p) The right to amend, and seek the amendment of, any plat, PUD, zoning

To the extent the consent, approval, or joinder by any person with any interest in any part of the Property may be required by a governmental entity with jurisdiction, by acquiring any interest in any part of the Property, such persons (which includes without limitation the Association) shall be deemed to have consented to and approved any amendment to any plat, PUD, zoning ordinance or designation, or development order applicable to the Property proposed by Declarant and to have given Declarant an irrevocable power of attorney, coupled with an interest, to execute any instruments of any nature that may be required as a condition for amendment or implementation of any plat, PUD, zoning ordinance or designation, or development order applicable to the Property, in the name and on behalf of any such person with any interest in any part of the Property. t) The right to engage in any other activity necessary or proper for the development of the Development and to facilitate the sale or lease of any property within the Development, in Declarant's sole discretion. The foregoing right shall be exercised in accordance with applicable law.

3.3 Assignment of Declarant Rights. The rights reserved to Declarant under this Declaration may be assigned on a non-exclusive basis to any party acquiring a fee interest in any part of the Property subject to this Declaration. Such assignment shall be evidenced by a written instrument signed by the Declarant and recorded in the Official Records of Duval County, Florida. A deed from the Declarant conveying any portion of the Property will not impliedly include an assignment of the Declarant's rights hereunder.

Owners shall be jointly and severally liable with their tenants and Invitees for any violations committed, fines imposed, and damages caused by or recovered against (including without limitation attorneys' fees and costs) a tenant or Invitee. The Board may exercise business judgment in determining whether, and which type of action, if any, to enforce the Governing Documents in any particular instance. The Association has the right, but not the obligation in any particular instance, to enforce the provisions of the Governing Documents, and the Association may not be compelled by a Member or any other party, except by the Declarant and the St. Johns River Water Management District (but only with respect to any obligations the Association may have under any applicable permit issued by the District), to pursue any enforcement action against any party. The Association's decision to pursue enforcement action in one instance shall not compel it to pursue enforcement action in any other instance, and the Association's decision to not pursue enforcement action in any instance shall not operate as a waiver or estop the Association from pursuing enforcement action in any other instance, regardless of the similarity of the circumstances. Owners are jointly and severally liable with their tenants and Invitees to the Association for any amount (as determined in the sole discretion of the Association) which is required by the Association to repair any damage to any portion of the Property or to pay any claim for personal injury, death, or damage to property caused by the act or omission of the lessee, tenant, or Invitees. The Association may levy Individual Assessments against the Lot and Owner(s) thereof for such amounts.

The foregoing shall include any responsibilities and obligations to operate and maintain the Stormwater Management System. The Association is obligated to accept all such Property conveyed to it by the Declarant in "as-is" condition without representations or warranties of any nature, unless otherwise agreed in writing by Declarant.

4.8 Transition of Association Control. Transition of Association control is the point at which Members other than the Declarant are entitled to elect a majority of the members of the Board. For the purposes of this Section, "Members other than the Declarant" shall not include builders, contractors, or others, who purchase a Lot for the purpose of constructing Improvements thereon for resale on behalf of Declarant, if any. Transition shall occur on the earliest of the following events:

- a) Three months after ninety percent (90%) of all the Lots in all phases of the community that will ultimately be operated by the Association have been conveyed to Members other than the Declarant;

- e) Upon a receiver for the Declarant being appointed by a circuit court and not being discharged within 30 days after such appointment, unless the court determines within 30 days after such appointment that transfer of control would be detrimental to the Association or its Members; or

f) At such other time as Declarant may determine, which may be achieved by Declarant causing a majority of the Declarant-appointed directors to resign and the Association conducting an election to fill a majority of the positions on the Board by non-Declarant Members.

When Transition is required to occur in accordance with this Section, the Association shall provide notice of a Membership meeting for the purpose of conducting an election to accomplish Transition. In addition, Declarant is entitled to elect at least one member of the Board as long as Declarant holds for sale in the ordinary course of business at least five percent (5%) of the Lots in all phases of the community. After Declarant relinquishes control of the Association, the Declarant may exercise the right to vote any Declarant Voting Interests in the same manner as any other Member, except for purposes of reacquiring control of the Association or selecting the majority of the members of the Board.

4.9 Members' Right to Elect Pre-Transition Director. Members other than the Declarant are entitled to elect one Member of the Board when fifty percent (50%) of all Lots in all phases of the community which will ultimately be operated by the Association have been conveyed to Members other than the Declarant.

ARTICLE V ASSESSMENTS

5.1 Assessment Purposes & Categories. To pay for the expenses of maintaining the Common Areas, Limited Common Areas, and Association Property, fulfilling its duties and obligations, and exercising its rights, the Association shall be entitled to levy Assessments against all Owners and Lots as provided herein. Assessments shall also be used for the maintenance and repair of the surface water or Stormwater Management System in accordance with the Permit(s), including but not limited to work within retention areas, drainage structures, and drainage easements. The obligation to pay Assessments shall constitute a personal obligation of the Owner(s) of fee interests in Lots and shall also constitute an *in rem* obligation of each Lot within the Property. Any part of the Property owned by a governmental entity shall not be subject to Assessments unless otherwise agreed in writing by such governmental entity. Unless otherwise provided by the Board or by law, all Assessments shall be payable on demand. The procedure for levying Assessments shall be as stated in the Bylaws. Such Assessments may include:

The General Assessment required to be paid by each Lot and the Owner(s) thereof is calculated by taking the total expenses anticipated to be incurred by the Association according to its most recently adopted budget (the Common Expenses) and dividing it by the total number of Lots in the Property, and each Lot and the Owner(s) thereof shall be obligated to pay their pro rata share of the General Assessments. Notwithstanding, expenses related to Limited Common Areas may be allocated and

charged exclusively to Members who have an interest in, or benefit from, such Limited Common Areas.

b) Special Assessments. Special Assessments are Assessments proportionately levied against all Lots and the Owner(s) thereof to pay for unanticipated operating expenses, unanticipated maintenance, repair, or replacement of Association Property for which adequate reserves have not been collected, or to pay for any other unanticipated or unbudgeted monetary obligation of the Association. Special Assessments may also be levied to fund shortfalls in the budget for General Assessments. Special Assessments required to be paid by each Lot and the Owner(s) thereof are calculated by taking the total expenses which are the subject of the Special Assessment and dividing it by the total number of Lots in the Property.

c) Individual Assessments. Individual Assessments are Assessments levied against a particular Owner and Lot for the purposes otherwise stated in the Governing Documents.

5.2 Creation of the Lien and Personal Obligation for Assessments. Declarant, as a Member of the Association and Owner of the Property, hereby covenants and agrees, and each Owner, by acceptance or recordation of a deed, muniment of title, or other instrument evidencing the Owner's fee interest in a Lot, whether or not it is expressed in such deed, muniment of title, or other instrument evidencing an Owner's interest, shall be deemed to have covenanted and agreed to pay the Association all Assessments levied by the Association. All Assessments, together with interest, late fees, costs, and attorneys' fees incident to collection shall constitute a charge on the Property subjected to this Declaration, including any Additional Property subjected to this Declaration by the recordation of a Supplementary Declaration, and shall constitute a continuing lien upon the Lot and interest of the Owner upon which each Assessment is made. The lien for Assessments, interest, late fees, costs, and attorneys' fees incident to collection shall relate back to the recording of this Declaration in the Official Records of Duval County, Florida, except as to Qualifying First Mortgagees. For Qualifying First Mortgagees holding a first mortgage of record, the lien for Assessments shall be effective from and after the recordation of a claim of lien in the Official Records of Duval County, Florida. All Assessments shall also constitute the personal obligation of each Owner of a Lot, jointly and severally, at the time the Assessment became due and payable. An Owner, regardless of how title to a Lot has been acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, shall be liable for all Assessments that come due while he or she is an Owner and shall also be jointly and severally liable with all previous Owners for all Assessments, interest, late fees, costs, and attorneys' fees incident to collection which came due prior to the current Owner's acquisition of title. An Owner's liability may not be avoided by waiver or suspension of the use or enjoyment of any Common Area or by abandonment of the Lot upon which the Assessments are made.

5.3 Subordination of Lien & Liability of Qualifying First Mortgagees. The lien for Assessments provided herein shall be subordinate to the lien and operation of any first mortgage which is recorded prior to the recording of a claim of lien for Assessments. Further, and notwithstanding anything herein to the contrary, a Qualifying First Mortgagee's liability for Assessments, interest, late fees, costs, and attorneys' fees accruing prior to its acquisition of title

to a Lot shall be limited to the lesser of (i) the Common Expenses and regular periodic assessments, Special Assessments, and Individual Assessments (as applicable) that accrued or came due during the twelve (12) months immediately preceding the Qualifying First Mortgagee's acquisition of title and for which payment in full has not been received by the Association; or (ii) one percent (1%) of the original mortgage debt. The person or entity acquiring title shall pay the amount owed to the Association within thirty (30) days of transfer of title. Any share of Common Expenses, Assessments, interest, late fees, costs, attorneys' fees, and other charges that are uncollectable from a Qualifying First Mortgagee after acquisition of title shall be collectable from all of the other Owners subject to the uncollectable Assessments, including such acquirer and its successors and assigns; provided, however, that this shall not be interpreted to waive the Association's right to pursue an action for damages against any previous Owner. A Qualifying First Mortgagee acquiring title to a Lot as a result of foreclosure or a deed in lieu of foreclosure may not be excused from payment of the Common Expenses and Assessments coming due during its period of ownership.

5.4 Date of Commencement of Assessments; Due Dates. All General Assessments shall be payable annually in advance or in installments as determined by the Board. The obligation to pay assessments shall commence as to each Lot on the date of conveyance of the Lot to an Owner other than Declarant or Builder. At the closing of the sale of each Lot in the Community to an Owner other than Declarant or Builder, said purchaser shall pay to the Association: the General Assessment, prorated on a per diem basis from the date of closing on the sale of, or the date of occupancy of the Lot, whichever is earlier, through the end of the year. At the option of the Board, the payment of assessments may be changed to a more frequent basis. The due date of any Special Assessment or Individual Assessment provided for herein shall be set in the resolution authorizing such assessment.

5.5 Declarant Assessments. Notwithstanding anything to the contrary herein, Declarant shall have no obligation to pay Assessments to the Association for so long as Declarant elects to fund any deficit in the Association's operating expenses. Declarant shall have the option to: (i) pay Assessments on the Lots owned by it; (ii) pay Assessments on certain designated Lot (e.g., Lots under construction or Lots for which a certificate of occupancy has been issued); or (iii) not pay Assessments on any Lots and instead fund any deficit in the Association's operating expenses for a fiscal year. The Declarant's deficit funding obligation in any given fiscal year, should it so elect, shall be equal to the total operating expenses of the Association (excluding reserves and any capital improvement costs), less any operating surplus carried over from any prior fiscal years and less Assessments and other monies received by the Association from sources other than the Declarant (including Assessments, late fees, interest, fines, and any other income). Declarant shall not be subject to any Individual Assessment or Special Assessment. Declarant may elect any of the options above and may change its election from time to time. Declarant shall have no further liability to the Association for payment of Assessments or any obligation to fund any deficit when all Lots in the Property are conveyed to purchasers.

5.6 Working Fund Contribution.

a) Each Owner who purchases a Lot from the Declarant or Builder, and each Owner thereafter upon each sale or transfer of title of a Lot, shall pay to the Association at the time legal title is conveyed to such Owner, a "Working Fund Contribution." The Initial Working Fund Contribution shall be an amount equal to Five Hundred Dollars (\$500.00) per Lot. The Declarant may

waive this requirement for some Lots, including, but not limited to, if the first purchaser is a Builder and the Builder becomes unconditionally obligated to collect and pay the Working Fund Contribution upon the subsequent sale of each Lot to an end purchaser. At any time and from time to time, the Declarant or Association may increase the Working Fund Contribution. The foregoing sum shall be collectible in the same manner as the General Assessment. The Working Fund Contribution may be used for any purpose authorized by this Declaration, the Bylaws, Articles of Incorporation, or Florida law, including, without limitation, paying for initial startup expenses, operating expenses, unforeseen expenses, maintenance obligations, or reserve (if reserves are established) of the Association. It is the express intent that Working Fund Contributions may be used to offset operating expenses and deficit funding obligations of Declarant, including before, during, or after any Guarantee Period.

b) Exempt Transfers. Notwithstanding the above, no Working Fund Contribution shall be levied upon transfer of title to a Lot:

- i. by or to Declarant, Builder or any party who becomes a successor Declarant;
- ii. by a Builder who held title solely for purposes of development and resale;
- iii. by an Owner to a trust, partnership, corporation, or other entity so long as such entity is and remains wholly-owned by the Owner or by such Owner and the Owner's spouse and/or children; provided, however, if the immediately preceding transfer of the Lot was exempted from payment of the Working Fund Contribution pursuant to this subsection, then this subsection shall not apply and the Lot shall be subject to the Working Fund Contribution;
- iv. by an Owner or such Owner's estate to the Owner's spouse and/or children; provided, however, if the immediately preceding conveyance of the Lot was exempted from payment of the Working Fund Contribution pursuant to this subsection, then this subsection shall not apply and the Lot shall be subject to the Working Fund Contribution;
- v. of an undivided interest in a Lot by the Owner thereof to any then existing co-Owner(s) of such Lot.

5.7 Reserve Budget and Capital Contribution. The Board may, but shall not be obligated to, prepare reserve budgets as it deems reasonable or necessary on an annual basis for (i) working capital, (ii) contingencies, (iii) deferred maintenance, (iv) replacements, and (v) general purposes for the performance of such other coordinating or discretionary functions not contrary to the terms of this Declaration, which take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. The Board shall set the required capital contribution in an amount sufficient to permit meeting the projected needs of the Association, as shown on the budget, with respect both to amount and timing by annual General Assessments over the budget period.

While Declarant is in control of the Association, Declarant may, but is not required to, include reserves in the budget. If Declarant includes reserves in the budget, Declarant may determine the amount of reserves included. Declarant is not obligated to pay for: (i) contributions to reserve accounts for capital expenditures and deferred maintenance, as well as any other reserves that the Association or the Declarant may be required to fund pursuant to any state, municipal, county, or other governmental statute or ordinance; (ii) operating expenses; or (iii) any other assessments related to the Declarant's Lots for any period of time for which the Declarant has provided in the Declaration that in

lieu of paying any assessments imposed on any parcel owned by Declarant, Declarant need only pay the deficit, if any, in any fiscal year of the Association, between the total amount of the assessments receivable from other members plus any other association income (including operating surplus carried over from any prior fiscal year) and the lesser of the budgeted or actual expenses incurred by the association during such fiscal year, excluding capital improvements costs, depreciation and amortization, and Individual Assessment or Special Assessments arising as a result of any unusual loss or liability.

5.8 Estoppel Certificates. The Association or its authorized agent may charge a reasonable fee for the preparation and delivery of an estoppel certificate, in an amount not to exceed the maximum amount permitted by Florida law.

ARTICLE VI ARCHITECTURAL CONTROL

6.1 Requirement to Obtain Approval for All Improvements. No land clearing, filling, grading, shrub or tree removal, or any landscaping or other work shall be done; no building, structure, fence, wall, swimming pool, screened enclosure, patio, porch, deck, or other structure or Improvement (including landscaping) shall be commenced, placed, erected, painted, altered, constructed, or reconstructed in the Property, nor shall any addition, change, or alteration visible from the exterior of a Home be made; nor shall any awning, canopy, or shutter be attached to or placed upon outside walls or roofs of Buildings or other Improvements, until the plans and specifications showing the nature, kind, shape, height, color, materials, and location of the proposed Improvements have been submitted to, and approved in writing, by the Declarant. All decorative or artistic elements and landscaping features including plaques, pots, boulders, sculptures, and lawn ornaments, whether free-standing or attached to a structure, shall constitute Improvements and are subject to Declarant review and approval in accordance with this Article.

6.2 Composition of Architectural Review Committee. If and after Declarant specifically assigns any or all of the rights contemplated by this Article to the Association, the Association shall exercise the rights and perform the functions delegated to it. The Association may appoint an Architectural Review Committee ("ARC") consisting of at least three (3) members who shall be appointed by the Board. If, after assignment by Declarant, the Board is unable to appoint an ARC because of lack of volunteers or otherwise, the Board shall constitute and perform the functions of the ARC.

6.3 Review of Proposed Improvements. The Declarant shall review all proposed Improvements, including landscaping, in accordance with the Architectural Review Guidelines and following provisions. The Declarant may promulgate Architectural Review Guidelines and may supplement such standards with additional requirements, limitations, criteria, and conditions for development that are not in conflict with (but may be more restrictive than) the requirements of any development orders pertaining to the Property or applicable law. If and after the right to review and approve proposed Improvements is assigned by Declarant to the Association, the Board may also promulgate additional Architectural Review Guidelines which may be more restrictive than, but which may not conflict with the provisions of, any development orders pertaining to the Property or applicable law.

6.4 Review & Approval Process. The Declarant will approve proposals or plans and specifications submitted for its approval only if it deems that the Improvements contemplated thereby in the locations indicated will not violate the Governing Documents, development orders pertaining to the Property, or applicable law, be detrimental to the appearance of the Property as a whole, or negatively affect the Declarant's ability to market, develop, or sell any of the Property, and that the appearance of any proposed Improvement will be in harmony with the surrounding structures and is otherwise desirable, in Declarant's sole discretion. However, because of the anticipated design and layout of the community and Homes, the surrounding urban environment and vision for development, and the fact that Members and their Invitees have easements of ingress and egress over Lots, it is anticipated that Owners' ability to make Improvements on their respective Lots outside the boundaries of their Homes will be limited.

a) Conditions for Approval. The Declarant may condition its approval of proposed Improvements and plans and specifications as it deems appropriate and may require submission of additional plans and specifications or other information prior to approving or disapproving the proposed Improvement. The Declarant may also issue rules or guidelines setting forth procedures for the submission of plans for approval. The Declarant may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, landscaping plans, elevation drawings, surveys, and descriptions and samples of materials and colors.

b) Response Time Period. After receipt by the Declarant of all required plans and specifications of all proposed Improvements, it shall have thirty (30) business days to approve or reject them. If the plans and specifications are not approved or rejected within the 30-day period, the plans will be deemed approved except to the extent any part of the proposed Improvements is not compliant with an express provision of the Governing Documents, a development order pertaining to the Property, or applicable law. The Declarant's approval does not constitute any representation or warranty that any proposed Improvement complies with any applicable law and those submitting plans and specifications for approval to the Declarant shall also be responsible for obtaining any necessary approvals from applicable governmental authorities.

c) Authority to Charge Fees. The Declarant shall be entitled to charge a reasonable fee for review of plans and specifications provided that the amount of the fee is adopted and included in the Governing Documents. In addition, the Declarant may require a bond or construction deposit to ensure an Owner's compliance with the approved plans and specifications and to reimburse the Declarant or Association for any damages to Declarant or Association Property arising out of or related to the construction or making of an Improvement. In addition, the Declarant may permit the Association to use the construction deposit or bond to pay any fine levied by the Association for violations of the Governing Documents incident to the construction or making of such Improvements. Any fee charged shall be payable to the Declarant or Association, in Declarant's discretion, and the Declarant may condition approval of any proposed Improvement on payment of the fee. Applicants shall not be entitled to interest on any funds held by the Declarant or Association pursuant to this paragraph.

6.5 No Waiver of Future Approvals. Declarant's approval of any proposals, plans, or specifications for any Improvements constructed or proposed, or in connection with any other matter requiring the approval or consent of the Declarant, will not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans, specifications, or other matters submitted to the Declarant for approval.

6.6 Variance. The Declarant may authorize variances from compliance with any of the Governing Documents when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations would make issuance of a variance appropriate, in Declarant's sole discretion. Variances must be evidenced in writing and must identify the provision(s) of the Governing Documents for which a variance is being granted, and no approval of any proposed Improvement shall be deemed to implicitly include the granting of a variance. The granting of such a variance shall not operate to waive any of the terms and provisions of the Governing Documents for any purpose except as to the particular Improvement and provisions covered by the variance, nor will it affect the Applicant's obligation to comply with all governmental laws and regulations concerning the Owner's use of the Lot. Further, the Declarant may not grant a variance if it would conflict with the requirements of a development order pertaining to the Property or applicable law without obtaining the consent of the appropriate governmental authority.

6.7 Declarant Exemption. Declarant shall be exempt from the provisions of this Article requiring Association or ARC approval for proposed Improvements (even after such rights may be assigned to the Association or ARC). The Declarant may grant waivers or variances of the foregoing provisions to builders or developers that have acquired Lots for the purpose of constructing Improvements thereon for resale. Any such waiver shall be in writing. Notwithstanding the foregoing, the Declarant shall be obligated to comply with any architectural standards, setback limitations, or other limitations imposed by governmental authorities upon which the development of the Property was conditioned unless otherwise agreed by the appropriate governmental authority.

6.8 Declarant's Assignment of Rights under this Article. Declarant may, but shall not be obligated to, assign its rights under this Article to the Association or to any third party, which shall unless otherwise stated in such assignment instrument be deemed on a non-exclusive basis, and Declarant may retain all such rights assigned such that Declarant and the assignee may simultaneously possess and exercise such rights. If Declarant and the Association or any third party simultaneously possess such rights, the Declarant's decisions shall be controlling. With respect to any assignment by Declarant of any of the rights under this Article, Declarant reserves the right to revoke such assignment upon written notice to the assignee if Declarant believes such revocation is appropriate in its sole discretion. Assignments shall be evidenced by a written instrument signed by the Declarant.

6.9 Disclaimer. Declarant, its principals, managers, members, employees, agents, and assigns, Association, its directors, officers, or agent, the ARC, or any person acting on behalf of any of the foregoing shall not be liable to any person for any claim, damage, expense, or loss of any nature (the foregoing collectively, "Claims") arising out of or related to the exercise of its right

to review and approve or deny any proposed Improvements. All persons with any interest in the Property or otherwise associated with a proposed Improvement acknowledge and agree that Declarant's exercise of its right to review and approve or deny proposed Improvements is exclusively for Declarant's benefit and is not exercised on behalf, or for the benefit, of any other person. Declarant's approval of any proposed Improvement does not constitute a representation or warranty that the proposed Improvement complies with applicable law (including applicable building codes) or that it will be structurally sound or otherwise safe for occupancy or use for its intended purpose. The Association does hereby indemnify, defend, and hold Declarant, the Committee, and each of their members, officers, and directors harmless from and against all costs, expenses, and liabilities, including, without limitation, legal fees, of all nature resulting from the acts of the Owners, the Association, the Committee, or any of the foregoing's members, officers and directors. Declarant, the Association, its directors or officers, the Committee or its members, or any person acting on behalf of any of them, shall not be responsible for any defects in any plans or specifications or the failure of same to comply with applicable laws or code nor for any defects in any Improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency thereof and for the quality of construction performed pursuant thereto. By way of example, and not of limitation, the approval of hurricane shutters shall not be deemed an endorsement or guarantee of the effectiveness of such hurricane shutters. **ALL PERSONS WITH ANY INTEREST IN THE PROPERTY OR OTHERWISE ASSOCIATED WITH ANY PROPOSED IMPROVEMENT, INCLUDING WITHOUT LIMITATION OWNERS, RELEASE AND HOLD HARMLESS DECLARANT, ASSOCIATION, AND ARC FROM AND AGAINST ANY AND ALL CLAIMS OF ANY NATURE ARISING OUT OF OR RELATED TO DECLARANT'S, ASSOCIATION'S, OR ARC'S EXERCISE OF ITS RIGHT TO REVIEW AND APPROVE OR DENY ANY PROPOSED IMPROVEMENTS IN THE PROPERTY.**

ARTICLE VII USE RESTRICTIONS

7.1 Residential Purposes. Each Lot and Home shall be used exclusively for single-family residential purposes only, and no Improvement, including any appurtenant structures, shall be erected on any such Lot other than for use as a single-family residence and approved accessory structures (if any). No Improvement or part thereof on any Lot shall be rented separately from the rental of an entire Home and Lot (e.g., individual rooms in a Home may not be rented separately from the entire Home and Lot). No business may be conducted in a Home or on a Lot; provided, however, that nothing herein shall be construed to prohibit any action deemed appropriate by the Declarant to facilitate the sale of Lots and Homes or development of the Property. Notwithstanding the general prohibition of commercial or business use of Lots and Homes, Owners and residents of a Home may conduct home-based business, like those which are internet based, if:

- a) The business activity is not perceptible from outside of the Home;
- b) The business activity does not result in additional vehicular traffic to the Property above what would be expected from ordinary, residential use of a Home;
- c) The business does not require routine delivery of equipment, supplies, products, or other materials to the Home;

- d) The business does not involve visitation by customers or clients above what would be expected from ordinary, residential use;
- e) The business does not involve storage of hazardous materials within the Property or storage of equipment, supplies, products, or other materials in the garage such that the garage is made unavailable for vehicle parking;
- f) The business does not generate excessive noise, odors, or other noxious or offensive externalities, as determined in the Declarant or Board's discretion;
- g) The business does not negatively affect any insurance policies maintained by the Association or increase the premiums associated with any insurance the Association maintains or desires to maintain; and
- h) The business does not create adverse parking issues or impede the safe flow of traffic and accessibility by emergency vehicles.

The Declarant, and after the Declarant no longer owns any part of the Property and has completed construction of all proposed Improvements, the Board of Directors, shall have the exclusive authority and discretion to determine whether any use of a Lot or Home is compliant with this Section, which decision shall be final and binding.

7.2 Permitted Uses. Lots may only be used for purposes permitted by, and in accordance with, the Governing Documents and applicable law.

7.3 Occupancy & Lease Restrictions. Declarant intends the Lots and Homes within the Property to be for non-transient use and occupancy. The occupancy and leasing of Lots and Homes shall comply with the following provisions.

- a) **Occupancy.** Lots and Homes shall only be occupied by the Owner or lessee, members of their family, and nonpaying social guests. Timeshare interests, fractional ownership arrangements, interval exchanges or exchange programs, membership plans, and any other arrangement in which a person acquires a fractional ownership interest in a Lot or Home, or a beneficial interest in a non-natural person who owns a Lot or Home, or an interest in a trust in which an interest in a Lot or Home is held, with associated rights of periodic use and occupancy or in which a person acquires contract rights to periodic use and occupancy of a Lot or Home are prohibited. All Owners who are non-natural persons (including without limitation the trustee(s) of a Lot or Home held in trust, corporations, limited liability companies, and partnerships) must designate one primary occupant of the Lot or Home, who must be a natural person, in writing to the Association before any Lot or Home owned by a non-natural person may be occupied and as a continuing condition of occupancy of a Lot or Home. After a primary occupant has been designated in writing to the Association, the Lot or Home may exclusively be occupied by the designated primary occupant and his or her family, and provided that no consideration is exchanged, on a temporary basis by his or her genuine social guests. Owners who are non-natural persons may not designate a different primary occupant of a Lot or Home within twelve (12) consecutive months of the preceding designation of a primary occupant of a Lot or Home. Similarly, Owners who are non-natural persons may not permit a Lot or Home to be occupied by anyone other than the designated primary occupant and his or her family, and provided that no consideration is exchanged, on a temporary basis by his or her genuine

social guests, for a period of twelve (12) consecutive months after it has designated a primary occupant in writing to the Association. Non-natural Owners may designate a different primary occupant of a Lot or Home after twelve (12) consecutive months have expired since the Owner last designated a primary occupant of a Lot or Home in writing to the Association.

b) Leases. All leases of a Lot or Home must be in writing and must include the address of the Lot or Home, the names of all tenants and occupants, the lease commencement date, and the term of the lease. All leases must be for a minimum term of twelve (12) consecutive months. Only an entire Lot and Home may be leased; leases of parts of a Lot and individual rooms of a Home are prohibited. In addition, subleasing is not permitted and no Lot or Home may be leased more than two (2) times in a calendar year. When a Lot or Home is subject to a lease, the Owner shall not have the right to use any Common Areas, Limited Common Areas, or recreational facilities (if any), except as necessary to access the Lot or Home and to park a vehicle, and such rights associated with the Lot and Home (excluding the Voting Interests of the Owner) shall be exercisable exclusively by the tenants and occupants during the term of the lease. The Association may require a copy of the lease to be submitted for review and approval as to the form and term of the lease.

c) Compliance. All tenants shall be subject to the terms and conditions of the Governing Documents. Each Owner agrees to cause all lessees and Invitees to comply with the Governing Documents. Owners are responsible for the actions of his or her tenants and Invitees and shall be liable with all tenants and Invitees for all violations, damage, and losses caused by such tenants and Invitees, notwithstanding the fact that the tenants and Invitees are also fully liable for any violation of the Governing Documents. If a lessee or Invitee violates a provision of the Governing Documents, the Board of Directors shall have the right to bring legal proceedings against the lessee, Invitee, and Owner to recover sums due for damages or injunctive relief, or for any other remedy available at law or equity. Owners shall also be jointly and severally liable with their tenants and Invitees to the Association for any amount (as determined in the sole discretion of the Association) which is required by the Association to repair any damage to any portion of the Property or to pay any claim for personal injury, death, or property damaged caused by the act or omission of the tenant or Invitees. The Association may levy Individual Assessments against the Owner and Owner's Lot for such amounts. The Board may adopt additional reasonable rules and regulations concerning the leasing of Lots and Homes.

7.4 Nuisances. No noxious, destructive, or offensive activities shall be permitted on any portion of the Property. No activity which is or may become a nuisance or annoyance to any Owner or other person lawfully occupying any portion of the Property shall be permitted on the Property. No activity is permitted, nor shall any object or substance be kept, stored, or emitted, within the Property in violation of law. Excessively loud music or other unreasonable sounds that can be heard beyond the boundaries of a Lot or Home and which occur after ten o'clock (10:00) p.m. Sunday through Thursday or eleven o'clock (11:00) p.m. Friday or Saturday, are hereby deemed to be nuisances, unless any exceptions to this provision are approved by Declarant. The Declarant, and after the Declarant no longer owns any part of the Property, the Board, shall have

the authority to determine whether any use or activity constitutes a prohibited nuisance, which decision shall be final and binding.

7.5 Detached Structures and Objects. Except as to items or Improvements initially approved or installed by Declarant, no sheds, tanks, storage buildings, basketball hoops or support structures, recreation structures, dog houses, gazebos, swimming pools, or structures of any type, whether similar or dissimilar to those herein enumerated and whether intended to be temporary or permanent, may be erected or kept on any part of the Property. No construction materials or other construction items shall be stored on the Lots, Common Area, Limited Common Area, or Association Property in a manner visible from anywhere outside of the Lot or Home except as approved by Declarant, provided, however, that this prohibition shall not apply to sheds, trailers, or construction materials used by the contractors during construction of the original Improvements on a Lot by Declarant. All construction equipment and materials shall be stored in a secured, orderly, and attractive manner when not actively being used incident to construction of an Improvement.

7.6 Temporary Structures. Except for temporary construction sheds and sanitary toilet facilities used during actual construction of permitted Improvements, no shed, shack, trailer, mobile home, tent, or other temporary or moveable building or structure of any kind shall be erected or permitted to remain on any Lot, Common Area, Limited Common Area, or Association Property except with the prior written consent of the Declarant, or if and after Declarant assigns the right to review and approve Improvements to the Association, the Association or ARC. Declarant reserves the right to demand the immediate removal of any temporary structure for any reason. Notwithstanding the foregoing, Declarant reserves the right for itself and its successors and assigns to place temporary construction or sales trailers upon any part of the Property in connection with the development and sale of the Property.

7.7 Waste. Burning of trash, rubbish, garbage, leaves, or other materials on a Lot, Common Area, Limited Common Area, or Association Property by an incinerator or otherwise is prohibited. All garbage and waste must be stored in closed containers and hidden from view from any adjacent Lot, Home, Common Area, Limited Common Area, Association Property, and roadways within the Property unless placed in the appropriate location for collection by the Utility Provider on the date on which the Utility Provider is scheduled to collect such materials. The Association may adopt rules and regulations regarding the time and location for placement of waste receptacles for collection by the Utility Provider and removal. Waste receptacles must be stored in a manner hidden from view from any adjacent Lot, Home, Common Area, Limited Common Area, Association Property, and roadways within the Property by the end of the day on which it or they are collected by the Utility Provider.

7.8 No Window Air Conditioning. No window air conditioning unit shall be installed in any Home or other Improvement within the Property without Declarant approval, or if and after Declarant assigns the right to review and approve Improvements to the Association, the Association or ARC.

7.9 Fences, Hedges, & Walls.

a) **Master Walls/Fences.** The Declarant and/or Association may install retaining walls and/or fences ("Master Walls/Fences") on certain Lots within the Property (the Owner of any Lots within a portion of such retaining walls and/or fences located thereon are collectively referred to herein as the "Retaining Wall/Fence Owners"). Owners hereby grant to Declarant and the Association, and their successors, assigns, designees, agents, and contractors, a perpetual non-exclusive easement in, on, over and upon such portions of the Property as may be reasonably necessary for the purpose of installing, maintaining, repairing, and replacing Master Walls/Fences, including, without limitation, the right to enter upon any portion of Owner's Lots for such purposes. The Retaining Wall/Fence Owners specifically acknowledge and agree that such Master Walls/Fences may not be removed or altered without Declarant's prior written consent. The Association shall be responsible for maintaining any portion of the Master Walls/Fences located on or about any Lots or any other portion of the Property and the cost of maintenance shall be a Common Expense of the Association.

No Owner shall damage, destroy or otherwise interfere with any such Master Walls/Fences. As to any damage or injury to such Master Walls/Fences caused by an Owner, or his/her family, guests, Invitees, contractors, or agents, such Owner shall reimburse the Association for the repair costs incurred by the Association within fifteen (15) days of receipt of an invoice thereof. The associated costs may be recovered by levying an Individual Assessment against the Owner and Lot.

b) **Approval Required.** Except as to items initially approved by the Declarant, no fences or walls of any kind shall be placed or installed on the Property. Because of the anticipated design and layout of the community and Homes, the surrounding environment and vision for development, and the fact that Members and their Invitees have easements of ingress and egress over Lots, no fences will be approved by Declarant or the Association on Lots.

c) **Property Boundary Fence or Wall.** If Declarant elects to construct a Property boundary fence or wall, the fence or wall may not be removed, altered, or modified without the approval of the Declarant, or if and after Declarant assigns the rights of architectural review and approval to the Association, the Association or ARC.

d) **Easements.** No fence, wall, or other Improvement may be constructed within any easement area if it would interfere with the rights of the beneficiary of the easement. Any fence, wall, or other Improvement constructed in a manner which interferes with the rights of a beneficiary of an easement may be removed by Declarant or the Association at the expense of the Owner, and the associated costs may be recovered by levying an Individual Assessment against the Owner and Lot.

7.10 Antennas. Subject to applicable law, unless otherwise approved by Declarant, no antennas, masts, towers, poles, aerials, satellite dishes, or similar apparatuses shall be erected, constructed, or maintained on the exterior of any Lot or Home, except that one (1) satellite dish of

one (1) meter in diameter or less may be installed on each Lot or Home subject to the Architectural Review Guidelines and approval of the Declarant. The Architectural Review Guidelines may require, and the Declarant's approval may be conditioned upon, the installation of the satellite dish (or other antenna, if Declarant permits it) within a specified location and the installation of appropriate screening mechanisms to shield the satellite dish (or other antenna, if Declarant permits it) from view from other parts of the Property, provided that the Owner or tenant is still able to receive an acceptable quality signal. The Owner(s) of the Lot shall be jointly and severally liable to the Association for any amount (as determined in the sole discretion of the Association) which is required by the Association to repair any damage to the roof or portions of the Building for which the Association has a maintenance obligation, caused by the act or omission related to the installation of such apparatuses. The Association may levy Individual Assessments against the Owner and Owner's Lot for such amounts.

7.11 Signs. All signs of any nature constitute Improvements subject to Declarant review and approval. No signs or advertising posters of any kind, including without limitation "For Rent," "For Sale," and other, similar signs shall be maintained or permitted within any windows or on the exterior of any Home or other Improvements or on any Lot (or vehicle on a Lot) within the Property without the express written permission of the Declarant, and must comply with the uniform signage criteria as may be adopted by the Association, which may be amended from time to time. The approval of any signs and posters, including, without limitation, name and address signs, shall be upon such conditions as may be from time to time determined by the Declarant. Notwithstanding the foregoing, the restrictions of this subparagraph shall not apply to Declarant, and Declarant shall have the right to install or approve the installation of signs necessary or appropriate in Declarant's sole opinion incident to the development and sale of the Property. In addition, the Association shall have the right to repair and replace existing directional, traffic, street name, or other signs installed by Declarant on the Property in accordance with architectural standards adopted by the Declarant. Additional rules and regulations regarding the use, repair, parking, and storage of vehicles, vessels, and trailers on the Property may be promulgated from time to time by the Declarant and Association. The Association may enforce the foregoing restrictions in any lawful manner, including the imposition of fines and causing improperly parked vehicles, vessels, and trailers to be towed at the owner's expense. Nothing in this paragraph prohibits the emergency repair or servicing of Permitted Vehicles, so long as such repair or servicing is completed within forty-eight (48) hours, the occasional parking of vehicles by delivery personnel or service providers of Owners on the street for a reasonable period of time to perform such delivery or service, or the temporary parking of a van or recreational vehicle for the purpose of picking up, loading, or cleaning the van or recreational vehicle in a manner that does not inhibit ingress and egress.

All permitted animals must be kept on a leash and under the full control of the handler when they are outside the Owner's Home and must remain on a leash if within an Owner's Lot unless the part of the Lot in which the animal is located is fully enclosed. Notwithstanding the foregoing, if the Association receives proceeds from an insurer associated with an insurance policy maintained by the Association covering the damage or waste committed by an Owner or Invitee of such Owner, the liability of the Owner or his or her Invitee shall be reduced by the insurance proceeds received by the Association. To the extent from time to time available, the Association's insurance policies

xiii) Any and all Life Safety Systems serving the Home. Life Safety System includes without limitation, any sprinklers, emergency lighting, audio and visual signals, safety systems, and related equipment, and smoke detection systems,

which are now or hereafter installed in the Building, whether or not within the Home. All such Life Safety Systems, together with all conduits, plumbing, wiring, electrical connections and systems related thereto, regardless of where located, shall be maintained, repaired, and replaced by the Owner. The Association shall have the right, but not the obligation in any instance, to enter upon any portion of a Lot or Building, including within Homes after reasonable notice, to inspect the sprinkler system and/or any Life Safety Systems serving a Building or Home and perform any maintenance, repair, or replacement an Owner fails to perform and to levy an Individual Assessment against the Owner and his or her respective Lot for all costs associated with the Association's action under this provision. However, prior to exercising this right, except in an emergency, the Association shall provide at least seven (7) days' written notice to the Owner outlining the nature of the maintenance, repair, or replacement the Association deems necessary or appropriate and providing a time period within which the Owner must perform such maintenance, repair, and replacement.

xiv) Each Owner shall also be responsible for providing pest control for their Lot and Home.

xv) Each Lot shall be individually metered for water, and each Lot Owner shall be responsible for the payment of the utility charges associated with all water usage associated with that Lot.

xvi) All other portions of the Lot and Home for which the obligation to maintain, repair, and replace have not been specifically delegated to the Association in this Declaration. The omission of a component of the Property from this Section does not imply that the Association is responsible for the maintenance, repair, or replacement of any such component.

xvii) If any Association-maintained Common Areas or areas or Association Property are damaged or destroyed as a result of the negligence, misuse, error, act or the failure to act by an Owner or any of his guests, tenants, invitees, agents, employees, or family members, the Association may, in its sole and absolute discretion, may repair the damaged area, with the cost of such repairs being the responsibility of that Owner as an Individual Assessment, payable by the responsible Owner immediately upon receipt of a written invoice or statement.

9.3 Shared Components. This Section provides the process for maintaining, repairing, and replacing components of a townhome building which serve or benefit more than one Lot or Home and the Owners thereof, and the process for allocating the associated costs among the Owners. This Section is anticipated to apply to partition walls within townhome Buildings which form a shared boundary between two Homes ("Party Wall"), portions of townhome Buildings which contribute to the structural support of more than one Home, Utilities which serve more than one Home (but not Utilities that serve the Property as a whole or all Lots, Homes, and Owners), and potentially the roofing system, if the roofing system is constructed in a manner such that part of it cannot be repaired or replaced without repairing or replacing the entirety of it or parts of it located above more than one Home. Components of the townhome Buildings and Utilities which

serve or benefit more than one Lot or Home, such as (but not exclusively limited to) the components listed above, are referred to herein as "Shared Components."

a) Affirmative Obligation, Use, Maintenance, Repair and Replacement of the Party Wall. Each Owner shall each be responsible, at its sole cost and expense and subject to the terms of this Declaration, for the maintenance and repair of its respective interior face of the Party Wall. Should the Party Wall, or any portion thereof, be damaged or destroyed by the intentional act, gross negligence or negligence of either Owner, their respective agents, guests, licensees or invitees, such Owner shall immediately: (i) repair or replace the Party Wall, or the damaged or destroyed portion thereof, at that Owner's sole cost and expense; and (ii) compensate the other Owner for all resulting damages to the property of the other Owner. Any maintenance, repair or replacement of the Party Wall shall: (i) be of the same material, or similar material of the same quality, as that originally used in the Party Wall; (ii) be completed in a good and workmanlike manner, as expeditiously as reasonably possible; (iii) not change the location or size of the Party Wall; (iv) not impair the strength of the Party Wall nor damage the foundations located on either Parcel; and (v) be performed by a licensed contractor, subject to the approval of the Association.

b) Determination of Need for Maintenance. In the event one Owner believes that maintenance, repair, or replacement of a Shared Component is reasonably necessary, he or she shall provide written notice to the other Owner(s) served by, or who benefit from, the Shared Component describing the item(s) of maintenance, repair, or replacement he or she deems reasonably necessary and the estimated cost, as established by a bid from a licensed contractor. The other Owner(s) shall have twenty (20) days after receipt of the written notice to consent or object to the proposed maintenance, repair, or replacement, which shall be in writing. If the other Owner(s) consent(s) or fail(s) to object within twenty (20) days after receipt of written notice, then the maintenance, repair, or replacement as reasonably described in the written notice may be undertaken and the associated costs shall be shared equally by the Owners served by, or who benefit from, the Shared Component. To clarify, each Lot served by, or that benefits from, a Shared Component shall bear an equal proportionate share of the costs associated with maintaining, repairing, or replacing a Shared Component (regardless of the number of Owners of each such Lot). If another Owner served by, or who benefits from, the Shared Component objects in writing within twenty (20) days of receipt of written notice, then the Owners served by, or who benefit from, the Shared Component may: (i) informally discuss and agree upon a resolution; (ii) mutually agree to resolve the disagreement by mediation and share the costs thereof equally; (iii) mutually agree to submit the matter to binding or nonbinding arbitration; or, if the Owners are unable to agree on any of the preceding alternatives, (iv) any Owner may proceed to resolve the dispute in a court of competent jurisdiction. In the resolution of any such dispute, the deciding authority shall determine whether the maintenance, repair, or replacement is or was reasonably necessary and whether the associated costs are reasonable. Notwithstanding the foregoing, if any maintenance, repair, or replacement of a Shared Component constitutes an emergency or is reasonably necessary to prevent imminent damage to property or injury to person, any Owner served by, or who benefits from, a Shared Component may take immediate action to maintain, repair, or replace a

Shared Component, and all Owners served by, or who benefit from, the Shared Component shall be obligated to contribute a proportionate share of the expenses thereof. In such an event, and to the extent reasonably possible under the circumstances, the performing Owner shall attempt to provide notice to the other Owners served by, or who benefit from, the Shared Component before undertaking such maintenance, repair, or replacement of a Shared Component, but Owners acknowledge and agree that in some situations, notice may not be possible or may only be able to be given a short time before such maintenance, repair, or replacement is undertaken to address an emergency. In addition, for the purposes of notice under this Section, notice shall be deemed given when placed in the mail or personally delivered and addressed to the Owner using the address last furnished by the Owner to the Association for the purpose of receiving notices, or if no such address has been provided, the mailing address for the Owner identified in the records of the Duval County Property Appraiser.

c) Casualty, Negligence, & Intentional Damage. If a Shared Component is damaged or destroyed by fire or other casualty, any Owner served by, or who benefits from, the Shared Component may restore it and seek contribution from the other Owner(s) who are served by, or who benefit from, the Shared Component. If a Shared Component is damaged by the negligence, recklessness, or intentional act or omission of an Owner or any of his or her Invitees, the Owner and his or her Invitee(s) who caused the damage or destruction, as the case may be, shall be jointly and severally liable for the full costs of repair or replacement of the Shared Component. If the repairs or replacement are not promptly made, any Owner who is served by, or benefits from, the Shared Component may perform the required repairs or replacements and exercise the remedies for nonpayment outlined in this Section, including without limitation recording a claim of lien against the nonperforming or nonpaying Owner.

d) Remedies for Nonpayment. If an Owner fails to pay his or her proportionate share of the maintenance, repair, or replacement costs for a Shared Component, the Owner(s) served by, or who benefit from, the Shared Component and who have paid their proportionate shares of such costs shall have a lien on the nonpaying Owner's Lot to secure payment of such nonpaying Owner's proportionate share, together with interest and reasonable attorneys' fees and costs incident to collection of such Owner's proportionate share of the expenses. The Owner(s) who has or have paid their proportionate share(s) of such costs may record a claim of lien in the Official Records of Duval County, Florida against the nonpaying Owner(s)' Lot to secure payment. The lien provided for herein shall be effective from and after the recording of a claim of lien in the Official Records of Duval County, Florida; however, it shall be inferior in priority to any lien of the Association, including liens of the Association arising after the recording of a claim of lien by an Owner. In addition to any other remedy available at law or in equity, the Owner(s) seeking recovery of maintenance, repair, or replacement costs for a Shared Component may petition a court of competent jurisdiction to foreclose the claim of lien without waiving any other available causes of action or remedies. The prevailing party in any action to recover an Owner's proportionate share of maintenance, repair, or replacement expenses associated with a Shared Component shall be entitled to recover reasonable attorneys' fees and costs.

e) **Easement for Maintenance, Repair, & Replacement.** All Lots shall have a perpetual, non-exclusive easement appurtenant for ingress and egress onto other Lots that are served by, or benefit from, a Shared Component for the purposes of maintaining, repairing, or replacing Shared Components. Such easement shall be exercised at reasonable times, and upon reasonable notice, except in the event of an emergency, so as to not unreasonably interfere with the possession and use of a Home by another Owner.

f) **Approval of Alterations.** Notwithstanding any other provision in this Section, Owners shall not alter any part of any townhome Building, Home, Shared Component, or other Improvement visible from the exterior of any Home without Declarant's express written approval, or if and after Declarant assigns the right to review and approve Improvements to the Association, the written approval of the Association or ARC. This includes (without limitation) any alteration of exterior colors, materials, fixtures, sconces, and any other component visible from the exterior of any Home.

9.4 Maintenance Standards; Association's Right to Require Maintenance. Owners shall maintain, repair, and replace the portions of their Lots and Homes for which they are responsible (including without limitation Shared Components) as necessary, and at sufficient intervals, to promote a positive, well-maintained appearance of the Property. The Association shall have the right, but not the obligation in any instance, to enter upon any portion of the Property, including within Homes after reasonable notice, and perform any maintenance, repair, or replacement an Owner fails to perform and to levy an Individual Assessment against the Owner and his or her respective Lot for all costs associated with the Association's action under this provision. However, prior to exercising this right, except in an emergency, the Association shall provide at least fourteen (14) days' written notice to the Owner outlining the nature of the maintenance, repair, or replacement the Association deems necessary or appropriate and providing a time period within which the Owner must perform such maintenance, repair, and replacement.

9.5 Maintenance by Association. The Board is entitled to exercise reasonable business judgment in determining the timing and scope of maintenance, repair, and replacement for which it is responsible. Notwithstanding, for so long as Declarant owns any part of the Property and until Declarant has constructed all proposed Improvements on the Property, if Declarant determines in its sole discretion that it is necessary or desirable for the Association to maintain, repair, or replace a component within its responsibility, Declarant may provide written notice to the Association describing the nature of maintenance, repair, or replacement Declarant deems necessary or desirable and providing a reasonable time (in Declarant's sole discretion) within which the Association must perform such maintenance, repair, or replacement. If the Association fails to perform the maintenance, repair, or replacement identified by Declarant, Declarant may perform such maintenance, repair, or replacement on behalf of the Association and the Association shall pay Declarant upon demand all costs associated therewith, plus ten percent (10%) of such costs as an administrative expense.

9.6 Alterations & Additions. Alterations of and additions to the Property must comply with the following provisions:

a) **Common Areas & Association Property.** There shall be no material alteration of or substantial additions to Common Area or Association Property unless approved by the Board and a majority of the total Voting Interests. Notwithstanding, changes to and replacement of landscaping, and any alteration of or addition to Common Area or Association Property for which the associated cost does not exceed ten percent (10%) of the Association's budget for Assessments, including reserves (if the Association chooses to levy Assessments for reserves), made by the Association shall not constitute a material alteration or substantial addition and shall only require Board approval. In addition, any alteration of or addition to Common Area or Association Property undertaken by the Association which the Board deems necessary or beneficial in the maintenance, repair, replacement, or protection of the Property, regardless of cost, shall not constitute a material alteration or substantial addition and may be undertaken with Board approval. Further, any alteration of or addition to the Common Area or Association Property required by a governmental entity or to comply with any applicable law or permit issued by a governmental entity shall not constitute a material alteration or substantial alteration and may be undertaken by the Association, regardless of cost. No Owner shall make any alteration or addition to Common Area or Association Property without Declarant approval, or if and after Declarant assigns the right to review and approve Improvements to the Association, the Association or ARC.

b) **Lots & Homes.** Owners shall not make any alteration or addition to any portion of a Lot or Home visible or perceptible from outside of the Home without the prior written approval of the Declarant, or if and after Declarant assigns the right to review and approve Improvements to the Association, the approval of the Board. The foregoing limitation includes, but is not limited to, painting the exterior portion of any Home a different color (including without limitation doors and garage doors), and replacing any lighting sconces or fixtures on the exterior of, or otherwise visible from the exterior of, the Home with a sconce or fixture of a different type, style, or color. In addition, Owners shall not make any alteration or addition to any Home which would adversely affect the safety or structural integrity of any Home. Owners shall not alter any structural or load-bearing component of any Home. However, Owners may alter the interior portions of their Homes not visible or perceptible from the exterior of the Home, such as removing non-load bearing interior partition walls (but not the partition wall dividing two Homes) and painting and otherwise decorating the interior of the Home. If an Owner desires to make an alteration or addition for which Declarant or Association approval is required, the Owner shall submit an application for the proposed Improvement in accordance with Article VI.

c) **Declarant Exemption & Approval.** The provisions of this Section do not apply to Declarant, and Declarant may make any alterations or additions to any part of the Property in its sole discretion, except to the interior of Homes that have been conveyed to third parties, so long as it owns any part of the Property or until it has completed construction of all proposed Improvements on the Property. In addition, until Declarant no longer owns any part of the Property, and until Declarant has completed construction of all proposed Improvements on the Property, any alteration of or addition to the Property visible or perceptible from outside of a Home, and any alteration of or addition to a Home

that could affect the safety or structural integrity of a Home, shall require Declarant's prior express written approval.

9.7 Hurricane Shutters. Owners may, subject to the provisions of the Governing Documents and Declarant approval (or if and after Declarant assigns the right to review and approve Improvements to the Association, Association or ARC approval), install hurricane shutters that comply with applicable building code and the standards, criteria, and specifications adopted by the Declarant (or if and after Declarant assigns the right to review and approve Improvements to the Association, the Association or ARC). If not previously established by Declarant, if and after the Declarant assigns the right to review and approve proposed Improvements to the Association, the Board shall adopt standards, criteria, and specifications for hurricane shutters which may include regulation of color, style, material, and other factors deemed relevant by the Board, and Owners who desire to install hurricane shutters may be required to install the same type, color, style, and material of shutter to maintain a harmonious and consistent exterior appearance of the Homes. The installation of hurricane shutters constitutes an Improvement subject to Article VI, and an Owner is responsible for the operation, maintenance, repair, and replacement of any hurricane shutters installed by an Owner at the Owner's sole expense.

9.8 Duty to Mitigate & Report Damage. Owners shall undertake all action necessary to mitigate the potential for damage to components of the Property for which the Association is obligated to maintain, repair, or replace and to other Homes. Regardless of whether their Home is occupied, Owners shall operate their HVAC systems to reduce humidity in the Home and to prevent mold growth, periodically inspect all drains, plumbing, and drip pans and keep them free from stoppages and clogs, and shut off the water supply to the Home when the Home will be unoccupied for more than forty-eight (48) hours. Owners shall cause their Homes to be periodically inspected when not occupying or otherwise absent from their Homes for more than forty-eight (48) hours, and Owners shall promptly inform the Association of any event or issue which has caused or may cause damage to components of the Property for which the Association is obligated to maintain, repair, or replace or to other Homes.

9.9 Damage Caused by Owner or Invitee. Owners are responsible for the costs of repair or replacement of any part of the Property not paid by insurance proceeds if such damage is caused by the intentional conduct, negligence, or failure to comply with the terms of the Governing Documents by an Owner, the members of his or her family, Home occupants, tenants, guests, licensees, or other Invitees, without compromise to the subrogation rights of the insurer. All such costs shall constitute an Individual Assessment against the Lot and Owners thereof who, or whose family, Home occupants, tenants, guests, licensees, or other Invitees, caused the damage.

9.10 Mold & Other Microbials. The Property is located in a geographic area in which mold and other microbials are naturally present and may be present in indoor environments. Mold and other microbials may enter Homes through apertures, such as doors and windows, and may become present within wall cavities. Excess moisture and humidity within a Home can lead to the accumulation of excess levels of mold and other microbials. Owners shall be solely responsible to remove visible moisture accumulation, repair leaks, and prevent and eliminate excess humidity in Homes immediately upon discovery thereof, and Owners shall perform periodic inspections of

plumbing, drains, condensate lines, air handlers, and ducts within or serving their Homes to prevent the spread of water, prevent leaks, and avoid the growth or accumulation of mold or other microbial contamination in the Homes. In addition, Owners shall continuously cause their HVAC systems to be operated at sufficient levels and intervals to manage the relative humidity in their Homes and to prevent mold and microbial growth, regardless of whether the Home is occupied. Each Owner shall promptly notify the Association in writing of any leaks, water penetration, or excess humidity, and any mold or other microbial contamination discovered in his or her Home. If required by the Association, the Owner shall engage an indoor environmental specialist acceptable to the Association to determine the cause of any leaks, water penetration, or excess humidity, the extent of any microbial contamination, and the appropriate course of repair and remediation. The applicable Owner, at the Owner's sole cost and expense, shall promptly undertake all repairs and remediation in order to repair such leaks, water penetration, or excess humidity in accordance with nationally accepted remediation standards. Additionally, Owners shall prevent the accumulation of other contaminants, including but not limited to, carbon dioxide, volatile organic compounds, formaldehyde, and other chemicals or gases in his or her Home, or spreading from his or Home, that are or might be injurious to human health. Owners shall not use any biocides or chemicals in their Home for removal of any contamination that are not EPA-registered for that particular purpose or which could be harmful to other Homes or their occupants.

DECLARANT AND ASSOCIATION MAKE NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF HABITABILITY, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR QUALITY OF WORKMANSHIP AS TO BUILDING MATERIALS OR CONSTRUCTION MEANS AND METHODS WITH REGARD TO INDOOR AIR QUALITY OR THE PRESENCE OR ABSENCE OF MOLD OR OTHER MICROBIALS AND ANY CHEMICAL OR TOXIN SECRETED OR EMITTED IN PROXIMITY TO A HOME, OR REGARDING THE EFFECTIVENESS OF AN ARCHITECTURAL OR ENGINEERING FIXTURE OR DESIGN FOR REDUCING THE PRESENCE OR GROWTH OF MOLD OR OTHER MICROBIALS, THE RESPONSIBILITY FOR THE PREVENTION OF THESE ITEMS BEING THAT OF THE OWNER THROUGH PROPER INSPECTION AND MAINTENANCE OF THE HOME.

ARTICLE X INSURANCE

10.1 Property Insurance. The Association shall keep all Improvements located on Association Property and Common Area (if any) insured against loss and damage by fire or other casualty for the full insurable replacement values, subject to policy exclusions and deductibles deemed acceptable by the Board. The Association shall also, to the extent possible, maintain insurance for Association Property installed by Declarant on Lots which are intended for the benefit, use, or enjoyment of all Owners and their Invitees, which may but will not necessarily include or be limited to perimeter fences, perimeter walls, and components of the Stormwater Management System. Nothing herein shall be construed to require the Association to procure or maintain insurance for Owners' Homes, Lots, or any Improvements located thereon (except

Improvements or personal property installed or placed on Lots by Declarant which are intended for the benefit, use, or enjoyment of all Owners and their Invitees).

10.2 Flood Insurance. The Association may maintain flood insurance with respect to any Association Property, Common Area, and Improvements for which the Association is obligated or permitted to maintain property insurance in such scope, coverage amounts, and deductibles as deemed appropriate by the Board.

10.3 Liability Insurance. The Association shall maintain comprehensive general liability insurance with coverage of at least \$1,000,000.00 per occurrence to insure against liability for bodily injury (including death) and property damage occurring on the Property or as the alleged result of an unintentional act or omission of the Association, its Directors, Officers, and employees; provided, however, that nothing herein obligates the Association to insure Owners for liability for occurrences on their respective Lots. In addition, the Association may procure a Directors and Officers liability insurance policy covering claims of alleged wrongful acts of Directors and Officers in their capacities as Directors and Officers, with such scopes of coverage, coverage limits, retentions, and deductibles as the Board may determine.

10.4 Fidelity Insurance or Bonds. The Association shall maintain insurance or a fidelity bond for all persons who control or disburse funds of the Association. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or its management agent at any one time.

10.5 Other Insurance. The Association may obtain such other insurance as the Board may deem appropriate.

10.6 Owners' Property Insurance. All Owners are obligated to procure and maintain property insurance on a replacement cost basis insuring their respective Homes against loss and damage by fire or other casualty. Owners shall provide proof of the required insurance to the Association upon request. If an Owner fails to furnish proof of insurance to the Association upon request, the Association may, but shall not be obligated to, provide written notice to the Owner informing the Owner that if he or she does not procure the required insurance and provide proof to the Association within fourteen (14) days of the date of the notice, the Association may procure such insurance and may levy an Individual Assessment against the Owner and his or her Lot for the associated costs. If the Owner fails to procure or provide proof of insurance within fourteen (14) days of the date of the notice, the Association may, but shall not be obligated to, procure such insurance, either in the Association's name or in the name of the Owner(s), and levy an Individual Assessment against the Owner and his or her Lot for the associated costs. By acquiring a fee interest in a Lot, all Owners shall be deemed to have granted the Association an irrevocable power of attorney, coupled with an interest, to procure property insurance on each Owner's behalf if the Owner fails to procure and maintain the property insurance and provide proof to the Association as required by this Section.

10.7 Waiver of Subrogation. Unless any insurance policy would be voided by the existence of this provision, the Association hereby waives and releases all claims against Association Directors, Officers, Members, the Declarant, and the agents and employees of the

Association and Declarant, but only to the extent that insurance proceeds are received in full compensation for a loss. All appropriate insurance policies maintained by the Association shall include waivers of subrogation compatible with this Section.

ARTICLE XI CONDEMNATION AND CASUALTY

11.1 Condemnation. If any or all of the Association Property is taken by condemnation or government action, the Association shall have the sole and exclusive right and obligation to apply for and receive any award or other compensation given as a result, to be held by the Association and retained or disbursed as provided in this Section.

a) Partial. If part of the Association Property is taken by condemnation or government action, the remainder of the Association Property shall be restored as nearly as possible to its condition prior to the taking. The cost of such restoration shall be paid first from the award, if any, recovered by the Association, and thereafter by Assessments of all Owners for the remaining costs of restoration. If the part of the property subject to the taking has been designated as a Limited Common Area, then Assessments for restoration shall be levied exclusively against the Owners and their respective Lots who otherwise bear Assessment liability with respect to such Limited Common Area. Any surplus award remaining after such restoration shall be held by the Association for the benefit of the Association and may be used for operating costs or held in reserves as the Board may determine.

b) Total. If the entire Association Property, or an entire parcel of Association Property, is taken by condemnation or government action, then the Association may retain the funds recovered by the Association incident to the taking, if any, which may be used for any proper purpose as the Board may determine. If the Board determines to distribute the proceeds of the taking, the Board shall cause any prorated distribution of such funds to be payable jointly to the Owners and their mortgagees as their interests may appear. The Association shall not be obligated to issue a joint payment instrument if the mortgagee has not provided notice to the Association, or the Association is otherwise unable to identify the mortgagee by reviewing the Official Records.

11.2 Casualty. If all or part of the Association Property is destroyed by fire, storm, accident, or any other casualty, the Association shall be solely responsible for filing and adjusting claims under any insurance policies maintained and shall hold and apply any such insurance proceeds as described herein.

a) Rebuild or Replacement. Unless the Members elect to not rebuild or replace the Association Property as described in (b) below, the Association shall rebuild or replace any casualty damage as nearly as possible to its condition prior to the casualty by first applying any insurance proceeds received by the Association and thereafter levying Assessments against the Owners for any deficiency necessary to complete the rebuilding or replacement. If the casualty affects a Limited Common Area, any Assessment to repair, rebuild, or replace the Limited Common Area and Improvements thereon shall be levied

against the Owners and their respective Lots who have the right to use or otherwise benefit from such Limited Common Areas. Any excess insurance proceeds remaining after all costs of repairing or replacing the casualty damage have been paid shall be held by the Association for the benefit of the Association to defray future Association expenses as the Board may determine.

b) Election to Not Rebuild or Replace. Upon the occurrence of any casualty damage to the Association Property, if all of the Owners elect in writing to not rebuild or replace the Association Property, the Association shall either retain any net insurance proceeds to offset future Common Expenses or distribute any net insurance proceeds (after deducting administrative and professional costs incurred by the Association, including the costs of filing and adjusting the insurance claims) to the Owners jointly with their mortgagee(s), if any, pro rata.

11.3 Casualty Damage to Owners' Property. In the event of damage or destruction by fire or other casualty to a Home or Improvements on a Lot which the Owners are obligated to independently insure, the Owner thereof shall immediately remove all debris and render the Lot and adjacent parts of the Property free from hazards resulting from the casualty. In addition, the Owner shall repair, restore, or otherwise reconstruct the Home in accordance with the original design and construction in a good workmanlike manner within a reasonable time not to exceed one (1) year from the date of the damage or destruction and in accordance with Article VI of this Declaration. If any Owner fails to comply with this provision, the Declarant and Association shall have the right, but not the obligation, to enter the Lot, demolish, repair, restore, or otherwise reconstruct the Home, remove any debris, mitigate any hazards, restore such portion of the Property to an orderly condition, and levy an Individual Assessment against the Owner and Owner's Lot for all associated costs.

ARTICLE XII STORMWATER MANAGEMENT SYSTEM

12.1 Compliance with Permits. No person shall engage in any act or omission, or construct or make any Improvement, in a manner which would violate the St. Johns River Water Management District Permit Nos.: 36309-3 and 183822-1, as amended and extended, for the Stormwater Management System.

12.2 Operation and Maintenance of the Stormwater Management System. The Association shall maintain all lakes, drainage areas, drainage easements, and control structures, and shall preserve and protect all current and future conservation areas (including, without limitation, any wetland or conservation areas created or enhanced before or after control over the Association has been turned over from the Declarant to the Owners) and littoral zones located within, adjacent, or in near proximity to the Property, in accordance with the terms and provisions of any conservation easements and all permit requirements and conditions contained in applicable dredge fill, consumptive use, surface water permits, or any other applicable permits issued by the United States Army Corps of Engineers ("ACOE"), Florida Department of Environmental Protection ("FDEP"), St. Johns River Water Management District ("SJRWMD"), and the St Johns

County, Florida and all statutes, rules, regulations and requirements pertaining to surface water management, drainage and water quality promulgated by the SJRWMD, the FDEP, and all other local, state and federal authorities having jurisdiction. The Association shall maintain those portions of the Common Area designated by applicable permit or other instrument as conservation tracts, stormwater management tracts or similar designations, in accordance with all permit requirements, rules, and regulations promulgated by all local, state and federal authorities having jurisdiction. The Association shall be responsible for the maintenance, operation and repair of the Stormwater Management System. Maintenance of the Stormwater Management System(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance, or other stormwater management capabilities as permitted by the St. Johns River Water Management District. The Association shall be responsible for such maintenance and operation. Any repair or reconstruction of the Stormwater Management System shall be as permitted or, if modified as approved by the St. Johns River Water Management District. All maintenance obligations of the Association shall be performed as ordered by the Board of Directors of the Association, and all or any portion of the cost of such maintenance incurred by the Association pursuant to this shall be a common expense of the Association to be collected and paid in the manner prescribed by this Declaration.

12.3 Compliance by Members. All Owners shall, by acceptance of title to a Lot, be deemed to have assumed the obligation to comply with the requirements of the Stormwater Management System Permit as it relates to the Lot. Except as required or permitted by permits issued by the SJRWMD, no Owner shall alter, fill, dredge, place sod or excavate, or perform similar activities on any portion of his, her, or its Lot which contains jurisdictional wetlands, upland buffers, or conservation areas as established by the SJRWMD, or which would otherwise be in violation of the Permit, unless and until such activity is authorized by the SJRWMD and approved by Declarant. In the event that an Owner or his or her Invitee violates the terms and conditions of such Permit and for any reason the Declarant or the Association is cited therefor, the Owner agrees to indemnify, defend, and hold the Declarant and the Association harmless from all costs arising in connection therewith, including without limitation all costs and attorneys' fees as well as costs of curing such violation, which shall constitute an Individual Assessment against such Owner and his or her Lot.

12.4 Enforcement by SJRWMD. The St. Johns River Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation and repair of the Stormwater Management System.

12.5 Amendment. Any amendment to this Declaration that alters any provision relating to the Stormwater Management System, beyond maintenance in its original condition, including mitigation or preservation areas and the water management portions of the Common Areas, must have the prior approval of the St. Johns River Water Management District. This Declaration may not be terminated unless adequate provision for transferring perpetual maintenance responsibility for the Stormwater Management System obligation to the then Owners of the Lots is made, and said transfer obligation is permitted under the then existing requirements of the St. Johns River Water Management District or its successors and the County or any other governmental body that may have authority over such transfer.

12.6 Jurisdictional Areas and Permits. THE PROPERTY HAS BEEN OR WILL BE DEVELOPED IN ACCORDANCE WITH REQUIREMENTS OF ST. JOHNS RIVER WATER MANAGEMENT DISTRICT PERMIT NUMBERS 36309-3 and 183822-1, AS MAY BE AMENDED (THE "PERMIT"). THE PERMIT IS OR WILL BE OWNED BY THE ASSOCIATION AND THE ASSOCIATION HAS THE OBLIGATION TO ASSURE THAT ALL TERMS AND CONDITIONS THEREOF ARE ENFORCED. THE ASSOCIATION SHALL HAVE THE RIGHT TO BRING AN ACTION, AT LAW OR IN EQUITY, AGAINST ANY OWNER VIOLATING ANY PROVISION OF THE PERMIT. THE ST. JOHNS RIVER WATER MANAGEMENT DISTRICT SHALL HAVE THE RIGHT TO ENFORCE, BY A PROCEEDING AT LAW OR IN EQUITY, THE PROVISIONS CONTAINED IN THE COVENANTS AND RESTRICTIONS WHICH RELATE TO THE MAINTENANCE, OPERATION AND REPAIR OF THE SURFACE WATER OR STORMWATER MANAGEMENT SYSTEM.

FURTHER, ANY OWNER OWNING A LOT WHICH CONTAINS OR IS ADJACENT TO JURISDICTIONAL WETLANDS OR CONSERVATION AREAS AS ESTABLISHED BY THE ACOE OR SJRWMD OR BY ANY APPLICABLE CONSERVATION EASEMENT SHALL BY ACCEPTANCE OF TITLE TO THE LOT, BE DEEMED TO HAVE ASSUMED THE OBLIGATION TO COMPLY WITH THE REQUIREMENTS OF THE PERMIT AS THE SAME RELATE TO SUCH OWNER'S LOT AND SHALL AGREE TO MAINTAIN SUCH JURISDICTIONAL WETLANDS AND CONSERVATION AREAS IN THE CONDITION REQUIRED UNDER THE PERMIT. IN THE EVENT THAT AN OWNER VIOLATES THE TERMS AND CONDITIONS OF THE PERMIT AND FOR ANY REASON THE DECLARANT OR THE ASSOCIATION IS CITED THEREFORE, THE OWNER AGREES TO INDEMNIFY AND HOLD THE DEVELOPER AND THE ASSOCIATION HARMLESS FROM ALL COSTS ARISING IN CONNECTION THEREWITH, INCLUDING WITHOUT LIMITATION ALL COST AND ATTORNEYS' FEES, AS WELL AS ALL COSTS OF CURING SUCH VIOLATION. NO PERSON SHALL ALTER THE DRAINAGE FLOW OF THE STORMWATER MANAGEMENT SYSTEM OR ANY PORTION OF THE JURISDICTIONAL WETLANDS OR CONSERVATION AREAS, INCLUDING WITHOUT LIMITATION, ANY BUFFER AREAS, SWALES, TREATMENT BERMS OR SWALES, WITHOUT THE PRIOR WRITTEN APPROVAL OF THE SJRWMD, AS APPLICABLE.

12.7 Indemnity. Upon the transfer of the Permit by Declarant to the Association, the Association shall indemnify, defend, and hold harmless Declarant, its principals, employees, managers, and agents, against all claims, damages, expenses, and losses of any nature (the foregoing collectively, "Claims") arising out of or related to the Stormwater Management System

ARTICLE XIII DISCLAIMERS & ALTERNATIVE DISPUTE RESOLUTION

13.1 Declarant Representations & Warranties. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE FACE HEREOF, EXPRESS OR IMPLIED. ALL IMPROVEMENTS CONSTRUCTED ON THE PROPERTY BY DECLARANT, ITS PRINCIPALS, AGENTS, SUCCESSORS, AND ASSIGNS, OR OTHERWISE CONVEYED TO THE ASSOCIATION OR OTHER PERSONS SHALL BE CONVEYED IN "AS IS"

CONDITION, UNLESS EXPRESSLY STATED OTHERWISE IN ANY PURCHASE AND SALE CONTRACT FOR A SPECIFIC IMPROVEMENT. ALL PERSONAL AND REAL PROPERTY CONVEYED TO THE ASSOCIATION SHALL BE ACCEPTED BY ASSOCIATION IN "AS IS" CONDITION AND WITHOUT WARRANTY, EXPRESS OR IMPLIED. WITH RESPECT TO ALL IMPROVEMENTS, TO THE GREATEST EXTENT PERMITTED BY LAW, ALL IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, AN IMPLIED WARRANTY OF FITNESS AND MERCHANTABILITY, IMPLIED WARRANTY THAT ANY CONSTRUCTION CONFORMS TO PLANS OR SPECIFICATIONS, AND IMPLIED WARRANTY FOR COMPLIANCE WITH BUILDING CODES, ARE HEREBY EXPRESSLY DISCLAIMED. WITH RESPECT TO ANY CLAIMS BASED ON WARRANTIES THAT CANNOT BE DISCLAIMED AS A MATTER OF LAW OR OTHERWISE ARISING OUT OF OR RELATED TO THE CONSTRUCTION OR DESIGN OF ANY IMPROVEMENT CONSTITUTING PART OF THE PROPERTY, THE ASSOCIATION AND ALL OWNERS WAIVE ALL CLAIMS FOR INCIDENTAL, CONSEQUENTIAL, AND SPECIAL DAMAGES AGAINST DECLARANT, ITS PRINCIPALS, AGENTS, CONTRACTORS, MANAGERS, AND EMPLOYEES.

13.2 Safety & Security. THE DECLARANT, ASSOCIATION, AND THEIR RESPECTIVE DIRECTORS, OFFICERS, MANAGERS, PRINCIPALS, AGENTS, AND EMPLOYEES (COLLECTIVELY, "LISTED PARTIES") SHALL NOT BE LIABLE OR RESPONSIBLE FOR, OR IN ANY MANNER BE A GUARANTOR OR INSURER OF, THE HEALTH, SAFETY, OR WELFARE OF ANY OWNER, OCCUPANT, OR USER OF ANY PORTION OF THE PROPERTY, INCLUDING, WITHOUT LIMITATION, OWNERS, RESIDENTS, AND THEIR FAMILIES, GUESTS, AGENTS, CONTRACTORS, AND OTHER INVITEES, OR FOR ANY PROPERTY OF ANY SUCH PERSONS. NONE OF THE LISTED PARTIES HAVE UNDERTAKEN, OR SHALL BE DEEMED TO HAVE EVER UNDERTAKEN, ANY DUTY TO PROVIDE SECURITY OR ENSURE THE SAFETY OF ANY PERSON OR PROPERTY AND SHALL NOT BE HELD LIABLE FOR FAILURE TO PROVIDE SECURITY OR FOR THE EFFECTIVENESS OR INEFFECTIVENESS OF ANY SECURITY MEASURES UNDERTAKEN. ALL PERSONS OCCUPYING OR LOCATED WITHIN ANY PART OF THE PROPERTY ARE SOLELY RESPONSIBLE FOR ENSURING THEIR PERSONAL HEALTH AND SAFETY. BY VIRTUE OF THEIR ACCEPTANCE OF AN INTEREST IN, OR USE OF, ANY PORTION OF THE PROPERTY, ALL PERSONS SHALL BE DEEMED TO HAVE AGREED TO RELEASE AND HOLD HARMLESS THE LISTED PARTIES FROM ANY AND ALL CLAIMS, DAMAGES, LIABILITIES, AND INJURIES (INCLUDING DEATH) OCCURRING ON OR ADJACENT TO THE PROPERTY RESULTING FROM THE UNLAWFUL OR TORTIOUS ACTS OF ANY PERSON.

13.3 Liability Regarding Property. THE USE OF THE PROPERTY SHALL BE AT THE USER'S SOLE RISK. THE DECLARANT, ASSOCIATION, AND THEIR RESPECTIVE DIRECTORS, OFFICERS, MANAGERS, PRINCIPALS, AGENTS, AND EMPLOYEES (COLLECTIVELY, "LISTED PARTIES") SHALL NOT HAVE ANY DUTY OR OBLIGATION, NOR SHALL THEY EVER BE DEEMED TO HAVE UNDERTAKEN ANY DUTY OR OBLIGATION, TO ENSURE THAT ANY OF THE

PROPERTY, OR ANY IMPROVEMENTS AND PERSONAL PROPERTY WITHIN OR THEREON, ARE IN A REASONABLY SAFE CONDITION AND FREE FROM HAZARDS, INCLUDING FREE FROM VIRUS OR OTHER DISEASE. FURTHER, THE LISTED PARTIES SHALL NOT HAVE ANY DUTY OR OBLIGATION, NOR SHALL THEY EVER BE DEEMED TO HAVE UNDERTAKEN ANY DUTY OR OBLIGATION, TO WARN OF ANY DANGERS OR HAZARDS WHICH MAY BE PRESENT ON THE PROPERTY. BY ACQUIRING ANY INTEREST IN ANY PART OF THE PROPERTY, AND BY USE OF ANY PART OF THE PROPERTY, ALL SUCH PERSONS SHALL BE DEEMED TO HAVE AGREED TO RELEASE AND HOLD HARMLESS THE LISTED PARTIES FROM ANY AND ALL CLAIMS, DAMAGES, EXPENSES, LIABILITIES, INJURIES (INCLUDING DEATH), AND LOSSES OF ANY NATURE OCCURRING ON OR ADJACENT TO THE PROPERTY FROM ANY CAUSE OF ANY NATURE WHATSOEVER, TO THE GREATEST EXTENT PERMITTED BY LAW.

13.4 Notices and Disclaimers as to Water Bodies. NEITHER DECLARANT, THE ASSOCIATION, NOR ANY OF THEIR OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (COLLECTIVELY, THE "LISTED PARTIES") SHALL BE LIABLE OR RESPONSIBLE FOR MAINTAINING OR ASSURING THE SAFETY, WATER QUALITY OR WATER LEVEL OF/IN ANY LAKE, POND, CANAL, CREEK, STREAM OR OTHER WATER BODY WITHIN THE COMMUNITY, EXCEPT AS SUCH RESPONSIBILITY MAY BE SPECIFICALLY IMPOSED BY, OR CONTRACTED FOR WITH, AN APPLICABLE GOVERNMENTAL OR QUASI-GOVERNMENTAL AGENCY OR AUTHORITY. THERE IS NO GUARANTY BY THE LISTED PARTIES THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME. FURTHER, ALL OWNERS AND USERS OF ANY PORTION OF THE PROPERTY LOCATED ADJACENT TO OR HAVING A VIEW OF ANY OF THE AFORESAID WATER BODIES SHALL BE DEEMED, BY VIRTUE OF THEIR ACCEPTANCE OF THE DEED TO OR USE OF SUCH PROPERTY, TO HAVE AGREED TO HOLD HARMLESS THE LISTED PARTIES FOR ANY AND ALL CHANGES IN THE QUALITY AND LEVEL OF THE WATER IN SUCH BODIES. CONTRACTORS, SUBCONTRACTORS, LICENSEES AND OTHER DESIGNEES SHALL, FROM TIME TO TIME, EXCAVATE, CONSTRUCT AND MAINTAIN WATER BODIES WITHIN PROXIMITY TO THE PROPERTY. NOTWITHSTANDING THE FOREGOING, EXCAVATION OR CONSTRUCTION OF WATER BODIES SHALL BE PROHIBITED UNLESS OTHERWISE AUTHORIZED BY THE PERMITS. IN THE EVENT THAT THE EXCAVATION OR CONSTRUCTION OF WATER BODIES IS NOT AUTHORIZED BY SAID PERMITS, SUCH EXCAVATION OR CONSTRUCTION MAY ONLY TAKE PLACE IF A PERMIT MODIFICATION IS OBTAINED. BY THE ACCEPTANCE OF HIS OR HER DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF THE PROPERTY, EACH SUCH OWNER, OCCUPANT OR USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES: (i) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES HEREUNDER OR AT LAW GENERALLY; (ii) NOT TO ENTER UPON, OR ALLOW CHILDREN, GUESTS OR OTHER PERSONS UNDER

THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY WATER BODY WITHIN THE PROPERTY EXCEPT AS SPECIFICALLY PERMITTED BY THIS DECLARATION OR THE RULES AND REGULATIONS ADOPTED BY THE ASSOCIATION; (iii) DECLARANT, THE ASSOCIATION, AND THE OTHER LISTED PARTIES SHALL NOT BE LIABLE BUT, RATHER, SHALL BE HELD HARMLESS FROM ANY AND ALL LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES; (iv) ANY PURCHASE OR USE OF ANY PORTION OF THE PROPERTY HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING; AND (v) THIS ACKNOWLEDGEMENT AND AGREEMENT IS A MATERIAL INDUCEMENT TO DECLARANT TO SELL, CONVEY AND/OR ALLOW THE USE OF THE APPLICABLE PORTION OF THE PROPERTY.

FURTHER, NONE OF THE LISTED PARTIES SHALL BE LIABLE FOR ANY PROPERTY DAMAGE, PERSONAL INJURY OR DEATH OCCURRING IN, OR OTHERWISE RELATED TO, ANY WATER BODY, ALL PERSONS USING SAME DOING SO AT THEIR OWN RISK.

ALL PERSONS ARE HEREBY NOTIFIED THAT FROM TIME TO TIME ALLIGATORS AND OTHER WILDLIFE MAY INHABIT OR ENTER INTO WATER BODIES WITHIN OR NEARBY THE COMMUNITY AND MAY POSE A THREAT TO PERSONS, PETS AND PROPERTY, BUT THAT THE LISTED PARTIES ARE UNDER NO DUTY TO PROTECT AGAINST, AND DO NOT IN ANY MANNER WARRANT OR INSURE AGAINST, ANY DEATH, INJURY OR DAMAGE CAUSED BY SUCH WILDLIFE.

NEITHER DECLARANT NOR THE ASSOCIATION SHALL BE OBLIGATED TO ERECT FENCES, GATES OR WALLS AROUND OR ADJACENT TO ANY WATER BODY WITHIN THE COMMUNITY. MODIFICATION OF THE SHORELINE BY AN OWNER IS STRICTLY PROHIBITED.

13.5 Alternative Dispute Resolution. DECLARANT, ASSOCIATION, AND THEIR RESPECTIVE DIRECTORS, OFFICERS, MANAGERS, PRINCIPALS, AGENTS, AND EMPLOYEES, AND ALL OWNERS OF ANY INTEREST IN ANY PART OF THE PROPERTY, INCLUDING ALL PERSONS WHO MAY BECOME OWNERS OF ANY PART OF THE PROPERTY AFTER THE RECORDING OF THIS DECLARATION, AND ANY PERSON TRAVELING UPON, USING, OR OCCUPYING ANY PORTION OF THE PROPERTY (COLLECTIVELY, THE "PARTIES"), AGREE THAT ANY "DISPUTE" (AS DEFINED IN THIS SECTION) SHALL FIRST BE SUBMITTED TO MEDIATION BEFORE BEING SUBMITTED TO ANY OTHER FORUM FOR RESOLUTION, WHICH ALTERNATIVE FORUMS ARE ESTABLISHED BY THIS SECTION. IF THE DISPUTE IS NOT FULLY RESOLVED THROUGH MEDIATION, THE DISPUTE SHALL BE SUBMITTED TO BINDING ARBITRATION AS PROVIDED BY THE REVISED FLORIDA ARBITRATION CODE AND NOT BY A COURT OF LAW OR EQUITY, EXCEPT ONLY AS TO DISPUTES PERMITTED TO BE

RESOLVED IN SMALL CLAIMS COURT AS PROVIDED BELOW. ALL DISPUTES NOT RESOLVED THROUGH MEDIATION SHALL BE SUBMITTED TO BINDING ARBITRATION WITHIN THE APPLICABLE STATUTES OF LIMITATIONS AND STATUTES OF REPOSE THAT WOULD APPLY TO THE CAUSES OF ACTION ASSERTED IN THE DISPUTE, AND NOTHING HEREIN SHALL EXTEND OR TOLL THE TIME WITHIN WHICH A DISPUTE MUST BE SUBMITTED TO ARBITRATION UNDER THE APPLICABLE STATUTES OF LIMITATIONS AND STATUTES OF REPOSE. NO DISPUTE SHALL BE SUBMITTED TO ARBITRATION IF THE CAUSE(S) OF ACTION FOR THE DISPUTE WOULD BE BARRED BY THE APPLICABLE STATUTE(S) OF LIMITATION OR STATUTE(S) OF REPOSE.

a) Dispute Defined. "Dispute" shall mean any and all controversies, claims, liabilities, demands, causes of action, and disputes of any nature in which Declarant, its partners, limited partners, directors, officers, shareholders, managers, managing members, members, employees, principals, agents, successors, or assigns (collectively when used in this article, "Listed Parties") is or may become a party, whether sounding in contract, tort, statute, or otherwise, arising out of or related to:

- i) any property conveyed or dedicated by Declarant to Association;
- ii) the purchase and sale transaction with respect to any part of the Property, including any improvements constructed thereon, and any instrument of title, use, or possession conveyed pursuant thereto;
- iii) any alleged fraud, misrepresentation, or the communications or business dealings involving any of the Listed Parties;
- iv) the Governing Documents, the Florida Not For Profit Corporation Act (Chapter 617, Florida Statutes), or the Homeowners' Association Act (Chapter 720, Florida Statutes);
- v) any alleged breach of duty (including fiduciary duty) by any of the Listed Parties regarding the Association, its Members, or the Property;
- vi) any alleged representations, promises, warranties, or covenants made by any of the Listed Parties;
- vii) personal injury (including death) or property damage;
- viii) the Property, including improvements thereon or otherwise benefitting it, such as the Stormwater Management System, Utility, and other infrastructure;
- ix) the design or construction of any improvements on the Property;
- x) any alleged violation of civil law;
- xi) the formation, validity, or enforceability of this Section or of any agreement involving any of the Listed Parties, whether written or verbal.

b) Mediation. Mediation required by this Section shall be conducted by a Florida Certified Mediator in accordance with the Florida Rules for Certified and Court-Appointed Mediators in effect on the date the Dispute is submitted to mediation. If any issues related to the Dispute involve alleged defects or deficiencies in the design or construction (including construction materials and products used) of any improvement, all parties and their experts shall be permitted to inspect and test (including destructive testing)

the improvement, alleged defects, and deficiencies before mediation. Unless waived in writing by all parties to the Dispute, mediation in accordance with this Section is a condition precedent to the submission of any Dispute to any other formal dispute resolution proceeding, which is intended by the Parties and this Section to be arbitration, except with respect to limited matters that may be filed in small claims court as provided below. If, following mediation, the Dispute is submitted by a Party to small claims court, and if Declarant is made a party to the Dispute, Declarant agrees to pay the fees and costs of the mediator for one day of mediation. All other fees and costs of the mediator shall be shared equally by the parties to the Dispute.

c) Arbitration. If the Dispute is not fully resolved at mediation, the Dispute, or any remaining part of it, shall be submitted to binding arbitration conducted in accordance with the Revised Florida Arbitration Code and the Florida Rules for Court-Appointed Arbitrators. If the amount in controversy involving the Dispute exceeds \$300,000.00, the Dispute shall be heard and decided by three arbitrators unless the parties all agree to have the Dispute heard and decided by one arbitrator. The arbitrators shall have experience with the subject matters of the Dispute, which must include legal expertise if legal issues are part of the subject matter of the Dispute. At the request of any party, the arbitration award shall be accompanied by detailed written findings of fact and conclusions of law. Except as required by law, and except as necessary to seek confirmation of the award in a court of competent jurisdiction, no party shall disclose the existence, content, conclusions, or results of any arbitration proceeding or award with respect to the Dispute without the prior written consent of all parties to the Dispute. Any judgment upon the award rendered by the arbitration may be enforced by any court with competent jurisdiction.

d) Limited Right to Add Parties to the Dispute. If any Party believes that another person other than a Party may be liable in whole or part for the claims asserted in the Dispute, that Party may join and assert claims against any such person in the Dispute resolution proceedings, the forums of which are limited as provided in this Section.

e) Collateral Estoppel & Issue Preclusion. The Parties agree that no finding or stipulation of fact, no conclusion of law, no arbitration award in any other arbitration proceeding other than the proceeding in which the Dispute between the Parties is pending, and no judgment in any other proceeding shall be given preclusive effect, nor shall the doctrine of collateral estoppel be applied in the Dispute unless:

- i) the identical issues in the Dispute were at issue in the other proceeding;
- ii) there was a full and fair opportunity to litigate the issues in the prior, other proceeding;
- iii) the issues in the prior litigation were a critical and necessary part of the prior determination in the other proceeding;
- iv) the party to the Dispute and the party to the prior, other proceeding against whom a determination of issue preclusion or collateral estoppel is sought in the Dispute were identical or the party to the prior, other proceeding was a privy of the party to the Dispute; and

v) the issues were actually litigated in the other, prior proceeding.

f) **Disputes in Small Claims Court.** As provided by the Consumer Due Process Protocol developed by the National Consumer Dispute Advisory Committee, the Parties agree that notwithstanding the agreement to arbitrate provided in this Section, a Party desiring to assert a Dispute may, after the conclusion of mediation as required in this Section, seek relief in small claims court for Disputes within the scope of jurisdiction for small claims court in lieu of filing a petition to arbitrate.

g) **Preliminary or Emergency Injunctive Relief – Non-Waiver.** Notwithstanding anything to the contrary in this Section, if any Party seeks temporary, preliminary, or emergency injunctive relief, and not damages, from a court because of an allegation that irreparable harm will be suffered by any Party before mediation or arbitration would be concluded, any such action shall not be construed as a waiver of any Party's right and agreement to mediate or arbitrate any Dispute. A Party's filing of defenses, motions, counterclaims, or its other participation in such court proceedings shall not constitute a waiver of a Party's right and agreement to mediate and arbitrate the Dispute as provided in this Section.

h) **Waiver of Class and Representative Actions.** The Parties agree that the Parties may bring claims with respect to Disputes only on an individual basis and not as a member in any class, representative action, or collective proceeding. Without limiting the foregoing, the arbitrator(s) shall not conduct class arbitration, shall not consolidate or join any claims with respect to Disputes that involve more than one Lot or Home, and shall not otherwise preside over any form of a class, representative, or consolidated proceeding. Arbitrators shall not have the authority to award any relief with respect to a Dispute in favor of any non-party to the Dispute, and no non-party shall have any right to enforce any arbitration award. Further, the arbitrator shall not have the authority to award relief on a class-wide or mass-party basis. **THE PARTIES UNDERSTAND AND AGREE THAT THEY ARE WAIVING THEIR RIGHTS TO SERVE AS A REPRESENTATIVE OF A CLASS, AS A PRIVATE ATTORNEY GENERAL, OR IN ANY OTHER REPRESENTATIVE CAPACITY, AND TO PARTICIPATE AS A MEMBER OF A CLASS OF CLAIMANTS, WITH RESPECT TO ANY DISPUTE.**

i) **Waiver of Jury Trial.** Notwithstanding the Parties' obligation to submit all Disputes (except only with respect to Disputes that may be submitted to small claims court as provided in this Section) to mediation and arbitration, if any Dispute is deemed not subject to arbitration (which the Parties do not anticipate will be any Dispute), and with respect to permitted small claims proceedings, the Parties agree to have the Dispute, and all other claims of any nature involving any of the Listed Parties not falling within the definition of Dispute in this Section, decided by a judge and not a jury. **THE PARTIES EXPRESSLY WAIVE THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY WITH RESPECT TO ALL DISPUTES AND ALL OTHER CLAIMS OF ANY NATURE INVOLVING ANY OF THE LISTED PARTIES NOT FALLING WITHIN THE DEFINITION OF DISPUTE IN THIS SECTION.**

j) **Attorney Fees & Costs.** Unless prevailing party attorney fees and costs are recoverable by law with respect to a claim asserted in the Dispute, each Party shall bear its own attorney fees and costs incurred with respect to the Dispute. In addition, with respect to arbitration, all parties to the Dispute shall bear a pro-rata share of the costs of the arbitrators and the arbitration service provider. Notwithstanding, if a Party contests the validity or scope of arbitration required by this Section in a court of law or equity, the non-contesting Party shall be entitled to recover from the contesting Party all reasonable attorney fees and costs if the non-contesting Party prevails in such action. In addition, if a Party fails to comply with any mediation settlement agreement or arbitration award, the other Party shall be entitled to recover reasonable attorney fees and costs incurred in enforcement of such mediation settlement agreement or arbitration award. For the purposes of this Section, "attorney fees and costs" shall include all fees incurred by the Party for the services of the law firm representing it, including the reasonable fees charged for attorneys, paralegals, and other professional assistants, and all costs associated with the proceeding, including filing fees, costs charged by the law firm representing the party, and witness costs, all as incurred in any stage of the proceedings, including through trial, all appellate proceedings, all proceedings in aid of execution or to collect on any judgment, and all proceedings to determine the amount and reasonableness of attorney fees and costs to be awarded, irrespective of the jurisdiction in which the proceeding was conducted.

k) **Savings Clause.** If any provision of this Section shall be deemed by a court of competent jurisdiction to be unconscionable, void as violative of public policy, or otherwise unenforceable for any reason, the Parties agree that the provisions of this Section are intended to be severable. In such an event, the Parties agree that the unconscionable, void, or otherwise unenforceable provision shall be excluded to the extent of such unenforceability, and that all other terms of this Section shall remain valid and enforceable. Further, to the extent possible, the invalid or unenforceable term shall be deemed replaced or reformed by a term that is valid and enforceable and that most closely expresses the intention of the Parties with respect to such invalid or unenforceable term, and for such purposes, the Parties clearly state that their intentions are to resolve all Disputes first through mediation, then if unresolved, through binding arbitration, except for the specific limited right to pursue certain Disputes in small claims court as stated above.

l) **Proviso.** Nothing herein shall obligate the Association or Owners, their tenants, guests, or Invitees, to engage in any of the procedures contemplated by this Section exclusively with respect to claims of any nature asserted between them for violations of the Governing Documents or the Homeowners' Association Act, where such claims do not involve a Dispute or any of the Listed Parties as defined above. In addition, the provisions of this Section requiring mediation and arbitration of Disputes do not apply to any proceedings by Declarant or Association to foreclose any lien.

ARTICLE XIV GENERAL PROVISIONS

14.1 Binding Effect. This Declaration shall constitute covenants at law and equitable servitudes running with the land which shall bind the Property and inure to the benefit of the

Declarant, Association, Owners, and their respective legal representatives, heirs, successors and assigns. By acquiring an interest in any portion of the Property, such person shall be subject to the provisions of this Declaration and shall be entitled to its benefits and subject to its burdens.

14.2 Duration. The covenants, conditions, easements, and restrictions set forth in this Declaration shall be effective for thirty (30) years from its recordation in the Official Public Records of Duval County, Florida, after which they shall automatically renew and be extended for successive ten-year periods unless a written instrument is executed by all Owners and their mortgagees agreeing to terminate this Declaration, in addition to the Declarant so long as Declarant owns any part of the Property. All easements shall be perpetual in duration and no amendment shall eliminate the Association's lien rights. In the event of termination, dissolution or final liquidation of the Association, the responsibility for the operation and maintenance of the Stormwater Management System must be transferred to and accepted by an entity which complies with Rule 62-330.310, F.A.C., and Applicant's Handbook Volume I, Section 12.3, and be approved by the St. Johns River Water Management District prior to such termination, dissolution or liquidation.

14.3 Amendment. Subject to applicable law, this Declaration may be unilaterally amended by the Declarant for so long as Declarant owns any part of the Property or any other property which Declarant may intend to subject to this Declaration, and for so long as Declarant is constructing or causing to be constructed any Improvements on the Property. After Declarant no longer owns any part of the Property or any other property which Declarant may intend to subject to this Declaration, and after Declarant is no longer constructing or causing to be constructed any Improvements on the Property, this Declaration may be amended by the written consent or affirmative vote (or a combination thereof) of two-thirds (2/3) of the total Voting Interests of the Members; provided, however that (i) no amendment shall alter or affect the rights of the Declarant without the Declarant's written consent; and (ii) no amendment shall alter the responsibilities to operate and maintain the Stormwater Management System without the St. Johns River Water Management District's consent. The Declarant may veto any amendment to the Governing Documents for so long as it owns any part of the Property or any other property which Declarant may intend to subject to this Declaration, and for so long as Declarant is constructing or causing to be constructed any Improvements on the Property. Declarant's right to unilaterally amend the Governing Documents shall include the right to amend for any reason except as expressly limited by applicable law and may be accomplished by the recordation of an instrument in the Official Records of Duval County, Florida executed by Declarant without the requirement of joinder or execution by any other person. In the event it is finally adjudicated that Declarant's rights to unilaterally amend the Declaration are limited by applicable law, Declarant shall be deemed to have the broadest rights to amend the Declaration not prohibited by applicable law.

14.4 Amendments & Matters Affecting Declarant's Rights. No person, including without limitation the Association, Members, and their tenants, guests, and Invitees, may engage in any action or omission which negatively affects, or may be harmful to, Declarant's development and sale of the Property, in Declarant's sole discretion or opinion. Such prohibited action includes without limitation effectuating or attempting to effectuate any amendment to the Governing Documents which may negatively affect or be detrimental to Declarant's development and sale of

the Property, in Declarant's sole discretion or opinion, without Declarant's express written consent.

14.5 No Vested Rights. Owners and other persons who may acquire an interest in any part of the Property acknowledge and agree that the plans for Development expressed herein or in any other form of communication are precatory and subject to change. Further, Owners and other persons who may acquire an interest in any part of the Property acknowledge and agree that there are no vested rights created by the Governing Documents, and that the Governing Documents are subject to change, which, except as expressly limited by law, shall be in Declarant's sole discretion for so long as Declarant owns an interest in any part of the Property.

14.6 Amendment of Plats, Ordinances, & Development Orders. Declarant reserves the right to amend, and seek the amendment of, any plat, PUD, zoning ordinance or designation, and development orders pertaining to the Property without having to obtain the consent, approval, or joinder by any person other than applicable governmental entities with jurisdiction, as may be necessary or appropriate in Declarant's sole discretion to develop the Property. To the extent the consent, approval, or joinder by any person with any interest in any part of the Property may be required by a governmental entity with jurisdiction, by acquiring any interest in any part of the Property, such persons (which includes without limitation the Association) shall be deemed to have consented to and approved any amendment to any plat, PUD, zoning ordinance or designation, and development orders applicable to the Property proposed by Declarant and to have given Declarant an irrevocable power of attorney, coupled with an interest, to execute any instruments of any nature that may be required as a condition for amendment or implementation of any plat, PUD, zoning ordinance or designation, or development orders applicable to the Property, in the name and on behalf of any such person with any interest in any part of the Property. Declarant shall further have the right to compel, through judicial proceedings if necessary, any person with any interest in any part of the Property to execute any instruments that may be necessary to permit Declarant to exercise the rights contemplated by this Section.

14.7 Reservation of Intellectual Property Rights. All intellectual property rights (including without limitation copyrights and trademarks) related to the name or term "Harts Ridge" are expressly reserved by Declarant.

14.8 Severability. If any provision of this Declaration shall for any reason be held invalid, illegal, or unenforceable, such provision shall not affect the validity or enforceability of any other provision of this Declaration. Any such provision shall be construed in the broadest manner possible to effectuate the intended purpose of the provision while avoiding the invalid, illegal, or unenforceable portion thereof to the narrowest extent possible to effectuate the intended purpose. In any such event, the remaining provisions of this Declaration shall remain valid and enforceable.

14.9 Waiver; Estoppel; Abandonment. The failure of the Declarant or Association to require strict compliance with any provision of the Governing Documents or exercise any particular right or remedy contemplated therein shall not preclude the Declarant or Association from demanding strict compliance or exercising any particular right or remedy thereafter. Neither the Association nor the Declarant shall be estopped or deemed to have waived or abandoned any

particular claim, right, or remedy for failing to assert any claim or exercise any particular right or remedy in any particular instance or within any particular time.

14.10 Reliance. Owners acknowledge and agree that they are not entitled to reasonably rely upon, and have not relied upon, any statements or assertions, whether written or verbal, of any real estate, sales, or other agents of Declarant regarding the development of the Property or the nature of any Improvements that may or may not be constructed by Declarant thereon, except as may be included in a written instrument signed by an authorized representative of Declarant.

14.11 Usage of "Include" & "Including." When used in the Governing Documents, "include" or "including" shall mean "include or including without limitation" and shall be deemed followed by a non-exhaustive example or list of examples for illustrative purposes and shall not be deemed to be followed by an exclusive or exhaustive list of examples unless the word "include" or "including" is preceded by the word "exclusively."

14.12 Notices. Any notices permitted or required to be disseminated to Members shall be deemed given when placed in the mail, postage prepaid, and addressed to the Member to the most recent address provided by the Member in writing to the Association for the purposes of receiving official correspondence. Any notices permitted or required to be disseminated to the Association shall be sent to the Registered Agent or other address designated by the Board and shall be deemed given on the date indicated as received on the return receipt or other receipted delivery document.

14.13 Attorneys' Fees. When used in the Governing Documents, the term "attorneys' fees" shall include any and all fees charged by a law firm for its services and the services of attorneys, paralegals, legal assistants, law clerks, and experts (including consulting, non-testifying experts and testifying experts), whether incurred before or after a lawsuit or other adjudicatory proceeding is commenced, and incurred irrespective of whether a lawsuit or other adjudicatory proceeding has commenced, including all appeals, post-judgment execution, collection, or other efforts, and any hearings or proceedings to determine the reasonableness and amount of attorneys' fees to be awarded to a prevailing party. Any provision of this Declaration providing for the right of a party to recover prevailing party attorneys' fees shall not apply to actions in which the SJRWMD is a party.

14.14 Applicable Law. This Declaration shall be subject to, and construed in accordance with, applicable law as it exists on the date of recordation of this Declaration in the Official Records of Duval County, Florida. This Declaration does not incorporate future amendments to law that are enacted after the date of recordation of this Declaration in the Official Records unless otherwise expressly provided in another Section of this Declaration.

14.15 Conflict. In the event of conflict between any provisions of the Governing Documents, the provisions of each shall be deemed to control according to the following hierarchy: This Declaration (including any amendments and Supplementary Declarations); the Articles; the Bylaws; the Architectural Review Guidelines; and the Rules and Regulations.

14.16 Representations and Warranties. All Owners, by acquiring any interest in any part of the Property, represent and warrant:

- a) that they have read this Declaration, specifically including Article 13.
- b) that they believe all provisions of this Declaration are, and should be determined to be, valid, enforceable, conscionable, and in accordance with public policy;
- c) that they will cause all provisions of Section 13.5 to be included in any purchase and sale or other transactional documents concerning the transfer of any interest in the Property (except for mortgages) and in any instrument conveying title to any interest of the Property to any third party (except for mortgages, but a mortgagee who becomes an Owner shall be bound by this Section), and that if they do not do so, such provisions shall be deemed incorporated into such transactional documents and instruments of title, use, or possession; and
- d) **that they have had the opportunity to consult with legal counsel of their choice to in part discuss the terms of this Declaration and specifically Article 13 before entering into any transaction for the transfer of any interest of the Property.**

OF
HARTS RIDGE OWNERS ASSOCIATION, INC.
A Florida Not For Profit Corporation**

**ARTICLE I
IDENTIFICATION OF THE ASSOCIATION**

These are the Bylaws of **Harts Ridge Owners Association, Inc.** ("Association"), a corporation not-for-profit incorporated under the laws of the State of Florida and organized for the purpose of operating and maintaining Property located in Duval County, Florida, known as Johnson Commons.

1.1 Principal Office. The principal office of the Association shall be located at 1000 Riverside Ave., Suite 600, Jacksonville, FL 32204, or at such other place as may be subsequently designated by the Board of Directors. All books and records of the Association shall be kept at its principal office or in such other location within forty-five (45) miles of the Property (unless preserved electronically).

1.2 Fiscal Year. The fiscal year of the Association shall be the calendar year.

1.3 Seal. The seal of the Association, if any, shall bear the name of the corporation, the word "Florida," the words "Corporation Not for Profit," and the year of incorporation.

1.4 Definitions. Unless defined herein, capitalized terms herein shall have the meanings as set forth in the Declaration of Covenants, Conditions, Restrictions, and Easements for Harts Ridge ("Declaration") as recorded and amended from time to time. To the extent that a term appears herein and has not been defined herein, in the Articles of Incorporation, or in the Declaration, those terms as defined in Chapter 720 of the Florida Statutes shall control.

**ARTICLE II
MEMBERS & VOTING**

2.1 Members. The Members of the Association shall be as set forth in the Declaration and Articles of Incorporation.

2.2 Annual Meeting. The annual Members' meeting shall be held on the date and at the place each year as determined by the Board of Directors from time to time, commencing with the year following the year in which the Articles are filed with the Secretary of State. The purpose of the annual meeting shall be to elect members of the Board of Directors and to transact any other business authorized to be transacted by the Members or as otherwise stated in the notice of the meeting sent to the Members in advance of the annual meeting. Annual meetings shall be held between eleven (11) and thirteen (13) months following the immediately preceding annual meeting on a date determined by the Board.

2.3 Special Meetings. Special Members' Meetings shall be held at a location in Duval County, or at such other place within the State of Florida that is reasonably convenient for the attending Members, whenever called by the President or Vice President of the Association or by a majority of the Board. If twenty percent (20%) of the Voting Interests petition the Board to address an item of business, the Board at its next regular board meeting or at a special meeting of the Board, but not later

than sixty (60) days after the receipt of the petition, shall place the item on the agenda. The business conducted at a special meeting shall be limited to that stated in the notice of the meeting.

2.4 Notice. The Secretary or Association management shall provide written notice of Members' meetings stating the time, place, and agenda for the meeting. A copy of the notice shall be mailed or hand delivered to each Member at least fourteen (14) days prior to the annual meeting and may also be posted in a conspicuous place on Association Property. Delivery or mailing shall be made to the address of the Member as it appears on the roster of Members. Members must provide an address in writing to the Association for the purpose of receiving official notices from the Association, and if they do not do so, any notice sent to the mailing address designated on the Property Appraiser's website for the Lot shall be deemed properly sent. The Association may provide notice for any matter by electronic transmission in lieu of written notice if the Member consents in writing to receiving notice by electronic transmission and designates a facsimile number or e-mail address to the Association to be used for such purposes.

2.5 Waiver. Notice of specific meetings may be waived before or after the meeting. The attendance of any Member or by any person authorized to vote on behalf of any Member shall constitute a waiver of such Member's notice of meeting, except when the purpose for his or her attendance is to object to the transaction of business because the meeting was not lawfully called.

2.6 Member Participation in Meetings. Members shall have the right to participate in meetings of Members with reference to all designated agenda items. The Association may adopt reasonable rules governing the frequency, duration, and manner of Member participation. Any Member may tape record or video tape a meeting of Members subject to reasonable rules adopted by the Board.

2.7 Quorum. A quorum at Members' meetings shall be thirty percent (30%) of the total eligible Voting Interests.

2.8 Voting.

a) Number of Votes. In any meeting of Members, the Members shall be entitled to cast one Voting Interest for each Lot owned. The vote of a Lot shall not be divisible.

b) Majority Vote. The acts approved by a majority of the eligible Voting Interests present in person or by proxy at a meeting at which a quorum is attained shall be binding upon all Members for all purposes except where otherwise provided by law or by the Governing Documents. Where approval of the Voting Interests is specifically required, reference in the Governing Documents to approval of a percentage of the Voting Interests shall refer to a percentage of the Voting Interests voting in person or by proxy at which a quorum is attained and not a percentage of the total (or entire) Voting Interests unless the provision specifically references the approval of a percentage of the total Voting Interests.

c) Voting Member. The Voting Interest attributable to the Lot shall be established by the roster of Members maintained by the Association. If a Lot is owned by more than one person, the person entitled to cast the Voting Interest for the Lot shall be designated by a certificate signed by all the record owners of the Lot according to the roster of Lot Owners and filed with the Secretary of the Association (the "Voting Certificate"). If a Lot is owned by a business organization or other non-natural person, the person entitled to cast the Voting Interest for the Lot shall be designated by a Voting Certificate signed by an authorized

representative and filed with the Secretary of the Association. Voting Certificates shall be valid until revoked or until superseded by a subsequent Voting Certificate or until a change in the ownership of the Lot has occurred. Any record owner of a Lot may revoke a Voting Certificate designating the person entitled to cast a vote for that Lot.

If a Voting Certificate is required but is not on file or has been revoked, the Voting Interest of the Owner(s) of such Lot shall not be considered for the computation of a quorum, nor for any other purpose, and the total number of eligible Voting Interests in the Association shall be reduced accordingly until a Voting Certificate is filed, unless the Lot is owned jointly by spouses. If a Lot is owned jointly by spouses, they may designate a voting member through a Voting Certificate in the manner described above, but if they do not, the following provisions shall apply:

(i) If one spouse is present at a meeting, that person shall be counted toward the calculation of a quorum and may cast the Voting Interest attributable to the Lot.

(ii) If both spouses are present at a meeting and concur, either spouse may cast the Voting Interest attributable to the Lot.

(iii) If both spouses are present at a meeting and are unable to concur in their decision concerning any subject requiring a vote, they shall forfeit their right to vote on that subject at that meeting. The total number of eligible Voting Interests in the Association shall be reduced only for each subject on which there is not a concurrence.

d) **Electronic Voting.** The Association may conduct elections and other membership votes through an Internet-based online voting system if a Member consents, in writing, to online voting and the requirements of the Homeowners' Association Act are satisfied.

2.9 Proxies. General and limited proxies may be used to vote for any matters unless expressly prohibited by law. A proxy may be made by any person entitled to vote, but shall only be effective for the specific meeting for which it was originally given and any lawfully adjourned meetings thereof. In no event shall any proxy be valid for a period longer than ninety (90) days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the person executing it. A proxy must be in writing and signed by the person authorized to cast the Voting Interest for the Lot, and must also be filed with the Secretary of the Association before the appointed time of the meeting.

2.10 Order of Business. If a quorum has been attained, the order of business at annual Members' Meetings, and to the extent applicable, other Members' meetings, shall be:

- a) Call to order by the President;
- b) Proof of notice of the meeting or waiver of notice;
- c) Determination of Quorum;
- d) Collection of Director Designations;
- e) Reading of unapproved minutes (or waiver thereof);
- f) Reports of Officers;
- g) Reports of Committees;

- h) Announcement of election results;
- i) Unfinished business;
- j) New business;
- k) Adjournment.

The preceding order of business or parts thereof may be waived or modified at the direction of the Chairman.

2.11 Adjournment. If any proposed meeting cannot be organized because a quorum cannot be attained, the Members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is attained. Except as otherwise provided above, proxies given for the adjourned meeting shall be valid for the subsequent meeting.

2.12 Minutes. The Association shall retain all minutes from Members' Meetings for at least seven (7) years. The minutes shall be kept in a book available for inspection by Owners or their authorized representatives or Board members at any reasonable time, subject to reasonable rules concerning the time, place, and manner of inspection that the Board may adopt from time to time. The Association may preserve meeting minutes electronically.

2.13 Action Without Meeting. Except as otherwise required by law, any action that may be taken at any annual or special meeting of Members may be taken without a meeting, prior notice, or a vote if one or more written consents setting forth the action to be taken is signed by enough Members (or persons authorized on their behalf) that would be necessary to authorize or take such action at a meeting of such Members at which a quorum of Members entitled to vote thereon were present and voted. Within ten (10) days after obtaining such authorization by written consent, notice must be given to Members who have not consented in writing. Such notice shall fairly summarize the material aspects of the authorized action. The Association may not be bound by any purported action by the Members if such action is prohibited by law.

ARTICLE III DIRECTORS

3.1 Number. The Association shall be governed by a Board of Directors which shall initially be comprised of three (3) persons until Transition. At and after Transition, the Board of Directors may be increased to be comprised of five (5) persons.

3.2 Qualifications. Except for Declarant-appointed Directors, every Director must be a Member, an Officer of a corporate Lot Owner, a general partner of a Lot owned by a partnership, a managing member or manager of a Lot owned by a limited liability company, or trustee or a beneficiary of a Lot held in trust. A person who is delinquent in payment of any fee, fine, or other monetary obligation due to the Association is not eligible to become a Director, and an Officer or Director who is delinquent in the payment of any monetary obligation due to the Association for over ninety (90) days shall be deemed to have abandoned his or her position. A convicted felon whose civil rights have not been restored for at least five (5) years as of the date of the election is not eligible to serve as a Director. Any person who has been suspended or removed from serving as a Director by the Division of Florida Condominiums, Timeshares and Mobile Homes is not eligible to serve as a Director.

3.3 Declarant Appointment of Directors. Except as provided in this Section, until Transition, Declarant shall have the unilateral right to appoint all Directors. However, Members other

than the Declarant shall have the right to elect one Director once fifty percent (50%) of all Lots in all phases of the community which will ultimately be operated by the Association have been conveyed to Members other than the Declarant. After Transition, and for so long as Declarant holds for sale in the ordinary course of business at least five percent (5%) of the Lots in the Association, Declarant shall be entitled to appoint one (1) Director.

3.4 Election of Pre-Transition Director by Member and Election of Directors After Transition. Election of the pre-Transition Director by Members other than the Declarant and the election of post-Transition Directors (with the exception of the one (1) Director Declarant is entitled to elect as set forth in Article III, Section 3.3), shall be in accordance with this Section.

a) Nomination. Any Member or other eligible person who desires to be a candidate for the Board of Directors must give written notice to the Association not fewer than forty (40) days before a scheduled election. Nominations from the floor at the annual meeting are prohibited.

b) Election. The Board of Directors shall be elected by written ballot. Not fewer than sixty (60) days before a scheduled election, the Association shall mail or deliver a first notice of the date of election to each Member entitled to vote. Any Member or other eligible person who desires to be a candidate for the Board of Directors must give written notice to the Association not fewer than forty (40) days before a scheduled election. Nominations from the floor at the annual meeting are prohibited. The Association shall thereafter mail or deliver a second notice of the election to all Members entitled to vote, together with a written notice, agenda, and a ballot which shall list all eligible candidates in alphabetical order, at least fourteen (14) days before the scheduled election. Elections shall be decided by a plurality of ballots cast. There shall be no quorum requirement for an election to be valid; however, at least twenty percent (20%) of the eligible voters must cast a ballot in order to have a valid election for the Board of Directors. Ballots may be submitted by mail in advance of the meeting at which the election is scheduled to occur and may also be personally cast at the election until last call for ballots. Ballots may be cast in a manner to preserve anonymity using a two-envelope system in which the ballot is placed in an inner, blank envelope and the blank envelope containing the ballot is placed in an outer envelope bearing the Lot address and signature of the Member or person identified in a Voting Certificate who has the authority to cast the Voting Interest attributable to the Lot.

Ballots cast in advance by Members who are not in attendance at the meeting must be placed in an inner envelope with no identifying markings and mailed or delivered to the Association in an outer envelope bearing identifying information reflecting the name of the Member, the Lot or parcel for which the vote is being cast, and the signature of the Lot or parcel Owner casting that ballot. If the eligibility of the Member to vote is confirmed and no other ballot has been submitted for that Lot or parcel, the inner envelope shall be removed from the outer envelope bearing the identification information, placed with the ballots which were personally cast, and opened when the ballots are counted. If more than one ballot is submitted for a Lot or parcel, the ballots for that Lot or parcel shall be disqualified. Any vote by ballot received after the closing of the balloting may not be considered.

There shall be no cumulative voting, and no Member shall permit any other person to vote his or her ballot (i.e., proxies are not permitted for voting for the election of Directors). Any improperly cast ballots will be deemed invalid.

c) **Candidate Information Sheet.** Upon request of a candidate, the Association shall include an information sheet, no larger than 8 ½ inches by 11 inches, which must be furnished by the candidate not fewer than forty (40) days before the election to be included with the mailing of the ballot. The costs associated with the copying, mailing, and delivery shall be borne by the Association.

d) **Assistance for Disability.** Any Member who needs assistance in casting a ballot for reasons related to a blindness, an inability to read or write, or other disability may obtain assistance in casting his or her ballot.

e) **Election Not Required.** An election and balloting are not required unless more candidates file notices of intent to run than vacancies exist on the Board. If an election is not required per this Section, the candidates shall take office upon the adjournment of the meeting at which the election was scheduled to be conducted regardless of whether a quorum was attained.

f) **Tie Breaker.** If two or more candidates for the same position receive the same number of votes, which would result in one or more candidates not serving or serving a lesser period of time and neither candidate agrees to set aside, the tie shall be broken by a coin toss at the meeting at which the election was held.

3.5 Terms of Office.

a) **Declarant Appointed Directors.** Directors appointed by Declarant shall serve at the pleasure of the Declarant and may be removed and replaced by the Declarant at any time, or until an event occurs, such as Transition, which requires Declarant to cause one or more of its appointed Directors to resign.

b) **Member Elected Directors.** Each Director elected at the Transition meeting shall serve until the first annual meeting following the Transition meeting; provided however that if such period shall be less than six (6) months, such directors shall serve until the second annual meeting following the Transition meeting. The terms thereafter shall be staggered. For the purpose of implementing this provision, at the first annual meeting after the Transition meeting at which an election shall be conducted, the term of one (1) director shall expire at the following annual meeting, the term of one (1) director shall expire at the annual meeting of the second year following, and the term of one (1) director shall expire at the annual meeting of the third year following. For the purpose of implementing the staggered terms, the persons receiving the largest number of votes shall be elected for a term of three (3) years; the person receiving the second largest number of votes shall be elected for a term of two (2) years; and the person receiving the third largest number of votes shall be elected for a term of one (1) year.

3.6 **Vacancies & Recall.** Vacancies on the Board of Directors and recall (removal) of Directors shall be governed by the following provisions.

a) **Declarant-Appointed Directors.** Directors appointed by Declarant may only be removed and replaced by Declarant, in its sole discretion. Declarant may remove and replace any Directors appointed by Declarant at any time.

b) **Recall of Directors Elected by Members.** Directors elected by Members other than the Declarant may be recalled and removed without cause by the vote or agreement, in writing, of a majority of the Voting Interests of the Members other than the Declarant. A Director may not be recalled at a Members meeting. If at least a majority of the Directors other than the Declarant are sought to be recalled, the replacement Directors shall be designated in the same vote or agreement in writing in which the Directors were determined to be recalled. Such replacement Directors shall take office upon adjournment of the Board meeting at which the decision to certify the recall occurred (if the recall was certified), or if the Board does not hold such a meeting, after five (5) business days have expired from the date on which the vote or agreement in writing to recall the Director was served on the Association.

c) **Vacancies.** Vacancies on the Board other than those resulting from recall, and other than those created with respect to Director positions subject to appointment by Declarant, shall be filled in accordance with this provision. After Transition, the conveyance of a fee interest in a Lot by the Owner(s) thereof to a new Owner(s) shall constitute the resignation of the Director elected by such former Owner(s). Such vacancy, and any vacancy resulting from the death, incapacity, resignation, or an event which renders a person ineligible to serve as a Director, may be filled at any time before the next annual meeting by a majority of the remaining Directors, or by a sole remaining Director, and any such appointed Director shall serve for the remaining term of his predecessor.

d) **Inability to Attain a Quorum.** If at any time there are an insufficient number of Directors to constitute a quorum, any Owner may apply to the Circuit Court with jurisdiction for the appointment of a receiver to manage the affairs of the Association. At least thirty (30) days prior to applying to the Circuit Court, the Owner shall mail to the Association and post in a conspicuous place on the Association Property (if there is any such property) a notice describing the intended action and giving the Association an opportunity to fill a sufficient number of vacancies to constitute a quorum in accordance with the Governing Documents. If the Association fails to fill a sufficient number of vacancies to constitute a quorum, the Owner may proceed with the petition to appoint a receiver. If a receiver is appointed, the Association shall be responsible for the salary of the receiver, along with court costs and attorney's fees. The receiver shall have all powers and duties of the Board of Directors and shall serve until the Association fills a sufficient number of vacancies on the Board to constitute a quorum.

3.7 Board Meetings.

a) **Organizational Meeting.** Within ten (10) days of their election or appointment, the Board of Directors shall hold an organizational meeting at such place and time as shall be fixed by the Directors at the meeting at which they were elected or appointed. The purpose of the organizational meeting is to appoint Officers.

b) **Right to Attend, Speak, and Record.** Meetings of the Board at which a quorum of the Directors is present are open to all Members, except as otherwise provided herein. A Member may tape record or videotape the meetings, subject to reasonable rules

adopted by the Association. The right to attend includes the right to speak at such meetings for up to three minutes regarding designated agenda items.

c) Notice. Notice of all Board meetings must specifically identify agenda items for the meeting and must be posted in a conspicuous place in the community at least forty-eight (48) continuous hours before the meeting except in an emergency. Written notice of any meeting at which nonemergency Special Assessments, or at which amendment to rules regarding Lot use, will be considered must be mailed, delivered, or electronically transmitted to the Members and posted conspicuously on the Association Property at least fourteen (14) days before the meeting. Evidence of compliance with this 14-day notice requirement must be made by an affidavit executed by the person providing the notice and filed with the Official Records of the Association. The Board shall adopt a rule designating a specific location in the community where all notices of Board meetings are to be posted. In the alternative, if notice is not posted in a conspicuous place in the community, notice of each Board meeting must be mailed or delivered to each Member at least seven (7) days before the meeting, except in an emergency. Notwithstanding, the Association may provide notice for any matter by electronic transmission in lieu of written notice if the Member consents in writing to receiving notice by electronic transmission and designates a facsimile number or e-mail address to the Association to be used for such purposes.

d) Waiver of Notice. Any Director may waive notice of a meeting before or after the meeting and that waiver shall be deemed equivalent to the receipt of notice by that Director. Attendance by any Director at a meeting shall constitute a waiver of notice of that meeting, except when his or her attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because that meeting was not lawfully called.

e) Member Petition. If twenty percent (20%) of the Voting Interests petition the Board to address an item of business, the Board at its next regular meeting or at a special meeting of the Board, but not later than sixty (60) days after the receipt of the petition, shall place the item on the agenda for the next Board meeting.

f) Committee Meetings. Notice in the manner required for meetings of the Board shall be required for meetings of a committee that has the authority to make a final decision regarding the expenditure of Association funds or has the authority to approve or disapprove architectural decisions with respect to a specific parcel of residential property owned by a Member. Meetings of committees with such authority shall also be open to Members. Notice of meetings of a committee that does not have such specific authority is not required and such meetings are not required to be open to Members unless such committee otherwise constitutes a quorum of the Board, in which case the usual requirements for notice and Member participation apply.

g) Closed Meetings. Notwithstanding the foregoing, the requirement that Board meetings and certain committee meetings be open to Members does not apply to:

(i) meetings between the Board or a committee and the Association's attorney concerning proposed or pending litigation, if the contents of the discussion would otherwise be governed by the attorney-client privilege; or

(ii) Board meetings held for the purpose of discussing personnel matters.

h) **Quorum.** A quorum shall consist of a majority of the members of the Board of Directors. The acts approved by a majority of those present at a meeting at which a quorum is attained shall constitute the acts of the Board of Directors, except when approval by a greater number of Directors is specifically required by the Governing Documents of the Association.

i) **Adjourned Meetings.** If any proposed meeting of the Board of Directors is attended by less than a quorum of Directors, the majority of those present may adjourn the meeting from time to time until a quorum is attained; provided, however, that the notice requirements contained in these Bylaws are fulfilled. At a following meeting, any business that may have been transacted at the previously-adjourned meeting as initially called may be transacted.

j) **Presiding Officer.** The presiding Officer at meetings of the Board of Directors shall be the President, unless he or she designates another person to preside over the meeting, who need not be a Director or Officer.

k) **Order of Business.** If a quorum has been attained, the order of business at Directors' meetings, unless waived in whole or part by the presiding Officer or modified by the Board by motion, shall be:

- (i) Proof of notice of meeting;
- (ii) Determination of Quorum;
- (iii) Reading and disposal of any unapproved minutes;
- (iv) Reports of Officers and committees;
- (v) Unfinished business;
- (vi) New Business;
- (vii) Adjournment.

l) **Minutes of Meetings.** The minutes of all meetings of the Board of Directors shall be kept in a book available for inspection by Members or their authorized representatives and Directors. The Association shall retain meeting minutes for at least seven (7) years. Minutes may be preserved electronically provided they are capable of being produced in written form within a reasonable time. The Association shall make the meeting minutes available for inspection within ten business days of receipt of a written request submitted by an Owner by certified mail, return receipt requested.

m) **Preservation of Covenants & Restrictions.** At the first Board meeting, excluding the organizational meeting, which follows the annual meeting of the Members, the Board shall consider the desirability of filing notices to preserve the covenants or restrictions affecting the community or association from extinguishment under the Marketable Record Title Act, chapter 712, and to authorize and direct the appropriate officer to file notice in accordance with s. 720.3032.

3.8 Compensation. Directors shall not be compensated for their services to the Association in their capacities as Directors.

3.9 Emergency Powers. In the event of any “emergency” as defined herein or by Sections 617.0303 and 720.316, Florida Statutes (as such statutes may be amended from time to time), the Board of Directors may exercise the emergency powers described in Sections 617.0303 and 720.316, Florida Statutes, as amended from time to time.

ARTICLE IV OFFICERS

4.1 Executive Officers. The executive Officers of the Association shall be a President, Vice President, a Treasurer, and a Secretary, all of whom shall be elected by the Board of Directors. A person may hold more than one office, except that the President may not also be the Vice President or Secretary. The Board of Directors may from time to time elect such other Officers and designate their powers and duties as the Board shall deem necessary or appropriate to manage the affairs of the Association.

4.2 President. The President shall be the Chief Executive Officer of the Association and shall have all the powers and duties customarily vested in the office of President of a corporation not-for-profit.

4.3 Vice President. The Vice President shall exercise the powers and perform the duties of the President in the absence or disability of the President. The Vice President shall also perform such other duties customarily vested in the office of Vice President of a corporation not-for-profit, along with such other duties as prescribed by the Board of Directors.

4.4 Secretary. The Secretary shall keep the minutes of all proceedings of the Directors and the Members. Any meeting at which a proposed annual budget of the Association will be considered by the Board or Members shall be open to all Members. At least fourteen (14) days prior to such a meeting, the Board shall hand deliver to each Member, mail to each Member at the address last furnished to the Association by the Member, or electronically transmit to the location furnished by the Member for that purpose a notice of such meeting. An Officer or manager of the Association, or other person providing notice of such meeting, shall execute an affidavit evidencing compliance with such notice requirement, and such affidavit shall be filed among the Official Records of the Association.

The Association shall provide each Member with a copy of the annual budget or a written notice that a copy of the budget is available upon request at no charge.

5.3 Reserves. In addition to annual operating expenses, the budget may include reserve accounts for capital expenditures and deferred maintenance. Funding formulas for reserves must be based on a separate analysis of each of the required assets or a pooled analysis of two or more of the required assets; provided, however, that this provision shall not preclude the Association from establishing a general deferred maintenance reserve account for miscellaneous maintenance and repair. Reserve funds and any interest accruing thereon shall remain in the reserve account or accounts and shall be used only for authorized reserve expenditures unless their use for other purposes is approved in advance by a majority of a quorum of the Voting Interests.

Assessments against Owners for their share of budget items shall be made for the applicable fiscal year annually. Such Assessments shall be payable on the dates and in the manner established by the Board. If an annual Assessment is not made as required, the amount of the Assessment shall be presumed to have been made in the amount of the last prior Assessment, and each installment on such Assessment shall be due upon each installment payment date until changed by an amended Assessment. In the event that the annual Assessment is deemed to be insufficient by the Board of Directors, the budget and Assessments may be amended at any time by the Board subject to the notice and meeting requirements of this Article. If the Board of Directors amends the budget and Assessments in a given year, payment of Assessments subsequent to the amendment shall be made according to the amendment.

5.5 Other Assessments. The Association may levy Special Assessments and Individual Assessments as provided in the Declaration. The Board shall provide fourteen (14) days' written notice to the Member or Members against whom such Assessment is made prior to the Board meeting at which the Assessment will be considered which shall state the estimated amount and nature of the Assessment.

5.6 Acceleration and Default. If an Owner defaults in his or her Assessment installment payment obligation, the Association may accelerate the balance of the current budget years'

Assessments upon thirty (30) days' prior written notice to the Owner. The unpaid balance of the current budget years' Assessments shall thereafter be due on the date stated in the notice, but not less than five (5) days after the delivery of the notice to the Owner, nor less than ten (10) days after the mailing of such notice to him or her, whichever first occurs.

Notwithstanding the restrictions in this subparagraph, an Association may print and distribute to Members a Directory containing the name, parcel address, and telephone number of each Member. However, a Member may exclude his or her telephone number from the Directory by so requesting in writing to the Association. The Association is not liable for the inadvertent disclosure of information that is protected under this subparagraph if the information is included in an official record of the Association and is voluntarily provided by an owner and not requested by the Association.

f) Electronic security measures that are used by the Association to safeguard data, including passwords.

g) The software and operating system used by the Association which allow the manipulation of data, even if the owner owns a copy of the same software used by the Association. The data is part of the official records of the Association.

Within twenty-one (21) days after the final financial report is completed by the Association or received from the third party, but not later than one hundred twenty (120) days after the end of the fiscal year, the Association shall provide each Member with a copy of the annual financial report or a written notice that a copy of the financial report is available upon request at no charge to the Member. The level of financial reporting required shall be based on the Association's total annual revenues as provided by the Homeowners' Association Act.

ARTICLE VII ENFORCEMENT OF GOVERNING DOCUMENTS

7.1 Obligation to Comply with Governing Documents. Each Member and the Member's tenants, guests, and Invitees, and the Association, are governed by, and must comply with, the Association's Governing Documents. Actions at law or in equity, or both, to redress alleged failure or refusal to comply with the Governing Documents may be brought by the Association or by any Member against:

- a) The Association;
- b) A Member;
- c) Any Director or Officer of the Association who willfully and knowingly fails to comply with the Governing Documents; and
- d) Any tenants, guests, or Invitees occupying a Lot or using Association Property.

The prevailing party in any such action is entitled to recover reasonable attorneys' fees and costs, including all appeals. Certain "disputes" as defined in the Homeowners' Association Act shall be subject to a pre-suit offer to participate in mediation prior to instituting a lawsuit. In addition, certain "Disputes" involving "Listed Parties" as defined by the Declaration are subject to alternative dispute resolution procedures.

7.2 Fines. The Association may levy reasonable fines. A fine may exceed \$100 per violation against any Member or any Member's tenant, guest, or Member's Invitee for the failure of the Member or its occupant, licensee, or Invitee to comply with any provision of the Governing Documents. The Board may adopt reasonable rules and regulations establishing the maximum fines for violations, which may exceed \$100.00 per violation, regardless of whether the violation is a continuing violation. A fine may be levied by the Board for each day of a continuing violation, with a single notice and opportunity for hearing. Fines may be imposed of an amount up to \$10,000.00 in the aggregate for a continuing violation. A fine of \$1,000 or more shall constitute a lien against a Member's Lot. In any action to recover a fine, the prevailing party is entitled to reasonable attorneys' fees and costs.

7.3 Suspensions. The Association may suspend, for a reasonable period of time, the right of a Member, or a member's tenant, guest, or Invitee, to use Association Property, Common Areas, and facilities for the failure of the Member or its occupant, licensee, or Invitee to comply with any provision of the Governing Documents. The Association may also suspend a Member's voting rights and rights to use Association Property, Common Areas, and facilities if a Member is more than 90 days' delinquent in the payment of any fee, fine, or other monetary obligation due to the Association. The Association is not required to provide notice or an opportunity for a committee hearing for suspensions imposed for nonpayment of a fee, fine, or other monetary obligation. This Section does not apply to that portion of Common Areas or Association Property used to provide access or Utilities to the Member's Lot. A suspension may not prohibit an Owner or tenant of a Lot from having vehicular and pedestrian ingress to and egress from the Lot, including, but not limited to, the right to park.

7.4 Notice and Committee Hearing. All suspensions imposed must be approved at a Board meeting. Except for suspensions imposed for nonpayment of a monetary obligation due to the Association, a fine or suspension imposed by the Board may not be confirmed without at least 14 days' notice to the person sought to be fined or suspended and an opportunity for a hearing before a

committee of at least three members appointed by the Board who are not Officers, Directors, or employees of the Association, or the spouse, parent, child, brother, or sister of an Officer, Director, or employee. If the committee, by majority vote, does not confirm a proposed fine or suspension, it may not be imposed. The role of the committee is limited to determining whether to confirm or reject the fine or suspension levied by the Board. If the Board imposes a fine or suspension, the Association must provide written notice of such fine or suspension by mail or hand delivery to the Member and, if applicable, to any tenant, licensee, or Invitee of the Member. Fines and suspensions may be levied jointly and severally against Members and their tenants, guests, and Invitees.

Declarant may amend these Bylaws unilaterally until Transition.

8.2 Proviso. No amendment that would eliminate, modify, prejudice, abridge, or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to the Declarant shall be effective unless approved in writing by the Declarant. No amendment shall be made that is in conflict with the Articles or Declaration.

8.3 Parliamentary Rules. The most recently published version of Roberts' Rules of Order shall govern the conduct of the Association meetings when not in conflict with the Declaration, the Articles, or these Bylaws.
