(b) There shall be an easement under and through each Dwelling Unit constructed on each Lot and an easement five feet in width immediately surrounding each Dwelling Unit for the installation, maintenance and repair of the conduits for electrical wires, water lines or other common utility lines serving more than one Dwelling Unit or serving a Dwelling Unit located on another Lot.

(c) Each utility company providing service to any Dwelling Unit on the Property, its successors, assigns, agents and employees, shall have a perpetual and unobstructed easement and right of entry upon each Lot to the extent necessary or convenient to permit the installation, maintenance, replacement, removal, repair, servicing and reading of utility meters on any Lot. Section 5. Rear Yard Easement and Maintenance Easement. The nature of party-wall townhouses is such that access may be had to the Rear Yard areas of some Lots only by crossing over other Lots. Also, repair of the Dwelling Unit located upon a Lot may sometimes require access over an adjacent Lot. Therefore, in order to assure that each owner shall have access to the Rear Yard of his Lot, and such additional access as shall be required to repair his Dwelling Unit, each Owner, by acceptance of a deed to a Lot (referred to in this Section 5 as the "Servient Lot") shall be deemed to grant to all other Lot Owners (referred to herein as "Other Owners"), their invitees, domestic help, agents, employees, repairmen, and all delivery, pick-up and fire protection services, police and other authorities of the law, representatives of utilities authorized by Declarant and holders of mortgage liens upon Lots belonging to such Other Owners, a non-exclusive and perpetual right of ingress and egress across the Servient Lot (including without limitation the portion of the Servient Lot located behind the improvements constructed thereon), for the following purposes:

(b) To permit reasonable access over the Servient Lot to all parts of the Lot belonging to the Other Owner as may be necessary or desirable to permit repair and maintenance (including maintenance of the roof) of the Dwelling Unit located upon the Other Owner's property. Except in the case of emergency, any such entry upon a Servient Parcel shall be during reasonable hours and done so as to minimize disturbance of the Other Owner's use of his property, and upon completion of the maintenance, the Servient Lot shall be restored to its condition prior to entry.

Any fence constructed upon the Rear Yard of a Servient Lot, or along any boundary separating one Lot from another, shall contain a gate or gates or other opening at least three feet in width which will permit access by Other Owners and the additional parties benefitted by the easement contained in this Section 5, onto and across the Servient Lot to and from each Lot adjacent thereto. Such gates shall remain unlocked. No owner shall maintain trees, vines, shrubs or personal property which obstructs reasonable access by Other Owners across any Servient Lot as provided herein.

Section 6. Additional Easements.

(a) Additional easements may be reserved or granted by Declarant with respect to any Lot at any time prior to the time that Lot is conveyed to an Owner other than Declarant.

(b) Declarant hereby reserves unto itself, its successors and assigns a perpetual, non-exclusive and transferable easement over the roadway areas as shown on the Plat for ingress and egress and for the purpose of installing utility lines, cables and equipment for serving the property described in Exhibit "A" attached hereto or any other property now or

Declarant, whether or not this Declaration is hereafter owned by amended to add such property to the lands encumbered by this Declaration.

ARTICLE III

Section 2. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners, with the exception of the Declarant, and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. (b) five years after the date of recording this Declaration in the public records of Duval County, Florida.

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Property including but not limited to the following:

- (a) for the improvement and maintenance of the Common Area, if any;

(b) for the maintenance, improvement and operation of drainage easements, subsurface drainage systems and drainage retention basins, lakes or ponds serving the Property;

(c) to maintain in good condition and repair any entrance signs and any landscaping serving any entranceway to the Property described herein;

(d) for the maintenance of the exterior of Dwelling Units or the landscaping upon Lots to the extent required or permitted by Article VII hereof;

(e) to do anything necessary and desirable, in the judgment of the Association, to keep the Property neat and attractive or to preserve or enhance the value thereof, or to eliminate fire, health or safety hazards, or which, in the judgment of the Association, may be a benefit to the Owners of the Property.

Section 3. Maximum Annual Assessment.

(a) Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be sixty and no/100 dollars (\$60.00) per year for each Lot which shall be payable in equal installments of five and no/100 dollar (\$5.00) per month. At the election of a Lot owner, the entire annual assessment may be paid in advance in one payment.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner other than Declarant, the maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous year without a vote of the membership.

(c) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner other than Declarant, the maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(d) The Board may fix the annual assessment at an amount not in excess of the maximum.

(e) The Association in determining the common expenses shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Area, if any, and such reserve fund shall be maintained out of regular assessments for common expenses.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only to meet bonafide expenses of the Association not anticipated to be incurred on a regular or annual basis, or to cover the cost and expense of maintenance and repairs or replacements of improvements upon a Lot which the Owner thereof is responsible to make under Article VII hereof, but has failed to make, or for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty

(30) days nor more than sixty (60) days in advance of the meeting. At such meeting, the presence of members or of proxies entitled to cast a majority of all the votes of each class of membership shall constitute a quorum.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the first Lot to an Owner other than Declarant and shall be due on the first day of each month thereafter. The first annual assessment shall be prorated according to the number of months remaining in the calendar year. The Board shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. In the event that the assessment is not paid on or before the 25th day of the month a late penalty in an amount to be determined from time to time by the Board, but not to exceed five dollars (\$5.00) shall be due and payable. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of fifteen percent (15%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Property or Common Area, if any, or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein upon any Lot shall be subordinate to the lien of any first mortgage upon that Lot unless notice of such lien is filed in the public records of Duval County, Florida prior to the recording of such mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. A foreclosure sale, or a proceeding in lien thereof shall not, however, extinguish the personal liability of the Owner whose interest was foreclosed for any assessment upon his Lot which became due prior to the date of such sale. No sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof. Any such delinquent assessments which were extinguished pursuant to the foregoing provision may be reallocated and assessed against the remaining Lots as a common expense.

Section 10. Exempt Property. All Property dedicated to, and accepted by, a local public authority or utility company, and model units or sales offices shall be exempt from the assessment created herein, except no land or improvements devoted to dwelling use shall be exempt from assessments.

Section 11. Declarant Assessment. The Declarant shall pay each month to the Association, an amount equal to twenty-five percent (25%) of the annual assessment due and payable for the applicable month for each Lot upon which the improvements have been completed, which Developer owns, and which is not used

as a residence. At such time as the Lot is occupied, the Owner, thereof, whether or not the Owner is the Declarant, shall be liable for the full monthly prorated payments of the annual assessment. Once the Lot has been occupied for residential use it shall always be subject to the payment of the full assessment, whether occupied or unoccupied.

The Declarant's assessment, whether a partial or full assessment, together with interest costs and attorney's fees shall be a charge on the Declarant's Lots and shall be a continuing lien upon the Lot against which the assessment is made.

ARTICLE V

ARCHITECTURAL CONTROL

No building, fence, wall or other structure or improvement, other than those erected by the Declarant shall be commenced, erected, altered, modified or maintained upon the Property, nor shall any exterior addition to or change or alteration thereof be made or commenced, including without limitation, changing the exterior color thereof; nor shall there be any change or alteration of the landscaping, including without limitation changes to sodded or natural areas, removal of trees, planting hedges or other shrubbery, or planting of gardens, until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing (as to harmony of external design and location in relation to surrounding structures and topography) by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board (hereinafter referred to as the "Committee"). In the event said Board, or its designated Committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VI

USE RESTRICTIONS

This provision shall not prohibit Declarant from storing construction materials upon any Lot during construction of improvements thereon.

Section 7. Temporary, Movable Structures. Except as otherwise permitted herein, no shed, shack, trailer, tent or other temporary or movable building or structure of any kind shall be erected or permitted to remain on any Lot. This paragraph shall not however prevent the use by Declarant of a temporary construction shed during the period of actual construction of Units upon Lots, hereunder, nor the use of adjacent sanitary toilet facilities for workmen during the course of such construction, nor the use of any Lot or Unit thereon for a sales office so long as such Lot is owned by Declarant.

Section 8. Window Air Conditioner. No window air conditioner unit shall be installed in any building upon any Lot without the prior written consent of Declarant, the Board, or the Committee.

Section 13. Condition of Lots. Each Owner shall maintain the entire Lot (and the improvements thereon) in a neat and clean condition at all times. No trash, garbage, rubbish, debris or refuse or unsightly objects shall be allowed to be placed, accumulated, or suffered to remain anywhere on any Lot or street.

Section 14. Drying. Outdoor drying of wash must be done in areas that are completely screened from view from any adjacent Lot or any street.

Section 15. Animals. their approval or disapproval in writing. Copies of such regulations and amendments thereto shall be furnished by the Association to all Owners and residents of the Property upon request.

Section 20. Fences. No chain link fence shall be erected upon any portion of the Property. No fence shall be erected upon any Lot in the area between the building foundation line at the rear of the Dwelling Unit (and the extension of such line to its intersection with the side Lot lines bounding the Lot) and the street in front of the Dwelling Unit. No fence of any kind shall be erected, altered, modified or maintained upon any other portion of the Lot until the composition, materials, design, location and height thereof has been approved in writing by the Association or the Architectural Committee (as defined in Article V hereof) as to harmony of composition, materials, design and height in relation to surrounding structures and topography. The Association and the Architectural Committee shall require the composition, materials, design and height of any fence to be consistent and harmonious with other fences on the Property, if any. All fences shall comply with the requirements of Article II, Section 5 hereof. The restrictions of this paragraph shall not apply to a Lot owned by or leased to Declarant and used as a real estate sales office, so long as such Lot is used for that purpose.

Section 22. Exterior Appearance. In order to preserve the architectural consistency and the uniform appearance of the improvements constructed upon the Property, no alteration or changes shall be made to the exterior of any Dwelling Unit or improvements constructed upon the Property (including changes in color or painting of exterior surfaces, installation of exterior lighting or hardware of a different type or appearance from that originally constructed, installed or applied by Declarant) without prior written consent from the Board or the Architectural Committee as required by Article V hereof.

Section 23. Garages. No garage on any Lot shall be enclosed or converted for use as part of the living area of a Dwelling Unit, or used for any purpose other than that for which it was originally constructed.

ARTICLE VII

EXTERIOR MAINTENANCE AND LANDSCAPING

Section 1. Building Maintenance.

Each Owner shall maintain in good order and repair the exterior of the building located upon such Owner's Lot. In the event an Owner of any Lot in the Property shall fail to maintain the premises and the improvements situated thereon in a manner satisfactory to the Board, then the Board, after approval by two-thirds (2/3) vote of the Board, shall have the right, through its agents, and employees, to enter upon said Lot and to repair, maintain and restore the Lot and the exterior of the buildings and any other improvements erected thereon. ARTICLE XIII - ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assesments. As more fully provided in the Declaration, each member is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements. The annual and special assessments, together with such interest thereon and costs of collection and reasonable attorney's fees, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to any successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the Property including but not limited to the following:

- (a) for the improvement and maintenance of the Common Area, if any;
- (b) for the maintenance, improvement and operation of the surface water or stormwater management systems including but not limited to work within retention areas, drainage structures and drainage easements, surface and subsurface drainage systems, lakes or ponds and all associated drainage structures serving or providing drainage of the Property;
- (c) to maintain in good condition and repair any entrance signs and landscaping serving any entranceway to the Property described herein, and to maintain any median areas or other landscaped areas which are within the rights of way as shown on the Plats; and
- (d) to do anything necessary and desirable, in the judgment of the Association, to keep the Property neat and attractive or to preserve or enhance the value thereof, or to eliminate fire, health or safety, hazards, or which in the judgment of the Association, may be a benefit to the Owners of the Property.

Section 3. Maximum Annual Assessment.

- (a) Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be sixty dollars and no/100 (\$60.00) per year for each Lot.
- (b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner other than Declarant, the maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous year without a vote of the

membership.

(c) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner other than Declarant, the maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3) of the members who are voting in person or by proxy, at a meeting duly called for this purpose.

(d) The Board may fix the annual assessment at an amount not in excess of the maximum.

(e) The Association, in determining the common expenses, shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Property and Common Area, if any, and such reserve fund shall be maintained out of regular assessments for common expenses.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only to meet bona fide expenses of the Association not anticipated to be incurred on a regular or annual basis, or for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Property or Common Area, if any, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose, at which a quorum is present.

Section 5. Notice and Quorum for Action Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At such meeting, the presence of members or of proxies entitled to cast a majority of all the votes of the membership shall constitute a quorum.

Section 6. Uniform Rate. Both annual and special assessments must be fixed at a uniform rate for all Lots. The Assessments may be collected on a monthly or quarterly basis, i.e., 1/12th or 1/4th of the annual assessment on each month or each quarter, respectively.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the formation of the Association, and the recording of the Special Amendment of formation, and shall be due on the first day of each month thereafter. The Board shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. In the event that the assessment is not paid on or before the 25th day of the month a late penalty in an amount to be determined from time to time by the Board, but not to exceed five dollars (\$5.00) shall be due and payable. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Non-payment of Assessments; Remedies of the Association. Any assessments

which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the due date at the rate of fifteen percent (15%) or the highest rate permitted by Florida law from time to time, whichever is lower. The Association may bring an action at law against the Owner personally obligated to pay same or foreclose the lien against the Lot, and interest, costs, and reasonable attorney's fees of any such action shall be added to the amount of such assessment.

The Association or its agents shall have the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in like manner as a mortgage or deed of trust lien on real property, and the Association shall have a power of sale in connection with said lien. The lien provided for in this Section shall be in favor of the Association and shall be for the benefit of all other Lot Owners. The Association acting on behalf of the Lot Owners, shall have the power to bid in an interest foreclosed at foreclosure sale and to acquire and hold, lease, mortgage and convey the same, and to subrogate so much of its right to such liens as may be necessary or expedient to an insurance company continuing to give total coverage notwithstanding non-payment of such defaulting Owner's portion of the premium. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Property or Common Area, if any, or abandonment of the owner's Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein upon any Lot shall be subordinate to the lien of any first mortgage upon that Lot unless notice of such lien is filed in the public records of Duval County, Florida, prior to the recording of such mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. A foreclosure sale, or a proceeding in lieu thereof, shall not, however, extinguish the personal liability of the Owner whose interest was foreclosed for any assessment upon his Lot which became due prior to the date of such sale. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Any such delinquent assessments which were extinguished pursuant to the foregoing provision may be reallocated and assessed against the remaining Lots as a common expense.

Section 10. Exempt Property. All property dedicated to and accepted by a local public authority or utility company, and all property designated as Common Area, if any, and model units or sales offices shall be exempt from the assessment created herein, except no land or improvements devoted to dwelling use shall be exempt from assessments.

ARTICLE XIV - CORPORATE SEAL

The Association shall have its seal in circular form having within its circumference the words: RAYMUR VILLA SUBDIVISION OWNERS ASSOCIATION, INC.

ARTICLE XV – AMENDMENTS

These By-Laws may be amended, at a regular or special meeting of the members, by a vote of not less than two-thirds of the affected parcel owners.

In the case of any conflict between the Articles of Incorporation and these By-Laws, the Articles shall control, and in the case of any conflict between the Declaration and these By-Laws, the Declaration shall control.
