So long as the Declarant owns any portion of WELLS CREEK EAST, no Neighborhood Association may be formed without the express written consent of the Declarant.

“Neighborhood Declaration” shall mean and refer to the declaration of covenants, conditions and restrictions applicable to a particular Neighborhood, which may include use restrictions and specific maintenance obligations applicable to such Neighborhood(s). 3. Plan of Development.

3.1 Plan. The planning process for WELLS CREEK EAST is an ever-evolving one and must remain flexible in order to be responsible to and accommodate the needs of the community. Subject to the Title Documents, the Declarant may and has the right to develop WELLS CREEK EAST and adjacent property owned by the Declarant into residences, comprised of homes, villas, coach homes, townhomes, patio homes, single-family homes, estate homes, multi-family homes, condominiums, rental apartments, and other forms of residential dwellings. The existence at any point in time of walls, landscape screens, or berms is not a guaranty or promise that such items will remain or form part of WELLS CREEK EAST as finally developed.

3.2 Governing Documents. The Governing Documents create a general plan of development for WELLS CREEK EAST which may be supplemented by additional covenants, restrictions and easements applicable to particular Neighborhoods within any portion of WELLS CREEK EAST. In the event of a conflict between or among the Governing Documents and the additional covenants or restrictions, and/or the provisions of any other articles of incorporation, bylaws, rules or policies, the Governing Documents shall control. Nothing in this Section shall preclude any Supplemental Declaration or other recorded covenants applicable to any portion of WELLS CREEK EAST from containing additional restrictions or provisions that are more restrictive than the provisions of this Declaration. All provisions of the Governing Documents shall apply to all Owners and to all occupants of Homes, as well as their respective Lessees, guests and invitees. Any Lease Agreement (as defined below) for a Home within WELLS CREEK EAST shall provide that the Lessee and all occupants of the leased Home shall be bound by the terms of the Governing Documents. Specific requirements for Lessees are set forth in this Declaration.

3.3 Site Plans and Plats. Site plans or the Plat may identify some of the Common Areas within WELLS CREEK EAST. The description of Common Areas on the Plat is subject to change and the

notes on a Plat are not a guarantee of what improvements will be constructed as Common Areas. Site plans and renderings used by the Declarant in its marketing efforts may illustrate the types of improvements that may be constructed as Common Areas but such site plans are not a guarantee of what improvements will actually be constructed. Each Owner should not rely on the Plat or any site plans used for illustration purposes as this Declaration governs the rights and obligations of the Declarant and Owners with respect to the Common Areas.

3.4 Neighborhood Designation. Certain Homes within WELLS CREEK EAST may be located within a Neighborhood. This Declaration or a Supplemental Declaration may designate Homes, Lots, or Parcels to a Neighborhood (by name, tract, or other identifying designation), which Neighborhood may be then existing or newly created. So long as it has the right to subject additional property to this Declaration pursuant to Section 5.1, the Declarant may amend this Declaration or any Supplemental Declaration to re-designate Neighborhood boundaries. The following Neighborhoods are initially hereby designated:

3.4.1 All SFD Lots and the Exclusive Common Area exclusively serving the SFD Lots are collectively hereby designated as the "SFD Home Neighborhood"; and

3.4.2 All Townhome Lots and the Exclusive Common Area exclusively serving the Townhome Lots are collectively hereby designated as the "Townhome Neighborhood."

3.5 Master Governing Documents. WELLS CREEK EAST is subject to the Master Governing Documents. Each Owner, by acquiring title to a Lot, will be subject to all of the terms and conditions of the Master Governing Documents, as amended and supplemented from time to time. The Master Declaration, Master Drainage Declaration and the Amenities Covenants contain certain rules, regulations and restrictions relating to the use of WELLS CREEK EAST (including Lots and Homes). THE MASTER GOVERNING DOCUMENTS IMPOSE ADDITIONAL OBLIGATIONS, COSTS AND RESPONSIBILITIES ON THE ASSOCIATION IN ADDITION TO THE ASSOCIATION'S OBLIGATIONS, COSTS AND RESPONSIBILITIES UNDER THIS DECLARATION. THE ASSOCIATION AND EACH OWNER SHALL BE BOUND BY AND COMPLY WITH THE MASTER GOVERNING DOCUMENTS. THE GOVERNING DOCUMENTS ARE SUBORDINATE AND INFERIOR TO THE MASTER GOVERNING DOCUMENTS. IN THE EVENT OF ANY CONFLICT BETWEEN THE MASTER GOVERNING DOCUMENTS AND THE GOVERNING DOCUMENTS, THE MASTER GOVERNING DOCUMENTS SHALL CONTROL.

4. Amendment.

4.1 General Restrictions on Amendments. Notwithstanding any other provision herein to the contrary, no amendment to the Governing Documents shall affect the rights of the Declarant unless such amendment receives the prior written consent of the Declarant, which consent may be withheld for any reason whatsoever. No amendment shall alter the provisions of this Declaration benefiting Lenders without the prior approval of the Lender(s) enjoying the benefit of such provisions. If the prior written approval of any governmental entity or agency having jurisdiction is required by applicable law or governmental regulation for any amendment to this Declaration, then the prior written consent of such entity or agency must also be obtained. All amendments must comply with Section 25.2 which benefits SJRWMD and the City. No amendment shall be effective until it is recorded in the Public Records.

4.2 No Vested Rights. Each Owner by acceptance of a deed to a Home irrevocably waives any claim that such Owner has any vested rights pursuant to case law or statute with respect to this Declaration or any of the other Governing Documents. It is expressly intended that the Declarant and the Association have the broad right to amend this Declaration and the other Governing Documents, except as limited by applicable law as it exists on the date this Declaration is recorded in the Public Records or except as expressly set forth herein.

4.3 Amendments Prior to the Turnover. Prior to the Turnover, the Declarant shall have the right to amend this Declaration and the Rules and Regulations as it deems appropriate, without the joinder or consent of any person or entity whatsoever, except as limited by applicable law as it exists on the date this Declaration is recorded in the Public Records or except as expressly set forth herein. Such

amendments may include, without limitation (i) the creation of easements for telecommunications systems, utility, drainage, ingress and egress and roof overhangs over any portion of WELLS CREEK EAST; (ii) additions or deletions from WELLS CREEK EAST and/or the properties comprising the Common Areas; (iii) changes in the Rules and Regulations; (iv) changes in maintenance, repair and replacement obligations; and (v) modifications of the use restrictions for Homes. The Declarant's right to amend under this provision is to be construed as broadly as possible. By way of example, and not as a limitation, the Declarant may create easements over, under and across Lots conveyed to Owners provided that such easements do not prohibit the use of Homes on such Lots as residential dwellings. In the event the Association shall desire to amend this Declaration prior to the Turnover, the Association must first obtain the Declarant's prior written consent to any proposed amendment. Thereafter, an amendment identical to that approved by the Declarant may be adopted by the Association pursuant to the requirements for adopting amendments after the Turnover as provided in Section 4.4 below. The Declarant shall join in such identical amendment so that its consent to the same will be reflected in the Public Records. To the extent legally required, each Owner shall be deemed to have granted to the Declarant, and thereafter, the Association, an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

4.4 Amendments after the Turnover. After the Turnover, but subject to the general and specific restrictions on amendments set forth herein, this Declaration may be amended with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly noticed meeting of the members of the Association at which there is a quorum. After the Turnover, the Rules and Regulations may be amended with the approval of a majority of the Board and such amendment to the Rules and Regulations shall be recorded by the Board in the Public Records to the extent required by Section 720.306(1)(e), Florida Statutes (2018). A quorum for any meeting of the members for the purpose of adopting amendments after the Turnover shall be established by the presence, in person or by proxy, of the members entitled to cast thirty percent (30%) of the total Voting Interests.

4.5 Compliance with HUD, FHA, VA, FNMA, GNMA and SJRWMD. Notwithstanding any provision of this Declaration to the contrary, prior to the Turnover, the Declarant shall have the right to amend this Declaration, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SJRWMD, or any other governmental agency or body as a condition to, or in connection with such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Association, other Owners, or any other party shall be required or necessary to such amendment. After the Turnover, but subject to Section 4.1 of this Declaration, the Board shall have the right to amend this Declaration, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SJRWMD or any other governmental agency or body as a condition to, or in connection with such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Owners, or any other party shall be required or necessary to any such amendments by the Board. Any such amendments by the Board shall require the approval of a majority of the Board.

5. Annexation and Withdrawal.

5.1 Annexation by Declarant. Prior to the Community Completion Date, additional lands may be made part of WELLS CREEK EAST by the Declarant. Except for applicable governmental approvals (if any), no consent to such annexation shall be required from any other party (including, but not limited to, the Association, Owners or any Lenders). Such annexed lands shall be brought within the provisions and applicability of this Declaration by the recording of a Supplemental Declaration to this Declaration in the Public Records. The Supplemental Declaration shall subject the annexed lands to the covenants, conditions, and restrictions contained in this Declaration as fully as though the annexed lands were described herein as a portion of WELLS CREEK EAST. Such Supplemental Declaration may contain additions to, modifications of, or omissions from the covenants, conditions, and restrictions contained in this Declaration as deemed appropriate by the Declarant and as may be necessary to reflect the different

character, if any, of the annexed lands. Except as otherwise provided herein, prior to the Community Completion Date, only the Declarant may add additional lands to WELLS CREEK EAST.

5.2 Annexation by Association. After the Community Completion Date, and subject to applicable governmental approvals (if any), additional lands may be annexed with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly noticed meeting of the members of the Association at which there is a quorum. A quorum for any meeting of the members for the purpose of approving annexations after the Turnover shall be established by the presence, in person or by proxy, of the members entitled to cast thirty percent (30%) of the total Voting Interests.

5.3 Withdrawal. Prior to the Community Completion Date, any portions of WELLS CREEK EAST (or any additions thereto) may be withdrawn by the Declarant from the provisions and applicability of this Declaration by the recording of an amendment to this Declaration in the Public Records. The right of the Declarant to withdraw portions of WELLS CREEK EAST shall not apply to any Lot that has been conveyed to an Owner unless that right is specifically reserved in the instrument of conveyance or the prior written consent of the Owner is obtained. The withdrawal of any portion of WELLS CREEK EAST shall not require the consent or joinder of any other party (including, without limitation, the Association, Owners, or any Lenders). The Association shall have no right to withdraw land from WELLS CREEK EAST.

5.4 Effect of Filing Supplemental Declaration. Any Supplemental Declaration filed pursuant to this Section 5 shall be effective upon recording in the Public Records, unless otherwise specified in such Supplemental Declaration. On the effective date of the Supplemental Declaration, any additional property subjected to this Declaration shall be assigned voting rights in the Association and Assessment liability in accordance with the provisions of the Supplemental Declaration and this Declaration.

6. Dissolution.

6.1 Generally. In the event of the dissolution of the Association without reinstatement within thirty (30) days, other than incident to a merger or consolidation, any Owner may petition the Circuit Court of the appropriate Judicial Circuit of the State of Florida for the appointment of a receiver to manage the affairs of the dissolved Association and to manage the Common Areas in the place and stead of the Association, and to make such provisions as may be necessary for the continued management of the affairs of the dissolved Association. In the event the Association is dissolved, other than incident to a merger or consolidation, the SMS shall be conveyed to SJRWMD or the City or other appropriate agency of local government and, if not accepted by such agency, the SMS shall be dedicated to a similar non-profit corporation. If the Association ceases to exist, all Owners shall be jointly and severally responsible for the operation and maintenance of the SMS in accordance with the requirements of the Permit, unless and until an alternate entity assumes responsibility.

6.2 Applicability of Declaration after Dissolution. In the event of dissolution of the Association, WELLS CREEK EAST and each Lot therein shall continue to be subject to the provisions of this Declaration, including, without limitation, the provisions respecting Assessments specified in this Declaration. Each Owner shall continue to be personally obligated to the successors or assigns of the Association for Assessments to the extent that Assessments are required to enable the successors or assigns of the Association to properly maintain, operate and preserve the Common Areas. The provisions of this Section only shall apply with regard to the maintenance, operation, and preservation of those portions of WELLS CREEK EAST that had been Common Areas and continue to be so used for the common use and enjoyment of the Owners.

6.3 Merger or Consolidation of Neighborhood Association. In the event of a merger or consolidation of a Neighborhood Association into the Association, the Neighborhood Declaration of such merged or consolidated Neighborhood Association shall continue to encumber the Neighborhood, and the Association shall have the right to enforce such Neighborhood Declaration.

7. Binding Effect and Membership.

7.1 Term. Subject to the Declarant's right to amend this Declaration prior to Turnover and the Association's right to amend this Declaration after Turnover, the covenants, conditions and restrictions of this Declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Association, or the owner of any land subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of twenty-five (25) years from the date this Declaration is recorded in the Public Records, after which time the covenants, conditions and restrictions contained in this Declaration shall be automatically extended for successive periods of ten (10) years unless prior to the end of such twenty-five (25) year period, or each successive ten (10) year period, an instrument signed by eighty percent (80%) of the total Voting Interests agreeing to terminate this Declaration has been recorded in the Public Records. Provided, however, that no such agreement to terminate the covenants, conditions and restrictions shall be effective unless made and recorded at least ninety (90) days in advance of the effective date of such change.

7.2 Transfer. The transfer of the fee simple title to a Home or Lot, whether voluntary or by operation of law, terminating an Owner's title to that Home or Lot, shall terminate the rights to use and enjoy the Common Areas and shall terminate such Owner's membership in the Association. An Owner's rights and privileges under this Declaration are not assignable separately from a Lot. The record title owner of a Lot is entitled to the benefits of, and is burdened with the duties and responsibilities set forth in the provisions of this Declaration. All parties acquiring any right, title and interest in and to any Lot shall be fully bound by the provisions of this Declaration. In no event shall any Owner acquire any rights that are greater than the rights granted to, and limitations placed upon, its predecessor in title pursuant to the provisions of this Declaration. The transferor of any Lot shall remain jointly and severally liable with the transferee for all obligations pursuant to this Declaration that accrue prior to the date of such transfer, including, without limitation, payment of all Assessments accruing prior to the date of transfer.

7.3 Membership and Voting Rights. In addition to the Declarant, upon acceptance of title to a Lot, and as more fully provided in the Articles and Bylaws, each Owner shall be a member of the Association. Membership rights are governed by the provisions of this Declaration, the Articles and Bylaws. Membership shall be an appurtenance to, and may not be separated from, the ownership of a Lot. The Declarant rights with respect to membership in the Association are set forth in this Declaration, the Articles and Bylaws. The Association shall have the following two (2) classes of voting membership:

7.3.1 Class A Members. Class A Members shall be all Owners. Each Class A Member shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot as an "Owner," all such persons shall be members. The vote for such Lot shall be exercised as such persons determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

7.3.2 Class B Member. The Declarant shall be the Class B Member and shall be entitled to nine (9) votes for each Lot owned; provided, however, as to land which is annexed or added pursuant to the terms of this Declaration, the Declarant shall be entitled to fourteen (14) votes per acre or fraction thereof contained within a Parcel, until such time as the Parcel is platted, whereupon the Declarant shall be entitled to nine (9) votes per Lot in lieu of the votes per acre. Notwithstanding the foregoing, from and after the Turnover Date, the Declarant shall be entitled to one (1) vote for each Lot owned. "Turnover" shall mean the transfer of operation of the Association by the Declarant to Owners. The Turnover of the Association by the Declarant shall occur on the Turnover Date at the Turnover meeting. The purpose of the Turnover meeting is to elect a majority of the Association's Board of Directors. No more than sixty (60) days and no less than thirty (30) days prior to the Turnover meeting, the Association shall notify in writing all Class A Members of the date, location, and purpose of the Turnover meeting. The Turnover shall take place within three (3) months of the occurrence of the following events, whichever occurs earliest:

7.3.2.1 When ninety percent (90%) of the total Lots ultimately planned for WELLS CREEK EAST are conveyed to Owners;

7.3.2.2 When the Declarant makes the election, in its sole and absolute discretion, to give written notice to the Association of its decision to cause the Turnover to occur; or

7.3.2.3 As otherwise required by Section 720.307, Florida Statutes (2018).

7.4 Ownership by Entity. In the event that an Owner is other than a natural person, that Owner shall, prior to occupancy of the Home, designate one or more persons who are to be the occupants of the Home and register such persons with the Association. All provisions of this Declaration and other Governing Documents shall apply to both such Owner and the designated occupants.

7.5 Voting Interests. Voting Interests in the Association are governed by this Declaration, the Articles and Bylaws.

7.6 Document Recordation Prohibited. Neither the Association nor any Owner, nor group of Owners, may record any documents that, in any way, affect or restrict the rights of the Declarant or conflict with the provisions of this Declaration or the other Governing Documents.

7.7 Conflicts. In the event of any conflict among this Declaration, the Articles, the Bylaws or any of the other Governing Documents, this Declaration shall control.

8. Paramount Right of Declarant. Notwithstanding anything to the contrary herein, prior to the Community Completion Date, the Declarant shall have the paramount right to dedicate, transfer, and/or convey (by absolute conveyance, easement, or otherwise) portions of WELLS CREEK EAST for various public purposes, or to make any portions of WELLS CREEK EAST part of the Common Areas, or to create and implement a special taxing district which may include all or any portion of WELLS CREEK EAST. SALES BROCHURES, SITE PLANS, AND MARKETING MATERIALS ARE CURRENT CONCEPTUAL REPRESENTATIONS AS TO WHAT IMPROVEMENTS, IF ANY, WILL BE INCLUDED WITHIN THE COMMON AREAS. THE DECLARANT SPECIFICALLY RESERVES THE RIGHT TO CHANGE THE LAYOUT, COMPOSITION AND DESIGN OF ANY AND ALL COMMON AREAS, AT ANY TIME, WITHOUT NOTICE AND AT ITS SOLE DISCRETION.

9. Common Areas.

9.1 General. The Common Areas shall be operated, maintained, and administered at the sole cost of the Association for all purposes and uses reasonably intended. The Declarant shall have the right to use and access Common Areas without interference from any Owner or any other person or entity whatsoever. Owners shall have no right in or to any Common Areas referred to in this Declaration unless and until same are actually constructed, completed, and conveyed to the Association. Prior to the Community Completion Date, the Declarant reserves the absolute right to add to, delete from, or modify any of the Common Areas referred to herein at its discretion without notice.

9.2 Construction of Common Areas Improvements. The Declarant anticipates it will construct certain improvements as part of the Common Areas as the Declarant determines in its sole discretion. Certain of the Common Area improvements are intended for recreational activities (collectively, the "**Recreational Facilities**"). The Declarant shall be the sole judge of the composition of any Common Area improvements constructed by the Declarant, including, without limitation, the Recreational Facilities. Prior to the Community Completion Date, the Declarant reserves the absolute right to construct additional Common Area improvements within WELLS CREEK EAST, from time to time, in its sole discretion, and to remove, add to, modify and change the boundaries, facilities and improvements now or then part of the Common Areas. The Declarant is not obligated to, nor has it represented that it will, construct any Common Area improvements, including the Recreational Facilities. The Declarant is the sole judge of the

Common Area improvements constructed by the Declarant, including the plans, specifications, design, location, completion schedule, materials, size, and contents of the facilities, improvements, appurtenances, personal property, color, textures, finishes or changes or modifications to any of them.

9.3 Use of Common Areas by Declarant. Until the Community Completion Date, the Declarant shall have the right to use any portion of the Common Areas, without charge, for any purpose deemed appropriate by the Declarant.

9.4 Conveyance.

9.4.1 Generally. The Common Areas may be designated by the Plat, created in the form of easements, or conveyed to the Association by Quitclaim Deed, or other instrument of conveyance, as determined by the Declarant in its sole and absolute discretion. The Association shall pay all costs of the conveyance at the Declarant's request. The designation of Common Areas, creation by easement, or conveyance shall be subject to easements, restrictions, reservations, conditions, limitations, and declarations of record, real estate taxes for the year of conveyance, zoning, land use regulations and survey matters. The Association shall be deemed to have assumed and agreed to pay all continuing obligations and service and similar contracts relating to the ownership operation, maintenance, and administration of the conveyed portions of Common Areas and other obligations relating to the Common Areas imposed herein. The Association shall, and does hereby, indemnify and hold the Declarant harmless on account thereof. The Association, by its joinder to this Declaration, hereby accepts such dedication(s) or conveyance(s) without setoff, condition, or qualification of any nature. The Association shall accept any and all transfer of permits from the Declarant, or any other permittee, of any permit required by a governmental agency in connection with the development of WELLS CREEK EAST, as modified and/or amended. The Association shall cooperate with the Declarant, or any other permittee of such permits, as modified and/or amended, with any applications, certifications, documents or consents required to effectuate any such transfer of permits to the Association. THE COMMON AREAS, PERSONAL PROPERTY AND EQUIPMENT THEREON AND APPURTENANCES THERETO SHALL BE CONVEYED TO THE ASSOCIATION IN "AS IS, WHERE IS" CONDITION WITHOUT ANY REPRESENTATION OR WARRANTY, EXPRESSED OR IMPLIED, IN FACT OR BY LAW, AS TO THE CONDITION, FITNESS OR MERCHANTABILITY OF THE COMMON AREAS BEING CONVEYED. Notwithstanding the foregoing, any such conveyance or encumbrance of such Common Areas is subject to an irrevocable ingress and egress easement in favor of each Owner granting access to their respective Lots.

9.4.2 Common Area Reservations. Each deed of the Common Areas shall be subject to the following provisions:

9.4.2.1 a perpetual nonexclusive easement in favor of governmental agencies for the maintenance and repair of existing road, speed and directional signs, if any;

9.4.2.2 matters reflected on the Plat;

9.4.2.3 perpetual non-exclusive easements in favor of the Declarant, its successors, and assigns in, to, upon and over all of the Common Areas for the purposes of vehicular and pedestrian ingress and egress, installation of improvements, utilities, landscaping and/or drainage, without charge, including, without limitation, the right to use such roadways for construction vehicles and equipment. These easements shall run in favor of the Declarant, and its employees, representatives, agents, licensees, guests, invitees, successors and/or assigns;

9.4.2.4 all restrictions, easements, covenants and other matters of record;

9.4.2.5 in the event the Association believes that the Declarant shall have failed in any respect to meet the Declarant's obligations under this Declaration or has failed to comply with any of the Declarant's obligations under law, or the Common Areas conveyed herein are defective in any respect, the Association shall give written notice to the Declarant detailing the alleged failure or defect. Once the Association has given written notice to the Declarant pursuant to this Section, the Association shall be obligated to permit the Declarant and their agents to perform inspections of the Common Areas and to perform all tests and make all repairs/replacements deemed necessary by the Declarant to respond to such notice at all reasonable times. The Association agrees that any inspection, test and/or repair/replacement scheduled on a business day between 9 a.m. and 5 p.m. shall be deemed scheduled at a reasonable time. The rights reserved in this Section include the right of the Declarant to repair or address, in the Declarant's sole option and expense, any aspect of the Common Areas deemed defective by the Declarant during its inspections of the Common Areas. The Association's failure to give the notice and/or otherwise comply with the provisions of this Section will damage the Declarant; and

9.4.2.6 a reservation of right in favor of the Declarant (so long as the Declarant owns any portion of WELLS CREEK EAST) to require that the Association re-convey all or a portion of the Common Areas by Quitclaim Deed in favor of the Declarant in the event that such property is required to be owned by the Declarant for any purpose, including, without limitation, the reconfiguration of any adjacent property by replatting or otherwise. To the extent legally required, each Owner shall be deemed to have granted to the Declarant, and thereafter the Association, an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

9.5 Operation after Conveyance. Subject to the Association's right to grant easements and other interests as provided herein, the Association may not convey, abandon, alienate, encumber, or transfer all or a portion of the Common Areas to a third party without (i) if prior to the Turnover, the approval of (a) a majority of the Board; and (b) the consent of the Declarant, or (ii) from and after the Turnover, approval of (x) a majority of the Board; and (y) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly noticed meeting of the members. A quorum for any meeting of the members for the purpose of any action taken under this Section 9.5 shall be established by the presence, in person or by proxy, of the members entitled to cast thirty percent (30%) of the total Voting Interests.

9.6 Paved and Concrete Common Areas. The Common Areas may contain certain paved or concrete areas. Without limiting any other provision of this Declaration, the Association is responsible for the maintenance, repair and/or resurfacing of all paved and concrete surfaces forming a part of the Common Areas, including but not limited to parking areas, pathways, bicycle paths, and sidewalks (if any). Although pavement appears to be a durable material, it requires maintenance. The Association shall have the right, but not the obligation, to arrange for periodic inspections of all paved and concrete surfaces forming a part of the Common Areas by a licensed contractor and/or engineer. The cost of such inspection shall be a part of the Operating Expenses. The Association shall determine periodically the parameters of the inspection to be performed, if any. Any patching, grading, or other maintenance work should be performed by a company licensed to perform the work.

9.7 Delegation. Once conveyed to the Association, the Common Areas and improvements located thereon shall at all times be under the complete supervision, operation, control, and management of the Association, as applicable. Notwithstanding the foregoing, the Association may delegate all or a portion of its obligations hereunder to a licensed manager or professional management company. The Association specifically shall have the right to pay for management services on any basis approved by the Board (including bonuses or special fee arrangements for meeting financial or other goals). Further, in the event that Common Area is created by easement, the Association's obligations and rights with respect to such Common Area may be limited by the terms of the document creating such easement.

9.8 Use.

9.8.1 Nonexclusive Use. The Common Areas shall be used and enjoyed by the Owners on a non-exclusive basis in common with other persons, entities and corporations (who may, but are not required to be, members of the Association) entitled to use those portions of the Common Areas. Prior to the Community Completion Date, the Declarant, and thereafter, the Association has the right, at any and all times, and from time to time, to further additionally provide and make the Common Areas available to other individuals, persons, firms, or corporations, as it deems appropriate. The granting of such rights shall not invalidate this Declaration, reduce or abate any Owner's obligations pursuant to this Declaration, or give any Owner the right to avoid any of the covenants, agreements or obligations to be performed hereunder.

9.8.2 Right to Allow Use. The Declarant and/or the Association may enter into easement agreements or other use or possession agreements whereby the Owners, Telecommunications Providers, the Association, and/or others may obtain the use, possession of, or other rights regarding certain property, on an exclusive or non-exclusive basis, for certain specified purposes. The Association may agree to maintain and pay the taxes, insurance, administration, upkeep, repair, and replacement of such property, the expenses of which shall be Operating Expenses. Any such agreement by the Association prior to the Community Completion Date shall require the prior written consent of the Declarant. Thereafter, any such agreement shall require the approval of the majority of the Board, which consent shall not be unreasonably withheld or delayed.

9.8.3 Retention/Detention Areas. NEITHER THE DECLARANT NOR THE ASSOCIATION, NOR ANY NEIGHBORHOOD ASSOCIATION, MAKE ANY REPRESENTATION CONCERNING THE CURRENT OR FUTURE WATER LEVELS IN ANY OF THE RETENTION/DETENTION AREAS IN WELLS CREEK EAST; PROVIDED, FURTHER, NEITHER THE DECLARANT NOR THE ASSOCIATION, NOR ANY NEIGHBORHOOD ASSOCIATION, BEAR ANY RESPONSIBILITY TO ATTEMPT TO ADJUST OR MODIFY THE WATER LEVELS SINCE SUCH LEVELS ARE SUBJECT TO SEASONAL GROUNDWATER AND RAINFALL FLUCTUATIONS THAT ARE BEYOND THE CONTROL OF THE DECLARANT, THE ASSOCIATION AND ANY NEIGHBORHOOD ASSOCIATION. BY ACCEPTANCE OF A DEED TO A HOME OR LOT, EACH OWNER ACKNOWLEDGES THAT THE WATER LEVELS OF ALL RETENTION/DETENTION AREAS MAY VARY. THERE IS NO GUARANTEE BY THE DECLARANT OR THE ASSOCIATION OR ANY NEIGHBORHOOD ASSOCIATION THAT WATER LEVELS OR RETENTION/DETENTION AREAS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT. THE DECLARANT, THE ASSOCIATION AND ANY NEIGHBORHOOD ASSOCIATION SHALL NOT BE OBLIGATED TO ERECT FENCES, GATES, OR WALLS AROUND OR ADJACENT TO ANY RETENTION/DETENTION AREAS WITHIN WELLS CREEK EAST.

9.8.4 Obstruction of Common Areas. No portion of the Common Areas may be obstructed, encumbered, or used by Owners for any purpose other than as permitted by the Association.

9.8.5 Assumption of Risk. Without limiting any other provision herein, each Owner accepts and assumes all risk and responsibility for noise, liability, injury, or damage connected with use or occupancy of any portion of such Common Areas, including, without limitation: (i) noise from maintenance equipment; (ii) use of pesticides, herbicides and fertilizers; (iii) view restrictions and impairment caused by the construction of any structures and/or the maturation of trees and shrubbery; (iv) reduction in privacy caused by the removal or pruning of shrubbery or trees within WELLS CREEK EAST; and (v) design of any portion of WELLS CREEK EAST. Each Owner expressly indemnifies and agrees to hold harmless the Declarant, the Association and any Neighborhood Association, and all employees, directors, representatives, officers, agents and

partners of the Declarant, the Association and any Neighborhood Association, from any and all damages, whether direct or consequential, arising from or related to the person's use of the Common Areas, including for attorneys' fees, paraprofessional fees and costs at trial and upon appeal. Without limiting the foregoing, all persons using the Common Areas, including, without limitation, any retention/detention areas, or areas adjacent to any water body, do so at their own risk. BY ACCEPTANCE OF A DEED TO THEIR LOT, EACH OWNER ACKNOWLEDGES THE COMMON AREAS, AND AREAS IN THE VICINITY OF THE COMMON AREAS, MAY CONTAIN WILDLIFE SUCH AS, BUT NOT LIMITED TO, INSECTS, ALLIGATORS, COYOTES, RACCOONS, SNAKES, DUCKS, DEER, SWINE, TURKEYS AND FOXES. THE DECLARANT, THE ASSOCIATION AND ANY NEIGHBORHOOD ASSOCIATION SHALL HAVE NO RESPONSIBILITY FOR MONITORING SUCH WILDLIFE OR NOTIFYING OWNERS OR OTHER PERSONS OF THE PRESENCE OF SUCH WILDLIFE. EACH OWNER AND HIS OR HER LESSEES, GUESTS AND INVITEES ARE RESPONSIBLE FOR THEIR OWN SAFETY.

9.8.6 Owners' Obligation to Indemnify. Each Owner agrees to indemnify and hold harmless the Declarant, the Association and any Neighborhood Association, and their officers, partners, agents, employees, affiliates, directors and attorneys (collectively, "**Indemnified Parties**") against all actions, injury, claims, loss, liability, damages, costs and expenses of any kind or nature whatsoever (collectively, "**Losses**") incurred by or asserted against any of the Indemnified Parties from and after the date hereof, whether direct, indirect, or consequential, as a result of or in any way related to the Common Areas within WELLS CREEK EAST, including, without limitation, use of the Common Areas by Owners, their Lessees, guests, family members, invitees, or agents. Should any Owner bring suit against the Declarant, the Association, or any of the Indemnified Parties for any claim or matter and fail to obtain judgment therein against such Indemnified Parties, such Owner shall be liable to such parties for all Losses, costs and expenses incurred by the Indemnified Parties in the defense of such suit, including attorneys' fees and paraprofessional fees at trial and upon appeal.

9.9 Rules and Regulations.

9.9.1 Generally. Prior to the Turnover, the Declarant, and thereafter the Board, shall have the right to adopt Rules and Regulations governing the use of the Common Areas. Amendments to the Rules and Regulations shall be recorded in the Public Records to the extent required by Section 720.306(1)(e), Florida Statutes (2018). The Common Areas shall be used in accordance with this Declaration and Rules and Regulations promulgated hereunder, if any.

9.9.2 Declarant Not Subject to Rules and Regulations. The Rules and Regulations shall not apply to the Declarant or to any property owned by the Declarant, and shall not be applied in a manner that would prohibit or restrict the development or operation of WELLS CREEK EAST or adversely affect the interests of the Declarant. Without limiting the foregoing, the Declarant and its assigns, shall have the right to: (i) develop and construct Lots, Homes, Common Areas and related improvements within WELLS CREEK EAST, and make any additions, alterations, improvements, or changes thereto; (ii) maintain sales offices (for the sale and re-sale of (a) Lots and Homes and (b) residences and properties located outside of WELLS CREEK EAST), general office and construction operations within WELLS CREEK EAST; (iii) place, erect or construct portable, temporary or accessory buildings or structures within WELLS CREEK EAST for sales, construction storage or other purposes; (iv) temporarily deposit, dump or accumulate materials, trash, refuse and rubbish in connection with the development or construction of any portion of WELLS CREEK EAST; (v) post, display, inscribe or affix to the exterior of any portion of the Common Areas or portions of WELLS CREEK EAST, signs and other materials used in developing, constructing, selling or promoting the sale of any portion of WELLS CREEK EAST including, without limitation, Lots, Parcels and Homes; (vi) excavate fill from any retention/detention areas or water bodies within and/or contiguous to WELLS CREEK EAST by dredge or dragline, store fill within WELLS CREEK EAST and remove and/or sell excess fill; and grow or store plants and trees within, or contiguous to, WELLS CREEK EAST and use and/or sell excess plants and trees; and (vii) undertake all activities which, in the sole opinion

of the Declarant, are necessary or convenient for the development and sale of any lands and improvements comprising WELLS CREEK EAST.

9.10 Public Facilities. WELLS CREEK EAST may include one or more public facilities that may be dedicated to the City or the County. All roadways within WELLS CREEK EAST shall be public roadways maintained by the City and shall not be maintained by the Association. Also, a lift station dedicated to Jacksonville Electric Authority ("**JEA**"), its successors and/or assigns, as part of the waste water treatment system shall be located within the boundaries of WELLS CREEK EAST. THE ROADWAYS WITHIN, ADJACENT OR IN PROXIMITY TO WELLS CREEK EAST ARE PART OF THE PUBLIC SYSTEM OF ROADWAYS. EACH OWNER BY THE ACCEPTANCE OF A DEED TO THEIR LOT ACKNOWLEDGES AND AGREES THAT THE ASSOCIATION AND THE DECLARANT HAVE NO CONTROL WITH REGARD TO ACCESS AND USAGE OF SUCH ROADWAYS BY THE GENERAL PUBLIC.

9.11 Default by Owners. No default by any Owner in the performance of the covenants and promises contained in this Declaration shall be construed or considered (i) a breach by the Declarant or the Association of any of their promises or covenants in this Declaration; (ii) an actual, implied or constructive dispossession of another Owner from the Common Areas; or (iii) an excuse, justification, waiver or indulgence of the covenants and promises contained in this Declaration.

9.12 Association's Obligation to Indemnify. The Association and each Owner covenant and agree, jointly and severally, to indemnify, defend and hold harmless the Declarant, its officers, directors, shareholders, and any related persons, companies, or corporations and their employees from and against any and all claims, suits, actions, causes of action or damages arising from any personal injury, loss of life, or damage to property, sustained on or about the Common Areas, or other property serving the Association and Owners, and improvements thereon, or resulting from or arising out of activities or operations of the Association or Owners within WELLS CREEK EAST, and from and against all costs, expenses, court costs, attorneys' fees and paraprofessional fees (including, but not limited to, all trial and appellate levels and whether or not suit be instituted), expenses and liabilities incurred or arising from any such claim, the investigation thereof, or the defense of any action or proceedings brought thereon, and from and against any orders judgments or decrees which may be entered relating thereto. The costs and expense of fulfilling this covenant of indemnification shall constitute a part of Operating Expenses to the extent such matters are not covered by insurance maintained by the Association.

9.13 Special Taxing Districts. For as long as the Declarant controls the Association, the Declarant shall have the right, but not the obligation, to dedicate or transfer or cause the dedication or transfer of all or portions of the Common Areas of WELLS CREEK EAST to a special taxing district, or a public agency or authority under such terms as the Declarant deems appropriate in order to create or contract with special taxing districts and community development districts (or others) for lighting, perimeter walls, entrance features, roads, sidewalks, paths, landscaping, irrigation areas, ponds, surface water management systems, wetlands mitigation areas, parks, recreational or other services, security or communications, or other similar purposes deemed appropriate by the Declarant, including, without limitation, the maintenance and/or operation of any of the foregoing. As hereinafter provided, the Declarant may sign any taxing district petition as attorney-in-fact for each Owner. Each Owner's obligation to pay taxes associated with such district shall be in addition to such Owner's obligation to pay Assessments. Any special taxing district shall be created pursuant to all applicable ordinances of the County, the City and all other applicable governing entities having jurisdiction with respect to the same.

9.14 Recreational Facilities.

9.14.1 General Restrictions. Each Owner, Immediate Family Member and other person entitled to use the Recreational Facilities shall comply with following general restrictions:

Children under the age of twelve (12) shall be accompanied by an adult at all times during which such minor child is using the Recreational Facilities.

9.14.1.3 Responsibility for Personal Property and Persons. Each Owner assumes sole responsibility for the health, safety and welfare of such Owner, his or her Immediate Family Members and guests, and the personal property of all of the foregoing, and each Owner shall not allow any damage the Recreational Facilities or interfere with the rights of other Owners hereunder. Neither the Declarant nor the Association shall be responsible for any loss or damage to any private property used, placed or stored on the Recreational Facilities. Further, any person entering the Recreational Facilities assumes all risk of loss with respect to his or her equipment, jewelry or other possessions, including, without limitation, wallets, books and clothing left in the Recreational Facilities.

Every Owner shall be liable for any property damage and/or personal injury at the Recreational Facilities, caused by any Owner, Immediate Family Member or guest. No Owner may use the Recreational Facilities for any society, party, religious, political, charitable, fraternal, civil, fund-raising or other purposes without the prior written consent of the Association, which consent may be withheld for any reason.

9.14.5.4 an Owner fails to pay Assessments due.

9.14.6 Types of Suspension. The Association may restrict or suspend, for cause or causes described herein, any Owner's privileges to use any or all of the Recreational Facilities. By way of example, and not as a limitation, the Association may suspend a Lessee's privileges to use any or all of the Recreational Facilities if such Lessee's Owner fails to pay Assessments due in connection with a leased Home. In addition, the Association may suspend the rights of a particular Owner (and/or Immediate Family Member) or prohibit an Owner (and/or Immediate Family Member) from using a portion of the Recreational Facilities. No Owner whose privileges have been fully or partially suspended shall, on account of any such restriction or suspension, be entitled to any refund or abatement of Assessments or any other fees. During the restriction or suspension, Assessments shall continue to accrue and be payable each month. Under no circumstance will an Owner be reinstated until all Assessments and other amounts due to the Association are paid in full. Any suspension of an Owner's or Lessee's rights to use the Recreational Facilities shall be imposed upon delivery of fourteen (14) days prior notice to such Owner or Lessee and an opportunity for a hearing before a committee of the Board which is comprised of three (3) members who are not officers, directors, or employees of the Association, or the spouse, parent child, brother, or sister of an officer, director, or employee of the Association. Such suspension may not be imposed without the approval of a majority of the members of such committee. If the Association imposes a suspension, the Association must provide written notice of such suspension by mail or hand delivery to the Owner or Lessee.

All costs associated with maintenance, repair, replacement, and insurance of an Exclusive Common Area shall be a Neighborhood Expense allocated among the Owners in the Neighborhood(s) to which the Exclusive Common Areas are assigned.

9.15.2 Designation. Initially, any Exclusive Common Area shall be designated as such in this Declaration, the deed conveying such area to the Association, in a Supplemental Declaration establishing a Neighborhood or on the subdivision Plat relating to such Common Area; provided, however, any such assignment shall not preclude the Declarant from later assigning use of the same Exclusive Common Area to additional Homes and/or Neighborhoods, so long as the Declarant has a right to subject additional property to this Declaration pursuant to Section 5.1. Thereafter, a portion of the Common Area may be assigned as Exclusive Common Area and Exclusive Common Area may be reassigned upon approval of the Board and the vote of (i) more than fifty percent (50%) of the Voting Interests in the Association, and (ii) more than fifty percent (50%) of the Voting Interests within the Neighborhood(s) affected by the proposed assignment or reassignment. 9.15.4 Maintenance. Maintenance, repair and replacement of Exclusive Common Areas shall be a Neighborhood Expense assessed to the Neighborhood(s) to which the Exclusive Common Areas are assigned, notwithstanding that the Association may be responsible for performing such maintenance hereunder.

10. Maintenance by Association. Except as may be otherwise provided in Supplemental Declaration designating a Neighborhood or a Neighborhood Declaration specifying the maintenance requirements applicable to a particular Neighborhood, the following provisions shall relate to all of WELLS CREEK EAST:

10.2 Landscape Maintenance. Except as otherwise provided in Section 10.10 of this Declaration, the Association shall have no responsibility for the maintenance of landscaped areas within any Lot, including, without limitation, sod, irrigation facilities, yards, grass, shrubs, trees, mulch, or any other landscaping. Except as otherwise provided in Section 10.10 of this Declaration, the record title owner of each such Lot shall be responsible for the repair, replacement and maintenance of the irrigation facilities and all landscaped areas and other improvements within any portion of such Lot, including, without limitation, sod, irrigation facilities, yards, grass, shrubs, trees, mulch, or any other landscaping. Any such repair, replacement and maintenance shall be consistent with the Landscape Maintenance Standards set forth in this Declaration.

10.3 Roadways. All of the roadways within WELLS CREEK EAST shall be public roadways maintained by the City and shall not be maintained by the Association. ROADWAYS WITHIN, ADJACENT OR IN PROXIMITY TO WELLS CREEK EAST ARE PART OF THE PUBLIC SYSTEM OF ROADWAYS. EACH OWNER BY THE ACCEPTANCE OF A DEED TO THEIR LOT ACKNOWLEDGES AND AGREES THAT THE ASSOCIATION AND THE DECLARANT HAVE NO CONTROL WITH REGARD TO ACCESS AND USAGE OF SUCH ROADWAYS BY THE GENERAL PUBLIC. CERTAIN ROADWAYS WITHIN WELLS CREEK EAST MAY PROVIDE ACCESS TO OUTPARCEL(S) ADJACENT OR IN PROXIMITY TO WELLS CREEK EAST. EACH OWNER, BY ACCEPTANCE OF A DEED TO A

LOT, ACKNOWLEDGES THAT SUCH ROADWAYS MAY BE USED FOR PERIODIC SILVICULTURE OPERATIONS OR OTHER PURPOSES WITHIN THE OUTPARCEL(S). All rights and obligations pursuant to this Declaration or the Master Declaration for maintenance or repair by the Association or any Owner within any unpaved portion of a right-of-way or rights to perform the Collector Road Maintenance (as defined in the Master Declaration) are hereby subordinated to the rights of the City.

10.4 Adjoining Areas. Except as otherwise provided herein, the Association shall only maintain those drainage areas, swales, parking areas, retention/detention area slopes and banks, and landscape areas (if any) that are within the Common Areas, and certain Lots only to the extent specifically provided, that, such areas shall be readily accessible to the Association. Under no circumstances shall the Association be responsible for maintaining any inaccessible areas within fences or walls that form a part of a Lot.

10.5 Negligence. The expense of any maintenance, repair or construction of any portion of the Common Areas or any Lot necessitated by the negligent or willful acts of an Owner or persons utilizing the Common Areas through or under an Owner, shall be borne solely by such Owner and the Lot owned by such Owner shall be subject to an Individual Assessment for that expense. By way of example, and not of limitation, an Owner shall be responsible for the removal of all landscaping and structures placed within easements or Common Areas without the prior written approval of the Association. Further, an Owner shall be responsible for all costs of maintenance, repair or construction of any portion of the drainage facilities located on such Owner's Lot if such maintenance, repair or construction is necessitated by the negligent or willful acts of an Owner or such Owner's Lessees, guests, or invitees.

10.6 Right of Entry. The Declarant and the Association are granted a perpetual and irrevocable easement over, under and across all of WELLS CREEK EAST for the purposes herein expressed, including, without limitation, for inspections to ascertain compliance with the provisions of this Declaration, and for the performance of any maintenance, alteration or repair which they are entitled to perform. Without limiting the foregoing, the Declarant specifically reserves easements for all purposes necessary to comply with any governmental requirement or to satisfy any condition that is a prerequisite for a governmental approval. By way of example, and not of limitation, the Declarant may construct, maintain, repair, alter, replace and/or remove improvements; install landscaping; install utilities; and/or remove structures on any portion of WELLS CREEK EAST if the Declarant is required to do so in order to obtain the release of any bond posted with any governmental agency.

10.7 Maintenance of Property Owned by Others. The Association shall, if designated by the Declarant (or by the Board after the Turnover Date), maintain vegetation, landscaping, irrigation systems, community identification/features, infrastructure, and/or other areas or elements designated by the Declarant (or by the Board after the Turnover Date) upon areas that are within or outside of WELLS CREEK EAST. Such areas may abut, or be proximate to, WELLS CREEK EAST, and may be owned by, or be dedicated to, others including, but not limited to, a utility, governmental or quasi-governmental entity or a property owners association. These areas may include (for example and not limitation) parks, swale areas, landscape buffer areas, berm areas or median areas within the right-of-way of public streets, roads, sidewalks, paths, drainage areas, community identification or entrance features, community signage or other identification. The Association shall have the right to enter into new agreements or arrangements from time to time for improvements and facilities serving the members of the Association or to amend the foregoing if the Board deems the same reasonable and appropriate for the continued use and benefit of any part of the Common Areas.

10.8 [Intentionally Omitted].

10.9 Right-of-Way. Except as otherwise maintained by the City, the Association shall be responsible for the costs, charges and expenses incurred in connection with maintenance of the sidewalk, irrigation, trees and landscaping located in any right-of-way adjacent to any Common Areas and Townhome Lots (if any). The Association shall not be responsible for any maintenance or replacement of any trees or landscaping located in any right-of-way adjacent to any SFD Lots. Each Owner agrees to reimburse the Association any expense incurred in repairing any damage to trees or landscaping caused

by such Owner's negligent or willful acts. Failure of an Owner to reimburse the Association any costs necessitated by the negligent or willful acts of an Owner shall subject the Owner to an Individual Assessment for such costs. The cost associated with any such maintenance of the trees and landscaping located in the right-of-way adjacent to any Common Areas shall be deemed part of the Operating Expenses. The cost associated with any such maintenance of the trees and landscaping located in the right-of-way adjacent to Townhome Lots shall be part of the Neighborhood Expenses for the Townhome Neighborhood and each Owner of a Townhome Lot in the Townhome Neighborhood shall pay an equal share of such costs. All rights and obligations pursuant to this Declaration or the Master Declaration for maintenance or repair by the Association or any Owner within any unpaved portion of a right-of-way or rights to perform the Collector Road Maintenance (as defined in the Master Declaration) are hereby subordinated to the rights of the City.

10.10 Townhome Neighborhood Home Maintenance. With respect only to the Townhome Neighborhood, the Association shall be responsible for the following to be performed at the Board's discretion and on such intervals as the Board may decide in its sole and absolute discretion:

10.10.1 Painting. The Association shall paint all exterior painted portions of Homes located within the Townhome Neighborhood, including any exterior walls of a garage, garage door, exterior doors, shutters, and fascia. The cost associated with such exterior painting made in accordance with this Section 10.10.1 shall constitute a part of the Neighborhood Expenses for the Townhome Neighborhood and each Owner of a Townhome Lot shall pay an equal share of such costs. The ACC must approve any proposed painting of the exterior of the Home by the Owner. If the proposed painting is approved by the ACC, the ACC shall have the right to impose such conditions as it deems reasonably appropriate. The conditions shall, at a minimum, include the following:

10.10.1.1 all work and materials shall be at the Owner's sole cost and expense;

10.10.1.2 all color selections shall be approved by the ACC and must be the same or substantially similar to the other Homes attached to the Home;

10.10.1.3 the painting project must include an entire elevation of the Home (i.e. the entire side of the Home, etc.); and

10.10.1.4 if the Association thereafter paints the Home and the other Homes attached to the Home in accordance this Section 10.10.1, the Home shall be included as part of the painting project, and the cost associated with such painting project shall constitute a part of the Neighborhood Expenses for the Townhome Neighborhood and each Owner of a Townhome Lot shall pay an equal share of such costs.

10.10.2 Roofs and Gutters. The Association shall repair and replace roofs of Homes located within the Townhome Neighborhood, including shingles, and roof decking; however, the Association shall have no obligation to repair or replace roof trusses or other structural components of the roof. The Association shall conduct routine maintenance of roof gutters of Homes located within the Townhome Neighborhood, including clearing, repair and ensuring the proper functioning of such gutters. The cost associated with any such roof or gutter maintenance, repair and replacement shall constitute a part of the Neighborhood Expenses for the Townhome Neighborhood and each Owner of a Townhome Lot shall pay an equal share of such costs.

10.10.3 Termite Program. The Association may, in its sole discretion, contract with a licensed termite company to provide a termite warranty program for Homes. The cost associated with any such programs shall be part of the Neighborhood Expenses for the Townhome Neighborhood and each Owner of a Townhome Lot shall pay an equal share of such costs.

10.10.4 Pressure Washing. The Association may, in its sole discretion, pressure clean the roofs and the exterior portions of Homes located within the Townhome Neighborhood, including any exterior walls of a garage, garage door, exterior doors, shutters, and fascia. The cost associated with exterior pressure cleaning and made in accordance with this Section 10.10.4 shall be part of the Neighborhood Expenses for the Townhome Neighborhood, and each Owner of a Townhome Lot shall pay an equal share of such costs.

Notwithstanding anything to the contrary herein, to the extent insurance coverage required by Section 14.2.1 of this Declaration covers repairs or replacements otherwise performed by the Association under this Section 10.10, such repairs or replacements shall be governed by Section 14.2.2 herein, and the Association shall not perform repairs or replacements covered by insurance or any other activities that would negate such coverage or impair the availability of such coverage.

10.10.5 Landscape Maintenance.

10.10.5.1 General. The Association shall be responsible for maintaining the landscaped areas within each Townhome Lot to the extent provided in this Section. The Association's landscape maintenance responsibilities include trimming, mowing, and fertilization of grass, shrubs, and landscape-related exterior pest control. The foregoing shall be performed at the Board's discretion and on such intervals as the Board may decide in its sole and absolute discretion. Unless otherwise provided in a Supplemental Declaration for a Neighborhood, the cost associated with such landscape maintenance and maintenance of the irrigation facilities shall be deemed part of the Neighborhood Expenses for the Townhome Neighborhood and each Owner of a Lot in the Townhome Neighborhood shall pay an equal share of such costs. The Association also shall be responsible for the repair and replacement of damaged piping or valves that comprise the irrigation system of the Owner's Lot, or for any other maintenance of the irrigation system for any reason, except for maintenance required by Owner negligence. The Association shall have access to control boxes and/or devices used in connection with any irrigation system that may be installed on any Lot and Owners are not permitted to block access to or tamper with the same. The Association reserves the right to place locks on any control boxes and/or devices used in connection with irrigation regardless of their location. Notwithstanding the foregoing or any other provision of this Declaration to the contrary, the Association shall have no responsibility for the repair or replacement of sod, grass, shrubs, trees, or any other landscaping within a Lot, and the Owner of each Lot shall be responsible for any such repair and replacement of the landscaped areas. In the event landscaped areas are not repaired and replaced by the Owner of the Lot, the Association may, but shall not be obligated to, repair and replace such landscaped areas on behalf of the Owner. The costs and expenses of such repairs and replacements plus Twenty-Five and No/100 Dollars (\$25.00) (or such other amount determined by the Association in its sole and absolute discretion) shall be assessed against the respective Lot as an Individual Assessment. EACH OWNER ACKNOWLEDGES THAT SOME TOWNHOME LOTS WITHIN WELLS CREEK EAST MAY HAVE YARDS THAT ARE LARGER OR SMALLER THAN THE YARDS OF OTHER LOTS WITHIN WELLS CREEK EAST. NOTWITHSTANDING THE FOREGOING, ALL LANDSCAPE MAINTENANCE EXPENSES AND IRRIGATION WATER USAGE EXPENSES SHALL BE DEEMED PART OF THE NEIGHBORHOOD EXPENSES FOR THE TOWNHOME NEIGHBORHOOD, AND EACH OWNER OF A LOT IN THE TOWNHOME NEIGHBORHOOD SHALL PAY AN EQUAL SHARE OF SUCH COSTS.

10.10.5.2 Additional Landscape Maintenance. Each Owner by acceptance of a deed to their Lot, authorizes the Association to conduct additional landscape maintenance beyond the scope described in this Section 10.10.5 if, in the discretion of the Board, such additional maintenance is required for any reason whatsoever, including, without limitation, naturally occurring deterioration of the landscaped areas or Owner

neglect. The costs associated with any such additional landscape maintenance shall be assessed against the respective Lot as an Individual Assessment.

10.10.5.3 Modification of Landscaping. In the event an Owner modifies the landscaping as initially installed by the Declarant, with the approval of the ACC, then such Owner shall be solely responsible for the maintenance of such modified landscaping.

10.10.5.4 Master Metered Irrigation Water Usage. The costs associated with irrigation water usage for all Townhome Lots shall be deemed part of the Neighborhood Expenses for the Townhome Neighborhood and each Owner of a Townhome Lot shall pay an equal share of such costs. Owners of Townhome Lots will not receive an itemized bill for irrigation water usage fees and there will be no method for prorating the costs of water usage to individual Townhome Lots. EACH OWNER OF A TOWNHOME LOT ACKNOWLEDGES THAT SOME TOWNHOME LOTS MAY HAVE YARDS THAT ARE LARGER OR SMALLER THAN THE YARDS OF OTHER LOTS WITHIN WELLS CREEK EAST. NOTWITHSTANDING THE FOREGOING, ALL IRRIGATION WATER USAGE EXPENSES SHALL BE DEEMED PART OF THE NEIGHBORHOOD EXPENSES FOR THE TOWNHOME NEIGHBORHOOD, AND EACH OWNER OF A TOWNHOME LOT SHALL PAY AN EQUAL SHARE OF SUCH COSTS.

10.11 Trail System. A trail system of multi-use paths shall exist within the vicinity of WELLS CREEK EAST (the "**Public Trail System**"). The Public Trail System is accessible by certain persons who are not members of the Association. The Association shall maintain and landscape such trail system within WELLS CREEK EAST, which costs shall be Operating Expenses of the Association. Any and all obligations for maintenance or repair by the Declarant, the Association or any Owner pursuant to this Declaration (if any) as to the Public Trail System, is hereby subordinated to the rights of the City. Each Owner, by an acceptance of a deed to a Home, or any person by use or occupancy of a Home, acknowledges the foregoing notice and assumes all risks related to or arising out of the existence of the Public Trail System and/or the use of the Public Trail System by persons who are not members of the Association.

WELLS CREEK EAST SHALL INCLUDE TRAILS THAT ARE OPEN TO CERTAIN PERSONS WHO ARE NOT MEMBERS OF THE ASSOCIATION. EACH OWNER BY THE ACCEPTANCE OF A DEED TO THEIR LOT ACKNOWLEDGES AND AGREES THE DECLARANT AND THE ASSOCIATION SHALL HAVE NO RESPONSIBILITY FOR MONITORING USE OF THE PUBLIC TRAILS. ANY PERSON USING SUCH TRAILS, AND EACH OWNER AND HIS OR HER GUESTS AND INVITEES, ARE RESPONSIBLE FOR THEIR OWN SAFETY. THE ASSOCIATION AND DECLARANT WILL NOT BE RESPONSIBLE OR LIABLE FOR LOSSES OR INJURIES RESULTING FROM THE USE OF SUCH TRAILS.

10.12 Retention/Detention Area Slopes. Lots that include portions of the SMS may contain slopes adjacent to retention/detention areas ("**Retention/Detention Area Slopes**"). Retention/Detention Area Slopes located upon Townhome Lots will be regulated and maintained by the Association. Retention/Detention Area Slopes located upon Lots 216 - 239 of WELLS CREEK PHASE 1A as depicted on the Plat thereof recorded in Plat Book 73, Pages 15 through 30 of the Public Records (the "**Slope Maintenance Lots**") will be regulated and maintained by the Association. All costs for maintenance of the Retention/Detention Area Slopes located upon Townhome Lots and Slope Maintenance Lots shall be Operating Expenses of the Association. The Declarant hereby grants the Association an easement of ingress and egress across all Lots that include portions of the SMS for the purpose of regulating and maintaining such Retention/Detention Area Slopes, as applicable. Notwithstanding anything contained herein to the contrary, any Retention/Detention Area Slopes located upon a SFD Lot that is not a Slope Maintenance Lot will be regulated and maintained by the Owner of such Lot, including the responsibility of such SFD Lot Owner to sod with St. Augustine grass and irrigate the Retention/Detention Area Slopes. In the event an Owner of an SFD Lot that is not a Slope Maintenance Lot does not comply with this Section 10.12, the Association may perform the necessary maintenance and charge the costs thereof to

the non-complying Owner as an Individual Assessment. The Association may establish from time to time standards for the Retention/Detention Area Slopes maintenance by Owners who own Lots that include such areas ("**Retention/Detention Area Slopes Maintenance Standards**"). Such Retention/Detention Area Slopes Maintenance Standards may include requirements respecting compaction and strengthening of banks. The Association shall have the right to inspect such Retention/Detention Area Slopes to ensure that each Owner has complied with its obligations hereunder and under the Retention/Detention Area Slopes Maintenance Standards. Each Owner hereby grants the Association an easement of ingress and egress across his or her Lot to all retention/detention areas for the purpose of ensuring compliance with the requirements of this provision and the Retention/Detention Area Slopes Maintenance Standards. For the purposes of this Declaration, each day that an Owner fails to comply with the requirements of this paragraph or any Retention/Detention Area Slopes Maintenance Standards shall be deemed a separate and independent violation of this Declaration.

10.13 Drainage Improvements. The Association shall be solely responsible for drainage systems and facilities, which may be comprised of swales, pipes, pumps, retention/detention area slopes, or other improvements (the "**Drainage Improvements**"), and which may be located within Common Areas or Lot; provided, however, except as otherwise provided with respect to Townhome Lots in Section 10.10 hereof, each Owner shall be solely responsible for the landscaping and routine maintenance of any drainage easement located upon their Lot. The Association shall be responsible for routine maintenance and shall ensure functionality of the approved designed drainage patterns inclusive of all easements, swales, buffers and vegetative areas at all times. Should any area of drainage pattern demonstrate a pooling or flooding effect, the Association shall be responsible to rectify the drainage pattern to its original intended design and any and all costs associated with such repairs shall be Operating Expenses of the Association.

10.14 Perimeter Walls/Fences. The Declarant may install perimeter walls or fences within WELLS CREEK EAST (the "**Perimeter Walls/Fences**"). Subject to Section 11.9 herein with respect to Lot Walls/Fences (as defined below), the Association at all times shall have the exclusive right to maintain, repair, replace any Perimeter Walls/Fences within WELLS CREEK EAST, including Perimeter Walls/Fences located on Lots. The Association shall perform any such maintenance, repairs or replacement of the Perimeter Walls/Fences at the Board's discretion and the costs of such maintenance, repairs or replacement shall be Operating Expenses. Failure of the Association to undertake any such maintenance, replacement or repair of the Perimeter Walls/Fences shall in no event be deemed a waiver of the right to do so thereafter. Notwithstanding anything contained in this Section to the contrary, the Declarant neither commits to, nor shall hereby be obligated to, construct such Perimeter Walls/Fences.

10.15 Retaining Walls. The Declarant may construct retaining walls within WELLS CREEK EAST (the "**Retaining Walls**"). Retaining Walls located within Common Areas shall be maintained by the Association and the costs thereof shall be deemed Operating Expenses of the Association. Structural maintenance and repairs of Retaining Walls located within Lots shall be the responsibility of the Association; however, the Owner of the Lot that includes the Retaining Wall shall be responsible for day-to-day maintenance and cleaning of such Retaining Wall. Failure of the Association to undertake any maintenance, replacement or repair of the Retaining Wall shall in no event be deemed a waiver of the right to do so thereafter. Notwithstanding anything contained in this Section to the contrary, the Declarant neither commits to, nor shall hereby be obligated to, construct such Retaining Walls. NO STRUCTURES OR LANDSCAPING, INCLUDING, WITHOUT LIMITATION, FENCES, IRRIGATION PIPES, AND TREES, SHALL BE INSTALLED WITHIN TWO FEET (2') FROM ANY RETAINING WALL.

10.16 Additional Obligations of Association. In addition to the Association's obligations herunder and under the Master Governing Documents, the Association may have additional obligations, including, without limitation, obligations to operate, maintain and/or repair certain improvements (the "**Maintained Improvements**") as set forth in that certain Cost Sharing Agreement by and between Declarant and KB Home Jacksonville LLC, a Delaware limited liability company, executed April 18, 2019 (the "**Cost Sharing Agreement**"). Each Owner, by acquiring title to a Lot, acknowledges and agrees that the Association and WELLS CREEK EAST is subject to all of the terms and conditions of the Cost Sharing Agreement, as amended and supplemented from time to time. The Declarant reserves the right without the consent of

any other party, subject to the terms and conditions set forth in the Cost Sharing Agreement, to modify any agreement by which the Maintained Improvements will be owned and maintained as may be necessary for further development of WELLS CREEK EAST. The costs associated with the Association's obligations to construct, operate, maintain and/or repair the Maintained Improvements, if any, shall be a part of the Operating Expenses.

11. Maintenance by Owners. Except as otherwise provided in Section 10 of this Declaration, each Owner shall maintain his or her Lot and Home, including, without limitation, all structural components comprising the Lot or Home, in first class, good, safe, clean, neat and attractive condition consistent with the general appearance of WELLS CREEK EAST by the record title owner of the applicable Lot. No tree installed by the Declarant on any Lot shall be felled, removed, or cut down unless such tree represents a hazard to the Home or other improvements on the Lot, or to persons occupying or utilizing WELLS CREEK EAST. If any such tree dies, such tree shall be replaced by the Owner of the Lot upon which the tree was located, at the Owner's expense, by a similar tree of similar size in diameter, unless otherwise approved by the ACC. No other objects or landscaping may be installed in place of any such trees. In the event Lots and Homes are not maintained by the Owner of the Lot in accordance with the requirements of this Section 11, the Association may, but shall not be obligated to, perform the maintenance obligations on behalf of the Owner. Except as otherwise provided in Section 10.10 of this Declaration, or in a Supplemental Declaration designating a Neighborhood, each Owner is specifically responsible for maintaining all grass, landscaping and improvements within any portion of a Lot.

11.1 Right of Association to Enforce. The Declarant hereby grants the Association an easement over each Lot for the purpose of ensuring compliance with the requirements of this Section 11. In the event an Owner does not comply with this Section 11, the Association may perform the necessary maintenance and charge the costs thereof to the non-complying Owner as an Individual Assessment. The Association shall have the right to enforce this Section 11 by all necessary legal action. In the event the Association is the prevailing party with respect to any litigation respecting the enforcement of compliance with this Section 11, it shall be entitled to recover all of its attorneys' fees and paraprofessional fees, and costs, at trial and upon appeal.

11.2 Landscape Maintenance Standards. The following maintenance standards (the "**Landscape Maintenance Standards**") apply to landscaping within all SFD Lots:

11.2.1 Trees. Trees are to be pruned as needed and maintained in a safe and appropriate manner with the canopy no lower than eight feet (8') from the ground.

11.2.2 Shrubs. All shrubs are to be trimmed as needed and maintained in a neat and appropriate manner.

11.2.3 Grass.

11.2.3.1 Cutting Schedule. Grass shall be maintained in a neat and appropriate manner. In no event shall lawns within any Lot be in excess of five inches (5") in height.

11.2.3.2 Edging. Edging of all streets, curbs, beds and borders shall be performed as needed. Chemical edging shall not be permitted.

11.2.3.3 St. Augustine Grass. Subject to applicable law or local ordinance, only St. Augustine grass (i.e. Floratam or a similar variety) or other drought tolerant grasses, are permitted in the front yards and side yards, including side yards facing a street.

11.2.4 Mulch. Mulch shall be replenished as needed on a yearly basis.

11.2.5 Insect Control and Disease. Insect control and disease shall be performed on an as needed basis. Failure to do so could result in additional liability if the disease and insect spread to neighboring Lots and Common Areas. Dead grass shall be removed and replaced within thirty (30) days of dying. If the County code or SJRWMD regulations or City regulations require Bahia grass in the rear yards, it shall remain as Bahia and if it dies, may only be replaced with Bahia.

11.2.6 Fertilization. Fertilization of all turf, trees, shrubs, and palms shall be performed according to Best Management Practices as provided by the County Extension Service (if any) or The University of Florida IFAS Extension.

11.2.7 Irrigation. Every Owner shall be required to irrigate the grass and landscaping located on their Lot in a routine and ordinary manner, as may be permitted by SJRWMD and/or City or County regulations, and shall ensure that sufficient irrigation occurs during all periods when the Owner is absent from the Lot. Watering and irrigation, including the maintenance, repair and replacement of irrigation facilities and components will be the sole responsibility of the record title Owner of the respective Lot. Sprinkler heads shall be maintained on a monthly basis. Water spray from sprinklers shall not extend beyond any property line of the respective Lot. Automatic sprinkler systems shall not cause water to run onto neighboring Lots, walkways, streets or the like and shall include a timing system to limit hours of operation. All components of the irrigation system, clock, pump stations and valves shall be checked as needed by an independent contractor to assure proper automatic operation.

11.2.8 Weeding. All beds are to be weeded upon every cut. No weeds, underbrush, or other unsightly growth shall be permitted to be grown or remain upon any Lot. Weeds growing in joints in curbs, driveways, and expansion joints shall be removed as needed. Chemical treatment is permitted.

11.2.9 Trash Removal. Dirt, trash, plant and tree cuttings and debris resulting from all operations shall be removed and all areas left in clean condition before the end of the day.

11.3 Modification of Landscaped Areas. Without the prior written consent of the ACC, no sod, topsoil, tree, shrubbery or other landscaping shall be removed from WELLS CREEK EAST and there shall be no change in the plant landscaping, elevation, condition of the soil or the level of the land of such areas which results in any change in the flow and drainage of surface water which the ACC, in its sole discretion, considers detrimental or potentially detrimental to person or property. Notwithstanding the foregoing, Owners who install improvements to the Lot (including, without limitation, concrete or brick pavers) that result in any change in the flow and/or drainage of surface water shall be responsible for all of the costs of drainage problems resulting from such improvement. Further, in the event that such Owner fails to pay for such required repairs, each Owner agrees to reimburse the Association for all expenses incurred in fixing such drainage problems including, without limitation, removing excess water and/or repairing the SMS. No landscape lighting shall be installed by an Owner without the prior written approval of the ACC.

11.4 Exterior Home Maintenance. Each Owner is solely responsible for the proper maintenance and cleaning of the exterior walls of his or her Home. Exterior walls may be improved with a finish material composed of stucco or cementitious coating (collectively, "**Stucco/Cementitious Finish**"). While Stucco/Cementitious Finish is high in compressive or impact strength, it is not of sufficient tensile strength to resist building movement. It is the nature of Stucco/Cementitious Finish to experience some cracking and it will expand and contract in response to temperature, sometimes creating minor hairline cracks in the outer layer of the stucco application. This is normal behavior and considered a routine maintenance item for the Owner. Each Owner is responsible to inspect the Stucco/Cementitious Finish to the exterior walls for cracking and engage a qualified professional to seal those cracks and repair the affected area. In addition, each Owner is responsible for inspecting the exterior paint and caulk material in the exterior wall system openings (i.e. windows, doors, hose bibs, etc.) for peeling, cracking or separating. If the inspection reveals any such items, the Owner is responsible for engaging a qualified

professional to clean, repair, re-caulk and repaint those areas of the Home. Each Owner is responsible for all maintenance and repairs described in this Section 11.4, and they should be completed in a timely fashion to prevent any damage to the Home.

11.5 Paved and Concrete Surfaces. Each Owner of a Lot shall be responsible to timely repair, maintain and/or replace the driveways, walkways and sidewalks located upon such Lot, including, without limitation, concrete or brick pavers, and other paved and concrete surfaces comprising part of a Lot, except as otherwise expressly set forth herein. In the event the City, the County or any of their respective subdivisions, agencies, and/or divisions must remove any portion of the paved or concrete surfaces located within an Owner's Lot for the installation, repair, replacement or maintenance of utilities, then the Owner of the applicable Lot will be responsible to replace or repair the paved or concrete surfaces at such Owner's expense. In the event an Owner does not comply with this Section, the Association may, but shall not be obligated to, perform the necessary maintenance and charge the costs thereof, together with interest at the highest rate allowed by law, to the non-complying Owner as an Individual Assessment.

11.6 Water Intrusion. Florida experiences heavy rainfall and humidity on a regular basis. Each Owner is responsible for making sure his or her Home remains watertight including, without limitation, checking caulking around windows and seals on doors. Each Owner acknowledges that running air conditioning machinery with windows and/or doors open in humid conditions can result in condensation, mold and/or water intrusion. The Declarant and the Association shall not have liability under such circumstances for any damage or loss that an Owner may incur in the event an Owner fails to maintain their Home in accordance with this provision. FURTHER, GIVEN THE CLIMATE AND HUMID CONDITIONS IN FLORIDA, MOLDS, MILDEW, TOXINS AND FUNGI MAY EXIST AND/OR DEVELOP WITHIN HOMES. EACH OWNER IS HEREBY ADVISED THAT CERTAIN MOLDS, MILDEW, TOXINS AND/OR FUNGI MAY BE, OR IF ALLOWED TO REMAIN FOR A SUFFICIENT PERIOD MAY BECOME, TOXIC AND POTENTIALLY POSE A HEALTH RISK. BY ACQUIRING TITLE TO A HOME AND/OR LOT, EACH OWNER, SHALL BE DEEMED TO HAVE ASSUMED THE RISKS ASSOCIATED WITH MOLDS, MILDEW, TOXINS AND/OR FUNGI AND TO HAVE RELEASED THE DECLARANT, THE ASSOCIATION AND ANY NEIGHBORHOOD ASSOCIATION FROM ANY AND ALL LIABILITY RESULTING FROM SAME.

11.7 Right of Way. Each Owner of a SFD Lot shall be responsible for the costs, charges and expenses incurred in connection with maintenance of the irrigation facilities, trees, sidewalk, driveway and landscaping immediately adjacent to such Owner's Lot and located between such Owner's Lot and the roadway (the "Right-of-Way"). Every Owner of a SFD Lot shall be required to irrigate the grass and landscaping located within the Right-of-Way in a routine and ordinary manner and shall ensure that sufficient irrigation occurs during all periods when the Owner is absent from the Home. Further, each Owner of a SFD Lot is required to timely repair, maintain and/or replace the driveways, walkways, sidewalks, including, without limitation, brick pavers, and other paved and concrete surfaces located within the Right-of-Way. No tree installed by the Declarant shall be felled, removed, or cut down unless such tree represents an immediate hazard to the Home or other improvements on the Lot, or to persons occupying or utilizing WELLS CREEK EAST. If any such tree dies, or is removed in accordance with this Section 11.7, then such tree shall be replaced at the expense of and by the Owner of the Lot immediately adjacent to the felled tree with a similar tree approved by the ACC. Any and all obligations for maintenance or repair by the Association or any Owner pursuant to this Declaration, within any unpaved portion of a right-of-way, is hereby subordinated to the rights of the City.

11.8 Pressure Washing. Subject to the Association's discretion to pressure wash the roofs and the exterior portions of Homes located within the Townhome Neighborhood pursuant to Section 10.10.4, each Owner at their sole cost and expense shall be responsible for pressure cleaning the roofs and the exterior portions of Homes, including any exterior walls of a garage, garage door, exterior doors, shutters, and fascia. In the event an Owner does not comply with this Section 11.8, the Association may perform the necessary maintenance required by this Section 11.8 and charge the costs thereof to the non-complying Owner as an Individual Assessment.

11.9 Lot Walls/Fences. The Declarant may install "Lot Wall/Fences," which are any wall or fence, any part of which is placed on a Lot line, or a dividing line between separate Lots. Each adjoining Owner's obligation with respect to Lot Walls/Fences shall be determined by this Declaration, except as otherwise required by Florida law.

11.9.1 Sharing Repair and Maintenance. Each Owner shall maintain the exterior surface of a Lot Wall/Fence facing his Lot. Except as provided in this Section 11.9, the cost of reasonable repair shall be shared equally by adjoining Lot Owners.

11.9.2 Damage by One Owner. If a Lot Wall/Fence is damaged or destroyed by the act of one adjoining Owner, or his guests, Lessees, licensees, agents or family members (whether or not such act is negligent or otherwise culpable), then that Owner shall immediately rebuild or repair the Lot Wall/Fence to its prior condition without cost to the adjoining Owner and shall indemnify the adjoining Owner from any consequential damages, loss or liabilities. No Owner shall violate any of the following restrictions and any damage (whether cosmetic or structural) resulting from violation of any of the following restrictions shall be considered caused by the Owner causing such action or allowing such action to occur on such Owner's Lot:

11.9.2.1 No Owner shall allow sprinklers to spray or other water sources to deliver water within one foot (1') of any Lot Wall/Fence, excluding rainfall that falls directly on such area (i.e. an Owner shall not collect rainfall from other portions of the Lot and deliver it within one foot (1') of any Lot Wall/Fence);

11.9.2.2 No Owner shall allow any tree to grow within six feet (6') of any Lot Wall/Fence (with such distance measured from the above-ground part of the tree that is nearest to the Lot Wall/Fence within five feet (5') of the ground level of the tree, including any portion of the root system that is not completely covered by soil);

11.9.2.3 No Owner shall allow attachment of anything, including but not limited to any climbing plant or vine, to any wall; and

11.9.2.4 No Owner shall allow water to be provided by sprinkler, hose, hand delivery or otherwise to any plant located within five feet (5') of any Lot Wall/Fence; provided, however, Owners are permitted to allow water delivery to any plant located within one foot (1') of any Lot Wall/Fence if the method of such delivery is either by drip line or by spray facing in a direction away from the Lot Wall/Fence.

11.9.3 Other Damage. If a Lot Wall/Fence is damaged or destroyed by any cause other than the act of one of the adjoining Owners, his agents, Lessees, licensees, guests or family members (including ordinary wear and tear and deterioration from lapse of time), then the adjoining Owners shall rebuild or repair the Lot Wall/Fence to its prior condition, equally sharing the expense; provided, however, that if a Lot Wall/Fence is damaged or destroyed as a result of an accident or circumstances that originate or occur on a particular Lot (whether or not such accident or circumstance is caused by the action or inaction of the Owner of that Lot, or his agents, Lessees, licensees, guests or family members) then in such event, the Owner of that particular Lot shall be solely responsible for the cost of rebuilding or repairing the Lot Wall/Fence and shall immediately repair the Lot Wall/Fence to its prior condition.

11.9.4 Right of Entry. Each Owner shall permit the Owners of adjoining Lots, or their representatives, to enter his Lot for the purpose of installations, alteration, or repairs to a Lot Wall/Fence on the Lot of such adjoining Owners, provided that other than for emergencies, requests for entry are made in advance and that such entry is at a time reasonably convenient to the Owner of the adjoining Lot. An adjoining Owner making entry pursuant to this Section shall not be deemed guilty of trespassing by reason of such entry. Such entering Owner shall indemnify the adjoining Owner from any consequential damages sustained by reason of such entry.

11.9.5 Right of Contribution. The right of any Owner to contribution from any other Owner under this Section 11.9 shall be appurtenant to the land and shall pass to such Owner's successors in title.

11.9.6 Consent of Adjoining Owner. In addition to meeting the requirements of this Declaration and of any applicable building code and similar regulations or ordinances, any Owner proposing to modify, alter, make additions to or rebuild (other than rebuilding in a manner materially consistent with the previously existing Lot Wall/Fence) the Lot Wall/Fence, shall first obtain the written consent of the adjoining Owner, which shall not be unreasonably withheld, delayed or conditioned.

11.10 Water Mains. In the event the City, the County or any of their subdivisions, agencies, and/or divisions must remove any portion of an Owner's driveway, then the Owner of such driveway shall be responsible to replace or repair the driveway at such Owner's expense, if such expenses are not paid for by the City or the County, as applicable. In the event an Owner does not comply with this Section, the Association may, but shall not be obligated to, perform the necessary maintenance and charge the costs thereof to the non-complying Owner as an Individual Assessment. In the event that the Association is the prevailing party with respect to any litigation respecting the enforcement of compliance with this Section, it shall be entitled to recover all of its attorneys' fees and paraprofessional fees, and costs, at trial and upon appeal. Each Owner grants the Association an easement over its Lot for the purpose of ensuring compliance with the requirements of this Section.

11.11 Retention/Detention Area Slopes. Except for the Slope Maintenance Lots, Retention/Detention Area Slopes located upon a SFD Lot will be maintained by the Owner of such Lot in accordance with the Retention/Detention Area Slopes Maintenance Standards. Each day that an Owner fails to comply with the requirements of any Retention/Detention Area Slopes Maintenance Standards shall be deemed a separate and independent violation of this Declaration. Retention/Detention Area Slopes located upon Townhome Lots and Slope Maintenance Lots will be regulated and maintained by the Association.

12. Use Restrictions. The following Use Restrictions shall apply to all Lots within WELLS CREEK EAST, except for any Lots owned by the Declarant; provided however, a Neighborhood Declaration, or Supplemental Declaration designating a Neighborhood, may include additional restrictions or provisions that are more restrictive than the provisions of this Declaration. Each Owner must comply with the following:

12.1 Alterations and Additions. No material alteration, addition or modification to a Lot or Home, or material change in the appearance thereof, shall be made without the prior written approval thereof being first had and obtained from the ACC as required by this Declaration.

12.2 Animals. No animals of any kind shall be raised, bred or kept within WELLS CREEK EAST for commercial purposes. Other than swine, poultry, or pets that become a nuisance, Owners may keep domestic pets as permitted by County ordinances and otherwise in accordance with the Rules and Regulations established by the Board from time to time, subject to the Americans with Disabilities Act and the Federal Fair Housing Act. Pets permitted by this Section 12.2 may be kept or harbored in a Home only so long as such pets or animals do not constitute a nuisance. A determination by the Board that an animal or pet kept or harbored in a Home is a nuisance shall be conclusive and binding on all parties. All pets shall be walked on a leash. No pet shall be permitted outside a Home unless such pet is kept on a leash or within an enclosed portion of the Lot. No pet or animal shall be "tied out" on the exterior of the Home or in the Common Areas, or left unattended in a yard or on a balcony, porch, or patio. No dog runs or enclosures shall be permitted on any Lot. When notice of removal of any pet is given by the Board, the pet shall be removed within forty-eight (48) hours of the receipt of such notice. The Owner responsible for a pet shall be responsible for removing from the Common Areas any matter created by the pet and disposing of the same in a sanitary manner. Each Owner shall be responsible for all the activities of its pet. Notwithstanding anything to the contrary contained herein, all restrictions set forth in this Section 12.2 are subject to the Americans with Disabilities Act and the Federal Fair Housing Act.

12.3 Artificial Vegetation. Except as otherwise permitted by Florida law, no artificial grass, plants or other artificial vegetation, or rocks or other landscape devices, shall be placed or maintained upon the exterior portion of any Lot, unless approved by the ACC.

12.4 Automobiles and other Vehicles. Notwithstanding any other provision in this Declaration to the contrary, the following restrictions shall not apply to construction vehicles utilized in connection with construction, improvement, installation, or repair by the Declarant, or its agents.

12.4.1 Parking. Owners' vehicles shall be parked in the garage or driveway of the respective Owner's Lot and shall not block the sidewalk. No vehicles of any nature shall be parked on any portion of WELLS CREEK EAST or a Lot except on the surfaced parking area thereof. Vehicles shall not park on the paved or concrete surfaces comprising the Common Area. To the extent WELLS CREEK EAST has any guest parking, Owners are prohibited from parking in such guest parking spaces. No vehicles used in business for the purpose of transporting goods, equipment and the like, shall be parked in WELLS CREEK EAST except during the period of a delivery of goods or during the provision of services. ROADWAYS WITHIN WELLS CREEK EAST SHALL BE PUBLIC ROADWAYS AND SHALL NOT BE MAINTAINED OR REGULATED BY THE ASSOCIATION. EACH OWNER BY THE ACCEPTANCE OF A DEED TO THEIR HOME ACKNOWLEDGES AND AGREES THE ASSOCIATION HAS NO CONTROL WITH REGARD TO ACCESS, PARKING AND USAGE OF SUCH ROADWAYS BY THE GENERAL PUBLIC AND/OR MEMBERS OF THE ASSOCIATION. THE RESPONSIBILITY FOR ENFORCEMENT OF ANY LAWS REGARDING ACCESS, PARKING AND USAGE OF PUBLIC ROADWAYS RESTS SOLELY WITH THE APPLICABLE GOVERNMENTAL AUTHORITY AND THE ASSOCIATION DISCLAIMS RESPONSIBILITY FOR SUCH ENFORCEMENT.

12.4.2 Repairs and Maintenance of Vehicles. No vehicle which cannot operate on its own power shall remain on WELLS CREEK EAST for more than twelve (12) hours, except in the garage of a Home. No repair or maintenance, except emergency repair, of vehicles shall be made within WELLS CREEK EAST, except in the garage of a Home. No vehicles shall be stored on blocks. No tarpaulin covers on vehicles shall be permitted anywhere within the public view.

12.4.3 Prohibited Vehicles. No commercial vehicle, limousine, recreational vehicle, all-terrain vehicles (ATV), boat (or other watercraft), trailer, including, without limitation, boat trailers, house trailers, mobile homes, and trailers of every other type, kind or description, or camper, may be kept within WELLS CREEK EAST except in the garage of a Home. The term "commercial vehicle" shall not be deemed to include law enforcement vehicles, utility vehicles (e.g. Broncos, Blazers, Explorers, Navigators, etc.) or clean "non-working" vehicles such as pick-up trucks, vans, or cars if they are used by the Owner on a daily basis for normal transportation; provided, however, vehicles with ladders, racks, and hooks or such other equipment attached to such vehicles shall be "commercial vehicles" prohibited by this Section. No vehicles displaying commercial advertising shall be parked within the public view. No vehicles bearing a "for sale" sign shall be parked within the public view anywhere within WELLS CREEK EAST. For any Owner who drives an automobile issued by the County or other governmental entity (e.g. police cars), such automobile shall not be deemed to be a commercial vehicle and may be parked in the garage or driveway of the Lot. No vehicle shall be used as a domicile or residence either temporarily or permanently. No all-terrain vehicles (ATVs), golf carts, scooters or mini motorcycles are permitted at any time on any paved surfaces forming a part of the Common Areas (if any). Additionally, no all-terrain vehicle (ATV) or mini motorcycle may be parked or stored within WELLS CREEK EAST, including any Lot, except in the garage of a Home. Notwithstanding any other provision in this Declaration to the contrary, the foregoing restrictions shall not apply to construction vehicles utilized in connection with construction, improvement, installation, or repair by the Declarant, or its agents.

12.4.4 Towing. Subject to applicable laws and ordinances, any vehicle parked in violation of these or other restrictions contained herein or in the Rules and Regulations may be towed by the Association at the sole expense of the owner of such vehicle if such vehicle remains

in violation for a period of twenty-four (24) hours from the time a notice of violation is placed on the vehicle or if such a vehicle was cited for such violation within the preceding fourteen (14) day period. Each Owner by acceptance of title to a Home irrevocably grants the Association and its designated towing service the right to enter a Lot and tow vehicles in violation of this Declaration. Neither the Association nor the towing company shall be liable to the owner of such vehicle for trespass, conversion or otherwise, nor guilty of any criminal act, by reason of such towing or removal and once the notice is posted, neither its removal, nor failure of the owner to receive it for any other reason, shall be grounds for relief of any kind. For purposes of this paragraph, "vehicle" shall also mean campers, mobile homes, trailers, etc. By accepting title to a Home, the Owner provides to the Association the irrevocable right to tow or remove vehicles parked on the Owner's Lot or Common Areas that are in violation of this Declaration. An affidavit of the person posting the foresaid notice stating it was properly posted shall be conclusive evidence of proper posting. THE ROADWAYS WITHIN WELLS CREEK EAST ARE PART OF THE PUBLIC SYSTEM OF ROADWAYS. AS SUCH, IN NO EVENT SHALL THE ASSOCIATION BE RESPONSIBLE FOR TOWING VEHICLES PARKED ON THE ROADWAYS WITHIN WELLS CREEK EAST.

12.5 Casualty Destruction to Improvements. In the event that a Home or other improvement is damaged or destroyed by casualty loss or other loss, then the Owner thereof shall commence to rebuild or repair the damaged Home or improvement, except as provided in Section 14.2.2 of this Declaration. As to any such reconstruction of a destroyed Home or improvements, the same shall only be replaced as approved by the ACC. Notwithstanding anything to the contrary herein, to the extent that insurance coverage obtained and maintained by the Association covers such casualty destruction, the Owner of such damaged or destroyed Home shall not perform any activities that would negate such coverage or impair the availability of such coverage.

12.6 Commercial Activity. Except for normal construction activity, sale, rental and re-sale of a Home, sale or re-sale of other property owned by the Declarant, and administrative offices of the Declarant, no commercial or business activity shall be conducted within WELLS CREEK EAST, including, without limitation, within any Home. Notwithstanding the foregoing, and subject to applicable statutes and ordinances, an Owner may maintain a home business office within a Home for such Owner's personal use; provided, however, business invitees, customers, and clients shall not be permitted to meet with Owners in Homes unless the Board provides otherwise in the Rules and Regulations. No Owner may actively engage in any solicitations for commercial purposes within WELLS CREEK EAST. No solicitors of a commercial nature shall be allowed within WELLS CREEK EAST, without the prior written consent of the Association. No day care center, "half-way house," or assisted living facility may be operated out of a Home. No garage sales are permitted, except as permitted by the Association. Prior to the Community Completion Date, the Association shall not permit any garage sales without the prior written consent of the Declarant.

12.7 Completion and Sale of Homes. No person or entity shall interfere with the completion and sale of Homes and/or Lots within WELLS CREEK EAST. WITHOUT LIMITING THE FOREGOING, EACH OWNER, BY ACCEPTANCE OF A DEED, AGREES THAT ACTIONS OF OWNERS MAY IMPACT THE VALUE OF HOMES AND/OR LOTS; THEREFORE EACH OWNER IS BENEFITED BY THE FOLLOWING RESTRICTIONS: PICKETING AND POSTING OF NEGATIVE SIGNS IS STRICTLY PROHIBITED IN ORDER TO PRESERVE THE VALUE OF THE HOMES AND/OR LOTS IN WELLS CREEK EAST AND THE RESIDENTIAL ATMOSPHERE THEREOF.

12.8 Control of Contractors. Except for direct services which may be offered to Owners (and then only according to the Rules and Regulations relating thereto as adopted from time to time), no person other than an Association officer shall direct, supervise, or in any manner attempt to assert any control over any contractor of the Association.

12.9 Cooking. No cooking shall be permitted nor shall any goods or beverages be consumed on the Common Areas, except in areas designated for those purposes by the Association. The Board

shall have the right to prohibit or restrict the use of grills or barbecue facilities throughout WELLS CREEK EAST.

12.10 Decorations. No decorative objects including, but not limited to, birdbaths, light fixtures, sculptures, statues, or weather vanes, or flagpoles shall be installed or placed within or upon any portion of WELLS CREEK EAST without the prior written approval of the ACC. Notwithstanding the foregoing, holiday lighting and decorations shall be permitted to be placed upon the exterior portions of the Home and upon the Lot in the manner permitted hereunder commencing the week before Thanksgiving and shall be removed not later than January 15th of the following year. The ACC may establish standards for holiday lights and decorations at its sole discretion. The ACC may require the removal of any lighting or decoration that creates a nuisance (e.g., unacceptable spillover to adjacent Home or excessive travel through WELLS CREEK EAST). Except as otherwise provided in Section 720.304(2)(b), Florida Statutes (2018), and subject to the requirements of such provision, no flag poles are permitted without the prior written approval of the ACC.

12.11 Disputes as to Use. If there is any dispute as to whether the use of any portion of WELLS CREEK EAST complies with this Declaration, such dispute shall, prior to the Community Completion Date, be decided by the Declarant, and thereafter by the Board. A determination rendered by such party with respect to such dispute shall be final and binding on all persons concerned.

12.12 Drainage System. Drainage Improvements may be part of the Common Areas and/or Lots. After Drainage Improvements are installed by the Declarant, the maintenance of Drainage Improvements within the boundary of a Lot shall be the responsibility of the Association; however, except as otherwise provided with respect to Townhome Lots in Section 10.10 hereof, the Association shall have no responsibility for landscaping maintenance and the Owner of any such Lot shall be required to maintain such Lot in accordance with the provisions of Section 11 of this Declaration. In the event Drainage Improvements are adversely affected by landscaping, fences, structures, or any other improvements (including, without limitation, pavers), the cost to correct, repair, or maintain such Drainage Improvements shall be the responsibility of the record title owner of the Lot that includes such improvements. By way of example, and not of limitation, if the Owner of one Lot plants a tree (pursuant to ACC approval) and the roots of such tree subsequently affect Drainage Improvements within another Lot, the Owner that planted the tree shall be solely responsible for the removal of the roots which adversely affects the adjacent Lot. NOTWITHSTANDING THE FOREGOING, THE ASSOCIATION AND THE DECLARANT SHALL HAVE NO RESPONSIBILITY OR LIABILITY FOR DRAINAGE PROBLEMS OF ANY TYPE WHATSOEVER.

12.13 Extended Vacation and Absences. In the event a Home will be unoccupied for an extended period, the Home must be prepared prior to departure by: (i) removing all removable furniture, plants and other objects from outside the Home; and (ii) designating a responsible firm or individual to care for the Home, should the Home suffer damage or require attention, and providing a key to that firm or individual. Neither the Association nor the Declarant shall have any responsibility of any nature relating to any unoccupied Home.

12.14 Fences and Walls. No walls or fences shall be erected or installed within a Townhome Lot, except for walls or fences installed by the Declarant. With respect to SFD Lots, no walls or fences shall be erected or installed without prior written consent of the ACC. No chain link fencing of any kind shall be allowed. Fences shall not be installed flush to the ground so that drainage will be blocked in any way. All fences must be in compliance with the Community Standards. Due to the Association's maintenance requirements and responsibilities, the installation of fences within a drainage easement area is not expected to be approved by the ACC. However, in the event a fence is installed within a drainage easement area, with prior written ACC approval, the Owner is solely responsible for fence repair or replacement if the drainage easement area needs to be accessed or as otherwise provided in Section 15.9 hereof. All screening and screened enclosures shall have the prior written approval of the ACC and shall be in compliance with the Community Standards. All enclosures of balconies or patios, including addition of vinyl windows, shall be approved by the ACC and all decks shall have the prior written approval of the ACC.

12.17 Garbage Cans. Trash collection and disposal procedures established by the Association shall be observed. No outside burning of trash or garbage is permitted. No garbage cans, supplies or other similar articles shall be maintained on any Lot so as to be visible by the general public. Each Owner shall be responsible for properly depositing his or her garbage and trash in garbage cans and trash containers sufficient for pick-up by the appropriate collection agencies in accordance with the requirements of any such agency. All such trash receptacles shall be maintained in a sanitary condition and shall be shielded from the view of adjacent properties and streets. Garbage cans and trash containers shall not be placed outside the Home for pick-up earlier than 7:00 p.m. on the day preceding the pick-up and shall be removed the day of pick-up.

12.18 Hurricane Shutters. Any hurricane shutters or other protective devices visible from outside a Home shall be of a type as approved in writing by the ACC, shall match the color or trim of a Home and be of a neutral color. Panel, accordion and roll-up style hurricane shutters may not be left closed during hurricane season (or at any other time). Any such approved hurricane shutters may be installed or closed up to forty-eight (48) hours prior to the expected arrival of a hurricane and must be removed or opened within seventy-two (72) hours after the end of a hurricane watch or warning or as the Board may determine otherwise. Except as the Board may otherwise decide, shutters may not be closed at any time other than a storm event. Any approval by the ACC shall not be deemed an endorsement of the effectiveness of hurricane shutters.

12.19 Irrigation. Due to water quality, irrigation systems may cause staining on Homes, other structures or paved areas. It is each Owner's responsibility to treat and remove any such staining within an Owner's Lot. The Declarant may utilize a computerized loop system to irrigate the Common Areas. Any computerized loop irrigation system that is not the maintenance obligation of an Owner pursuant to the terms of this Declaration shall be the maintenance obligation of the Association.

12.20 Laundry. Subject to the provisions of Section 163.04, Florida Statutes (2018), to the extent applicable, no rugs, mops, or laundry of any kind, or any other similar type article, shall be shaken, hung or exposed so as to be visible outside the Home or Lot. All laws, zoning ordinances and regulations of all governmental entities having jurisdiction thereof shall be observed. The responsibility of meeting the requirements of governmental entities for maintenance, modification or repair of a portion of WELLS CREEK EAST shall be the same as the responsibility for maintenance and repair of the property concerned.

12.22 Leases. Homes may be leased, licensed or occupied only in their entirety and no fraction or portion may be rented. No bed and breakfast facility may be operated out of a Home. Individual rooms of a Home may not be leased on any basis. No transient tenants may be accommodated in a Home. All leases or occupancy agreements of Homes (collectively, "Lease Agreements") are subject to the provisions of this Section 12.22. All Lease Agreements shall be in writing. A copy of all Lease Agreements shall be provided to the Association. No Lease Agreement may be for a term of less than one (1) year, and no Home may be leased more than two (2) times in any calendar year unless otherwise approved by the Association in the case of hardship. The Lessee, as part of the Lease Agreement, shall agree to abide by and adhere to the terms and conditions of this Declaration together with all Rules and Regulations and all policies adopted by the Association. By acceptance of a deed to a Home, the Owner hereby agrees to remove, at the Owner's sole expense, by legal means including eviction, his or her

Lessee should the Lessee refuse or fail to abide by and adhere to this Declaration, the Rules and Regulations and any other policies adopted by the Association. Notwithstanding the foregoing, should an Owner fail to perform his or her obligations under this Section 12.22, the Association shall have the right, but not the obligation, to evict such Lessee and the costs of the same shall be charged to the Owner as an Individual Assessment. All Lease Agreements shall require the Home to be used solely as a private single family residence. Each leased Home shall be occupied by Lessees, members of the Lessee's family, overnight guests and professional caregivers as a residence and for no other purpose. During such time as a Home is leased, the Owner of such Home shall not enjoy the use privileges of the Common Areas appurtenant to such Home.

Each Owner shall collect from their respective Lessee and remit to the Association a security deposit in the amount of Two Hundred and No/100 Dollars (\$200.00), or such other amount as determined by the Board from time to time, to cover expenses related to the maintenance and repairs of the Home and/or damage caused to the Common Areas by the Lessee, members of the Lessee's family, or the Lessee's guests and invitees. The Association shall be entitled to apply the deposit to any tenant obligations in connection with the Home, Common Area, or otherwise described in this Declaration; provided, that, the Lessee does not undertake obligations after notice from the Association. Unless otherwise applied as provided herein, the deposit shall be returned to the Owner upon termination of the lease term after the Association receives notice of such termination. In the event that the Owner does not comply with this Section 12.22, the Association may charge the deposit to the Owner as an Individual Assessment. Notwithstanding anything to the contrary herein, the leasing of a Home to a Lessee and the collection of the deposit referred to herein from an Owner shall not reduce or abate any Owner's obligations pursuant to this Declaration, or give any Owner the right to avoid any of the covenants, agreements, or obligations to be performed hereunder.

12.23 Mailboxes and Lampposts. No mailbox shall be installed by an Owner within WELLS CREEK EAST. No lamppost shall be installed on any Lot without prior written consent of the ACC. The ACC shall have the right to require that all lampposts shall be of one particular type or design specified by the ACC.

The exterior of Homes shall be repainted within forty-five (45) days of notice by the ACC to the Owner of applicable Lot, or to the Neighborhood Association, in the event the Neighborhood Association is responsible for painting the exterior of Homes pursuant to a Neighborhood Declaration. In accordance with the WELLS CREEK PUD, The façade (front) of each Home must have at least two different finishes, one being a primary finish and the secondary finish being an accent feature. No exterior visible antennae, radio masts, towers, poles, aeriels, satellite dishes, or other similar equipment shall be placed on any Home or Lot without the prior written approval thereof being first obtained from the ACC as required by this Declaration. The ACC may require, among other things, that all such improvements be screened so that they are not visible from adjacent Homes, or from the Common Areas. Each Owner agrees that the location of such items must be first approved by the ACC in order to address the safety and welfare of the residents of WELLS CREEK EAST. No Owner shall operate any equipment or device which will interfere with the radio or television reception of others. All antennas not covered by the Federal Communications Commission ("**FCC**") rules are prohibited. Installation, maintenance, and use of all antennas shall comply with the Community Standards adopted by the Board and shall be governed by the then current rules of the FCC.

The Declarant and the Association are exempt from this Section; provided, further, the Declarant specifically reserves the right, for itself and its agents, employees, nominees and assigns the right, privilege and easement to construct, place and maintain upon any property within WELLS CREEK EAST such signs and flags as it deems appropriate in connection with the development, improvement,

The design must incorporate, at a minimum, the following: (i) the composition of the material must be thoroughly tested and accepted by the industry for such construction; (ii) any swimming pool constructed on any Lot shall have an elevation at the top of the pool of not over two feet (2') above the natural grade unless approved by the ACC; (iii) pool enclosures must be of a design, color and material approved by the ACC and shall be no higher than twelve feet (12') unless otherwise approved by the ACC; and (iv) pool enclosures shall in no event be higher than the roof line of the Home. Pool enclosures shall not extend beyond the sides of the Home without express approval by the ACC. All pools shall be adequately maintained and chlorinated (or cleaned with similar treatment) by the respective Owner. Unless installed by the Declarant, no diving boards, slides, or platforms shall be permitted without ACC approval. Under no circumstances may chlorinated water be discharged onto other Owners' lawns, the community streets, or into any retention/detention areas within WELLS CREEK EAST or adjoining properties. No above-ground pools shall be permitted on any Lot.

12.40 Unmanned Aircraft Systems. Drones or similar unmanned aircraft, either with or without cameras, shall not be operated by an Owner, Members, Lessees, guests or invitees on, over or from any Lot or Common Area within WELLS CREEK EAST, except for the purpose of an Owner or their authorized agent periodically inspecting the Owner's respective Lot or Home, or as otherwise permitted

by the Board from time to time. The Board is specifically vested with the exclusive authority to adopt reasonable rules and regulations concerning or related to the operation of drones or similar unmanned aircraft on, over or from Lots or Common Areas. All drones or similar unmanned aircraft systems shall only be operated in accordance with Federal, State and Local regulations, all as amended from time to time. In no event shall an operator of a drone or similar unmanned aircraft system invade the privacy of another person on any Lot or the Common Area. No person shall operate a drone or similar unmanned aircraft system in any manner that constitutes a nuisance or harasses, annoys, or disturbs the quiet enjoyment of another person, including, without limitation, to another Owner, Lessees, guests or invitees.

12.41 Use of Homes. Each Home is restricted to residential use as a residence by the Owner or permitted occupant thereof, Immediate Family Members, guests, Lessees and invitees.

12.42 Visibility on Corners. Notwithstanding anything to the contrary in this Declaration, no obstruction to visibility at street intersections shall be permitted and such visibility clearances shall be maintained as required by the Board and governmental agencies. No vehicles, objects, fences, walls, hedges, shrubs or other planting shall be placed or permitted on a corner Lot where such obstruction would create a traffic problem.

12.43 Wells and Septic Tanks. No individual wells or septic tanks will be permitted on any Lot.

12.44 Wetlands and Mitigation Areas. If the Common Areas may include one or more preserves, wetlands, and/or mitigation areas, no Owner or other person shall take any action or enter onto such areas so as to adversely affect the same without ACC approval and approval from any governmental agencies having jurisdiction. Such areas are to be maintained by the Association in their natural state.

12.45 Window Treatments. Within thirty (30) days of conveyance of title of a Home to an Owner, such Owner shall install drapes, curtains, blinds or other window coverings. No security bars shall be placed on the windows of any Home without prior written approval of the ACC. No awnings, canopies or shutters shall be affixed to the exterior of a Home without the prior written approval of the ACC. No reflective tinting or mirror finishes on windows shall be permitted unless approved by the ACC. Owners are responsible for caulking or re-caulking all windows to ensure water tightness. As used herein, the term "Window Treatment" is limited to traditional window coverings, and excludes, without limitation, sheets, toweling, newspaper, aluminum foil, cardboard or other similar temporary covering.

12.46 Windows or Wall Units. No window or wall air conditioning unit may be installed in any window or wall of a Home.

13. Easement for Unintentional and Non-Negligent Encroachments. If any building or improvement upon a Lot shall encroach upon another Lot or upon the Common Areas by reason of original construction by the Declarant, then an easement for such encroachment shall exist so long as the encroachment exists, with no further action required by the Declarant or any Owner to establish such easement. Lots may contain improvements such as balconies, HVAC systems or other improvements that may pass over or underneath an adjacent Lot or over or underneath the Common Areas. A perpetual nonexclusive easement is herein granted to allow such improvement and to permit any natural water runoff from roof overhangs, eaves and other protrusions onto an adjacent Lot.

14. Requirement to Maintain Insurance.

14.1 Common Areas.

14.1.1 Flood Insurance. If the Common Areas are located within an area which has special flood hazards and for which flood insurance has been made available under the National

Flood Insurance Program (NFIP), the Association shall maintain insurance coverage in appropriate amounts, available under NFIP for all buildings and other insurable property within any portion of the Common Areas located within a designated flood hazard area.

14.1.2 Liability Insurance. The Association shall procure for the Common Areas only commercial general liability insurance coverage providing coverage and limits deemed appropriate by the Board. Such policies must provide that they may not be cancelled or substantially modified by any party, without at least thirty (30) days' prior written notice to the Declarant (until the Community Completion Date) and the Association.

14.1.3 Directors and Officers Liability Insurance. Each member of the Board shall be covered by directors and officers liability insurance in such amounts and with such provisions as approved by the Board.

14.1.4 Other Insurance. The Association shall maintain such other insurance coverage as appropriate from time to time. All coverage obtained by the Association shall cover all activities of the Association and all properties maintained by the Association, whether or not the Association owns title thereto.

14.1.5 Declarant. Prior to the Turnover, the Declarant shall have the right, at the Association's expense, to provide insurance coverage under its master insurance policy in lieu of any of the foregoing.

14.1.6 Neighborhood Insurance. The Board may authorize, if so specified in a Supplemental Declaration applicable to any Neighborhood, the Association to obtain and maintain property insurance on insurable improvements within such Neighborhood which insurance shall comply with the requirements of this Section 14.1 and liability insurance in such amount as the Board determines appropriate. Premiums for insurance on Exclusive Common Areas or Homes within a Neighborhood may be included in the Neighborhood Expenses of the Neighborhood to which such Exclusive Common Areas are assigned or in which such Homes are located, unless the Board determines that other treatment of the premiums is more appropriate.

14.2 Homes.

14.2.1 Requirement to Maintain Insurance.

14.2.1.1 SFD Lots. Each Owner of a SFD Lot shall be required to obtain and maintain adequate insurance on his or her Home. Such insurance shall be sufficient for necessary repair or reconstruction work, and/or shall cover the costs to demolish a damaged Home as applicable, remove the debris, and to re-sod and landscape land comprising the Lot. Upon the request of the Association, each Owner shall be required to supply the Board with evidence of insurance coverage on its Home which complies with the provisions of this Section. Without limiting any other provision of this Declaration or the powers of the Association, the Association shall specifically have the right to bring an action to require an Owner to comply with his or her obligations hereunder.

14.2.1.2 Townhome Lots. The Association is required to obtain and maintain insurance for all Homes within the Townhome Neighborhood in accordance with this Section 14.2.1.2. Such insurance shall be sufficient for necessary repair or reconstruction work, and/or shall cover the costs to demolish a damaged Home, as applicable, and remove the debris. Notwithstanding the foregoing, Owners are required to obtain insurance coverage at their own expense for personal property within the boundaries of the Lot, including, without limitation, all floor, wall and ceiling coverings, electrical fixtures, appliances, air conditioning and heating equipment, air conditioner air handling equipment, water heaters, water filters, built-in cabinets and countertops, and window

treatments, including curtains, drapes, blinds, hardware, and similar window treatment components, or replacements of any of the foregoing which are located within the boundaries of the Home, as well as any other personal property items within Lot and Home. Owners also should obtain personal liability and loss of use coverage as the Association shall have no responsibility for such coverage. Insurance policies issued to individual Owners shall provide the coverage afforded by such policies is excess over the amount recoverable under any other policy covering the same property without rights of subrogation against the Association. Unless the Association elects otherwise, the insurance purchased by the Association shall not cover claims related to replacement of sod, flooding, claims against an Owner due to accidents occurring within his or her Lot, or theft loss to the contents of any Owner's Lot. It shall be the obligation of the individual Owner, if such Owner so desires, to purchase and pay for insurance as to all such other risks not covered by insurance carried by the Association. Each insurance policy issued to an individual Owner providing such coverage shall be without rights of subrogation against the Association. The costs of all insurance maintained by the Association for Townhome Lots, and any other fees or expenses incurred that may be necessary or incidental to carry out the provisions hereof, shall be part of the Neighborhood Expenses for the Townhome Neighborhood and each Owner of a Townhome Lot shall pay an equal share of such costs. The costs associated with any deductible payable by the Association in connection with insurance claims related to the repair or reconstruction of a Home shall be assessed against the respective Townhome Lot(s) as an Individual Assessment.

14.2.2 Requirement to Reconstruct or Demolish.

14.2.2.1 SFD Lots. In the event that any Home on a SFD Lot is destroyed by fire or other casualty, the Owner of such Home shall do one of the following: (i) the Owner shall commence reconstruction and/or repair of the Home ("**Required Repair**"), or (ii) the Owner shall tear the Home down, remove all the debris, and resod and landscape the property comprising the Home as required by the ACC ("**Required Demolition**") to the extent permitted under law. If an Owner elects to perform the Required Repair, such work must be commenced within thirty (30) days of the Owner's receipt of the insurance proceeds respecting such Home and the Required Repair must be completed within six (6) months from the date of the casualty or such longer period of time established by the Board in its sole and absolute discretion subject to extension if required by law. If an Owner elects to perform the Required Demolition, the Required Demolition must be completed within six (6) months from the date of the casualty or such longer period of time established by the Board in its sole and absolute discretion subject to extension if required by law. If an Owner elects to perform the Required Repair, such reconstruction and/or repair must be completed in a continuous, diligent, and timely manner. The Association shall have the right to inspect the progress of all reconstruction and/or repair work. Without limiting any other provision of this Declaration or the powers of the Association, the Association shall have a right to bring an action against an Owner who fails to comply with the foregoing requirements. By way of example, the Association may bring an action against an Owner who fails to either perform the Required Repair or Required Demolition on his or her Home within the time periods and in the manner provided herein. Each Owner acknowledges that the issuance of a building permit or a demolition permit in no way shall be deemed to satisfy the requirements set forth herein, which are independent of, and in addition to, any requirements for completion of work or progress requirements set forth in applicable statutes, zoning codes and/or building codes.

14.2.2.2 Townhome Lots. In the event that any Home within the Townhome Neighborhood is destroyed by fire or other casualty, the Association shall process an insurance claim for such Home and commence reconstruction and/or repair of the Home with insurance proceeds. Such reconstruction and/or repair of the Home shall be

commenced within sixty (60) days of the Association's receipt of the insurance proceeds applicable to such Home.

14.2.3 Standard of Work. The standard for all demolition, reconstruction, and other work performed as required by this Section 14.2 shall be in accordance with the Community Standards and any other standards established by the Association with respect to any casualty that affects all or a portion of WELLS CREEK EAST.

14.2.4 Additional Rights of Association.

14.2.4.1 SFD Lots. If an Owner of a SFD Lot refuses or fails, for any reason, to perform the Required Repair or Required Demolition as herein provided, then the Association, in its sole and absolute discretion, by and through its Board is hereby irrevocably authorized by such Owner to perform the Required Repair or Required Demolition. All Required Repair performed by the Association pursuant to this Section shall be in conformance with the original plans and specifications for the Home. The Association shall have the absolute right to perform the Required Demolition to a Home pursuant to this Section if any contractor certifies in writing to the Association that such Home cannot be rebuilt or repaired. The Board may levy an Individual Assessment against the Owner in whatever amount sufficient to adequately pay for Required Repair or Required Demolition performed by the Association, including any costs incurred with the management and oversight of any such Required Repair or Required Demolition performed by the Association.

14.2.4.2 Townhome Lots. Each Owner of a Townhome Lot, by acceptance of a deed to their Townhome Lot, irrevocably authorizes the Association to perform the reconstruction and/or repair of their damaged or destroyed Home. All repairs or reconstruction performed by the Association shall be in conformance with the original plans and specifications for the Home. The Association shall have the absolute right to perform reconstruction and/or repair of a damaged or destroyed Home covered by the insurance policy purchased by the Association. The Board may levy an Individual Assessment against the affected Owner in whatever amount sufficient to adequately pay for repairs or reconstruction of the affected Homes to the extent insurance proceeds are not sufficient.

14.2.5 Association Has No Liability. Notwithstanding any provision to the contrary contained herein or in any other Governing Document, neither the Association nor the Declarant shall be responsible for ensuring or confirming compliance with the insurance provisions contained herein, it being acknowledged by all Owners that such monitoring would be unnecessarily expensive and difficult. Moreover, neither the Association nor the Declarant shall be liable in any manner whatsoever for failure of an Owner to comply with this Section 14.

14.3 Fidelity Bonds. If available, the Association shall procure a blanket fidelity bond for all officers, directors, trustees and employees of the Association, and all other persons handling or responsible for funds of, or administered by, the Association. In the event the Association delegates some or all of the responsibility for the handling of the funds to a professional management company or licensed manager, such bonds shall be required for its officers, employees and agents, handling or responsible for funds of, or administered on behalf of the Association. The amount of the fidelity bond shall be based upon the Board's reasonable business judgment.

14.4 Association as Agent. The Association is irrevocably appointed agent for each Owner of any interest relating to the Common Areas and Homes to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

14.5 Casualty to Common Areas. In the event of damage to the Common Areas, or any portion thereof, the Association shall be responsible for reconstruction after casualty.

14.6 Nature of Reconstruction. Any reconstruction of improvements hereunder shall be substantially in accordance with the plans and specifications of the original improvement, or as the improvement was last constructed, subject to modification to conform to the then current governmental regulation(s).

14.7 Cost of Payment of Premiums and Deductibles. Except as otherwise provided herein, the costs of all insurance maintained by the Association hereunder, and any other fees or expenses incurred that may be necessary or incidental to carry out the provisions hereof are Operating Expenses. The costs associated with any deductible payable by the Association in connection with insurance claims related to the repair or reconstruction of a Home as provided herein shall be assessed against the respective Lot(s) as an Individual Assessment.

14.8 Declarant has No Liability. Notwithstanding anything to the contrary in this Section, the Declarant, its officers, directors, shareholders, and any related persons or corporations and their employees, attorneys, agents, officers and directors shall not be liable to any Owner or any other person should the Association fail for any reason whatsoever to obtain insurance coverage for the Common Areas or should the Owner fail for any reason whatsoever to obtain insurance coverage for their Home.

14.9 Additional Insured. Prior to Community Completion Date, the Declarant shall be named as additional insured on all policies obtained by the Association, as their interests may appear.

15. Property Rights.

15.1 Owners' Easement of Enjoyment. Every Owner, its Immediate Family Members, Lessees, guests and invitees, and every owner of an interest in WELLS CREEK EAST shall have a non-exclusive right and easement of enjoyment in and to those portions of the Common Areas that it is entitled to use for their intended purpose, subject to the following provisions:

15.1.1 Easements, restrictions, reservations, conditions, limitations and declarations of record, now or hereafter existing, and the provisions of this Declaration, as amended;

15.1.2 Rules and Regulations adopted governing use and enjoyment of the Common Areas;

15.1.3 The right of the Association to suspend rights hereunder, including, without limitation, voting rights, or to impose fines in accordance with Section 720.305, Florida Statutes (2018);

15.1.4 The right of the Association to suspend the right to use (except vehicular and pedestrian ingress and egress and necessary utilities) all or a portion of the Common Areas for any period during which any Assessment levied against that Owner remains unpaid;

15.1.5 The right of the Declarant and/or the Association to dedicate or transfer all or any part of the Common Areas. No such dedication or transfer by the Association shall be effective prior to the Community Completion Date without prior written consent of the Declarant;

15.1.6 The right of the Declarant and/or the Association to modify the Common Areas as set forth in this Declaration;

15.1.7 The perpetual right of the Declarant to access and enter the Common Areas at any time, even after the Community Completion Date, for the purposes of inspection and testing of the Common Areas. The Association and each Owner shall give the Declarant unfettered access, ingress and egress to such Common Areas so the Declarant and/or its agents can perform all tests and inspections deemed necessary by the Declarant. The Declarant shall have the right to make all repairs and replacements deemed necessary by the Declarant. At no time

shall the Association or any Owner prevent, prohibit and/or interfere with any testing, repair or replacement deemed necessary by the Declarant relative to any portion of the Common Areas;

15.1.8 The rights of the Declarant and/or the Association reserved in this Declaration, including the right to utilize the same and to grant use rights to others; and

15.1.9 An Owner relinquishes use of the Common Areas during the time that a Home is leased to a Lessee.

15.2 Ingress and Egress. An ingress and egress easement is hereby created and reserved by the Declarant for the Owners, their Lessees, guests and invitees, for pedestrian traffic over, through and across sidewalks, paths, walks, driveways, passageways, and lanes as the same, may exist upon, or be designed as part of, the Common Areas, and for vehicular traffic over, through and across such portions of the Common Areas, as may be paved and intended for such purposes.

15.3 Development Easement. In addition to the rights reserved elsewhere herein, the Declarant reserves an easement for itself and its nominees, over, upon, across, and under WELLS CREEK EAST as may be required in connection with the development of WELLS CREEK EAST, and/or other lands designated by the Declarant, and to promote or otherwise facilitate the development, construction and sale and/or leasing of Homes, or any portion of WELLS CREEK EAST, and/or other lands designated by the Declarant. Without limiting the foregoing, the Declarant specifically reserves the right to use all paved roads and rights of way within WELLS CREEK EAST for vehicular and pedestrian ingress and egress to and from construction sites. Specifically, each Owner acknowledges construction vehicles and trucks may use portions of the Common Areas. The Declarant shall have no liability or obligation to repave, restore, or repair any portion of the Common Areas as a result of the use of the same by construction traffic, and all maintenance and repair of such Common Areas shall be deemed ordinary maintenance of the Association payable by all Owners as part of Operating Expenses. Without limiting the foregoing, at no time shall the Declarant be obligated to pay any amount to the Association on account of the Declarant's use of the Common Areas. The Declarant may market other residences and commercial properties located outside of WELLS CREEK EAST from the Declarant's sales facilities located within WELLS CREEK EAST. The Declarant has the right to use all portions of the Common Areas in connection with its marketing activities, including, without limitation, allowing members of the general public to inspect model homes, installing signs and displays, holding promotional parties and outings, and using the Common Areas for every other type of promotional or sales activity that may be employed in the marketing of residential homes. The easements created by this Section, and the rights reserved herein in favor of the Declarant, shall be construed as broadly as possible and supplement the rights of the Declarant set forth in Section 21 of this Declaration. At no time shall the Declarant incur any expense whatsoever in connection with its use and enjoyment of such rights and easements.

15.4 Public Easements. Fire, police, school transportation, health, sanitation and other public service and utility company personnel and vehicles shall have a permanent and perpetual easement for ingress and egress over and across the Common Areas.

15.5 Delegation of Use. Every Owner shall be deemed to have delegated its right of enjoyment to the Common Areas to the Owner's Lessees, subject to the provisions of this Declaration and the Rules and Regulations, as may be promulgated from time to time. Any such delegation shall not relieve any Owner from its responsibilities and obligations provided herein.

15.6 Easement for Encroachments. In the event that any improvement upon Common Areas as originally constructed, shall encroach upon any other property or improvements thereon, or for any reason, then an easement appurtenant to the encroachment shall exist for so long as the encroachment shall naturally exist.

15.7 Permits, Licenses and Easements. Prior to the Community Completion Date, the Declarant, and thereafter the Association, shall, in addition to the specific rights reserved to the Declarant herein, have the right to grant, modify, amend and terminate permits, licenses and easements over, upon,

across, under and through WELLS CREEK EAST (including Lots, Parcels and/or Homes) for utilities, roads and other purposes reasonably necessary or useful as it determines, in its sole discretion. To the extent legally required, each Owner shall be deemed to have granted to the Declarant, and thereafter the Association, an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

15.8 Support Easement and Maintenance Easement. An easement is hereby created for the existence and maintenance of supporting structures (and the replacement thereof) in favor of the entity required to maintain the same. An easement is hereby created for maintenance purposes (including access to perform such maintenance) over and across WELLS CREEK EAST (including Lots, Parcels, and Homes) for the reasonable and necessary maintenance of Common Areas, utilities, cables, wires and other similar facilities.

15.9 Drainage. A non-exclusive easement shall exist in favor of the Declarant, the Association, SJRWMD, the City, the County, and/or any federal agency having jurisdiction over WELLS CREEK EAST over, across and upon WELLS CREEK EAST for drainage, irrigation and water management purposes. Any such drainage easement shall not contain permanent improvements, including but not limited to sidewalks, driveways, impervious surfaces, patios, decks, pools, air conditioners, structures, utility sheds, poles, fences, irrigation systems, trees, shrubs, hedges or landscaping plants other than grass, except for (i) improvements installed by the Declarant, (ii) landscaping of the SMS, (iii) as required by the County or the Permit, and/or (iv) improvements approved by the ACC. A non-exclusive easement for ingress and egress and access exists for such parties in order to construct, maintain, inspect, record data on, monitor, test, or repair, as necessary, any water management areas, conservation areas, mitigation areas, irrigation systems and facilities thereon and appurtenances thereto. No structure, landscaping, or other material shall be placed or be permitted to remain which may damage or interfere with the drainage or irrigation of WELLS CREEK EAST and/or installation or maintenance of utilities or which may obstruct or retard the flow of water through WELLS CREEK EAST and/or water management areas and facilities or otherwise interfere with any drainage, irrigation and/or easement provided for in this Section or the use rights set forth elsewhere in this Declaration.

15.10 Blanket Easement in favor of Association. The Association is hereby granted an easement over all of WELLS CREEK EAST, including all Lots, for the purposes of: (i) constructing, maintaining, replacing and operating all Common Areas; (ii) performing any obligation the Association is obligated to perform under this Declaration; and (iii) performing any obligation of an Owner for which the Association intends to impose an Individual Assessment.

15.11 Utility Easement. Certain Lots within WELLS CREEK EAST contain certain underground or under-slab utilities, including, without limitation, electric, water, sewer, cable or other utilities ("**Utilities**") that serve other Lots within WELLS CREEK EAST. An easement (the "**Utility Easement**") is hereby granted under, through and over the areas of each Lot upon which Utilities are actually located (the "**Utility Easement Area**"), as may be required from time to time in order to install, maintain, inspect, alter, repair, replace or remove (collectively, "**Maintain**") the pipes, wires, ducts, vents, cables, conduits, apparatus and other facilities for such Utilities. The Utility Easement shall be in favor of (i) the other Owners whose Lots are served by such Utilities (each, a "**Benefitted Owner**"), (ii) the entities providing such Utilities (each, a "**Provider**"), the Declarant and the Association. The easement rights granted hereunder shall exist so long as the easement does not materially and adversely affect the Owner's use and enjoyment of his or her Home as a residence. The Owners of the Lots encumbered by the Utility Easement shall be reimbursed for any material physical damage to his or her Home or Lot as a result of use of this easement by the Benefitted Owner(s), the Provider(s), the Declarant, or the Association. Notwithstanding any other provision hereof to the contrary, the Utility Easement Area shall be limited to the area upon which Utilities are actually located. An Owner shall do nothing within or outside his or her Home or Lot that interferes with or impairs, or may interfere with or impair, the provision of such Utilities or the use of the Utility Easement for the foregoing purposes. The Benefitted Owner(s), Provider(s), the Declarant, and the Association, and/or their respective agents shall have a right of access to each Lot to Maintain the Utilities and to remove any improvements interfering with or impairing such Utilities. Such right of access, except in the event of an emergency, shall only be exercised in a manner which causes

the least disturbance to the improvements located upon the Lot encumbered by the Utility Easement and shall not unreasonably interfere with the Owner's use of the Home as a residence. Except in the event of an emergency (which shall not require prior notice), entry shall be made on not less than one (1) days' notice to the Owner.

15.12 Stormwater Management System.

15.12.1 The unobstructed drainage easements depicted and dedicated on the Plat shall permit the City to discharge into the SMS which these easements traverse, all water that may fall on or come upon the rights-of-way dedicated on the Plat, together with all substances or matter that may flow or pass from said rights-of-way; from adjacent land or from any other source of public waters into or through said SMS, without any liability whatsoever on the part of the City for any damage, injuries or loss to persons or property resulting from the acceptance or use of these drainage easements by the City.

15.12.2 The SMS depicted on the Plat are owned in fee simple title by the abutting Owner(s), its successors and assigns, and all maintenance and any other matters pertaining to said SMS are the responsibility of said Owners. The City by acceptance of the Plat assumes no responsibility whatsoever for the SMS. Upon failure of the Association to perform the obligation of maintenance and any other matters pertaining to said SMS, as well as other tracts and parcels identified on the Plat for any use, as shown on the Plat, the obligation therefor would then fall equally on all Owners.

15.12.3 The City shall not be liable nor responsible for the creation, operation, failure or destruction of water level control equipment which may be constructed or installed by the Declarant or any other person within the area of the lands subject to the Plat, or of the SMS shown on the Plat, but shall have the right to maintain the water level in accordance with any state and local permits, including the repair, removal or replacement of the SMS and the control structures to effect adequate drainage for the rights-of-ways dedicated hereon.

15.12.4 All unobstructed private drainage easements, together with all landscape and maintenance easements shown on the Plat shall remain privately owned and the sole and exclusive property of the Association. The Declarant does hereby reserve unto itself, its successors and assigns, a non-exclusive easement for landscaping and construction of signs over all non-access easements, and also non-exclusive easement(s) over all the lands designated as unobstructed private drainage easements shown on the Plat, the maintenance responsibilities of which shall be those of the Association.

15.13 Duration. All easements created herein or pursuant to the provisions hereof shall be perpetual unless stated to the contrary.

16. Party Walls.

16.1 General Rules of Law to Apply. To the extent not inconsistent with the provisions of this Section, the general rule of law regarding party walls and liability for personal damage due to negligence of willful acts or omissions shall apply to all Party Walls within WELLS CREEK EAST that are built as part of the original construction of the Homes and any replacement thereof. In the event any portion of any structure or facility, as originally constructed, including, without limitation, any Party Wall, shall protrude over an adjoining Home, it shall be deemed that such Owners have granted perpetual easements to the adjoining Owner or Owners for continuing maintenance and use of the projection or Party Wall. The foregoing shall also apply to any replacements of any Party Walls. The foregoing conditions shall be perpetual in duration.

16.2 Painting. Each Owner shall be responsible for painting the portion of any Party Wall that faces his or her Home.

16.3 Sharing of Repair, Replacement and Maintenance for Party Walls.

16.3.1 Generally. The cost of reasonable repair and maintenance of Party Walls (other than painting) shall be shared equally by the Owners of the Homes sharing such improvements without prejudice, however, to the right of any Owner to call for a larger contribution from the other under any rule of law regarding liability for negligent or willful acts or omissions.

16.3.2 Failure to Contribute. In the event that an Owner shall fail or refuse to pay his pro rata share of costs of repair, maintenance, or replacement of a Party Wall (whether or not through his own fault or the failure of his insurance company to pay any claim), then and in that event, the Owner advancing monies therefor shall have a right to file a claim of lien for such monies advanced in the Public Records and shall have the right to foreclose said lien in accordance with the same procedural requirements as now provided for in Florida Statutes for foreclosure of the construction lien; provided, however, such claim of lien shall be filed within ninety (90) days from the date repairs or replacements are made to the Party Wall and suit thereon shall be commenced one (1) year from date such lien is filed.

16.3.3 Alterations. The Owner of a Home sharing a Party Wall with an adjoining Home shall not cut windows or other openings in the Party Wall, nor make any alterations, additions or structural changes in the Party Wall without the joint agreement of all of the Owners sharing the Party Wall.

16.3.4 Weatherproofing. Notwithstanding any other provisions of this Declaration, an Owner who by his negligent or willful act causes a Party Wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

16.3.5 Easements. Each Owner sharing a Party Wall shall have all easement rights reasonably necessary to perform the obligations contained herein over the Homes sharing the Party Wall. Without limiting the generality of the foregoing, in the event an electrical meter, electrical apparatus, CATV cable or other utilities apparatus is installed within a Lot and serves more than such Lot, the Owners of the other Lot(s) served thereby shall have an easement for access to inspect and repair of such apparatus, provided that such easement rights shall be exercised in a reasonable manner and the Owner of the Lot encumbered by the easement shall be reimbursed for any significant physical damage to his Lot as a result of such exercise by the Owner(s) making use of such easement(s).

17. Assessments.

17.1 General. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title in any manner (whether or not so expressed in the deed), including any purchaser at a judicial sale, shall be deemed to have covenanted and agreed to pay to the Association at the time and in the manner required by the Board, assessments or charges as are fixed, established and collected from time to time by the Association (collectively, the "Assessments"). As Vacant Lots and Spec Lots (as defined herein) may not receive certain services, all Lots will not be assessed uniformly.

17.2 Purpose of Assessments. The Assessments levied by the Association shall be used for, among other things, the purpose of operating and maintaining the Association and WELLS CREEK EAST. Assessments shall include the following categories of charges as and when levied and deemed payable by the Board:

17.2.1 Any periodic assessment (on such frequency as determined by the Board) or charge for the purpose of operating the Association and accomplishing any and all of its purposes, as determined in accordance herewith, including, without limitation, payment of Operating Expenses (including, without limitation, any amounts due under the Master Governing

Documents) and collection of amounts necessary to pay any deficits from prior years' operation ("**Installment Assessments**");

17.2.2 Any special assessments for capital improvements, major repairs, emergencies, or nonrecurring expenses ("**Special Assessments**");

17.2.3 Any specific fees, dues or charges to be paid for any special services, for any special or personal use of the Common Areas, or to reimburse the Association for the expenses incurred in connection with such service or use ("**Use Fees**");

17.2.4 Assessments of any kind for the creation of reasonable reserves for any of the aforesaid purposes. The Board may, but shall have no obligation to, include a "Reserve for Replacement" in the Installment Assessments in order to establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements comprising a portion of the Common Areas (the "**Reserves**"), including, without limitation, Reserves for maintenance, repair and replacement of Recreational Facilities. Reserves shall be payable in such manner and at such times as determined by the Association, and may be payable in installments extending beyond the fiscal year in which the Reserves are established;

17.2.5 Any specific assessment for costs incurred by the Association, or charges, fees or fines levied against a specific Lot or Lots, or the record title owner(s) thereof, which amounts are by their nature applicable only to one or more Lots, but less than all Lots ("**Individual Assessments**"). By way of example and not limitation, in the event an Owner fails to maintain their Lot or the exterior of their Home in a manner required by the Governing Documents, the Association shall have the right, through its agents and employees, to enter upon the Lot and to repair, restore, and maintain the Lot and/or Home as required by the Governing Documents. The costs of any such repair, restoration and/or maintenance, plus the reasonable administrative expenses of the Association and any costs incurred in bringing a Lot and/or Home into compliance with the Governing Documents shall be an Individual Assessment. The lien for an Individual Assessment may be foreclosed in the same manner as any other Assessment; and

17.2.6 Assessments for which Owners in a particular Neighborhood or Neighborhoods are subject in order to fund Neighborhood Expenses ("**Neighborhood Assessments**"). The Association is hereby authorized to levy Neighborhood Assessments against all Lots subject to Assessment in the Neighborhood to fund Neighborhood Expenses. The lien for Neighborhood Assessments may be foreclosed in the same manner as any other Assessment.

17.3 Designation. The designation of Assessment type and amount shall be made by the Association. Prior to the Community Completion Date, any such designation must be approved by the Declarant. Such designation may be made on the budget prepared by the Association. The designation shall be binding upon all Owners.

17.4 Allocation of Operating Expenses.

17.4.1 Commencing on the first day of the period covered by the annual budget, and until the adoption of the next annual budget, the Assessments for Operating Expenses and Reserves (if any) shall be allocated so that each Owner shall pay Operating Expenses, Special Assessments and Reserves based upon a fraction, the numerator of which is one (1) and the denominator of which is the total number of all Lots in WELLS CREEK EAST conveyed to Owners or any greater number determined by the Declarant from time to time. The Declarant, in its sole and absolute discretion may change such denominator from time to time; provided, however, under no circumstances will the denominator be less than the number of Lots owned by Owners. In addition, any Lot that does not have a Home constructed thereon as evidenced by a Certificate of Occupancy (a "**Vacant Lot**") and any Lot that has a Home constructed thereon but is owned by the Declarant (a "**Spec Lot**") shall be assessed at ten percent (10%) of the Installment Assessment and Neighborhood Assessment assessed to Lots with Homes

constructed thereon and owned by Owners. The Vacant Lot Assessment and the Spec Lot Assessment shall be additional income to the Association and shall be used at the discretion of the Board for any purpose, including, without limitation, future and existing capital improvements, Operating Expenses, support costs and start-up costs. Vacant Lots and Spec Lots shall not be included in the denominator used to determine each Owner's pro rata share of the Operating Expenses and Reserves (if any), unless otherwise determined by the Declarant in its sole and absolute discretion. In no event, however, shall the Declarant pay Special Assessments.

17.4.2 In the event the Operating Expenses as estimated in the budget for a particular fiscal year are, after the actual Operating Expenses for that period is known, less than the actual costs, then the difference shall, at the election of the Association: (i) be added to the calculation of Installment Assessments, as applicable, for the next ensuing fiscal year; or (ii) be immediately collected from the Owners as a Special Assessment. The Association shall have the unequivocal right to specially assess Owners retroactively on January 1st of any year for any shortfall in Installment Assessments, which Special Assessment shall relate back to the date that the Installment Assessments could have been made. After the Turnover Date, no vote of the Owners shall be required for such Special Assessment (or for any other Assessment) except to the extent specifically provided herein. Prior to the Turnover, a Special Assessment may be levied by the Association with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Owners' Voting Interests present (in person or by proxy) at a duly noticed meeting of the members.

17.4.3 Each Owner agrees that so long as it does not pay more than the required amount it shall have no grounds upon which to object to either the method of payment or non-payment by other Owners or the Declarant of any sums due.

17.5 General Assessments Allocation. Installment Assessments and Reserves (if any) shall be uniform for all Lots improved with a Home, except as provided herein. Special Assessments and Reserves shall be allocated equally to each Owner. Notwithstanding anything to the contrary contained in the Governing Documents, but subject to the rights of the Declarant pursuant to Section 17.8 of this Declaration, Vacant Lots and Spec Lots shall be assessed at ten percent (10%) of the Installment Assessments and Neighborhood Assessments assessed to Lots with Homes constructed thereon and owned by Owners. This lesser Assessment amount reflects that Vacant Lots and Spec Lots will not benefit from maintenance and other services provided by the Association. At such time as a Home is conveyed by the Declarant to an Owner, then the Spec Lot shall be deemed a fully assessed Lot and shall be responsible for one-hundred percent (100%) of Installment Assessments, Neighborhood Assessments and Special Assessments, except as otherwise provided herein. Notwithstanding any other provision to the contrary, Vacant Lots and Spec Lots shall not be responsible for Reserves.

17.6 Use Fees and Individual Assessment. Except as hereinafter specified to the contrary, Use Fees and Individual Assessments shall be made against the Owners benefiting from, or subject to, the special service or cost as specified by the Association.

17.7 Commencement of First Assessment. Assessments shall commence as to each Owner on the day of the conveyance of title of a Home to such Owner. The record title owner of a Lot is jointly and severally liable with the previous record title owner of the Lot for all unpaid Assessments that came due up to the time of transfer of title. A record title owner of a Lot, regardless of how title to the Lot has been acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, is liable for all Assessments that come due while such person or entity was the record title owner of the Lot. An Owner's liability for Assessments may not be avoided by waiver or suspension of the use or enjoyment of any Common Areas or by abandonment of the Lot upon which the Assessments are made.

17.8 Shortfalls and Surpluses. Each Owner acknowledges that because Installment Assessments, Special Assessments, and Reserves are allocated based on the formula provided herein, or upon the number of Lots conveyed to Owners in the prior fiscal year, it is possible the Association may collect more or less than the amount budgeted for Operating Expenses. Prior to the Turnover, the

Declarant shall have the option to (i) pay any Operating Expenses incurred by the Association that exceed the Assessments receivable from Owners and other income of the Association, including, without limitation, the Initial Contributions and Resale Contributions, late fees and interest (the "**Deficit**"), or (ii) pay Installment Assessments on Homes or Lots owned by the Declarant at the applicable rate of Installment Assessments established for Lots and Homes, including Vacant Lots and Spec Lots, owned by Class A Members. Notwithstanding any other provision of this Declaration to the contrary, the Declarant shall never be required to (i) pay Assessments if the Declarant has elected to fund the Deficit instead of paying Assessments on Homes or Lots owned by the Declarant, (ii) pay Special Assessments, Individual Assessments or Reserves, or (iii) fund deficits due to delinquent Owners. Any surplus Assessments collected by the Association may be allocated towards the next year's Operating Expenses or, in the Association's sole and absolute discretion, to the creation of Reserves, whether or not budgeted. Under no circumstances shall the Association be required to pay surplus Assessments to Owners. The Declarant may at any time give thirty (30) days prior written notice to the Association terminating its responsibility for funding the Deficit, and waiving its right to exclusion from Assessments. Upon giving such notice, or upon Turnover, whichever is sooner, each Lot owned by the Declarant shall thereafter be assessed at the applicable rate of Installment Assessments established for Lots and Homes, including Vacant Lots and Spec Lots, owned by Class A Members. The Declarant shall not be responsible for any Reserves, Individual Assessments or Special Assessments, even after the Turnover. The Declarant shall be assessed only for Lots which are subject to the operation of this Declaration. Upon transfer of title of a Lot owned by the Declarant, the Lot shall be assessed in the amount established for Lots owned by Owners other than the Declarant, prorated as of and commencing with, the month following the date of transfer of title.

THE DECLARANT DOES NOT PROVIDE A GUARANTEE OF THE LEVEL OF ASSESSMENTS. AS SUCH, THERE IS NO MAXIMUM GUARANTEED LEVEL OF ASSESSMENTS DUE FROM OWNERS. IN THE EVENT THE DECLARANT ELECTS TO DEFICIT FUND IN LIEU OF PAYING ASSESSMENTS ON THE SAME BASIS AS OTHER OWNERS, THE DECLARANT SHALL SPECIFICALLY ELECT TO FUND THE DEFICIT AS PROVIDED IN SECTION 720.308(1)(B), FLORIDA STATUTES (2018). AS SUCH, THE PROVISIONS OF SECTIONS 720.308(2) THROUGH 720.308(6), FLORIDA STATUTES (2018), ARE NOT APPLICABLE TO THE DECLARANT OR THE CALCULATION OF THE DEFICIT OR OTHER AMOUNTS DUE FROM THE DECLARANT.

17.9 Budgets. The initial budget prepared by the Declarant is adopted as the budget for the period of operation until adoption of the first annual Association budget. Thereafter, annual budgets shall be prepared and adopted by the Board. Assessments shall be payable by each Owner as provided in this Declaration. THE INITIAL BUDGET OF THE ASSOCIATION IS PROJECTED (NOT BASED ON HISTORICAL OPERATING FIGURES). THEREFORE, IT IS POSSIBLE THAT ACTUAL ASSESSMENTS MAY BE LESS OR GREATER THAN PROJECTED.

17.10 Establishment of Assessments. Assessments shall be established in accordance with the following procedures:

17.10.1 Installment Assessments and Neighborhood Assessments shall be established by the adoption of a twelve (12) month operating budget by the Board. The budget shall be in the form required by Section 720.303(6), Florida Statutes (2018). The Board may from time to time determine when the Installment Assessments and Neighborhood Assessments will be collected by the Association (i.e. monthly, quarterly, or annually). Unless otherwise established by the Board, Installment Assessments and Neighborhood Assessments shall be collected in advance on a quarterly basis.

17.10.2 Special Assessments and Individual Assessments may be established by the Association, from time to time, and shall be payable at such time or time(s) as determined by the Board. Until the Community Completion Date, no Special Assessment shall be imposed without the consent of the Declarant.

17.10.3 The Association may establish, from time to time, by resolution, rule or regulation, or by delegation to an officer or agent, including, a professional management company, Use Fees. The sums established shall be payable by the Owner utilizing the service or facility as determined by the Association.

17.11 Initial Contribution. The first purchaser of each Home from the Declarant, at the time of closing of the conveyance from the Declarant to the purchaser, shall pay to the Association an initial contribution in the amount of Seven Hundred Fifty and No/100 Dollars (\$750.00) (the "**Initial Contribution**"). The funds derived from the Initial Contributions are income to the Association and shall be used by the Board exclusively for purposes which provide a direct benefit (as defined in 77 Fed. Reg. 15574 (Mar. 16, 2012)) to WELLS CREEK EAST, including, without limitation, future and existing capital improvements, Operating Expenses, support costs and start-up costs.

17.12 Resale Contribution. After the Home has been conveyed to the first purchaser by the Declarant, there shall be collected from the purchaser upon every subsequent conveyance of an ownership interest in a Home by an Owner a resale contribution in the amount of Two Hundred Fifty and No/100 Dollars (\$250.00) (the "**Resale Contribution**"). The Resale Contribution shall not be applicable to conveyances from the Declarant. The funds derived from the Resale Contributions are income to the Association and shall be used by the Board exclusively for purposes which provide a direct benefit (as defined in 77 Fed. Reg. 15574 (Mar. 16, 2012)) to WELLS CREEK EAST, including, without limitation, future and existing capital improvements, Operating Expenses, support costs and start-up costs.

17.13 Assessment Estoppel Certificates. No Owner shall sell or convey its interest in a Lot or Home unless all sums due to the Association have been paid in full and an estoppel certificate shall have been received from the Association by such Owner. The Association shall prepare and maintain a ledger noting Assessments due from each Owner. The ledger shall be kept in the office of the Association, or its designees, and shall be open to inspection by any Owner. Within fourteen (14) days of receipt of a written request therefor from an Owner, there shall be furnished to an Owner an estoppel certificate in writing setting forth whether the Assessments have been paid and/or the amount that is due as of any date. As to parties other than Owners who, without knowledge of error, rely on the certificate, the certificate shall be conclusive evidence of the amount of any Assessment therein stated. The Owner requesting the estoppel certificate shall be required to pay the Association, or its Manager (as defined below), as applicable, a reasonable sum to cover the costs of examining records and preparing such estoppel certificate.

17.14 Payment of Home Real Estate Taxes. Each Owner shall pay all taxes and obligations relating to its Lot which, if not paid, could become a lien against the Lot that is superior to the lien for Assessments created by this Declaration.

17.15 Creation of the Lien and Personal Obligation. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title to a Lot, shall be deemed to have covenanted and agreed that the Assessments, and/or other charges and fees set forth herein, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels of proceedings including appeals, collections and bankruptcy, shall be a charge and continuing lien in favor of the Association encumbering the Lot and all personal property located thereon owned by the Owner against whom each such Assessment is made. The lien is effective from and after recording a Claim of Lien in the Public Records stating the legal description of the Lot, name of the Owner, and the amounts due as of that date, but shall relate back to the date that this Declaration is recorded. The Claim of Lien shall also cover any additional amounts which accrue thereafter until satisfied. Each Assessment, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, and other costs and expenses provided for herein, shall be the personal obligation of the person or entity that was the record title owner of the Lot at the time when the Assessment became due, as well as the such record title owner's heirs, devisees, personal representatives, successors or assigns.

17.16 Subordination of the Lien to Mortgages. The lien for Assessments shall be subordinate to a bona fide first mortgage held by a Lender on any Lot, if the mortgage is recorded in the Public Records

prior to the Claim of Lien. The lien for Assessments shall not be affected by any sale or transfer of a Lot, except in the event of a sale or transfer of a Lot pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise) of a bona fide first mortgage held by a Lender, in which event, the acquirer of title, its successors and assigns, shall be liable for Assessments which became due prior to such sale or transfer to the extent provided in Section 720.3085, Florida Statutes (2018). Any such unpaid Assessments for which such acquirer of title is not liable may be reallocated and assessed to all Owners (including such acquirer of title) as a part of Operating Expenses. Any sale or transfer pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise pursuant to a foreclosure) shall not relieve the record title owner from liability for, nor the Lot from, the lien of any Assessments made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent Assessments from the payment thereof, or the enforcement of collection by means other than foreclosure. A Lender shall give written notice to the Association if the mortgage held by such Lender is in default. The Association shall have the right, but not the obligation, to cure such default within the time periods provided in the mortgage held by such Lender. In the event the Association makes such payment on behalf of a record title owner, the Association shall, in addition to all other rights reserved herein, be subrogated to all of the rights of the Lender. All amounts advanced on behalf of a record title owner pursuant to this Section shall be added to Assessments payable by such record title owner with appropriate interest.

17.17 Acceleration. In the event of a default in the payment of any Assessment, the Association may accelerate the Assessments then due for up to the next ensuing twelve (12) month period.

17.18 Non-Payment of Assessments. If any Assessment is not paid within ten (10) days (or such other period of time established by the Board) after the due date, a late fee of Twenty-Five and No/100 Dollars (\$25.00) per month (or such greater amount established by the Board), together with interest in an amount equal to the maximum rate allowable by law (or such lesser rate established by the Board), per annum, beginning from the due date until paid in full, may be levied. The late fee shall compensate the Association for administrative costs, loss of use of money, and accounting expenses. The Association may, at any time thereafter, bring an action at law against the record title owner personally obligated to pay the same, and/or foreclose the lien against the Lot, or both. The Association shall not be required to bring such an action if it believes that the best interests of the Association would not be served by doing so. There shall be added to the Assessment all costs expended in preserving the priority of the lien and all costs and expenses of collection, including attorneys' fees and paraprofessional fees, at all levels of proceedings, including appeals, collection and bankruptcy. No Owner may waive or otherwise escape liability for Assessments provided for herein by non-use of, or the waiver of the right to use the Common Areas or by abandonment of a Lot or Home. All payments on accounts shall be first applied to fines levied in accordance with the terms of this Declaration, interest accrued by the Association, then to any administrative late fee, then to costs and attorneys' fees, and then to the delinquent Assessment payment first due. The allocation of payment described in the previous sentence shall apply notwithstanding any restrictive endorsement, designation, or instruction placed on or accompanying a payment.

17.19 Exemption. Notwithstanding anything to the contrary herein, the Declarant shall not be responsible for Special Assessments or Reserves. The Declarant, at the Declarant's sole option, may pay Assessments on Lots owned by it, or fund the Deficit, if any, as set forth in Section 17.8 herein. In addition, the Board shall have the right to exempt any portion of WELLS CREEK EAST subject to this Declaration from the Assessments, provided that such part of WELLS CREEK EAST exempted is used (and as long as it is used) for any of the following purposes:

17.19.1 Any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; and

17.19.2 Any of WELLS CREEK EAST exempted from ad valorem taxation by the laws of the State of Florida or exempted from Assessments by other provisions of this Declaration.

17.20 Collection by Declarant. If for any reason the Association shall fail or be unable to levy or collect Assessments, then in that event, the Declarant shall at all times have the right, but not the

obligation: (i) to advance such sums as a loan to the Association to bear interest and to be repaid as hereinafter set forth; and/or (ii) to levy and collect such Assessments by using the remedies available as set forth above, including, but not limited to, recovery of attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy. Such remedies shall be deemed assigned to the Declarant for such purposes. If the Declarant advances sums, it shall be entitled to immediate reimbursement, on demand, from the Association for such amounts so paid, plus interest thereon at the Wall Street Journal Prime Rate plus two percent (2%), plus any costs of collection including, but not limited to, reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy.

17.21 Rights to Pay Assessments and Receive Reimbursement. The Association, the Declarant and any Lender shall have the right, but not the obligation, jointly and severally, and at their sole option, to pay any Assessments or other charges which are in default and which may or have become a lien or charge against any Lot or Home. If so paid, the party paying the same shall be subrogated to the enforcement rights of the Association with regard to the amounts due.

17.22 Mortgagee Right. Each Lender may request in writing the Association notify such Lender of any default of the Owner of the Home subject to the Lender's mortgage which default is not cured within thirty (30) days after the Association learns of such default. A failure by the Association to furnish notice to any Lender shall not result in liability of the Association because such notice is given as a courtesy to a Lender and the furnishing of such notice is not an obligation of the Association to Lender.

17.23 Collection from Lessees. If a Home is occupied by a Lessee and the Owner is delinquent in the payment of Assessments, the Association may demand from the Lessee payment to the Association of all monetary obligations, including, without limitation, Assessments due from the Owner to the Association. So long as the Owner remains delinquent, future rent payments due to the Owner must be paid to the Association and shall be credited to the monetary obligations of the Owner to the Association; provided, however, if within fourteen (14) days from the receipt of written demand of the Association, the Lessee provides the Association with written evidence of making prepaid rent payments, the Lessee shall receive a credit for the prepaid rent for the applicable period of such prepaid rent.

17.24 Master Governing Documents Costs and Expenses. THE MASTER GOVERNING DOCUMENTS IMPOSE ADDITIONAL OBLIGATIONS, DUTIES AND RESPONSIBILITIES ON THE ASSOCIATION, THE COSTS FOR WHICH SHALL BE DEEMED OPERATING EXPENSES OF THE ASSOCIATION COLLECTED IN ACCORDANCE WITH THE TERMS HEREOF.

18. Information to Lenders and Owners.

18.1 Availability. There shall be available for inspections upon request, during normal business hours or under other reasonable circumstances, to Owners and Lenders current copies of the Governing Documents.

18.2 Copying. Any Owner and/or Lender shall be entitled, upon written request, and at its cost, to a copy of the documents referred to above.

18.3 Notice. Upon written request by a Lender (identifying the name and address of the Lender and the name and address of the applicable Owner), the Lender will be entitled to timely written notice of:

18.3.1 Any condemnation loss or casualty loss which affects a material portion of a Home to the extent the Association is notified of the same;

18.3.2 Any delinquency in the payment of Assessments owed by an Owner of a Home subject to a first mortgage held by the Lender, which remains uncured for a period of sixty (60) days;

18.3.3 Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained hereunder; and

18.3.4 Any proposed action that specifically requires the consent of a Lender.

18.4 Failure of Lender to Respond. Any Lender who receives a written request to respond to proposed amendment(s) to the Governing Documents shall be deemed to have approved such amendment(s) if the Lender does not submit a response to any such request within sixty (60) days after it receives proper notice of the proposed amendment(s); provided such request is delivered to the Lender by certified or registered mail, return receipt requested.

19. Architectural Control.

19.1 Architectural Control Committee. The ACC shall be a permanent committee of the Association and shall administer and perform the architectural and landscape review and control functions relating to WELLS CREEK EAST. The ACC shall consist of a minimum of three (3) members who shall initially be named by the Declarant and who shall hold office at the pleasure of the Declarant. Until the Community Completion Date, the Declarant shall have the right to change the number of members on the ACC, and to appoint, remove, and replace all members of the ACC. The Declarant shall determine which members of the ACC shall serve as its chairman and co-chairman. In the event of the failure, refusal, or inability to act of any of the members appointed by the Declarant, the Declarant shall have the right to replace any member within thirty (30) days of such occurrence. If the Declarant fails to replace that member, the remaining members of the ACC shall fill the vacancy by appointment. From and after the Community Completion Date, the Board shall have the same rights as the Declarant with respect to the ACC.

19.2 Membership. There is no requirement that any member of the ACC be a member of the Association.

19.3 General Plan. It is the intent of this Declaration to create a general plan and scheme of development of WELLS CREEK EAST. Accordingly, the ACC shall have the right to approve or disapprove all architectural, landscaping, and improvements within WELLS CREEK EAST by Owners. The ACC shall have the right to evaluate all plans and specifications as to harmony of exterior design, landscaping, location of any proposed improvements, relationship to surrounding structures, topography and conformity with such other reasonable requirements as shall be adopted by ACC. The ACC may impose standards for construction and development which may be greater or more stringent than standards prescribed in applicable building, zoning, or other local governmental codes. Prior to the Community Completion Date, any additional standards or modification of existing standards shall require the consent of the Declarant, which may be granted or denied in its sole discretion.

19.4 Master Plan. The Declarant has established an overall Master Plan. However, notwithstanding the above, or any other document, brochures or plans, the Declarant reserves the right to modify the Master Plan or any site plan at any time as it deems desirable in its sole discretion and in accordance with applicable laws and ordinances. WITHOUT LIMITING THE FOREGOING, THE DECLARANT MAY PRESENT TO THE PUBLIC OR TO OWNERS RENDERINGS, PLANS, MODELS, GRAPHICS, TOPOGRAPHICAL TABLES, SALES BROCHURES, OR OTHER PAPERS RESPECTING WELLS CREEK EAST. SUCH RENDERINGS, PLANS, MODELS, GRAPHICS, TOPOGRAPHICAL TABLES, SALES BROCHURES, OR OTHER PAPERS ARE NOT A GUARANTEE OF HOW WELLS CREEK EAST WILL APPEAR UPON COMPLETION AND THE DECLARANT RESERVES THE RIGHT TO CHANGE ANY AND ALL OF THE FOREGOING AT ANY TIME AS THE DECLARANT DEEMS NECESSARY IN ITS SOLE AND ABSOLUTE DISCRETION.

19.5 Community Standards. Each Owner and its contractors and employees shall observe, and comply with, the Community Standards that now or may hereafter be promulgated by the Declarant or the ACC. The Community Standards shall be effective from the date of adoption; shall be specifically enforceable by injunction or otherwise; and shall have the effect of covenants as if set forth herein

verbatim. The Community Standards shall not require any Owner to alter the improvements approved by the ACC and previously constructed. Until the Community Completion Date, the Declarant shall have the right to approve the Community Standards, which approval, may be granted in its sole discretion.

19.6 PUD Requirements. ALL PROPOSED IMPROVEMENTS MUST COMPLY WITH THE TERMS AND CONDITIONS OF THE WELLS CREEK PUD, INCLUDING, WITHOUT LIMITATION, THE FOLLOWING REQUIREMENTS: (A) THE FAÇADE (FRONT) OF EACH SINGLE-FAMILY DETACHED HOME AND ATTACHED TOWNHOME MUST HAVE AT LEAST TWO DIFFERENT FINISHES, ONE BEING A PRIMARY FINISH AND THE SECONDARY FINISH BEING AN ACCENT FEATURE, (B) NO VINYL SIDING CAN BE USED ON A SINGLE FAMILY DETACHED HOME, AND (C) AND NO PANEL SIDING CAN BE USED AS THE PRIMARY BUILDING PRODUCT ON THE FAÇADE OF ANY SINGLE FAMILY DETACHED HOME.

19.7 Quorum. A majority of the ACC shall constitute a quorum to transact business at any meeting. The action of a majority present at a meeting at which a quorum is present shall constitute the action of the ACC. In lieu of a meeting, the ACC may act in writing.

19.8 Power and Duties of the ACC. No improvements shall be constructed on a Lot, no exterior of a Home shall be repainted, no landscaping, sign, or improvements erected, removed, planted, or installed upon a Lot, nor shall any material addition to or any change, replacement, or alteration of the improvements as originally constructed by the Declarant (visible from the exterior of the Home) be made until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, color scheme, and the location of same shall have been submitted to and approved in writing by the ACC.

19.9 Procedure. In order to obtain the approval of the ACC, each Owner shall observe the following:

19.9.1 Each applicant shall submit an application to the ACC with respect to any proposed improvement or material change in an improvement, together with the required application(s) and other fee(s) as established by the ACC. The applications shall include such information as may be required by the application form adopted by the ACC. The ACC may also require submission of samples of building materials and colors proposed to be used. At the time of such submissions, the applicant shall, if requested, submit to the ACC, such site plans, plans and specifications for the proposed improvement, prepared and stamped by a registered Florida architect or residential designer, and landscaping and irrigation plans, prepared by a registered landscape architect or designer showing all existing trees and major vegetation stands and surface water drainage plan showing existing and proposed design grades, contours relating to the predetermined ground floor finish elevation, pool plans and specifications and the times scheduled for completion, all as reasonably specified by the ACC.

19.9.2 In the event the information submitted to the ACC is, in the ACC's opinion, incomplete or insufficient in any manner, the ACC may request and require the submission of additional or supplemental information. The applicant shall, within fifteen (15) days thereafter, comply with the request.

19.9.3 No later than thirty (30) days after receipt of all information required by the ACC for final review, the ACC shall approve or deny the application in writing. The ACC shall have the right to refuse to approve any plans and specifications which are not suitable or desirable, in the ACC's sole discretion, for aesthetic or any other reasons or to impose qualifications and conditions thereon, subject to the WELLS CREEK PUD. In approving or disapproving such plans and specifications, the ACC shall consider the suitability of the proposed improvements, the materials of which the improvements are to be built, the site upon which the improvements are proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on adjacent or neighboring property. In the event the ACC fails to respond within said thirty (30) day period, the plans and specifications shall be deemed disapproved by the ACC.

19.9.4 Construction of all improvements shall be completed within the time period set forth in the application and approved by the ACC.

19.9.5 In the event that the ACC disapproves any plans and specifications, the applicant may request a rehearing by the ACC for additional review of the disapproved plans and specifications. The meeting shall take place no later than forty-five (45) days after written request for such meeting is received by the ACC, unless applicant waives this time requirement in writing. The ACC shall make a final written decision no later than forty-five (45) days after such meeting. In the event the ACC fails to provide the applicant such written decision within said forty-five (45) days, the plans and specifications shall be deemed disapproved.

19.9.6 Upon final disapproval (even if the members of the Board and the ACC are the same), the applicant may appeal the decision of the ACC to the Board within forty-five (45) days of the ACC's written review and disapproval. Review by the Board shall take place no later than forty-five (45) days subsequent to the receipt by the Board of the applicant's request therefor. If the Board fails to hold such a meeting within forty-five (45) days after receipt of request for such meeting, then the plans and specifications shall be deemed disapproved. The Board shall make a final decision no later than sixty (60) days after such meeting. In the event the Board fails to provide such written decision within said sixty (60) days after such meeting, such plans and specifications shall be deemed disapproved. The decision of the ACC, or, if appealed, the Board, shall be final and binding upon the applicant, its heirs, legal representatives, successors and assigns.

19.10 Alterations. Any and all alterations, deletions, additions and changes of any type or nature whatsoever to then existing improvements or the plans or specifications previously approved by the ACC shall be subject to the approval of the ACC in the same manner as required for approval of original plans and specifications.

19.11 Variances. The Association or ACC shall have the power to grant variances from any requirements set forth in this Declaration or from the Community Standards, on a case by case basis, provided that the variance sought is reasonable and results from a hardship upon the applicant. The granting of a variance shall not nullify or otherwise affect the right to require strict compliance with the requirements set forth herein or in the Community Standards on any other occasion.

19.12 Permits. Each Owner is solely responsible to obtain all required building and other permits from all governmental authorities having jurisdiction.

19.13 Construction Activities. The following provisions govern construction activities by Owners after consent of the ACC has been obtained:

19.13.1 Each Owner shall deliver to the ACC, if requested, copies of all construction and building permits as and when received by the Owner. Each construction site in WELLS CREEK EAST shall be maintained in a neat and orderly condition throughout construction. Construction activities shall be performed on a diligent, workmanlike and continuous basis. Roadways, easements, swales, Common Areas and other such areas in WELLS CREEK EAST shall be kept clear of construction vehicles, construction materials and debris at all times. All refuse and debris shall be removed or deposited in a dumpster on a daily basis. No materials shall be deposited or permitted to be deposited in any Common Areas or other Lots or be placed anywhere outside of the Lot upon which the construction is taking place. No hazardous waste or toxic materials shall be stored, handled and used, including, without limitation, gasoline and petroleum products, except in compliance with all applicable federal, state and local statutes, regulations and ordinances, and shall not be deposited in any manner on, in or within the construction or adjacent property. All construction activities shall comply with the Community Standards. If an Owner (or any of its respective contractors and employees) shall fail to comply in any regard with the requirements of this Section, the ACC may require that such Owner post

security with the Association in such form and such amount deemed appropriate by the ACC in its sole discretion.

19.13.2 There shall be provided to the ACC, if requested, a list (name, address, telephone number and identity of contact person), of all contractors, subcontractors, materialmen and suppliers (collectively, "**Contractors**") and changes to the list as they occur relating to construction. Contractors and their employees shall utilize those roadways and entrances into WELLS CREEK EAST as are designated by the ACC for construction activities. The ACC shall have the right to require that Contractors' employees check in at the designated construction entrances and to refuse entrance to persons and parties whose names are not registered with the ACC.

19.13.3 Each Owner is responsible for ensuring compliance with all terms and conditions of these provisions and of the Community Standards by all of its employees and Contractors. In the event of any violation of any such terms or conditions by any employee or Contractor, or, in the opinion of the ACC, the continued refusal of any employee or Contractor to comply with such terms and conditions, after five (5) days' notice and right to cure, the ACC shall have, in addition to the other rights hereunder, the right to prohibit the violating employee or Contractor from performing any further services in WELLS CREEK EAST.

19.13.4 The ACC may, from time to time, adopt standards governing the performance or conduct of Owners, Contractors and their respective employees within WELLS CREEK EAST. Each Owner shall comply with such standards and cause its respective employees to also comply with same. The ACC may also promulgate requirements to be inserted in all contracts relating to construction within WELLS CREEK EAST and each Owner shall include the same therein.

19.14 Inspection. There is specifically reserved to the Association and ACC and to any agent or member of either of them, the right of entry and inspection upon any portion of WELLS CREEK EAST at any time within reasonable daytime hours, for the purpose of determining whether there exists any violation of the terms of any approval or the terms of this Declaration or the Community Standards.

19.15 Violation. Without limiting any other provision herein, if any improvement shall be constructed or altered without prior written approval, or in a manner which fails to conform with the approval granted, the Owner, shall, upon demand of the Association or the ACC, cause such improvement to be removed, or restored until approval is obtained or in order to comply with the plans and specifications originally approved. The applicable Owner shall be liable for the payment of all costs of removal or restoration, including all costs and attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, incurred by the Association or ACC. The costs shall be deemed an Individual Assessment and enforceable pursuant to the provisions of this Declaration. The ACC and/or the Association are specifically empowered to enforce the architectural and landscaping provisions of this Declaration and the Community Standards, by any legal or equitable remedy.

19.16 Court Costs. In the event that it becomes necessary to resort to litigation to determine the propriety of any constructed improvement or to cause the removal of any unapproved improvement, the prevailing party shall be entitled to recover court costs, expenses and attorneys' fees and paraprofessional fees at all levels, including appeals, collections and bankruptcy, in connection therewith.

19.17 Certificate. In the event that any Owner fails to comply with the provisions contained herein, the Community Standards, or other rules and regulations promulgated by the ACC, the Association and/or ACC may, in addition to all other remedies contained herein, record a Certificate of Non-Compliance against the Lot stating that the improvements on the Lot fail to meet the requirements of this Declaration and that the Lot is subject to further enforcement remedies.

19.18 Certificate of Compliance. If requested by an Owner, prior to the occupancy of any improvement constructed or erected on any Lot by other than the Declarant, or its designees, the Owner shall obtain a Certificate of Compliance from the ACC, certifying that the Owner has complied with the

requirements set forth herein. The ACC may, from time to time, delegate to a member or members of the ACC the responsibility for issuing the Certificate of Compliance. The issuance of a Certificate of Compliance does not abrogate the ACC's rights set forth in this Section 19.

19.19 Exemption. Notwithstanding anything to the contrary contained in the Governing Documents, including, without limitation, the Community Standards, any improvements of any nature made or to be made by the Declarant, its Contractors, agents, and assigns, including, without limitation, improvements made or to be made to the Common Areas, or any Lot or Home, shall not be subject to the Community Standards and/or review and approval by the ACC or the Association.

19.20 Exculpation. The Declarant, the Association, the directors or officers of the Association, the ACC, the members of the ACC, or any person acting on behalf of any of them, shall not be liable for any cost or damages incurred by any Owner or any other party whatsoever, due to any mistakes in judgment, negligence, or any action of the Declarant, the Association, ACC or their members, officers, or directors, in connection with the approval or disapproval of plans and specifications. Each Owner agrees, individually and on behalf of its heirs, successors and assigns by acquiring title to a Lot, that it shall not bring any action or suit against the Declarant, the Association or their respective directors or officers, the ACC or the members of the ACC, or their respective agents, in order to recover any damages caused by the actions of the Declarant, the Association, or ACC or their respective members, officers, or directors in connection with the provisions of this Section 19. The Association does hereby indemnify, defend and hold the Declarant and the ACC, and each of their members, officers, directors, shareholders and any related persons or corporations and their employees, harmless from all costs, expenses, and liabilities, including attorneys' fees and paraprofessional fees at all levels, including appeals, of all nature resulting by virtue of the acts of the Owners, the Association, ACC or their members, officers and directors. The Declarant, the Association, its directors or officers, the ACC or its members, or any person acting on behalf of any of them, shall not be responsible for any defects in any plans or specifications or the failure of same to comply with applicable laws or code nor for any defects in any improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency thereof and for the quality of construction performed pursuant thereto.

20. Enforcement.

20.1 Right to Cure. Should any Owner do any of the following:

20.1.1 Fail to perform its responsibilities as set forth herein or otherwise breach the provisions of the Declaration including, without limitation, any provision herein benefiting SJRWMD and the City;

20.1.2 Cause any damage to any improvement or Common Areas;

20.1.3 Impede the Declarant or the Association from exercising its rights or performing its responsibilities hereunder;

20.1.4 Undertake unauthorized improvements or modifications to any Lot or the Common Areas; or

20.1.5 Impede the Declarant from proceeding with or completing the development of WELLS CREEK EAST; then the Declarant and/or the Association, where applicable, after reasonable prior written notice, shall have the right, through its agents and employees, to cure the breach, including, but not limited to, entering upon the Lot and causing the default to be remedied and/or the required repairs or maintenance to be performed, or as the case may be, remove unauthorized improvements or modifications. The cost thereof, plus reasonable overhead costs and attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, incurred shall be assessed against the Owner as an Individual Assessment.

20.2 Non-Monetary Defaults. In the event of a violation by any Owner, other than the nonpayment of any Assessment or other monies, of any of the provisions of this Declaration, the Declarant or the Association shall notify the Owner of the violation, by delivering written notice. If such violation is not cured as soon as practicable and in any event within seven (7) days after receipt of such written notice, the party entitled to enforce same may, at its option:

20.2.1 Commence an action to enforce the performance on the part of the Owner, or to enjoin the violation or breach or for equitable relief as may be necessary under the circumstances, including injunctive relief; and/or

20.2.2 Commence an action to recover damages; and/or

20.2.3 Take any and all action reasonably necessary to correct the violation or breach.

All expenses incurred in connection with the violation or breach, or the commencement of any action against any Owner, including reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy shall be assessed against the Owner as an Individual Assessment, and shall be immediately due and payable without further notice.

20.3 No Waiver. The election not to enforce any right, provision, covenant or condition in this Declaration, shall not constitute a waiver of the right to enforce such right, provision, covenant or condition in the future.

20.4 Rights Cumulative. All rights, remedies, and privileges granted to the Declarant, the Association and/or the ACC pursuant to any terms, provisions, covenants or conditions of this Declaration, or Community Standards, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude any of them from pursuing such additional remedies, rights or privileges as may be granted or as it might have by law.

20.5 Enforcement By or Against Other Persons. In addition to the foregoing, this Declaration or Community Standards may be enforced by the Declarant and/or, where applicable, Owners and/or the Association by any procedure at law or in equity against any person violating or attempting to violate any provision herein, to restrain such violation, to require compliance with the provisions contained herein, to recover damages, or to enforce any lien created herein. The Association has the right, but not the obligation, to enforce the provisions of this Declaration and the Community Standards. Further, neither the Association nor the Declarant has any obligation whatsoever to become involved in any dispute between Owners in connection with this Declaration. The expense of any litigation to enforce this Declaration or Community Standards shall be borne by the person against whom enforcement is sought, provided such proceeding results in a finding that such person was in violation of this Declaration or the Community Standards. SJRWMD and the City shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in the Declaration which relate to the maintenance, operation and repair of SMS.

20.6 Fines and Suspensions. The Board may suspend, for reasonable periods of time, the rights of an Owner or an Owner's Lessees, guests and invitees, or both, to use the Common Areas and may levy reasonable fines, not to exceed the maximum amounts permitted by Section 720.305(2), Florida Statutes (2018), against an Owner, Lessee, guest or invitee, for failure to comply with any provision of this Declaration, including, without limitation, those provisions benefiting SJRWMD and the City.

20.6.1 A fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing. Fines in the aggregate are not capped to any amount.

20.6.2 A fine or suspension may not be imposed without delivery of a notice of at least fourteen (14) days to the person sought to be fined or suspended and an opportunity for a hearing before a committee of at least three (3) persons (the "Violations Committee") appointed

by the Board who are not officers, directors or employees of the Association, or the spouse, parent, child, brother, sister of an officer, director or employee. If the Violations Committee does not by a majority vote approve a fine or suspension the same may not be imposed. The written notice of violation shall be in writing delivered to the Owner, Lessee, guest or invitee and detail the infraction or infractions. Included in the notice shall be the date and time of the hearing of the Violations Committee. If the Association imposes a fine or suspension, the Association must provide written notice of such suspension by mail or hand delivery to the Owner or Lessee. The notice and hearing requirements under this Section 20.6.2 do not apply to suspensions imposed due to an Owner's failure to pay monetary obligations due to the Association; however, any such suspension must be approved at a properly noticed meeting of the Association's Board of Directors.

20.6.3 The non-compliance shall be presented to the Violations Committee acting as a tribunal, after which the Violations Committee shall hear reasons why a fine should not be imposed. The hearing shall be conducted in accordance with the procedures adopted by the Violations Committee from time to time. A written decision of the Violations Committee shall be submitted to the Owner, Lessee, guest or invitee, as applicable, by not later than twenty-one (21) days after the meeting of the Violations Committee. The Owner, Lessee, guest or invitee shall have a right to be represented by counsel and to cross-examine witnesses.

20.6.4 The Violations Committee may approve a fine imposed by the Board against the Owner in the amount of One Hundred and No/100 Dollars (\$100.00) (or any greater amount permitted by law from time to time) for each violation. Each day of non-compliance shall be treated as a separate violation and there is no cap on the aggregate amount the Violations Committee may fine an Owner, Lessee, guest or invitee. Fines shall be paid not later than five (5) days after receipt of notice of the imposition of the fine. All monies received from fines shall be allocated as directed by the Board of Directors. Any fine in excess of One Thousand and No/100 Dollars (\$1,000.00) shall constitute a lien against the applicable Lot, and a fine shall further be lienable to the extent otherwise permitted under Florida law.

21. Additional Rights of Declarant.

21.1 Sales and Administrative Offices. The Declarant shall have the perpetual right to take such action reasonably necessary to transact any business necessary to consummate the development of WELLS CREEK EAST and sales and re-sales of Lots, Homes and/or other properties owned by the Declarant or others outside of WELLS CREEK EAST. This right shall include, but not be limited to, the right to maintain models, sales offices and parking associated therewith, have signs on any portion of WELLS CREEK EAST, including Common Areas, employees in the models and offices without the payment of rent or any other fee, maintain offices in models and use of the Common Areas, to show Lots or Homes. The sales office and signs and all items pertaining to development and sales remain the property of the Declarant. The Declarant shall have all of the foregoing rights without charge or expense. The rights reserved hereunder shall extend beyond the Turnover Date.

21.2 Modification. The development and marketing of WELLS CREEK EAST will continue as deemed appropriate in the Declarant's sole discretion, and nothing in this Declaration or Community Standards, or otherwise, shall be construed to limit or restrict such development and marketing. It may be necessary or convenient for the development of WELLS CREEK EAST to, as an example and not a limitation, amend the Master Plan, modify the boundary lines of the Common Areas, grant easements, dedications, agreements, licenses, restrictions, reservations, covenants, rights-of-way, and to take such other actions which the Declarant, or its agents, affiliates, or assignees may deem necessary or appropriate. The Association and Owners shall, at the request of the Declarant, execute and deliver any and all documents and instruments which the Declarant deems necessary or convenient, in its sole and absolute discretion, to accomplish the same.

21.3 Promotional Events. Prior to the Community Completion Date, the Declarant shall have the right, at any time, to hold marketing, special and/or promotional events within WELLS CREEK EAST

and/or on the Common Areas without any charge for use. The Declarant, its agents, affiliates, or assignees shall have the right to market WELLS CREEK EAST in advertisements and other media by making reference to WELLS CREEK EAST, including, but not limited to, pictures or drawings of WELLS CREEK EAST, Common Areas, Lots, Parcels and Homes constructed in WELLS CREEK EAST. All logos, trademarks, and designs used in connection with WELLS CREEK EAST are the property of the Declarant, and the Association shall have no right to use the same after the Community Completion Date except with the express written permission of the Declarant.

21.4 Use by Prospective Purchasers. Prior to the Community Completion Date, the Declarant shall have the right, without charge, to use the Common Areas for the purpose of entertaining prospective purchasers of Lots, Homes, or other properties owned by the Declarant outside of WELLS CREEK EAST.

21.5 Franchises. The Declarant may grant franchises or concessions to commercial concerns on all or part of the Common Areas and shall be entitled to all income derived therefrom.

21.6 Management. The Association may contract with a third party ("Manager") for management of the Association and the Common Areas.

21.7 Easements. Until the Community Completion Date, the Declarant reserves the exclusive right to grant, in its sole discretion, easements, permits and/or licenses for ingress and egress, drainage, utilities, maintenance, Telecommunications Services, and other purposes over, under, upon and across WELLS CREEK EAST so long as any said easements do not materially and adversely interfere with the intended use of Homes previously conveyed to Owners. By way of example, and not of limitation, the Declarant may be required to take certain action, or make additions or modifications to the Common Areas in connection with an environmental program. All easements necessary for such purposes are reserved in favor of the Declarant, in perpetuity, for such purposes. Without limiting the foregoing, the Declarant may relocate any easement affecting a Lot, or grant new easements over a Lot, after conveyance to an Owner, without the joinder or consent of such Owner, so long as the grant of easement or relocation of easement does not materially and adversely affect the Owner's use of the Lot. As an illustration, the Declarant may grant an easement for telecommunications systems, irrigation facilities, drainage lines or electrical lines over any portion of a Lot so long as such easement is outside the footprint of the foundation of any residential improvement constructed on such Lot. The Declarant shall have the sole right to any fees of any nature associated therewith, including, but not limited to, license or similar fees on account thereof. The Association and Owners will, without charge, if requested by the Declarant: (i) join in the creation of such easements, etc. and cooperate in the operation thereof; and (ii) collect and remit fees associated therewith, if any, to the appropriate party. The Association will not grant any easements, permits or licenses to any other entity providing the same services as those granted by the Declarant, nor will it grant any such easement, permit or license prior to the Community Completion Date without the prior written consent of the Declarant which may be granted or denied in its sole discretion.

21.8 Right to Enforce. The Declarant has the right, but not the obligation, to enforce the provisions of this Declaration and the Community Standards and to recover all costs relating thereto, including attorneys' fees and paraprofessional fees at all levels of proceeding, including appeals, collections and bankruptcy. Such right shall include the right to perform the obligations of the Association and to recover all costs incurred in doing so.

21.9 Additional Development. If the Declarant withdraws portions of WELLS CREEK EAST from the operation of this Declaration, the Declarant may, but is not required to, subject to governmental approvals, create other forms of residential property ownership or other improvements of any nature on the property not subjected to or withdrawn from the operation of this Declaration. The Declarant shall not be liable or responsible to any person or entity on account of its decision to do so or to provide, or fail to provide, the amenities and/or facilities which were originally planned to be included in such areas. If so designated by the Declarant, owners or tenants of such other forms of housing or improvements upon their creation may share in the use of all or some of the Common Areas and other facilities and/or

roadways that remain subject to this Declaration. The expense of the operation of such facilities shall be allocated to the various users thereof, if at all, as determined by the Declarant.

21.10 Representations. The Declarant makes no representations concerning development both within and outside the boundaries of WELLS CREEK EAST including, but not limited to, the number, design, boundaries, configuration and arrangements, prices of all Parcels or Homes and buildings in all other proposed forms of ownership and/or other improvements on WELLS CREEK EAST or adjacent to or near WELLS CREEK EAST, including, but not limited to, the size, location, configuration, elevations, design, building materials, height, view, airspace, number of Homes, number of buildings, location of easements, parking and landscaped areas, services and amenities offered.

21.11 Cellular Tower. ALL OWNERS, OCCUPANTS AND USERS OF WELLS CREEK EAST ARE HEREBY PLACED ON NOTICE THAT A CELLULAR TOWER AND/OR CELLULAR TOWER SITE MAY EXIST IN CLOSE PROXIMITY TO WELLS CREEK EAST. CELLULAR TOWERS, CELLULAR TOWER SITES AND THE OPERATION AND MAINTENANCE THEREOF CAN AND WILL EMIT UNPLEASANT NOISES AND/OR OTHER EMISSIONS WHICH COULD POTENTIALLY RESULT IN, AMONG OTHER THINGS, INCONVENIENCES, INTERRUPTIONS IN USE OR ENJOYMENT OF PROPERTY OR COMMON PROPERTY, AND/OR HEALTH ISSUES. BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF WELLS CREEK EAST, EACH SUCH OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (i) SUCH OWNER AND/OR SUCH OWNER'S INVITEES, GUESTS, TENANTS OR OTHER OCCUPANTS DO NOT OBJECT TO THE PRESENCE OF THE CELLULAR TOWER OR CELLULAR TOWER SITE, (ii) THE CELLULAR TOWER, CELLULAR TOWER SITE AND THE USE, OPERATION, AND/OR MAINTENANCE THEREOF SHALL NOT BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (iii) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) THE CELLULAR TOWER AND/OR CELLULAR TOWER SITE WITHIN OR IN PROXIMITY TO WELLS CREEK EAST (EVEN IF NOT BEING ACTIVELY USED AT THE TIME OF ENTRY), (iv) THE OWNER OF THE CELLULAR TOWER AND/OR CELLULAR TOWER SITE SHALL NOT BE LIABLE FOR ANY AND ALL LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE CELLULAR TOWER AND/OR CELLULAR TOWER SITE, EXCEPT RESULTING DIRECTLY FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE RESPECTIVE OWNER THEREOF, AND (v) ANY PURCHASE OR USE OF ANY PORTION OF WELLS CREEK EAST HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING.

21.12 Non-Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE GOVERNING DOCUMENTS, NEITHER THE DECLARANT NOR THE ASSOCIATION SHALL BE LIABLE OR RESPONSIBLE FOR, OR IN ANY MANNER A GUARANTOR OR INSURER OF, THE HEALTH, SAFETY OR WELFARE OF ANY OWNER, OCCUPANT OR USER OF ANY PORTION OF WELLS CREEK EAST INCLUDING, WITHOUT LIMITATION, RESIDENTS AND THEIR FAMILIES, GUESTS, LESSEES, LICENSEES, INVITEES, AGENTS, SERVANTS, CONTRACTORS, AND/OR SUBCONTRACTORS OR FOR ANY PROPERTY OF ANY SUCH WITHOUT LIMITING THE GENERALITY OF THE FOREGOING:

21.12.1 IT IS THE EXPRESS INTENT OF GOVERNING DOCUMENTS THAT THE VARIOUS PROVISIONS THEREOF WHICH ARE ENFORCEABLE BY THE ASSOCIATION AND WHICH GOVERN OR REGULATE THE USES OF WELLS CREEK EAST HAVE BEEN WRITTEN, AND ARE TO BE INTERPRETED AND ENFORCED, FOR THE SOLE PURPOSE OF ENHANCING AND MAINTAINING THE ENJOYMENT OF WELLS CREEK EAST AND THE VALUE THEREOF;

21.12.2 THE ASSOCIATION IS NOT EMPOWERED, AND HAS NOT BEEN CREATED, TO ACT AS AN AGENCY WHICH ENFORCES OR ENSURES THE COMPLIANCE

WITH THE LAWS OF THE STATE OF FLORIDA AND/OR DUVAL COUNTY OR PREVENTS TORTIOUS ACTIVITIES;

21.12.3 THE PROVISIONS OF GOVERNING DOCUMENTS SETTING FORTH THE USES OF ASSESSMENTS SHALL BE APPLIED ONLY AS LIMITATIONS ON THE USES OF ASSESSMENT FUNDS AND NOT AS CREATING A DUTY OF THE ASSOCIATION TO PROTECT OR FURTHER THE HEALTH, SAFETY, OR WELFARE OF ANY PERSON(S), EVEN IF ASSESSMENT FUNDS ARE CHOSEN TO BE USED FOR ANY SUCH REASON; AND

21.12.4 EACH OWNER (BY VIRTUE OF ITS ACCEPTANCE OF TITLE TO A HOME) AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING A USE OF, ANY PORTION OF WELLS CREEK EAST (BY VIRTUE OF ACCEPTING SUCH INTEREST OR LIEN OR MAKING SUCH USE) SHALL BE BOUND BY THIS SECTION AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL RIGHTS, CLAIMS, DEMANDS AND CAUSES OF ACTION AGAINST THE ASSOCIATION ARISING FROM OR CONNECTED WITH ANY MATTER FOR WHICH THE LIABILITY OF THE ASSOCIATION HAS BEEN DISCLAIMED IN THIS SECTION OR OTHERWISE. AS USED IN THIS SECTION, THE "ASSOCIATION" SHALL INCLUDE WITHIN ITS MEANING ALL OF THE ASSOCIATION'S DIRECTORS, OFFICERS, COMMITTEE AND BOARD MEMBERS, EMPLOYEES, AGENTS, AND CONTRACTORS (INCLUDING MANAGEMENT COMPANIES, SUBCONTRACTORS, SUCCESSORS AND ASSIGNS).

21.13 Resolution of Disputes. BY ACCEPTANCE OF A DEED, EACH OWNER AGREES THAT THE GOVERNING DOCUMENTS ARE VERY COMPLEX; THEREFORE, ANY CLAIM, DEMAND ACTION, OR CAUSE OF ACTION, WITH RESPECT TO ANY ACTION, PROCEEDING, CLAIM COUNTERCLAIM, OR CROSS CLAIM, WHETHER IN CONTRACT AND/OR IN TORT (REGARDLESS IF THE TORT ACTION IS PRESENTLY RECOGNIZED OR NOT), BASED ON, ARISING OUT OF, IN CONNECTION WITH, OR IN ANY WAY RELATED TO, THE GOVERNING DOCUMENTS, INCLUDING ANY COURSE OF CONDUCT, COURSE OF DEALING, VERBAL OR WRITTEN STATEMENT, VALIDATION, PROTECTION, ENFORCEMENT ACTION OR OMISSION OF ANY PARTY, SHOULD BE HEARD IN A COURT PROCEEDING BY A JUDGE AND NOT A JURY IN ORDER TO BEST SERVE JUSTICE. THE DECLARANT HEREBY SUGGESTS THAT EACH OWNER UNDERSTAND THE LEGAL CONSEQUENCES OF ACCEPTING A DEED TO A HOME.

21.14 Venue. EACH OWNER ACKNOWLEDGES REGARDLESS OF WHERE SUCH OWNER (i) EXECUTED A HOME PURCHASE AGREEMENT, (ii) RESIDES, (iii) OBTAINS FINANCING OR (iv) CLOSED ON A HOME, EACH HOME IS LOCATED IN DUVAL COUNTY, FLORIDA. ACCORDINGLY, AN IRREBUTTABLE PRESUMPTION EXISTS THAT THE APPROPRIATE VENUE FOR THE RESOLUTION OF ANY DISPUTE LIES IN DUVAL COUNTY, FLORIDA. IN ADDITION TO THE FOREGOING, EACH OWNER AND THE DECLARANT AGREES THAT THE VENUE FOR RESOLUTION OF ANY DISPUTE LIES IN DUVAL COUNTY, FLORIDA.

21.15 Reliance. BEFORE ACCEPTING A DEED TO A HOME, EACH OWNER HAS AN OBLIGATION TO RETAIN AN ATTORNEY IN ORDER TO CONFIRM THE VALIDITY OF THIS DECLARATION. BY ACCEPTANCE OF A DEED TO A HOME, EACH OWNER ACKNOWLEDGES HE OR SHE HAS SOUGHT AND RECEIVED SUCH AN OPINION OR HAS MADE AN AFFIRMATIVE DECISION NOT TO SEEK SUCH AN OPINION. THE DECLARANT IS RELYING ON EACH OWNER CONFIRMING IN ADVANCE OF ACQUIRING A HOME THAT THIS DECLARATION IS VALID, FAIR AND ENFORCEABLE. SUCH RELIANCE IS DETRIMENTAL TO THE DECLARANT ACCORDINGLY, AN ESTOPPEL AND WAIVER EXISTS PROHIBITING EACH OWNER FROM TAKING THE POSITION THAT ANY PROVISION OF THIS DECLARATION IS INVALID IN ANY RESPECT. AS A FURTHER MATERIAL INDUCEMENT FOR THE DECLARANT TO SUBJECT WELLS CREEK EAST TO THIS DECLARATION, EACH OWNER DOES HEREBY RELEASE, WAIVE, DISCHARGE, COVENANT NOT TO SUE, ACQUIT, SATISFY AND FOREVER DISCHARGE THE DECLARANT AND ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, AFFILIATES AND ASSIGNS FROM ANY AND ALL LIABILITY, CLAIMS, COUNTERCLAIMS, DEFENSES, ACTIONS, CAUSES OF ACTION, SUITS,

CONTROVERSIES, AGREEMENTS, PROMISES AND DEMANDS WHATSOEVER, IN LAW OR IN EQUITY, WHICH AN OWNER MAY HAVE IN THE FUTURE, OR WHICH ANY PERSONAL REPRESENTATIVE, SUCCESSOR, HEIR OR ASSIGN OF OWNER HEREAFTER CAN, SHALL OR MAY HAVE AGAINST THE DECLARANT, ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, AFFILIATES AND ASSIGNS, FOR, UPON OR BY REASON OF ANY MATTER, CAUSE OR THING WHATSOEVER RESPECTING THIS DECLARATION, OR THE EXHIBITS HERETO. THIS RELEASE AND WAIVER IS INTENDED TO BE AS BROAD AND INCLUSIVE AS PERMITTED BY THE LAWS OF THE STATE OF FLORIDA.

21.16 Duration of Rights. The rights of the Declarant set forth in this Declaration shall, unless specifically provided to the contrary herein, extend for a period of time ending upon the earlier of: (i) the Community Completion Date; or (ii) a relinquishment by the Declarant in an amendment to the Declaration recorded in the Public Records.

21.17 Additional Covenants. The Declarant may record additional covenants, conditions, restrictions, and easements applicable to portions of WELLS CREEK EAST, and may form condominium associations, sub-associations, or cooperatives governing such property. Any such instrument shall be consistent with the provisions of Section 5, and no person or entity shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of WELLS CREEK EAST without the Declarant's prior review and prior written consent. Evidence of the Declarant's prior written consent shall be obtained in the form of a joinder executed by the Declarant. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the Public Records.

21.18 Right to Approve Sales Materials. All sales, promotional, and advertising materials for any sale of property in WELLS CREEK EAST by any party shall be subject to the prior written approval of the Declarant. The Declarant shall deliver notice of the Declarant's approval or disapproval of all such materials and documents within thirty (30) days of receipt of such materials and documents, and, if disapproved, set forth the specific changes requested. If the Declarant fails to deliver notice of the Declarant's approval or disapproval within such thirty (30) day period, the Declarant shall be deemed to have waived any objections to such materials and documents and to have approved the foregoing. Upon disapproval, the foregoing procedure shall be repeated until approval is obtained or deemed to be obtained.

21.19 Use Name of "WELLS CREEK EAST". No person or entity shall use the name "WELLS CREEK EAST," its logo, or any derivative of such name or logo in any printed or promotional material without the Declarant's prior written approval. Until the Turnover, the Declarant shall have the sole right to approve the use of WELLS CREEK EAST name and logo, and such right shall automatically pass to the Association after the Turnover Date. However, Owners may use the name "WELLS CREEK EAST" in printed or promotional matter where such term is used solely to specify that particular property is located within WELLS CREEK EAST.

21.20 Density Transfers. If the record title owner of a Parcel develops the Parcel so that the number of Lots contained in such Parcel is less than the allowable number of Lots allocated by governmental authorities to that particular Parcel, the excess allowable Lots not used by the such party (with respect to that Parcel) shall inure to the benefit of the Declarant.

22. Refund of Taxes and Other Charges. Unless otherwise provided herein, the Association agrees that any taxes, fees or other charges paid by the Declarant to any governmental authority, utility company or any other entity which at a later date are refunded in whole or in part, shall be returned to the Declarant in the event such refund is received by the Association.

23. Assignment of Powers. All or any part of the rights, exemptions, powers and reservations of the Declarant herein contained may be conveyed or assigned, in whole or in part, to other persons or entities

by an instrument in writing duly executed, acknowledged and, at the Declarant's option, recorded in the Public Records.

24. General Provisions.

24.1 Authority of Board. Except when a vote of the membership of the Association is specifically required, all decisions, duties, and obligations of the Association hereunder may be made by a majority of the Board. The Association and Owners shall be bound thereby.

24.2 Severability. Invalidation of any of the provisions of this Declaration by judgment or court order shall in no way affect any other provision, and the remainder of this Declaration shall remain in full force and effect.

24.3 Execution of Documents. The Declarant's plan of development for WELLS CREEK EAST including, without limitation, the creation of one (1) or more special taxing districts may necessitate from time to time the execution of certain documents as required by governmental agencies. To the extent that said documents require the joinder of Owners, the Declarant, by its duly authorized officers, may, as the agent or the attorney-in-fact for the Owners, execute, acknowledge and deliver such documents (including, without limitation, any consents or other documents required by any governmental agencies in connection with the creation of any special taxing district); and the Owners, by virtue of their acceptance of deeds, irrevocably nominate, constitute and appoint the Declarant, through its duly authorized officers, as their proper and legal attorneys-in-fact, for such purpose. Said appointment is coupled with an interest and is therefore irrevocable. Any such documents executed pursuant to this Section may recite that it is made pursuant to this Section. Notwithstanding the foregoing, each Owner agrees, by its acceptance of a deed to a Lot or any other portion of WELLS CREEK EAST, to execute or otherwise join in any petition and/or other documents required in connection with the creation of any special taxing district relating to WELLS CREEK EAST or any portion(s) thereof.

24.4 Affirmative Obligation of Association. In the event the Association believes that the Declarant has failed in any respect to meet the Declarant's obligations under this Declaration or has failed to comply with any of the Declarant's obligations under law or the Common Areas are defective in any respect, the Association shall give written notice to the Declarant detailing the alleged failure or defect. The Association agrees that once the Association has given written notice to the Declarant pursuant to this Section, the Association shall be obligated to permit the Declarant and its agents to perform inspections of the Common Areas and to perform all tests and make all repairs/replacements deemed necessary by the Declarant to respond to such notice at all reasonable times. The Association agrees that any inspection, test and/or repair/replacement scheduled on a business day between 9 a.m. and 5 p.m. shall be deemed scheduled at a reasonable time. The rights reserved in this Section include the right of the Declarant to repair or address, in the Declarant's sole option and expense, any aspect of the Common Areas deemed defective by the Declarant during its inspections of the Common Areas. The Association's failure to give the notice and/or otherwise comply with the provisions of this Section will damage the Declarant.

24.5 Notices. Any notice required to be sent to any person, firm, or entity under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address at the time of such mailing, or when transmitted by any form of Electronic Transmission in accordance with Section 24.12 below.

24.6 Florida Statutes. Whenever this Declaration refers to the Florida Statutes, it shall be deemed to refer to the Florida Statutes as they exist and are effective on the date this Declaration is recorded in the Public Records, except to the extent provided otherwise in the Governing Documents as to any particular provision of the Florida Statutes.

24.7 Construction Activities. ALL OWNERS, LESSEES, OCCUPANTS AND USERS OF WELLS CREEK EAST ARE HEREBY PLACED ON NOTICE THAT (1) DECLARANT AND/OR ITS AGENTS, CONTRACTORS, SUBCONTRACTORS, LICENSEES AND OTHER DESIGNEES AND/OR

(2) ANY OTHER PARTIES WILL BE, FROM TIME TO TIME, CONDUCTING CONSTRUCTION ACTIVITIES, BLASTING, EXCAVATION, CONSTRUCTION AND OTHER ACTIVITIES WITHIN OR IN PROXIMITY TO WELLS CREEK EAST WHICH MAY CAUSE NOISE, DUST OR OTHER TEMPORARY DISTURBANCE. BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF WELLS CREEK EAST, EACH SUCH OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (i) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (ii) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY PROPERTY WITHIN OR IN PROXIMITY TO WELLS CREEK EAST WHERE SUCH ACTIVITY IS BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (iii) DECLARANT AND THE OTHER AFORESAID RELATED PARTIES SHALL NOT BE LIABLE FOR ANY AND ALL LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES, EXCEPT RESULTING DIRECTLY FROM DECLARANT'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, AND (iv) ANY PURCHASE OR USE OF ANY PORTION OF WELLS CREEK EAST HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING.

24.8 Title Documents. Each Owner by acceptance of a deed to a Lot acknowledges that such Lot is subject to certain land use and title documents recorded in the Public Records (collectively, the "Title Documents"). The Declarant's plan of development for WELLS CREEK EAST may necessitate from time to time the further amendment, modification and/or termination of the Title Documents. DECLARANT RESERVES THE UNCONDITIONAL RIGHT TO SEEK AMENDMENTS AND MODIFICATIONS OF THE TITLE DOCUMENTS. It is possible that a governmental subdivision or agency may require the execution of one or more documents in connection with an amendment, modification, and/or termination of the Title Documents. To the extent that such documents require the joinder of Owners, the Declarant, by any one of its duly authorized officers, may, as the agent and/or the attorney-in-fact for the Owners, execute, acknowledge and deliver any documents required by applicable governmental subdivision or agency; and the Owners, by virtue of their acceptance of deeds, irrevocably nominate, constitute and appoint the Declarant, through any one of its duly authorized officers, as their proper and legal attorney-in-fact for such purpose. This appointment is coupled with an interest and is therefore irrevocable. Any such documents executed pursuant to this Section may recite that it is made pursuant to this Section. Notwithstanding the foregoing, each Owner agrees, by its acceptance of a deed to a Lot: (i) to execute or otherwise join in any documents required in connection with the amendment, modification, or termination of the Title Documents; and (ii) that such Owner has waived its right to object to or comment on the form or substance of any amendment, modification, or termination of the Title Documents. Without limiting the foregoing, upon the Community Completion Date, the Association shall assume all of the obligations of the Declarant under the Title Documents unless otherwise provided by the Declarant by amendment to this Declaration recorded by the Declarant in the Public Records, from time to time, and in the sole and absolute discretion of the Declarant.

24.9 Right to Contract for Telecommunications Services. The Declarant or the Association shall have the right, but not the obligation, to enter into one or more contracts for the provision of one or more Telecommunications Services for all or any part of WELLS CREEK EAST. Prior to the Community Completion Date, all contracts between a Telecommunications Provider and the Association shall be subject to the prior written approval of the Declarant. If any such contract is established, the fees for the Telecommunications Services payable to the Telecommunications Provider shall be Operating Expenses and shall be included within the annual budget of the Association.

24.10 Enforcement of Governing Documents. Enforcement of the Governing Documents, including, without limitation, this Declaration, may be by proceeding at law for damages or in equity to compel compliance with the terms hereof or to prevent violation or breach of any of the covenants or

terms herein. The Declarant, the Association, or any Owner may, but shall not be required to, seek enforcement of the Governing Documents.

24.11 Electronic or Video Communication. Wherever the Governing Documents require members' attendance at a meeting either "in person or by proxy," members may attend and participate at such meetings via telephone, real-time videoconferencing, or similar real-time electronic or video communication; provided, however, members may attend and participate in this manner only if a majority of the Board approved use of telephone, real-time videoconferencing, or similar real-time electronic or video communication for participation and attendance at meetings.

24.12 Electronic Transmission as Substitute for Writing. Wherever the Governing Documents require action by the Association to be taken in writing, such action may be taken by Electronic Transmission, with the exception of the following: (i) giving notice of a meeting called in whole or in part for the purpose of recalling and removing a member of the Board; and (ii) when levying fines, suspending use rights, requesting dispute resolution, or collecting payments for assessments and providing notice of lien claims.

25. Stormwater Management System.

25.1 General. The Association shall be responsible for maintenance, operation, and repair of the SMS in WELLS CREEK EAST. Maintenance of the SMS shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance, or other stormwater management capabilities as permitted by SJRWMD. The Association shall be responsible for such maintenance and operation of the SMS. Any repair or reconstruction of the SMS shall be as permitted, or if modified as approved by the SJRWMD and the City, as applicable.

25.1.1 Except as permitted by the Permit, no construction activities may be conducted relative to any portion of the SMS without the prior written consent of SJRWMD. Prohibited activities include, but are not limited to: digging or excavation; depositing fill, debris or any other material or item; constructing or altering any water control structure; or any other construction to modify the SMS. To the extent there exists within WELLS CREEK EAST wetland mitigation areas or retention/detention areas, no vegetation in these areas shall be removed, cut, trimmed or sprayed with herbicide without specific written approval from SJRWMD. Construction and maintenance activities which are consistent with the design and permit conditions approved by SJRWMD in the Permit may be conducted without specific written approval from SJRWMD.

25.1.2 No Owner or other person or entity shall unreasonably deny or prevent access to water management areas for maintenance, repair, or landscaping purposes by the Declarant, the Association or any appropriate governmental agency that may reasonably require access. Nonexclusive easements therefor are hereby specifically reserved and created.

25.1.3 No Lot, Parcel or Common Area shall be increased in size by filling in any retention/detention area that it abuts. No person shall fill, dike, rip-rap, block, divert or change the established retention/detention areas that have been or may be created without the prior written consent of the Association. No person other than the Declarant or the Association may draw water for irrigation or other purposes from any retention/detention areas, nor is any boating, wading, or swimming in such retention/detention areas allowed.

25.1.4 All SMS, excluding those areas (if any) maintained by the City, County or another governmental agency will be the ultimate responsibility of the Association. The Association may enter any Lot, Parcel or Common Area and make whatever alterations, improvements or repairs are deemed necessary to provide, maintain, or restore proper SMS. The cost of such alterations, improvements or repairs shall be part of the Operating Expenses. NO PERSON MAY REMOVE NATIVE VEGETATION THAT MAY BECOME ESTABLISHED WITHIN THE CONSERVATION AREAS. "REMOVAL" INCLUDES DREDGING, APPLICATION OF HERBICIDE, PULLING AND CUTTING.

25.1.5 Nothing in this Section shall be construed to allow any person to construct any new water management facility, or to alter any SMS, without first obtaining the necessary permits from all governmental agencies having jurisdiction, including SJRWMD, the City, the Association and the Declarant, as applicable.

25.1.6 SJRWMD and the City, as applicable, shall have the right to enforce, by proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation, and repair of the SMS.

25.1.7 Any amendment of the Declaration affecting the SMS or the operation and maintenance of the SMS shall have the prior written approval of SJRWMD.

25.1.8 If the Association shall cease to exist, all Owners shall be jointly and severally responsible for the operation and maintenance of the SMS in accordance with the requirements of the Permit, unless and until an alternate entity assumes responsibility as explained in the Permit.

25.1.9 No owner of property within the subdivision may construct or maintain any building, residence, or structure, or undertake or perform any activity in the wetlands, wetland mitigation areas, buffer areas, upland conservation areas and drainage easements described in the Permit and/or Plat of WELLS CREEK EAST, unless prior approval is received from the SJRWMD Regulation Department.

25.1.10 Each Owner within WELLS CREEK EAST at the time of the construction of a Home or structure shall comply with the construction plans for the SMS approved and on file with SJRWMD.

25.1.11 Owners shall not remove native vegetation (including cattails) that becomes established within retention/detention areas abutting their property. Removal includes dredging, the application of herbicide, cutting, and the introduction of grass carp. Owners shall address any questions regarding authorized activities within the retention/detention areas to SJRWMD.

25.2 Proviso. Any amendment to the Declaration that alters the SMS beyond its original condition, including the mitigation or preservation areas and the water management portions of the Common Areas must have the prior approval of SJRWMD.

25.3 Mitigation Area Monitoring. In the event WELLS CREEK EAST has onsite wetland mitigation (as defined in the regulations) that requires monitoring and maintenance, the Association shall include in its budget an appropriate allocation of funds for monitoring and maintenance of the wetland mitigation area(s) each year until SJRWMD, and/or the City and/or any applicable governmental agencies having jurisdiction determine that the area(s) is successful in accordance with the Permit and all other applicable permits or regulatory requirements. The Association shall perform all wetland mitigation monitoring in accordance with all Permit conditions associated with such wetland mitigation, monitoring, and maintenance.

25.4 Wetland Conservation Areas. Parcels may contain or be adjacent to wetlands, wetland mitigation or preservation areas, upland conservation areas and drainage easements, which may be dedicated by Plat and/or protected by a conservation easement ("Wetland Conservation Areas"). The Wetland Conservation Areas must be permanently retained in a natural state, and may not be altered from their present state, except as may be specifically authorized in writing by the County, SJRWMD, the City or any governmental agencies having jurisdiction. Owners of Lots abutting Wetland Conservation Areas shall not remove native vegetation (including cattails) that become established within the Wetland Conservation Areas abutting their Lot or Home. Removal includes dredging, the application of herbicide, cutting, and the introduction of grass carp. Owners shall address any questions regarding authorized activities within the Wetland Conservation Areas to the SJRWMD, Surface Water Regulation Manager.

NEITHER THE DECLARANT NOR THE ASSOCIATION MAKE ANY REPRESENTATION CONCERNING THE CURRENT OR FUTURE WATER LEVELS IN ANY OF THE WETLAND CONSERVATION AREAS IN WELLS CREEK EAST; PROVIDED, FURTHER, NEITHER THE DECLARANT NOR THE ASSOCIATION BEAR ANY RESPONSIBILITY TO ATTEMPT TO ADJUST OR MODIFY THE WATER LEVELS SINCE SUCH LEVELS ARE SUBJECT TO SEASONAL GROUNDWATER AND RAINFALL FLUCTUATIONS THAT ARE BEYOND THE CONTROL OF THE DECLARANT AND THE ASSOCIATION. BY ACCEPTANCE OF A DEED TO A HOME OR LOT, EACH OWNER ACKNOWLEDGES THE WATER LEVELS OF ALL WETLAND CONSERVATION AREAS MAY VARY. THERE IS NO GUARANTEE BY THE DECLARANT OR THE ASSOCIATION THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT.

25.5 Use Restrictions for Wetland Conservation Areas. The Wetland Conservation Areas may in no way be altered from their natural or permitted state. These use restrictions may be defined on the Permit, and the Plats associated with WELLS CREEK EAST. Activities prohibited within the conservation areas include, but are not limited to, the following:

25.5.1 No structures or construction of any kind may be erected;

25.5.2 No filling, excavation, dredging, prop-dredging, grading, paving, clearing, timbering, ditching, draining, contamination, or other development shall be permitted;

25.5.3 No activity may be done or performed which would adversely affect or impair (i) endangered or threatened species of special concern as to nesting, reproduction, food source, habitat or cover or affect the vegetation itself; (ii) available habitat for fish and aquatic life or result in emigration from adjacent or associated ecosystems and macro habitats; (iii) existing biosystems or ecosystems; or (iv) recovery of an impaired system;

25.5.4 No organic or inorganic matter or deleterious substances or chemical compounds may be discharged or placed in the Wetland Conservation Areas;

25.5.5 Surface use except for purposes that permit the land or water area to remain predominately in its natural condition;

25.5.6 Activities detrimental to drainage, flood control, water conservation, erosion control, or fish and wildlife habitat preservation or conservation;

25.5.7 Acts or uses detrimental to such aforementioned retention and maintenance of land or water areas;

25.5.8 Acts or uses detrimental to the preservation of any features or aspects of the property having historical, archeological or cultural significance;

25.5.9 No Owner within WELLS CREEK EAST may construct or maintain any building, residence, or structure, or undertake or perform any activity in the Wetland Conservation Areas described in the Permit and Plat, including the wetlands, wetland mitigation area(s), buffer area(s), upland conservation area(s) and drainage easement(s), unless prior approval is received from SJRWMD; and

25.5.10 Each Owner within WELLS CREEK EAST at the time of construction of a building, residence, or structure shall comply with the construction plans for the SMS approved and on file with SJRWMD.

LOTS MAY CONTAIN OR ABUT WETLAND CONSERVATION AREAS THAT ARE PROTECTED UNDER RECORDED CONSERVATION EASEMENTS. THESE AREAS MAY NOT BE

ALTERED FROM THEIR PRESENT CONDITIONS EXCEPT IN ACCORDANCE WITH THE RESTORATION PROGRAM INCLUDED IN THE CONSERVATION EASEMENT, OR EXCEPT TO REMOVE EXOTIC OR NUISANCE VEGETATION, INCLUDING, WITHOUT LIMITATION, MELALEUCA, BRAZILIAN PEPPER, AUSTRALIAN PINE, JAPANESE CLIMBING FERN, CATTAILS, PRIMROSE WILLOW, AND GRAPE VINE. THE ASSOCIATION IS RESPONSIBLE FOR PERPETUAL MAINTENANCE OF SIGNAGE REQUIRED BY THE PERMIT ISSUED BY SJRWMD, WHICH MAINTENANCE SHALL BE PERFORMED TO THE GREATEST DEGREE LAWFUL BY THE ASSOCIATION.

26. Resolution of Disputes.

26.1 By acceptance of a deed to a Lot, each Owner specifically agrees that the purchase of a Lot involves interstate commerce and that any Dispute (as hereinafter defined) shall first be submitted to mediation and, if not settled during mediation, shall thereafter be submitted to binding arbitration as provided by the Federal Arbitration Act (9 U.S.C. §§1 et seq.) and not by or in a court of law or equity. "**Disputes**" (whether contract, warranty, tort, statutory or otherwise), shall include, but are not limited to, any and all controversies, disputes or claims (1) arising under, or related to, this Declaration or any dealings between the Lot Owner and the Declarant; (2) arising by virtue of any representations, promises or warranties alleged to have been made by the Declarant or the Declarant's representatives; (3) relating to personal injury or property damage alleged to have been sustained by the Owner, the Owner's children or other occupants of the Lot; or (4) issues of formation, validity or enforceability of this Section 26. Each Owner agrees to the foregoing on behalf of his or her children and other occupants of the Lot with the intent that all such parties be bound hereby. Any Dispute shall be submitted for binding arbitration within a reasonable time after such Dispute has arisen. Nothing herein shall extend the time period by which a claim or cause of action may be asserted under the applicable statute of limitations or statute of repose, and in no event shall the Dispute be submitted for arbitration after the date when institution of a legal or equitable proceeding based on the underlying claims in such Dispute would be barred by the applicable statute of limitations or statute of repose.

26.2 Any and all mediations commenced by any Owner or the Declarant shall be filed with and administered by the American Arbitration Association or any successor thereto ("**AAA**") in accordance with the AAA's Home Construction Mediation Procedures in effect on the date of the request. If there are no Home Construction Mediation Procedures currently in effect, then the AAA's Construction Industry Mediation Rules in effect on the date of such request shall be utilized. Any party who will be relying upon an expert report or repair estimate at the mediation shall provide the mediator and the other parties with a copy of the reports. If one or more issues directly or indirectly relate to alleged deficiencies in design, materials or construction, all parties and their experts shall be allowed to inspect, document (by photograph, videotape or otherwise) and test the alleged deficiencies prior to mediation. Unless mutually waived in writing by the parties, submission to mediation is a condition precedent to either party taking further action with regard to any matter covered hereunder.

26.3 If the Dispute is not fully resolved by mediation, the Dispute shall be submitted to binding arbitration and administered by the AAA in accordance with the AAA's Home Construction Arbitration Rules in effect on the date of the request. If there are no Home Construction Arbitration Rules currently in effect, then the AAA's Construction Industry Arbitration Rules in effect on the date of such request shall be utilized. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Dispute. If the claimed amount exceeds Two Hundred Fifty Thousand and No/100 Dollars (\$250,000.00) or includes a demand for punitive damages, the Dispute shall be heard and determined by three arbitrators; however, if mutually agreed to by the Lot Owner and the Declarant, then the Dispute shall be heard and determined by one arbitrator. Arbitrators shall have expertise in the area(s) of Dispute, which may include legal expertise if legal issues are involved. All decisions respecting the arbitrability of any Dispute shall be decided by the arbitrator(s). At the request of any party, the award of the arbitrator(s) shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both parties.

26.4 The waiver or invalidity of any portion of this Section shall not affect the validity or enforceability of the remaining portions of this Section. By acceptance of a deed to a Lot, each Owner specifically agrees (i) that any Dispute involving the Declarant's affiliates, directors, officers, employees and agents shall also be subject to mediation and arbitration as set forth herein, and shall not be pursued in a court of law or equity; (2) that the Declarant may, at its sole election, include the Declarant's contractors, subcontractors and suppliers, as well as any warranty company and insurer as parties in the mediation and arbitration; and (3) that the mediation and arbitration will be limited to the parties specified herein.

26.5 To the fullest extent permitted by applicable law, by acceptance of a deed to a Lot, each Owner specifically agrees that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any other arbitration, judicial, or similar proceeding shall be given preclusive or collateral estoppel effect in any arbitration hereunder unless there is mutuality of parties. In addition, by acceptance of a deed to a Lot, each Owner agrees that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any arbitration hereunder shall be given preclusive or collateral estoppel effect in any other arbitration, judicial, or similar proceeding unless there is mutuality of parties.

26.6 Unless otherwise recoverable by law or statute, each party shall bear its own costs and expenses, including attorneys' fees and paraprofessional fees, for any mediation and arbitration. Notwithstanding the foregoing, if a party unsuccessfully contests the validity or scope of arbitration in a court of law or equity, the non-contesting party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in defending such contest, including such fees and costs associated with any appellate proceedings. In addition, if a party fails to abide by the terms of a mediation settlement or arbitration award, the other party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in enforcing such settlement or award.

26.7 An Owner may obtain additional information concerning the rules of the AAA by visiting its website at www.adr.org or by writing the AAA at 335 Madison Avenue, New York, New York 10017.

26.8 The Declarant supports the principles set forth in the Consumer Due Process Protocol developed by the National Consumer Dispute Advisory Committee and agrees to the following:

26.8.1 Notwithstanding the requirements of arbitration stated in this Section 26, each Owner shall have the option, after pursuing mediation as provided herein, to seek relief in a small claims court for disputes or claims within the scope of the court's jurisdiction in lieu of proceeding to arbitration. This option does not apply to any appeal from a decision by a small claims court.

26.8.2 Prior to Turnover, the Declarant agrees to pay for one (1) day of mediation (mediator fees plus any administrative fees relating to the mediation). Any mediator and associated administrative fees incurred thereafter shall be shared equally by the parties.

26.8.3 The fees for any claim pursued via arbitration in an amount of Ten Thousand and No/100 Dollars (\$10,000.00) or less shall be apportioned as provided in the Home Construction Arbitration Rules of the AAA or other applicable rules.

26.9 Notwithstanding the foregoing, if either the Declarant or an Owner seeks injunctive relief, and not monetary damages, from a court because irreparable damage or harm would otherwise be suffered by either party before mediation or arbitration could be conducted, such actions shall not be interpreted to indicate that either party has waived the right to mediate or arbitrate. The right to mediate and arbitrate should also not be considered waived by the filing of a counterclaim by either party once a claim for injunctive relief had been filed with a court.

26.10 THE DECLARANT AND, EACH OWNER BY ACCEPTANCE OF A DEED TO A LOT SPECIFICALLY AGREE THAT THE PARTIES MAY BRING CLAIMS AGAINST THE OTHER ONLY ON AN INDIVIDUAL BASIS AND NOT AS A MEMBER IN ANY PURPORTED CLASS OR

REPRESENTATIVE ACTION OR COLLECTIVE PROCEEDING. THE ARBITRATOR(S) MAY NOT CONSOLIDATE OR JOIN CLAIMS REGARDING MORE THAN ONE PROPERTY AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A CONSOLIDATED, REPRESENTATIVE, OR CLASS PROCEEDING. ALSO, THE ARBITRATOR(S) MAY AWARD RELIEF (INCLUDING MONETARY, INJUNCTIVE, AND DECLARATORY RELIEF) ONLY IN FAVOR OF THE INDIVIDUAL PARTY SEEKING RELIEF AND ONLY TO THE EXTENT NECESSARY TO PROVIDE RELIEF NECESSITATED BY THAT PARTY'S INDIVIDUAL CLAIM(S). ANY RELIEF AWARDED CANNOT BE AWARDED ON CLASS-WIDE OR MASS-PARTY BASIS OR OTHERWISE AFFECT PARTIES WHO ARE NOT A PARTY TO THE ARBITRATION. NOTHING IN THE FOREGOING PREVENTS DECLARANT FROM EXERCISING ITS RIGHT TO INCLUDE IN THE MEDIATION AND ARBITRATION THOSE PERSONS OR ENTITIES REFERRED TO IN SECTION 26.4 ABOVE.

**BYLAWS
OF
WELLS CREEK EAST HOMEOWNERS ASSOCIATION, INC.**

1. Name and Location. The name of the corporation is WELLS CREEK EAST HOMEOWNERS ASSOCIATION, INC. (the "**Association**"). The principal office of the corporation shall be located at 4901 Vineland Road, Suite 450, Orlando, Florida 32811, or at such other location determined by the Board of Directors (the "**Board**") from time to time.

2. Definitions. The definitions contained in the COMMUNITY DECLARATION FOR WELLS CREEK (the "**Declaration**") relating to the residential community known as WELLS CREEK, recorded, or to be recorded, in the Public Records of Duval County, Florida, are incorporated herein by reference and made a part hereof. In addition to the terms defined in the Declaration, the following terms shall have the meanings set forth below:

"**Minutes**" shall mean the minutes of all member and Board meetings, which shall be in the form required by the Florida Statutes. In the absence of governing Florida Statutes, the Board shall determine the form of the minutes.

"**Official Records**" shall mean all records required to be maintained by the Association pursuant to Section 720.303(4), Florida Statutes (2018).

3. Members.

3.1 Voting Interests. Each Owner and the Declarant shall be a member of the Association. No person who holds an interest in a Lot only as security for the performance of an obligation shall be a member of the Association. Membership shall be appurtenant to, and may not be separated from, ownership of any Lot. There shall be one (1) vote appurtenant to each Lot. Prior to the Turnover, the Declarant shall have Voting Interests equal to nine (9) votes per Lot owned. Thereafter, the Declarant shall have Voting Interest equal to one (1) vote for each Lot owned. For the purposes of determining who may exercise the Voting Interest associated with each Lot, the following rules shall govern:

3.1.1 Home Owned By Legally Married Couple. Either spouse (but not both) may exercise the Voting Interest with respect to a Lot. In the event the spouses cannot agree, neither may exercise the Voting Interest.

3.1.2 Trusts. In the event that any trust owns a Lot, the Association shall have no obligation to review the trust agreement with respect to such trust. By way of example, if the Lot is owned by Robert Smith, as Trustee, Robert Smith shall be deemed the Owner of the Lot for all Association purposes. If the Lot is owned by Robert Smith as Trustee for the Laura Jones Trust, then Robert Smith shall be deemed the member with respect to the Lot for all Association purposes. If the Lot is owned by the Laura Jones Trust, and the deed does not reference a trustee, then Laura Jones shall be deemed the member with respect to the Lot for all Association purposes. If the Lot is owned by the Jones Family Trust, the Jones Family Trust may not exercise its Voting Interest unless it presents to the Association, in the form of an attorney opinion letter or affidavit reasonably acceptable to the Association, the identification of the person who should be treated as the member with respect to the Lot for all Association purposes. If Robert Smith and Laura Jones, as Trustees, hold title to a Lot, either trustee may exercise the Voting Interest associated with such Lot. In the event of a conflict between trustees, the Voting Interest for the Lot in question cannot be exercised. In the event that any other form of trust ownership is presented to the Association, the decision of the Board as to who may exercise the Voting Interest with respect to any Lot shall be final. The Association shall have no obligation to obtain an attorney opinion letter in making its decision, which may be made on any reasonable basis whatsoever.

3.1.3 Corporations. If a Lot is owned by a corporation, the corporation shall designate a person, an officer, employee, or agent who shall be treated as the member who can exercise the Voting Interest associated with such Lot.

3.1.4 Partnerships. If a Lot is owned by a limited partnership, any one of the general partners may exercise the Voting Interest associated with such Lot. By way of example, if the general partner of a limited partnership is a corporation, then the provisions hereof governing corporations shall govern which person can act on behalf of the corporation as general partner of such limited partnership. If a Lot is owned by a general partnership, any one of the general partners may exercise the Voting Interest associated with such Lot. In the event of a conflict among general partners entitled to exercise a Voting Interest, the Voting Interest for such Lot cannot be exercised.

3.1.5 Multiple Individuals. If a Lot is owned by more than one individual, any one of such individuals may exercise the Voting Interest with respect to such Lot. In the event that there is a conflict among such individuals, the Voting Interest for such Lot cannot be exercised.

3.1.6 Liability of the Association. The Association may act in reliance upon any writing or instrument or signature, whether original or by Electronic Transmission, which the Association, in good faith, believes to be genuine, may assume the validity and accuracy of any statement or assertion contained in such a writing or instrument, and may assume that any person purporting to give any writing, notice, advice or instruction in connection with the provisions hereof has been duly authorized to do so. So long as the Association acts in good faith, the Association shall have no liability or obligation with respect to the exercise of Voting Interests, and no election shall be invalidated (in the absence of fraud) on the basis that the Association permitted or denied any person the right to exercise a Voting Interest. In addition, the Board may impose additional requirements respecting the exercise of Voting Interests (e.g., the execution of a Voting Certificate).

3.2 Annual Meetings. The annual meeting of the members (the "**Annual Members Meeting**") shall be held at least once each calendar year on a date, at a time, and at a place to be determined by the Board.

3.3 Special Meetings of the Members. Special meetings of the members (a "**Special Members Meeting**") may be called by the President, a majority of the Board, or upon written request of thirty percent (30%) of the Voting Interests of the members. The business to be conducted at a Special Members Meeting shall be limited to the extent required by Florida Statutes.

3.4 Notice of Members Meetings. Written notice of each members meeting shall be given by, or at the direction of, any officer of the Board or any management company retained by the Association. A copy of the notice shall be given to each member entitled to vote, not less than ten (10) days before the meeting (provided, however, in the case of an emergency, two (2) days' notice will be deemed sufficient), unless otherwise required by Florida law. Written notice is effective (i) when mailed, if mailed postpaid and correctly addressed to the members' address last appearing on the books; or (ii) when transmitted by any form of Electronic Transmission. The notice shall specify the place, day, and hour of the meeting and, in the case of a Special Members Meeting, the purpose of the meeting. Alternatively, and to the extent not prohibited by the Florida Statutes, as amended from time to time, the Board may, by majority consent, adopt from time to time, other procedures for giving notice to the members of the Annual Members Meeting or a Special Members Meeting. By way of example, and not of limitation, such notice may be included in a newsletter sent to each member.

3.5 Quorum of Members. Until the Turnover, a quorum shall be established by Declarant's presence, in person or by proxy, at any meeting. After the Turnover, a quorum for purposes of conducting business shall be established by the presence, in person or by proxy, of the members entitled to cast ten percent (10%) of the total Voting Interests. To the extent permitted by applicable law, as amended from time to time, members may attend members' meetings and vote as if physically present

via telephone, real-time videoconferencing, or similar real-time electronic or video communication. A member's attendance via telephone, real-time videoconferencing, or similar real-time electronic or video communication shall count toward the quorum requirements as if such member was physically present. In the event members elect not to be physically present at a members' meeting, a speaker must be used so that the conversation of such members may be heard by the Board or committee members attending in person as well as by any Owners present at the meeting. Notwithstanding the foregoing or any other provision of these Bylaws to the contrary, members may attend and participate via telephone, real-time videoconferencing, or similar real-time electronic or video communication only if a majority of the Board approved such manner of attendance.

3.6 Adjournment of Members Meetings. If, however, a quorum shall not be present at any members meeting, the meeting may be adjourned as provided in the Florida Statutes. In the absence of a provision in the Florida Statutes, the members present shall have power to adjourn the meeting and reschedule it on another date.

3.7 Action of Members. Decisions that require a vote of the members must be made by a concurrence of a majority of the Voting Interests present in person or by proxy, represented at a meeting at which a quorum has been obtained unless provided otherwise in the Declaration, the Articles, or these Bylaws.

3.8 Proxies. At all meetings, members may vote their Voting Interests in person or by proxy. In addition, to the extent permitted by the Board and to extent the Association adopted technology that facilitates voting remotely, members may also cast their votes utilizing such technology and participating via telephone, real-time videoconferencing, or similar real-time electronic or video communication. All proxies shall comply with the provisions of Section 720.306(8), Florida Statutes (2018), as amended from time to time, be in writing, and be filed with the Secretary at, or prior to, the meeting. Proxyholders may also attend and/or participate via telephone, real-time videoconferencing, or similar real-time electronic or video communication so long as the proxies are delivered to the Secretary at or prior to the meeting and otherwise in compliance with this Section 3.8. Every proxy shall be revocable prior to the meeting for which it is given.

4. Board of Directors.

4.1 Number. The affairs of the Association shall be managed by a Board consisting of no less than three (3) persons and no more than five (5) persons, and shall include at least one (1) Owner of a Lot in each Neighborhood as set forth in Section 4.3 below. Board members appointed by Declarant need not be members of the Association. Board members elected by Owners must be members of the Association. Pursuant to Section 720.307(2), Florida Statutes (2018) Owners are entitled to elect one (1) member of the Board (the "**Pre-Turnover Director**") when fifty percent (50%) of all the Lots ultimately planned for WELLS CREEK are conveyed to Owners, provided the Owners exercise such right. In the event the Owners do not exercise the right to elect the Pre-Turnover Director, then a vacancy on the Board shall occur and the remaining members of the Board may fill such vacancy.

4.2 Term of Office. The term of office for the Pre-Turnover Director shall end at the next Annual Members Meeting after the Pre-Turnover Director's election, or on the date the Turnover election takes place (the "**Turnover Date**"), whichever occurs first. In the event that the Pre-Turnover Director's term expires at the Annual Members Meeting, a new Pre-Turnover Director shall be elected by the Owners at the next Annual Members Meeting or on the Turnover Date, whichever occurs first, with the election process repeated thereafter until Turnover. Except with respect to the Pre-Turnover Director, the election of Directors shall take place after Declarant no longer has the authority to appoint a majority Board and shall take place on the Turnover Date. On the Turnover Date the members shall elect at least three (3) Directors: one (1) Director for a term of one (1) year, one (1) Director for a term two (2) years, and one (1) Director for a term of three (3) years. The candidates receiving the most votes shall be elected to office, subject to Section 4.3 below.

4.3 Neighborhood Representation. From and after the Turnover Date, except as otherwise expressly provided herein, the Board shall at all times include at least one (1) Owner of a Lot from each Neighborhood. For example, if on the Turnover Date WELLS CREEK is comprised of the SFD Neighborhood and Townhome Neighborhood, then the members shall elect at least three (3) Directors: one (1) Director from the SFD Neighborhood, one (1) Director from the Townhome Neighborhood, and one (1) Director from either the SFD Neighborhood or the Townhome Neighborhood. Until each Neighborhood is represented by at least one (1) Owner of a Lot within such Neighborhood on the Board, the candidates from each Neighborhood receiving the most votes shall be elected to office. Of such candidates receiving the most votes and including at least one (1) Owner from each Neighborhood, the candidate with the most votes (irrespective of the Neighborhood in which such candidate owns a Lot) shall serve as the Director for three (3) years; the candidate receiving the second highest number of votes shall serve as Director for two (2) years; and the candidate receiving the least amount of votes shall serve as Director for one (1) year. At each Annual Members Meeting thereafter, the members shall elect the appropriate number of Directors for a term of two (2) years, with at least one (1) Owner of a Lot from each Neighborhood serving on the Board at all times after the Turnover Date. Each Director's respective term shall end upon the election of new Directors at the Annual Members Meeting (except that the term of any Director appointed by Declarant shall extend until the date designated by Declarant, or until the Turnover Date). Notwithstanding anything contained herein to the contrary, in the event there are no candidates from a particular Neighborhood running to serve as a Director, then the candidates receiving the most votes (irrespective of the Neighborhood(s) in which such candidates own Lots) shall be elected to office.

4.4 Removal. Any vacancy created by the resignation or removal of a Board member appointed by Declarant may be replaced by Declarant. Declarant may replace or remove any Board member appointed by Declarant in Declarant's sole and absolute discretion. In the event of death or resignation of a Director elected by the members, the remaining Directors may fill such vacancy, subject to the requirements of Section 4.3. Directors may be removed with or without cause by the vote or agreement in writing of members holding a majority of the Voting Interests.

4.5 Compensation. No Director shall receive compensation for any service rendered as a Director to the Association; provided, however, any Director may be reimbursed for actual expenses incurred as a Director.

4.6 Action Taken Without a Meeting. Except to the extent prohibited by law, the Board shall have the right to take any action without a meeting by obtaining the written approval of the required number of Directors. Any action so approved shall have the same effect as though taken at a meeting of Directors.

4.7 Appointment and Election of Directors. Until the Turnover, the Declarant shall have the unrestricted power to appoint a majority of the Directors of the Association. Subject to Declarant's right to appoint a Director as permitted by Section 720.307(3), Florida Statutes (2018), from and after the expiration of the Turnover, or such earlier date determined by Declarant in its sole and absolute discretion, the members shall elect Directors of the Association at or in conjunction with the Annual Members Meeting.

4.8 Nomination. Prior to each election at which Owners are entitled to elect any of the Directors, the Board shall prescribe (and communicate to the members) the opening date and the closing date of a reasonable filing period ("**Candidate Filing Period**") in which every eligible person who has an interest in serving as a Director may file as a candidate for such Director position. The Board may also appoint a Nominating Committee to make nominations for election of Directors to the Board. A Nominating Committee, if appointed, shall consist of a Chairman, who shall be a member of the Board of Directors, and two (2) or more members of the Association. Any Nominating Committee shall serve for a term of one (1) year or until its successors are appointed. In preparation for each election, the Nominating Committee, if appointed, shall meet and make as many nominations for election to the Board as it shall in its discretion determine, but in no event less than the number of Directors' positions to be filled at such election. Any member may nominate himself or herself as a candidate by notice to the

Nominating Committee (or to the Secretary if there is no Nominating Committee) within the Candidate Filing Period.

4.9 Election. Each member may cast as many votes as the member has under the provisions of the Declaration, for each vacancy on which such member is entitled to vote. If the number of candidates nominated is equal to or less than the number of positions to be filled, then those candidates shall be deemed elected without the necessity of a vote. If the number of candidates nominated exceeds the number of positions to be filled, an election shall be held, and the person receiving the largest number of votes cast by the members (for each vacancy on which such members are entitled to vote) is elected. Cumulative voting is not permitted. So long as required by Section 720.306(9), Florida Statutes (2018), any election dispute between a member and the Association shall be resolved by mandatory binding arbitration with the Division of Florida Condominiums, Timeshares, and Mobile Homes in the Department of Business and Professional Regulation. Any challenge to the election process must be commenced within sixty (60) days after the election results are announced.

5. Meeting of Directors.

5.1 Regular Meetings. Regular meetings of the Board shall be held on a schedule adopted by the Board from time to time. Meetings shall be held at such place and hour as may be fixed, from time to time, by resolution of the Board.

5.2 Special Meetings. Special meetings of the Board shall be held when called by the President, or by any two (2) Directors. Each Director shall be given not less than two (2) days' notice except in the event of an emergency. Notice may be waived. Attendance shall be a waiver of notice. Telephone conference meetings are permitted.

5.3 Emergencies. In the event of an emergency involving immediate danger of injury or death to any person or damage to property, if a meeting of the Board cannot be immediately convened to determine a course of action, the President or, in his absence, any other officer or director, shall be authorized to take such action on behalf of the Association as shall be reasonably required to appropriately respond to the emergency situation, including the expenditure of the Association funds in the minimum amount as may be reasonably required under the circumstances. The authority of officers to act in accordance herewith shall remain in effect until the first to occur of the resolution of the emergency situation or a meeting of the Board convened to act in response thereto.

5.4 Quorum. A majority of the number of Directors shall constitute a quorum for the transaction of business. Every act or decision done or made by a majority of the Directors present at a duly held meeting, at which a quorum is present, or in writing in lieu thereof, shall be an action of the Board. Directors may attend meetings via telephone, real-time videoconferencing, or similar real-time electronic or video communication. A Director's participation in a meeting via telephone, real-time videoconferencing, or similar real-time electronic or video communication counts toward a quorum, and such Director may vote as if physically present. A speaker must be used so that the conversation of Directors not physically present may be heard by the Board, as well as by any members present at the meeting. Members may not attend Board meetings via telephone, real-time videoconferencing, or similar real-time electronic or video communication.

5.5 Open Meetings. Meetings of the Board, and of any Committee of the Board, shall be open to all members.

5.6 Voting. Board members shall cast votes in the manner provided in the Florida Statutes. In the absence of a statutory provision, the Board shall establish the manner in which votes shall be cast.

5.7 Notice of Board Meetings. Notices of meetings of the Board shall be posted in a conspicuous place on the Common Areas at least 48 hours in advance, except in an event of an emergency. Alternatively, notice may be given to members in any other manner provided by Florida

Statute, as amended from time to time. By way of example, and not of limitation, notice may be given in any newsletter distributed to the members. Written notice of Board meetings also may be provided when transmitted by any form of Electronic Transmission. For the purposes of giving notice, the area for notices to be posted selected by the Board shall be deemed a conspicuous place. Notwithstanding anything to the contrary herein, notice of any meeting of the Board at which an Assessment will be levied must be provided to all members at least fourteen (14) days before the meeting, which notice shall include a statement that Assessments will be considered at the meeting and the nature of the Assessments.

5.8 Electronic or Video Attendance. The Board may, by majority consent, permit any directors to participate in a regular or special meeting by, or conduct the meeting through the use of, any means of communication by which all Directors participating may simultaneously hear each other during the meeting, such as telephone, real-time videoconferencing, or similar real-time electronic or video communication. A Director participating in a meeting by this means is deemed to be present in person at the meeting. Notwithstanding any provision herein to the contrary, the meeting must be held at a location that is accessible to a physically handicapped person if requested by a physically handicapped person who has a right to attend the meeting.

6. Powers and Duties of the Board.

6.1 Powers. The Board shall have, subject to the limitations and reservations set forth in the Declaration and Articles, the powers reasonably necessary to manage, operate, maintain and discharge the duties of the Association, including, but not limited to, the power to cause Association to do the following:

12. Amendments.

12.1 General Restrictions on Amendments. If the prior written approval of any governmental entity or agency having jurisdiction is required by applicable law or governmental regulation for any amendment to these Bylaws, then the prior written consent of such entity or agency must also be obtained. No amendment shall be effective until it is recorded in the Public Records.

12.2 Amendments Prior to the Turnover. Prior to the Turnover, Declarant shall have the right to amend these Bylaws as it deems appropriate, without the joinder or consent of any person or entity whatsoever, except as limited by applicable law as it exists and is effective on the date the Declaration is recorded in the Public Records or except as expressly set forth herein. Declarant's right to amend under this provision is to be construed as broadly as possible. In the event the Association shall desire to amend these Bylaws prior to the Turnover, the Association must first obtain Declarant's prior written consent to any proposed amendment. An amendment identical to that approved by Declarant may be adopted by the Association pursuant to the requirements for amendments from and after the Turnover. 12.3 Amendments From and After the Turnover. After the Turnover, but subject to the general restrictions on amendments set forth above, these Bylaws may be amended with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly called meeting of the members. Notwithstanding the foregoing, these Bylaws may be amended after the Turnover by a majority of the Board acting alone to change the number of Directors on the Board and their respective terms. Such change shall not require the approval of the members. Any change in the number of Directors shall not take effect until the next Annual Members Meeting.

12.4 Compliance with HUD, FHA, VA, FNMA, GNMA and SJRWMD. Prior to the Turnover, the Declarant shall have the right to amend these Bylaws, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SJRWMD, or any other governmental agency or body as a condition to, or in connection with such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Association, other Owners, or any other party shall be required or necessary to such amendment. After the Turnover Date, but subject to the general restrictions on amendments set forth above, the Board shall have the right to amend these Bylaws, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SJRWMD or any other governmental agency or body as a condition to, or in connection with such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Owners, or any other party, shall be required or necessary to any such amendments by the Board. "EXHIBIT A"
CONDITIONS FOR ISSUANCE OF PERMIT NUMBER 140150-5
Wells Creek - Phases 1A, 1B and 1C
DATED March 07, 2018

1. All activities shall be implemented following the plans, specifications and performance criteria approved by this permit. Any deviations must be authorized in a permit modification in accordance with Rule 62-330.315, F.A.C. Any deviations that are not so authorized may subject the permittee to enforcement action and revocation of the permit under Chapter 373, F.S.
2. A complete copy of this permit shall be kept at the work site of the permitted activity during the construction phase, and shall be available for review at the work site upon request by the District staff. The permittee shall require the contractor to review the complete permit prior to beginning construction.
3. Activities shall be conducted in a manner that does not cause or contribute to violations of state water quality standards. Performance-based erosion and sediment control best management practices shall be installed immediately prior to, and be maintained during and after construction as needed, to prevent adverse impacts to the water resources and adjacent lands. Such practices shall be in accordance with the State of Florida Erosion and Sediment Control Designer and Reviewer Manual (Florida Department of Environmental Protection and Florida Department of Transportation June 2007), and the Florida Stormwater Erosion and Sedimentation Control Inspector's Manual (Florida Department of Environmental Protection, Nonpoint Source Management Section, Tallahassee, Florida, July 2008), which are both incorporated by reference in subparagraph 62-330.050(9)(b)5, F.A.C., unless a project-specific erosion and sediment control plan is approved or other water quality control measures are required as part of the permit.
4. At least 48 hours prior to beginning the authorized activities, the permittee shall submit to the District a fully executed Form 62-330.350(1), "Construction Commencement Notice," [10-1-13], incorporated by reference herein (<http://www.flrules.org/Gateway/reference.asp?No=Ref-02505>), indicating the expected start and completion dates. A copy of this form may be obtained from the District, as described in subsection 62-330.010(5), F.A.C. If available, a District website that fulfills this notification requirement may be used in lieu of the form.
5. Unless the permit is transferred under Rule 62-330.340, F.A.C., or transferred to an operating entity under Rule 62-330.310, F.A.C., the permittee is liable to comply with the plans, terms and conditions of the permit for the life of the project or activity.
6. Within 30 days after completing construction of the entire project, or any independent portion of the project, the permittee shall provide the following to the Agency, as applicable:
 - a. For an individual, private single-family residential dwelling unit, duplex, triplex, or quadruplex — "Construction Completion and Inspection Certification for Activities Associated With a Private Single-Family Dwelling Unit" [Form 62-330.310(3)]; or
 - b. For all other activities — "As-Built Certification and Request for Conversion to Operational Phase" [Form 62-330.310(1)].
 - c. If available, an Agency website that fulfills this certification requirement may be used in lieu of the form.

7. If the final operation and maintenance entity is a third party:
 - a. Prior to sales of any lot or unit served by the activity and within one year of permit issuance, or within 30 days of as-built certification, whichever comes first, the permittee shall submit, as applicable, a copy of the operation and maintenance documents (see sections 12.3 thru 12.3.3 of Volume I) as filed with the Department of State, Division of Corporations and a copy of any easement, plat, or deed restriction needed to operate or maintain the project, as recorded with the Clerk of the Court in the County in which the activity is located.
 - b. Within 30 days of submittal of the as- built certification, the permittee shall submit "Request for Transfer of Environmental Resource Permit to the Perpetual Operation Entity" [Form 62-330.310(2)] to transfer the permit to the operation and maintenance entity, along with the documentation requested in the form. If available, an Agency website that fulfills this transfer requirement may be used in lieu of the form.
8. The permittee shall notify the District in writing of changes required by any other regulatory District that require changes to the permitted activity, and any required modification of this permit must be obtained prior to implementing the changes.
9. This permit does not:
 - a. Convey to the permittee any property rights or privileges, or any other rights or privileges other than those specified herein or in Chapter 62-330, F.A.C.;
 - b. Convey to the permittee or create in the permittee any interest in real property;
 - c. Relieve the permittee from the need to obtain and comply with any other required federal, state, and local authorization, law, rule, or ordinance; or
 - d. Authorize any entrance upon or work on property that is not owned, held in easement, or controlled by the permittee.
10. Prior to conducting any activities on state-owned submerged lands or other lands of the state, title to which is vested in the Board of Trustees of the Internal Improvement Trust Fund, the permittee must receive all necessary approvals and authorizations under Chapters 253 and 258, F.S. Written authorization that requires formal execution by the Board of Trustees of the Internal Improvement Trust Fund shall not be considered received until it has been fully executed.
11. The permittee shall hold and save the District harmless from any and all damages, claims, or liabilities that may arise by reason of the construction, alteration, operation, maintenance, removal, abandonment or use of any project authorized by the permit.
12. The permittee shall notify the District in writing:
 - a. Immediately if any previously submitted information is discovered to be inaccurate; and
 - b. Within 30 days of any conveyance or division of ownership or control of the property or the system, other than conveyance via a long-term lease, and the new owner shall request transfer of the permit in accordance with Rule 62-330.340, F.A.C. This does not apply to the sale of lots or units in residential or commercial subdivisions or condominiums where the stormwater management system has been completed and converted to the operation phase.

13. Upon reasonable notice to the permittee, District staff with proper identification shall have permission to enter, inspect, sample and test the project or activities to ensure conformity with the plans and specifications authorized in the permit.
14. If any prehistoric or historic artifacts, such as pottery or ceramics, stone tools or metal implements, dugout canoes, or any other physical remains that could be associated with Native American cultures, or early colonial or American settlement are encountered at any time within the project site area, work involving subsurface disturbance in the immediate vicinity of such discoveries shall cease. The permittee or other designee shall contact the Florida Department of State, Division of Historical Resources, Compliance and Review Section, at (850) 245-6333 or (800) 847-7278, as well as the appropriate permitting agency office. Such subsurface work shall not resume without verbal or written authorization from the Division of Historical Resources. If unmarked human remains are encountered, all work shall stop immediately and notification shall be provided in accordance with Section 872.05, F.S.
15. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered binding unless a specific condition of this permit or a formal determination under Rule 62-330.201, F.A.C., provides otherwise.
16. The permittee shall provide routine maintenance of all components of the stormwater management system to remove trapped sediments and debris. Removed materials shall be disposed of in a landfill or other uplands in a manner that does not require a permit under Chapter 62-330, F.A.C., or cause violations of state water quality standards.
17. This permit is issued based on the applicant's submitted information that reasonably demonstrates that adverse water resource-related impacts will not be caused by the completed permit activity. If any adverse impacts result, the District will require the permittee to eliminate the cause, obtain any necessary permit modification, and take any necessary corrective actions to resolve the adverse impacts.
18. A Recorded Notice of Environmental Resource Permit may be recorded in the county public records in accordance with Rule 62-330.090(7), F.A.C. Such notice is not an encumbrance upon the property.
19. At a minimum, all retention and detention storage areas must be excavated to rough grade prior to building construction or placement of impervious surface within the area to be served by those facilities. To prevent reduction in storage volume and percolation rates, all accumulated sediment must be removed from the storage area prior to final grading and stabilization.
20. All wetland areas or water bodies that are outside the specific limits of construction authorized by this permit must be protected from erosion, siltation, scouring or excess turbidity, and dewatering.
21. The operation and maintenance entity shall inspect the stormwater or surface water management system once within two years after the completion of construction and every two years thereafter to determine if the system is functioning as designed and permitted. The operation and maintenance entity must maintain a record of each required inspection, including the date of the inspection, the name and contact information of the inspector, and whether the system was functioning as designed and permitted, and make such record available for inspection upon request by the District during normal business hours. If at any time the system is not functioning as designed and permitted, then within 30 days the entity shall submit a report electronically or in writing to the District using Form 62-330.311(1),

"Operation and Maintenance Inspection Certification," describing the remedial actions taken to resolve the failure or deviation.

22. The permittee must notify the District by certified mail of the commencement of a voluntary or involuntary proceeding under Title XI (Bankruptcy), U.S. Code, naming the permittee as debtor within 10 business days after the commencement of the proceeding.
23. In the event of a change in ownership or control of the property to which the permit pertains, the permittee shall maintain the financial responsibility mechanism until the District has approved a substitute financial responsibility mechanism and approved the transfer of the permit to the new owner or person with legal control.
24. The permittee shall be deemed to be without the required financial assurance in the event of bankruptcy, insolvency, suspension or revocation of the license or charter of the issuing institution. The permittee must reestablish a financial responsibility mechanism within 60 days after such an event. The financial responsibility mechanism must be in substantial conformance with the District form for such mechanism (incorporated by reference in rule 62-330.301, F.A.C.) and must be approved by the District.
25. Deed of Conservation Easement

This permit requires the recording of a conservation easement. Within 30 days of recording, the permittee shall provide the District with: (a) the original recorded easement (including exhibits) showing the date it was recorded and the official records book and page number, (b) a copy of the recorded plat (if applicable), (c) a surveyor's sketch of the easement area plotted on the appropriate USGS topographic map, and (d) the original recorded consent and joinder(s) of mortgagee (if applicable). Before recording them, the permittee shall ensure that these documents are acceptable to the District as described below.

Description of Conservation Easement Area.

The permittee shall provide to the District for review and written approval a copy of: (a) the preliminary plat showing the area to be encumbered by the conservation easement, or (b) a surveyor's sketch and legal description of the area to be placed under the conservation easement, per the approved mitigation plan, at least 45 days before (1) dredging, filling, or clearing any wetland or surface water for which mitigation is required; (2) clearing any upland within a Riparian Habitat Protection Zone for which mitigation is required; (3) the sale of any lot or parcel; (4) the recording of the subdivision plat; or (5) use of the infrastructure for its intended use, whichever occurs first.

If the impacts to an upland within a Riparian Habitat Protection Zone or to a wetland or surface water for which mitigation is required will occur in discrete phases, the areas to be preserved to offset such impacts may be placed under conservation easement in phases such that impacts are offset during each phase. Such phasing of preservation shall only occur if it has been proposed in the mitigation plan and approved by the permit, or if it is approved in writing by the District. A surveyor's sketch and legal description of the area to be placed under conservation easement during each phase must be submitted in accordance with the previous paragraph.

Recording of Conservation Easement.

Before (1) dredging, filling, or clearing any wetland or surface water for which mitigation is required, (2) clearing any upland within a Riparian Habitat Protection Zone for which mitigation is required, (3) the sale of any lot or parcel, (4) the recording of the subdivision plat, or (5) use of the infrastructure for its intended use, whichever occurs first, the permittee shall record a conservation easement. The conservation easement shall include restrictions on the real property pursuant to section 704.06, Florida Statutes, and be

consistent with section 10.3.8, ERP Applicant's Handbook, Volume I(October 1, 2013) and Fla. Admin. Code R. 62-330.301(6).

The conservation easement shall be in the form approved in writing by the District and, if no plat has been submitted, the easement shall include the approved legal description and surveyor's sketch. If the District does not provide written comments on the preliminary plat or surveyor's sketch and legal description within 45 days of receipt, then the permittee may record the conservation easement with the legal description and surveyor's sketch or plat reference previously submitted. If the District provides written disapproval of the preliminary plat or surveyor's sketch and legal description, the permittee shall, within ten (10) days of receipt of the disapproval, correct all errors with the conservation easement, including the preliminary plat or legal description and surveyor's sketch, and record the conservation easement. Pursuant to section 704.06, Florida Statutes, the conservation easement shall prohibit all construction, including clearing, dredging, or filling, except that which is specifically authorized by this permit, within the mitigation areas delineated on the final plans and/or mitigation proposal approved by the District.

The easement may not be amended without written District approval.

Additional Documents Required.

The permittee shall ensure that the conservation easement identifies, and is executed by, the correct grantor, who must hold sufficient record title to the land encumbered by the easement. If the easement's grantor is a partnership, the partnership shall provide to the District a partnership affidavit stating that the person executing the conservation easement has the legal authority to convey an interest in the partnership land. If there exist any mortgages on the land, the permittee shall also have each mortgagee execute a consent and joinder of mortgagee subordinating the mortgage to the conservation easement. The consent and joinder of the mortgagee shall be recorded simultaneously with the conservation easement in the public records of the county where the land is located. Within 30 days of recording, the permittee shall provide the District with: (a) the original recorded easement (including exhibits) showing the date it was recorded and the official records book and page number, (b) a copy of the recorded plat (if applicable), (c) a surveyor's sketch of the easement area plotted on the appropriate USGS topographic map, and (d) the original recorded consent and joinder(s) of mortgagee (if applicable).

26. The permittee shall ensure that a registered professional of record or his or her designee is present to monitor and approve the construction and installation of the clay liner and/or impermeable layers or liners. The permittee shall include written verification of construction and installation of the clay liner and/or impermeable liner as part of the as-built certification it must submit in accordance with rule 62-330.310, F.A.C.
27. The wetland mitigation areas must be planted prior to any of the following events (whichever occurs first): issuance of the first certificate of occupancy; use of the infrastructure for its intended use; or transfer of responsibility for operation and maintenance of the system to a local government or other responsible entity.
28. The permittee shall enhance the wetland mitigation areas through nuisance species eradication and planting, as per the approved mitigation plan, before any of the following events (whichever occurs first): issuance of the first certificate of occupancy; use of the infrastructure for its intended use; or transfer of responsibility for operation and maintenance of the system to a local government or other responsible entity.
29. This permit for construction will expire five years from the date of issuance.
30. Successful establishment of the wetland mitigation will have occurred when:

- a) At least 90 percent of the planted individuals in each stratum have survived throughout the monitoring period and are showing signs of normal growth, based upon standard growth parameters such as height and base diameter, or canopy circumference; and,
 - b) At least 80 percent cover by appropriate wetland species has been obtained; and,
 - c) Hydrologic conditions generally conform to those specified in the mitigation plan; and,
 - d) The above criteria have been achieved by the end of a 5-year period following initial planting; and,
 - e) less than 5% areal coverage of plants on the Florida Exotic Pest Plant Council's list of Florida's most invasive species within the mitigation area.[include title/date of publication]
31. The Surface Water Management System must be constructed in accordance with the plans received by the District on March 1, 2018.
 32. The proposed direct wetland impacts for the Phase 1 construction must be performed as indicated on Figure 4b received by the District under sequence 4 on February 9, 2018. The proposed secondary impacts have been assessed per Figure 5b (Phase 1 construction) received by the District under sequence 4 on January 31, 2018.
 33. The Phase 1 mitigation plan, which includes text received by the District under sequence 4 on January 19, 2018 as amended by the location and acreages indicated on Figure 4b, received by the District under sequence 4 on February 9, 2018, is incorporated as a condition of this permit.
 34. Before the start of any construction, the permittee shall submit to the District an executed Trust Fund Agreement (for mitigation) along with written documentation from the trustee that the amount of \$36,059.21 has been deposited in the Fund. The Trust Fund Agreement shall be in substantial conformance with the form incorporated by reference in 62-330.301(5)(d), F.A.C. and shall be consistent in form and content with the draft agreement approved by the District on February 26, 2018 under sequence 4. The permittee shall ensure that a District-approved Trust Fund Agreement is effective through the date of notification of final release by the District in accordance with section 10.3.7.7.2, ERP Applicant's Handbook, Vol. I (October 1, 2013).
 35. A maintenance program shall be implemented in accordance with the final approved mitigation plan for the preserved and enhanced wetlands and uplands on a regular basis to ensure those areas meet the integrity and viability of the success criteria as permitted, including ensuring that the mitigation site is maintained in perpetuity free from invasive exotic species such that they comprise less than 5 percent areal coverage of plants on the Florida Exotic Pest Plant Council's list of Florida's most invasive species within the mitigation area. In addition, the permittee shall manage the conservation areas such that exotic/nuisance plant species do not dominate any one section of those areas.
 36. A monitoring program shall be implemented in accordance with the final approved mitigation plans. The monitoring program shall extend for a period of 5 years with annual reports submitted to District staff.
 37. The permittee shall monitor and maintain the wetland and upland mitigation area(s) until the criteria set forth in the Mitigation Success Criteria Conditions(s) above are met. The permittee shall perform corrective actions identified by the District if the District identifies a mitigation deficiency.

38. If upon termination of the 5-year monitoring period mitigation success has not been demonstrated, within 30 days after submittal of the final monitoring report, the permittee must submit a written description of the known or suspected causes of failure and propose a corrective action plan to achieve mitigation success. Upon approval of the corrective action plan an appropriate additional monitoring period will be required to assess success of the new mitigation plan.
39. A time zero monitoring report for the wetland enhancement mitigation areas shall be conducted in accordance with the final approved mitigation plan. The report shall include a list of planted species, sizes, total number and densities of each plant species within each habitat type, and panoramic photographs for each habitat type. This report shall be submitted prior to the use of the infrastructure for Phase 1A, 1B or 1C, whichever occurs first.

Notice Of Rights

1. A person whose substantial interests are or may be affected has the right to request an administrative hearing by filing a written petition with the St. Johns River Water Management District (District). Pursuant to Chapter 28-106 and Rule 40C-1.1007, Florida Administrative Code, the petition must be filed (received) either by delivery at the office of the District Clerk at District Headquarters, P. O. Box 1429, Palatka Florida 32178-1429 (4049 Reid St., Palatka, FL 32177) or by e-mail with the District Clerk at Clerk@sjrwmd.com, within twenty-six (26) days of the District depositing the notice of District decision in the mail (for those persons to whom the District mails actual notice), within twenty-one (21) days of the District emailing the notice of District decision (for those persons to whom the District emails actual notice), or within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail or email actual notice). A petition must comply with Sections 120.54(5)(b)4. and 120.569(2)(c), Florida Statutes, and Chapter 28-106, Florida Administrative Code. The District will not accept a petition sent by facsimile (fax), as explained in paragraph no. 4 below.
2. Please be advised that if you wish to dispute this District decision, mediation may be available and that choosing mediation does not affect your right to an administrative hearing. If you wish to request mediation, you must do so in a timely-filed petition. If all parties, including the District, agree to the details of the mediation procedure, in writing, within 10 days after the time period stated in the announcement for election of an administrative remedy under Sections 120.569 and 120.57, Florida Statutes, the time limitations imposed by Sections 120.569 and 120.57, Florida Statutes, shall be tolled to allow mediation of the disputed District decision. The mediation must be concluded within 60 days of the date of the parties' written agreement, or such other timeframe agreed to by the parties in writing. Any mediation agreement must include provisions for selecting a mediator, a statement that each party shall be responsible for paying its pro-rata share of the costs and fees associated with mediation, and the mediating parties' understanding regarding the confidentiality of discussions and documents introduced during mediation. If mediation results in settlement of the administrative dispute, the District will enter a final order consistent with the settlement agreement. If mediation terminates without settlement of the dispute, the District will notify all the parties in writing that the administrative hearing process under Sections 120.569 and 120.57, Florida Statutes, is resumed. Even if a party chooses not to engage in formal mediation, or if formal mediation does not result in a settlement agreement, the District will remain willing to engage in informal settlement discussions.
3. A person whose substantial interests are or may be affected has the right to an informal administrative hearing pursuant to Sections 120.569 and 120.57(2), Florida Statutes, where no material facts are in dispute. A petition for an informal hearing must also comply with the requirements set forth in Rule 28-106.301, Florida Administrative Code.

Notice Of Rights

4. A petition for an administrative hearing is deemed filed upon receipt of the complete petition by the District Clerk at the District Headquarters in Palatka, Florida during the District's regular business hours. The District's regular business hours are 8:00 a.m. – 5:00 p.m., excluding weekends and District holidays. Petitions received by the District Clerk after the District's regular business hours shall be deemed filed as of 8:00 a.m. on the District's next regular business day. The District's acceptance of petitions filed by e-mail is subject to certain conditions set forth in the District's Statement of Agency Organization and Operation (issued pursuant to Rule 28-101.001, Florida Administrative Code), which is available for viewing at sjrwmd.com. These conditions include, but are not limited to, the petition being in the form of a PDF or TIFF file and being capable of being stored and printed by the District. Further, pursuant to the District's Statement of Agency Organization and Operation, attempting to file a petition by facsimile is prohibited and shall not constitute filing.
5. Failure to file a petition for an administrative hearing within the requisite timeframe shall constitute a waiver of the right to an administrative hearing. (Rule 28-106.111, Florida Administrative Code).
6. The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, Florida Statutes, Chapter 28-106, Florida Administrative Code, and Rule 40C-1.1007, Florida Administrative Code. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice. A person whose substantial interests are or may be affected by the District's final action has the right to become a party to the proceeding, in accordance with the requirements set forth above.
7. Pursuant to Section 120.68, Florida Statutes, a party to the proceeding before the District who is adversely affected by final District action may seek review of the action in the District Court of Appeal by filing a notice of appeal pursuant to Rules 9.110 and 9.190, Florida Rules of Appellate Procedure, within 30 days of the rendering of the final District action.
8. A District action is considered rendered, as referred to in paragraph no. 7 above, after it is signed on behalf of the District and filed by the District Clerk.
9. Failure to observe the relevant timeframes for filing a petition for judicial review as described in paragraph no. 7 above will result in waiver of that right to review.

NOTICING INFORMATION

Dear Permittee:

Please be advised that the St. Johns River Water Management District will not publish a notice in the newspaper advising the public that it has issued a permit for this project.

Newspaper publication, using the District's notice form, notifies members of the public of their right to challenge the issuance of the permit. If proper notice is given by newspaper publication, then there is a 21-day time limit for someone to file a petition for an administrative hearing to challenge the issuance of the permit.

To close the point of entry for filing a petition, you may publish (at your own expense) a one-time notice of the District's decision in a newspaper of general circulation within the affected area as defined in Section 50.011 of the Florida Statutes. If you do not publish a newspaper notice to close the point of entry, the time to challenge the issuance of your permit will not expire and someone could file a petition even after your project is constructed.

A copy of the notice form and a partial list of newspapers of general circulation are attached for your convenience. However, you are not limited to those listed newspapers. If you choose to close the point of entry and the notice is published, the newspaper will return to you an affidavit of publication. In that event, it is important that you either submit a scanned copy of the affidavit by emailing it to compliancesupport@sjrwmd.com (preferred method) **or** send a copy of the original affidavit to:

These conditions include, but are not limited to, the petition being in the form of a PDF or TIFF file and being capable of being stored and printed by the District. Further, pursuant to the District's Statement of Agency Organization and Operation, attempting to file a petition by facsimile (fax) is prohibited and shall not constitute filing.

The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, Florida Statutes, Chapter 28-106, Florida Administrative Code, and Rule 40C-1.1007, Florida Administrative Code. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice. **Failure to file a petition for an administrative hearing within the requisite time frame shall constitute a waiver of the right to an administrative hearing. (Rule 28-106.111, F.A.C.).**

If you wish to do so, please visit http://www.sjrwmd.com/nor_dec/ to read the complete Notice of Rights to determine any legal rights you may have concerning the District's decision(s) on the permit application(s) described above. You can also request the Notice of Rights by contacting the Director of Regulatory Support, 4049 Reid St., Palatka, FL 32177-2529, tele. no. (386)329-4570.
