B. Voting Rights. The Members of the Association shall have such voting rights as are provided in the Articles.

C. Powers of Association. The Association shall have all the powers, rights and duties as set forth in this Declaration, the Articles and the Bylaws

9. The rights of the Developer to withdraw portions of the Common Property as provided in this Declaration.

10. The easements set forth in any recorded declaration affecting the Property subject to this Declaration.

11. The right of the Association to mortgage the Property for the purpose of improvement or repair of the Common Property, and to take such steps as are reasonably necessary to protect the Common Property against foreclosure, subject to the approval of two-thirds (2/3) of the Board.

12. The right of the Board of Directors, without further consent of the Owners or Institutional Mortgagees, to sell, convey or transfer the Common Property or any portion thereof to a third party for such purposes and subject to such conditions as may be approved by two-thirds (2/3) vote of the Board of Directors, subject to the requirements of the Permits.

13. The right of Developer or the Association to grant easements and rights of way as may be appropriate for the proper development and maintenance of the Property, including, without limitation, Developer's right to reserve easements for itself, its successors and assigns for ingress, egress, drainage maintenance, and utilities over all Common Property.

14. All provisions of this Declaration, any plat of any part of the Property, and the Articles and Bylaws of the Association.

15. The right of the Developer, the Association to authorize other persons to enter upon and use the Common Property for uses not inconsistent with the Owners' rights herein.

16. All easements depicted on the Plat and all easements and restrictions of record, including easements created by this Declaration.

B. Encroachment. If (a) any portion of the Common Property (or improvements constructed thereon) encroaches upon any other portion of a Lot or upon any Unit; (b) any portion of a Lot or Unit (or improvements constructed thereon) encroaches upon the Common Property; or (c) any encroachment shall hereafter occur as the result of (i) construction of any improvement; (ii) settling or shifting of any improvement; (iii) any alteration or repair to the Common Property (or improvements thereon) after damage by fire or other casualty or any taking by condemnation or eminent domain proceedings of all or any portion of any improvement or portion of the Common Property, then, in any such event, a valid easement is granted and shall exist for such encroachment and for the maintenance of the same so long as the structure causing said encroachment shall stand.

C. Construction and Sales. The Developer (and its agents, employees, contractors, subcontractors and suppliers) shall have an easement of ingress and egress over and across the Common Property for construction purposes and to erect, maintain, repair and replace, from time to time, one or more signs on the Common Property for the purposes of advertising the sale or lease of Units

D. Delegation of Use. Each Owner may delegate, subject to the Articles, Bylaws, and the Declaration, his right of enjoyment of the Common Property and facilities to the members of his family, his tenants, his guests, invitees, licensees, domestic servants, or contract purchasers who occupy the Lot.

E. Damage or Destruction. In the event any Common Property, facilities, or personal property of the Association or Developer are damaged or destroyed by an Owner or any of his guests, tenants, invitees, agents, employees, or family members as a result of negligence, misuse, error, act or failure to act, the Association shall repair the Common Property facilities and/or personal property in a good and workmanlike manner, in accordance with the original plans and specifications for the Common Property, or as the Common Property may have been modified or altered subsequently by the Association. The cost of such repairs shall be the responsibility of that Owner and shall be a Lot Assessment, payable by the responsible Owner immediately upon receipt of a written invoice or statement. Nothing contained herein shall impose absolute liability for damages to the Common Property on the Owners, and in the event a Lot Assessment is levied against any Owner, such Owner may make a written request for reconsideration to the Board of Directors within ten (10) days after receipt of the Lot Assessment notice.

F. Community Systems. Developer shall have the right, but not the obligation, to convey, transfer, sell or assign all or any portion of the Community Systems located within the Property, or all or any portion of the rights, duties or obligations with respect thereto to any other person or entity (including an Owner, as to any portion of a Community System located on/in his Lot). If and when any of the aforesaid entities receives such a conveyance, sale, transfer or assignment, such entity shall automatically be deemed vested with such rights of Developer with regard thereto as are assigned by Developer in connection therewith. Any conveyance, transfer, sale or assignment made by Developer pursuant to this Section (i) may be made with or without consideration, which consideration may be retained by the Developer and (ii) shall not require the consent or approval of any Owner. In recognition of the intended increased effectiveness and potentially decreased installation and maintenance costs and user fees arising from the connection of all Lots in the Property to the applicable Community Systems, each Owner and occupant of a Lot shall by virtue of the acceptance of the deed or other right of occupancy thereof, be deemed to have consented to and ratified any and all agreements to which the Association is a party which is based upon (in terms of pricing structure or otherwise) a requirement that all Lots be so connected. The foregoing shall not, however, prohibit the Association or Community Systems provider from making exceptions to any such 100% use requirement in its reasonable discretion.

IV. MAINTENANCE, REPAIR AND REPLACEMENT OBLIGATIONS.

A. Common Property. It shall be the duty of the Association to manage and maintain the Common Property in a clean, attractive, sanitary and serviceable condition, and in good order and repair, subject to all governmental regulations, for the benefit of all Owners. Such maintenance shall include without limitation the obligation to maintain the Common Roads (including the rights of way, medians, any landscaped islands, irrigation and signage), parking areas, the clubhouse, the swimming pool, all landscaping on any open areas or green space within the Common Property (provided, however, that neither Developer nor the Association shall be deemed a guarantor of such landscaping), the vehicular access gate (including all necessary equipment, scanners and utilities), any sidewalks serving the Property, all fences and monuments serving the community as a whole and all obligations under the Permits issued with respect to the Common Property. The Association's duties shall commence upon the completion of any Improvements upon the Property, irrespective of which entity holds title thereto, and shall include the management, operation, maintenance, repair, servicing, replacement, and renewal of all Improvements, equipment, and tangible personal property installed by Developer as a part of the Common Property. Without limiting the generality of the foregoing, the Association shall assume all of the Developer's responsibilities to the County and the State and their respective governmental and quasi-governmental subdivisions and similar entities with respect to the Common Property and shall indemnify and hold Developer harmless. In accordance with Sections III.D and VIII.A, if any Common Property, facilities, or personal property of the Association or Developer are damaged or destroyed as a result of the negligence, misuse, error, act or the failure to act by an Owner or any of his guests, tenants, invitees, agents, employees, or family members, the Association shall repair the Common Property facilities and/or personal property in a good and workmanlike manner, in accordance with the original plans and specifications for the Common Property, or as the Common Property may have been modified or altered subsequently by the Association. The cost of such repairs shall be the responsibility of that Owner and shall be a Lot Assessment, payable by the responsible Owner immediately upon receipt of a written invoice or statement.

B. Townhome Project.

1. Townhome Lot Maintenance. The Association shall be responsible for maintenance and repairs to the irrigation system and shall maintain the existing landscaping as originally provided on the Townhome Lots; provided however that (a) neither the Developer nor the Association shall be deemed the guarantor of the trees, grass or shrubbery and the Association shall have the sole discretion to determine the type of replacement plants, grass or shrubbery that will be used to replace any dead or damaged vegetation and (b) the removal or replacement of dead trees located within the Townhome Lots shall be the responsibility of the Owners, whether or not such trees were a part of the original landscaping of the Lots. The landscaping costs shall be passed on to the Owners as a part of the District Assessments. The Owners shall be responsible for the maintenance, removal and replacement of all flowers, shrubs, and trees installed by the Owners. In the event an Owner fails to perform its obligations with respect to Townhome Lot maintenance as set forth herein, the Association may, but is not obligated to, furnish such maintenance or removal services and the cost thereof shall constitute a Special Assessment for which a claim of lien may be filed or enforced against the Owner's Lot and such amount shall be the personal obligation of the Owner. Further, it shall be each Owner's responsibility and obligation to keep all parts of his or her Lot free and clear of trash and debris. Further, if any Association-maintained landscaped areas within the Lots are damaged or destroyed as a result of the negligence, misuse, error, act or the failure to act by an Owner or any of his guests, tenants, invitees, agents, employees, or family members, the Association may, in its sole and absolute discretion, either (i) repair the landscaped areas, with the cost of such repairs being the responsibility of that Owner as a Lot Assessment, payable by the responsible Owner immediately upon receipt of a written invoice or statement or (ii) provide written notice to the Owner to repair the landscaped area, in which case the Owner shall

immediately and at such Owner's sole cost and expense, perform exactly such repairs to the landscaped area as are required by the Association.

2. Townhome Residence Maintenance.

(a) Association Obligations. The Association is responsible for the following matters relating to the Initial Improvements located on the Lots and relating to Improvements made to the Buildings and the Residences by the Developer or the Association:

(i) The Association shall, from time to time as deemed reasonably appropriate and necessary by the Board of Directors, in the Board's sole and absolute discretion, make major repairs and replacements to the exterior portions of a Building contributing to the support of the Building, which portions shall include but not be limited to load-bearing columns, load-bearing walls and roofs (including roofs of screen-enclosed patios). The Association shall not be obligated to maintain, repair or replace any portion of the interior of a Building. The Association shall undertake this responsibility to assure uniformity in exterior appearance. The cost of such repairs and replacements shall be a Lot Assessment, which Assessment shall be assessed equally between all of the Owners of the Building being repaired.

(ii) The Association shall, from time to time as deemed reasonably appropriate and necessary by the Board of Directors, in the Board's sole and absolute discretion, maintain and repair and replace the exterior of the Buildings (as set forth in Sections IV.B.2(b)(ii) and IV.B.2(b)(iv)), including painting the exterior, paintable walls of each Building, repairing and replacing all portions of the siding of each Building, maintaining, repairing and replacing the roof of each Building and periodically cleaning the exterior portions of the Building. (iii) The Association shall also be responsible for repairing all incidental damage caused to a Residence by reason of the repairs and replacements accomplished pursuant to the provisions of paragraphs (i) and (ii) above. The cost of such repairs and replacements shall be a Lot Assessment, which Assessment shall be assessed equally between all of the Owners of the Building being repaired.

(iv) The Association shall, from time to time as deemed reasonably appropriate and necessary by the Board of Directors, in the Board of Directors' sole and absolute discretion, clean leaves and other debris from the gutters and roofs of the Buildings.

(v) Notwithstanding the terms and conditions of paragraphs (i) through (iii) above, if any Lot, Building or Residence is damaged or destroyed as a result of the negligence, misuse, error, act or the failure to act by an Owner or any of his guests, tenants, invitees, agents, employees, or family members, the Association may, in its sole and absolute discretion, either (a) repair the Lot, Building or Residence, with the cost of such repairs being the sole responsibility of that Owner as a Lot Assessment, payable by the responsible Owner immediately upon receipt of a written invoice or statement or (b) provide written notice to the Owner to repair the affected Lot, Building or Residence, in which case the Owner shall immediately and at such Owner's sole cost and expense, perform exactly such repairs to the Lot, Building or Residence as are required by the Association.

(b) Owner's Obligations. Each Owner is responsible for the following matters relating to his or her Residence and Lot:

(i) Each Owner shall maintain, repair and replace, at its sole cost and expense, all interior portions of its Residence contributing to the support of the Building, which portions shall include but not be limited to load-bearing columns and load-bearing walls. Notwithstanding the foregoing, the Association reserves the right but not obligation, in its sole and absolute discretion, if an Owner fails to do so, to make repairs and replacements of those interior portions of a Building contributing to the support of the Building.

(ii) In accordance with the terms and conditions of Section IV.B.2(a)(ii), the Association is responsible for painting the Buildings, as deemed reasonably appropriate and necessary by the Board of Directors. If any Owner desires to paint all or a portion of the exterior of its Residence, then the Owner shall be subject to the terms and conditions of Section VII, including without limitation Section VII.P.19.

Notwithstanding the foregoing, the Association reserves the right but not obligation, in its sole and absolute discretion, if an Owner fails to do so, to make repairs and replacements of those interior portions of a Building contributing to the support of the Building.

(v) If an Owner purchases a Residence with a screen enclosed patio or is thereafter permitted by the ARB to enclose the patio, then the Owner shall be responsible, at its sole cost and expense, for the maintenance, repair and replacement of the screen enclosed patio and all components of the patio (excluding the roof).

(vi) Each Owner shall maintain, repair and replace at its sole cost and expense, all conduits, ducts, plumbing, wiring, and other facilities for the furnishing of utility services to the Residence and/or the security alarm system and fire alarm serving the Residence, whether such conduits, ducts, plumbing, wiring and other facilities for the furnishing of utility services, security alarm system and fire alarm are located within the Residence or within the Building where the Residence is located. (viii) In addition to other specified maintenance required herein, each Owner shall keep all parts of his Lot, including the Residence, clean and free of debris, at such Owner's sole cost and expense and shall be responsible, at such Owner's sole cost and expense, for any desired pest and/or nuisance control in and around the Residence.

(ix) All Owner maintenance, repair and replacement obligations

shall (a) be done without disturbing the rights of any other Owners; (b) be performed by each Owner at regular intervals as shall be necessary to keep the Lot and the Residence in an attractive condition and in substantially the same condition and appearance as existed at the time of completion of construction; subject to normal wear and tear that can not be avoided by normal maintenance; and (c) be of a design, quality specification and decor consistent with the Improvements located on the Property.

(x) Each Owner shall promptly report to the Association any defect or need for repairs or replacements for which the Association is responsible.

(xi) Each Owner shall promptly perform any maintenance or repair requested by the Association. If an Owner fails to maintain his Lot and his Residence as required herein or to perform any other maintenance required hereunder, the Association, after ten (10) days written notice to the Owner and with the approval of the majority of the Board of Directors, shall have the right to enter upon such Lot to correct, repair, restore, paint, maintain, and landscape any part of such Lot or Residence. Such entry shall not be a trespass. The cost of such repairs or maintenance shall be a Lot Assessment, payable by the responsible Owner immediately upon receipt of a written invoice or statement therefore.

(xii) Blanket Easement over Lots within Townhome Project for Landscaping, Maintenance, Repair and Replacement by the Association. The Association is granted a perpetual, non-exclusive easement for ingress and egress, at all times, over and across each Lot within the Townhome Project, for the Association to fulfill its obligations as set forth in Article IV and XIV of this Declaration; provided however, that if the Association is ever dissolved, then all landscaping, maintenance, repair and replacement obligations relating to the Lots within the Townhome Project and the Townhome Residences located thereon shall be the responsibility and financial obligation of the Owner owning each Lot within the Townhome Project and Townhome Residences.

C. Single Family Project.

1. Single Family Residence Maintenance. Each Owner shall keep all parts of his Lot and Residence in good repair and condition and shall, at such Owner's cost and expense maintain and repair his Residence including, without limitation, repainting or re-staining the exteriors of the Residence, repair or replacement of roofing, repair or replacement of windows and doors (including repair or replacement of glass and screens), repair or replacement of building materials on the exterior of the residence. The foregoing obligations shall include all maintenance, repair or replacement required because of the occurrence of any fire, wind, vandalism, theft or other casualty. All maintenance and repair shall be performed by each Owner at regular intervals as shall be necessary to keep the Residence in an attractive condition and in substantially the same condition and appearance as existed at the time of completion of construction; subject to normal wear and tear that can not be avoided by normal maintenance. Each Owner shall promptly perform any maintenance or repair requested by the Association.

2. Single Family Lot Maintenance. In the event an Owner fails to perform its obligations with respect to Single Family Lot maintenance as set forth herein, including maintaining his Lot and Residence in good order and in a clean and attractive manner, the Association may, but is not obligated to, after ten (10) days written notice to the Owner and with the approval of the majority of the Board of Directors, shall have the right to enter upon such Lot to correct, repair, restore, paint, or maintain any part of the Residence. The cost of such repairs or maintenance shall be the responsibility of the Owner, payable by the responsible Owner immediately upon receipt of a written invoice or statement therefore. Such cost shall constitute a Special Assessment for which a

claim of lien may be filed or enforced against the Owner's Lot. Further, it shall be each Owner's responsibility and obligation to keep all parts of his or her Lot free and clear of trash and debris.

V. COMMON PROPERTY AND EASEMENTS.

A. Common Property Easement. The Association is granted a perpetual, non-exclusive easement for ingress and egress, at all times, over and across the Common Property and over and across any portion of a Lot that includes a portion of the Common Property, for the Association to fulfill its obligations as set forth in Articles IV and XIV of this Declaration.

1. It is the intention of the Developer to convey all Common Property to the Association (except for those portions of the Stormwater Management System and lakes as are located within the boundary of a Lot); provided however, the Developer shall retain title to the Common Property until such time as it has completed any Improvements to the Common Property or until the first issuance of insurance by FHA/VA on a Lot, whichever shall first occur. Unless Developer sooner conveys such Common Property or any portion thereof to the Association by recorded instrument, all remaining Common Property not deeded to the Association shall be deemed conveyed to the Association (except those portions of the Stormwater Management System and lakes as are located within the boundary of a Lot), without further act or deed by Developer at such time as Developer has completed all Improvements to the Common Property or until the first issuance of insurance by FHA/VA on a Lot, whichever shall first occur.

2. The Association shall accept conveyance of the Common Property and the Common Roads as provided in this Declaration. The Common Property shall be conveyed subject to easements shown on the Plat, easements and restrictions of record, all Permits affecting the Common Property and shall be free and clear of all liens and encumbrances, except taxes and matters of record prior to the conveyance. Notwithstanding the foregoing, no part of the Common Property may be conveyed to any party other than the Association, dedicated to the public (other than the roads and drainage easements as shown on the Plat), mortgaged, or otherwise encumbered without the written consent or vote of two thirds (2/3) of the Class A and Class B Members (voting at a duly noticed meeting at which a quorum is present in person or by proxy) and, until Turnover, the prior written consent of the FHA or VA in accordance with HUD regulations, if the FHA or VA is the insurer of any Mortgage encumbering a Lot.

3. Developer may reserve, to itself and for the benefit of adjacent land owners, certain rights to use the Common Property and/or Common Roads and Developer may terminate the designation of land as Common Property without the consent or joinder of any Owner or Institutional Mortgagee. Upon the conveyance of the Common Property to the Association, such Common Property shall be held for the benefit of the Association and its members.

B. Common Road Easements. The Association is granted a perpetual, non-exclusive easement for ingress and egress, at all times, over and across the Common Roads, for the Association to fulfill its obligations as set forth in Article IV of this Declaration.

1. It is specifically acknowledged that the Common Roads will be conveyed by Developer to the Association free and clear of all liens, except taxes and matters of record prior to the conveyance and except for Developer's reserved easement for ingress, egress and Developer's reserved right, but not obligation, to install all utilities, including without limitation cable television, street lighting and signage in the road right of way.

2. The Developer, the Association and each Owner of a Lot, his successors and assigns, domestic help, guests, invitees, delivery, pick up and fire protection services, police and other authorities of law, United States mail carriers, representatives of utilities serving the

Property, Institutional Mortgagees and such other persons as Developer and/or the Association shall designate are hereby granted a perpetual non-exclusive easement for ingress and egress over the Common Roads.

3. Developer and the Association shall have an unrestricted and absolute right, but not obligation, to deny ingress to any person who, in the opinion of Developer or the Association, may create or participate in a disturbance or nuisance on any part of the Property; provided that, Developer or the Association shall not deny an Owner, Institutional Mortgagee, or invitee the right of ingress or egress or any right to obtain utility services to any portion of the Property owned by such Owner or Institutional Mortgagee. Developer and the Association shall have (a) the right to adopt reasonable rules and regulations pertaining to the use of the Common Roads; (b) the right, but not the obligation, from time to time to control and regulate all types of traffic on the Common Roads, including the installation of gate houses and gate systems, if Developer or the Association so elects. Developer and the Association shall have the right, but not the obligation, to control speeding and impose speeding fines to be collected by the Association in the manner provided for as Assessments and to prohibit the use of the Common Roads by traffic or vehicles (including, without limitation, motorcycles, all-terrain vehicles, go-carts and three-wheeled vehicles), which, in the opinion of Developer or the Association, would or might result in damage to the Common Roads or create a nuisance for the Owners; the right, but not the obligation, to control and prohibit parking on all or any part of the Common Roads; and the right, but not the obligation, to remove or require the removal of any fence, walls, hedge, shrub, bush, tree or other thing, natural or artificial, which is placed or located on the Property if the location of the same will, in the opinion of Developer or the Association, obstruct the vision of a motorist.

4. Developer reserves, and grants to the Association and its designees, the sole and absolute right at any time to dedicate any portion of the Common Road for public use and to redesignate, relocate or close any part of the Common Roads without the consent or joinder of any Owner or Institutional Mortgagee so long as no Owner or Institutional Mortgagee is denied reasonable access from his Lot to a public road right of way by such designation, relocation or closure. In that event, the foregoing easement over the Common Road shall be automatically terminated, and if necessary the Association shall reconvey the Common Road at the request of Developer.

C. Utility Easements.

1. Blanket Easement. Developer reserves for itself, its successors and assigns, and grants to the Association and its designees, a nonexclusive, perpetual, alienable blanket easement and right for the benefit of the Property upon, across, over, through, and under the Property for ingress, egress, installation, replacement, repair, use and maintenance of all utility and service lines and service systems, public and private, including, but not limited to, water, sewer, drainage, irrigation systems, telephones, electricity, television cable or communication lines and systems now in existence or which are developed in the future, and police powers and services supplied by the local, state and federal governments. In addition to the rights of the Developer, the Association shall have the right to grant permits, licenses and easements over the Common Property for the installation, moving and terminating of easements for utilities, roads and other purposes necessary or convenient for the operation of the Property. This easement shall in no way affect any other recorded easements on the Property. Upon construction of a Residence on a Lot, the blanket easement reserved herein shall be vacated with respect to any portion of the Lot on which the Residence is located; provided however that following construction of a Residence on a Lot, there shall continue in effect through the walls and roof of the Buildings and Residences located on a Lot, any reasonably necessary utility and ingress and egress easements to provide electric, water and other utilities to each Residence. The utility and ingress and egress easements through the Lot and walls and roof of a Residence shall also inure to the benefit of each Owner of a Residence in a

particular Building to access any meter box, electrical, water and utility connections running through the particular Building.

2. Lot Easements. Developer reserves for itself, its successors and assigns, and grants to the Association and its designees, a ten foot (10') perpetual nonexclusive easement over, under, and across the front of each Lot for the installation, repair and maintenance of utilities, including without limitation water, sewer, electrical and irrigation lines. In the event that the Owner shall construct any Improvements within such easement area specifically reserved on a Lot, and if, in connection with the exercise of the Developer's or the Association's easement rights hereunder, the Developer or the Association is required to remove such Improvements, the repair, replacement or restoration of such Improvements shall be at the cost and expense of the Owner.

3. Fiber Optics, Cable and Telecommunications Easements. Developer reserves for itself, its successors and assigns, and grants to the Association and its designees, a perpetual, exclusive, alienable easement and right for the installation, maintenance, and supply of fiber optic cables, radio and television cables and any such similar telecommunications equipment now in existence or developed in the future over, under and across the rights of way and easement areas on the Plat and over, under and across the unimproved portions of the Lots and through the walls and roof of each Building and Residences located on each Lot. If the Developer or the Association elects to enter into a bulk rate contract for fiber optic service, cable television or any other telecommunications service, such service shall be supplied to each Lot and each Owner shall be required to pay all costs in connection therewith.

4. Water and Sewer Service. Pursuant to the requirements of the utility company providing water and sewer service to the Property, all Owners must connect to the central water and sewer service provided by the franchisee for the Property.

D. Encroachments. In the event that any Residence or Improvement thereon erected by the Developer or the Association (including any Party Wall or fence) shall encroach upon any of the Common Property or upon any other Residence or Lot for any reason other than the intentional or negligent act of the Owner, or in the event any Common Property shall encroach upon any Residence, then an easement shall exist to the extent of such an encroachment so long as the same shall exist.

E. Traffic. A non-exclusive easement shall exist for pedestrian traffic over, through and across any sidewalks, paths, walks, and other portions of the Common Property, as may be from time to time, intended and designated for such purpose and use; and for vehicular and pedestrian traffic over, through and across such portions of the Common Property as may from time to time be paved and or otherwise intended for purposes of ingress, egress and access to the public ways and for such other purposes as are commensurate with need, and such easement or easements shall be for the use and benefit of the Owners, and those claiming by, through or under the Owners; provided, however, nothing herein shall be construed to give or create in any person the right to park upon any portion of the Common Property, except in a manner consistent with Section VIII.G of this Declaration.

F. Developer's Rights. Developer, its successors and assigns, shall have the unrestricted right, without approval or joinder of any other person or entity: (1) to designate the use of, alienate, release, or otherwise assign the easements shown on the Plat, (2) to plat or replat all or any part of the Property owned by Developer, and (3) to widen or extend any right of way shown on the Plat or convert a Lot to use as a right of way, provided that Developer owns the lands affected by such change. Owners of Lots subject to easements shown on the Plat shall acquire no right, title, or interest in any of the cables, conduits, pipes, mains, lines, or other equipment or facilities placed on, over, or under the easement area unless installed by such Owner and specifically conveyed to such Owner. The Owners of Lots subject to any easements shall not construct any Improvements on the easement areas, alter the flow or drainage, or landscape such areas with hedges, trees, or other landscape items that might

interfere with the exercise of the easement rights. Any Owner who constructs any approved Improvements or landscaping on such easement areas shall remove the Improvements or landscape items upon written request of Developer, the Association, or the grantee of the easement.

G. Easements and Reservations for Developer and Associations for Ingress, Egress and Utilities. There is reserved in the Developer and the Association, their successors and assigns, the right to create utility easements and to install utilities and to use same over and across the Property for the benefit of the Developer and the Association, their successors and assigns and any designated provider of such utility services. Such right to create and install and use utilities shall not encumber or encroach upon any Residence or impair the exclusive use and ownership of any Residence. Such use of the lands for utilities shall be established as five feet (5') on either side of the actual installed Improvement. There is reserved in the Developer and the Association the right of ingress and egress over all of the Property, except within the Residences.

H. Reservation in the Developer to Use Facilities for Sale, Marketing, and Advertising of the Ironwood Community. It is contemplated that the Developer will construct and market all of the Residences within the Property. Developer reserves, for Developer, its successors and assigns, and grants to the Association and its designees, the right to use all unsold Residences (including Residences designated as a sales office and/or model Residence) and all recreational facilities for the marketing, sale, and advertising of all Residences constructed. For so long as the Developer owns an interest in any portion of the Property with the intention to sell Residences and for a period running one year from such date, the Owners and the Association's management company are prohibited from restricting access to the Property, including without limitation the Common Property and the Common Roads, by agents or sales prospects, including without limitation, any decision to not use the limited vehicular access gate until all Residences or Lots have been conveyed to Owners. This reservation is made notwithstanding the use restrictions set forth in Section VII.P.1 of this Declaration, and such reservation is intended with respect to the Developer, its successors and assigns, to be superior to such use restriction in Section VII.P.1. Such reservation shall continue for so long as the Developer, its successors and assigns, shall own an interest in the Property with the intention to sell Residences to the public. Notwithstanding anything to the contrary in this Declaration, Developer may maintain a model and sales center on the Property for a period of one (1) year following the date of sale of the last Lot owned by the Developer, which model and sales center may be used for the purpose of marketing other properties owned or developed by Developer.

I. Re-Use Water. At such time as re-use water is available to the Property, Developer or the Association may be required to use such re-use water for irrigation. All Owners hereby understand and agree that they will comply with all applicable governmental requirements and hereby indemnify and agree to hold Developer, the Association and Association harmless there from and from any and all claims, loss, damage or liability arising from or in connection with the installation, distribution and use of such re-use water.

J. Recorded Easements. All easements depicted on the Plat and all easements and restrictions of record, including easements created by this Declaration, affecting any Lot.

VI. ASSESSMENTS.

A. Rate of Assessments. Assessments shall be made at a uniform rate against applicable "Assessment Units". For the purposes hereof, each Lot shall constitute one (1) Assessment Unit. In the event of any dispute as to the allocation of Assessments, the determination of the Board shall be binding and dispositive. Developer may modify such formula with respect to future Lots in the Supplemental Declaration bringing such Lots under the provisions hereof in order to account for unforeseen changes in development plans and to maintain an equitable system of Assessment allocation, provided that no change may be made in the allocation of Assessments among residential condominium units insofar as

it is the intent hereof that each such unit shall be required to bear a proportionate burden of Assessments. The Board of Directors shall budget and adopt Assessments for the Association's general expenses in accordance with the procedures set forth in the Bylaws.

B. Annual Assessments. For each Lot within the Property, Developer covenants, and Owner, by acceptance of a deed or other conveyance, agrees to pay annual assessments ("Annual Assessments") and other Assessments hereafter described, levied by the Association for the improvement, maintenance, repair and replacement and operation of the Common Property, the Buildings, the Lots and the Residences, including, without limitation, the maintenance, operation, repair and replacement of the Stormwater Management System (including, but not limited to, work within retention areas, drainage structures, and drainage easements), any rental or lease cost for street lighting, the management and administration of the Association, and the furnishing of services, maintenance, repair and replacements as set forth in this Declaration. Subject to provisions of Section VI.P, the Annual Assessment for a Lot not containing a Residence shall only be one-half (1/2) of the amount of the Annual Assessment for a Lot containing a Residence. As further hereinafter described, the Board of Directors, by majority vote, shall set the Annual Assessments at a level sufficient to meet the Association's obligations, including contingencies and reserves as the Board of Directors may from time to time deem reasonable and necessary.

C. Emergency Assessments. The Association may also levy an emergency assessment ("Emergency Assessment") at any time by a majority vote of the Board of Directors, for the purpose of defraying, in whole or in part, the cost of any extraordinary or emergency matters that affect the Common Property, the Lots or Members of the Association, including, after depletion of any applicable reserves, any unexpected expenditures not provided for by the budget or unanticipated increases in the amounts budgeted. Any Emergency Assessment levied hereunder shall be due and payable at the time and in the manner specified by the Board of Directors in the action imposing such Assessment

D. Special Assessments. In addition to the Annual and Emergency Assessments which are or may be levied hereunder, the Association (through the Board of Directors) shall have the right to levy a special assessment ("Special Assessment") against some or all Owner(s) (i) for the repair or replacement of damage to any portion of the Common Property (including, without limitation, improvements and landscaping thereon) caused by the misuse, negligence or other action or inaction of an Owner or his member's permittee; (ii) for fines; (iii) to obtain funds for a specific purpose(s) which is of a non-recurring nature, for which no reserve funds (or inadequate reserve funds) have been collected or allocated, and which is not the appropriate subject of an Emergency Assessment; provided however that any Special Assessment under subsection (iii) above shall be approved by a two-thirds (2/3) vote of the Members of the Association present in person or by proxy at a duly called meeting of the Association; and (d) other expenses incurred against particular Lots and/or Owners to the exclusion of others. Any such Special Assessment shall be subject to all of the applicable provisions of this Article including, without limitation, lien filing, foreclosure procedures, late charges and interest. Any Special Assessment levied hereunder shall be due and payable at the time and in the manner specified by the Board of Directors in the action imposing such Assessment.

E. Lot Assessments. The Association may, from time to time, levy a lot assessment ("Lot Assessment") against a particular Lot and the Owner thereof by a majority vote of the Board of Directors, for the purpose of defraying, in whole or in part, the cost of any repair, maintenance or restoration as provided herein; for the construction, reconstruction, repair, or replacement of a capital improvement upon or serving the specific Lot, including any additional special services to such Lot, the cost of which is not included in the Annual Assessment; or to reimburse the Association for any costs it incurs as a result of the Owner's failure to comply with this Declaration or any damage to the Common Property. Any fines assessed under Article XVI shall be deemed to be a Lot Assessment.

F. District Assessments. In the event that the Developer determines to provide Improvements or services which serve some Owners to the exclusion of others and therefore designates a District, those benefiting from such additional Improvements or services shall be assessed the cost thereof by the Association. The Board of Directors shall prepare a budget for such costs and shall designate the Lots which shall be subject to payment of the District Assessment therefore. An example of a District Assessment would include Lot maintenance, exterior painting and/or roof repairs to the Townhome Residences.

G. Commencement of Annual Assessments. The Annual Assessments provided for in this Article shall commence with respect to each Lot on the date of conveyance of the Lot to an Owner, other than Developer or a Developer appointed builder constructing the Initial Improvements. During the initial year of ownership, the Owner subject to Assessments shall be responsible for the pro rata share of the Annual Assessment or Special Assessment charged to each Lot, prorated to the day of closing on a per diem basis. Each subsequent Annual Assessment shall be imposed for the year beginning January 1 and ending December 31. The Annual Assessments shall be payable in advance in annual, semi-annual, quarterly or monthly installments, or in such other installment increments as the Board deems appropriate. The Assessment amount (and applicable installments) may be changed at any time by said Board from that originally stipulated or from any other Assessment that is in the future adopted

H. Duties of the Board of Directors. The Board of Directors of the Association shall fix the amount of the Assessment against the Lots subject to the Association's jurisdiction for each Assessment period, to the extent practicable, at least thirty (30) days in advance of such date or period, and shall, at that time, prepare a roster of the Lots and Assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the Assessment shall thereupon be sent to every Owner subject thereto twenty (20) days prior to payment of the first installment thereof, except as to Special Assessments. In the event no such notice of the Assessments for a new Assessment period is given, the amount payable shall continue to be the same as the amount payable for the previous period, until changed in the manner provided for herein. The Association, through the action of its Board of Directors, shall have the power, but not the obligation, to enter into an agreement or agreements from time to time with one or more persons, firms or corporations (including affiliates of Developer) for management services, including the administration of budgets and Assessments as herein provided. The Association shall have all other powers provided in its Articles of Incorporation and Bylaws.

I. Effect of Non-Payment of Assessment; the Personal Obligation; Remedies of the Association; the Lien; Application of Payments.

1. If the Assessments (or installments) provided for herein are not paid on the date(s) when due (being the date(s) specified herein or pursuant hereto), then such Assessments (or installments) shall become delinquent and shall, together with late charges, interest thereon, reasonable attorney's fees and the cost of collection thereof as hereinafter provided (collectively "Delinquent Fees"), thereupon become a continuing lien on the Lot which shall bind such property in the hands of the then Owner, his heirs, personal representatives, successors and assigns. Except as provided below to the contrary, each such Assessment, together with such Delinquent fees, shall be the personal obligation of the person who is the Owner of such property at the time when the Assessment fell due and all subsequent Owners until paid, and recourse may be had against either or both. Any and all persons acquiring title to or an interest in a Lot as to which the Assessment is delinquent, including without limitation persons acquiring title by operation of law and by judicial sales, shall not be entitled to the occupancy of such Lot or the enjoyment of the Common Property until such time as all unpaid and delinquent Assessments due and owing from the selling Owner have been fully paid. Provided, however, that the provisions of this Section shall not be applicable to the mortgagees and purchasers contemplated by Section VI.J below. Unless provided for in a Mortgage on a Lot, failure to pay Assessments does not constitute a default under a Mortgage.

2. If any installment of an Assessment is not paid within fifteen (15) days after the due date, at the option of the Association:

(a) an administrative late fee of five percent (5%) of the sum due may be charged, not to exceed twenty-five dollars (\$25.00). Provided however that only one (1) administrative late fee may be imposed on any one (1) unpaid installment and if such installment is not paid thereafter, it and the late charge shall accrue interest at the rate of eighteen percent (18%) per annum from the date when the installment was due until paid; provided further, however, that each other installment thereafter coming due shall be subject to one (1) administrative late fee each as aforesaid; or

(b) the next twelve (12) months' worth of installments may be accelerated and become immediately due and payable in full and all such sums shall accrue interest at the rate of eighteen percent (18%) per annum from the date when the accelerated installments are due until paid. In the case of an acceleration of the next twelve (12) months' of installments, each installment so accelerated shall be deemed, initially, equal to the amount of the then most current delinquent installment, provided however that if any such installment so accelerated would have been greater in amount by reason of a subsequent increase in the applicable budget, the Owner of the Lot whose installments were so accelerated shall continue to be liable for the balance due by reason of such increase and/or Special Assessment against such Lot.

3. The Association may bring an action at law against the Owner(s) personally obligated to pay the delinquent Assessments, may record a claim of lien (as evidence of its lien rights as herein above provided for) against the Lot on which the Assessments and Delinquent Fees are unpaid, may foreclose the lien against the Lot on which the Assessments and Delinquent Fees are unpaid, or may pursue one (1) or more of such remedies at the same time or successively. Attorneys' fees and costs actually incurred in preparing and filing the claim of lien and the complaint, if any, and prosecuting same, in such action shall be added to the amount of such Assessments and Delinquent Fees secured by the lien. In the event a judgment is obtained, such judgment shall include all such sums as above provided and attorneys' fees actually incurred, whether incurred before, or at trial, on appeal, in post judgment collection or in bankruptcy, together with the costs of the action. The lien provided for in this Article shall be perfected by filing a Claim of Lien in the public records of the County in favor of the Association.

4. Each Owner, by his acceptance of title to a Lot, expressly vests in the Association the right and power to bring all actions against such Owner personally for the collection of such Assessment Charge as a debt and to enforce the aforesaid by all methods available for the enforcement of such liens, including foreclosures by an action brought in the name of the Association in a like manner as a mortgage lien on real property. No Owner may waive or otherwise escape liability for the Assessment Charge by abandonment of his Lot. Reference herein to Assessments shall be understood to include reference to any and all of said charges whether or not specifically mentioned.

5. All Assessments, late charges, interest, penalties, fines, attorney's fees and other sums provided for herein shall accrue to the benefit of the Association.

6. The Association, acting on behalf of the Owners, shall have the power to bid for an interest in any Lot at such foreclosure sale and to acquire, hold, lease, mortgage and convey the same.

7. All payments on accounts shall be first applied to interest accrued by the Association, then to any administrative late fees, then to outstanding fines, then to costs and attorneys fees and then to the delinquent Assessment payment first due.

8. It shall be the legal duty and responsibility of the Association to enforce payment of the Assessments hereunder. Failure of a collecting entity to send or deliver bills or notices of Assessments shall not, however, relieve Owners from their obligations hereunder.

9. The Association shall have such other remedies for collection and enforcement of Assessments as may be permitted by applicable law. All remedies are intended to be, and shall be, cumulative.

J. Subordination of the Lien. The lien of the Assessment Charge shall be inferior and subordinate to the lien of any Institutional Mortgagee, but only to the extent of the Mortgage balance outstanding as of the date the notice of an Assessment Charge was first recorded against the Lot, plus interest and reasonable costs of collection accruing thereafter. The sale or transfer of any Lot shall not affect the Assessment Charge; however, the sale or transfer of any Lot pursuant to foreclosure of a Mortgage or deed in lieu thereof shall extinguish the lien of an Assessment Charge as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve the transferee of such Lot from liability for any Assessments thereafter becoming due or from the lien thereof, nor the Owner responsible for such payments from such Owner's personal liability as provided herein. Mortgagees shall in no event be responsible or liable for the collection of any Assessments. The failure to pay any Assessments shall in no event be deemed to constitute a default under any Mortgage by reason of anything contained in this Declaration, unless otherwise expressly provided in the Mortgage.

K. Collection of Assessments. In the event that at any time the collection of Assessments levied pursuant hereto is made by an entity other than the Association, all references herein to collection (but not necessarily enforcement) by the Association shall be deemed to refer to the other entity performing such collection duties and the obligations of Owners to pay Assessments shall be satisfied by making such payments to the applicable collecting entity. No Mortgagee shall be required to collect Assessments.

L. Developer's Assessments. Notwithstanding anything herein to the contrary, Developer shall have the option, in its sole discretion, to (i) pay Assessments on the Lots owned by it, or (ii) not pay Assessments on some or all Lots owned by it and in lieu thereof fund any resulting deficit in the Association's operating expenses not produced by Assessments receivable from Owners other than Developer and any other income receivable by the Association. The deficit to be paid under option (ii) above shall be the difference between (a) actual operating expenses of the Association (exclusive of capital improvement costs and reserves) and (b) the sum of all monies receivable by the Association (including, without limitation, Assessments, interest, late charges, capital contributions, fines and incidental income) and any surplus carried forward from the preceding year(s). Developer may from time to time change the option under which Developer is making payments to the Association by written notice to such effect to the Association. When all Lots within the Property are sold and conveyed to purchasers, neither Developer nor its affiliates shall have further liability of any kind to the Association for the payment of Assessments, deficits or contributions.

M. Association Funds. The portion of all Annual Assessments collected by the Association for reserves for future expenses, and the entire amount of all Special and Emergency Assessments, shall be held by the Association and may be invested in interest bearing accounts or in certificates of deposit or other like instruments or accounts available at banks or savings and loan institutions, the deposits of which are insured by an agency of the United States.

N. Working Capital Contribution. Each purchaser shall be required to make a one time working capital contribution to the Association in the amount determined by the Association from time to time, which may be used for additional capital improvements or services which were not included in the original budget categories and which may be used by the Developer to fund the operating deficit. This working capital contribution shall be due and payable upon each resale of the Lot.

O. Budget.

1. Fiscal Year. The fiscal year of the Association shall consist of the twelve (12) month period commencing on January 1 of each year.

2. Initial Budget. Developer shall establish the budget for the fiscal year in which a Lot is first conveyed to an Owner other than Developer or a builder.

3. Preparation and Approval of Annual Budget. Commencing December 1st of the year in which a Lot is first conveyed to an Owner other than Developer, and on or before December 1 of each year thereafter, the Board of Directors shall adopt a budget for the coming year containing an estimate of the total amount which it considers necessary to pay the cost of all expenses to be incurred by the Association to carry out its responsibilities and obligations, including, without limitation, the cost of wages, materials, insurance premiums, services, supplies, and other expenses for the rendering to the Owners of all services required or permitted hereunder. Such budget shall also include such reasonable amounts as the Board of Directors considers necessary to provide working capital for the Association and to provide for a general operating reserve and reserves for contingencies and replacements. The Board of Directors shall send to each Owner a copy of the budget, in a reasonably itemized form which sets forth the amount of the Annual Assessments payable by each Owner, on or before December 15 preceding the fiscal year to which the budget applies. Such budget shall constitute the basis for determining each Owner's Annual Assessment as provided above. The Assessments shall be determined by dividing the amount of the budget by the number of Lots subject to the Declaration.

4. Reserves. The Association shall maintain such reserves as it deems reasonable or necessary for (i) working capital, (ii) contingencies, (iii) replacements, and (iv) the performance of such other coordinating or discretionary functions not contrary to the terms of this Declaration which the Board of Directors may from time to time approve, which may be collected as part of the Annual Assessment as provided above. The Developer's obligation to fund the deficit shall not include any obligation to fund any reserve component of the budget. The amount and manner of collection of reserves shall be as determined by the Board of Directors, in its sole discretion. Extraordinary expenditures not originally included in the annual budget which may become necessary during the year shall be charged first against such reserves. Except in the event of an emergency, reserves accumulated for one purpose may not be expended for any other purpose unless approved by a vote or written consent of the Members owning a majority of the Lots. If the reserves are inadequate for any reason, including nonpayment of any Owner's Assessment, the Board of Directors may, at any time, levy a Special Assessment or Emergency Assessment by establishing a budget for such Assessment and then after approved by the Board of Directors levying this Assessments, which may be payable in a lump sum or in installments as the Board of Directors may determine. In the event there is a balance of reserves at the end of any fiscal year and the Board of Directors so determines, any excess reserves may be taken into account in establishing the next year's budget and may be applied to defray general expenses incurred thereunder.

5. Effect of Failure to Prepare or Adopt Budget. The failure or delay of the Board of Directors to prepare or adopt an annual budget or adjusted budget for any fiscal year shall not constitute a waiver or release in any manner of an Owner's obligation to pay his Assessments, as herein provided, whenever the same shall be determined. In the absence of any annual Association budget or adjusted budget, each Owner shall continue to pay the Assessments at the then existing rate established for the previous fiscal period, in the manner such payment was previously due, until notified otherwise.

6. Accounts. Except as otherwise provided herein, all sums collected by the Board of Directors with respect to Assessments against the Owners may be commingled in a single fund.

P. Exempt Property. The following properties subject to this Declaration shall be exempted from the Assessments, Assessment Charges, and liens created herein: (a) all properties dedicated to and accepted by a governmental body, agency or authority; (b) all Common Property (except that portion of the Common Property located within a Lot); and (c) all Lots or Property owned by Developer (including, without limitation, any Lot used or leased by Developer for a model home, construction facility, or other use) shall be exempt from payment of Assessments for so long as Developer funds any deficit in the annual budget, which deficit shall be the difference between the actual expenses incurred by the Association and the budgeted amounts due from the Owners of Lots other than Developer (excluding any obligation to fund reserves). Developer shall fund such expenses only as they are actually incurred by the Association during the period that Developer is funding the deficit. Developer's obligation to fund any deficits shall terminate at Turnover. Developer may, but is not obligated to, assign this exemption right to any entity it may determine, including without limitation any builder owning Lots solely for the purpose of constructing Residences intended to be sold to ultimate purchasers. Any such assignment of Developer's exemption shall have no effect on Developer's exemption hereunder. Notwithstanding the foregoing, after Turnover, Developer shall pay one half (1/2) of the Assessments attributable to such Lots or Property, from and after the date that the landscaping is installed on such Lot or Property owned by Developer (including, without limitation, any Lot used or leased by Developer for a model home, construction facility, or other use).

Q. Real Estate Taxes. In the event the Common Property is taxed separately from the Lots, the Association shall include such taxes as part of the Annual Assessment. In the event the Common Property is taxed as a component of the value of the Lot owned by each Owner, it shall be the obligation of such Owner to promptly pay such taxes prior to their becoming a lien on the Property.

R. Certificate of Payment. The Treasurer of the Association, or the management company authorized by the Board of Directors, upon demand of any Owner liable for an Assessment, shall furnish to such Owner a certificate in writing setting forth whether such Assessment has been paid. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid. A reasonable charge for the services involved in preparing such certificate may be assessed by the Association or management company, as applicable.

VII. ARCHITECTURAL CONTROL.

A. Purpose. Except for the Initial Improvements, the Association, through the ARB, shall have the right to exercise architectural control over all Improvements constructed, erected, or placed upon any part of the Property, to assist in making the Property a community of high standards and aesthetic beauty. Such architectural control may include all architectural aspects of any such Improvement including, without limitation, size, height, site planning, setbacks, exterior design, materials, colors, open space, landscaping, waterscaping, and aesthetic criteria; provided however, that any ARB approval shall not be deemed a statement, representation or indication that such Improvement complies with any applicable law, regulation or ordinance. The ARB review is not intended to be a condition to the issuance of a building permit by the County and the review undertaken by the Developer or the ARB is not to be construed as any quasi governmental action. The Developer shall have the sole right to approve the Initial Improvements on the Property and the rights granted to the ARB hereunder shall only be in effect after the Lot has been completed.

B. Members of ARB. The Architectural Review Board ("ARB") shall consist of three (3) members. The initial members of the ARB shall consist of persons designated by Developer. Each of the initial members shall hold office until all Lots and improvements planned for the Property have been

constructed and conveyed (if appropriate), or sooner at the option of Developer. Thereafter, each new member of the ARB shall be appointed by the Board of Directors and shall hold office until such time as he has resigned or has been removed or his successor has been appointed, as provided herein. If the Board of Directors fails to so appoint the ARB, then the Board of Directors shall constitute the ARB. Members of the ARB (other than those appointed or designated by the Developer) may be removed by the Board of Directors at any time without cause. Members of the ARB appointed or designated by the Developer may only be removed by the Developer.

C. Meetings of the ARB. The ARB shall meet from time to time as necessary to perform its duties hereunder. The ARB may from time to time, by resolution unanimously adopted in writing, designate a ARB representative (who may, but need not, be one of its members) to take any action or perform any duties for and on behalf of the ARB, except the granting of variances pursuant to Section VII.J hereof. In the absence of such designation, the vote of any two (2) members of the ARB shall constitute an act of the ARB.

D. Compensation of ARB Members. The members of the ARB shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder, or unless engaged by the Association in a professional capacity

E. Improvements Subject to Approval. Subject also to Section VII.N and Article VIII, construction, modifications and alterations subject to approval by the ARB specifically include, but are not limited to, (a) altering, painting, erecting or maintaining on the property a building, fence (which ARB shall not approve a fence exceeding four (4) feet in height), wall, shed, storage, or other secondary or detached structure or improvement (including, but not limited to, landscaping, hurricane protection, basketball hoops, pool, birdhouses, other pet houses, swales, asphaltting or other improvements or changes of any kind); (b) any addition, change or alteration (including paint or exterior finishing) visible from the exterior of any Lot; (c) any painting or other alteration of the exterior appearance of the Lot or appurtenance including but not limited to garage, doors and windows; (d) installation of antennae, satellite dishes or receivers, solar panels or other similar devices; (e) screened enclosures; (f) signs, whether located on the Lot, on a Limited Common Element of the Lot or in the windows of the Lot; (g) gates; (h) playground equipment; (i) flower boxes, shelves, statues or other outdoor ornamentation; (j) patterned or brightly colored window coverings; (k) alteration of the landscaping or topography of the Property, including without limitation, any cutting or removal of trees (unless replacing an original tree with the exact same type of tree), planting or removal of plants; (l) construction, modification or alteration of any Improvement, any nature whatsoever, except for interior alterations not affecting the external structure or appearance of any Lot or any Improvement; (m) attachment of or placement upon outside walls or roofs of buildings or other improvements of an awning, canopy or shutter; and (n) all other modifications, alterations or improvements visible from any road or other Lots. All of the foregoing are jointly referred to herein as "Proposed Improvements". Interior alterations not affecting the external structure or appearance of any Lot or Improvement shall not require the approval of the ARB.

None of the above shall be commenced until the plans and specifications showing the nature, kind, shape, height, materials and location of the proposed construction, alteration or addition shall have been submitted to, and approved in writing by, the ARB. The ARB shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby, in the locations indicated, will not be detrimental to the appearance of the Property as a whole, and that the appearance of any structure affected thereby will be in harmony with the surrounding structures and landscaping and is otherwise desirable. The ARB may condition its approval of proposals and plans and specifications as it deems appropriate, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted.

F. Procedures.

1. Application. It shall be the responsibility of each Owner to supply two (2) sets of the following documents, materials and items to the ARB for use in its review process: (i) the construction plans and specifications, if any, including all proposed landscaping; (ii) an elevation or rendering of all Proposed Improvements, if any; (iii) samples of materials or paint colors; and (iv) such other items as the ARB may deem appropriate. Until receipt by the ARB of any required plans and specifications, the ARB may postpone review of any plans submitted for approval. The ARB shall approve or disapprove the documents properly submitted to it in writing within thirty (30) days of such submission. If the ARB does not act within the thirty (30) day period (unless an extension is agreed to) from receipt of all required documentation in acceptable form, the plans and specifications for the Proposed Improvements shall be deemed to have been disapproved. With respect to all Improvements, other than the Initial Improvements, a review fee may be established and charged on a case by case basis, in the sole discretion of and in an amount set by the ARB. If a review fee is charged by the ARB, it shall be non-refundable in any event, whether or not the application submitted by an Owner is approved.

2. Compliance Binder. At the time of submission of the review fee and the documents, materials and items listed above (as to other Proposed Improvements), and upon the request of the ARB, the Owner and/or builder shall also submit a construction compliance binder in such amount as may be required by the ARB from time to time in the sole discretion of the ARB. The construction compliance binder is intended to insure that the Owner and any contractors or builders comply with the plans approved by the ARB, the Declaration and any rules or regulations established by the ARB and to insure the satisfactory completion of all Proposed Improvements according to the plans approved by the ARB. If, in the opinion of the ARB, the Proposed Improvements have been satisfactorily completed in substantial compliance with the plans and specifications approved by the ARB, then the ARB agrees to return the construction compliance binder, less any fees or penalties as set forth below. The ARB has complete discretion to retain all or any portion of the construction compliance binder for any non-compliance, which remedy shall be in addition to any other remedy under this Declaration. Any retained sums shall be remitted to and shall be the property of the Association.

3. Basis for Decision. Approval shall be granted or denied by the ARB based upon compliance with the provisions of this Declaration and any guidelines established pursuant thereto, the quality of workmanship and materials, the harmony of external design with its surroundings, the effect of the construction on the appearance from surrounding Lots, and all other factors, guidelines and standards promulgated from time to time, including purely aesthetic considerations, which, in the sole opinion of the ARB, will affect the desirability or suitability of the construction. In connection with its approval or disapproval of an application, the ARB shall evaluate each application for total effect. The evaluation relates to matters of judgment and taste which cannot be reduced to a simple list of measurable criteria. It is possible, therefore, that an application may meet individual criteria and still not receive approval, if in the sole judgment of the ARB, its overall aesthetic impact is unacceptable. The approval of an application shall not be construed as creating any obligation on the part of the ARB to approve applications involving similar designs for different Lots. In addition, the ARB shall have the right to waive or modify the requirements as more fully set forth in Section VII.J.

4. Uniform Procedures. The ARB may establish revised uniform procedures for the review of applications, including the Assessment of the Compliance Binder, review costs and fees, if any, to be paid by the applicant and the time and place of meetings. No submission for approval shall be considered by the ARB unless and until such submission, in compliance with the provisions of this Article, has been accepted by the ARB. Any architectural guidelines established by the Developer or ARB may be amended as the Developer or ARB may determine.

5. Notification. Approval or disapproval of applications to the ARB shall be given to the applicant in writing within thirty (30) days of receipt thereof, by the ARB in accordance with the procedures adopted by the ARB. The ARB shall indicate its approval by stamping the plans with its seal and the date of approval. If the ARB disapproves the requested Proposed Improvement, it shall provide written notice of such disapproval to the Owner. Disapproval by the ARB may be appealed to the Board of Directors, and the determinations of the Board of Directors shall be dispositive. If the ARB does not act within the thirty (30) day period (unless an extension is agreed to) from receipt of all required documentation in acceptable form, the plans and specifications for the Proposed Improvements shall be deemed to have been disapproved. No construction (other than Initial Improvements) on any Lot or within the Property shall be commenced, and no Lot shall be modified, except in accordance with such approved plans and specifications. All work done by a Member after receiving the approval of the ARB shall be subject to the inspection by, and final approval of, the ARB in accordance with its procedural rules adopted as herein provided. All changes and alterations shall also be subject to all applicable permit requirements and to all applicable governmental laws, statutes, ordinances, rules, regulations, orders and decrees.

G. No Waiver of Future Approvals. The approval of the ARB of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the ARB, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters subsequently or additionally submitted for approval or consent.

H. ARB Rules. The ARB shall adopt reasonable rules of procedure and standards for the submission and review of any matter to be brought before it and the inspection and final approval of any completed work done pursuant to an approval of the ARB. Such rules shall be (i) subject to the prior approval of the Board of Directors, (ii) consistent with the covenants and restrictions set forth in this Declaration and (iii) published or otherwise made available to all Members and their contractors, subcontractors and other appropriate designees. All rules of the ARB shall be adopted and/or amended by a majority vote thereof, provided that no amendment shall be applicable to any matter submitted to the ARB prior to the making of such amendment.

I. Non-Liability. The ARB and Developer shall merely have the right, but not the obligation, to exercise architectural control and thus neither the Association, the Board of Directors, the ARB, the Developer nor any member thereof, nor any duly authorized representative of any of the foregoing, shall be liable to any Owner, its successors, assigns, personal representatives, or heirs or any other person or entity for any loss, damage or injury arising out of or in any way connected with the performance or non-performance of the ARB's duties hereunder. The ARB shall review and approve or disapprove all plans submitted to it for any proposed improvement, alteration or addition solely on the basis of aesthetic considerations and the benefit or detriment which would result to the immediate vicinity and to the Property, generally. The ARB shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar features. Furthermore, the approval of any plans and specifications or any Proposed Improvements shall not be deemed to be a determination or warranty that such plans and specifications or Proposed Improvements are complete, do not contain defects, are structurally safe or in fact meet any standards, guidelines, or criteria of the ARB or Developer, or are in fact architecturally or aesthetically appropriate, or comply with any applicable governmental or industry requirements, standards or codes and neither the ARB, the Association, nor Developer shall be liable for any defect or deficiency in such plans and specifications or Proposed Improvements, the safety, soundness, workmanship, materials, usefulness for any purpose or any injury to persons or property resulting therefrom. By submitting a request for the approval of any improvement or alteration, the requesting Owner shall be deemed to have automatically agreed to hold harmless and indemnify the aforesaid members and representatives, and the Association generally, from and for any loss, claim or damages connected with the aforesaid aspects of the improvements or alterations. Additionally, neither the

Association, the Board of Directors, any member or representative of the ARB nor Developer shall be liable for any work or construction performed by any builder approved by the ARB and/or Developer, and the selection or inclusion of any builder shall not be deemed to be a determination or warranty of such builder's skills, workmanship, product or abilities. An Owner shall rely exclusively on its contracts with the builder for any and all rights, obligations and remedies it may have with respect to the construction of the Residence.

J. Variance. The ARB may authorize variances from compliance with any of the architectural control provisions of this Declaration when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations require, but only in accordance with its duly adopted rules and regulations. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (i) be effective unless in writing, (ii) be contrary to the restrictions set forth in this Declaration, or (iii) stop the ARB from denying a variance in other circumstances.

K. Exemptions. Developer and its affiliates shall be exempt from the provisions hereof with respect to alterations and additions desired to be effected by any of them and shall not be obligated to obtain ARB approval for any construction or changes which any of them may elect to make at any time.

L. Reservation of Right to Release Restrictions. In each instance where a structure has been erected, or construction thereof has substantially advanced, in such a manner that some portion of the structure encroaches on any Lot line, setback line, or easement area, Developer reserves for itself, its successors, assigns and designees, the right to release such Lot from the encroachment and to grant a variance to permit the encroachment without the consent or joinder of any person, irrespective of who owns the burdened Lot or easement areas, so long as Developer, in the exercise of its sole discretion, determines that the release or exception will not materially or adversely affect the value of the adjacent Lot and the overall appearance of the Property. This reserved right shall automatically pass to the Association when Developer no longer owns any portion of the Property. Upon granting of an exception to an Owner, the exception shall be binding upon all subsequent Owners of the affected Lots.

M. General Powers of the Association and the ARB. The Association (and the ARB, as appropriate) shall have the absolute power to veto any action taken or contemplated to be taken which is or would be governed by this Article, and the Association shall have the absolute power to require specific action to be taken in connection with applicable sections of the Property in that regard. The Association may require specific maintenance or repairs or aesthetic changes to be effected, require that a proposed budget include certain items and that expenditures be made therefore and otherwise require or veto any other action as the Association deems appropriate from time to time.

N. Remedy for Violations. If an Owner erects or constructs an Improvement or structure in violation of this Article, the Developer or the Association may summarily and without the permission or consent of the Owner, enter upon the Lot and remove the unpermitted Improvements or structure, in which case neither the Developer, the Association nor their agents or employees will be liable to the Owner or any party claiming by, through or under the Owner for any damages to person or property arising out of such entry and removal. The Owner shall be and remain liable for all costs incurred in connection therewith which costs will be due and payable to the Association on the day of entry and removal and will thereafter bear interest at the rate of the greater of eighteen percent (18%) per annum or the highest rate allowed by law. All such costs shall be a Lot Assessment and shall be secured by a lien on the Lot, which lien is created, evidenced and enforced and is subject to those limitations as provided for in this Declaration. Alternatively, if any Improvement or structure is erected or constructed without first obtaining the approval of the ARB or Developer, as applicable, or is not constructed in strict compliance with any approval given or deemed given by the ARB or Developer, as applicable, or the provisions of this Article are otherwise violated, the ARB, as the authorized

representative of the Association or the Developer, shall have the specific right to injunctive relief to require the Owner to stop, remove, and alter any Improvements in order to comply with the requirements hereof, or the ARB or Developer may pursue any other remedy available to it. In connection with this Section, the ARB and Developer shall have the right to enter into any Lot or Residence and make any inspection necessary to determine that the provisions of this Declaration have been complied with. The failure of the ARB or Developer to object to any Proposed Improvement prior to its completion shall not constitute a waiver of the ARB's or Developer's right to enforce this Article. The foregoing rights shall be in addition to any other remedy set forth herein, including without limitation the fining provisions set forth in Article XVI for violations of this Declaration.

O. Design Guidelines. The ARB or Developer, as applicable, shall have the authority to promulgate design guidelines and all Owners must comply with the restrictions, covenants and provisions set forth in the design guidelines. In the event of an inconsistency between the Declaration and design guidelines, the more restrictive of the two shall prevail.

P. Architectural Guidelines. The ARB or Developer, as applicable, shall consider the following paragraphs in connection with their review, together with any architectural guidelines which may be issued by the ARB or Developer from time to time. Specific references to the ARB or Developer in these provisions shall not be construed as a limitation of the general review power of the ARB or Developer, as set forth in this Article.

1. Residential Use. Ironwood Village is a residential community, and therefore, each of the Lots shall be occupied only as a single family residential private dwelling by no more than six (6) persons at any one time. No Lot may be divided or subdivided into a smaller Lot. Home-based occupations may be operated out of the Lots, provided, that: (i) there are no employees working within the Lots, (ii) there is no signage; (iii) the Lot is not used to receive clients and/or customers; (iv) there is not excessive deliveries made to the Lot; (v) the home-based occupation does not generate additional visitors or traffic into the Lot or any part of the Property and (vi) such use meets all other municipal code and zoning requirements. Notwithstanding the foregoing, the Developer has the right to use the Property for sales and marketing purposes.

2. Building Restriction Setbacks. The Property shall be subject to the building setback restrictions depicted on the Plat. No vertical construction shall be permitted within the building setback area.

3. Building Height Restriction. Residences shall be limited to a maximum of two (2) stories.

4. Roofs. Any protrusions through roofs for power ventilators, antenna or other apparatus shall not be permitted unless approved by Developer, in its sole discretion, as a part of the Initial Improvements or approved thereafter by the ARB. To the extent any such protrusions are approved by the Developer or ARB, as applicable, such protrusion shall not be visible from lands adjacent to the Property or from any public street. To the extent any such protrusions are approved by the Developer or ARB, as applicable, the Owner shall be responsible, at its sole cost and expense, for any damage caused to the roof by such protrusion. With respect to the Townhome Residences, no such protrusions, including without limitation antennae and other devices, will be approved in areas of the roof that affect the fire protection panels underneath the roof, which fire protection panels are located along a four foot (4') perimeter of the roof of each residence.

5. Garages. The garage door shall be kept closed except when entering or leaving the garage. No garage shall at any time be used as a Residence or converted to become part of the Residence. Notwithstanding the foregoing, a garage may be used by Developer as a sales office during the marketing of the Property.

6. Fences or Walls on or within a Lot. Each Townhome Residence will be delivered to the Owner with a fence or fences running parallel to the side Lot line between adjoining townhomes. All Residences within the Single Family Project must receive ARB or Developer approval, as applicable, prior to erecting a fence or wall within a Lot.

7. Patios and Patio Enclosures. The Developer must approve any screened patio enclosure that is constructed as part of the Initial Improvements. The ARB must approve any screened patio enclosure that is constructed thereafter. No glass enclosed patios or air conditioned or heated patios are permitted. The patio shall not be used for storage. All furniture on patios shall be of a type designed for outdoor use.

8. Ancillary Structures. No garage, tool shed, guest quarters, carport, storage buildings or other similar structure shall be constructed or erected on a Lot.

9. Antennae and Other Devices. Subject to federal guidelines, all antennae, satellite dishes and other receptor devices to be installed on the Property shall be no larger than thirty-nine inches (39") in diameter and twelve (12') feet in height and must be approved in advance by the ARB. Such devices shall not be placed in the front yard of any Lot. In addition, Owners shall endeavor to assure that the location of such devices is screened to the extent possible from the view of others. With respect to Townhome Residences, antennae and other devices will not be approved by the ARB if the proposed location would violate the four foot (4') fire protection panel setback, as set forth in Article VII.P.4 of this Declaration. To the extent any such protrusions are approved by the Developer or ARB, as applicable, the Owner shall be responsible, at its sole cost and expense, for any damage caused to the roof by such protrusion.

10. Landscape Buffers. The Property shall be subject to the landscape setback requirements depicted on the Plat. No Improvements other than driveways and landscaping and related Improvements shall be allowed within the landscape buffer area; provided, however, that the landscape setback restrictions shall not prohibit Developer from constructing a wall along the perimeter of the Property.

11. Artificial Vegetation. No artificial grass, plants, or other artificial vegetation shall be placed or maintained upon the exterior portion of any Lot, unless approved by Developer or the ARB, as applicable.

12. Lighting. No external lighting, shall be installed without the prior approval of Developer or the ARB, as applicable. No lighting will be permitted which alters the residential character of the Property.

13. Recreational Structures and Equipment Within the Townhome Project. No basketball backboards, tennis courts, play sets or structures or doghouses shall be located on or within a Lot and all toys, lawn furniture, equipment and displays must be taken inside the Residence or the Residence's garage at night. Grills must be stored in the Residence or within the garage. Bicycles must be stored in the Residence or within the garage.

The ARB may prohibit window treatments which are not reasonably compatible with the aesthetic standards of the Property.

17. Mailboxes. No mailbox, paper box or other receptacle of any kind for any use in the delivery of mail, newspapers, magazines, packages, or similar materials shall be erected on any Lot, unless installed by the Developer as part of the Initial Improvements.

18. Energy Conservation. Solar energy and other energy conservation devices shall not be erected on a Residence or Lot without first obtaining the prior written consent of the Developer or ARB, as applicable. Such devices are not prohibited or discouraged, but the design and appearance of such devices will be closely scrutinized and controlled by the ARB or Developer, as applicable, to assure consistency with the aesthetic standards of the Property.

19. Painting. The Developer or ARB, as applicable, must approve any proposed painting of the exterior of the Residence by the Owner unless the paint color is the same or substantially similar to the color originally painted. If the proposed painting is approved by the Developer or ARB, as applicable, the Developer or ARB, as applicable, shall have the right to impose such conditions as it deems reasonably appropriate. The conditions shall, at a minimum, include the following:

(a) all work and materials shall be at the Owner's sole cost and expense;

(b) all color selections shall be approved by the Developer or ARB, as applicable, and with respect to the Townhome Project only, must be the same or substantially similar to the other Residence(s) in the Building;

(d) with respect to the Townhome Project only, if the Association thereafter paints the Building in accordance with Section IV.B.2(a)(ii), the Residence shall be included as part of the Building painting project, and the Owner shall pay its pro-rata share of the Building painting project in accordance with Section IV.B.2(a)(ii).

20. Interference with Roads or Easements. Without limiting or qualifying the other provisions of this Declaration, nothing shall be erected, constructed, planted, or otherwise placed in such a position so as to create a hazard or block the vision of motorists upon any road within or adjacent to the Property, including without limitation the Development Roads. No modification, alteration, or Improvement shall interfere with the easements or other rights set forth in this Declaration.

VIII. USE OF PROPERTY AND LOTS.

A. Protective Covenants. In order to keep the Property a desirable place to live for all Owners, the following protective covenants are made a part of this Declaration. Without limiting any of the provisions or requirements hereof, the specific references to Developer or ARB approval set forth in this Article or elsewhere in this Declaration shall not be construed as a limitation of the requirements of this Article.

B. Lot Resubdivision. No Lot shall be further subdivided, replatted, or separated into smaller Lots by any Owner. Provided however, this restriction shall not prohibit corrective deeds or

similar corrective instruments. As set forth above, Developer shall have the right to reconfigure Lots or modify subdivision plats of the Property if Developer owns all the Lots within the legal description of the Property to be subjected to the replat, or if all Owners of Lots which are included within the portion of the Plat so modified consent to such modification, which consent shall not be unreasonably withheld or delayed.

C. Nuisances; Other Improper Use. No nuisance shall be permitted to exist on any Lot or Common Property so as to be detrimental to any other Lot in the vicinity thereof or its occupants, or to the Common Property. Any activity on a Lot which interferes with television, cable, or radio reception on another Lot shall be deemed a nuisance and a prohibited activity. No immoral, offensive, or unlawful use shall be made of the Property or any part thereof. All laws, zoning ordinances, orders, rules, regulations, and requirements of any governmental agency having jurisdiction relating to any portion of the Property shall be complied with, by and at the sole expense of the Owner or the Association, whichever shall have the obligation to maintain or repair such portion of the Property. No waste will be committed upon the Common Property. Owners hereby acknowledge that construction and development activities on or about the Property during daylight hours shall not be deemed to be a nuisance. The determination of the Board of Directors as to what may be or become a nuisance shall be conclusive.

D. Access. Owners shall allow the Board of Directors or the agents and employees of the Association to enter any Lot for the purpose of maintenance, inspection, repair, replacement of the Improvements within the Lot, or in case of emergency, for any lawful purpose, or to determine compliance with this Declaration.

E. Pets. With regards to the Townhome Project only, Owners must register all pets with the Association. Owners are granted a license to maintain not more than a total of two (2) pets, (which must be either dogs or cats), per Residence, provided such pets are (a) permitted to be so kept by applicable laws and regulations and (b) not a breed considered to be dangerous by the Board of Directors. This license may be revoked by the Board of Directors of the Association. The Board of Directors is authorized from time to time to make such rules restricting or permitting pets on the Property, including, without limitation, rules relating to the size or weight of such pets. Pets shall not create a nuisance to other Owners by any behavior, including but not limited to, continuous and repeated barking, whining, crying or other disturbance. No pet will be permitted on the Property which creates a nuisance. Guests of Owners are not permitted to bring pets into the building. Pet sitting for outside pets is not permitted. All permitted pets must be caged or on a short leash at all times when they are on any portion of the Property, including the Owner's Residence or Common Property. All owners of pets are required to immediately pick up, remove and properly dispose of litter deposited by their pets on the Property. Animals that are typically kept in cages or containers wholly within the Residence such as small birds, fish, turtles and hamsters may be maintained provided such animals are of a breed or variety commonly kept as household pets in similar buildings, are not kept or bred for any commercial purpose, and are kept in strict accordance with the rules and regulations outlined in this policy and in accordance with applicable law. If any such pets become a nuisance, the Board of Directors shall have the right, but not the obligation, to require their removal. Wild animals, exotic animals, farm animals, poisonous creatures, and tarantulas are not allowed. Specifically prohibited are any variety of pig, ferrets and similar animals and snakes. Neither the Board, Developer, nor the Association shall be liable for any personal injury, death or property damage resulting from a violation of the foregoing rules and regulations governing pets and every Owner maintaining a pet on the Property or Common Property agrees to defend, indemnify and hold the Association, its Board of Directors, Developer, each Owner and the Management Company and their employees harmless against any loss, claim, damage or liability of any kind or character whatsoever arising or growing out of the privilege of having a pet at Ironwood. Any landscaping damage or other damage to the Common Property, caused by an Owner's pet must be promptly repaired by the Owner. The Association retains the right to effect said repairs and charge the Owner therefore. A violation of the provisions of this

Section shall entitle the Association and the Board of Directors to all of its rights and remedies available, including, but not limited to, the right to fine Owners and/or to require any pet to be permanently removed from the Property. This section also applies to tenants who have pets.

With regards to the Single Family Project, no animals, livestock, or poultry shall be raised, bred, or kept anywhere within the Property, including the Common Property, except that each Owner is granted a license to maintain either dogs or cats; provided that they are not raised, bred or maintained for any commercial purpose. This license may be revoked by the Board of Directors. Further, pets such as birds or fish which are kept wholly within the Residence may be maintained, provided that if any such pets become a nuisance, the Board of Directors shall have the right, but not the obligation, to require their removal. No pets shall constitute a nuisance on the Property. All pets must be held or kept leashed or otherwise appropriately restrained at all times they are on any portion of the Property other than within the Owner's Residence or within a fenced in portion of the Owner's Lot. All owners of pets are required to immediately pick up, remove and properly dispose of litter deposited by their pets on the Property (including the Owner's Lot). The Association reserves the right, but not the obligation, to designate specific areas within the Property where pets may be walked on leashes by their Owners. The Association further reserves the right to demand that an Owner permanently remove from the Property all pets which create disturbances or annoyances that constitute nuisances, in the sole determination of the Board of Directors. The decision of the Board of Directors in such matters is conclusive and shall be enforced by the Association. The Board of Directors is authorized from time to time to make such other rules relating to pets as it deems necessary or advisable. Neither the Board of Directors, Developer, nor the Association shall be liable for any personal injury, death or property damage resulting from a violation of the foregoing in rules and regulations governing pets and any Owner maintaining a pet on the Property shall indemnify and hold the Association, Developer, each Owner and the Board of Directors harmless from any loss, claim or damage arising from or in connection with the maintenance of a pet on the Property. This section also applies to tenants who have pets.

F. Signs and Flags. No sign, advertisement, notice, flag or flag pole of any type or nature whatsoever including, without limitation, "For Sale" and "For Lease" signs, shall be erected or displayed upon any Lot, Residence, the Common Property, or from any window, unless express prior written approval of its size, shape, content, appearance and location has been obtained from the ARB, which approval may be withheld for any reason, and the ARB may, in its sole discretion, prohibit all signs. Notwithstanding the foregoing, prior to Turnover, no sign or advertisement, including "For Sale" and "For Lease" signs, shall be erected or displayed upon any Lot, Residence, the Common Property or from any window, except on Lots owned by the Developer. Notwithstanding the terms and conditions of this paragraph (G), each Owner may display one portable, removable United States flag or official flag of the State of Florida in a respectful manner and, on Armed Forces Day, Memorial Day, Flag Day, Independence Day, September 11 and Veterans Day portable, removable official flags, not larger than 4½ feet by 6 feet, that represent the United States Army, Navy, Air Force, Marine Corps or Coast Guard in a respectful manner. 2. All personal property included in the Common Property that is owned by the Association shall be insured for its value, as determined annually by the Board of Directors.

3. Public liability insurance in such limits as the Board of Directors may from time to time determine, insuring against any liability of the Association but not individual Owners arising out of, or incident to, the ownership or use of the Common Property. Such insurance shall be issued on a comprehensive liability basis and shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association, the Board of Directors, or other Owners. The Board of Directors shall review such limits once each year.

B. Insurance for the Lots and Residences. Within the Townhome Project, it shall be the responsibility of each Owner to obtain, at his/her sole cost and expense, liability insurance with respect to the ownership and use of his/her Lot, including the Residence and any Improvements located on the Lot. As of the date that an Owner takes title to a Lot, the Owner must submit to the Association, a copy of the policy, or a certificate of the insurance policy, evidencing that the policy is in effect and identifying the expiration date of the policy. Thereafter, each Owner must submit to the Association, on or before thirty (30) days prior to the expiration of such policy, a copy of the policy, or a certificate of the insurance policy, evidencing that the policy is in effect and identifying the expiration date of the policy. The policy shall not be cancelled, materially changed or not renewed without at least thirty (30) days advance written notice to the Association. If the Owner fails to comply with any portion of this Section, including providing copies / certificates to the Association, the Association shall (i) have the fining rights set forth in Article XVI and (ii) after ten (10) days written notice to the Owner and with the approval of the majority of the Board of Directors, have the right to purchase the insurance policy described in this Section. The cost of such policy shall be a Lot Assessment, payable by the responsible Owner immediately upon receipt of a written invoice or statement therefore.

C. Personal Property on the Lots. Owners are obligated to obtain coverage at their sole cost and expense upon their personal property located on their respective Lots. Such insurance shall not be the responsibility of the Association.

D. Director and Officer Liability Insurance. The Board of Directors may obtain, as a matter of common expense payable from the Annual Assessments, liability insurance against personal loss for actions taken by members of the Board of Directors and officers of the Association in the performance of their duties. Such insurance shall be of the type and amount determined by the Board of Directors, in its discretion.

E. Worker's Compensation. The Board of Directors shall obtain and maintain worker's compensation insurance, if and to the extent necessary to meet the requirements of law.

F. Flood Insurance. The Board of Directors shall obtain and maintain flood insurance covering Improvements located within the Common Property, where such Improvements are located within a flood zone designated "A".

H. Subterranean Termite Protection Coverage. The Board of Directors shall obtain and maintain adequate subterranean termite protection coverage on each Building within the Townhome Project. The fees incurred by the Association in connection with such coverage shall be included within the District Assessment payable by each Owner of a Townhome Residence.

I. Generally. The Board of Directors may from time to time increase or decrease the types and amounts of insurance coverage, as may be necessary or convenient to comply with requirements of Institutional Mortgagees or based upon the cost and availability of such coverage. The premiums for policies maintained by the Association shall be paid by the Association as an expense to be passed on to the Owners as part of their Annual Assessments. All insurance policies purchased by the Association shall be for the benefit of the Association, and shall provide that all proceeds covering losses shall be paid to the Association. Nothing shall be done or kept in any Residence, Lot, or in the Common Property that will increase the rate of insurance for the Property or any other Lot/Residence, or the contents thereof, without the prior written consent of the Association. No Owner shall permit anything to be done or kept in his Residence, on his Lot, or in the Common Property which will result in the cancellation of insurance on the Property or any other Lot, or the contents thereof, or which would be in violation of any law.

X. RECONSTRUCTION OR REPAIR AFTER CASUALTY OR CONDEMNATION.

A. Common Property. Except as set forth in Section III.E, in the event of damage to or destruction of all or any the Improvements on the Common Property as a result of fire or other casualty, the Board of Directors shall arrange for and supervise the prompt repair and restoration of such Improvements substantially in accordance with the plans and specifications under which the Improvements were originally constructed, or any modification thereof approved by Developer or the ARB. The Board of Directors shall proceed towards reconstruction of such Improvements as quickly as practicable under the circumstances, and shall obtain funds for such reconstruction from the insurance proceeds and any Special Assessments that may be necessary after exhaustion of reserves for the repair and replacement of such Improvements. B. Specific Provisions. Without limiting the generality of the foregoing:

1. 2. Neither Developer nor the Association is empowered, nor have they been created, to act as an entity which enforces or insures compliance with the laws of the United States of America, the State of Florida, the County, or any other jurisdiction, or prevents tortious or criminal activities.

3. The provisions of the Association Documents setting forth the uses of Assessments which may relate to health, safety, or welfare shall be attributed and implied only as limitations on the usage of such funds, and not as creating an obligation of the Association or Developer to protect the health, safety or welfare of any persons.

4. Notwithstanding the duty of the Association to maintain and repair parts of the Property, the Association shall not be liable to Owners for entry or damage, other than the cost of maintenance and repair, caused by any latent condition of the Property, including the Residences. Further, the Association shall not be liable for any such injury or damage caused by defects in the design or workmanship or other reason connected with any additions, alterations or Improvements or other activities done by or on behalf of any Owners regardless of whether or not the same shall have been approved by the Association as provided hereunder. The Association shall not be liable to any Owner or lessee or to any other person or entity for any property damage, personal injury, death

or other liability on the grounds that the Association did not obtain or maintain insurance (or carried insurance with any particular deductible amount) for any particular matter where: (i) such insurance is not required hereby or (ii) the Association could not obtain such insurance at reasonable cost or upon reasonable terms.

C. Owner Covenant. Each Owner, for himself and his heirs, legal representatives, successors and assigns (by virtue of his acceptance of title of his Lot), and every other person or entity having an interest in or a lien upon, or making use of, any portion of the Property (by virtue of accepting such interest or lien or making use thereof), shall be bound by this Article and shall be deemed to automatically waive all rights, claims, demands, and causes of action against the Association or Developer arising from or connected with any act or omission for which the liability of the Association or Developer has been described in this Article.

D. Noise Disclaimer. With respect to the Townhome Project, each Owner, by acceptance of a deed or other conveyance of his or her Residence, acknowledges and agrees that sound transmission in a multi-residence building, is very difficult to control, and that noises from adjoining or nearby Residences, Buildings, recreational facilities or mechanical equipment, can often be heard in another Residence. The Developer does not make any representation or warranty as to the level of sound transmission between and among the Residences and other portions of the Property and each Owner waives and expressly releases such warranty and claim for loss or damages resulting from sound transmission.

D. **Effect of Annexation.** In the event that any Additional Property is annexed to the Property pursuant to the provisions of this Article upon recording of the supplemental declaration, (a) such Additional Property shall be considered within the definition of the term Property for all purposes of this Declaration, and (b) all voting of each class of membership of the Association and all voting by the Owners hereunder shall be aggregated, it being intended that (i) any voting requirements need not be fulfilled separately for the Additional Property, and (ii) any Class B Member shall at all times have a majority of the votes of the Association until converted to Class A membership as described in Article II. Owners, upon recordation of any supplemental declaration, shall also have a right and non-exclusive use and enjoyment in and to the Common Property within the Additional Property so annexed and any obligation to contribute to the cost of improvement, operation and maintenance of such Common Property within the annexed land. Provided however, until a supplemental declaration is recorded subjecting any portion of the Additional Property to the Declaration, the fact that such Additional Property is described on Exhibit A shall not constitute and shall in no way be deemed or construed to be a defect or encumbrance on the title of the Additional Property.

E. **Withdrawal.** The Developer may, at any time in its sole discretion, determine to withdraw property from this Declaration by recording in the public records a Declaration of Withdrawal of the Property which shall be consented to by the owner of the Property and its mortgagee, if any, if such Property is not owned by the Developer. EACH OWNER, FOR ITSELF AND ITS GUESTS, TENANTS, OR INVITEES, RELEASES DEVELOPER AND THE ASSOCIATION FROM ANY LIABILITY IN CONNECTION THEREWITH.

NEITHER DEVELOPER, THE ASSOCIATION, NOR ANY OF THEIR SUCCESSORS, ASSIGNS, OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (COLLECTIVELY, THE "LISTED PARTIES") SHALL BE LIABLE OR RESPONSIBLE FOR MAINTAINING OR ASSURING THE WATER QUALITY OR LEVEL IN ANY LAKE, POND, RETENTION AREA, CANAL, CREEK, MARSH AREA, STREAM OR OTHER WATER BODY WITHIN OR ADJACENT TO THE PROPERTY, EXCEPT AS SUCH RESPONSIBILITY MAY BE SPECIFICALLY IMPOSED BY AN APPLICABLE GOVERNMENTAL OR QUASI-GOVERNMENTAL AGENCY OR ENTITY AS REFERENCED HEREIN. FURTHER, ALL OWNERS AND USERS OF ANY PORTION OF THE PROPERTY LOCATED ADJACENT TO OR HAVING A VIEW OF ANY OF THE AFORESAID AREAS SHALL BE DEEMED, BY VIRTUE OF THEIR ACCEPTANCE OF A DEED TO, OR USE OF, SUCH PROPERTY, TO HAVE AGREED TO HOLD HARMLESS THE LISTED PARTIES FROM ALL LIABILITY RELATED TO ANY CHANGES IN THE QUALITY AND LEVEL OF THE WATER IN SUCH BODIES.

G. Wetlands, Jurisdictional Land and Swales. This Declaration is subject to the rights of the State of Florida over portion of the Property which may be considered wetlands, marshes, sovereignty or jurisdictional lands, and every Owner shall obtain any permit necessary prior to

undertaking any dredging, filling, mowing, improving, landscaping, or removal of plant life existing on his Lot.

H. Rights of the SJRWMD. Notwithstanding any other provisions contained elsewhere in this Declaration, the SJRWMD shall have the rights and powers enumerated in this paragraph. The SJRWMD shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation, and repair of the Stormwater Management System. Any repair or reconstruction of the Stormwater Management System shall be as permitted, or if modified, as approved by the SJRWMD. No person shall alter the drainage flow of the Stormwater Management System, including any buffer areas, swales, treatment berms or swales, without the prior written approval of the SJRWMD. Any amendment to this Declaration which alters the Stormwater Management System, beyond maintenance in its original condition, including the water management portions of the Common Property, must have prior written approval of the SJRWMD. In the event that the Association is dissolved, prior to such dissolution, all responsibility relating to the Stormwater Management System must be assigned to and accepted by an entity approved by the SJRWMD.

I. Indemnity. Developer may be required to assume certain duties and liabilities for the maintenance of the Stormwater Management System or drainage system within the Property under the plat, permits, or certain agreements with governmental agencies. The Association further agrees that subsequent to the recording of this Declaration, it shall hold Developer harmless from all suits, actions, damages, liabilities and expenses in connection with loss of life, bodily or personal injury or property damage arising out of any occurrence in, upon, at or from the maintenance of the Stormwater Management System occasioned in whole or in part by any action, omission of the Association or its agents, contractor, employees, servants, or licensees but not excluding any liability occasioned wholly or in part by the acts of the Developer, its successors or assigns. Upon completion of construction of the Stormwater Management System or drainage system Developer shall assign all its rights, obligations and duties thereunder to the Association. The Association shall assume all such rights, duties and liabilities and shall indemnify and hold Developer harmless therefrom.

J. Permits.

THIS PROPERTY WAS DEVELOPED IN ACCORDANCE WITH REQUIREMENTS OF PERMIT NUMBER 4SAJ-20002-2890 (IPJJS), ISSUED BY THE ARMY CORPS OF ENGINEERS ("ACOE") AND PERMIT NUMBER 4-031-84027-02 ISSUED BY THE SJRWMD. ANY OWNER OWNING A LOT WHICH CONTAINS OR IS ADJACENT TO JURISDICTIONAL WETLANDS AS ESTABLISHED BY THE ACOE OR SJRWMD, SHALL, BY ACCEPTANCE OF TITLE TO THE LOT, BE DEEMED TO HAVE ASSUMED ALL OBLIGATIONS UNDER THE FOREGOING PERMITS AS SUCH RELATES TO ITS LOT AND SHALL AGREE TO MAINTAIN SUCH JURISDICTIONAL WETLANDS IN THE CONDITION REQUIRED UNDER THE PERMITS AND TO OTHERWISE COMPLY THEREWITH. IN THE EVENT THAT AN OWNER VIOLATES THE TERMS AND CONDITIONS OF SUCH PERMITS AND FOR ANY REASON THE DEVELOPER IS CITED THEREFORE, THE OWNER AGREES TO INDEMNIFY AND HOLD THE DEVELOPER HARMLESS FROM ALL COSTS ARISING IN CONNECTION THEREWITH, INCLUDING WITHOUT LIMITATION ALL COST AND ATTORNEYS' FEES AS WELL AS ALL COSTS OF CURING SUCH VIOLATION.

K. Developer's Rights. Developer, its successors and assigns shall have the unrestricted right, without approval or joinder of any other person or entity: (i) to designate the use of, alienate, release, or otherwise assign the easements shown in the plat of the Property or described herein, (ii) to plat or replat all or any part of the Property owned by Developer, and (iii) to widen or extend any right of way shown on any plat of the Property or convert a Lot to use as a right of way, provided that Developer owns the lands affected by such change. Owners of Lots subject to easements shown on any plat of the Property shall acquire no right, title, or interest in any of the cables, conduits, pipes, mains,

lines, or other equipment or facilities placed on, over, or under the easement area. The Owners of Lots subject to any easements shall not construct any improvements on the easement areas, alter the flow or drainage, or landscape such areas with hedges, trees, or other landscape items that might interfere with the exercise of the easement rights. Any Owner who constructs any improvements or landscaping on such easement areas shall remove the improvements or landscape items upon written request of Developer, the Association, or the grantee of the easement.

L. Conservation Easement. From time to time the Developer may be required to record a conservation easement over a portion of the Property, as determined by the SJRWMD, Department of Environmental Protection and/or the Army Corps of Engineers. Such land would be subject to a conservation easement as a mitigation area and would be subject to the jurisdiction of such agencies and such land is referred to as "Restricted Land". The use of such Restricted Land is hereby restricted as follows:

1. There shall be no construction or placing of buildings, roads, signs, billboards or other advertising, utilities or structures above the ground in the Restricted Land.

2. No soil or other substance or material used as land fill, and no trash, waste, unsightly or offensive materials may be dumped or placed on the Restricted Land.

(i) No trees, shrubs or other vegetation on the Restricted Land may be removed or destroyed.

3. There shall be no excavation, dredging or removal of loam, peat, gravel, soil, rock or other material substance in such a manner as to affect the surface of the Restricted Land.

4. There shall be no surface use of the Restricted Land except for purposes that permit the land or water to remain predominantly in their natural condition.

5. There shall be no activities within the Restricted Land which are detrimental to drainage, flood control, water conservation, erosion control, soil conservation or fish or wildlife habitat preservation.

6. There shall be no use made of the Restricted Land and no act shall be undertaken which is detrimental to the retention of land or water areas or which are detrimental to the preservation of structural integrity or physical appearance of sites or properties of historical, architectural, archaeological or cultural significance.

7. Upon the recording of a conservation easement, the foregoing restrictions shall be deemed covenants running with the Restricted Land, will be binding upon the Owner(s) of the Restricted Land, their successors and assigns, and shall inure to the benefit of the SJRWMD.

8. Notwithstanding any other provisions hereof, the terms of this Article shall not be amended or modified without the written consent of the SJRWMD. Further, this Article may be enforced by the SJRWMD, its successors and assigns.

XV. COST SHARE DECLARATION

The Property is subject to the terms and conditions of a Cost Share Declaration dated December 19, 2003 and recorded at Official Records Book 11578, page 519 of the public records of Duval County, Florida (the "Cost Share Declaration"). The Cost Share Declaration provides that Belfort Developers, LLC ("Belfort Developers") has or will construct (i) certain roadway improvements on certain lands owned by Belfort Developers, known by the City of Jacksonville as Belfort Oaks Drive

(also sometimes referred to as Gate Parkway Road) (which will be dedicated to the City of Jacksonville pursuant to a plat to be recorded in the public records of Duval County, Florida) and (ii) certain stormwater facilities on certain lands owned by Belfort Developers that provide drainage for certain portions of the roadway. The City of Jacksonville will not maintain the landscaping, irrigation, signage or other non-roadway related improvements located within the roadway and will not maintain the stormwater improvements serving the roadway. The Belfort Developers property has therefore been subjected to the Cost Share Declaration, which provides that the future owners of certain property (including future owners of the Ironwood Property) will share in the cost of the maintenance of the Belfort Developers roadway and the stormwater facilities serving the roadway. The payments due to Belfort Developers, its successors and assigns, under the Cost Share Declaration, will be collected by the Association through the Annual Assessments paid by Owners.

XVI. ENFORCEMENT

A. Compliance by Owners.

Every Owner and Member's Permittee shall comply with the restrictions and covenants set forth herein and any and all rules and regulations which from time to time may be adopted by the Board of Directors of the Association.

B. Enforcement.

Failure of an Owner or his Member's Permittee to comply with such restrictions, covenants or rules and regulations shall be grounds for immediate action which may include, without limitation, an action to recover sums due for damages, injunctive relief, or any combination thereof. In any action to recover a fine, the prevailing party is entitled to collect its reasonable attorney's fees and costs from the nonprevailing party as determined by the court.

C. Fines and Suspension of Privileges.

If any person, firm, corporation, trust, or other entity shall violate or attempt to violate any of the covenants or restrictions set forth in this Declaration or the Rules and Regulations, it shall be lawful for Developer, the Association, or any Owner: (a) to prosecute proceedings for the recovery of damages against those so violating or attempting to violate any such covenant or restriction; or (b) to maintain a proceeding in any court of competent jurisdiction against those so violating or attempting to violate any such covenant or restriction for the purpose of preventing or enjoining all or any such violations or attempted violations. In addition to all other remedies, the Board of Directors shall have the authority, in its sole discretion, to suspend the Owner's (and Owner's family, tenants, guests, invitees or Occupants) right to use the Common Property recreational facilities for so long as the violation continues and to levy reasonable fines against Owner or Occupant for the failure of the Owner, his family, tenants, guests, invitees or Occupants, to comply with any covenant, restriction, rule, or regulation contained in this Declaration, the Articles, or the Bylaws, provided the following procedures are adhered to:

1. The Association shall give the Owner or Occupant at least fourteen (14) days notice of the violation(s) and of the right to have a hearing before a committee of at least three (3) Owners appointed by the Board of Directors, which committee members shall not be officers, directors or employees of the Association or the spouse, parent, child, brother, or sister of an officer, director or employee of the Association. The notice shall contain a date and time for a proposed hearing which shall be at least fourteen (14) days from the date of notice. If the Owner or Occupant notified of the violation(s) and the fine fails to appear at the hearing or fails to request a hearing at another time, which time shall in no event be set more than thirty (30) days after notification of the

violations(s) and the fine, the right to the hearing shall be deemed to be waived and the fine shall be considered levied.

2. At any hearing, the committee shall be presented with the violation(s) and shall give the Owner or Occupant the opportunity to present reasons why penalties should not be imposed. A written decision of the committee shall be provided to the Owner or Occupant within twenty-one (21) days after the date of the hearing.

3. If a hearing is requested and results in the approval of the fine by the committee, the fine levied by the Board of Directors may be imposed against the Owner, his family, tenants, guests, invitee or Occupants.

4. Each incident which is grounds for a fine shall be the basis for a separate fine. In case of continuing violations, each continuation after notice is given shall be deemed a separate incident.

5. Amounts: The Board of Directors (if its or such panel's findings are made against the Owner) may impose Special Assessments against the Lot owned by the Owner as follows:

(a) First non-compliance or violation: a fine not in excess of One Hundred Dollars (\$100.00);

(b) Second non-compliance or violation: a fine not in excess of Five Hundred Dollars (\$500.00);

(c) Third and subsequent non-compliance, or a violation or violations which are of a continuing nature after notice thereof (even if in the first instance): a fine not in excess of One Thousand Dollars (\$1,000.00);

(d) Provided, however, to the extent that state law is modified to permit fines of greater amounts, the Declaration shall be automatically amended to include such increase.

6. Payment of Fines: Fines shall be paid not later than thirty (30) days after notice of the imposition or Assessment of the penalties.

7. Collection of Fines: Fines shall be treated as an Assessment subject to the provisions for the collection of Assessments, and the lien securing same, as set forth herein.

8. Application of Proceeds: All monies received from fines shall be allocated as directed by the Board of Directors.

9. Non-Exclusive Remedy: The imposition of a fine shall not be an exclusive remedy and shall exist in addition to all other rights and remedies to which the Association may otherwise be entitled, including without limitation the right to impose a Special Assessment as a lien on the Lot; however, any fine paid by the Owner or Occupant shall be deducted from or offset against any damages which the Association may otherwise be entitled to recover by law from such Owner or Occupant. The limitations on fines in this paragraph does not apply to suspensions or fines arising from failure to pay Assessments.

10. The failure of Developer, the Association, or any Owner, or their respective successors or assigns, to enforce any covenant, restriction, obligation, right, power, privilege, authority, or reservation herein contained, however long continued, shall not be deemed a waiver of

the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation occurring prior or subsequent thereto.

XVII. GENERAL PROVISIONS

A. **Duration.** This Declaration, as amended and supplemented from time to time, shall run with and bind the Property, and shall inure to the benefit of and be binding upon Developer, the Association, the Owners, and their respective legal representatives, heirs, successors or assigns, for a term of forty (40) years from the date this Declaration is recorded in the public records of the County, after which time all of said provisions shall be extended automatically for successive periods of ten (10) years each, unless an instrument or instruments signed by the then Owners of seventy-five percent (75%) of the Lots subject to this Declaration is recorded in the public records of the County, agreeing to terminate all of said provisions as of a specified date. Unless this Declaration is terminated as provided above, the Board of Directors shall rerecord this Declaration or other notice of its terms at intervals necessary under Florida law to preserve its effect.

B. **Condemnation.** In the event all or part of the Common Property owned by the Association shall be taken or condemned by any authority having the power of eminent domain, all compensation and damages shall be paid to the Association. The Board of Directors shall have the right to act on behalf of the Association with respect to the negotiation and litigation of the taking or condemnation affecting such Property. The Owners holding seventy-five percent (75%) of the votes shall agree to the distribution of the proceeds of any condemnation or taking by eminent domain, and if the Owners shall not so agree, such proceeds shall be added to the funds of the Association.

C. **Notices.** Any notice required to be sent to the Owner of any Lot under the provisions of this Declaration shall be deemed to have been properly sent when hand delivered or mailed, postage prepaid, to the Lot and to the last known address of the person who appears as Owner of such Lot on the records of the Association at the time of such mailing, if different.

D. **Interpretation.** Unless the context expressly requires otherwise, the use of the singular includes the plural and vice versa; the use of all genders includes all genders; the use of the terms "including" or "include" is without limitation; and the use of the terms "will", "must", and "should" shall have the same effect as the use of the term "shall". Wherever any time period is expressed in days, if such time period ends on a Saturday, Sunday, or legal holiday, it shall be extended to the next succeeding calendar day that is not a Saturday, Sunday, or legal holiday. The terms "Lot" and "Property" mean all or any portion applicable to the context, and include all Improvements, fixtures, trees, vegetation, and other property from time to time situated thereon, and the benefit of all appurtenant easements. The terms of this Declaration shall be liberally construed in favor of the party seeking to enforce its provisions to effectuate their purpose of protecting and enhancing the value, marketability, and desirability of the Property by providing a uniform and consistent plan for the development and enjoyment thereof. Headings and other textual divisions are for convenience only and are not to be used to interpret, construe, apply, or enforce any substantive provisions. The provisions of this paragraph apply also to the interpretation, construction, application, and enforcement of all the Association Documents.

E. **Invalidity.** The invalidity of any part of this Declaration shall not impair or affect in any manner the validity, enforceability, or effect of the balance of the Declaration which shall remain in full force and effect.

F. **Rules and Regulations.** The Board of the Association shall have the right to implement rules and regulations for the Association and its Members. All Owners shall comply with any and all rules and regulations adopted and amended from time to time by the Board of Directors. Such rules and regulations shall be for the purpose of elaboration and administration of the provisions of this

Declaration and shall relate to the overall development of the Property, including the operation, use, maintenance and control of the Residences, Lots, Common Property and any facilities or services made available to the Owners, and shall not in any way diminish the powers of self-government of the Association. A copy of any rules and regulations which may be adopted from time will be made available to each Owner upon receipt of such Owner's request.

G. Litigation. No judicial or administrative proceedings shall be commenced or prosecuted by the Association unless the same is approved by written consent of the Owners of seventy-five percent (75%) of the Lots subject to this Declaration. This paragraph shall not apply, however, to: (a) actions brought by the Association to enforce and provisions of this Declaration (including, without limitation, foreclosure of lien); (b) imposition of Assessments as provided herein; (c) proceedings involving challenges, to any taxation; or (d) counterclaims brought by the Association in proceedings instituted against it. Notwithstanding the provisions of this paragraph, this paragraph shall not be amended unless such Amendment is approved by Developer or is approved by the percentage vote pursuant to the same procedures as are necessary to institute proceedings and provided above.

H. Amendment. This Declaration may be amended at any time by an instrument signed by the President or Vice President and the Secretary or Assistant Secretary of the Association, certifying that such amendment has been adopted by the written consent of sixty-six and two-thirds percent (66 2/3%) of the Class A Members or upon a sixty-six and two-thirds percent (66 2/3%) vote of the Class A Members voting in person or by proxy at a regular Association meeting or a special meeting called for that purpose at which there is a quorum, which amendment shall become effective upon its filing in the public records of the County. Provided, however, that:

1. As long as Developer is an Owner of any Lot, no amendment that materially and adversely affects the Developer shall become effective without the written consent of Developer.

2. Until Turnover, any amendments to this Declaration (including, without limitation, any amendment which results in the annexation of additional lands into the Property, the merger or consolidation of the Association with any other property owners association, the dedication of any part of the Common Property for public use (other than the initial Common Property), and the conveyance, mortgaging or encumbrance of any part of the Common Property) must have prior written approval of the FHA or VA in accordance with HUD regulations, if the FHA or VA is the insurer of any Mortgage encumbering a Lot.

3. Developer specifically reserves the absolute and unconditional right (subject only to FHA or VA approval as set forth above, if required), so long as it owns any of the Property, to amend this Declaration without the consent or joinder of any party: (i) to conform to the requirements of any holder of a Mortgage; (ii) to conform to the requirements of title insurance companies; (iii) to conform to the requirements of any governmental entity having control or jurisdiction over the Property; (iv) to clarify the provisions of this Declaration or to correct scrivener's errors in this Declaration; or (v) in such other manner as Developer may deem necessary or convenient.

4. SJRWMD. This Declaration shall not be amended in any manner so as to adversely affect the rights of the SJRWMD without the written approval of the SJRWMD. Any such approval shall be evidenced by a recordable instrument executed by the SJRWMD.

5. Amendments to the Articles and Bylaws shall be made in accordance with the requirements of the Articles and Bylaws and need not be recorded in the public records of the County.

I. Assignment of Developer Rights. Developer may assign all or only a portion of its rights hereunder, or all or a portion of such rights in connection with appropriate portions of the Property. In the event of such a partial assignment, the assignee shall not be deemed to be the Developer but may exercise such rights of Developer specifically assigned to it. Any such assignment may be made on a nonexclusive basis. In addition, in the event that any person or entity obtains title to all of the Property owned by Developer as a result of foreclosure or deed in lieu thereof, such person or entity may elect to become the Developer by written election recorded in the public records of the County, and regardless of the exercise of such election, such person or entity may appoint the Developer or assign any rights of Developer to any other party which acquires title to all or any portion of the Property by written appointment recorded in the public records of the County. In any event, no subsequent Developer shall be liable for any actions or defaults of, or obligations incurred by, any prior Developer, except as the same may be expressly assumed by the subsequent Developer.

J. Rights of Institutional Mortgagees. All Institutional Mortgagees shall have the following rights:

1. During normal business hours, and upon reasonable notice and in a reasonable manner, to inspect current copies of the Association Documents and the books, records and financial statements of the Association.

2. Upon written request to the Secretary of the Association, to receive copies of the annual financial statements for the immediately preceding fiscal year of the Association, provided, however, the Association may make a reasonable, uniform charge to defray its costs incurred in providing such copies.

3. To designate a representative to attend all meetings of the Members of the Association, who shall be entitled to a reasonable opportunity to be heard in connection with any business brought before such meeting, but in no event shall be entitled to vote thereon.

4. By written notice to the Secretary of the Association, and upon payment to the Association of any reasonable, uniform annual fee established from time to time by the Association to defray its costs, to receive: (i) any notice that is required to be given to the Class A Members under any provision of the Association Documents; (ii) written notice of any condemnation or casualty loss affecting a material portion of the Property or any Lot encumbered by its Mortgage; (iii) any sixty (60) day delinquency in the payment of Assessment Charges imposed upon any Lot encumbered by its Mortgage; (iv) the lapse, cancellation, or material modification of any insurance coverage or fidelity bond maintained by the Association; and (v) any proposed action requiring the consent of a specified percentage of Mortgagees.

K. Legal Fees and Costs. The prevailing party in any dispute arising out of the subject matter of this Declaration or its subsequent performance shall be entitled to reimbursement of its costs and attorney's fees, whether incurred before or at trial, on appeal, in bankruptcy, in post-judgment collection, or in any dispute resolution proceeding, and whether or not a lawsuit is commenced.

L. Law to Govern. This Declaration shall be governed by and construed in accordance with the laws of the State of Florida, both substantive and remedial.

M. Tax Deeds and Foreclosure. All provisions of the Declaration relating to a Lot which has been sold for taxes or Special Assessments survive and are enforceable after the issuance of a tax deed or upon a foreclosure of an Assessment, a certificate or lien, a tax deed, tax certificate or tax lien, to the same extent that they would be enforceable against a voluntary grantee of title before such transfer.

N. Easements. Should the intended creation of any easement provided for in this Declaration fail by reason of the fact that at the time of creation there may be no grantee in being having the capacity to take and hold such easement, then any such grant of easement deemed not to have been so created shall nevertheless be considered as having been granted directly to the Association as agent for such intended grantees for the purpose of allowing the original party or parties to whom the easements were originally intended to have been granted the benefit of such easement and the Owners designate hereby the Developer and the Association (or either of them) as their lawful attorney-in-fact to execute any instrument on such Owners' behalf as may hereafter be required or deemed necessary for the purpose of later creating such easement as it was intended to have created herein. Formal language of grant or reservation with respect to such easements, as appropriate, is hereby incorporated in the easement provisions hereof to the extent not so recited in some or all of such provisions.

O. Constructive Notice and Acceptance. Every person who owns, occupies or acquires any right, title, estate or interest in or to any Lot or other property located on or within the Property, shall be conclusively deemed to have consented and agreed to every limitation, restriction, easement, reservation, condition, lien and covenant contained herein, whether or not any reference hereto is contained in the instrument by which such person acquired an interest in such Lot or other property.

P. Notices and Disclaimers as to Community Systems. Developer, the Association, or their successors, assigns or franchisees and any applicable cable telecommunications system operator (an "Operator"), may enter into contracts for the provision of security services through any Community Systems. DEVELOPER, THE ASSOCIATION, OPERATORS AND THEIR FRANCHISEES, DO NOT GUARANTEE OR WARRANT, EXPRESSLY OR IMPLIEDLY. THE MERCHANTABILITY OR FITNESS FOR USE OF ANY SUCH SECURITY SYSTEM OR SERVICES, OR THAT ANY SYSTEM OR SERVICES WILL PREVENT INTRUSIONS, FIRES OR OTHER OCCURRENCES, OR THE CONSEQUENCES OF SUCH OCCURRENCES, REGARDLESS OF WHETHER OR NOT THE SYSTEM OR SERVICES ARE DESIGNED TO MONITOR SAME; AND EVERY OWNER OR OCCUPANT OF PROPERTY SERVICED BY THE COMMUNITY SYSTEMS ACKNOWLEDGES THAT DEVELOPER, THE ASSOCIATION OR ANY SUCCESSOR, ASSIGN OR FRANCHISEE OF THE DEVELOPER OR ANY OF THE OTHER AFORESAID ENTITIES AND ANY OPERATOR, ARE NOT INSURERS OF THE OWNER OR OCCUPANT'S PROPERTY OR OF THE PROPERTY OF OTHERS LOCATED ON THE PREMISES AND WILL NOT BE RESPONSIBLE OR LIABLE FOR LOSSES, INJURIES OR DEATHS RESULTING FROM SUCH OCCURRENCES. It is extremely difficult and impractical to determine the actual damages, if any, which may proximately result from a failure on the part of a security service provider to perform any of its obligations with respect to security services and, therefore, every owner or occupant of property receiving security services agrees that Developer, the Association or any successor, assign or franchisee thereof and any Operator assumes no liability for loss or damage to property or for personal injury or death to persons due to any reason, including, without limitation, failure in transmission of an alarm, interruption of security service or failure to respond to an alarm because of (a) any failure of the Owner's security system, (b) any defective or damaged equipment, device, line or circuit, (c) negligence, active or otherwise, of the security service provider or its officers, agents or employees, or (d) fire, flood, riot, war, act of God or other similar causes which are beyond the control of the security service provider. Every owner or occupant of property obtaining security services through the Community Systems further agrees for himself, his grantees, tenants, guests, invitees, licensees, and family members that if any loss or damage should result from a failure of performance or operation, or from defective performance or operation, or from improper installation, monitoring or servicing of the system, or from negligence, active or otherwise, of the security service provider or its officers, agents, or employees, the liability, if any, of Developer, the Association, any franchisee of the foregoing and the Operator or their successors or assigns, for loss, damage, injury or death sustained shall be limited to a sum not exceeding Two Hundred Fifty and No/100 (\$250.00) U. S. Dollars, which limitation shall apply irrespective of the cause or origin of the loss or damage and notwithstanding that the loss or damage results directly or indirectly from negligent performance, active or otherwise, or non-performance by an officer, agent or employee of Developer, the

Association or any franchisee, successor or designee of any of same or any Operator. Further, in no event will Developer, the Association, any Operator or any of their franchisees, successors or assigns, be liable for consequential damages, wrongful death, personal injury or commercial loss. In recognition of the fact that interruptions in cable television and other Community Systems services will occur from time to time, no person or entity described above shall in any manner be liable, and no user of any Community System shall be entitled to any refund, rebate, discount or offset in applicable fees, for any interruption in Community Systems services, regardless of whether or not same is caused by reasons within the control of the then-provider(s) of such services.

Q. Certain Reserved Rights of Developer with Respect to Community Systems. Without limiting the generality of any other applicable provisions of this Declaration, and without such provisions limiting the generality hereof, Developer hereby reserves and retains to itself:

1. the title to any Community Systems and a perpetual easement for the placement and location thereof;
2. the right to connect, from time to time, the Community Systems to such receiving or intermediary transmission source(s) as Developer may in its sole discretion deem appropriate including, without limitation, companies licensed to provide CATV service in the County, for which service Developer shall have the right to charge any users a reasonable fee (which shall not exceed any maximum allowable charge provided for in the ordinances of the County); and
3. the right to offer from time to time monitoring/alarm services through the Community Systems.

Neither the Association nor any officer, director, employee, committee member or agent (including any management company) thereof shall be liable for any damage to property, personal injury or death arising from or connected with any act or omission of any of the foregoing during the course of performing any duty or exercising any right privilege (including, without limitation, performing maintenance work which is the duty of the Association or exercising any remedial maintenance or alteration rights under this Declaration) required or authorized to be done by the Association, or any of the other aforesaid parties, under this Declaration or otherwise as required or permitted by law.

R. No Assurances of Development. The Property is subject to certain governmental or quasi-governmental ordinances and regulations. Developer makes no assurance to any Owner or Institutional Mortgagee that the Property will be developed in strict compliance with any such ordinances or regulations. All site plans, development plans, advertising material and similar material developed or produced in connection with the marketing and sale of the Property is subject to change in the Developer's sole discretion. Owners hereby waive any and all rights they have to object to changes in the plan which may be made by the Developer pursuant to this paragraph.

S. NO REPRESENTATIONS OR WARRANTIES. NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, HAVE BEEN GIVEN OR MADE BY DEVELOPER OR ITS AGENTS OR EMPLOYEES IN CONNECTION WITH THE SECURITY PROVIDED TO THE PERSONS AND PROPERTY OF OWNERS, NOR AS TO ANY PORTION OF THE COMMON PROPERTY, ITS PHYSICAL CONDITION, ZONING, COMPLIANCE WITH APPLICABLE LAWS, MERCHANTABILITY, HABITABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR IN CONNECTION WITH THE SUBDIVISION, SALE, OPERATION, MAINTENANCE, COST OF MAINTENANCE, TAXES OR REGULATION THEREOF, EXCEPT (A) AS SPECIFICALLY AND EXPRESSLY SET FORTH IN THIS DECLARATION OR IN DOCUMENTS WHICH MAY BE FILED BY DEVELOPER FROM TIME TO TIME WITH APPLICABLE REGULATORY AGENCIES, AND (B) AS OTHERWISE

REQUIRED BY LAW. AS TO SUCH WARRANTIES WHICH CANNOT BE DISCLAIMED, AND TO OTHER CLAIMS, IF ANY, WHICH CAN BE MADE AS TO THE AFORESAID MATTERS, ALL INCIDENTAL AND CONSEQUENTIAL DAMAGES ARISING THEREFROM ARE HEREBY DISCLAIMED. ALL OWNERS, BY VIRTUE OF ACCEPTANCE OF TITLE TO THEIR RESPECTIVE LOTS (WHETHER FROM THE DEVELOPER OR ANOTHER PARTY), SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ALL OF THE AFORESAID DISCLAIMED WARRANTIES AND INCIDENTAL AND CONSEQUENTIAL DAMAGES.

Such right expressly includes the right to cut any trees, bushes or shrubbery, to make any gradings of soil, construct or modify any berms placed along the rear of any Lots as part of the Stormwater Management System, or take any other action reasonably necessary, following which Developer or the Association shall restore the affected property to its original condition as nearly as practicable; provided, however, that Developer or the Association shall not be required to replace or repair fences, walks, structures, landscaping, or other improvements which are removed or damaged. Developer or the Association shall give reasonable notice of its intent to take such action to all affected Owners, unless, in the opinion of Developer or the Association, an emergency exists which precludes such notice. The right granted herein may be exercised at the sole option of Developer or the Association and shall not be construed to obligate Developer or the Association to take any affirmative action in connection therewith. The Owners of Lots adjacent to or containing a portion of the retention areas are granted a perpetual, nonexclusive easement for ingress and egress over and across the Stormwater Management System for the purpose of providing maintenance and erosion control to the embankments of such retention areas.

Maintenance of the Stormwater Management System shall mean the exercise of practices which allow the Stormwater Management System to provide drainage, water Storage, conveyance or other surface water capabilities as permitted by the SJRWMD.
