When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised by a majority of all such members as they determine, but in no event shall more than one vote be cast with respect to any Lot.

Section 4. Class B. The Class B Member shall be the Declarant. The Class B Member shall be entitled to three (3) votes for each Lot owned. The Class B Membership shall cease and shall be converted to Class A Membership on the happening of any of the following events, whichever occurs earlier:

- (a) the total votes outstanding in the Class A Membership equals the total votes outstanding in the Class B Membership; or

Section 5. General Matters. When reference is made herein, or in the Articles of Incorporation, Bylaws, rules and regulations, management contracts or otherwise, to a majority or specific percentage of Members, such reference shall be deemed to be reference to a majority or specific percentage of the votes of Members and not of the Members themselves.

ARTICLE IV PROPERTY SUBJECT TO THIS DECLARATION AND ADDITIONS TO THE PROPERTY

Section 1. Property Subject to Declaration. The Property is, and shall be, held, transferred, sold, conveyed, and occupied subject to this Declaration.

Section 2. Annexation of Additional Phases Without Association Approval. The Declarant, in his sole and absolute discretion, may add and subject to the terms and conditions of this Declaration and such additional lands as the Declarant deems appropriate (collectively, the "Additional Land") without the consent of members at any time within ten (10) years of the date of this instrument. To add Additional Land, the Declarant shall duly execute and record a Supplemental Declaration to this Declaration in the Public Records of Duval County, Florida setting forth the description of the Additional Land being annexed. If the Class B membership had been previously terminated, the annexation of the Additional Land shall automatically reestablish the Declarant's Class "B" membership and all rights and powers pertaining thereto.

If the Declarant elects to add all or a portion of any other real property which it may own from time to time adjoining the Property to the terms and conditions hereof, then there is hereby reserved to the Declarant and its successors and assigns a perpetual non-exclusive easement and license over, across and under the roadways, drainage easements, utility easements and retention ponds located in the Property for the use by the Declarant and its successors and assigns in connection with the development of any such property.

Section 3. Other Annexation of Property. Except as set forth in Section 2 above, residential property and Common Area may be annexed and made subject to the Declaration with the consent of two-thirds (2/3) of each class of members of the Association. Such annexation shall become effective upon the recording of a supplemental amendment to this Declaration in the Public Records of Duval County, Florida.

Section 4. Withdrawal. During the period in which the Declarant is the Class B Member of the Association, and thereafter, to the fullest extent permitted by Applicable Law, the Declarant reserves the right to amend this Declaration unilaterally at any time, without prior notice and without the consent of any person or entity, for the purpose of removing certain portions of the Property then owned by the Declarant or its affiliates from the provisions of this Declaration to the extent included originally in error or as a result of any changes whatsoever in the plans for the Property desired to be effectuated by the Declarant.

Section 5. Platting. As long as there is a Class B membership, the Declarant shall be entitled at any time and from time to time, to plat and/or replat all or any part of the Property or any additions thereto and to file subdivision restrictions and/or amendments thereto with respect

to any undeveloped portion or portions of the Property or any additions thereto without the consent or approval of an Owner.

Section 6. Merger. Nothing in these Articles is intended to limit or restrict in any way the Association's right or ability to merge with any other association and its Members. Upon a merger or consolidation of the Association with another association, all Common Areas, rights and obligations shall, by operation of law, be transferred to the surviving or consolidated association or, alternatively, the properties, rights and obligations of another association, by operation of law, may be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer the covenants established by this Declaration within the Property together with the covenants and restrictions established by any supplement upon any other properties as one scheme. No such merger or consolidation, however, shall cause a revocation, change or addition to the covenants in the Declaration as it pertains to the Property, except as hereinafter provided.

ARTICLE V PRIVACY WALLS

Section 1. Privacy Wall. The Declarant may construct walls, entry monuments, signage or fences within the Property ("Privacy Wall" or "Privacy Walls"). Section 3. Easement of Privacy Wall. An easement is hereby created in favor of the Declarant and the Association for the construction, management, inspection, painting, maintenance and repair of Privacy Walls located within the Property. The easement shall extend five (5) feet into each affected Lot from the Privacy Wall. Entry upon a Lot by the Declarant or the Association, or its agents, as provided herein, may occur without notice and shall not be deemed a trespass.

ARTICLE VI FUNCTIONS OF THE ASSOCIATION

Section 1. Through Board Action. The affairs and decisions of the Association shall be conducted and made by the Board of Directors (hereinafter the "Board"). The Members shall only have such power or rights of approval or consent as is expressly specified herein, or in the Association Articles of Incorporation or Bylaws. conveyance or other surface water or stormwater management capabilities as permitted by the St. Johns River Water Management District. Any repair or reconstruction of the surface water or stormwater management system shall be as permitted or, if modified, as approved in writing by the St. Johns River Water Management District.

Section 4. Actions by Association. ARTICLE VII COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot by acceptance of a deed thereof, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (1) commencement assessments; (2) annual assessments or charges; (3) special assessments for capital improvements; and (4) assessments for the costs of maintenance, repair and operation of the Surface Water or Storm water Management System. The Association shall levy and collect adequate assessments against Members of the Association for the costs of maintenance and operation of the Surface Water or Storm water Management System. All assessments, together with late fees, interest, costs, and reasonable attorney's fees for collection thereof, shall be a charge on the land and shall be a continuing lien upon the Property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees for collection thereof, shall also be the personal obligation of the person who was the Owner of such Property at the time when the assessment fell due and all subsequent Owners until paid.

Section 2. Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the Property, for the improvement and maintenance of the Common Area, easement areas benefiting the Property, or right-of-way areas adjacent to the Property the Association chooses to maintain or for any other purpose set forth in the Declaration that the Association deems necessary.

Section 3. Computation of Assessment. The Board shall prepare a budget each fiscal year reflecting the estimated revenues and expenses for that year and the estimated surplus or deficit as of the end of the year. The annual assessment, which shall be levied equally against all Lots as set forth in Section 6 below, shall be set at a level which is reasonably expected to produce total income for the Association equal to the total budgeted common expenses, including reserves. In determining the level of assessments, the Board, in its discretion, may consider other sources of funds available to the Association. In addition, the Board shall take

into account the number of Lots subject to assessment on the first day of the fiscal year for which the budget is prepared and the number of Lots reasonably anticipated to become subject to assessment during the fiscal year.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, or to repair any Privacy Walls, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of the Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Commencement Assessment. A Commencement Assessment of Five Hundred and 00/100 (\$500.00) per Lot shall be paid to the Association at the time of closing by the original purchaser of a Lot purchasing from the Declarant. The Association may use the Commencement Assessment for any of the purposes set forth in this Declaration. The Commencement Assessment shall be paid directly to the Association and shall be utilized in a manner consistent with other Assessments.

Section 6. Uniform Rate of Assessment. All assessments must be fixed at a uniform rate for all Lots, and each Lot shall be liable for 1/101 of all assessments.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for in this Article shall commence as to all Lots on the date (which shall be the first day of the month) fixed by the Board of Directors of the Association to be the date of commencement. Each subsequent annual assessment shall be imposed for the year beginning January 1 and ending December 31. The annual assessments shall be payable in advance in annual or semi-annual installments if so determined by the Board of Directors of the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least 30 days in advance of each annual assessment period. Written notice of the assessments shall be sent to every Owner subject thereto. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments. Remedies of the Association. Any assessment not paid within fifteen (15) days after the due date shall bear a late fee of Twenty-Five (\$25.00) Dollars and interest from the due date at the rate of twelve percent (12%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the Owner's Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Assumption of Delinquent Assessments by Successors. The personal component of the obligation for delinquent assessments shall not pass to the Lot Owner's successors in title unless expressly assumed by them. Irrespective of the assumption of the personal component of the obligation by any successors in title, the lien for delinquent assessments shall continue to be a lien upon the Lot until such time as it is fully paid.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for in this Article shall be a lien superior to all other liens less and except real estate tax liens and the lien of any mortgage to any Institutional Lender which is now or hereafter placed upon any property subject to assessment as long as said mortgage lien is a first lien against the property encumbered thereby; provided, however, that any such mortgagee, when in possession, or any receiver, and in the event of a foreclosure, any purchaser at a foreclosure sale, and any such mortgagee acquiring a deed in lieu of foreclosure, and all persons claiming by, through or under such purchaser or mortgagee, shall hold title subject to the liability and lien of any assessment coming due after such foreclosure (or conveyance in lieu of foreclosure). Any unpaid assessments which cannot be collected as a lien against any Lot by reason of the provisions of this Section shall be deemed to be an assessment divided equally among, payable by a lien against all Lots subject to assessment by the Association, including the Lots as to which the foreclosure (or conveyance in lieu of foreclosure) took place. Notwithstanding any contrary provision hereof, no Institutional Lender acquiring title to a Lot through foreclosure or conveyance in lieu of foreclosure, and no purchaser at a foreclosure sale, and no persons claiming by, through or under such Institutional Lender or purchaser, shall be personally obligated to pay assessments that accrue prior to the Institutional Lender's or the foreclosure purchaser's acquiring title.

Section 11. Declarant's Assessments. For any assessment year, notwithstanding anything herein to the contrary, Declarant shall have the option, in its sole discretion, to either:

- (a) pay assessments on the Lots owned by it, or
- (b) not pay assessments on any Lots and in lieu thereof, for such assessment year, pay the Association's actual operating expenses incurred (either paid or payable) exclusive of capital improvement costs, reserves, depreciation and amortization. The amount so determined shall then be reduced by income and revenues earned (either received or receivable) from all sources (including, without limitation, assessments, interest, fines, working capital and similar contributions made by Lot purchasers, and incidental income) and any surplus carried forward from the preceding year(s).

In computing the annual amount to be funded by the Declarant as aforesaid, revenues and expenses shall not be segregated or earmarked by type of assessment or type of Common Area, but, instead, shall be taken as a whole.

Also, depreciation and capital asset acquisition shall not be deemed a cost or expense for purposes of this Section and Declarant shall not be deemed to have in any manner guaranteed or obligated itself as to the types or levels of any inventory of goods or equipment existing at any time.

For any assessment year, Declarant may from time to time change the option (or combination thereof) under which Declarant is making payments to the Association by written notice to such effect to the Association. When all Lots within the Community are sold and conveyed to purchasers, neither Declarant nor its affiliates shall have further liability of any kind to the Association for the payment of Assessments, deficits or contributions, The Declarant's rights under this Section may be assigned by it in whole or in part and on an exclusive or non-exclusive basis.

Section 12. Special Taxing Districts. In the event that a Special Taxing District is established to provide any services currently rendered by, or which are the responsibility of, the Association, these covenants and conditions shall no longer be of any force and effect as to any such services provided by said Special Taxing District, provided however the covenants and conditions set forth herein shall continue to bind and run with the land as to all of the Property for services not provided by said Special Taxing District. If said Special Taxing District is terminated for any reason, these covenants and conditions shall thereupon apply in full force and effect as if said Special Taxing District had never been created.

ARTICLE VIII ARCHITECTURAL CONTROL

Section 1. Architectural Control. Except for those improvements constructed by Declarant, no building, fence, wall, driveway, parking area or other structure or improvement shall be commenced, erected, placed or maintained upon the Property, nor shall any exterior addition to, change, alteration or repair (other than repairing or restoring the exterior of any building located upon the Property to its original appearance and color) therein be made until the plans and specifications showing the nature, kind, shape, height, color, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association or by an ARC composed of three (3) or more representatives who need not be Members. Declarant shall have the right to appoint any or all of the members of the ARC or such lesser number as it may choose, as long as Declarant owns ten percent (10%) or more of the Lots, and members of the ARC may be employees of Declarant or its designees. In the event the Board of Directors or the ARC fails to approve or disapprove such design and location within thirty (30) days after the plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

The above requirements also apply to any proposed alterations and/or additions to existing structures.

The documents and other information required to be submitted shall be delivered or mailed to the ARC at the designated Management Company's address or Declarant's address in the event no Management Company has been retained by Declarant, or after turnover, to the Association's address. One (1) complete set shall be retained by the ARC and the second complete set shall be returned to the applicant, with the ARC's approval or disapproval clearly noted thereon.

Section 3. Modification of Restrictions. The ARC is authorized to modify or amend prior to or during construction or alteration of any building or other improvement these restrictions concerning setback and location and size of improvements if, in the opinion of the ARC, such shall be necessary to prevent undue hardship.

Section 4. Licensed Contractor or Builder. All construction by any Owner on a Lot shall be performed by a contractor or builder duly licensed in the State of Florida.

Section 5. Construction. Once construction on a Lot has commenced, each Owner shall be responsible for insuring that construction proceeds at an orderly, diligent and timely pace, with no work stoppage in excess of fourteen (14) consecutive days, acts of God excepted. Each Owner shall be responsible for repairing at Owner's expense all and any damage to Common Areas caused by its contractors, subcontractors, agents, and employees. The construction of all houses and other structures and improvements shall be completed within 7 months after the construction of same shall have commenced, except where such completion is impossible or would result in great hardship to the Owner or builder. Houses and other dwelling structures may not be temporarily or permanently occupied until completed (completion of the home is defined as having received a Certificate of Occupancy). During the continuance of construction, the Owner shall require the contractor to maintain the Lot in a clear and uncluttered condition. Clean up and removal of all boxes, trash or debris of any kind shall be performed by Owner or its contractor on a regular basis. No loose trash will be permitted to be strewn about the Property at any time. Any contractor who disregards this clean-up requirement will be, without recourse against the ARC, Declarant or the Association, subject to immediate suspension of his work until he complies with the clean-up requirement in every respect. Contractors who continue to disregard this clean-up requirement may be permanently removed from the Property without recourse against the ARC, Declarant or the Association.

Upon completion of construction, the Owner shall cause the contractor to immediately remove all equipment, tools and construction materials from the Lot. Any damage to roads, curbs or property owned by others caused by the Owner's contractor or other parties providing

Section 6. Assignment. Declarant expressly reserves the right to assign any or all of the duties, powers, functions, and approval authority set forth herein to any assignee in Declarant's sole discretion.

Section 7. Limitation of Approval. No approval of plans or specifications by the ARC shall ever be construed as representing or implying that such plans, specifications or standards will, if followed, result in a properly designed residence. Such approvals and standards shall, in no event, be construed as representing or guaranteeing that any residence or improvement thereto will be built in a good and workmanlike manner. The ARC shall not be responsible for or liable for any defects in any plans or specifications submitted, revised, or approved under these covenants nor for any defects in construction pursuant to such plans and specifications. The Owner shall have sole responsibility for compliance with the restrictions set forth herein and does hereby hold the ARC harmless for any failure thereof caused by the Owner's architect, builder or contractor.

Section 8. Litter. It shall be the responsibility of each Owner of each Lot and tenant thereof to prevent the accumulation of litter, trash, packing crates, or unkempt condition of buildings or grounds on its Lot, or to permit accumulations, which shall tend to substantially decrease the beauty of the Lot or community as a whole. No loose trash will be permitted to be strewn about the Property at any time. Garbage containers must be kept out of sight from the street, except during collection hours.

Section 9. Access Ramp. Any Owner of a Lot may construct an access ramp if a resident or occupant of the Lot has a medical necessity or disability that requires a ramp for egress and ingress under the following conditions:

(a) The ramp must be as unobtrusive as possible, be designed to blend in aesthetically as practicable, and be reasonably sized to fit the intended use.

(b) Plans for the ramp must be submitted in advance to the ARC. The ARC may make reasonable requests to modify the design to achieve architectural consistency with surrounding structures and surfaces.

The Owner of the Lot must submit to the Association an affidavit from a physician attesting to the medical necessity or disability of the resident or occupant of the Lot requiring the access ramp. Certification used for Section 320.0848, Florida Statutes, as amended from time to time, shall be sufficient to meet the affidavit requirement.

and upon each and every Owner who shall acquire hereafter a Lot or any portion of the Property, and shall be binding upon their respective heirs, personal representatives, successors and assigns.

Section 1. Violation. If any person claiming by, through or under Declarant, or its successors or assigns, or any other person, shall violate or attempt to violate any of the covenants herein, it shall be lawful for the Declarant or any person or persons owning real estate subject to these covenants to bring any proceeding at law or in equity against the person or persons violating or attempting to violate any such covenants including action to enjoin or prevent him or them from so doing, or to cause the violation to be remedied and to recover damages or other dues for such violation. Invalidation of any of these covenants by judgment of court order shall in no way affect any of the other covenants and provisions, contained herein, which shall remain in full force and effect.

Section 2. Residential Lots. All Lots included within the real estate to which these restrictions pertain shall be known and described as residential Lots. The Association will approve an outside antenna, antenna pole, antenna mast, satellite television reception device, electronic device, antenna tower or citizen's band (CB) or amateur band (HAM) antenna only if it is so located that it cannot be seen from any street and is shielded from view from any adjoining Lot. Any permanent flagpole or flagpole affixed to a residence for display of the American flag or any other flag shall be permitted only if first approved in writing by the Association, as to its design, height, location and type of flag. Tree house or platforms of a like kind or nature shall not be constructed on any part of the Lot located in front of the rear line of the dwelling improvement constructed thereon.

Section 7. Subdivision or Partition. No portion of the Property shall be subdivided except with the Association's prior written consent.

Section 8. Casualty Destruction to Improvements. In the event an improvement is damaged or destroyed by casualty, hazard or other loss, then, within a reasonable period of time after such incident, the Owner thereof shall either commence to rebuild or repair the damaged improvement and diligently continue such rebuilding or repairing activities to completion or, upon a determination by the owner that the improvement will not be repaired or replaced promptly, shall clear the damaged improvement and grass over and landscape such Lot in a slightly manner consistent with the Declarant's plan for beautification of the Property. A destroyed improvement shall only be replaced with an improvement of an identical size, type and elevation as that destroyed unless the prior written consent of the Association is obtained.

Maintenance of the surface water or stormwater management system(s) shall mean the exercise of practices which allow the system to provide drainage, water storage, treatment, conveyance or other surface water or stormwater management capabilities as permitted by St. Johns River Water Management District. The Association shall be responsible for such maintenance, repair and operation. Any repair or reconstruction of the surface water or stormwater management system shall be as permitted, or if modified, as approved in writing by the St. Johns River Water Management District, its successors or assigns.

(b) No structure of any kind shall be constructed or erected within, nor shall an Owner in any way change, alter, impede, revise or otherwise interfere with the flow and the volume of water in any portion of any drainage areas or the Surface Water/Stormwater Management System, nor shall any grading, alteration, or other modifications to these areas be made without the prior written permission of the Association, Duval County and St. Johns River Water Management District, its successors or assigns.

(c) The Association shall have a perpetual non-exclusive easement over all areas of the surface water or stormwater management system for access to operate, maintain or repair the system. By this easement, the Association shall have the right to enter upon any portion of any lot which is a part of the surface water or stormwater management system, at a reasonable time and in a reasonable manner, to operate, maintain or repair the surface water or stormwater management system as required by the St. Johns River Water Management District permit. Additionally, the Association shall have a perpetual non-exclusive easement for drainage over the entire surface water or stormwater management system, including buffer areas or swales, without the prior written approval of the St. Johns River Water Management District.

(d) No Lot shall be increased in size by filling in any drainage areas or other portion of the Surface Water/Stormwater Management System. No Owner shall fill, dike, rip-rap, block, divert or change the established drainage area or the Surface Water/Stormwater Management Systems that have been or may be created by easement without the prior written consent of the Association, Duval County and the St. Johns River Water Management District, its successors and assigns.

(f) The Declarant has constructed a drainage swale upon each Lot for the purpose of managing and containing the flow of excess surface water, if any, found upon such Lot from time to time. Each Lot Owner, including builders, shall be responsible for the maintenance, operation and repair of the swales on the Lot. Maintenance, operation and repair shall mean the exercise of practices, such as mowing and erosion repair, which allow the swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by St. Johns River Water Management District. Filling, excavation, construction of fences or otherwise obstructing the surface water flow in the swales is prohibited. No alteration of the Drainage Swale shall be authorized and any damage to any drainage swale, whether caused by natural or human-induced phenomena, shall be repaired and the drainage swale returned to its former condition as soon as possible by the Owner(s) of the Lot(s) upon which the drainage swale is located.

any portion of the Property other than the Lot of the Owner. For purposes hereof, "household pets" shall mean dogs, cats, domestic birds and fish. Pets shall also be subject to applicable Rules and Regulations of the Association and their owners shall be held accountable for their actions. Commercial activities involving pets shall not be allowed. No greater than three (3) pets may be kept or permitted to be kept on any Lot, except that for dogs 50 pounds or over, the limitation shall be two. Any pets kept or permitted to be kept on any Lot shall be kept in compliance with applicable Code of Duval County/City of Jacksonville.

No signs located on any part of a Lot or visible from the inside of a home except (i) a "For Sale" sign not exceeding four square feet in surface area; (ii) one sign of not more than one (1) square foot used to indicate the name of resident; and (iii) a sign of reasonable size provided by a contractor for security services within ten (10) feet of the entrance to the home, shall be erected or displayed to the public view on any Lot. Notwithstanding the foregoing, the Declarant specifically reserves the right for itself, its successors, nominees and assigns and the Association to place and maintain any and all signs they may deem necessary, regardless of whether or not the sign complies with the mandates of the Association and its Members, in connection with construction, marketing, sales and rental of Lots and identifying or informational signs anywhere on the Property. No "For Rent" signs shall be erected or displayed to the public view on any Lot unless otherwise approved by the Declarant.

Section 15. Garbage Containers, Oil and Gas Tanks, Outdoor Equipment. All garbage and trash containers must be underground or placed in walled-in areas or landscaped areas so that they are not visible from any adjoining Lot or any street. Adequate landscaping shall be installed and maintained by the Owner to conceal the oil or bottled gas tanks. No Lot shall be used or maintained as a dumping ground for rubbish, trash or other waste. There shall be no burning of trash or other waste material. Trash, garbage or other waste shall be kept only in closed containers and all equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition.

Section 16. Commercial Vehicles, Boats, Personal Watercraft and Recreational Vehicles. No commercial vehicle, boats, personal watercraft, mobile home, motor home, house trailer or camper or other recreational vehicle or equipment, horse trailer or van, or the like, shall be permitted to be parked or to be stored at any place on any portion of the Property, except as provided in this paragraph, unless they are parked within a garage. This prohibition of parking shall not apply to temporary parking of trucks and commercial vehicles used for pickup, delivery and repair and maintenance of a Lot, nor to any vehicles of the Declarant.

Any such vehicle, boat or recreational equipment parked in violation of these or other regulations contained herein or in the Rules and Regulations adopted by the Association may be towed by the Association at the sole expense of the owner of such vehicle or recreational equipment if it remains in violation of such rules for a period of twenty-four (24) consecutive hours or for forty-eight (48) non-consecutive hours in any seven (7) day period. The Association

shall not be liable to the owner of such vehicle or recreational equipment for trespass, conversion or otherwise, nor guilty of any criminal act by reason of such towing and neither its removal nor failure of the owner of such vehicle or recreational equipment to receive any notice of said violation shall be grounds for relief of any kind.

Section 17. Repairs. No maintenance or repairs shall be performed on any vehicles upon any portion of the Property except in an emergency situation. Notwithstanding the foregoing, all repairs to disabled vehicles within the Property must be completed within twelve (12) hours from the vehicle's immobilization or the vehicle must be removed.

Section 18. Parking. Vehicles shall not be parked in any front or side yard of any Lot except in areas designated as a driveway or parking area. Vehicles in disrepair shall not be stored on the Property. No passenger vehicle without current registration and license tag will be allowed on the Property or on any Owner's Lot. Visitors and guests only may use paved streets for temporary parking of their vehicles. All Owners must park in designated parking areas on their Lot. Any vehicle parked in violation of these or other regulations contained herein or in the Rules and Regulations adopted by the Association may be towed by the Association at the sole expense of the owner of such vehicle if it remains in violation of such rules for a period of twenty-four (24) consecutive hours or for forty-eight (48) non-consecutive hours in any seven (7) day period. The Association shall not be liable to the owner of such vehicle for trespass, conversion or otherwise, nor guilty of any criminal act by reason of such towing, and neither its removal nor failure of the owner of such vehicle to receive any notice of said violation shall be grounds for relief of any kind.

Section 19. Prohibited Structures. No structure of a temporary character, including, but not limited to, trailers, tents, sheds, barns, tree houses or out buildings shall be parked or erected on the Property at any time without the express written permission of the Association or the Board of Directors.

Section 20. Above-Ground Pools. No above-ground pool shall be constructed or placed on any Lot, except that inflatable pools for small children are acceptable.

Section 21. Air-Conditioning Equipment. No window air conditioning equipment which is visible on the exterior of any improvement shall be permitted on any Lot.

Section 22. Nuisances. No obnoxious, unpleasant, unsightly or offensive activity shall be carried on, nor may anything be done, which can be reasonably construed to constitute a nuisance, public or private in nature. Any questions with regard to the interpretation of this section shall be decided by the Board of Directors, whose decision shall be final.

Section 23. Compliance with Documents. Each Owner and his family members, guests, invitees, lessees and their family members, guests, and invitees; and his or its tenants, licensees, guests, invitees and sub-tenants shall be bound and abide by this Declaration. The conduct of the foregoing parties shall be considered to be the conduct of the Owner responsible for, or connected in any manner with, such individual's presence on the Property. Such Owner shall be liable to the Association for the cost of any maintenance, repair or replacement of any real or personal property rendered necessary by his act, neglect or carelessness, or by that of

any other of the foregoing parties which shall be immediately paid for by the Owner as a Special Assessment as provided in this Declaration. Failure of an Owner to notify any Person of the existence of the covenants, conditions, restrictions, and other provisions of this Declaration shall not in any way act to limit or divest the right to enforcement of these provisions against the Owner or such other person.

Section 24. Other Restrictions Established by the Association. The Association shall have the authority, as hereinabove expressed, from time to time, to include within its promulgated residential planning criteria other restrictions, as it shall deem appropriate. Said restrictions shall be governed in accordance with the criteria hereinabove set forth for residential planning promulgated by the Association. However, once the Association promulgates certain restrictions set forth herein, such restrictions shall be valid until the Association modifies, changes or promulgates new restrictions.

Section 25. Common Area. Other than those improvements constructed by or temporarily stored by the Declarant, no improvements shall be constructed or removed upon any portion of the Common Area without the approval of the Association.

(a) No activities constituting a nuisance shall be conducted upon any Common Area.

(b) No rubbish, trash, garbage or other discarded items shall be placed or allowed to remain upon any Common Area.

(c) The Association may from time to time adopt reasonable rules and regulations concerning use of the Common Area, which shall be binding upon all Members of the Association.

(d) The Association shall at all times pay the real property ad valorem taxes, if any, assessed against property owned by the Association and any other governmental liens which may be assessed against the real property owned by the Association. The Association at all times shall procure, maintain and pay for adequate policies of public liability and fire and extended casualty insurance upon the Common Area. All insurance policies shall be in the name of the Association and for the benefit of the Members and Owners and such other parties, as the Association deems necessary. The insurance policies shall be in such amounts and subject to such conditions and with such provisions as the officers or Board of Directors of the Association may determine, not inconsistent with any provisions of this Declaration. The Board of Directors may obtain such other type of insurance, as they deem advisable.

(e) Except for those capital improvements made to the Common Area by the Declarant at its expense, at all times hereafter, all capital improvements to the Common Area, except for replacement or repair of those items installed by the Declarant and except for personal property related to the maintenance of the Common Area, shall require the approval of two-thirds (2/3) of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose unless such capital improvement is required by any Federal, State or local law or ordinance.

Section 26. Property Maintenance. In the event an Owner of any Lot shall fail to maintain the premises and improvements situated thereon in a manner satisfactory to the Association, including but not limited to landscaping, grass and shrubbery, the owner shall be notified and shall be given thirty (30) days within which to correct or abate the situation. If the Owner fails to do so, the Association shall have the right (although it shall not be required to do so) to enter upon the Lot for the purpose of repairing, maintaining and restoring the Lot and the exterior of the building and other improvements located thereupon at the sole cost of the Owner of the Lot. The cost of such repair, maintenance and restoration, together with reasonable attorney's fees and costs for collection thereof incurred through all appellate levels, shall thereupon constitute a lien upon the Lot which lien shall become effective only upon the filing of a written claim of lien. The form, substance and enforcement of the lien shall be in accordance with the construction lien law of the State of Florida, and the Owner of the Lot shall, by virtue of having acquired the Lot subject to these restrictions, be deemed to have authorized and contracted for such repair, maintenance and restoration. The lien herein provided will be subordinate to a first mortgage lien in favor of an Institutional Lender.

Section 27. No Implied Waiver. The failure of the Association or the Declarant to object to an Owner's or other party's failure to comply with this Declaration or any other Governing Documents (including any Rules and Regulations promulgated) shall in no event be deemed a waiver by the Declarant or the Association, or any other person having an interest therein, of the Owner's or other party's requirement and obligation to abide by this Declaration.

Section 28. Imposition of Fines for Violations. It is acknowledged and agreed among all Members that a violation of any of the provisions of this Declaration by a Member or resident may impose irreparable harm to the other Members or residents. All Member's agree that a fine may be imposed by the Declarant or the Association for such violations in accordance with Article XI hereof.

Section 29. Association Waiver. In the event that a violation of any of these restrictions shall inadvertently occur, which violation shall not be of such nature to defeat the intent and purpose of these covenants, the Association shall have the right and authority to waive such violation.

Section 30. Right of Declarant. Notwithstanding anything in this Declaration to the contrary, Declarant, its successors or assigns, shall have the right use the Property for ingress and egress there over including the use of construction machinery and trucks thereon, and no person shall in any way impede or interfere with the completion of the contemplated improvements or sale of Lots and improvements thereon. Furthermore, the Declarant may make such use of Property free from the interference of Owners or contract purchasers as may be reasonably necessary to facilitate the completion and sale of Lots and improvements thereon, including but not limited to, the maintenance of a sales office and model area, the showing of Property, the display of signs, and the right to construct or place sales and construction offices of a temporary nature on the Property.

In the event of a violation by any Members or Owner (other than the non-payment of any Assessments or other monies) of any of the provisions of the Governing Documents or restrictions set forth by the Association, the Association shall notify the Member or Owner of the violation by written notice. If the violation is not cured as soon as practicable, and in any event, no later than seven (7) days after the receipt of the written notice, or if the violation is not capable of being cured within the seven (7) day period, or if the Member or Owner fails to commence and diligently proceed to completely cure as soon as practical, the Association may, at its option:

(d) **Fines.** Impose a fine or fines pursuant to Article X, Section 2 of this Declaration.

The appeals committee will meet and file a written determination of the matter and serve copies on both the Board and the aggrieved person. In no case shall the appeals committee's findings be binding on either Party; however, the Board may elect to review its decision in light of the findings of the appeals committee. (g) Application. All monies received from fines shall be allocated for the benefit of the Association as directed by the Board of Directors.

(h) Nonexclusive Remedy. These fines shall not be construed to be exclusive, and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; however, any penalty paid by the offending Member shall be deducted from or offset against any damages that the Association may otherwise be entitled to recover by law from such Member.

Section 3. Expenses. All expenses incurred by the Association in connection with the correction of any violation, or the commencement of any action against any Member, including administrative fees and costs and reasonable attorneys' fees and disbursements through the appellate level, shall be treated as Special Assessments under this Article or Article VII.

The Corporation shall be conducted as a non-profit organization for the benefit of its members.

ARTICLE III - POWERS

The Corporation shall have the following powers:

A. All of the powers and privileges granted to corporations not for profit under the law pursuant to which this Corporation is chartered, and all of the powers and privileges which may be granted unto said Corporation or exercised by it under any other applicable laws of the State of Florida.

B. All of the powers reasonably necessary to implement and effectuate the purposes of the Corporation, including, but not limited to, the following:

1. To make and establish reasonable rules and regulations governing the use of the Lots and Common Areas in accordance with the terms as may be defined in the Declaration. The surface water management permit issued by the St. Johns River Water Management District (the "District Permit") and all of its conditions shall be attached as an exhibit to the rules and regulations of the Association.

2. To levy and collect assessments against members of the Corporation to defray the common expenses of the maintenance and operation of the Common Areas as may be provided in the Declaration and in the Bylaws of this Corporation which may be hereafter adopted, including the right to levy and collect assessments for the purposes of acquiring, operating, leasing, managing and otherwise trading and dealing with such property, whether real or personal, which may be necessary or convenient in the operation and maintenance of the Common Areas and in accomplishing the purposes set forth in the Declaration.

other persons or entities shall be entitled to membership. Membership is appurtenant to, and inseparable from, ownership of a Lot.

B. Membership shall be established by the acquisition of fee title to a Lot in the Subdivision or by acquisition of a fee ownership interest therein, whether by conveyance, devise, judicial decree or otherwise, and the membership of a party shall be automatically terminated upon his or her being divested of all title to his or her entire fee ownership interest in any Subdivision Lot, except that nothing herein contained shall be construed as terminating the membership of any party who may own two or more Subdivision Lots, so long as such party shall retain title to or a fee ownership interest in any Lot.

C. The interest of a member in the funds and assets of the Corporation cannot be assigned, hypothecated or transferred in any manner, except as an appurtenance to his or her Lot. Upon the happening of any of these events, Declarant shall call a special meeting of the Association to advise of the termination of Class "B" membership. From and after the happening of these events, whichever occurs earlier, the Class B members shall be deemed Class A members entitled to one (1) vote for each Lot in which they hold the interest required for membership.

ARTICLE V - TERM

The Corporation shall exist in perpetuity. In the event of termination, dissolution or final liquidation of the Corporation, the responsibility for the operation and maintenance of the surface water or stormwater management systems must be transferred to and accepted by an entity which would comply with Section 40C-42.027, Florida Administrative Code ("F.A.C."), and be approved by the St. Johns River Water Management District prior to such termination, dissolution or liquidation. The term "Common Property" shall also include any personal property acquired by the Association if said property is designated as "Common Property" in the bill of sale or instrument transferring such property. Common Property is specifically reserved for the use and benefit of Owners, and is an integral appurtenant part of each Lot.

Section 5. "Lot" shall mean and refer to the platted lots in Northwoods, together with the improvements constructed thereon.

Section 6. "Declarant" or "Developer" shall mean and refer to **THE RYLAND GROUP, INC.**, a Maryland corporation, its predecessors in title, successors and assigns, if such successors or assigns should acquire more than one Lot from the Declarant for the purpose of development.

Section 7. "Member" shall mean and refer to those persons entitled to membership in the Association as provided in the Declaration and Articles of Incorporation of the Association.

Section 8. "Declaration" shall mean and refer to the Declaration of Covenants, Conditions and Restrictions of Northwoods, as recorded in the Public Records of Duval County, Florida.

ARTICLE III - MEETING OF MEMBERS

Section 1. Annual Meetings. The first annual meeting of the Members shall be held within one (1) year from the date Turnover to the Association is completed, as provided in the Articles of Incorporation, and each subsequent regular annual meeting of the Members shall be held on the same day of the same month of each year thereafter, in the evening. If the day for the annual meeting of the Members is a legal holiday, the meeting will be held at the same hour on the first day following which is not a legal holiday.

Section 2. Special Meetings. Special meetings of the Members may be called at any time by the president of the Association or by the Board of Directors or upon written request of twenty percent (20%) of the Members who are entitled to vote.

Section 3. Notice of Meetings. Written notice of each meeting of the Members shall be given by, or at the direction of, the secretary or person authorized to call the meeting, by mailing a copy of such notice, postage prepaid, at least fifteen (15) days before such meeting to each member entitled to vote thereat, addressed to the member's address last appearing on the books of the Association, or supplied by such member to the Association for the purposes of notice. Such notices shall specify the place, day and hour of the meeting, and in the case of a special meeting, the purpose of the meeting. Evidence of compliance with this fifteen (15) day notice shall be made by an affidavit executed by the person providing the notice and filed upon execution among the official records of the Association.

Section 4. Quorum. The presence at the meeting of Members entitled to cast, or of proxies entitled to cast, thirty percent (30%) of the votes of the membership shall constitute a quorum for any action except as otherwise provided in the Articles of Incorporation, the Declaration, or these Bylaws. If, however, such quorum shall not be present or represented at any meeting, the Members entitled to vote thereat shall have power to adjourn the meeting, until a quorum as aforesaid shall be present or represented.

Section 5. Proxies. The Members have the right, unless otherwise provided in this subsection or in the Governing Documents, to vote in person or by proxy. To be valid, a proxy must be dated, must state the date, time, and place of the meeting for which it was given, and must be signed by the authorized person who executed the proxy. A proxy is effective only for the specific meeting for which it was originally given, as the meeting may lawfully be adjourned and reconvened from time to time, and automatically expires ninety (90) days after the date of the meeting for which it was originally given. A proxy is revocable at any time at the pleasure of

the person who executes it. If the proxy form provides so expressly, any proxy holder may appoint, in writing, a substitute to act in his place.

Section 6. Right to Speak. Members shall have the right to attend all membership meetings and to speak at any meeting with reference to all items opened for discussion or included on the agenda. Notwithstanding any provision to the contrary in the Governing Documents or any rules adopted by the Board or by the Members, a Member shall have the right to speak for at least three (3) minutes on any item, provided that the Member submits a written request to speak prior to the meeting. The Association may adopt reasonable written rules governing the frequency, duration, and other manner of Member statements, which rules must be consistent with this Section.

ARTICLE IV -BOARD OF DIRECTORS: SELECTION: TERM OF OFFICE

Section 1. Number. The affairs of this Association shall be managed by a Board of not less than three (3) Directors nor more than seven (7) Directors who need not be Members of the Association, the exact number to be determined from time to time by the Board in accordance with the Declaration.

Section 2. Term of Office. At the first annual meeting, the Members shall elect not less than three (3) directors for a term of one (1) year, and at each annual meeting thereafter the Members shall elect three directors for a term of one (1) year.

Section 3. Recall/Removal of Directors.

(a) Voting Procedures. Any Director, other than a Director appointed by the Developer prior to Turnover, may be removed from the Board, with or without cause, by a majority vote of the Members of the Association. When the recall of more than one Director is sought, the written agreement or written ballot shall provide for a separate vote for each Director sought to be recalled. In the event of death, resignation or recall of a Director, notwithstanding any provision to the contrary herein, his or her successor shall be selected by the remaining Directors of the Board and shall serve for the unexpired term of his or her predecessor; provided, however, if vacancies occur on the Board as a result of a recall and a majority or more of the Board of Directors are removed, the vacancies shall be filled by a vote of the Members voting in favor of the recall. When the Governing Document provide that only a specific class of Member is entitled to elect a Director or Directors, only that class of Members may vote to recall those Directors so elected.

(b) Recall without a Meeting. Directors, other than a Director appointed by, the Developer prior to Turnover, may be recalled by an agreement in writing or by written ballot without a membership meeting. The agreement in writing or the written ballots, or a copy thereof, shall be served on the Association by certified mail or by personal service in the manner authorized by Chapter 48, Florida Statutes, as amended from time to time, and the Florida Rules of Civil Procedure. The Board shall duly notice and hold a meeting of the Board within five (5) full business days after receipt of the agreement in writing or written ballots. At the meeting, the Board shall either certify the written ballots or written agreement to recall a Director or Directors

of the Board, in which case such Director or Directors shall be recalled effective immediately and shall turn over to the Board within five (5) full business days any and all records and property of the Association in their possession, or proceed to binding Arbitration as described in sub-section (c) hereof. If it is determined by the Florida Department of Business and Professional Regulation pursuant to binding arbitration proceedings, as provided in sub-section (c) below, that an initial recall effort was defective, written recall agreements or written ballots used in the first recall effort and not found to be defective may be reused in one subsequent recall effort. However, in no event is a written agreement or written ballot valid for more than one hundred twenty (120) days after it has been signed by the Member. Any rescission or revocation of a Member's written recall ballot or agreement must be in writing and, in order to be effective, must be delivered to the Association before the Association is served with the written recall agreements or ballots. The agreement in writing or ballot shall list at least as many possible replacement Directors as there are Directors subject to the recall, when at least a majority of the Board is sought to be recalled; the person executing the recall instrument may vote for as many replacement candidates as there are Directors subject to the recall.

(c) Board's Failure to Certify Recall/Arbitration. If the Board determines not to certify the written agreement or written ballots to recall a Director or Directors of the Board or does not certify the recall by a vote at a meeting, the Board shall, within five (5) full business days after the meeting, file with the Florida Department of Business and Professional Regulation a petition for binding arbitration pursuant to the applicable procedures in Sections 718.112(2)(j) and 718.1255, Florida Statutes, as amended from time to time, and the rules adopted thereunder. For the purposes of this Section, the Members who voted at the meeting or who executed the agreement in writing shall constitute one party under the petition for arbitration. If the arbitrator certifies the recall as to any Director or Directors of the board, the recall will be effective upon mailing of the final order of arbitration to the Association. The Director or Directors so recalled shall deliver to the board any and all records of the Association in their possession within five (5) full business days after the effective date of the recall.

(d) Board's Failure to Hold Meeting. If the Board fails to duly notice and hold a board meeting within five (5) full business days after service of an agreement in writing or written ballots containing sufficient votes to recall a Director or Directors, the recall shall be deemed effective and the Directors so recalled shall immediately turn over to the Board all records and property of the Association.

(e) Minutes of Board's Recall Meeting. The minutes of the Board meeting at which the Board decides whether to certify the recall are an official Association record. The minutes must record the date and time of the meeting, the decision of the Board, and the vote count taken on each Director subject to the recall. In addition, when the Board decides not to certify the recall, as to each vote rejected, the minutes must identify the parcel identification number and the specific reason for each such rejection.

Section 4. Compensation. No director shall receive compensation for any service he may render to the Association. However, any director may be reimbursed for his actual expenses incurred in the performance of his duties.

Section 5. Action Taken Without a Meeting. The directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of all of the directors or by obtaining verbal approval by telephone. Any action so approved shall have the same effect as though taken at a meeting of the Directors.

ARTICLE V - NOMINATION AND ELECTION OF DIRECTORS

Section 1. Nomination. Nomination for election to the Board of Directors shall be made by a nominating committee. Nominations may also be made from the floor at the annual meeting. The nominating committee shall consist of a chairman, who shall be a member of the Board of Directors, and two or more Members of the Association. The nominating committee shall be appointed by the Board of Directors prior to each annual meeting of the Members, to serve from the close of such annual meeting until the close of the next annual meeting. The nominating committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. Such nominations may be made from among Members or non-Members.

Section 2. Election. Election to the Board of Directors shall be by secret written ballot. At such election, the Members or their proxies may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. The persons receiving the largest number of votes shall be elected. Cumulative voting is not permitted.

ARTICLE VI - MEETING OF BOARD OF DIRECTORS

Section 1. Meetings. A meeting of the Board of Directors of the Association occurs whenever a quorum of the Board gathers to conduct Association business. The first annual meeting of the Board of Directors shall be held on or before July 3, 2006. The annual meetings thereafter shall occur on the second Tuesday in the month of January of each year thereafter. All meetings of the Board must be open to all Members except for (i) meetings between the Board and its attorney with respect to proposed or pending litigation where the contents of the discussion would otherwise be governed by the attorney-client privilege; or (ii) meetings between the Board and its attorney with respect to meetings held for the purposes of discussing personnel matters. Except as provided below, notices of all Board meetings must be posted in a conspicuous place in the Subdivision at least forty-eight (48) hours in advance of a meeting, except in an emergency. In the alternative, if notice is not posted in a conspicuous place in the Subdivision, notice of each Board meeting must be mailed or delivered to each member at least seven (7) days before the meeting, except in an emergency. Notwithstanding this general notice requirement, the Board may provide notice of a schedule of Board meetings.

An assessment may not be levied at a Board meeting unless the notice of the meeting includes a statement that assessments will be considered at the meeting and the nature of the assessments. Written notice of any meeting at which special assessments will be considered or at which amendments to rules regarding parcel use will be considered must be mailed, or delivered to the Members and parcel owners and posted conspicuously on the property not less than four teen (14) days before the meeting. Directors may not vote by proxy or by secret ballot at Board meetings, except that secret ballots may be used in the election of officers. This

subsection also applies to the meetings of any committee or other similar body, including the Architectural Review Committee.

Section 2. Special Meetings. Special meetings of the Board shall be held when called by the President of the Association or by any two (2) Directors.

Section 3. Quorum. A majority of the number of directors shall constitute a quorum for the transaction of business. Every act or decision done or made by a majority of the directors present at a duly held meeting at which a quorum is present shall be regarded as the act of the Board.

Section 4. Petitions by Members. If twenty percent (20%) of Members entitled to vote petition the Board to address an item of business, the Board shall at its next regular Board meeting or at a special meeting of the Board, but not later than sixty (60) days after the receipt of the petition, take the petitioned item up on an agenda. The Board shall give all Members written notice of the meeting at which the petitioned item shall be addressed at least fourteen (14) days before the meeting. Each Member shall have the right to speak for at least three (3) minutes on each matter placed on the agenda by petition, provided that the Member signs the sign-up sheet, if one is provided, or submits a written request to speak prior to the meeting. Other than addressing the petitioned item at the meeting, the Board is not obligated to take any other action requested by the petition.

ARTICLE VII - POWERS AND DUTIES OF THE BOARD OF DIRECTORS

(h) to employ personnel to perform the services required for proper administration of the Association; and

(i) the undertakings and contracts authorized by said first Board of Directors shall be binding upon the Association in the same manner as though such undertakings and contracts had been authorized by the first Board of Directors duly elected by the membership.

Section 2. Duties. It shall be the duty of the Board of Directors to:

(a) cause to be kept a complete record of all its acts and corporate affairs and to present a statement thereof to the Members at the annual meeting of the Members, or at any special meeting;

Section 3. Contracts for Products and Services. Any contract that is not to be fully performed within one (1) year after the making thereof for the purchase, lease, or renting of materials or equipment to be used by the Association in accomplishing its obligations hereunder and under the Governing Documents and all contracts for services, shall be in writing.

(a) Competitive Bidding. If a contract for the purchase, lease, or renting of materials or equipment, or for the provision of services, requires payment by the Association that exceeds ten percent (10%) of the total annual budget of the Association, including reserves, the Association must obtain competitive bids for the materials, equipment, or services; provided, however, the Association shall not be obligated to accept the lowest bid for the materials, equipment or services. This competitive bidding requirement shall not apply to contracts to provide materials, equipment, or services provided to the Association under a local government franchise agreement by a franchise holder; contracts with business entities that are the only source of materials, equipment, or services within the county serving the Association; contracts with employees of the Association; or contracts for attorney, accountant, architect, community association manager, engineering, and landscape architect services.

(b) Renewal of Contracts. If a contract was awarded under the competitive bid procedures of this Section, any renewal of that contract is not subject to such competitive bid requirements if the contract contains a provision that allows the Board to cancel the contract on thirty (30) day's notice.

(c) Management Contract. A contract with a Manager, if made by a competitive bid, may be made for up to three (3) years.

(d) Emergencies. Nothing contained in this Section is intended to limit the ability of an association to obtain needed products and services in an emergency.
