

LONGLEAF FOREST

Being a Replat of a portion of Tract 1, Block 4, Section 3, Township 3 South, Range 27 East, as shown on the plat of Jacksonville Heights, as recorded in Plat Book 5, Page 93 of the Current Public Records of the City of Jacksonville, Duval County, Florida.

ADOPTION AND DEDICATION

This is to certify that Hey Dad Development Company, a corporation under the laws of the State of Florida, is the lawful owner of the lands described in the caption hereon known as Longleaf Forest, having caused the same to be surveyed and subdivided. This plat being made in accordance with said survey is hereby adopted as a true and correct plat of those lands. Tract "A" (Lift Station) and all easements for utilities and sewers are hereby irrevocably dedicated to JEA, its successors and assigns. All roads, parkways, lanes, drives, courts, walkways, easements for drainage and non-access easements, except all private easements and conservation easements which shall remain privately owned and the sole and exclusive property of the owner, its successors and assigns as shown hereon, are hereby irrevocably and without reservation dedicated to the City of Jacksonville, its successors and assigns. The drainage easements over, under, across and through the lakes/stormwater management facilities shown on this plat are hereby irrevocably dedicated to the City of Jacksonville, its successors and assigns, and are subject to the following covenants which shall run with the land:

- 1) The drainage easements hereby dedicated shall permit the City of Jacksonville, its successors and assigns, to discharge into said lakes/stormwater management facilities which these easements traverse, all water which may fall on or come upon all (roads, parkways, lanes, drives and courts as noted above) hereby dedicated, together with all substances or matter which may flow or pass from (roads, parkways, lanes, drives and courts); from adjacent land or from any other source of public waters into or through said lakes/stormwater management facilities, without any liability whatsoever on the part of the City of Jacksonville, its successors and assigns for any damage, injuries or loss to persons or property resulting from the acceptance or use of these drainage easements by the City of Jacksonville, its successors and assigns;
- 2) The lakes and treatment systems shown on this plat are owned in fee simple title by the abutting owners(s), its successors and assigns, and all maintenance and any other matters pertaining to said lakes/stormwater management facilities are the responsibility of the owner, its successor and assigns. The City of Jacksonville by acceptance of this plat assumes no responsibility whatsoever for said lakes and treatment systems.
- 3) The City of Jacksonville, its successors and assigns, shall not be liable nor responsible for the creation, operation, failure or destruction of water level control equipment which may be constructed or installed by the developer or any other person within the area of the lands hereby platted, or of the lakes and treatment systems shown on this plat, but shall have the right to modify the water level including the repair, removal or replacement of the lakes/stormwater management facilities and the control structures to effect adequate drainage.

The Owner, its successors and assigns of the lands described and captioned hereon, shall indemnify the City of Jacksonville and save it harmless from suits, action, damages and liability and expense in connection with loss of life, bodily or personal injury or property damage or any other damage arising from or out of any occurrence in, upon, at or from the lakes/stormwater management facilities described above, or any part thereof, occasioned wholly or in part by any act of omission of its agents, contractors, employees, servants, licensees, or concessionaires within Longleaf Forest. This indemnification shall run with the land and the assigns of the owner and shall be subject to it.

The undersigned Owner(s) do hereby reserve unto themselves and assigns, an easement for landscaping and construction of signs over all non access easements, and also easement(s) over all lands designated as private drainage easements shown on this plat, the maintenance responsibilities of which shall be those of the owner, its successors, and assigns.

Tracts "B" (Landscape Buffer and Non-access Easement), Tract "C" (Landscape Buffer, Non-access Easement and Lake/Stormwater Management Facility) and Tract "D" (Lake/Stormwater Management Facility) as shown hereon, are hereby irrevocably and without reservation dedicated to Longleaf Forest Owners Association, Inc., its successors and assigns.

Those easements designated as "JEA-E.E." are hereby irrevocably dedicated to JEA, its successors and assigns, for its exclusive use in conjunction with its underground electrical system. Those easements designated as "JEA-E." are hereby irrevocably dedicated to JEA, its successors and assigns, for its non-exclusive use in conjunction with its underground electrical system; provided however, that no parallel utilities may be installed within said easements.

In witness whereof Hey Dad Development Company, a corporation under the laws of the State of Florida, has caused these presents to be executed by its Board of Directors with the Corporate Seal affixed this 20th day of November A.D., 2004.

- NOTES :**
- 1) ● Denotes Permanent Reference Monument Set P.L.S. No. 3848.
 - 2) ● Denotes Permanent Control Point
 - 3) Bearings based : State Plane Grid East Zone.
 - 4) All platted easements shown hereon are for the construction, installation, maintenance and operation of drainage structures, utilities, sanitary sewers and cable television service, provided however that said cable television service, shall not interfere with the facilities and services of any electric, telephone, gas or other public utility. In the event a cable television company damages the facilities of a public utility, it shall be solely responsible for the damages.
 - 5) Certain easements are reserved for JEA for use in conjunction with the underground electrical distribution system.

"JEA-E.E." denotes JEA equipment easement. These easements shall remain totally unobstructed by any improvements that may impede the use and access of said easement by JEA.

"JEA-E." denotes JEA easement. JEA will allow certain non-permanent improvements which do not impede the use of said easement by JEA. The installation of fences, hedges, and landscaping is permissible but subject to removal by JEA at the expense of each lot owner for the removal and replacement of such items.
 - 6) **NOTICE:** This plat, as recorded in its graphic form, is the official depiction of the subdivided lands described herein and will in no circumstances be supplanted in authority by any other graphic or digital form of the plat, whether graphic or digital. There may be additional restrictions that are not recorded on this plat that may be found in the public records of Duval County, Florida.
 - 7) The lakes and top of bank shown hereon depicts a graphic representation of the proposed lakes, and does not represent an actual "As-Built" condition.
 - 8) Lots fronting on two (2) streets may have vehicular access from one (1) street only.
 - 9) Current law provides that no construction, filling, removal of earth, cutting of trees or other plants shall take place waterward of the jurisdictional wetland lines as depicted on this plat without the written approval of Duval County and other regulatory agencies with jurisdiction over such wetlands. It is the responsibility of the lot owner, his agent and the entity performing any activity within the wetland area to acquire the necessary written approvals prior to the beginning of any work. This wetland jurisdictional line and upland buffer may be superseded and redefined from time to time by the appropriate governmental agencies.
 - 10) The easements shown hereon and designated as unobstructed easements shall remain totally unobstructed by any permanent improvements which may impede the use of said easement by the City of Jacksonville. The construction of driveways and the installation of fences, hedges and landscaping is permissible but subject to removal by the City at the expense of each lot owner for the removal and/or replacement of such items.

The easements shown hereon and designated as unobstructed/ access easements, shall remain totally unobstructed by any improvements that may impede the use and access of said easement by the City of Jacksonville.
 - 11) Control Co-ordinates shown are based on Florida State Plane, East Zone, 1983/1988 Datum and were established by GPS Observations. Control Monuments used in determining these co-ordinates were national geodetic points "FERNPORT AZ MK 1988" as established by the National Geodetic Survey and "74 94 GPS 16" as established by the Florida Department of Transportation.
