Nothing herein shall be construed as preventing the digging of a well to be used exclusively for use in the yard or garden on any Building Plot or to be used exclusively for air-conditioning. All sewage from any building must be disposed of through the sewage lines or through the sewage lines and disposal plant owned or controlled by JEA, or its successors or assigns. 22. ASSOCIATION MAY CORRECT VIOLATIONS

Whenever there shall have been built on or shall exist on any Building Plot any structure, building, thing or condition which is in violation of this Declaration, the Association shall have the right, but not obligation, after ten (10) days' written notice has been furnished to the property Owner of such violation, to enter upon property where such violation exists and summarily to abate, correct or remove the same at the expense of the Owner of such property, which expense shall be payable by such Owner to the Association, on demand, and such entry and abatement, correction or removal shall not be deemed a trespass or make the Association liable in any way or any damages on account thereof.

23. APPROVAL OF THE ASSOCIATION

Wherever in this Declaration the consent or approval of the Association is required to be obtained, no action requiring such consent or approval shall be commenced or undertaken until after request in writing seeking the same has been submitted and approved by the Association. Such request shall be sent to the Association by certified mail, certified mail, return receipt requested. In the event the Association fails to act on any such written request within thirty (30)

days after receipt thereof by the Association, the consent or approval of the Association to the particular action sought in such written request shall be presumed; however, no action, except as referred to in Paragraph 6, supra, shall be taken by or on behalf of the person or persons submitting such written request which violates any of the provisions of this Declaration.

24. ASSOCIATION MAY DESIGNATE A SUBSTITUE

The Association shall have the sole and exclusive right at any time, and from time to time, to transfer and assign to such person or persons as it shall elect any and all rights, powers, privileges, authorities and reservations given to or reserved by the Association by any part or paragraph of this Declaration. However, no action or decision by the Association in its exercise of the rights, powers, privileges, authorities and reservations given to or reserved by the Association under the provisions hereof, shall become binding unless and until reviewed and approved by the Owners of a majority of the Building Plots after being provided with reasonable notice of and opportunity to be heard regarding the Association's proposed action or decision.

25. AMENDMENTS AND ADDITIONS TO AND RELEASE OF COVENANTS AND RESTRICTIONS

The Association reserves and shall have the right:

- (a) To amend this Declaration of Covenants, Conditions, Easements and Restrictions, but all such amendments shall conform to the general purposes and standards herein contained;
- (b) To amend this Declaration of Covenants, Conditions, Easements and Restrictions for the purpose of curing any ambiguity in or any inconsistency between the provisions contained herein;
- (c) To include in any contract or deed or other instruments hereafter made any additional covenants, restrictions and easements applicable to the property described on Exhibits "A" and "C" attached hereto which do not lower the standards contained in this Declaration, which determination shall be in the sole discretion of the Association; and
- (d) To release any Building Plot from any part of the provisions of this Declaration which have been violated (including, without limiting the foregoing, violations of building restriction lines and provisions hereof relating thereto), if the Association, in its sole judgment, determines such violations to be a minor or unsubstantial violation.

26. AMENDMENT OF DECLARATION OF COVENANTS, CONDITIONS, EASEMENTS AND RESTRICTIONS WITH CONSENT OF OWNERS

In addition to the rights of the Association provided in Paragraph 25, supra, the persons owning eighty percent (80%) or more of the Building Plots described on Exhibits "A" and "C" attached hereto shall have the right to amend or alter the provisions of this Declaration; provided, however, any amendments or additions hereto shall conform to the general purposes and

standards contained in this Declaration, and shall be in conformity with the zoning and building regulations and ordinances of the Consolidated City of Jacksonville, Florida, and provided that said amendments or additions shall not apply to any Building Plot(s) which the Association owns or is developing alone or in conjunction with another contractor.

27. ADDITIONAL RESTRICTIONS BY INDIVIDUAL BUILDING PLOT OWNERS

No Owner of any Building Plot may impose any additional covenants or restrictions on any Building Plot described on Exhibits "A" and "C" attached hereto.

28. LEGAL ACTION ON VIOLATIONS

If any person, firm or corporation or other entity shall violate or attempt to violate any of the provisions of this Declaration, it shall be lawful for the Association or any person or persons owning any Building Plot described on Exhibits "A" and "C" attached hereto to prosecute proceedings at law for the recovery of damages against those so violating or attempting to violate any provisions hereof, for the purpose of preventing or enjoining all or any such violations or attempted violations; provided, however, that the Owner or occupant of any "residence" on any Building Plot described on Exhibits "A" and "C" attached hereto shall not have any right or cause of action for damages, or to maintain a proceeding in equity or any claim whatsoever against the Association for violating any of the provisions hereof. The remedies contained in this paragraph shall be construed as cumulative of all other remedies now or hereafter provided by law. The failure of the Association, its successors or assigns, to enforce any part of the provisions hereof or any obligations, rights, powers, privileges, authorities, or reservations contained herein, however long continued, shall in no event be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation thereof occurring prior to or subsequent thereto. Building Plot Owners found in violation of any of the provisions of this Declaration shall be obligated to pay attorney's fees to the successful Plaintiff, together with all court costs incurred therein and all actions seeking to prevent, correct or enjoin such violations or in damage suits thereon. All of the provisions herein contained shall be deemed several and individual. The invalidity of one or more or any part of one shall not impair the validity of the remaining provisions hereof.

29. EFFECTIVE PERIOD

This Declaration and all of the provisions contained herein, as amended and added to from time to time, shall run with the title to the property described on Exhibits "A" and "C" attached hereto and shall be automatically extended for successive periods of twenty-five (25) years each, unless within six (6) months preceding the commencement of any such successive 25-year period a written agreement executed by the then Owners of a majority of the Building Plots described in Exhibits "A" and "C" attached hereto shall be recorded in the office of the Clerk of the Circuit Court of Duval County, Florida, in which written agreement any of the provisions contained in this Declaration may be changed, modified, waived or extinguished in whole or in part in the manner and to the extent provided in such written agreement. In the event that any such agreement changing, modifying, or waiving any of the covenants, restrictions, reservations and easements shall be executed and recorded as provided for above in this paragraph, then this Declaration as therein changed, modified, waived shall continue in force for

successive periods of twenty-five (25) years, unless and until further changed, modified, waived or extinguished in the manner provided in this paragraph.

30. EXEMPTION OF PARCEL 8 FROM SOME PROVISIONS OF THE DECLARATION

As previously provided in paragraph 8 of the Annexation Amendment, Parcel 8 (now configured in the public records as two separate, subdivided parcels, which were previously referred to in this Declaration as Sub-Parcel 8a and Sub-Parcel 8b) is exempt from the minimum square footage for residential dwelling requirements, and the restriction against sheds. However, as also provided in the Annexation Amendment, this exemption shall last only so long as the improvements that were existing on the date of recording of the Annexation Amendment remain on Parcel 8. Any additions to those then-existing structures, any substantial reconstruction of then-existing structures, or any added structures shall be subject to all of the terms and conditions of this Declaration.

Cheryl Blum, 2930 Sandy Branch Lane, Jacksonville, Florida 32257

Daniel Blanchard, 2926 Sandy Branch Lane, Jacksonville, Florida 32257

The Directors of the Association shall be elected at the annual meeting of the Members except as otherwise specified in the Articles of Incorporation. The election shall be decided by a majority of votes cast either by Members present in person or by written ballots cast prior to or at the annual meeting. The election shall be valid notwithstanding whether there was a quorum at the meeting.

5.2 Any director may be removed from office at any time with or without cause by the affirmative majority vote of the Association membership cast at a meeting at which a quorum is present.

5.3 The first meeting of the initial Board of Directors, for the purposes of organization, shall be held immediately after the first annual meeting of Members, provided the majority of the members of the Board elected are present. Any action taken at such meeting shall be by a majority of the whole Board. If the majority of the members of the Board elected shall not be present at that time, or if the directors shall fail to elect officers, the meeting of the Board to elect officers shall then be held within thirty (30) days after the annual meeting of Members upon three (3) days notice in writing to each member of the Board so elected, stating the time, place and object of such meeting.

5.4 Subject to the provisions of Section 5.6 below, regular meetings of the Board of Directors may be held at any place or places in Florida as designated by the Board, on such days and at such hours as the Board of Directors may, by resolution, designate.

5.5 Subject to the provisions of Section 5.6 below, special meetings of the Board of Directors may be called at any time by the President or by any two (2) members of the Board and may be held any place or places within Florida as designated by the Board, and at any time.

5.6 Except only for meetings between the Board and its attorney with respect to proposed or pending litigation where the contents of the discussion would otherwise be protected by the attorney-client privilege, regular and/or special meetings of the Board of Directors shall be open to all Owners, and notices of Board meetings shall be posted in a conspicuous place on the property governed by the Association at least forty eight (48) hours prior to the meeting, except in the event of an emergency. In the alternative, if notice is not conspicuously posted, notice of the Board meeting must be mailed or delivered to each Member at least seven (7) days before the meeting, except in an emergency. Notwithstanding this general notice requirement, notice of any meeting in which Assessments against Lots are to be considered shall specifically contain a statement to that effect as well as a statement of the nature of such Assessments and shall be provided to each Owner not less than fourteen (14) days prior to the meeting.

5.7 Directors shall have the absolute right to resign at any time and the remaining directors in office shall then fill the vacancies, provided that if all directors resign, a special meeting of Members shall be called as soon as possible for the purpose of electing new directors and the resignations of such directors shall not be effective until such election is held and new directors are elected, except that if no meeting is held or no directors are elected after two (2) attempts to call and hold such meeting, the resignations shall become effective simultaneously with the date and time of the scheduled second meeting, whether held or not or whether new directors are elected or not.

5.8 Directors may not vote by proxy or secret ballot, provided, however, that secret ballots may be used for the election of officers. This subsection also applies to the meetings of any committee or other similar body, when a final decision will be made regarding the expenditure of Association funds, and to any body vested with the power to approve or

disapprove architectural decisions with respect to a specific parcel of residential property owned by a member of the community.

5.9 The Directors of the Association have a fiduciary duty to the Owners of Lots or Units governed by the Association.

5.10 Members have the right to attend all meetings of the Board and to speak on any matter placed on the agenda by petition of the voting interests for at least five (5) minutes. The Association may adopt written reasonable rules expanding the right of Members to speak and governing the frequency, duration, and other manner of Member statements, which rules must be consistent with this paragraph and may include a sign-up sheet for Members wishing to speak. Notwithstanding any other law, the requirement that Board meetings and committee meetings be open to the Members is inapplicable to meetings between the Board or a committee and the Association's attorney, with respect to meetings of the Board held for the purpose of discussing personnel matters.

5.11 If twenty percent (20%) of the total voting interests petition the Board to address an item of business, the Board shall, at its next regular Board meeting, or at a special meeting of the Board, but not later than sixty (60) days after the receipt of the petition, take the petitioned item up on an agenda. The Board shall give all Members fourteen (14) days' notice of the meeting at which the petitioned item shall be addressed. Each Member shall have the right to speak for at least five (5) minutes on each matter placed on the agenda by petition, provided that the Member signs the sign-up sheet, if one is provided, or submits a written request to speak prior to the meeting. Other than addressing the petitioned item at the meeting, the Board is not obligated to take any other action requested by the petition.

6

RECALL OF DIRECTORS

6.1 Subject to the provisions of Section 720.307, Florida Statutes, regarding transition of association control, any member of the Board or Directors may be recalled and removed from office with or without cause by a majority of the total voting interests in accordance with the provisions of Section 720.303(10), Florida Statutes.

7

OFFICERS

7.1 Any officer may be removed at any time by the affirmative vote of a majority of the Board of Directors at any duly called regular or special meeting of the Board.

7.2 The President shall be the chief executive officer of the Association. The President shall preside at all meetings of the Members of the Association and of the Board of Directors. He shall have the general powers and duties of supervision and management of the Association which usually pertain to his office and shall perform all such duties as are properly required of him by the Board of Directors. The Board of Directors shall elect at least one (1) Vice President, who shall have such powers and perform such duties as usually pertain to such office

or as are properly required of him by the Board of Directors. In the absence or disability of the President, any Vice President shall perform the duties and exercise the powers of the President. If more than one (1) Vice President is elected, the Board shall designate which Vice President is to perform which duties. The Secretary shall issue notices of all meetings of the membership of the Association and the directors where notices of such meetings are required by law or in these By-Laws. He shall keep the minutes of the meetings of the membership and of the Board of Directors. The Treasurer shall have the care and custody of all the monies and securities of the Association. He shall enter on the books of the Association, to be kept by him for that purpose, full and accurate accounts of all monies received by him and paid by him on account of the Association. He shall sign such instruments as require his signature and shall perform all such duties as usually pertain to his office or as are properly required of him by the Board of Directors.

7.3 Vacancies in any office arising from any cause may be filled by the Board of Directors at any regular or special meeting.

7.4 The officers of the Association have a fiduciary duty to the Owners of Lots governed by the Association.

8

MEETINGS OF MEMBERS

8.1 The regular annual meeting of the Members shall be held in the month of December in each year at such time and place as shall be determined by the Board of Directors. The election of directors shall be held at, or in conjunction with, the annual meeting.

8.2 Special meetings of the Members for any purpose may be called at any time by the President, the Vice President, the Secretary or the Treasurer, or by any two (2) or more members of the Board of Directors, or upon written request of 10% of the total voting interests of the Association. Business conducted at a special meeting shall be limited to the purposes set forth in the notice of meeting.

8.3 Notice may be given to the Members either personally, or by sending a copy of the notice through the mail, postage thereon fully paid, to the addresses appearing on the records of the Association. Each Member shall register his address with the Secretary, and notices of meetings shall be mailed to him at such address. Notice of any meeting, regular or special, shall be mailed or personally delivered at least fourteen (14) days in advance of the meeting and shall set forth the general nature of the business to be transacted, provided, however, that if any business of any meeting shall involve any action governed by the Articles of Incorporation, notice of such meeting shall be given or sent as therein provided.

8.4 The presence in person or by proxy at the meeting of Members entitled to cast at least 30% of the votes of the membership shall constitute a quorum for any action governed by these By-Laws. Unless a greater percentage is expressly required, decisions of the Members shall be made by a majority of the voting interests represented at a meeting at which a quorum is present.

8.5 Members have the right to vote in person or by proxy. To be valid, a proxy must be in writing and be signed by the Member and the proxy must state the date, time and place of the meeting for which it was given. A proxy is effective only for the meeting for which it was given, as the meeting may be legally adjourned and reconvened from time to time, and automatically expires ninety (90) days following the date of the meeting for which it was originally given. A proxy is revocable at any time at the pleasure of the person who executes it. If the proxy form so provides, the proxy holder may appoint, in writing, a substitute to act in the proxy holder's place.

8.6 Any Owner may tape record or videotape meetings of the Members, subject, however, to the rules established from time to time by the Board regarding such tapings.

8.7 Except when specifically or impliedly waived by the chairman of a meeting (either of Members or Directors), Roberts' Rules of Order (latest edition) shall govern the conduct of Association meetings when not in conflict with the Declaration, the Articles or these By-Laws; provided, however, that a strict or technical reading of said Roberts' Rules of Order shall not be made as to frustrate the will of the persons participating in said meeting.

9

AMENDMENTS

9.1 These By-Laws may be amended, at a regular or special meeting of the Board, by a vote of two thirds of the votes of the Directors, provided that the notice to the Members of the meeting discloses the information that the amendment of the By-Laws is to be considered, provided, however, the provisions which are governed by the Articles of Incorporation of this Association may not be amended except as provided in the Articles of Incorporation or applicable law, and provided further, that any matters stated herein to be or which are in fact governed by the Declaration may not be amended except as provided in such Declaration.

9.2 In case of any conflict between the Articles of Incorporation and these By-Laws, the Articles shall control; and in case of any conflict between the Declaration and these By-Laws, the Declaration shall control.

10

The Association may adopt reasonable written rules regarding the frequency, time, location, notice and manner of inspections and may impose fees to cover the costs of providing copies of the official records, including, without limitation, the costs of copying, but may not impose a requirement that an Owner demonstrate any proper purpose for the inspection, state any reason for the inspection, or limit an Owner's right to inspect records to less than one 8-hour business day per month. The Association may charge up to fifty (50) cents per page for copies made on the Association's photocopier. If the Association does not have a photocopy machine available where the records are kept, or if the records requested to be copied exceed twenty five (25) pages in length, the Association may have copies made by an outside vendor and may charge the actual cost of copying. If the Association has a photocopy machine available where the records are maintained, it must provide Owners with copies on request during the inspection if the entire request is limited to no more than twenty five (25) pages. The Association shall maintain an adequate number of copies of the recorded Declaration, Articles, By-Laws and any rules to ensure their availability to Members and prospective Members and may charge only its actual costs for reproducing and furnishing these documents.

If a contract for the purchase, lease, or renting of materials or equipment, or for the provision of services, requires payment by the Association that exceeds ten percent (10%) of the total annual budget of the Association, including reserves, the Association must obtain competitive bids for the materials, equipment, or services. Nothing contained in this section shall be construed to require the Association to accept the lowest bid. Re: Scott Mill Hollow Homeowners' Association, Inc.

Dear Mr. Padgett:

The Department entered Final Order Number DEO-16-033 (Final Order) on March 11, 2016, making a determination that the proposed revived declaration of covenants (Proposed Revived Declaration) for Scott Mill Hollow Homeowners' Association, Inc. (Association) was in violation section 720.404(3), Florida Statutes, which provides that "[t]he revived declaration may not contain covenants that are more restrictive on the parcel owners than the covenants contained in the previous declaration," with limited exceptions that do not apply here.

Specifically, the Department determined the Declaration of Covenants, Conditions, Easements and Restrictions for Scott Mill Hollow (the "Original Declaration") expired on June 22, 2014, and that the inclusion of "new" more restrictive covenants from the amendments adopted on July 7, 2014, August 4, 2014, and December 2, 2014 - *after* the extinguishment of the Original Declaration - was in violation of section 720.404(3), Florida Statutes.

On April 7, 2016, the Association filed with the Department a Petition for Administrative Hearing (Petition). A true and correct copy of the Petition is attached hereto as Exhibit A. The Department has reviewed the Petition for Administrative Hearing and supporting materials, and has determined:

1. That January 8, 2015, is the earliest date that the Original Declaration could have expired as to any one parcel.
2. The following amendments comprise the "previous governing documents" as contemplated by section 720.405(4)(d), Florida Statutes:

- a. The Original Declaration, recorded on June 22, 1984, at Official Records Volume 5816, Pages 1322-1337, of the Public Records of Duval County, Florida.
 - b. The Annexation of Additional Lands to and Modification of Declaration of Covenants, Conditions, Easements and Restrictions for Scott Mill Hollow (the "Annexation Amendment"), recorded on January 28, 1985, at Official Records Volume 5908, Pages 1914-1932, of the Public Records of Duval County, Florida.
 - c. The Amendment to Declaration of Covenants, Conditions, Easements and Restrictions for Scott Mill Hollow (the "First Amendment") recorded on July 7, 2014, at Official Records Doc # 2014150453, Book 16836, Pages 1056-60, of the Public Records of Duval County, Florida.
 - d. The Second Amendment to Declaration of Covenants, Conditions, Easements and Restrictions for Scott Mill Hollow (the "Second Amendment"), recorded on August 4, 2014, at Official Records Doc # 2014173264, Book 16865, Pages 2202-2216, of the Public Records of Duval County, Florida.
 - e. The Third Amendment to Declaration of Covenants, Conditions, Easements and Restrictions for Scott Mill Hollow (the "Third Amendment"), recorded on December 2, 2014, at Official Records Doc # 2014270402, Book 16991, Pages 1899-1911, of the Public Records of Duval County, Florida.
3. Because the earliest date the Original Declaration could have expired was January 8, 2015, the First, Second and Third Amendments constitute "previous governing documents" and the inclusion of covenants from these documents in the Proposed Revived Declaration is not in violation of section 720.404(3), Florida Statutes.

Based on the foregoing, the Department hereby **RESCINDS** Final Order DEO-16-033 entered on March 11, 2016, which denied the Proposed Revived Declaration of the Association; and **APPROVES** the Proposed Revived Declaration previously submitted by the Association.

This revitalization will not be considered effective until the requirements delineated in sections 720.407(1) – (3), of the Florida Statutes, have been completed.

Section 720.407(4), Florida Statutes, requires that a complete copy of all of the approved, recorded documents be mailed or hand delivered to the owner of each affected parcel. The

Scott A. Padgett
Rogers Towers, P.A.
1301 Riverplace Blvd., Suite 1500

6. The following subparagraphs explain how Petitioners' substantial interests will be affected by DEO's determination:

(a) Petitioners own and reside in homes located in Scott Mill Hollow, a small residential community in Jacksonville, Florida.

(b) A declaration of covenants and restrictions previously governed all of the parcels in Scott Mill Hollow.

(c) Petitioners are the members of an organizing committee that submitted to DEO proposed revised governing documents and supporting materials in connection with a request to approve the covenant revitalization for Scott Mill Hollow.

(d) DEO's Final Order No. DEO-16-033 (the "Order") denied Petitioners' request for approval of covenant revitalization for Scott Mill Hollow.

(e) Petitioners have a substantial interest in preserving their community in accordance with Part III of Chapter 720, Florida Statutes.

7. Petitioners received notice of the agency decision on March 17, 2016, the date on which the undersigned attorney received delivery of the Order via certified mail.

8. The disputed issues of material fact are:

(a) Whether the proposed revived declaration of covenants and other governing documents submitted to DEO by Petitioners comply with the requirements of Part III, Chapter 720, Florida Statutes.

(b) Whether the proposed revised declaration of covenants and other governing documents for Scott Mill Hollow contain covenants that are more restrictive on the affected parcel owners than the covenants contained in the previous governing documents for Scott Mill Hollow.

(c) Which of the following documents comprise the "previous governing documents" as contemplated by Section 720.405(4)(d), Florida Statutes:

i. That certain Declaration of Covenants, Conditions, Easements and Restrictions for Scott Mill Hollow (the "Original Declaration"), recorded on June 22, 1984, at Official Records Volume 5816, Pages 1322-1337, of the Public Records of Duval County, Florida;

ii. That certain Annexation of Additional Lands to and Modification of Declaration of Covenants, Conditions, Easements and Restrictions for Scott Mill Hollow (the "Annexation Amendment"), recorded on January 28, 1985, at

Official Records Volume 5908, Pages 1914-1932, of the Public Records of Duval County, Florida;

iii. That certain Amendment to Declaration of Covenants, Conditions, Easements and Restrictions for Scott Mill Hollow (the "First Amendment"), recorded on July 7, 2014, at Official Records Doc # 2014150453, Book 16836, Page 1056-60, of the Public Records of Duval County, Florida

iv. That certain Second Amendment to Declaration of Covenants, Conditions, Easements and Restrictions for Scott Mill Hollow (the "Second Amendment"), recorded on August 4, 2014, at Official Records Doc # 2014173264, Book 16865, Pages 2202-2216, of the Public Records of Duval County, Florida;

v. That certain Third Amendment to Declaration of Covenants, Conditions, Easements and Restrictions for Scott Mill Hollow (the "Third Amendment"), recorded on December 2, 2014, at Official Records Doc # 2014270402, Book 16991, Pages 1899-1911, of the Public Records of Duval County, Florida.

(d) Whether, as of December 2, 2014 (the date for determining marketability), the Original Declaration had been extinguished by Chapter 712, Florida Statutes (Marketable Record Title Act), from any of the parcels that are affected by the proposed revived declaration of covenants. To resolve this disputed issue of material fact, the following sub-issues must be decided:

i. On December 2, 2014, what was the "root of title" for each parcel that is affected by the proposed revived declaration of covenants?

ii. As of December 2, 2014, what was the “effective date of the root of title” for each parcel affected by the proposed revived declaration of covenants?

iii. Was the Original Declaration recorded “before the effective date of the root of title” (root of title measured as of December 2, 2014) for each parcel that is affected by the proposed revived declaration of covenants?

(e) Whether the DEO incorrectly determined that the Marketable Record Title Act caused the Original Declaration to be extinguished from any of the parcels prior to any of the dates on which the Annexation Amendment, First Amendment, Second Amendment and Third Amendment were recorded in the public records.

(f) Whether the DEO incorrectly determined that the proposed revised declaration of covenants for Scott Mill Hollow contains covenants that are more restrictive on the affected parcel owners than the covenants contained in the previous governing documents for Scott Mill Hollow.¹

¹ According to the Order, DEO determined that the proposed revived declaration of covenants for Scott Mill Hollow contains covenants that are more restrictive on the affected parcel owners than the covenants contained in the previous governing documents for Scott Mill Hollow. The determination was based on DEO’s belief that the Original Declaration was automatically extinguished as to all parcels exactly 30 years after the date on which it was recorded. Because the Second and Third Amendments to the Original Declaration were recorded more than 30 years after the date on which the Original Declaration was recorded, DEO found that those amendments were invalid and not properly considered part of the “previous governing documents” as such term is used in Section 720.405(4)(d), Florida Statutes. Therefore, DEO concluded that the proposed revitalized declaration of covenants for Scott Mill Hollow (which included all of the surviving provisions from the Original Declaration, the Annexations Agreement, the First Amendment, the Second Amendment and the Third Amendment) contains covenants that are more restrictive on the affected parcel owners than the covenants contained in the previous governing documents (which, according to DEO, do not include some of the amendments to the Original Declaration).

9. The ultimate facts alleged, including the specific facts that Petitioners contend warrant reversal of the Order, are:

(a) The proposed revived declaration of covenants and other governing documents submitted to DEO by Petitioners complied with the requirements of Part III, Chapter 720, Florida Statutes.

(b) The proposed revised declaration of covenants and other governing documents for Scott Mill Hollow do not contain covenants that are more restrictive on the affected parcel owners than the covenants contained in the previous governing documents for Scott Mill Hollow.

(c) The "previous governing documents" as contemplated by Section 720.405(4)(d), Florida Statutes, is composed of the Original Declaration, the Annexation, the First Amendment, the Second Amendment and the Third Amendment.

(d) The Third Amendment was recorded on December 2, 2014 before the Marketable Record Title Act had caused the Original Declaration to be extinguished from any of the parcels in Scott Mill Hollow.

(e) For each parcel that is affected by the proposed revitalized declaration of covenants for Scott Mill Hollow, the Table on the following two pages identifies the name(s) of the current owner(s) of record, the title transaction that constituted the "root of title"² as of December 2, 2014, and the "effective date of the root of title"³ as of December 2, 2014:

² "Root of title" means any title transaction purporting to create or transfer the estate claimed by any person and which is the last title transaction to have been recorded at least 30 years prior to the time when marketability is being determined." Section 712.01(2), Florida Statutes.

(f) For the reasons set forth in paragraph 10 and its subparagraphs below, the Original Declaration had not been extinguished from any of the Parcels affected by the proposed revitalized declaration, as of December 2, 2014, which was the date on which the Third Amendment was recorded. As a result, the Third Amendment and all prior amendments to the Original Declaration must be considered part of the "previous governing documents" as contemplated by Section 720.405(4)(d), Florida Statutes. Thus, the proposed revitalized covenants for Scott Mill Hollow (which incorporate all of the amendments to the Original Declaration) are not more restrictive than the previous governing documents (which include all of the amendments to the Original Declaration).

10. The specific statutes that the Petitioners contend require reversal of the Order, including an explanation of how the alleged facts relate to the specific statutes, are:

(a) Sections 712.02 and 712.04, Florida Statutes

i. A careful and thorough examination of the statutory language used in these sections (and a survey of relevant case law) reveals the legislative intent regarding the purposes behind each section and how they were meant to interact.

ii. Section 712.02 is primarily concerned with establishing a marketable title for a particular type of estate (i.e., fee simple, life estate, tenancy for specified duration, etc.). It indicates that after 30 years or more of title to land being held in a particular type of estate, such an estate along with the rights that accompany that type of estate becomes marketable, which is important for purposes of underwriting title insurance. This section is primarily intended to prevent someone else from claiming that the present record title owner of property actually owns a lesser estate or no estate in the property.

iii. The secondary purpose of Section 712.02 is to remove title encumbrances by stating that after passage of a general period of time (“30 years or more”)⁴ such an established estate will be “free and clear of all claims” except for those exceptions listed in 712.03.

iv. Section 712.04 supplements, clarifies and supersedes Section 712.02 by stating with more particularity exactly when those claims are extinguished and become null and void. The legislative intent of Section 712.04 is made known by the title, “Interests extinguished from marketable record title.” Such intent (to supplement, clarify and supersede 712.02) is further supported by Section 712.04’s identification of a formula for measuring the precise lookback period of time before which any interests that appear of record are extinguished (in contrast to the imprecise period of “30 years or more” set forth in Section 712.02).

v. In other words, Sections 712.02 and 712.04, Florida Statutes, are *in pari materia* and construed by Florida courts such that recorded covenants and restrictions encumbering real property are not extinguished simply after 30 years of existence. Rather, they are only extinguished if they were recorded “before the effective date of the root of title,”⁵ which would necessarily be “30 years or more”⁶ prior to the date of determining marketability, and none of the exceptions

⁴ It should be noted that the period of time identified in Section 712.02 is not precisely 30 years, but rather “30 years or more”. The choice of language reveals an additional legislative intent that MRTA does not operate to extinguish interests after the passage of a period of precisely 30 years.

⁵ Section 712.04, Fla.Stat.

⁶ Section 712.02, Fla.Stat.

apply. See Section 712.01(2), Florida Statutes and FN 2 (defining “root of title” and identifying the “effective date of the root of title”).

vi. Thus, the relevant look-back period for determining marketability of record title from a particular date is not 30 years. It is that period of time between the date on which you are attempting to determine marketability and the “effective date of the root of title.”

vii. The proper legal analysis for determining whether the Original Declaration was still effective when the Third Amendment was recorded is as follows:

(1) STEP ONE: For each parcel, determine whether the Original Declaration had been extinguished as of the date on which the Third Amendment was recorded:

(a) Identify the “root of title” for each parcel, as of the date on which the Third Amendment was recorded.

(b) Identify the “effective date of the root of title” for each parcel, as of the date on which the Third Amendment was recorded.

(c) If the Original Declaration was not recorded⁷ before the “effective date of the root of title”, then the Original Declaration had not yet been extinguished by the operation of MRTA, and the analysis ends there. The Original Declaration was

⁷ The recording of the Original Declaration is certainly an “act, title transaction, event or omission” pursuant to section 712.04, Florida Statutes.

still valid and in effect at to that parcel, as of the date on which the Third Amendment was recorded.

(d) If, on the other hand, the Original Declaration was recorded before the “effective date of the root of title”, then go to Step Two.

(2) STEP TWO: Determine whether there exists an exception under Section 712.03, which would prevent the Original Declaration from being extinguished. This analysis would be performed for those parcels that, as of the date on which the Third Amendment was recorded, were deemed no longer subject to the Original Declaration under Step One.

viii. The following subparagraphs explain how the alleged facts relate to Section 712.04 (which supplements and clarifies Section 712.02) to determine whether the Original Declaration had been extinguished from each parcel as of the date on which the Third Amendment was recorded (December 2, 2014):

(1) Parcel 1: As of December 2, 2014, the “effective date of the root of title” for Parcel 1 was February 7, 1984. The Original Declaration was recorded on June 22, 1984, which is not “before the effective date of the root of title.” Therefore, as of December 2, 2014, the Original Declaration had not been extinguished from Parcel 1 by operation of MRTA.

(2) Parcel 2: As of December 2, 2014, the “effective date of the root of title” for Parcel 2 was June 22, 1984. The Original Declaration was recorded on June 22, 1984, which is not “before the effective date of

the root of title.” Therefore, as of December 2, 2014, the Original Declaration had not been extinguished from Parcel 2 by operation of MRTA.

(3) Parcel 3: As of December 2, 2014, the “effective date of the root of title” for Parcel 3 was February 7, 1984. The Original Declaration was recorded on June 22, 1984, which is not “before the effective date of the root of title.” Therefore, as of December 2, 2014, the Original Declaration had not been extinguished from Parcel 3 by operation of MRTA.

(4) Parcel 4: As of December 2, 2014, the “effective date of the root of title” for Parcel 4 was June 22, 1984. The Original Declaration was recorded on June 22, 1984, which is not “before the effective date of the root of title.” Therefore, as of December 2, 2014, the Original Declaration had not been extinguished from Parcel 4 by operation of MRTA.

(5) Parcel 5: As of December 2, 2014, the “effective date of the root of title” for Parcel 5 was June 22, 1984. The Original Declaration was recorded on June 22, 1984, which is not “before the effective date of the root of title.” Therefore, as of December 2, 2014, the Original Declaration had not been extinguished from Parcel 5 by operation of MRTA.

(6) Parcel 6: As of December 2, 2014, the “effective date of the root of title” for Parcel 6 was May 18, 1982. The Original Declaration

was recorded on June 22, 1984, which is not before the “effective date of the root of title.” Therefore, as of December 2, 2014, the Original Declaration had not been extinguished from Parcel 6 by operation of MRTA.

(7) Parcel 7: As of December 2, 2014, the “effective date of the root of title” for Parcel 7 was May 18, 1982. The Original Declaration was recorded on June 22, 1984, which is not “before the effective date of the root of title.” Therefore, as of December 2, 2014, the Original Declaration had not been extinguished from Parcel 7 by operation of MRTA.

(8) Parcel 8 (including both 8a and 8b): As of December 2, 2014, the “effective date of the root of title” for Parcel 8 was May 18, 1982. The Original Declaration was recorded on June 22, 1984, which is not “before the effective date of the root of title.” Therefore, as of December 2, 2014, the Original Declaration had not been extinguished from Parcel 8 by operation of MRTA.

(b) Section 712.03, Florida Statutes:

i. If Sections 712.02 and 712.04, Florida Statutes, cause an interest in real property to be extinguished, then Section 712.03 would need to be examined to determine whether an exception applies. However, this Section is inapplicable to any MRTA analysis unless it is first determined that the interest was recorded “before the effective date of the root of title.”

ii. Applied to this Petition, Section 712.03 would only be significant if the Original Declaration had been recorded "before the effective date of the root of title" for any of the parcels, determined as of the date on which the Third Amendment was recorded. As explained above, the Original Declaration was not recorded "before the effective date of the root of title" as to any of the parcels affected. Therefore, it is unnecessary to analyze whether any exceptions to extinguishment apply under Section 713.03.

iii. However, for the sake of demonstration, the following subparagraphs explain how this section would be applied to the facts under different circumstances, using Parcel 8 as an example:

- (1) If it were determined that the Original Declaration was recorded "before the effective date of the root of title" for Parcel 8, the second step of the analysis would be to determine whether an exception applies under Section 712.03, which would have prevented the Original Declaration from being extinguished on Parcel 8.
- (2) Under Section 713.03(1), Florida Statutes, Parcel 8 would have still been subject to the Original Declaration on December 2, 2014, because one of the muniments of title in the chain of title for Parcel 8⁸ specifically identified the

⁸ The specific muniment of title referenced is that certain Warranty Deed, dated February 22, 1985, from Robert L. Dunn and Sandra L.
