NOW THEREFORE, the Owner and Developer, for themselves and their successors and assigns, do hereby restrict the use, as hereinafter provided, of all of the residential land included in the plat of SAN JOSE FOREST - UNIT TWO, consisting of 84 residential lots (excepting Tracts A & B of said San Jose Forest - Unit Two), all of said land being hereinafter sometimes referred to as "the residential land", and the Owner and Developer do hereby place upon the residential land, the following covenants and restrictions, to run with the title to the residential land, and grantee of any deed conveying any of said residential land, as shown on the plat shall be deemed by the acceptance of such deed to have agreed to all such covenants and restrictions, and to have covenanted to observe, comply with and be bound by all such covenants and restrictions as follows:

Without the approval of the Developer, the height of the main residence on each said lot shall be no more than two (2) full stories above the normal surface of the ground. No building situate on any said lot shall be rented or leased separately from the rental or lease of the entire property. Nothing herein contained shall be construed to prevent Developer from using any said lot for a right-of-way for road purposes or easements in which event none of the restrictions herein shall apply.

(2) MOTORISTS' VISION TO REMAIN UNOBSTRUCTED.
The Developer shall have the right, but no obligation, to remove, or require the removal of any fence, wall, hedge, shrub, bush, tree or other thing, natural or artificial, placed or located on any residential lot, if the location of same will, in the sole judgment and opinion of the Developer, obstruct the vision of the motorist upon any of the streets.

(3) MINIMUM SQUARE FOOTAGE FOR ANY PRINCIPAL RESIDENCE.

In the event that the Developer fails to act on any such request within 30 days after the same has been submitted to the Developer as required above, the consent or approval of the Developer to the particular action sought in such request shall be presumed; however, no action shall be taken by or on behalf of the person or persons submitting such request which violates any of the covenants and restrictions herein contained.

Developer shall act thereon in a reasonable time. The Developer shall have the absolute and exclusive right to refuse to approve any such building plans and specifications and lot-grading and landscaping plans which are not suitable or desirable in its opinion for any reason, including purely aesthetic reasons and reasons connected with future development plans of the Developer of the land or contiguous lands. Electric service is provided by the City of Jacksonville, Florida, through underground primary service lines running to transformers, excepting for Lots 55, 56, 74 through 77, inclusive, and Lot 84, which are served by overhead primary service lines. The Developer has provided underground and overhead conduits to serve each residential lot, extending from the point of the applicable transformer to a point at or near a lot line, and such conduit to each said lot shall be, become, and remain the property of the owner of said lot. Each residential lot owner requiring an original or additional electric service shall be responsible to complete at his expense the secondary electric service conduits, wires (including those in the conduit provided by the Developer), conductors and other electric facilities from the point of the applicable transformer to the residence building on said lot and all of the same shall be and remain the property of the owner of each lot. The owner, from time to time, of each said lot shall be responsible for all maintenance, operation, safety, repair and replacement of the entire secondary electrical system extending from the applicable transformer to the residence buildings on his lot.

Prior to completion of construction, the property owner shall install at his expense, a suitable paved driveway from the paved portion of the abutting street to his garage entrance. During the construction on any residential lot, all vehicles involved in such construction, including those delivering materials and supplies (except those trucks large or heavy enough to damage the driveways), shall enter upon such lot from the street only at this location. Such vehicles shall not be parked at any time on the street or upon the property other than the lot on which the construction is proceeding. At completion of the residence and/or upon occupancy of the residence the front, sides, and rear yard shall be fully sodded or landscaped with comparable appointments, to be approved by Developer.

land and shall remain in full force and effect until the first day of January, A.D., 2020, and thereafter, covenants and restrictions shall be automatically extended for successive 25 year periods of 25 years each, unless within six months prior to the first day of January, A.D., 2020, or within six months preceding the end of any such successive 25 year period as the case may be, a written agreement executed by the then owners of a majority of the lots shown on the plat shall be placed on record in the office of the Clerk of the Circuit Court of Jacksonville, Duval County, Florida, in which agreement any of the covenants, restrictions, reservations and easements provided for herein may be changed, modified, waived or extinguished in whole or in part, as to all or any part of the property then subject thereto, in the manner and to the extent provided in such agreement. (35) LEGAL ACTION ON VIOLATION. If any person, firm or corporation, or other entity shall violate or attempt to violate any of these covenants and restrictions, it shall be lawful for the Developer, or any person, or persons, owning any lot to institute proceedings at law for the recovery of damages against those so violating or attempting to violate any such covenants and restrictions for the purpose of preventing, or enjoining, all, or any such violations or attempted violations. The remedies contained in this paragraph shall be construed as cumulative, of all other remedies now or hereafter provided by law. The failure of the Developer, its successors or assigns, to enforce any covenant or restriction or any obligation, right, power, privilege, authority, or reservation herein contained, however long continued, shall in no event be deemed as a waiver of the right to enforce the same thereafter as to the same breach or violation occurring prior to or subsequent thereto. Lot owners found in violation of the restrictions shall be obliged to pay attorney's fees to the successful plaintiff in all actions seeking to prevent, correct, or enjoin such violations or in damage suits thereon.
