Trash, and Garbage.

All rubbish, trash, and garbage shall be regularly removed from each Unit and shall not be allowed to accumulate therein. No garbage or trash shall be placed on the Common Elements or Limited Common Elements, temporarily or otherwise, except as may be allowed by the Board of Directors.

13.8 Antennae.

No aerial, antennae, satellite dish or similar device shall be placed or erected upon any Unit without written consent of the Board.

13.9 Artificial Vegetation.

Each Unit owner shall be governed by and shall comply with the terms of the Declaration of Condominium, the Articles of Incorporation and Bylaws of the Association, and any and all regulations adopted pursuant thereto, as they may be amended from time to time. Failure of the Unit Owner to comply therewith shall entitle the Association or other Unit Owners to the following relief in addition to the remedies provided by the Condominium Act:

15.1 Negligence.

A Unit Owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his act, neglect or carelessness or by that of any member of his family or his or their guests, employees, agents, lessees or other invitee, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in fire insurance rates occasioned by use, misuse, occupancy or abandonment of a Unit or its appurtenances, or of the Common Elements.

15.2 Compliance.

In the event a Unit Owner or occupant fails to maintain a Unit or the Limited Common Elements appurtenant to the Unit, or fails to cause such Unit or Limited Common Elements to be maintained, or fails to observe and perform all applicable provisions of the Declaration, the Bylaws, the Articles of Incorporation of the Association, applicable rules and regulations, the Declaration of Covenants, or any other agreement, document or instrument affecting the Condominium Property or administered by the Association, in the manner required, the Association shall have the right to proceed in court of equity to require performance and/or compliance, to sue in a court of law for damages, to suspend voting right in Association matters or use rights, to assess the Unit Owner and the Unit for the sums necessary to do whatever work is required to put the Unit Owner or Unit in compliance and to collect such sums as Assessments and have a lien therefor as elsewhere provided. 15.4 No Waiver of Rights.

The failure of the Association, the Developer, or any Unit Owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration, the Articles of Incorporation and Bylaws of the Association, or the regulation adopted pursuant thereto, shall not constitute a waiver of the right to do so thereafter.

16. ASSESSMENTS: LIABILITY AND DETERMINATION.

To provide the funds necessary for proper operation and management of the Condominium, the Association has been granted the right to make, levy and collect assessments against all Unit Owners and Units. The following provisions shall govern the making, levying and collecting of such assessments and the payment of the costs and expenses of operating and managing the Condominium by the Association.

16.1 Liability for Assessments.

Assessments by the Association against each Unit Owner shall be computed by dividing the total budget for the Condominium by each Unit's fractional percentage of the total assessments as is set forth in the Schedule annexed hereto and made a part thereof as **Exhibit "D-2"**. The Condominium budget shall be established in accordance with the procedures more fully set forth in the Bylaws.

Should the Association become the owner of any Unit(s), the assessment which would otherwise be due and payable to the Association by the owner(s) of such Unit(s), reduced by an amount of income which may be derived from the leasing of such Unit(s) by the Association, shall be apportioned and the assessment therefor levied on prorated basis among the owners of all Units which are not owned by the Association, based upon their proportionated interests in the Common Elements exclusive of the interest therein appurtenant to any Unit or Units owned by the Association.

The owner(s) of each Unit shall be personally liable, jointly and severally, as the case may be, to the Association for the payment of all assessments, regular or special, fines on such delinquent assessments or installments thereof as above provided, and for all costs of collecting the assessments and interest thereon, including a reasonable attorney's fee, whether suit be brought or not, levied or otherwise coming due while such person(s) or entity own(s) a Unit.

No owner of a Unit may exempt himself from liability for any assessment levied against such owner and his Unit by waiver of the use or enjoyment of any of the Common Elements, or by abandonment of the Unit, or in any other manner.

16.2 Time for Payment.

Subject to the provisions of Section 17.6 of this Declaration, the assessment levied against the owner of each Unit shall be payable monthly on the first day of each month or in such other installments and at such other time as shall from time to time be fixed by the Board. Assessments shall commence on the date of conveyance of the first Unit to a purchaser other than Developer.

16.3 Annual Budget.

The Board shall establish an Annual Budget in advance for each fiscal year which shall estimate all expenses for the forthcoming fiscal year required for the proper operation, management and maintenance of the condominium, including, when deemed necessary or advisable by the Board, a reasonable allowance for contingencies and reserves. In addition, the Budget shall include a line item for assessments attributable to the Condominium Property that will become due to the Windsor Parke Owners Association, Inc. (the "Master Association") pursuant to the provisions of that certain Declaration of Covenants and Restrictions for Windsor Parke recorded in Official Records Volume 7479, page 1141, public records of Duval County, Florida. The Association will act as a collection agent for such assessments due to the Master Association and, provided the Association has received payment of assessments from the Unit Owner, shall remit the payments to the Master Association for such Unit Owner when due.

16.4 Reserve Fund.

The Board, in establishing each Annual Budget, shall include therein a sum to be collected and maintained as a reserve fund for the capital expenditures, deferred maintenance and replacement of Common Elements and personal property held for the joint use and benefit of the Unit Owners. The amount to be reserved shall be determined by the Board of Directors or as may be required under the provisions of the Condominium Act and may be deleted by a vote of the statutory requisite percentage of Unit Owners.

16.5 General Operating Reserve.

The Board, when establishing each Annual Budget, may, when deemed necessary or desirable, include therein a sum to be collected and maintained as a general operating reserve to provide a measure of financial stability during periods of special stress when such sums may be used to meet deficiencies from time to time existing as a result of delinquent payment of assessments by owners of Units, as a result of emergencies or for other reason placing financial stress upon the Association. The annual amount allocated to such operating reserve and collected therefor shall not exceed five percent (5%) of the current annual assessment levied against the owners of all Units. Upon accrual in the operating reserve of an amount equal to but not exceeding twenty-five percent (25%) of the current annual assessment, no further payments shall be collected from the Unit Owners as a contribution to such operating reserve, unless it shall be reduced below the twenty-five percent (25%) level, in which event, the annual assessment against each Unit Owner and/or Unit shall be increased to restore the operating reserve to an amount which will equal but not exceed twenty-five percent (25%) of the current annual amount of said assessment.

16.6 Basis of Assessment.

The annual assessment shall be levied annually by the Board of Directors commencing on January 1 of each calendar year. The Board of directors, by majority vote, shall fix the annual assessment in accordance with the provisions of this Section at a level as may be necessary or desirable to meet the functions and services of the Association, and any of the authorized functions of the Association undertaken by the Association, and the anticipated expenditures as reflected in the budget as established by the Board on an annual basis. If the Board of Directors shall determine that the functions and services of the Association or any of the authorized functions of the Association undertaken by the Association cannot be funded by the assessment established for the year, the Board may, by majority vote, levy a supplemental assessment. If in any year, the annual assessment as established by the Board of Directors is in excess of one hundred and fifteen percent (115%) of the prior year, ten percent (10%) of the Members other than the Developer may request a special meeting at which the annual assessment and the budget upon which it is based shall be reviewed. The board of Directors shall call the special meeting within thirty (30) days, upon not less than ten (10) days written notice to each Member. At the special meeting, the Members shall consider and enact an annual assessment. In determining whether annual assessments exceed one hundred and fifteen percent (115%) of annual assessments in prior years, any authorized provisions for reasonable reserves for repair or replacement of the Condominium Property, expenses of the Association which are not anticipated to be incurred on a regular or annual basis or which result from the initiation of new services pursuant to the authorized functions of the Association pursuant to the Articles or special assessments for Improvements and additions pursuant to Section 16.3 by the fractional share of the Common Expenses calculated as set forth in Section 4.1(a) and Exhibit "D-2" with the resulting amount constituting the Unit Assessment for that year.

16.7 Special Assessments for Improvements and Additions.

In addition to the regular annual assessment authorized by Section 15.6 hereof; the Board of Directors may levy special assessments for the following purposes:

- (a) construction or reconstruction, repair or replacement of capital Improvements upon the Condominium Property including the necessary fixtures, landscaping and personal property related thereto;
- (b) for additions to the Condominium Property;
- (c) to provide for the necessary facilities and equipment to offer the services authorized herein;
- (d) to repay any loan made to the Association to enable it to perform the duties and functions authorized herein whether such loan shall be made in the year of such assessment or any prior year;
- (e) against specified Units for the payments of fines or expenses incurred due to the failure of Owners to properly maintain their Units;
- (f) to provide funds needed to pay any Special Assessment charged by the Master Association.

Before being charged special assessments (except those described in subparagraphs (e) and (f) such special assessment must have received the consent of a majority of the votes of Members who are voting in person or by proxy at a meeting duly called for this purpose; provided, however, that there shall be no limitation upon a special assessment levied for the purpose of emergency repairs required as a result of storm, fire and natural disaster or other casualty loss or major rehabilitation or repair which may be necessary in the sole discretion of the Board of Directors, and such decision of the Board shall be sufficient to levy such an assessment. The proportion of each special assessment to be paid by the Members hereof shall be equal to their respective proportions of the regular annual assessments made for the year during which such special assessments are approved by the Members. The special assessments described in subparagraph (e) shall be approved by the majority of the Board after giving written notice to the Unit Owner of the basis of such special assessment and Board's intent to assess the Unit and the Unit Owner.

16.8 Use of Association Funds.

All money and assessments collected by the Association shall be treated as the separate property of the Association, and such moneys may be applied by the Association to the payment of any expense of operating and managing the Condominium, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles, and Bylaws. As the moneys for Assessments are paid to the Association by any Unit Owner, the same may be co-mingled with

moneys paid to the Association by the other owners of Units. Although all funds and other assets of the Association, and any increments thereto or profits derived therefrom, or from the leasing or use of Common Elements, including, without limitation, Common Surplus, shall be held for the benefit of the members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein except as an appurtenance to his or her Unit.

16.9 Delinquency or Default.

The payment of any assessment or installment thereof due to the Association shall be in default if not paid to the Association on or before the due date thereof. If any assessment or installment is not paid by the due date, the Owner and the Unit shall be assessed an automatic fine of fifteen dollars (\$15) if not paid within ten (10) days of the due date or a fine of twenty-five dollars (\$25) if not paid within thirty (30) days of the due date. In addition to those sums, assessments and installments thereof not paid within thirty (30) days from the date they are due shall bear interest at the highest lawful rate from the thirtieth (30th) day from due date until paid

17. ASSESSMENTS: LIEN AND ENFORCEMENT.

17.1 Lien for Assessment.

The Association is hereby granted a lien upon each Unit and its appurtenant undivided interest in Common Elements or Limited Common Elements subordinate to prior bona fide liens of record, which lien shall and does secure the moneys due for all: (1) assessments both monthly and special levied against the owner(s) of and each Unit, including maintenance, fees, and (2) fines, if any, which may become due on delinquent assessments owing to the Association, and (3) interest at a rate of 18% per annum on the unpaid assessments, and (4) costs and expenses, including a reasonable attorney's fee, filing fees and court costs which may be incurred by the Association in collecting and enforcing its lien upon the Unit and its appurtenances. The lien granted to the Association may be established and foreclosed in the Circuit Court in and for the County. Any such enforcement shall be in accordance with the requirements of the Act. The Association may also bring an action to recover a money judgment for the unpaid assessments without waiving any claim of lien as provided in the Act.

In any suit for the foreclosure of the lien, if permitted by law, the Association shall be entitled to rental from the owner of any Unit from the date on which the payment of any assessment or installment thereof became delinquent and shall be entitled to the appointment of a Receiver for the Unit. The rental required to be paid shall be equal to the rental charged on comparable types of Units in the County. If permitted by law, the lien of the Association shall also secure all advances for taxes, and payments on account of superior mortgages, liens or encumbrances made by the Association to preserve and protect its lien, together with interest at the highest rate permitted by law on all such advances made for such purpose.

17.2 Recording and Priority of Lien.

Except as otherwise provided herein, the lien of the Association shall be effective from and relate back (i) to the recording of this Declaration, or (ii) if the additional phase is added, to the date of recording of the amendment to the Declaration adding the Unit which is the subject of the lien, in the public records of the County. As to first mortgagees of record prior to the recording of this Declaration, the lien of the Association is effective from and after the recording in the public records of the County a claim of lien executed and acknowledged by an officer or authorized agent of the Association and stating the description of the Unit encumbered thereby, the name of the record owner, the name and address of the Association, the amount and the date when due. The claim of lien shall be effective for a period of one year from the date of its recording, unless within that one year period, an action to enforce the lien is commenced by the Association. In addition, the 1-year period shall automatically be extended for any length of time during which the Association is prevented from filing a foreclosure action by an automatic stay resulting from a bankruptcy petition filed by the Unit Owner or any other person claiming an interest in the Unit. The claim of lien shall secure all unpaid assessments which are due and which may accrue subsequent to the recording of the claim of lien and prior to the entry of a certificate of title, as well as interest and all reasonable costs and attorney's fees incurred by the association incident to the collection process. Upon payment in full, the person making the payment is entitled to a satisfaction of the lien. The lien of the Association shall be subordinate to the lien of any mortgage or any other lien recorded prior to the time of recording the Association's claim of lien, except that, if permitted by law, the lien of the Association for tax or special assessment advances made by the Association where any taxing authority having jurisdiction levies any tax or special assessment against the Condominium as an entirety instead of levying the same against each Unit and its appurtenant undivided interests in Common Elements, shall be prior to lien, right and dignity to the lien of all mortgages, liens and encumbrances, whether or not recorded prior to the Association's claim of lien therefor, and the Association's claim of lien for collection of such portion of any tax or special assessment shall specifically designate that the same secures an assessment levied pursuant to this Declaration.

17.3 Effect of Foreclosure or Judicial Sale.

In the event that any person, firm or corporation shall acquire title to any interest in a Unit and its appurtenant undivided interest in Common Elements by virtue of any foreclosure, deed in lieu of foreclosure, or judicial sale, the liability of such person, firm or corporation so acquiring title for unpaid assessments that became due and payable for the Unit and its appurtenant undivided interest in Common Elements prior to the date of acquisition of such title is limited to the lesser of: (I) the Unit's unpaid common expenses and regular periodic assessments which accrued or came due during the 6 months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or (ii) one percent of the original mortgage debt. The provisions of this paragraph shall not apply unless the first mortgagee joined the Association as a defendant in the foreclosure action. Joinder of the Association is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of process at a location which was known to or reasonably discoverable by the mortgagee. In the

event of the acquisition of title to a Unit by foreclosure, deed in lieu of foreclosure, or judicial sale, any assessment or assessments as to which the party so acquiring title shall not be liable shall be absorbed and paid by all owners of all Units as part of the Common Expense, although nothing herein contained shall be construed as releasing the party personally liable for such delinquent assessment from the payment thereof or the enforcement of collection of such payment by means other than foreclosure.

17.4 Effect of Voluntary Transfer.

When the owner of any Unit proposes to sell or mortgage the same in compliance with other provisions of this Declaration, the Association, upon written request of the Unit Owner, shall furnish to the proposed purchaser or mortgagee, a statement verifying the status of payment of any assessment which shall be due and payable to the Association by the owner of such Unit. Such statement shall be executed by any officer of the Association and any purchaser or mortgagee may rely upon such statement in concluding the proposed purchase or mortgage transaction, and the Association shall be bound by such statement.

In the event that a Unit is to be sold or mortgaged at the time when payment of any assessment against the owner of the Unit is due to the Association shall be in default (whether or not a claim of Lien has been recorded by the Association) then the proceeds of such sale or mortgage proceeds, as the case may be, shall be applied by the purchaser or mortgagee first to payment of any then delinquent assessment or installment thereof due to the Association before payment of the balance of such proceeds of sale or mortgage to the owner of the Unit responsible for payment of such delinquent assessment.

In any voluntary conveyance of a Unit, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor made prior to the time of such voluntary conveyance, without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee therefor.

17.5 No Election of Remedies.

Institution of a suit at law to attempt to effect collection of the payment of any delinquent assessment shall not be deemed to be an election by the Association which shall prevent it from thereafter seeking enforcement of the collection of any sums remaining owing to it by foreclosure, nor shall proceeding by foreclosure to attempt to effect such collection be deemed to be an election precluding the institution of suit at law to attempt to effect collection of any sum then remaining owing to it.

17.6 Developer's Liability for Assessment.

Developer hereby guarantees for a period of one year commencing at the closing of the first purchase and sale of a Unit, that the monthly assessment due and payable to the Owners Association

for Common Expense shall not exceed the amount set forth in the Estimating Operating Budget for this Condominium. In exchange for the guarantee of the assessment amount as aforesaid the Developer shall be relieved from any obligation to pay monthly assessments on the Units it owns during the period of the guarantee, provided, however, the Developer shall be obligated to pay any Common Expense incurred during the period of the guarantee which exceeds the amount produced by assessments required to be paid to the Association by other Unit Owners. After the expiration of the aforementioned period, including any extension thereof as permitted by this section, and for each Unit owned by the Developer and occupied by its employee, agent, lessee or guest, the Developer shall be assessed and pay the Owners Association the percentage of the Common Expenses per month allocable to the Units so owned by Developer.

17.7 Possession of Unit.

Any person who acquires an interest in a Unit, (except Institutional Mortgagees) through foreclosure of a first mortgage of record (or deed in lieu thereof) including, without limitation, persons acquiring title by operation of law, shall not be entitled to occupancy of the Unit nor enjoyment of the Common Elements, until such time as all unpaid assessments and other charges due and owing by the former Owner if any, have been paid.

18. REGISTRY OF OWNERS AND MORTGAGEES.

The Association shall at all times maintain a register of the names of the owners of all Units. Upon the transfer of title to any Unit, the transferee shall notify the Association in writing of his interest in such Unit together with recording information identifying the instrument by which such transferee acquired his interest in the Unit.

The owner of each Unit encumbered by a mortgage shall notify the Association of the name and address of the mortgagee, the amount of such mortgage, or mortgages, and the recording information identifying the same. The holder of any mortgage encumbering a Unit may notify the Association of any such mortgage(s), and upon receipt of such notice, the Association shall register in its records all pertinent information pertaining to the same.

19. TERMINATION.

The Condominium may be terminated in the following manner, in addition to the manner provided by the Condominium Act:

19.1 Destruction.

In the event it is determined, in the manner elsewhere herein provided, that the Improvements shall not be reconstructed because of total destruction or major damage, the condominium plan of ownership will be thereby terminated without agreement.

19.2 Agreement.

The Condominium may be terminated at any time by the approval in writing of all of the owners of the Condominium, and by all record owners of mortgages upon Units therein owned by Institutional Lenders and other mortgagees approved by the Association. If the termination of the condominium is proposed at a duly noticed meeting of the members of the Association, the notice of which meeting specifically includes a description of the proposed termination, and provided that at such meeting or within 30 days thereof, the approval of: (i) the owners seventy five percent of the Units (the "approving owners") and (ii) all of the record owners of mortgages upon Units within the Condominium that are owned by Institutional Lenders or other mortgagees approved by the Association is obtained, then the approving owners shall have an option to buy all of the Units owned by the owners other than the approving owners for the period ending on the sixtieth (60th) day from the date of such meeting. Such option shall be upon the following terms:

(a) Exercise of Option.

The option shall be exercised by delivering or mailing by certified mail to each of the record owners of the Units to be purchased an agreement to purchase signed by the record owners of Units who will participate in the purchase. Such agreement shall indicate which Units will be purchased by each participating owner and shall agree to purchase all of the Units owned by owners not approving the termination, but the agreement shall effect a separate contract between each seller and his or her purchaser.

(b) Price.

OF
WINDSOR PARKE PROFESSIONAL CENTRE

a Florida Corporation Not-For-Profit

1. IDENTITY.

1.1 **Applicability.** These are the Bylaws of WINDSOR PARKE PROFESSIONAL CENTRE OWNERS ASSOCIATION, INC., (the "Association"), a Florida corporation not for profit organized pursuant to the provisions of Chapters 617 and 718, Florida Statutes, as amended to the date of filing of the Articles of Incorporation. The purpose and object of the Association shall be to administer the operation and management of WINDSOR PARKE PROFESSIONAL CENTRE, A Condominium to be established in accordance with the Florida Condominium Act, Chapter 718, Florida Statutes ("Act"), upon certain real property in Duval County, Florida, as set forth in the Articles of Incorporation of the Association. The provisions of these Bylaws are applicable to the Condominium and are subject to the provisions of the Articles. All members of the Association, as defined in the Articles, and their invitees, including, without limitation, all present or future owners and tenants of Units in the Condominium and other persons using the Condominium or any of the facilities thereof in any manner, are subject to these Bylaws, the Articles and the Declaration.

1.2 **Office.** The office of the Association shall be at 546 Highway 98 East, Destin, Florida 32541, or at such other place as may be established by resolution of the Board of Directors.

1.3 **Fiscal Year.** The fiscal year of the Association shall be the first day of January through the last day of December.

1.4 **Seal.** The seal of the Association shall bear the name of WINDSOR PARKE PROFESSIONAL CENTRE OWNERS ASSOCIATION, INC., the word "Florida", the words "Corporation Not For Profit", and the year of incorporation.

2. MEMBERSHIP, VOTING, QUORUM, PROXIES.

2.1 **Membership.** The qualification of members of the Association (the "Members"), the manner of their admission to membership and termination of such membership, and voting by Members, shall be as set forth in Article IV of the Articles, the provisions of which are incorporated herein by reference.

2.2 **Quorum.** A quorum at meetings of Members shall consist of persons entitled to cast one-third of the votes of the membership entitled to vote upon any matter or matters arising at said meeting.

2.3 **Voting.**

(a) Each Unit shall be assigned the right to cast one vote at any meeting of Members.

(b) If a Unit is owned by one person, his right to vote shall be established by the record title to his Unit.

(c) If any Unit is owned by more than one person or a partnership, corporation, trust, or any other association or entity, the person entitled to cast the vote for the Unit shall be designated by a certificate signed by all of the record owners of the Unit or by the President, general partner or other chief executive officer of the respective entity and filed with the Secretary of the Association. Such certificates shall be valid until revoked or until superseded by a subsequent certificate or until ownership of the Unit is changed. A certificate designating the person entitled to cast the vote of a Unit may be revoked by any owner of that Unit. If such a certificate is not on file, the vote of such owners shall not be considered in determining the requirement for a quorum nor for any other purpose.

2.4 **Vote Required.** Except as otherwise required under the provisions of the Articles, these Bylaws or the Declaration, or where the same otherwise may be required by law, at any meeting of the general membership of the Association, duly called and at which a quorum is present, the acts approved by the affirmative vote of a majority of the votes present at such meeting shall be binding upon the Members.

2.5 **Proxies.** Except as specifically otherwise provided herein or in the Condominium Act, Unit owners may not vote by general proxy, but may vote by limited proxies substantially conforming to a limited proxy form adopted by the Division of Florida Land Sales, Mobile Homes and Condominiums (hereinafter referred to as the "Division"). Limited proxies and general proxies may be used to establish a quorum. Limited proxies shall be used for votes taken to waive or reduce reserves in accordance with § 718.112(f)(2) for votes taken to waive financial requirements as provided by § 718.111(14); for votes taken to amend the declaration pursuant to § 718.110; for votes taken to amend the articles of incorporation or bylaws; and for any other matter for which the Act requires or permits a vote of the Unit owners. No proxy, limited or general, shall be used in the election of Board Members. General proxies may be used for other matters for which limited proxies are not required, and may also be used in voting for nonsubstantive changes to items for which a limited proxy is required and given. Notwithstanding the provisions of this subparagraph, Unit owners may vote in person at Unit owner meetings.

Any proxy given shall be effective only for the specific meeting for which originally given and any lawfully called meetings thereof. All such proxies shall be filed with the Secretary prior to or during the roll call of such meeting. In no event shall any proxy be valid for a period longer than ninety (90) days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the Unit owner executing it.

3. MEMBERS' MEETINGS.

3.1 **Annual Meeting.** The annual meeting of the Members shall be held at the office of the Association or such other place in Jacksonville, Florida, and at such time as may be specified in the notice of the meeting, on the first (1st) Wednesday in December of each year for the purpose of electing Directors and of transacting any other business authorized to be transacted by the Members; provided, however, that if that day is a legal holiday, the meeting shall be held on the next succeeding Saturday, or such day as the Directors shall determine and include in the notice of meeting.

3.2 **Special Meeting.** Special meetings of the entire membership of the Association shall be held whenever called by the President or Vice President or by a majority of the Board of Directors, and must be called by such officers upon receipt of a written request from Members entitled to cast a majority of the votes of the entire membership.

3.3 **Notice of Meetings.**

(a) **Generally.** Written notice of all meetings of Members shall be given by the Secretary or, in the absence of the Secretary, another officer of the Association, to each Member or class of Members, if any, unless waived in writing. Each notice shall state the time and place of and purpose for which the meeting is called and shall include an agenda and shall be mailed or delivered to each unit owner at least 14 days prior to the meeting. The Notice shall be posted at a conspicuous place on the Condominium property at least 14 continuous days preceding the meeting, except in the case of an emergency. Upon notice to the Unit owners, the Board shall by duly adopted rule designate a specific location on the condominium property upon which all notices of Unit owner meetings shall be posted. Unless a Unit owner waives in writing the right to receive notice of the annual meeting by mail, the notice of the annual meeting shall be sent by mail to each Unit owner. Where a Unit is owned by more than one person, the Association shall provide notice, for meetings and all other purposes requiring mailed notice, to that one address which the developer initially identifies for that purpose and thereafter as one or more of the owners of the Unit shall so advise the Association in writing, or if no address is given or the owners of the Unit do not agree, to the address provided on the deed of record. An officer of the Association, or the manager or other person providing notice of the Association meeting, shall provide an affidavit or United States Postal Service certificate of mailing, to be included in the official records of the Association affirming that the notice was mailed or hand delivered, in accordance with this provision, to each Unit owner at the address last furnished to the Association.

(b) Annual. Notice of the Annual Meeting shall be given to each Member not less than fourteen (14) days nor more than sixty (60) days prior to the date set for the meeting, and shall be mailed by First Class U.S. Mail or delivered personally to each Member. If delivered personally, receipt of notice shall be signed by the Member, indicating the date received and shall constitute that Member's waiver of his right to receive notice by mail. If mailed, such notice shall be deemed properly given when deposited in the United States Mail addressed to the Member at his Post Office address as it appears on the records of the Association, and the post office certificate of mailing shall be retained as proof of such mailing.

(c) Special. Notice of Special Meetings shall be given to each Member not less than fourteen (14) days prior to the date set for the meeting and shall be mailed by regular mail or delivered personally to the Member and shall be posted conspicuously on the Condominium Property.

(d) Waiver. Any Member may, in writing signed by such Member, waive such notice, and such waiver, when filed in the records of the Association, whether before, at or after the holding of the meeting, shall constitute notice to such Member.

(e) Adjourned Meetings. If any meeting of Members cannot be held because a quorum is not present, or because a greater percentage of the membership required to constitute a quorum for a particular purpose is not present, wherever the latter percentage of attendance may be required as set forth in the Articles, the Bylaws or the Declaration, the Members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum, or the required percentage of attendance, if greater than a quorum, is present.

3.4 Presiding Officer and Minutes. At meetings of Members, the Chairman of the Board, or in his absence, the President, shall preside, or in the absence of both, the Members present shall select a chairman of the meeting. Minutes shall be kept in a business like manner and available for inspection by Directors, Unit owners and their authorized representatives during normal business hours at the principal office of the Association. The Association shall retain these minutes for a period of not less than seven years.

3.5 Order of Business. The order of business at annual meetings of Members, and, as far as practical, at other meetings of Members, shall be:

- (a) Calling of the roll and certifying of proxies;
- (b) Proof of notice of meeting or waiver of notice;
- (c) Reading or waiver of reading of minutes of previous meeting of Members;
- (d) Reports of officers;

- (e) Reports of committees;
- (f) Appointment by Chairman of inspectors of election;
- (g) Election of Directors;
- (h) Unfinished business;
- (i) New business;
- (j) Adjournment.

4. BOARD OF DIRECTORS.

4.1 **First Board and Developer Control.** The affairs of the Association shall be managed by a Board of Directors. The first Directors shall consist of three (3) persons as designated in the Articles of Incorporation. Condo Ventures, L.L.C., a Florida limited liability company, "Developer," reserves the right to appoint Directors to the Board as specified in Article VIII (B) of the Articles.

4.2 **Election of Directors.** Directors shall be elected in the following manner:

- (a) Commencing with the election of the Board to succeed the first Board as designated in the Articles, Developer shall appoint that number, and the identity, of the Members of the Board which it shall be entitled to appoint in accordance with the Articles and these Bylaws, and upon such appointment by Developer, by written instrument presented to the meeting at which such election is held, the persons so appointed by Developer shall be deemed and considered for all purposes Directors of the Association and shall thenceforth hold the offices and perform the duties of such Directors until their successors shall have been elected or appointed, as the case may be, and qualified in accordance with the provisions of these Bylaws.
- (b) For so long as the Developer shall retain the right to appoint at least one member of the Board of Directors, all Members of the Board of Directors whom Developer shall not be entitled to appoint under these Bylaws shall be elected at large, by a plurality of the votes cast at the annual meeting of the general membership, immediately following appointment of the Members of the Board whom Developer shall be entitled to appoint. Commencing with the first annual election of Directors after the Developer shall have lost or relinquished the right to appoint at least one Director, the

Members shall elect three (3) Directors, by a plurality of the votes cast at the annual meeting of the general membership.

- (c) Vacancies on the Board may be filled, through the unexpired term thereof, as set forth in 4.2(e) below, except that, should any vacancy on the Board be created in a directorship previously filled by any person appointed by Developer, such vacancy shall be filled by Developer appointing by written instrument delivered to any officer of the Association, the successor Director, who shall fill the vacated directorship for the unexpired term thereof.
- (d) In the election of Directors, there shall be appurtenant to each Unit one (1) vote for each Director to be elected provided, however, that no Member or owner of any Unit may cast more than one vote for any person nominated as a Director, it being the intent hereof that voting for Directors shall be non-cumulative.
- (e) After Unit owners other than the Developer are entitled to elect a Member or Members of the Board of Directors of the Association, the Board of Directors shall be elected by written ballot or voting machine. Proxies shall in no event be used in electing the board of directors, either in general elections or elections to fill vacancies caused by recall, resignation, or otherwise. Not less than sixty (60) days before a scheduled election, the Association shall mail or deliver, whether by separate association mailing or included in another association mailing or delivery including regularly published newsletters, to each Unit owner entitled to vote, a first notice of the date of the election. The Board of Directors shall hold a meeting within five (5) days after the deadline for a candidate to provide notice to the Association of intent to run for Board membership. Any Unit owner or other eligible person desiring to be a candidate may nominate himself or may nominate another Unit owner or eligible person, if he has permission in writing to nominate the other person. Any Unit owner or other eligible person desiring to be a candidate for the Board of Directors shall give written notice to the secretary of the Association not less than forty (40) days before a scheduled election. Not less than thirty (30) days before the election meeting, the Association shall then mail or deliver a second notice of the meeting to all Unit owners entitled to vote therein, together with a ballot which shall list all candidates. Upon request of a candidate, the Association shall include an information sheet, no larger than eight and one-half (8 1/2) inches by eleven (11) inches, furnished by the candidate, to be included with the mailing of the ballot, with the costs of mailing and copying to be borne by the Association, however, the Association shall have

no liability for the contents of such information sheets prepared by the candidates. There shall be no quorum requirement; however, at least twenty percent (20%) of the eligible voters must cast a ballot in order to have a valid election. No Unit owner shall permit any other person to vote his ballot, and any such ballots improperly cast shall be deemed invalid. A Unit owner who needs assistance in casting the ballot for the reasons stated in Florida Statutes, Section 101.051 may obtain assistance in casting the ballot. Any Unit owner violating this provision may be fined by the Association in accordance with Florida Statutes, Section 718.303. The regular election shall occur on the date of the annual meeting. Notwithstanding the above provision, an election and balloting are not required unless more candidates file notices of intent to run or are nominated than there are vacancies on the Board.

- (f) Until such time as the Members are entitled to elect all of the Directors, each Director shall serve for one year until the next annual meeting or such other time as his successor is elected. At the first annual meeting at which the Unit Owners are entitled to elect all of the Members of the Board of Directors, one directorship shall be designated as a two-year term director and the other two shall be for one-year terms. At the next succeeding annual meeting, one of such one-year term directorships shall be, from that point on, designated as a two-year term directorship. The intent hereof is to stagger the terms of the directorships so that there shall be only two directors elected each year with one member of the old Board continuing on the new Board. Therefore, there shall be two directorships of two year terms being up for election in different years, and the third directorship shall always remain a one-year term directorship.
- (g) In the event that Developer selects any person or persons to serve on the Board, Developer shall have the absolute right at any time, in its sole discretion, to replace any such person or persons with another person or other persons to serve on the Board. Replacement of any person or persons designated by Developer to serve on any Board shall be made by written instrument delivered to any officer of the Association, which instrument shall specify the name or names of the person or persons designated as successor or successors to the persons so removed from the Board. The removal of any Director and designation of his successor shall be effective immediately upon delivery of such written instrument by Developer to any officer of the Association.

4.3 **Organizational Board Meeting.** The organizational meeting of a newly elected or designated Board shall be held within fifteen (15) days of their election or designation, at such

time and place as shall be fixed at the meeting at which they were elected, and no further notice of the organizational meeting shall be necessary; provided, that a quorum shall be present.

4.4 **Board Meetings in General.** Meetings of the Board of Directors and any committee thereof at which a quorum of the Members of that committee are present shall be open to all Members. Notice of meetings shall be posted conspicuously in the Condominium at least forty-eight (48) continuous hours in advance for the attention of Unit owners, and shall include an identification of agenda items, except in an emergency. Any item not included on the Notice may be taken up on an emergency basis by at least a majority of the Members of the Board. Such emergency action shall be noticed and ratified at the next regular meeting of the Board. Any Unit owner may tape record of videotape meetings of the Board of Directors. The right to attend such meetings includes the right to speak at such meetings with reference to all designated agenda items. The Board shall adopt reasonable rules governing the tape recording and videotaping of the meeting. The Association may adopt reasonable rules governing the frequency, duration and manner of Unit owner statements. Adequate notice of all meetings shall be provided and notice shall specifically incorporate an identification of agenda items. Notwithstanding the foregoing, written notice of any meeting at which nonemergency special assessments, or at which amendment to rules regarding Unit use, will be proposed, discussed or approved shall be mailed or delivered to the Unit owners and posted conspicuously on the condominium property not less than 14 days prior to the meeting. Evidence of compliance with this 14-day notice shall be made by an affidavit executed by the secretary and filed among the official records of the Association. Notice of any meeting where assessments against Unit owners are to be considered for any reason shall specifically contain a statement that assessments will be considered and the nature of any such assessments.

4.5 **Regular Board Meeting.** Regular meetings of the Board may be held at such time and place as shall be determined from time to time by a majority of the Directors. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegram, at least seven (7) days prior to the day named for such meeting, unless notice is waived.

4.6 **Special Meetings.** Special meetings of the Board may be called by the President, and must be called by the Secretary at the written request of one-third of the Directors. Except in an emergency, not less than two (2) days notice of a special meeting shall be given to each Director, personally or by mail, telephone or telegram, which notice shall state the time, place and purpose of the meeting. Notice of any meeting where assessments against Unit owners are to be considered for any reason shall specifically contain a statement that assessments will be considered and the nature of any such assessments.

4.7 **Board Minutes.** Minutes of all meetings of the Board shall be kept in a businesslike manner and available for inspection by Unit owners and Directors during normal business hours at the principal office of the Association. The Association shall retain these minutes for a period of not less than seven years.

4.8 **Waiver of Notice.** Any Director may waive notice of a meeting before, at or after the meeting, and such waiver shall be deemed equivalent to the giving of notice.

4.9 **Quorum.** A quorum at meetings of the Board shall consist of the Directors entitled to cast a majority of the votes of the entire Board. The acts of the Board approved by a majority of the votes present at a meeting at which a quorum is present shall constitute the acts of the Board of Directors, except as may be specifically otherwise provided in the Articles, these Bylaws or the Declaration. If any meeting of the Board cannot be held because a quorum is not present, or because the greater percentage of the Directors required to constitute a quorum for particular purposes is not present, wherever the latter percentage of attendance may be required as set forth in the Articles, these Bylaws or the Declaration, the Directors who are present may adjourn the meeting from time to time until a quorum, or the required percentage of attendance, if greater than a quorum is present. At any adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice.

4.10 **Removal.** Directors may be removed from office with or without cause by the vote or written agreement of a majority of all Unit owners, provided, however, that only the Developer can remove a member of the Board who was appointed by the Developer.

4.11 **Presiding Officer.** The presiding officer of meetings of the Board shall be the Chairman of the Board, if such officer has been elected, or, if not, the President of the Association. In the absence of the presiding officer, the Directors present shall designate one of their number to preside.

4.12 **Powers and Duties.** All of the powers and duties of the Association shall be exercised by the Board, including those existing under the laws of Florida, the Articles, these Bylaws and the Declaration. Such powers and duties shall be exercised in accordance with the Articles, these Bylaws and the Declaration, and shall include, without limitation, the right, power and authority to:

- (a) Make, levy and collect assessments, including without limitation assessments for reserves and for betterments to Condominiums and/or Association property, against Members and Members' Units to defray the costs of the Condominium and the property owned by the Association and use the proceeds of assessments in the exercise of the powers and duties of the Association;
- (b) Maintain, repair, replace, operate and manage the Condominium Property wherever the same is required to be done and accomplished by the Association for the benefit of Members;
- (c) Repair and reconstruct improvements after casualty;

- (d) Make and amend regulations governing the use of the property, real and personal, in the Condominium, and such property owned by the Association provided, that such regulations or amendments thereto shall not conflict with the restrictions and limitations which may be placed upon the use of such property under the terms of the Articles and Declaration, and to impose fines for violations of such rules and regulations;
- (e) Acquire, own, hold, operate, lease, encumber, convey, exchange, manage, and otherwise trade and deal with property, real and personal, including Units, of and in the Condominium, as may be necessary or convenient in the operation and management of the Condominium, and in accomplishing the purposes set forth in the Declaration;
- (f) Contract for the management and maintenance of the condominium property and Association property and to authorize a management agent to assist the Association in carrying out its powers and duties, including but not limited to the performance of such functions as the submission of proposals, collection of assessments, preparation of records, enforcement of rules and maintenance, repair and replacement of the common elements and property owned by the Association with funds as shall be made available by the Association for such purposes. Any such contract shall be terminable for cause upon the giving of thirty (30) days prior written notice, and shall be for a term of from one (1) to three (3) years. Any such contract shall be renewable by consent of the Association and the management. If such contract is negotiated by the Developer, the term of such contract shall not exceed one (1) year. The Association and its officers shall, however, retain at all times the powers and duties granted by the condominium documents and the Condominium Act, including but not limited to the making of assessments, promulgation of rules and execution of contracts on behalf of the Association;
- (g) Enforce by legal means the provisions of the Articles, these Bylaws, the Declaration and all regulations governing use of property of and in the Condominium hereafter adopted;
- (h) Pay all taxes and assessments which are liens against any part of the Condominium other than Units and the appurtenances thereto, and assess the same against the Members and their respective Units subject to such liens;
- (i) Carry insurance for the protection of Members and the Association against casualty and liability, including Directors' liability insurance;

- (j) Pay all costs of power, water, sewer and other utility services rendered to the Condominium or to the Association and not billed to the owners of the separate Units;
- (k) Employ personnel for reasonable compensation to perform the services required for proper administration of the purposes of the Association;

5. **OFFICERS.**

5.1 **Generally.** The Board shall elect a President, Secretary, Treasurer, and as many Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Board shall deem advisable from time to time. The President shall be elected from the membership of the Board, but no other officer need be a Director. The same person may hold two offices, the duties of which are not incompatible; provided, however, that the office of President and Vice President shall not be held by the same person, nor shall the office of President and Secretary or Assistant Secretary be held by the same person. The Board may from time to time elect such other officers, and designate their powers and duties, as the Board may deem necessary to properly manage the affairs of the Association. Officers may be removed from office by the Board.

5.2 **President.** The President shall be the chief executive officer of the Association. He shall have all of the powers and duties which are usually vested in the office of President of a corporation not for profit, including but not limited to the power to appoint committees from among the Members from time to time, as he may in his discretion determine appropriate, to assist in the conduct of the affairs of the Association. He shall have such additional powers as the Board may designate.

5.3 **Vice-President.** The Vice President shall, in the absence or disability of the President, exercise the powers and perform the duties of President. He shall also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed by the Board.

5.4 **Secretary.** The Secretary shall keep the minutes of all proceedings of the Board and the Members. He shall attend to the affairs of the Association. He shall have such additional powers as the Board may designate.

5.5 **Treasurer.** The Treasurer shall have custody of all of the property of the Association including funds, securities and evidences of indebtedness. He shall keep the assessment roll and accounts of the Members; he shall keep the books of the Association in accordance with good accounting practices, and he shall perform all other duties incident to the office of Treasurer.

5.6 **Compensation.** No compensation shall be paid to any officer of the Association except with the approval of a majority of the membership, reflected by a vote taken at a duly

constituted membership meeting. No officer who is appointed by the Developer shall receive any compensation for his services as an officer. Nothing herein shall be construed so as to prohibit or prevent the Board of Directors from employing any director or officer as an employee of the Association at such compensation as the Board shall determine, nor shall anything herein be construed so as to preclude the Board from contracting with a director or officer or with any corporation in which a director or officer of the Association may be stockholder, officer, director or employee, for the management of the Condominium for such compensation as shall be mutually agreed between the Board and such officer, director or corporation, for the purpose of making available to the owners of condominium Units such services as are contemplated by the provisions of Article as is of these Bylaws. It is expressly contemplated that the first Board of Directors may enter into such contracts with persons who are initial officers or directors of the Association, or with corporations having officers, directors or employees who are also Members of the first Board of Directors of the Association.

6. FISCAL MANAGEMENT.

The provisions for fiscal management of the Association set forth in the Declaration of Condominium and Articles of Incorporation shall be supplemented by the following provisions:

6.1 **Books and Accounts.** Books and accounts of the Association shall be kept under the direction of the Treasurer and in accordance with standard accounting procedures and the Florida Condominium Act. Written summaries shall be supplied at least annually to Members. Such records shall include, but not be limited to:

- (a) A record of all receipts and expenditures.
- (b) An account for each Unit which shall designate the name and address of the Unit owner, the amount of each assessment, dates and amounts in which the assessments come due, the amounts paid upon the account and the balance due.

6.2 **Inspection of Books.** Financial reports and the membership records shall be maintained in the office of the Association and shall be available to Members for inspection during normal business hours. The Association shall issue an annual financial report to Unit owners pursuant to Section 718.111(13), Florida Statutes.

6.3 **Annual Budget.** The Board shall adopt, for, and in advance of, each fiscal year, a detailed budget showing the estimated cost of performing all of the functions of the Association for the year showing amounts budgeted by accounts and expense classification. Each budget shall show the total estimated expenses of the Association for that year and shall contain an itemized breakdown of the common expenses, which shall include without limitation, expenses listed in Florida Statutes, Section 718.504(20), the cost of operating and maintaining the Common Elements,

taxes on Association property, wages and salaries of Association employees, management, legal and accounting fees, office supplies, public utility services not metered or charged separately to Units, premiums for insurance carried by the Association and any reserve accounts and/or funds which may be established from time to time by the Board. Each budget shall also show the proportionate share of the total estimated expenses to be assessed against and collected from the owner(s) of each Unit and due date(s) and amounts of installments thereof.

In addition to annual operating expenses, the budget shall include reserve accounts for capital expenditures and deferred maintenance. These accounts shall include, but are not limited to, roof replacement, building painting, and pavement resurfacing, if applicable, regardless of the amount of deferred maintenance expense or replacement cost, and for any other item for which the deferred maintenance expense or replacement costs exceeds \$10,000. The amount to be reserved shall be computed by means of a formula which is based upon estimated life and estimated replacement cost or deferred maintenance expense of each reserve item. The Association may adjust replacement reserve assessments annually to take into account any extension of the useful life of a reserve item caused by deferred maintenance. This subsection does not apply to budgets in which the Members of the Association have, by a vote of the majority of the Members present at a duly called meeting of the Association, determined for a fiscal year to provide no reserves or reserves less adequate than required by this subsection. In addition, prior to turnover of control of the Association by the Developer to Unit Owners, pursuant to Florida Statutes, Section 718.301, the Developer may vote to waive the reserves for the first two years of the operation of the Association, after which time reserves may only be waived or reduced upon the vote of a majority of nondeveloper voting interests present at a duly called meeting of the Association. If a meeting of the Unit owners has been called to determine to provide no reserves or reserves less adequate than required, and such result is not attained or a quorum is not attained, the reserves as included in the budget shall go into effect.

Reserve funds and any interest accruing thereon shall remain in the reserve account for authorized reserve expenditures, unless their use for other purposes is approved in advance by a vote of the majority of the voting interests present at a duly called meeting of the Association.

Copies of the proposed budget and proposed assessments shall be transmitted to each Member at least fourteen (14) days prior to the meeting of the Board of Directors at which the budget will be considered, together with a notice of the time and place of said meeting, which shall be open to Unit owners. If the budget is subsequently amended, a copy shall be furnished each Member. Delivery of a copy of any budget or amended budget to a Member shall not affect the liability of any Member for any such assessment, nor shall delivery of a copy of such budget or amended budget be considered as a condition precedent to the effectiveness of the budget and assessments levied pursuant thereto. Nothing herein contained shall be construed as a limitation upon the additional assessment in the event that any budget originally adopted shall appear to be insufficient to pay costs and expenses of operation and management, or in the event of emergencies.

6.4 **Amount of Budget.** If a budget is adopted by the Board which requires assessment of the Unit owners in any budget year exceeding 115% of such assessments for the preceding budget year, upon written application of ten percent (10%) of the Unit owners, a special meeting of the Unit owners shall be held upon not less than ten (10) days written notice to each Unit owner, but within thirty (30) days of the delivery of such application to the Board or any member thereof, at which special meeting Unit owners may consider only and enact only a revision of the budget, or recall any and all Members of the Board and elect their successors. Any such revision of the budget shall require a vote of not less than two-thirds (2/3) of the votes of all Unit owners. The Board may, in any event, first propose a budget to the Unit owners at any such meeting of Members or by writing, and if such budget or proposed budget be approved by a majority of the votes of all Unit owners either at such meeting or by writing, such budget shall not thereafter be reexamined by the Unit owners in the manner hereinabove set forth. If a meeting of the Unit owners has been called and a quorum is not attained or a substitute budget is not adopted by the Unit owners, the budget adopted by the Board of Directors shall go into effect as scheduled.

In determining whether assessments exceed 115% of similar assessments in the prior budget year, there shall be excluded from the computation reasonable reserves made by the Board in respect of repair and replacement of Condominium or Association property, or in respect of anticipated expenses by the Association which are not anticipated to be incurred on a regular or annual basis; and there shall be excluded from such computation assessments for betterments to the Condominium or Association property. Provided, however, that so long as Developer is in control of the Board of Directors the Board shall not impose an assessment for a budget year greater than 115% of the prior budget year's assessment without approval of a majority of the votes of all Unit owners.

6.5 **Notice of Adopted Budgets.** Upon adoption of budgets, the Board shall cause written copies thereof to be delivered to all Unit owners. Assessments shall be made against Unit owners pursuant to procedures established by the Board, and in accordance with terms of the Declaration and Articles. Provided, however, that the lien or lien rights of the Association shall not be impaired by failure to comply with procedures established pursuant to these Bylaws.

6.6 **Assessments.** Unless otherwise determined by the Board of Directors, assessments shall be payable monthly on the first day of each calendar month. Assessments shall be made not less frequently than quarterly in an amount which is not less than that required to provide funds in advance for payment of all of the anticipated current operating expenses and for all of the unpaid operating expenses previously incurred. Nothing in this paragraph shall preclude the right of an association to accelerate assessments of an owner delinquent in payment of common expenses. Accelerated assessments shall be due and payable on the date the claim of lien is filed. Such accelerated assessments shall include the amounts due for the remainder of the budget year in which the claim of lien was filed. If an annual assessment is not made as required, an assessment shall be presumed to have been made in the amount of the last prior assessment, and installments on such assessment shall be due upon each installment payment date until changed by an amended

assessment. In the event the annual assessment proves to be insufficient, the budget and assessments may be amended at any time by the Board of Directors. Unpaid assessments for the remaining portion of the fiscal year for which an amended assessment is made shall be payable in equal installments through the end of the fiscal year; provided, nothing herein shall serve to prohibit or prevent the Board of Directors from imposing a lump sum assessment in case of any immediate need or emergency.

6.7 **Special Assessments.** Special assessments, other than special assessments to meet shortages or emergencies, shall be approved by the Members at a duly convened meeting and shall be levied and paid in the same manner as heretofore provided for regular assessments. Special assessments to meet shortages or emergencies can be adopted by the Board of Directors and written notice thereof given to the member or Members affected thereby. Special assessments can be of two kinds: (i) those chargeable to all Members of the Condominium in the same proportions as regular assessments to meet shortages or emergencies, to construct, reconstruct, repair or replace all or any part of the Common Elements (including fixtures and personal property related thereto); and (ii) and for such other purposes as shall have been approved by the Members at a duly convened meeting.

6.8 **The Depository.** The depository of the Association shall be such bank or banks or savings and loan association or associations as shall be designated from time to time by the directors and in which the monies of the Association shall be deposited. Withdrawal of monies from such accounts shall be only by checks or withdrawals signed by such persons as are authorized by the directors, provided that any management agreement may include in its provisions authority for the Manager to sign checks on behalf of the Association for payment of the obligations of the Association.

6.9 **Audit.** An audit of the accounts of the Association may be made from time to time as directed by the Board of Directors.

6.10 **Fidelity Bonds.** The Association shall obtain and maintain adequate fidelity bonding of all persons who control or disburse funds of the Association. As used in this section, the term "persons who control or disburse funds of the Association" means those individuals authorized to sign checks, and the president, secretary, and treasurer of the Association. If an Association's annual gross receipts do not exceed \$100,000, the bond shall be in the principal sum of not less than \$10,000 for each such person. If an Association's annual gross receipts exceed \$100,000, but do not exceed \$300,000, the bond shall be in the principal sum of \$30,000 for each such person. If an Association's annual gross receipts exceed \$300,000, the bond shall be in the principal sum of not less than \$50,000 for each such person. The Association shall bear the cost of bonding.

6.11 **Transfer Fees.** No charge shall be made by the Association or any body thereof in connection with the sale, mortgage, lease, sublease, or other transfer of a Unit.

7. **PARLIAMENTARY RULES.**

Roberts' Rules of Order (latest edition) shall govern the conduct of the Association meetings when not in conflict with the Declaration of Condominium, Articles of Incorporation, or these Bylaws.

8. AMENDMENTS TO BYLAWS.

Amendments to these Bylaws shall be proposed and adopted in the following manner:

8.1 **Proposal.** Amendments to these Bylaws may be proposed by the Board, acting upon a vote of a majority of the Directors, or by Members owning a majority of the Units in the Condominium, whether meeting as Members or by instrument in writing signed by them.

8.2 **Notice.** Upon any amendment or amendments to these Bylaws being proposed by the Board or Members, such proposed amendment or amendments shall be transmitted to the President of the Association, or acting chief executive officer in the absence of the President, who shall thereupon call a special meeting of the Members for a date not sooner than fourteen (14) days nor later than sixty (60) days from receipt by such officer of the proposed amendment or amendments, and it shall be the duty of the Secretary to give each Member written or printed notice of such meeting in the same form and in the same manner as notice of the call of a special meeting of the Members is required as herein set forth; provided, that proposed amendments to the Bylaws may be considered and voted upon at annual meetings of the Members.

8.3 **Content of Amendment.** No ByLaw shall be revised or amended by reference to its title or number only. Proposals to amend existing Bylaws shall contain the full text of the Bylaws to be amended; new words shall be inserted in the text underlined and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of bylaw. See bylaw . . . for present text." Nonmaterial errors or omissions in the bylaw process shall not invalidate an otherwise properly promulgated amendment.

8.4 **Voting.** In order for such amendment or amendments to become effective, the same must be approved by an affirmative vote of two-thirds of the votes present at a regular or special meeting at which a quorum is present. Thereupon, such amendment or amendments to these Bylaws shall be transcribed, certified by the President and Secretary of the Association, and a copy thereof shall be recorded in the public records of Duval County, Florida, within fifteen (15) days from the date on which any amendment or amendments have been affirmatively approved by the Members.

8.5 **Written Vote.** At any meeting held to consider such amendment or amendments to these Bylaws, the written vote of any Member shall be recognized if such Member is not present

at such meeting in person or by proxy, provided such written vote is delivered to the Secretary at or prior to such meeting.

8.6 **Developer's Reservation.** Notwithstanding the foregoing provisions of this Article 8, no amendment to these Bylaws which shall abridge, amend or alter the right of Developer to designate Members of the Board of Directors of the Association, as provided in Article 4 hereof, or any other right of the Developer provided herein or in the Articles of Declaration, may be adopted or become effective without the prior written consent of Developer.

8.7 **Proviso.** Provided, however, that no amendment shall discriminate against any condominium Unit owner nor against any condominium Unit or class or group of Units unless the condominium Unit owners so affected shall consent. No amendment shall be made that is in conflict with the Condominium Act, the Declaration of Condominium, or the Articles of Incorporation.

8.8 **Proviso.** Anything herein to the contrary notwithstanding, until the first regular election of Directors by the membership, and so long as the Developer shall have the right to fill vacancies on the Board of Directors, an amendment shall require only the unanimous consent of the Board of Directors, and no meeting of the condominium Unit owners nor any approval thereof need be had.

8.9 **Arbitration.** In the event of internal disputes arising from the operation of the Condominium among Unit owners, associations, and their agents and assigns, the parties must comply with mandatory non-binding arbitration in accordance with Florida Statutes, Section 718.1255.

9. RECALL OF BOARD MEMBERS.

Subject to the provisions of Florida Statutes, Section 718.301, any member of the Board of Directors may be recalled and removed from office with or without cause by the vote or agreement in writing by a majority of all the voting interests. A special meeting of the Unit owners to recall a Member or Members of the Board of Directors may be called by ten percent (10%) of the voting interests giving notice of the meeting in the same manner as required for a meeting of Unit owners, and the notice shall state the purpose of the meeting.

9.1 If the recall is approved by a majority of all voting interests by a vote at a meeting, the recall will be effective immediately, and the recalled Member or Members of the Board of Directors shall turn over to the Board any and all records of the Association in their possession within seventy-two (72) hours after the meeting.

9.2 If the proposed recall is by an agreement in writing by a majority of all voting interests, the agreement in writing shall be served on the Association by certified mail. The Board of Directors shall call a meeting of the Board within seventy-two (72) hours after receipt of the

agreement in writing and shall either certify the written agreement to recall a Member or Members of the Board, in which case such Member or Members shall be recalled effective immediately and shall turn over to the Board within seventy-two (72) hours any and all records of the Association in their possession, or proceed as described in subparagraph 9.3.

9.3 If the Board determines not to certify the written agreement to recall a Member or Members of the Board, or if the recall by a vote at a meeting is disputed, the Board shall, within seventy-two (72) hours, file with the Division a petition for binding arbitration pursuant to the procedures in § 718.1255. For the purposes of this section, the Unit owners who voted at the meeting or who executed the agreement in writing shall constitute one party under the petition for arbitration. If the arbitrator certifies the recall as to any Member or Members of the Board, the recall will be effective upon service of the final order of arbitration upon the Association. If the Association fails to comply with the order of the arbitrator, the Division may take action pursuant to § 718.501. Any Member or Members so recalled shall deliver to the Board any and all records of the Association in their possession within seventy-two (72) hours of the effective date of the recall.

9.4 If a vacancy occurs on the Board as a result of a recall and less than a majority of the Board Members are removed, the vacancy may be filled by the affirmative vote of a majority of the remaining directors, notwithstanding any provision to the contrary contained in subparagraph 9.3. If vacancies occur on the Board as a result of a recall and a majority or more of the Board Members are removed, the vacancies shall be filled in accordance with procedural rules to be adopted by the division, which rules need not be consistent with subparagraph 9.3. The rules must provide procedures governing the conduct of the recall election as well as the operation of the Association during the period after a recall but prior to the recall election.

10. CERTIFICATE OF COMPLIANCE.

A certificate of compliance from a licensed electrical contractor or electrician may be accepted by the Association's Board as evidence of compliance of the condominium Units to the applicable fire and life safety code.

The foregoing were adopted as the Bylaws of WINDSOR PARKE PROFESSIONAL CENTRE OWNERS ASSOCIATION, INC., a corporation not for profit under the laws of the State of Florida, at the first meeting of the Board of Directors on the 4th day of may, 2000.
