**AMENDMENT TO DECLARATION OF COVENANTS AND RESTRICTIONS
OF TALA CAY HOMEOWNERS ASSOCIATION, INC.**

This Amendment to the Declaration of Covenants and Restrictions amends and supplements the original Declaration recorded at Official Records Book 7575, page 1582, Public Records of Duval County, Florida, and those amendments that have followed.

Pursuant to a duly noticed and held meeting of the Board of Directors and membership (a quorum having been present), the following amendments/addition to the original Covenants and Restrictions is hereby adopted and shall forever become a part of said Covenants and Restrictions:

Additions to either home at 2811 Casa Del Rio Terrace or on Lot 9 are permissible but must be approved by the Homeowners Architectural Review Board process, in advance of any such commencement of construction. This would include any fencing of any variety, bordering the Waterfront/Bulkhead.

The Homeowners Association affirms that Owner(s) of expanded Lot 9 have exclusive use of the Boathouse, and in return, agree to maintain and improve said structure, with approval of such, required by the Homeowners Association. Owners of the expanded lot located at 2811 Casa Del Rio Terrace abdicate any claim for Boathouse usage, resulting from the purchase of the Lot 8 fragment.

Current and future owners of 2811 Casa Del Rio Terrace and of Lot 9, affirm that the Dock Easement otherwise remains undisturbed and carries forward with any change of ownership. *

Current and future owners of re-subdivided Lot 8 (2811 Casa Del Rio Terrace and Lot 9), affirm an equitable increase and upward 50% change in Homeowners Association dues, to 1.5 shares, as well as any Special Assessments, be applied forthwith, after closing of either property. Current Annual dues of \$1,988.00 would recalculate to \$2,982.00, for example.

The Homeowners Association affirms that Voting value for 2811 Casa Del Rio Terrace and Lot 9 also increases to 1.5 votes for each expanded property. A total of three (3) votes combined, for the two (2) Properties.
