Such Supplemental Declaration may contain additions to, modifications of, or omissions from the covenants, conditions, and restrictions contained in this Declaration as deemed appropriate by Declarant and as may be necessary to reflect the different character, if any, of the annexed lands. In the event the Association is dissolved, other than incident to a merger or consolidation, the SWMS shall be conveyed to a similar non-profit corporation. Declarant rights with respect to membership in the Association are set forth in this Declaration, the Articles and Bylaws. The Association shall have the following two (2) classes of voting membership:

7.3.1.1 Class A Members. Class A members shall be all Owners. Each Class A member shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot as an "Owner," all such persons shall be members. The vote for such Lot shall be exercised as such persons determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

7.3.1.2 Class B Members. Declarant shall be the Class B member and shall be entitled to nine (9) votes for each Lot owned. Notwithstanding the foregoing, from and after the Turnover Date, the Declarant shall be entitled to one

(1) vote for each Lot owned. "Turnover" shall mean the transfer of control and operation of the Association by the Declarant to Owners. The Turnover of the Association by the Declarant shall occur on the Turnover Date at the Turnover meeting. At the Turnover meeting, Owners shall elect a majority of the Directors. No more than sixty (60) days and no less than thirty (30) days prior to the Turnover meeting, the Association shall notify in writing all Class A members of the date, location, and purpose of the Turnover meeting. The Turnover shall take place within three (3) months of the occurrence of the following events, whichever occurs earliest:

- (a) When ninety percent (90%) of the Lots ultimately planned for BRIDGE BAY AT BANNON LAKES are conveyed to Owners; or
- (b) When the Declarant makes the election, in its sole and absolute discretion, to give written notice to the Association of its decision to cause the Turnover to occur.

7.3.1.3 Declarant Election of Director. Notwithstanding the foregoing, from and after Turnover, for so long as Declarant holds at least five percent (5%) of the total number of Lots planned for BRIDGE BAY AT BANNON LAKES out for sale, Declarant, at Declarant's sole option, may elect one (1) member of the Board. Nothing herein shall require Declarant to elect or place any members on the Board after Turnover.

7.4 Ownership by Entity. In the event that an Owner is other than a natural person, that Owner shall, prior to occupancy of the Home, designate one or more persons who are to be the occupants of the Home and register such persons with the Association. All provisions of this Declaration and other Governing Documents shall apply to both such Owner and the designated occupants.

7.5 Voting Interests. Voting Interests in the Association are governed by this Declaration, the Articles and Bylaws.

7.6 Document Recordation Prohibited. Neither the Association nor any Owner, nor group of Owners, may record any documents that, in any way, affect or restrict the rights of Declarant or conflict with the provisions of this Declaration or the other Governing Documents.

7.7 Conflicts. In the event of any conflict among this Declaration, the Articles, the Bylaws or any of the other Governing Documents, this Declaration shall control.

SALES BROCHURES, SITE PLANS, AND MARKETING MATERIALS ARE CURRENT CONCEPTUAL REPRESENTATIONS AS TO WHAT IMPROVEMENTS, IF ANY, WILL BE INCLUDED WITHIN THE COMMON AREAS. DECLARANT

SPECIFICALLY RESERVES THE RIGHT TO CHANGE THE LAYOUT, COMPOSITION, AND DESIGN OF ANY AND ALL COMMON AREAS, INCLUDING RECREATIONAL FACILITIES, OR TO MODIFY, RELOCATE OR ELIMINATE COMMON AREAS OR RECREATIONAL FACILITIES AT ANY TIME, WITHOUT NOTICE AND AT ITS DISCRETION.

9. Common Areas.

9.1 Prior to Conveyance. Prior to the conveyance of the Common Areas to the Association as set forth in Section 9.4 herein, any portion of the Common Areas owned by Declarant shall be operated, maintained, and administered at the sole cost of the Association for all purposes and uses reasonably intended, as Declarant in its sole discretion deems appropriate. During such period, Declarant shall own, operate, and administer the Common Areas without interference from any Owner or any other person or entity whatsoever. Owners shall have no right in or to any Common Areas referred to in this Declaration unless and until same are actually constructed, completed, and conveyed to the Association. The current conceptual plans and/or representations, if any, regarding the composition of the Common Areas are not a guarantee of the final composition of the Common Areas. No party should rely upon any statement contained herein as a representation or warranty as to the extent of the Common Areas to be constructed by Declarant and owned and operated by the Association as part of BRIDGE BAY AT BANNON LAKES. Declarant, so long as it controls Association, further specifically retains the right to add to, delete from, or modify any of the Common Areas referred to herein at its discretion without notice.

9.2 Construction of Common Areas Improvements. Declarant anticipates it will construct, at its sole cost and expense, certain improvements as part of the Common Areas as Declarant determines in its sole discretion, which may include, without limitation, passive parks, or other recreational facilities for the use and benefit of Owners, Lessees and their Immediate Family Members and guests (collectively, the “**Recreational Facilities**”). Declarant shall be the sole judge of the composition of any Common Area improvements comprising the Recreational Facilities. Prior to the Community Completion Date, Declarant reserves the absolute right to construct additional Common Area improvements (including Recreational Facilities) within BRIDGE BAY AT BANNON LAKES, from time to time, in its sole discretion, and to remove, add to, modify and change the boundaries, facilities and improvements now or then part of the Common Areas (including Recreational Facilities). Declarant is not obligated to, nor has it represented that it will construct any Common Area improvements or Recreational Facilities. Declarant is the sole judge of the Common Area improvements and Recreational Facilities, including the plans, specifications, design, location, completion schedule, materials, size, and contents of the facilities, improvements, appurtenances, personal property (e.g., furniture), color, textures, finishes or changes or modifications to any of them.

9.3 Use of Common Areas by Declarant. Until the Community Completion Date, Declarant shall have the right to use any portion of the Common Areas, without charge, for any purpose deemed appropriate by Declarant.

9.4 Conveyance.

9.4.1 Generally. The Common Areas may be designated by the Plat, created in the form of easements, or conveyed to the Association by quitclaim deed or other instrument of conveyance as determined by the Declarant in its sole and absolute discretion. Association shall pay all costs of the conveyance at the Declarant's request. The designation of Common Areas, creation by easement, or conveyance shall be subject to easements, restrictions, reservations, conditions, limitations, and declarations of record, real estate taxes for the year of conveyance, zoning, land use regulations and survey matters. Association shall be deemed to have assumed and agreed to pay all continuing obligations and service and similar contracts relating to the ownership operation, maintenance, and administration of the conveyed portions of Common Areas and other obligations relating to the Common Areas imposed herein, and Association shall, and does hereby, indemnify and hold Declarant and the Declarant Indemnified Parties harmless on account thereof. Association, by its joinder to this Declaration, hereby accepts such dedication(s) or conveyance(s) without setoff, condition, or qualification of any nature. Association shall accept any and all transfer of permits from Declarant or any other permittee, of any permit required by a governmental agency in connection with the development of BRIDGE BAY AT BANNON LAKES, including, without limitation, the Permit, as modified and/or amended. Association shall cooperate with Declarant or any other permittee of such permits, as modified and/or amended, with any applications, certifications, documents or consents required to effectuate any such transfer of permits to the Association. THE COMMON AREAS, PERSONAL PROPERTY AND EQUIPMENT THEREON AND APPURTENANCES THERETO SHALL BE CONVEYED TO THE ASSOCIATION IN "AS IS, WHERE IS" CONDITION WITHOUT ANY REPRESENTATION OR WARRANTY, EXPRESSED OR IMPLIED, IN FACT OR BY LAW, AS TO THE CONDITION, FITNESS OR MERCHANTABILITY OF SUCH COMMON AREAS PERSONAL PROPERTY, EQUIPMENT AND APPURTENANCES BEING CONVEYED. Notwithstanding the foregoing, any such conveyance or encumbrance of such Common Areas is subject to an irrevocable ingress and egress easement in favor of each Owner granting access to their respective Lots.

9.4.2 Common Area Reservations. Each deed of the Common Areas shall be subject to the following provisions:

9.4.2.1 a perpetual nonexclusive easement in favor of governmental agencies for the maintenance and repair of existing road, speed and directional signs, if any;

9.4.2.2 matters reflected on the Plat;

9.4.2.3 perpetual non-exclusive easements in favor of Declarant and its respective successors and assigns in, to, upon and over all of the Common Areas for the purposes of vehicular and pedestrian ingress and egress, installation of improvements, utilities, landscaping and/or drainage, without charge, including, without limitation, the right to use such roadways for construction vehicles and equipment. These easements shall run in favor of Declarant and its respective

employees, representatives, agents, licensees, guests, invitees, successors and/or assigns;

9.4.2.4 the terms and conditions of the Master Declaration, CDD Documents, this Declaration and all other restrictions, easements, covenants and other matters of record;

9.4.2.5 in the event that Association believes that Declarant shall have failed in any respect to meet its respective obligations under this Declaration or has failed to comply with any of Declarant's obligations under law, or the Common Areas conveyed herein are defective in any respect, the Association shall give written notice to Declarant detailing the alleged failure or defect. Once the Association has given written notice to Declarant pursuant to this Section, the Association shall be obligated to permit Declarant and its agents to perform inspections of the Common Areas and to perform all tests and make all repairs/replacements deemed necessary by Declarant to respond to such notice at all reasonable times. Association agrees that any inspection, test and/or repair/replacement scheduled on a business day between 9 a.m. and 5 p.m. shall be deemed scheduled at a reasonable time. The rights reserved in this Section include the right of Declarant to repair or address, in Declarant's sole option and expense, any aspect of the Common Areas deemed defective by Declarant during its inspections of the Common Areas. Association acknowledges and agrees that Association's failure to give the notice and/or otherwise comply with the provisions of this Section will irretrievably damage Declarant; and

9.4.2.6 a reservation of right in favor of Declarant (so long as Declarant owns any portion of BRIDGE BAY AT BANNON LAKES) to require that Association re-convey all or a portion of the Common Areas by quitclaim deed in favor of Declarant in the event that such property is required to be owned by Declarant for any purpose, including without limitation, the reconfiguration of any adjacent property by replatting or otherwise. To the extent legally required, Association shall be deemed to have granted to Declarant an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

9.5 Operation After Conveyance. Subject to the Association's right to grant easements and other interests as provided herein, and subject to the approval rights of the SJRWMD and the County under Section 25.1.7 below with respect to Common Areas containing or affecting the SWMS, the Association may not convey, abandon, alienate, encumber, or transfer all or a portion of the Common Areas to a third party without (i) if prior to the Turnover, (a) the approval of a majority of the Board; and (b) the written consent of Declarant, or (ii) from and after the Turnover, approval of (x) a majority of the Board; and (y) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly called meeting of the members.

9.6 Paved Common Areas. The Common Areas may contain certain paved areas. Without limiting any other provision of this Declaration, the Association is responsible for the maintenance, repair and/or resurfacing of all paved surfaces, including but not limited to streets, parking areas, pathways, bicycle paths, and sidewalks forming a part of the Common Areas, if

any. Although pavement appears to be a durable material, it requires maintenance. Association shall have the right, but not the obligation, to arrange for a periodic inspection of all paved surfaces forming a part of the Common Areas by a licensed paving contractor and/or engineer. The cost of such inspection shall be a part of the Operating Expenses of the Association. The Association shall determine periodically the parameters of the inspection to be performed, if any. Any patching, grading, or other maintenance work should be performed by a company licensed to perform the work and shall be an Operating Expense of the Association.

9.7 Delegation. Once conveyed to the Association, the Common Areas and improvements located thereon shall at all times be under the complete supervision, operation, control, and management of the Association. Notwithstanding the foregoing, the Association may delegate all or a portion of its obligations hereunder to a licensed manager or professional management company. Association specifically shall have the right to pay for management services on any basis approved by the Board (including bonuses or special fee arrangements for meeting financial or other goals). Declarant, its affiliates and/or subsidiaries shall have the right and option to manage Association at all times prior to Turnover. Owners and Association acknowledge that it is fair and reasonable to have Declarant, its affiliates and/or subsidiaries manage the Association prior to Turnover. Further, in the event that Common Area is created by easement, Association's obligations and rights with respect to such Common Area may be limited by the terms of the document creating such easement.

9.8 Use.

9.8.1 Nonexclusive Use. Except as provided herein, the Common Areas shall be used and enjoyed by the Owners on a non-exclusive basis in common with other persons, entities and corporations (who may, but are not required to be, members of the Association) entitled to use those portions of the Common Areas subject to the Rules and Regulations applicable with respect to same. Prior to the Community Completion Date, Declarant, and thereafter, Association has the right, at any and all times, and from time to time, to further additionally provide and make the Common Areas available to other individuals, persons, firms, or corporations, as it deems appropriate. The granting of such rights shall not invalidate this Declaration, reduce or abate any Owner's obligations pursuant to this Declaration, or give any Owner the right to avoid any of the covenants, agreements or obligations to be performed hereunder.

9.8.2 Right to Allow Use. Declarant and/or the Association may enter into easement agreements or other use or possession agreements whereby the Owners, Telecommunications Providers, and/or Association and/or others may obtain the use, possession of, or other rights regarding certain property, on an exclusive or non-exclusive basis, for certain specified purposes. Association may agree to maintain and pay the taxes, insurance, administration, upkeep, repair, and replacement of such property, the expenses of which shall be Operating Expenses. Any such agreement by the Association prior to the Community Completion Date shall require the prior written consent of Declarant. Thereafter, any such agreement shall require the approval of the majority of the Board, which consent shall not be unreasonably withheld or delayed.

9.8.3 Water Levels of Wet and Dry Retention Areas and Lakes. NEITHER THE DECLARANT NOR THE ASSOCIATION MAKE ANY REPRESENTATION CONCERNING THE CURRENT OR FUTURE WATER LEVELS IN ANY OF THE WET OR DRY RETENTION AREAS OR ANY LAKES WITHIN, ADJACENT TO OR AROUND BRIDGE BAY AT BANNON LAKES; PROVIDED, FURTHER, NEITHER THE DECLARANT NOR THE ASSOCIATION BEAR ANY RESPONSIBILITY TO ATTEMPT TO ADJUST OR MODIFY THE WATER LEVELS SINCE SUCH LEVELS ARE SUBJECT TO SEASONAL GROUNDWATER AND RAINFALL FLUCTUATIONS THAT ARE BEYOND THE CONTROL OF THE DECLARANT AND THE ASSOCIATION. BY ACCEPTANCE OF A DEED TO A HOME OR LOT, EACH OWNER ACKNOWLEDGES THAT THE WATER LEVELS OF ALL SUCH WET OR DRY RETENTION AREAS AND LAKES MAY VARY. THERE IS NO GUARANTEE BY DECLARANT OR ASSOCIATION THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT. DECLARANT AND THE ASSOCIATION SHALL NOT BE OBLIGATED TO ERECT FENCES, GATES, OR WALLS AROUND OR ADJACENT TO ANY WET OR DRY RETENTION AREAS OR LAKES WITHIN, ADJACENT TO OR AROUND BRIDGE BAY AT BANNON LAKES.

9.8.4 Obstruction of Common Areas. No portion of the Common Areas may be obstructed, encumbered, or used by Owners for any purpose other than as permitted by the Association.

Without limiting the foregoing, all persons using the Common Areas, including, without limitation, all wet and dry retention areas, lakes or areas adjacent to any water body, do so at their own risk. Nothing herein shall be deemed to grant any such Owner, family member, guest, tenant or invitee any rights of access to or use of any such wet or dry retention area, lake or water body unless such right is expressly granted by this Declaration or the Association, and all such access and use shall be subject to the Rules and Regulations applicable with respect to same. BY ACCEPTANCE OF A DEED, EACH OWNER ACKNOWLEDGES THAT THE COMMON AREAS MAY CONTAIN WILDLIFE SUCH AS INSECTS, ALLIGATORS, COYOTES, RACCOONS, SNAKES, DUCKS, DEER, SWINE, TURKEYS, BEARS

Any suspension of an Owner's or Lessee's rights to use the Recreational Facilities for any other reason shall be imposed after fourteen (14) days' notice to such Owner or Lessee and an opportunity for a hearing before a committee of the Board which is comprised of three (3) members who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother, or sister of an officer, director, or employee of the Association, and such suspension may not be imposed without the approval of a majority of the members of such committee. Once drainage systems or drainage facilities are installed by Declarant, the maintenance of such systems and/or facilities thereafter shall be the responsibility of the Association or Master Association or CDD, as applicable; however, the Association shall not have any responsibility for landscape maintenance within any Lot and the Owner of any such Lot shall be required to maintain such Lot in accordance with the provisions of Section 11 of this Declaration. In the event that such system or facilities (whether comprised of swales, pipes, pumps, water body slopes, or other improvements) is adversely affected by landscaping, fences, structures (including, without limitation, pavers) or additions, the cost to correct, repair, or maintain such drainage system and/or facilities shall be the responsibility of the record title owner of such Lot containing all or a part of such drainage system and/or facilities. Due to the Association's maintenance requirements and responsibilities, the installation of fences within a drainage easement area is not expected to be

However, in the event a fence is installed within a drainage easement area, with prior written ARC approval, the Owner is solely responsible for fence repair or replacement if the drainage easement area needs to be accessed for repairs. In addition to ARC approval, Owner must obtain, at his or her own cost and expense, an agreement in writing executed by the Association approving such fence, which agreement may be recorded in the Public Records by the Association in its sole and absolute discretion. The record title owner of each Lot bordering on the water body shall ensure that water body banks and slopes remain free of any structural or landscape encroachments so as to permit vehicular access for maintenance when needed. Each record title owner of each Lot bordering on the water body, by the acceptance of a deed to their Lot, hereby grants Association, Master Association and CDD, as applicable, an easement of ingress and egress across his or her Lot to all adjacent water body areas for the purpose of ensuring compliance with the requirements of this Section.

In addition to the rights reserved elsewhere herein, Declarant reserves easements for itself or its nominees over, upon, across, and under BRIDGE BAY AT BANNON LAKES as may be required in connection with the development of BRIDGE BAY AT BANNON LAKES, and other lands designated by Declarant and to promote or otherwise facilitate the development, construction and sale and/or leasing of Homes or any portion of BRIDGE BAY AT BANNON LAKES, and other lands designated by Declarant. Without limiting the foregoing, Declarant specifically reserves the right to use all paved roads and rights of way within BRIDGE BAY AT BANNON LAKES for vehicular and pedestrian ingress and egress to and from construction sites. Specifically, each Owner acknowledges that construction vehicles and trucks may use portions of the Common Areas. Declarant shall have no liability or obligation to repave, restore, or repair any portion of the Common Areas as a result of the use of the same by construction traffic, and all maintenance and repair of such Common Areas shall be deemed ordinary maintenance of the Association payable by all Owners as part of Operating Expenses. Without limiting the foregoing, at no time shall Declarant be obligated to pay any amount to the Association on account of Declarant's use of the Common Areas. Declarant may market other residences and commercial properties located outside of BRIDGE BAY AT BANNON LAKES from Declarant's sales facilities located within BRIDGE BAY AT BANNON LAKES. Declarant has the right to use all portions of the Common Areas in connection with its marketing activities, including, without limitation, allowing members of the general public to inspect model homes, installing signs and displays, holding promotional parties and outings, and using the Common Areas for every other type of promotional or sales activity that may be employed in the marketing of residential homes. The easements created by this Section, and the rights reserved herein in favor of Declarant, shall be construed as broadly as possible and supplement the rights of Declarant set forth in Section 21 of this Declaration. At no time shall Declarant incur any expense whatsoever in connection with its use and enjoyment of such rights and easements.

15.4 Public Easements. Fire, police, school transportation, health, sanitation and other public service and utility company personnel and vehicles shall have a permanent and perpetual easement for ingress and egress over and across the Common Areas. In addition, Telecommunications Providers shall also have the right to use all paved roadways for ingress and egress to and from telecommunications systems within BRIDGE BAY AT BANNON LAKES.

15.5 Delegation of Use. Every Owner shall be deemed to have delegated its right of enjoyment to the Common Areas to Lessees or occupants of that Owner's Home subject to the provisions of this Declaration and the Rules and Regulations, as may be promulgated, from time to time. Any such delegation or lease shall not relieve any Owner from its responsibilities and obligations provided herein.

15.6 Easement for Encroachments. In the event that any improvement upon Common Areas, as originally constructed, shall encroach upon any other property or improvements

thereon, or for any reason, then an easement appurtenant to the encroachment shall exist for so long as the encroachment shall naturally exist.

15.7 Permits, Licenses and Easements. Prior to the Community Completion Date, Declarant, and thereafter Association, shall, in addition to the specific rights reserved to Declarant herein, have the right to grant, modify, amend and terminate permits, licenses and easements over, upon, across, under and through BRIDGE BAY AT BANNON LAKES (including Lots, Parcels, Homes, Common Areas, and private streets and roadways) for telecommunications systems, utilities, the SWMS, roads and other purposes reasonably necessary or useful as it determines, in its sole discretion. To the extent legally required, each Owner shall be deemed to have granted to Declarant and, thereafter, Association an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

15.8 Support Easement and Maintenance Easement. An easement is hereby created for the existence and maintenance of supporting structures (and the replacement thereof) in favor of the entity required to maintain the same. An easement is hereby created for maintenance purposes (including access to perform such maintenance) over and across BRIDGE BAY AT BANNON LAKES (including Lots, Parcels, and Homes) for the reasonable and necessary maintenance of Common Areas, utilities, cables, wires and other similar facilities.

15.9 Drainage. A non-exclusive easement shall exist in favor of Declarant, Association, Master Association or CDD, as applicable, SJRWMD, the County and/or any federal agency having jurisdiction over BRIDGE BAY AT BANNON LAKES over, across and upon BRIDGE BAY AT BANNON LAKES, including all areas containing the SWMS or drainage or stormwater management easements created on the Plat or by separate instrument for drainage, irrigation and water management purposes. Any such drainage easement shall not contain permanent improvements, including but not limited to sidewalks, driveways, impervious surfaces, patios, decks, pools, air conditioners, structures, utility sheds, poles, fences, irrigation systems, trees, shrubs, hedges or landscaping plants other than grass, except for (i) improvements installed by Declarant, (ii) landscaping of the Surface Water Management System, (iii) as required by the County or the Permit, and/or (iv) improvements approved by the ARC. A non-exclusive easement for ingress and egress and access exists for such parties in order to construct, maintain, inspect, record data on, monitor, test, or repair, as necessary, any water management areas, conservation areas, mitigation areas, irrigation systems and facilities thereon and appurtenances thereto. No structure, landscaping, or other material shall be placed or be permitted to remain which may damage or interfere with the drainage or irrigation of BRIDGE BAY AT BANNON LAKES and/or installation or maintenance of utilities or which may obstruct or retard the flow of water through BRIDGE BAY AT BANNON LAKES and/or water management areas and facilities or otherwise interfere with any drainage, irrigation and/or easement provided for in this Section or the use rights set forth elsewhere in this Declaration.

15.10 Blanket Easement in favor of the Association. Association is hereby granted an easement over all of BRIDGE BAY AT BANNON LAKES, including all Lots, for the purposes of: (i) constructing, maintaining, replacing and operating all Common Areas; (ii) performing any obligation the Association is obligated to perform under this Declaration; (iii) taking such actions as the Association deems necessary or advisable in fulfilling its obligations and exercising its

rights under this Declaration; and (iv) performing any obligation of an Owner for which the Association intends to impose an Individual Assessment.

15.11 Duration. All easements created herein or pursuant to the provisions hereof shall be perpetual unless stated to the contrary.

16. Restrictions Affecting Occupancy and Alienation.

16.1 Restrictions on Occupancy. Subject to the rights reserved to Declarant in Section 16.2, the Lots within BRIDGE BAY AT BANNON LAKES are intended for the housing of persons fifty-five (55) years of age or older. The provisions of this Section 16.1 are intended to be consistent with and are set forth in order to comply with the Fair Housing Amendments Act, 42 U.S.C. §3601 et seq. (1988), as amended, the exemption set out in 42 U.S.C. §3607(b)(1) and (b)(2)(c) and the regulations promulgated thereunder (collectively, as may be amended, the "Act") allowing discrimination based on familial status. Declarant or the Association, acting through the Board, shall have the power to amend this Section, without the consent of the Members or any person or entity except Declarant, for the purpose of maintaining the age restriction consistent with the Act, the regulations adopted pursuant thereto and any related judicial decisions in order to maintain the intent and enforceability of this Section.

16.1.1 Each occupied Home shall at all times be Occupied by at least one person fifty-five (55) years of age or older; however, in the event of the death of a person who was the sole Occupant fifty-five (55) years of age or older of a Home, any Qualified Occupant may continue to Occupy the same Home as long as the provisions of the Act are not violated by such Occupancy.

16.1.2 No person under the age of nineteen (19) shall Occupy a Home.

16.1.3 Nothing in this Section shall restrict the ownership of or transfer of title to any Lot; provided, no Owner under the age of fifty-five (55) may Occupy a Home unless the requirements of this Section are met nor shall any Owner permit Occupancy of the Home in violation of this Section. Owners shall be responsible for including a statement that the Lots within BRIDGE BAY AT BANNON LAKES are intended for the housing of persons fifty-five (55) years of age or older and that Occupancy by any person under the age of nineteen (19) is prohibited, as set forth in this Section, in conspicuous type in any Lease Agreement or other occupancy agreement or contract of sale relating to such Owner's Lot, which agreements or contracts shall be in writing and signed by the Lessee or purchaser and for clearly disclosing such intent to any prospective Lessee, purchaser, or other potential occupant of the Lot. Every Lease Agreement of a Lot or Home shall provide that failure to comply with the requirements and restrictions of this Section shall constitute a default under the Lease Agreement.

16.1.4 Any Owner may request in writing that the Board make an exception to the requirements for an Age-Qualified Occupant of this Section with respect to a Home on his or her Lot, based on documented hardship. The Board may, but shall not be obligated to, grant exceptions in its sole discretion, provided that all of the requirements

of the Act would still be met, and further provided that no exception to Section 16.1.2 above shall be granted.

16.1.5 In the event of any change in Occupancy of any Home, as a result of a transfer of title, a lease or sublease, a birth or death, change in marital status, vacancy, change in location of permanent Home, or otherwise, the Owner of the Home shall immediately notify the Board in writing and provide to the Board the names and ages of all current Occupants of the Home and such other information as the Board may reasonably require to verify the age of each occupant required to comply with the Act. In the event that an Owner fails to notify the Board and provide all required information within ten (10) days after a change in Occupancy occurs, the Association may levy monetary fines against the Owner and the Lot for each day after the change in Occupancy occurs until the Association receives the required notice and information, regardless of whether the Occupants continue to meet the requirements of this Article, in addition to all other remedies available to the Association under this Declaration and Florida law.

16.2 Sales by Declarant. Notwithstanding the restriction set forth in this Section 16, Declarant reserves the right to sell Lots and Homes for Occupancy by Persons between forty-five (45) and fifty-five (55) years of age; provided, such sales shall not affect the Community's compliance with all applicable State and Federal laws under which the Community may be developed and operated as an age-restricted community, including requirements that a minimum percentage of Homes be occupied by at least one Age-Qualified Occupant as required under the Act or any other such State and Federal laws.

16.3 Monitoring Compliance; Appointment of Attorney-in-Fact. The Association shall be responsible for maintaining records to support and demonstrate compliance with the Act. The Board shall adopt policies, procedures and rules to monitor and maintain compliance with this Section and the Act, including policies regarding visitors, updating of age records, the granting of exemptions to compliance and enforcement. The Association shall periodically distribute such policies, procedures and rules to the Owners and make copies available to Owners, their Lessees and Mortgagees upon reasonable request.

16.4 Enforcement. The Association may enforce this Section 16 in any legal or equitable manner available, as the Board deems appropriate, including, without limitation, conducting a census of the occupants of Homes, requiring that copies of birth certificates or other proof of age for one new Age-Qualified Occupant per Home be provided to the Board on a periodic basis, in its sole discretion, taking action to evict the occupants of any Home which does not comply with the requirements and restrictions of this Section. Association's records regarding individual Members shall be maintained on a confidential basis and not provided except as legally required to governing authorities seeking to enforce the Act. Each Owner shall fully and truthfully respond to any Association request for information regarding the occupancy of Home on his or her Lot which, in the Board's judgment, is reasonably necessary to monitor compliance with this Section. Each Owner hereby appoints the Association as its attorney in fact for the purpose of taking legal or equitable action to dispossess evict or otherwise remove the occupants of any Home on his or her Lot as necessary to enforce compliance with this Section.

16.5 Owner Compliance and Indemnity. Each Owner shall be responsible for ensuring compliance of its Lot with the requirements and restrictions of this Section and the Association rules adopted hereunder, by itself and by its Lessees and other occupants of its Lot or Home. Each Owner, by acceptance of title to a Lot or Home agrees to indemnify, defend and hold Declarant, any affiliate of Declarant and the Association harmless from any and all claims, losses, damages and causes of action which may arise from failure of such Owner's Lot to so comply. Such defense costs shall include, but not be limited to, attorney fees and costs.

16.6 Household Composition. The Association shall not interfere with the freedom of Members and Residents to determine the number of Qualified Occupants within a household, except that it may limit the total of Persons entitled to occupy a Home based upon the size of the Home (based on such factors as the number of bedrooms), not to exceed the number permitted under current zoning ordinances and limit the number of occupants per household who have full privileges as members to use of the Common Area.

17. Assessments.

17.1 General. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title in any manner (whether or not so expressed in the deed), including any purchaser at a judicial sale, shall be deemed to have covenanted and agreed to pay to the Association at the time and in the manner required by the Board, assessments or charges as are fixed, established and collected from time to time by the Association (collectively, the “**Assessments**”). As Vacant Lots (as defined herein) and Spec Lots (as defined herein) are not improved or may not receive certain services, Declarant and any record title owner of a Vacant Lot or a Spec Lot shall not be assessed uniformly with Lots containing completed Homes which are not Spec Lots.

17.2 Purpose of Assessments. The Assessments levied by the Association shall be used for, among other things, the purpose of operating and maintaining BRIDGE BAY AT BANNON LAKES, and in particular, without limitation, for the improvement, repair and maintenance of the Common Areas, including without limitation the Surface Water Management System as well as any mitigation or preservation areas, including but not limited to work within retention areas, drainage structures and drainage easements. Assessments shall include the following categories of charges as and when levied and deemed payable by the Board:

17.2.1 Any periodic assessment (on such frequency as determined by the Board) or charge for the purpose of operating the Association and accomplishing any and all of its purposes, as determined in accordance herewith, including without limitation, payment of Operating Expenses and collection of amounts necessary to pay any deficits from prior years' operation (“**Installment Assessments**”);

17.2.2 Assessments against Duplex Lots for all costs and expenses of Duplex Maintenance (“**Duplex Assessments**”), which shall be Individual Assessments and an additional Installment Assessments applicable against the Duplex Lots only.

17.2.3 Any special assessments for capital improvements, major repairs, emergencies, the repair or replacement of the Surface Water Management System, or nonrecurring expenses (“**Special Assessments**”);

17.2.4 Any specific fees, dues or charges to be paid for any special services, for any special or personal use of the Common Areas, or to reimburse the Association for the expenses incurred in connection with such service or use (“**Use Fees**”);

17.2.5 Assessments of any kind for the creation of reasonable reserves for any of the aforesaid purposes. The Board may, but shall have no obligation to, include a “**Reserve for Replacement**” in the Installment Assessments in order to establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements comprising a portion of the Common Areas (the “**Reserves**”), including without limitation, Reserves for maintenance, repair and replacement of Recreational Facilities. In addition, the Board shall establish separate Reserves for periodic Duplex Maintenance which shall be funded by the Duplex Assessments on Duplex Lots. Reserves shall be payable in such manner and at such times as determined by the Association, and may be payable in installments extending beyond the fiscal year in which the Reserves are established; and

17.2.6 Any specific assessment for costs incurred by the Association which amounts are by their nature applicable only to one or more Lots, but less than all Lots (“**Individual Assessments**”). By way of example and not limitation, in the event an Owner fails to maintain their Lot or the exterior of their Home in a manner required by the Governing Documents, the Association shall have the right, through its agents and employees, to enter upon the Lot and to repair, restore, and maintain the Lot and/or Home as required by the Governing Documents. The costs of any such repair, restoration and/or maintenance, plus the reasonable administrative expenses of the Association and any costs incurred in bringing a Lot and/or Home into compliance with the Governing Documents shall be an Individual Assessment. The lien for an Individual Assessment may be foreclosed in the same manner as any other Assessment.

17.3 Designation. The designation of Assessment type and amount shall be made by the Association. Prior to the Community Completion Date, any such designation must be approved by Declarant. Such designation may be made on the budget prepared by the Association. The designation shall be binding upon all Owners.

17.4 Allocation of Operating Expenses.

17.4.1 Commencing on the first day of the period covered by the annual budget, and until the adoption of the next annual budget, the Assessments for Operating Expenses and Reserves (if any) shall be allocated so that each Owner shall pay Operating Expenses, Special Assessments and Reserves based upon a fraction, the numerator of which is one (1) and the denominator of which is the total number of Lots in BRIDGE BAY AT BANNON LAKES conveyed to Owners or any greater number determined by Declarant from time to time. Notwithstanding the foregoing, Duplex Assessments and Reserves for Duplex Maintenance shall be allocated only among Duplex Lots. Declarant,

in its sole and absolute discretion may change such denominator from time to time; provided, however, under no circumstances will the denominator be less than the number of Lots owned by Owners. In addition, any Lot that does not have a Home constructed thereon as evidenced by a Certificate of Occupancy (a "**Vacant Lot**") and any Lot that has a Home constructed thereon but is owned by the Declarant (a "**Spec Lot**") also shall be assessed at ten percent (10%) of the Installment Assessment assessed to Lots with Homes constructed thereon and owned by Owners. The Vacant Lot Assessment and the Spec Lot Assessment shall be additional income to the Association and Vacant Lots and Spec Lots shall not be included in the denominator used to determine each Owner's pro rata share of the Operating Expenses and Reserves (if any), unless otherwise determined by the Declarant in its sole and absolute discretion. In no event, however, shall Declarant pay Special Assessments.

17.4.2 In the event the Operating Expenses as estimated in the budget for a particular fiscal year are, after the actual Operating Expenses for that period is known, less than the actual costs, then the difference shall, at the election of the Association: (i) be added to the calculation of Installment Assessments, as applicable, for the next ensuing fiscal year; or (ii) be immediately collected from the Owners as a Special Assessment. The Association shall have the unequivocal right to specially assess Owners retroactively on January 1st of any year for any shortfall in Installment Assessments, which Special Assessment shall relate back to the date that the Installment Assessments could have been made. After the Turnover Date, no vote of the Owners shall be required for such Special Assessment (or for any other Assessment) except to the extent specifically provided herein. Prior to the Turnover Date, a Special Assessment may be levied by the Association with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly called meeting of the members.

17.4.3 Each Owner agrees that so long as it does not pay more than the required amount it shall have no grounds upon which to object to either the method of payment or non-payment by other Owners or the Declarant of any sums due.

17.5 General Assessments Allocation. Installment Assessments shall be uniform for all Lots improved with a Home, except as provided in this Declaration, including, without limitation, Duplex Assessments which are only applicable with respect to Duplex Lots. Special Assessments and Reserves shall be allocated equally to each Owner, except for Reserves for Duplex Maintenance, which shall be additional Reserves allocated equally to each Owner of a Duplex Lot. Notwithstanding anything to the contrary contained in the Governing Documents, but subject to the rights of Declarant pursuant to Section 17.8 of this Declaration, Vacant Lots and Spec Lots shall be assessed at ten percent (10%) of the Installment Assessments assessed to Lots with Homes constructed thereon and owned by Owners. This lesser Assessment amount reflects that such Vacant Lots and Spec Lots will not benefit from maintenance and other services provided by the Association. At such time as a Home is conveyed by the Declarant to an Owner, then the Vacant Lot or Spec Lot, as applicable, shall be deemed a fully assessed Lot and shall be responsible for one-hundred percent (100%) of Installment Assessments and Special Assessments, except as otherwise provided herein.

17.6 Use Fees and Individual Assessment. Except as hereinafter specified to the contrary, Use Fees and Individual Assessments shall be made against the Owners benefiting from, or subject to, the special service or cost as specified by the Association.

17.7 Commencement of First Assessment. Assessments shall commence as to each Owner on the day of the conveyance of title of a Home to such Owner. The record title owner of a Lot is jointly and severally liable with the previous record title owner of the Lot for all unpaid Assessments that came due up to the time of transfer of title. A record title owner of a Lot, regardless of how title to the Lot has been acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, is liable for all Assessments that come due while such person or entity was the record title owner of the Lot. An Owner's liability for Assessments may not be avoided by waiver or suspension of the use or enjoyment of any Common Areas or by abandonment of the Lot upon which the Assessments are made.

17.8 Shortfalls and Surpluses. Each Owner acknowledges that because Installment Assessments, Special Assessments, and Reserves are allocated based on the formula provided herein, or upon the number of Lots conveyed to Owners on or prior to September 30th of the prior fiscal year, it is possible that the Association may collect more or less than the amount budgeted for Operating Expenses. Prior to the Turnover, in lieu of payment of Installment Assessments on Homes or Lots owned by Declarant at the applicable rate of Installment Assessments established for Lots and Homes, including Vacant Lots and Spec Lots, owned by Class A members, Declarant shall have the option to pay any Operating Expenses incurred by the Association that exceed the Assessments receivable from Owners and other income of the Association (the "**Deficit**"). Notwithstanding any other provision of this Declaration to the contrary, Declarant shall never be required to (i) pay Assessments if Declarant has elected to fund the Deficit instead of paying Assessments on Homes or Lots owned by Declarant, (ii) pay Special Assessments or Reserves, or (iii) fund deficits due to delinquent Owners. Any surplus Assessments collected by the Association may be allocated towards the next year's Operating Expenses or, in the Association's sole and absolute discretion, to the creation of Reserves, whether or not budgeted. Under no circumstances shall the Association be required to pay surplus Assessments to Owners. The Declarant may at any time give thirty (30) days prior written notice to the Association terminating its responsibility for the Deficit, and waiving its right to exclusion from Assessments. Upon giving such notice, or upon Turnover, whichever is sooner, each Lot owned by Declarant shall thereafter be assessed at the applicable rate of Installment Assessments established for Lots and Homes, including Vacant Lots and Spec Lots, owned by Class A members. Declarant shall not be responsible for any Reserves or Special Assessments, even after the Turnover. Declarant shall be assessed only for Lots which are subject to the operation of this Declaration. Upon transfer of title of a Lot owned by Declarant, the Lot shall be assessed in the amount established for Lots owned by Owners other than the Declarant, prorated as of and commencing with, the month following the date of transfer of title.

THE DECLARANT DOES NOT PROVIDE A GUARANTEE OF THE LEVEL OF ASSESSMENTS. AS SUCH, THERE IS NO MAXIMUM GUARANTEED LEVEL OF ASSESSMENTS DUE FROM OWNERS. IN THE EVENT THE DECLARANT ELECTS TO DEFICIT FUND IN LIEU OF PAYING ASSESSMENTS ON THE SAME BASIS AS OTHER OWNERS, THE DECLARANT SHALL SPECIFICALLY ELECT TO FUND THE DEFICIT AS PROVIDED IN SECTION 720.308(1)(B), FLORIDA STATUTES. AS SUCH, THE

PROVISIONS OF SECTIONS 720.308(2) THROUGH 720.308(6), FLORIDA STATUTES, ARE NOT APPLICABLE TO THE DECLARANT OR THE CALCULATION OF THE DEFICIT OR OTHER AMOUNTS DUE FROM THE DECLARANT.

17.9 Budgets. The initial budget prepared by Declarant is adopted as the budget for the period of operation until adoption of the first annual Association budget. Thereafter, annual budgets shall be prepared and adopted by the Association. Assessments shall be payable by each Owner as provided in this Declaration. THE INITIAL BUDGET OF THE ASSOCIATION IS PROJECTED (NOT BASED ON HISTORICAL OPERATING FIGURES). THEREFORE, IT IS POSSIBLE THAT ACTUAL ASSESSMENTS MAY BE LESS OR GREATER THAN PROJECTED.

17.10 Establishment of Assessments. Assessments shall be established in accordance with the following procedures:

17.10.1 Installment Assessments shall be established by the adoption of a twelve (12) month operating budget by the Board. The budget shall be in the form required by Section 720.303(6), Florida Statutes. The Board may from time to time determine when the Installment Assessments will be collected by the Association (i.e. monthly, quarterly, or annually). Unless otherwise established by the Board, Installment Assessments for Operating Expenses shall be collected on an annual basis.

17.10.2 Special Assessments and Individual Assessments may be established by the Association, from time to time, and shall be payable at such time or time(s) as determined by the Board. Until the Community Completion Date, no Special Assessment shall be imposed without the consent of Declarant.

17.10.3 Association may establish, from time to time, by resolution, rule or regulation, or by delegation to an officer or agent, including, a professional management company, Use Fees. The sums established shall be payable by the Owner utilizing the service or facility as determined by the Association.

17.11 Initial Contribution. The first purchaser of a Lot from the Declarant shall pay to the Association an initial contribution in the amount FIVE HUNDRED AND NO/100 DOLLARS (\$500.00) (the "**Initial Contribution**") at the time of closing of the conveyance. The Initial Contribution shall be in addition to any contribution, fee or charge required under the Master Declaration in connection with such conveyance. The funds derived from the Initial Contributions are deemed income to the Association and shall be used at the discretion of Board for any purpose, including without limitation, future and existing capital improvements, Operating Expenses, support costs and start-up costs.

17.12 Resale Contribution. After the Home has been conveyed by Declarant, there shall be collected from the purchaser upon every subsequent conveyance of an ownership interest in a Home by an Owner a resale contribution in the amount of FIVE HUNDRED AND NO/100 DOLLARS (\$500.00) (the "**Resale Contribution**"). The Resale Contribution shall be in addition to any contribution, fee or charge required under the Master Declaration in connection with such conveyance. The Resale Contribution shall not be applicable to conveyances from

Declarant. The funds derived from the Resale Contributions are income to the Association and shall be used at the discretion of Board for any purpose, including without limitation, future and existing capital improvements, Operating Expenses, support costs and start-up costs.

17.13 Assessment Estoppel Certificates. No Owner shall sell or convey its interest in a Lot or Home unless all sums due to the Association have been paid in full and an estoppel certificate shall have been received by such Owner. Association shall prepare and maintain a ledger noting Assessments due from each Owner. The ledger shall be kept in the office of the Association, or its designees, and shall be open to inspection by any Owner. Within fourteen (14) days of a written request therefor, there shall be furnished to an Owner an estoppel certificate in writing setting forth whether the Assessments have been paid and/or the amount that is due as of any date. As to parties other than Owners who, without knowledge of error, rely on the certificate, the certificate shall be conclusive evidence of the amount of any Assessment therein stated. The Owner requesting the estoppel certificate shall be required to pay Association or the Manager (as defined below) engaged by the Association a reasonable sum to cover the costs of examining records and preparing such estoppel certificate.

17.14 Payment of Home Real Estate Taxes. Each Owner shall pay all taxes and obligations relating to its Lot which, if not paid, could become a lien against the Lot that is superior to the lien for Assessments created by this Declaration.

17.15 Creation of the Lien and Personal Obligation. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title to a Lot, shall be deemed to have covenanted and agreed that the Assessments, and/or other charges and fees set forth herein, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels of proceedings including appeals, collections and bankruptcy, shall be a charge and continuing lien in favor of the Association encumbering the Lot owned by the Owner against whom each such Assessment is made. The lien is effective from and after recording a Claim of Lien in the Public Records stating the legal description of the Lot, name of the Owner, and the amounts due as of that date, but shall relate back to the date that this Declaration is recorded. The Claim of Lien shall also cover any additional amounts which accrue thereafter until satisfied. Each Assessment, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, and other costs and expenses provided for herein, shall be the personal obligation of the person or entity that was the record title owner of the Lot at the time when the Assessment became due, as well as the such record title owner's heirs, devisees, personal representatives, successors or assigns.

17.16 Subordination of the Lien to Mortgages. The lien for Assessments shall be subordinate to bona fide first mortgage held by a Lender on any Lot, if the mortgage is recorded in the Public Records prior to the Claim of Lien. The lien for Assessments shall not be affected by any sale or transfer of a Lot, except in the event of a sale or transfer of a Lot pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise) of a bona fide first mortgage held by a Lender, in which event, the acquirer of title, its successors and assigns, shall be liable for Assessments which became due prior to such sale or transfer to the extent provided in Section 720.3085, Florida Statutes. However, any such unpaid Assessments for which such acquirer of title is not liable may be reallocated and assessed to all Owners (including such acquirer of title) as a part of Operating Expenses. Any sale or transfer pursuant to a foreclosure (or by deed in

lieu of foreclosure or otherwise pursuant to a foreclosure) shall not relieve the record title owner from liability for, nor the Lot from, the lien of any Assessments made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent Assessments from the payment thereof, or the enforcement of collection by means other than foreclosure. A Lender shall give written notice to the Association if the mortgage held by such Lender is in default. Association shall have the right, but not the obligation, to cure such default within the time periods provided in the mortgage held by such Lender. In the event Association makes such payment on behalf of a record title owner, the Association shall, in addition to all other rights reserved herein, be subrogated to all of the rights of the Lender with respect to such payment. All amounts advanced on behalf of a record title owner pursuant to this Section shall be added to Assessments payable by such record title owner with appropriate interest.

17.17 Acceleration. In the event of a default in the payment of any Assessment, the Association may accelerate the Assessments then due for up to the next ensuing twelve (12) month period.

17.18 Non-Payment of Assessments. If any Assessment is not paid within ten (10) days (or such other period of time established by the Board) after the due date, a late fee of Twenty-Five and no/100 Dollars (\$25.00) per month or five percent of the delinquent installments whichever is greater (or such greater amount established by the Board and permitted by applicable law), together with interest in an amount equal to the maximum rate allowable by law (or such lesser rate established by the Board), per annum, beginning from the due date until paid in full, may be levied. The late fee shall compensate the Association for administrative costs, loss of use of money, and accounting expenses. Subject to providing any prior notice as may be required by law, if any, the Association may, at any time thereafter, bring an action at law against the record title owner personally obligated to pay the same, and/or foreclose the lien against the Lot, or both. The Association shall not be required to bring such an action if it believes that the best interests of the Association would not be served by doing so. There shall be added to the Assessment all costs expended in preserving the priority of the lien and all costs and expenses of collection, including attorneys' fees and paraprofessional fees, at all levels of proceedings, including appeals, collection and bankruptcy. No Owner may waive or otherwise escape liability for Assessments provided for herein by non-use of, or the waiver of the right to use, the Common Areas or by abandonment of a Lot or Home. All payments on accounts shall be first applied to fines levied in accordance with the terms of this Declaration, interest accrued by the Association, then to any administrative late fee, then to costs and attorneys' fees, and then to the delinquent Assessment payment first due. The allocation of payment described in the previous sentence shall apply notwithstanding any restrictive endorsement, designation, or instruction placed on or accompanying a payment.

17.19 Exemption. Notwithstanding anything to the contrary herein, Declarant, at Declarant's sole option, shall either (i) pay Assessments on Lots and Homes owned by Declarant, or (ii) fund the Deficit, if any, as set forth in Section 17.8 herein. In addition, the Board shall have the right to exempt any portion of BRIDGE BAY AT BANNON LAKES subject to this Declaration from the Assessments, provided that such part of BRIDGE BAY AT BANNON LAKES exempted is used (and as long as it is used) for any of the following purposes:

17.19.1 Any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; and

17.19.2 Any of BRIDGE BAY AT BANNON LAKES exempted from ad valorem taxation by the laws of the State of Florida or exempted from Assessments by other provisions of this Declaration.

17.20 Collection by Declarant. If for any reason the Association shall fail or be unable to levy or collect Assessments, then in that event, Declarant shall at all times have the right, but not the obligation: (i) to advance such sums as a loan to the Association to bear interest and to be repaid as hereinafter set forth; and/or (ii) to levy and collect such Assessments by using the remedies available as set forth above, including, but not limited to, recovery of attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy. Such remedies shall be deemed assigned to Declarant for such purposes. If Declarant advances sums, it shall be entitled to immediate reimbursement, on demand, from Association for such amounts so paid, plus interest thereon at the Wall Street Journal Prime Rate plus two percent (2%), plus any costs of collection including, but not limited to, reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy.

17.21 Rights to Pay Assessments and Receive Reimbursement. Association, Declarant and any Lender shall have the right, but not the obligation, jointly and severally, and at their sole option, to pay any Assessments or other charges which are in default and which may or have become a lien or charge against any Lot or Home. If so paid, the party paying the same shall be subrogated to the enforcement rights of the Association with regard to the amounts due.

17.22 Mortgagee Right. Each Lender may request in writing that Association notify such Lender of any default of the Owner of the Home subject to the Lender's mortgage which default is not cured within thirty (30) days after Association learns of such default. A failure by the Association to furnish notice to any Lender shall not result in liability of the Association because such notice is given as a courtesy to a Lender and the furnishing of such notice is not an obligation of the Association to Lender.

17.23 Collection from Lessees. If a Home is occupied by a Lessee and the Owner is delinquent in the payment of Assessments, the Association may demand from the Lessee payment to the Association of all monetary obligations, including without limitation, Assessments due from the Owner to the Association. All such payments made by a Lessee to the Association shall be credited against rent and other sums due from such Lessee to such Owner. So long as the Owner remains delinquent, future rent payments due to the Owner must be paid to the Association and shall be credited to the monetary obligations of the Owner to the Association; provided, however, if within fourteen (14) days from the written demand of the Association, the Lessee provides the Association with written evidence of making prepaid rent payments, the Lessee shall receive a credit for the prepaid rent for the applicable period of such prepaid rent.

18. Information to Lenders and Owners.

18.1 Availability. There shall be available for inspections upon request, during normal business hours or under other reasonable circumstances, to Owners and Lenders current copies of the Governing Documents.

18.2 Copying. Any Owner and/or Lender shall be entitled, upon written request, and at its cost, to a copy of the documents referred to above.

18.3 Notice. Upon written request by a Lender (identifying the name and address of the Lender and the name and address of the applicable Owner), the Lender will be entitled to timely written notice of:

18.3.1 Any condemnation loss or casualty loss which affects a material portion of a Home to the extent Association is notified of the same;

18.3.2 Any delinquency in the payment of Assessments owed by an Owner of a Home subject to a first mortgage held by the Lender, which remains uncured for a period of sixty (60) days;

18.3.3 Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained hereunder; and

18.3.4 Any proposed action that specifically requires the consent of a Lender.

19. Architectural Control.

19.1 Architectural Review Committee. The ARC shall be a permanent committee of the Association and shall administer and perform the architectural and landscape review and control functions relating to BRIDGE BAY AT BANNON LAKES. The ARC shall consist of a minimum of three (3) members who shall initially be named by Declarant and who shall hold office at the pleasure of Declarant. Until the Community Completion Date, Declarant shall have the right to change the number of members on the ARC, and to appoint, remove, and replace all members of the ARC. Declarant shall determine which members of the ARC shall serve as its chairman and co-chairman. In the event of the failure, refusal, or inability to act of any of the members appointed by Declarant, Declarant shall have the right to replace any member within thirty (30) days of such occurrence. If Declarant fails to replace that member, the remaining members of the ARC shall fill the vacancy by appointment. From and after the Community Completion Date, the Board shall have the same rights as Declarant with respect to the ARC.

19.2 Membership. There is no requirement that any member of the ARC be a member of the Association.

19.3 General Plan. It is the intent of this Declaration to create a general plan and scheme of development of BRIDGE BAY AT BANNON LAKES. Accordingly, the ARC shall have the right to approve or disapprove all architectural, landscaping, and improvements within BRIDGE BAY AT BANNON LAKES by Owners. The ARC shall have the right to evaluate all plans and specifications as to harmony of exterior design, landscaping, location of any proposed

improvements, relationship to surrounding structures, topography and conformity with such other reasonable requirements as shall be adopted by ARC. The ARC may impose standards for construction and development which may be greater or more stringent than standards prescribed in applicable building, zoning, or other local governmental codes. Prior to the Community Completion Date, any additional standards or modification of existing standards shall require the consent of Declarant, which may be granted or denied in its sole discretion.

19.4 Master Plan. Declarant has established an overall Master Plan. However, notwithstanding the above, or any other document, brochures or plans, Declarant reserves the right to modify the Master Plan or any site plan at any time as it deems desirable in its sole discretion and in accordance with applicable laws and ordinances. WITHOUT LIMITING THE FOREGOING, DECLARANT MAY PRESENT TO THE PUBLIC OR TO OWNERS RENDERINGS, PLANS, MODELS, GRAPHICS, TOPOGRAPHICAL TABLES, SALES BROCHURES, OR OTHER PAPERS RESPECTING BRIDGE BAY AT BANNON LAKES. SUCH RENDERINGS, PLANS, MODELS, GRAPHICS, TOPOGRAPHICAL TABLES, SALES BROCHURES, OR OTHER PAPERS ARE NOT A GUARANTEE OF HOW BRIDGE BAY AT BANNON LAKES WILL APPEAR UPON COMPLETION AND DECLARANT RESERVES THE RIGHT TO CHANGE ANY AND ALL OF THE FOREGOING AT ANY TIME AS DECLARANT DEEMS NECESSARY IN ITS SOLE AND ABSOLUTE DISCRETION.

19.5 Architectural Guidelines. Each Owner and its contractors and employees shall observe, and comply with, the Architectural Guidelines which now or may hereafter be promulgated by the Declarant or the ARC. The Architectural Guidelines shall be effective from the date of adoption; shall be specifically enforceable by injunction or otherwise; and shall have the effect of covenants as if set forth herein verbatim. The Architectural Guidelines shall not require any Owner to alter the improvements previously constructed. Until the Community Completion Date, Declarant shall have the right to approve, adopt or amend the Architectural Guidelines in its sole discretion.

19.6 Quorum. A majority of the ARC shall constitute a quorum to transact business at any meeting. The action of a majority present at a meeting at which a quorum is present shall constitute the action of the ARC. In lieu of a meeting, the ARC may act in writing.

19.7 Power and Duties of the ARC. No improvements shall be constructed on a Lot, no exterior of a Home shall be repainted, no landscaping, sign, or improvements erected, removed, planted, or installed upon on a Lot, nor shall any material addition to or any change, replacement, or alteration of the improvements as originally constructed by Declarant (visible from the exterior of the Home) be made until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, color scheme, and the location of same shall have been submitted to and approved in writing by the ARC.

19.8 Procedure. In order to obtain the approval of the ARC, each Owner shall observe the following:

19.8.1 Each applicant shall submit an application to the ARC with respect to any proposed improvement or material change in an improvement, together with the

required application(s) and other fee(s) as established by the ARC. The applications shall include such information as may be required by the application form adopted by the ARC. The ARC may also require submission of samples of building materials and colors proposed to be used. At the time of such submissions, the applicant shall, if requested, submit to the ARC, such site plans, plans and specifications for the proposed improvement, prepared and stamped by a registered Florida architect or residential designer, and landscaping and irrigation plans, prepared by a registered landscape architect or designer showing all existing trees and major vegetation stands and surface water drainage plan showing existing and proposed design grades, contours relating to the predetermined ground floor finish elevation, pool plans and specifications and the times scheduled for completion, all as reasonably specified by the ARC.

19.8.2 In the event the information submitted to the ARC is, in the ARC's opinion, incomplete or insufficient in any manner, the ARC may request and require the submission of additional or supplemental information. The applicant shall, within fifteen (15) days thereafter, comply with the request.

19.8.3 No later than forty-five (45) days after receipt of all information required by the ARC for final review, the ARC shall approve or deny the application in writing. The ARC shall have the right to refuse to approve any plans and specifications which are not suitable or desirable, in the ARC's sole discretion, for aesthetic or any other reasons or to impose qualifications and conditions thereon. In approving or disapproving such plans and specifications, the ARC shall consider the suitability of the proposed improvements, the materials of which the improvements are to be built, the site upon which the improvements are proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on adjacent or neighboring property. In the event the ARC fails to respond within said forty-five (45) day period, the plans and specifications shall be deemed disapproved by the ARC.

19.8.4 Construction of all improvements shall be completed within the time period set forth in the application and approved by the ARC.

19.8.5 In the event that the ARC disapproves any plans and specifications, the applicant may request a rehearing by the ARC for additional review of the disapproved plans and specifications. The meeting shall take place no later than forty-five (45) days after written request for such meeting is received by the ARC, unless applicant waives this time requirement in writing. The ARC shall make a final written decision no later than forty-five (45) days after such meeting. In the event the ARC fails to provide such written decision within said forty-five (45) days, the plans and specifications shall be deemed disapproved.

19.8.6 Upon final disapproval (even if the members of the Board and the ARC are the same), the applicant may appeal the decision of the ARC to the Board within thirty (30) days of the ARC's written review and disapproval. Review by the Board shall take place no later than thirty (30) days subsequent to the receipt by the Board of the applicant's request therefor. If the Board fails to hold such a meeting within thirty (30) days after receipt of request for such meeting, then the plans and specifications shall be

deemed disapproved. The Board shall make a final decision no later than sixty (60) days after such meeting. In the event the Board fails to provide such written decision within said sixty (60) days after such meeting, such plans and specifications shall be deemed disapproved. The decision of the ARC, or, if appealed, the Board, shall be final and binding upon the applicant, its heirs, legal representatives, successors and assigns.

19.9 Alterations. Any and all alterations, deletions, additions and changes of any type or nature whatsoever to then existing improvements or the plans or specifications previously approved by the ARC shall be subject to the approval of the ARC in the same manner as required for approval of original plans and specifications.

19.10 Variances. Association or ARC shall have the power to grant variances from any requirements set forth in this Declaration or from the Architectural Guidelines, on a case by case basis, provided that the variance sought is reasonable and results from a hardship upon the applicant. The granting of a variance shall not nullify or otherwise affect the right to require strict compliance with the requirements set forth herein or in the Architectural Guidelines on any other occasion.

19.11 Permits. Each Owner is solely responsible to obtain all required building and other permits from all governmental authorities having jurisdiction.

19.12 Construction Activities. The following provisions govern construction activities by Owners after consent of the ARC has been obtained:

19.12.1 Each Owner shall deliver to the ARC, if requested, copies of all construction and building permits as and when received by the Owner, as applicable. Each construction site in BRIDGE BAY AT BANNON LAKES shall be maintained in a neat and orderly condition throughout construction. Construction activities shall be performed on a diligent, workmanlike and continuous basis. Roadways, easements, swales, Common Areas, and other such areas in BRIDGE BAY AT BANNON LAKES shall be kept clear of construction vehicles, construction materials and debris at all times. No construction office or trailer shall be kept in BRIDGE BAY AT BANNON LAKES and no construction materials shall be stored in BRIDGE BAY AT BANNON LAKES, subject, however, to such conditions and requirements as may be promulgated by the ARC. All refuse and debris shall be removed or deposited in a dumpster on a daily basis. No materials shall be deposited or permitted to be deposited in any Common Areas or other Lots or be placed anywhere outside of the Lot upon which the construction is taking place. No hazardous waste or toxic materials shall be stored, handled and used, including, without limitation, gasoline and petroleum products, except in compliance with all applicable federal, state and local statutes, regulations and ordinances, and shall not be deposited in any manner on, in or within the construction or adjacent property. All construction activities shall comply with the Architectural Guidelines. If an Owner (or any of its contractors and employees) shall fail to comply in any regard with the requirements of this Section, the ARC may require that such Owner post security with the Association in such form and such amount deemed appropriate by the ARC in its sole discretion.

19.12.2 There shall be provided to the ARC, if requested, a list (name, address, telephone number and identity of contact person), of all contractors, subcontractors, materialmen and suppliers (collectively, “**Contractors**”) and changes to the list as they occur relating to construction. The ARC shall have the right to require that each Contractor’s employees check in at the designated construction entrances and to refuse entrance to persons and parties whose names are not registered with the ARC.

19.12.3 Each Owner is responsible for ensuring compliance with all terms and conditions of these provisions and of the Architectural Guidelines by all of its employees and Contractors. In the event of any violation of any such terms or conditions by any employee or Contractor, or, in the opinion of the ARC, the continued refusal of any employee or Contractor to comply with such terms and conditions, after five (5) days’ notice and right to cure, the ARC shall have, in addition to the other rights hereunder, the right to prohibit the violating employee or Contractor from performing any further services in BRIDGE BAY AT BANNON LAKES.

19.12.4 The ARC may, from time to time, adopt standards governing the performance or conduct of Owners, Contractors and their respective employees within BRIDGE BAY AT BANNON LAKES. Each Owner and Contractor shall comply with such standards and cause its respective employees to also comply with same. The ARC may also promulgate requirements to be inserted in all contracts relating to construction within BRIDGE BAY AT BANNON LAKES and each Owner shall include the same therein.

19.13 Inspection. There is specifically reserved to the Association and ARC and to any agent or member of either of them, the right of entry and inspection upon any portion of BRIDGE BAY AT BANNON LAKES at any time within reasonable daytime hours, for the purpose of determining whether there exists any violation of the terms of any approval or the terms of this Declaration or the Architectural Guidelines.

19.14 Violation. Without limiting any other provision herein, if any improvement shall be constructed or altered without prior written approval, or in a manner which fails to conform with the approval granted, the Owner, as applicable, shall, upon demand of the Association or the ARC, cause such improvement to be removed, or restored until approval is obtained or in order to comply with the plans and specifications originally approved. The applicable Owner shall be liable for the payment of all costs of removal or restoration, including all costs and attorneys’ fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, incurred by the Association or ARC. The costs shall be deemed an Individual Assessment and enforceable pursuant to the provisions of this Declaration. The ARC and/or Association are specifically empowered to enforce the architectural and landscaping provisions of this Declaration and the Architectural Guidelines, by any legal or equitable remedy.

19.15 Court Costs. In the event that it becomes necessary to resort to litigation to determine the propriety of any constructed improvement or to cause the removal of any unapproved improvement, the prevailing party shall be entitled to recover court costs, expenses and attorneys’ fees and paraprofessional fees at all levels, including appeals, collections and bankruptcy, in connection therewith.

19.16 Certificate of Non-Compliance. In the event that any Owner fails to comply with the provisions contained herein, the Architectural Guidelines, or other rules and regulations promulgated by the ARC, the Association and/or ARC may, in addition to all other remedies contained herein, record a Certificate of Non-Compliance against the Lot stating that the improvements on the Lot fail to meet the requirements of this Declaration and that the Lot is subject to further enforcement remedies.

19.17 Certificate of Compliance. If requested by an Owner, prior to the occupancy of any improvement constructed or erected on any Lot by other than Declarant, or its designees, the Owner shall obtain a Certificate of Compliance from the ARC, certifying that the Owner, as applicable, has complied with the requirements set forth herein. The ARC may, from time to time, delegate to a member or members of the ARC the responsibility for issuing the Certificate of Compliance. The issuance of a Certificate of Compliance does not abrogate the ARC's rights set forth in this Section 19. The issuance of a Certificate of Compliance by the ARC with respect to any improvements shall not be deemed a representation that such improvements comply with any or all applicable health, safety or building codes applicable to such improvements or representation regarding the structural integrity, workmanship, materials, design, systems, safety or any other aspect or matter with respect to such improvements.

19.18 Exemption. Notwithstanding anything to the contrary contained herein, or in the Architectural Guidelines, any improvements of any nature made or to be made by Declarant, including without limitation, improvements made or to be made to the Common Areas or any Lot, shall not be subject to the review of the ARC, the Association, or the provisions of this Declaration or the Architectural Guidelines.

19.19 Exculpation. Declarant, Association, the directors or officers of the Association, the ARC, the members of the ARC, or any person acting on behalf of any of them, shall not be liable for any cost or damages incurred by any Owner or any other party whatsoever, due to any mistakes in judgment, negligence, or any action of Declarant, Association, ARC or their members, officers, or directors, in connection with the approval or disapproval of plans and specifications or the issuance of a Certificate of Non-Compliance or a Certificate of Compliance with respect to such Owner's Lot or any improvements constructed thereon. Each Owner agrees, individually and on behalf of its heirs, successors and assigns by acquiring title to a Lot, that it shall not bring any action or suit against Declarant, Association or their respective directors or officers, the ARC or the members of the ARC, or their respective agents, in order to recover any damages caused by the actions of Declarant, Association, or ARC or their respective members, officers, or directors in connection with the provisions of this Section. Association does hereby indemnify, defend and hold Declarant, and the ARC, and each of their members, officers, and directors harmless from all costs, expenses, and liabilities, including attorneys' fees and paraprofessional fees at all levels, including appeals, of all nature resulting by virtue of the acts of the Owners, the Association, ARC or their members, officers and directors. Declarant, Association, its directors or officers, the ARC or its members, or any person acting on behalf of any of them, shall not be responsible for any defects in any plans or specifications or the failure of same to comply with applicable laws or code nor for any defects in any improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency thereof and for the quality of construction performed pursuant thereto.

20. Enforcement.

20.1 Right to Cure. Should any Owner do any of the following:

20.1.1 Fail to perform its responsibilities as set forth herein or in the Master Declaration or otherwise breach the provisions of this Declaration or the Master Declaration including, without limitation, any provision herein or therein benefiting SJRWMD;

20.1.2 Cause any damage to any improvement or Common Areas;

20.1.3 Impede Declarant or Association from exercising its rights or performing its responsibilities hereunder or Master Declarant or Master Association from exercising its rights or performing its responsibilities under the Master Declaration;

20.1.4 Undertake unauthorized improvements or modifications to a Lot or Common Areas; or

20.1.5 Impede Declarant from proceeding with or completing the development of BRIDGE BAY AT BANNON LAKES, as the case may be;

Then Declarant and/or Association, where applicable, after reasonable prior written notice, shall have the right, through its agents and employees, to cure the breach, including, but not limited to, the entering upon the Lot and causing the default to be remedied and/or the required repairs or maintenance to be performed, or as the case may be, remove unauthorized improvements or modifications. The cost thereof, plus reasonable overhead costs and attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, incurred shall be assessed against the Owner, as applicable, as an Individual Assessment.

20.2 Non-Monetary Defaults. In the event of a violation by any Owner, other than the nonpayment of any Assessment or other monies, of any of the provisions of this Declaration, Declarant or Association shall notify the Owner of the violation, by written notice. If such violation is not cured as soon as practicable and in any event within seven (7) days after such written notice, the party entitled to enforce same may, at its option:

20.2.1 Commence an action to enforce the performance on the part of the Owner, as applicable, or to enjoin the violation or breach or for equitable relief as may be necessary under the circumstances, including injunctive relief; and/or

20.2.2 Commence an action to recover damages; and/or

20.2.3 Take any and all action reasonably necessary to correct the violation or breach.

All expenses incurred in connection with the violation or breach, or the commencement of any action against any Owner, including reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy shall be assessed against the Owner, as

applicable, as an Individual Assessment, and shall be immediately due and payable without further notice.

20.3 No Waiver. The failure to enforce any right, provision, covenant or condition in this Declaration, shall not constitute a waiver of the right to enforce such right, provision, covenant or condition in the future.

20.4 Rights Cumulative. All rights, remedies, and privileges granted to Declarant, Association and/or the ARC pursuant to any terms, provisions, covenants or conditions of this Declaration, or Architectural Guidelines, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude any of them from pursuing such additional remedies, rights or privileges as may be granted or as it might have by law.

20.5 Enforcement By or Against Other Persons. In addition to the foregoing, this Declaration or Architectural Guidelines may be enforced by Declarant and/or, where applicable, Owners, and/or the Association by any procedure at law or in equity against any person violating or attempting to violate any provision herein, to restrain such violation, to require compliance with the provisions contained herein, to recover damages, or to enforce any lien created herein. The expense of any litigation to enforce this Declaration or Architectural Guidelines shall be borne by the person against whom enforcement is sought, provided such proceeding results in a finding that such person was in violation of this Declaration or the Architectural Guidelines. SJRWMD shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in the Declaration which relate to the maintenance, operation and repair of SWMS.

20.6 Fines and Suspensions. Association may suspend, for reasonable periods of time, the rights of an Owner or an Owner's tenants, guests and invitees, or both, to use the Common Areas and may levy reasonable fines, not to exceed the maximum amounts permitted by Section 720.305(2), Florida Statutes, against an Owner, tenant, guest or invitee, for failure to comply with any provision of this Declaration including, without limitation, those provisions benefiting SJRWMD and the Rules and Regulations and Architectural Guidelines.

20.6.1 A fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing. Fines in the aggregate are not capped to any amount.

20.6.2 A fine or suspension may not be imposed without notice of at least fourteen (14) days to the person sought to be fined or suspended and an opportunity for a hearing before a committee of at least three (3) persons (the "**Compliance Committee**") appointed by the Board who are not officers, directors or employees of the Association, or the spouse, parent, child, brother, sister of an officer, director or employee. If the Compliance Committee does not by a majority vote approve a fine or suspension the same may not be imposed. The written notice of violation shall be in writing to the Owner, tenant, guest or invitee and detail the infraction or infractions. Included in the notice shall be the date and time of the hearing of the Compliance Committee. If the Association imposes a fine or suspension, the Association must provide written notice of such suspension by mail or hand delivery to the Owner or Lessee. The notice and hearing

requirements under this Section 20.6.2 do not apply to suspensions imposed due to an Owner's failure to pay monetary obligations due to the Association; however, any such suspension must be approved at a properly noticed meeting of the Association's Board of Directors.

20.6.3 The non-compliance shall be presented to the Compliance Committee acting as a tribunal, after which the Compliance Committee shall hear reasons why a fine or suspension should not be imposed. The hearing shall be conducted in accordance with the procedures adopted by the Compliance Committee from time to time. A written decision of the Compliance Committee shall be submitted to the Owner, tenant, guest or invitee, as applicable, by not later than twenty-one (21) days after the meeting of the Compliance Committee. The Owner, tenant, guest or invitee shall have a right to be represented by counsel and to cross-examine witnesses.

20.6.4 The Compliance Committee may impose a fine against the Owner in the amount of One Hundred and no/100 Dollars (\$100.00) (or any greater amount permitted by law from time to time) for each violation. Each day of noncompliance shall be treated as a separate violation and there is no cap on the aggregate amount the Compliance Committee may fine an Owner, tenant, guest or invitee. Fines shall be paid not later than five (5) days after notice of the imposition of the fine. All monies received from fines shall be allocated as directed by the Board of Directors. Any fine in excess of One Thousand Dollars (\$1,000.00) shall constitute a lien against the applicable Lot, and a fine shall further be lienable to the extent otherwise permitted under Florida law.

20.6.5 Notwithstanding the foregoing, the Compliance Committee may not suspend the right of any Owner, Lessee, Immediate Family Member, guest or invitee to use those portions of the Common Areas used to provide access or utility services to any Lot or Home or impose a suspension which impairs the right of any Owner, Lessee or Immediate Family Member to have vehicular and pedestrian ingress to and egress from their Lot or Home, including, but not limited to, the right to park vehicles as permitted in this Declaration.

21. Additional Rights of Declarant.

21.1 Sales and Administrative Offices. Declarant shall have the perpetual right to take such action reasonably necessary to transact any business necessary to consummate the development of BRIDGE BAY AT BANNON LAKES and sales and re-sales of Lots, Homes and/or other properties owned by Declarant or others outside of BRIDGE BAY AT BANNON LAKES. This right shall include, but not be limited to, the right to maintain models, sales offices and parking associated therewith, have signs on any portion of BRIDGE BAY AT BANNON LAKES, including Common Areas, employees in the models and offices without the payment of rent or any other fee, maintain offices in models and use of the Common Areas to show Lots or Homes. The sales office and signs and all items pertaining to development and sales remain the property of Declarant. Declarant shall have all of the foregoing rights without charge or expense. The rights reserved hereunder shall extend beyond the Turnover Date.

21.2 Modification. The development and marketing of BRIDGE BAY AT BANNON LAKES will continue as deemed appropriate in Declarant's sole discretion, and nothing in this Declaration or Architectural Guidelines, or otherwise, shall be construed to limit or restrict such development and marketing. It may be necessary or convenient for the development of BRIDGE BAY AT BANNON LAKES to, as an example and not a limitation, amend the Master Plan, modify the boundary lines of the Common Areas, grant easements, dedications, agreements, licenses, restrictions, reservations, covenants, rights-of-way, and to take such other actions which Declarant, or its agents, affiliates, or assignees may deem necessary or appropriate. Association and Owners shall, at the request of Declarant, execute and deliver any and all documents and instruments which Declarant deems necessary or convenient, in its sole and absolute discretion, to accomplish the same.

21.3 Promotional Events. Prior to the Community Completion Date, Declarant shall have the right, at any time, to hold marketing, special and/or promotional events within BRIDGE BAY AT BANNON LAKES and/or on the Common Areas without any charge for use. Declarant, its agents, affiliates, or assignees shall have the right to market BRIDGE BAY AT BANNON LAKES in advertisements and other media by making reference to BRIDGE BAY AT BANNON LAKES, including, but not limited to, pictures or drawings of BRIDGE BAY AT BANNON LAKES, Common Areas, Parcels and Homes constructed in BRIDGE BAY AT BANNON LAKES. All logos, trademarks, and designs used in connection with BRIDGE BAY AT BANNON LAKES are the property of Declarant, and Association shall have no right to use the same after the Community Completion Date except with the express written permission of Declarant.

21.4 Use by Prospective Purchasers. Prior to the Community Completion Date, Declarant shall have the right, without charge, to use the Common Areas for the purpose of entertaining prospective purchasers of Lots, Homes, or other properties owned by Declarant outside of BRIDGE BAY AT BANNON LAKES.

21.5 Franchises. Declarant may grant franchises or concessions to commercial concerns on all or part of the Common Areas and shall be entitled to all income derived therefrom.

21.6 Management. The Declarant may contract with a third party ("**Manager**") for management of the Association and the Common Areas.

21.7 Easements. Until the Community Completion Date, Declarant reserves the right to grant, in its sole discretion, easements, permits and/or licenses for ingress and egress, drainage, utilities, maintenance, Telecommunications Services and other purposes over, under, upon and across BRIDGE BAY AT BANNON LAKES so long as any said easements do not materially and adversely interfere with the intended use of Homes previously conveyed to Owners. By way of example, and not of limitation, Declarant may be required to take certain action, or make additions or modifications to the Common Areas in connection with an environmental program. All easements necessary for such purposes are reserved in favor of Declarant, in perpetuity, for such purposes. Without limiting the foregoing, Declarant may relocate any easement affecting a Lot, or grant new easements over a Lot, after conveyance to an Owner, without the joinder or consent of such Owner, as applicable, so long as the grant of

easement or relocation of easement does not materially and adversely affect the Owner's use of the Lot. As an illustration, Declarant may grant an easement for telecommunications systems, irrigation, drainage lines or electrical lines over any portion of a Lot so long as such easement is outside the footprint of the foundation of any residential improvement constructed on such Lot. Declarant shall have the sole right to any fees of any nature associated therewith, including, but not limited to, license or similar fees on account thereof. The Association and Owners will, without charge, if requested by Declarant: (i) join in the creation of such easements, etc. and cooperate in the operation thereof; and (ii) collect and remit fees associated therewith, if any, to the appropriate party. The Association will not grant any easements, permits or licenses to any other entity providing the same services as those granted by Declarant, nor will it grant any such easement, permit or license prior to the Community Completion Date without the prior written consent of Declarant which may be granted or denied in Declarant's discretion.

21.8 Right to Enforce. Declarant has the right, but not the obligation, to enforce the provisions of this Declaration and the Architectural Guidelines and to recover all costs relating thereto, including attorneys' fees and paraprofessional fees and cost at all levels of proceeding, including before trial, in mediation, arbitration and other alternative dispute, resolution proceedings, at all trial levels and appeals, collections and bankruptcy. Such right shall include the right to perform the obligations of the Association and to recover all costs incurred in doing so.

21.9 Additional Development. If Declarant withdraws portions of BRIDGE BAY AT BANNON LAKES from the operation of this Declaration, Declarant may, but is not required to, subject to governmental approvals, create other forms of residential property ownership or other improvements of any nature on the property not subjected to or withdrawn from the operation of this Declaration. Declarant shall not be liable or responsible to any person or entity on account of its decision to do so or to provide, or fail to provide, the amenities and/or facilities which were originally planned to be included in such areas. If so designated by Declarant, owners or tenants of such other forms of housing or improvements upon their creation may share in the use of all or some of the Common Areas and other facilities and/or roadways that remain subject to this Declaration. The expense of the operation of such facilities shall be allocated to the various users thereof, if at all, as determined by Declarant.

21.10 Representations. It is the further purpose of the Conservation Easement to prevent the construction and operation of docks, piers, boardwalks, or other preemptive structures that would extend through the Conservation Easement Property onto adjacent sovereignty submerged lands except as approved in the Permit (or any modification thereto) or any Management Plan attached to the Permit (the "**Management Plan**").

27.3 Prohibited Acts and Uses. Any activity on or use of the Conservation Easement Property inconsistent with the purpose of a Conservation Easement is prohibited. Without limiting the generality of the foregoing, the following activities and uses are expressly prohibited:

No later than thirty (30) days before commencing any activities to implement the approved wildfire mitigation plan, the owner of the Conservation Easement Property shall notify the SJRWMD in writing of its intent to commence such activities. All such activities may only be completed during the time period for which the SJRWMD approved the plan.

27.3.4 excavating, dredging, or removing loam, peat, gravel, soil, rock, or other material substances in such a manner as to affect the surface;

27.3.5 using the surface area of the Conservation Easement Property, except for purposes that permit the land or water area to remain predominantly in its natural condition;

27.3.6 activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, or fish and wildlife habitat preservation, including, but not limited to, ditching, diking, clearing and fencing;

27.3.8 acting upon or using the Conservation Easement Property in a manner detrimental to the preservation of the structural integrity or physical appearance of sites or properties of historical, architectural, archaeological, or cultural significance.

27.4 Reserved Rights. The owner of record title to the Conservation Easement Property reserves unto itself, and its successors and assigns, all rights accruing from its ownership of the Conservation Easement Property, including, without limitation, the right to engage in or permit or invite others to engage in all uses of the Conservation Easement Property that are not expressly prohibited herein and are not inconsistent with the Permit (or any

modifications thereto), and the Management Plan, and the purposes of the Conservation Easement.

27.5 Rights of Easement Grantee. To accomplish the purposes stated herein, the owner of record title to the Conservation Easement Property shall, grant the following rights to the Easement Grantee and Declarant:

27.5.1 To enter upon the Conservation Easement Property at reasonable times with any necessary equipment or vehicles to inspect, determine compliance with the covenants and prohibitions contained in the Conservation Easement, and to enforce the rights therein granted in a manner that will not unreasonably interfere with the use and quiet enjoyment of the Conservation Easement Property by the owner thereof at the time of such entry; and

27.5.2 To proceed at law or in equity to enforce the provisions of the Conservation Easement and the covenants set forth therein, to prevent the occurrence of any of the prohibited activities set forth therein, and to require the restoration of such areas or features of the Conservation Easement Property that may be damaged by any activities or use that is inconsistent with the Conservation Easement.

27.6 Easement Grantee's Discretion. The Easement Grantee may enforce the terms of the Conservation Easement at its discretion, but if the Association, Declarant, or any Owner, breaches any term of the Conservation Easement and the Easement Grantee does not exercise its rights under the Conservation Easement, the Easement Grantee's forbearance shall not be construed to be a waiver by the Easement Grantee of such term, or of any subsequent breach of the same, or any other term of the Conservation Easement, or of any of the Easement Grantee's rights under the Conservation Easement. No delay or omission by the Easement Grantee in the exercise of any right or remedy upon any breach by the Association, Declarant or any Owner shall impair such right or remedy or be construed as a waiver. The Easement Grantee shall not be obligated to Declarant, or to any other person or entity, to enforce the provisions of the Conservation Easement.

27.7 Easement Grantee's Liability. The owner of the fee interest in the Conservation Easement Property shall retain all liability for any injury or damage to the person or property of third parties that may occur on the Conservation Easement Property. Neither Declarant, nor any Owner, nor any person or entity claiming by or through Declarant or any Owner, shall hold the Easement Grantee liable for any damage or injury to person or personal property that may occur on the Conservation Easement Property.

27.8 Intentionally Deleted.

27.9 Acts Beyond Declarant's Control. Nothing contained in the Conservation Easement shall be construed to entitle the Easement Grantee to bring any action against Declarant or the Association for any injury to or change in the Conservation Easement Property resulting from natural causes beyond Declarant's or the Association's control, including, without limitation, fire, flood, storm and earth movement, or from any necessary action taken by

Declarant under emergency conditions to prevent, abate, or mitigate significant injury to the Conservation Easement Property or to persons resulting from such causes.

27.10 Recordation. Declarant shall record any Conservation Easement in a timely fashion and Declarant and the Owners of any Lots encumbered by the Conservation Easement shall re-record it by separate instrument at any time the Easement Grantee may require to preserve its rights. The Owners of any Lots encumbered by the Conservation Easement shall pay all recording costs and taxes necessary to record the Conservation Easement. Declarant will hold the Easement Grantee harmless from any recording costs or taxes necessary to record the Conservation Easement.

27.11 Successors. The covenants, terms, conditions, and restrictions of the Conservation Easement shall be binding upon, and inure to the benefit of, the parties hereto and their respective personal representatives, heirs, successors, and assigns and shall continue as a servitude running in perpetuity with the Conservation Easement Property.

BRIDGE BAY AT BANNON LAKES is part of the Master Community and is subject to the Master Declaration and the jurisdiction of the Master Association. The rights and responsibilities of Declarant, the Association and the Owners under and with respect to the Master Declaration and Master Association are as follows:

28.1 Membership in the Master Association. Membership in the Master Association is mandatory for each Owner of a Home.

28.2 Compliance with Master Declaration. The Master Declaration encumbers all of BRIDGE BAY AT BANNON LAKES and is binding upon and enforceable against Declarant, the Association, all Owners and all Lots and Common Areas of BRIDGE BAY AT BANNON LAKES. Declarant and the Association, by execution of this Declaration, and each Owner by accepting a deed with respect to their Lot, acknowledge and agree to be subject to the Master Declaration and the covenants, terms, conditions, restrictions and easements declared and set forth therein and to abide by, perform and comply with same. Such parties further acknowledge and agree that they are subject to enforcement of all covenants, terms, conditions, restrictions, and easements set forth in the Master Declaration by the Master Association, Master Declarant or as otherwise provided in the Master Declaration, including, without limitation imposition and collection of Master Association Assessments as more particularly set forth in Section 28.3 hereinbelow.

28.3 Master Association Assessments. As a Residential Parcel under the Master Declaration, BRIDGE BAY AT BANNON LAKES is subject to Master Association Assessments for the cost of maintenance of Master Association Common Properties and the cost of operation of the Master Association. Pursuant to Article IX, Section 23 of the Master Declaration, all Master Association Assessments levied under the Master Declaration against BRIDGE BAY AT BANNON LAKES shall constitute an Operating Expense of the Association under this Declaration, shall be included in the annual budget of the Association and shall be allocated to all Owners as part of the Installment Assessments or Special Assessments (as applicable) under this Declaration. The Master Association Assessments shall be levied under the Master Declaration as a single assessment payable with respect to and secured by a lien upon all of BRIDGE BAY AT BANNON LAKES. Such Master Association Assessments will be billed to and paid by the Association on behalf of all Owners under the Master Declaration. In addition, each Owner by acceptance of a deed to their Lot, shall be deemed to have acknowledged, ratified and confirmed the obligation and lien for Master Association Assessments on BRIDGE BAY AT BANNON LAKES and upon their Lot. Article IX, Section 22 of the Master Declaration grants the Master Association the right to levy and collect resale/transfer capital assessments of up to \$250.00 upon any sale or conveyance of a Lot or Home in BRIDGE BAY AT BANNON LAKES.

28.4 Master Association Voting Rights. Pursuant to Article VI, Section 2(a) of the Master Declaration, the Association shall constitute the "Homeowners Association Class Member" of the Master Association and shall exercise all voting rights on Master Association matters on behalf of BRIDGE BAY AT BANNON LAKES and the Owners. Owners shall not have any individual voting rights on Master Association matters. The Board shall designate the voting representative who will exercise all voting rights on behalf of BRIDGE BAY AT BANNON LAKES on Master Association matters pursuant to the Master Declaration and the Articles and Bylaws of the Master Association.

28.5 Master Declarant Approval of Declaration. Article III, Section 6(d) of the Master Declaration provides that the governing documents of any Homeowners Association of any Residential Parcel (as those terms are defined under the Master Declaration) shall be submitted for the Master Declarant's review and approval prior to recordation of same. Master Declarant, by Master Declarant's joinder in the execution of this Declaration, hereby provides and confirms Declarant's review and approval of same.

28.6 Master Community Amenities. Article III, Section 11 of the Master Declaration contemplates construction and operation of certain recreational facilities and amenities (together the "**Master Community Amenities**") for the recreational use of all members and residents within the Master Community, including Owners and Residents in BRIDGE BAY AT BANNON LAKES. The Master Community Amenities may be owned and operated by the Master Association pursuant to the Master Declaration or by the CDD pursuant to the CDD Documents. By acceptance of a Deed to any Lot or Home, each Owner acknowledges and consents to the obligation to pay additional assessments to the Master Association or CDD, as applicable, for the costs of operation, repair and replacement of the Master Community Amenities pursuant to the Master Declaration or CDD Documents, as applicable, and to be subject to such rules and regulations regarding access to and use of the Master Community Amenities as may be promulgated by the Master Association or CDD, as applicable.

28.7 Master Association or CDD Maintenance of Common Areas. The Surface Water Management System for BRIDGE BAY AT BANNON LAKES is part of the overall surface water management system of the Master Community (the “**Master SWMS**”). Surface water and stormwater outfall from the Master SWMS discharge into the Surface Water Management System for BRIDGE BAY AT BANNON LAKES and portions of the surface water and stormwater outfall from the Stormwater Management System for BRIDGE BAY AT BANNON LAKES may discharge into the Master SWMS. Article VII, Section 1(e) and Article VIII, Section 2 of the Master Declaration grants the Master Association the right and an easement to enter upon BRIDGE BAY AT BANNON LAKES and maintain any portion of the Common Areas to be maintained by the Association pursuant to this Declaration, including the Surface Water Management System, in the event the Association fails to maintain same and assess the cost of such maintenance against BRIDGE BAY AT BANNON LAKES with such costs secured by a lien on BRIDGE BAY AT BANNON LAKES. In addition, Article III, Section 4 of the Master Declaration provides that, upon completion of the Master SWMS and acceptance thereof for maintenance by the CDD, stormwater ponds adjacent to the Minor Collector Road, as that term is defined in the Master Declaration, that are not already owned by the CDD (together the “**CDD Maintained Ponds**”) shall be conveyed by the owner thereof to the CDD for maintenance of such CDD Maintained Ponds. Certain stormwater ponds which are part of the Surface Water Management System for BRIDGE BAY AT BANNON LAKES are contemplated to be CDD Maintained Ponds conveyed to and maintained by the CDD pursuant to above-described provisions of the Master Declaration. Upon such conveyance to and acceptance by the CDD, the CDD shall be responsible for maintenance of such CDD Maintained Ponds and neither Declarant nor the Association shall be responsible for same.

28.8 Master Declaration Drainage Easement. The design of the Master SWMS and Master Permit provide for discharge of stormwater outfall from the Master Community into the Surface Water Management System for BRIDGE BAY AT BANNON LAKES for ultimate outfall from the stormwater pond located in the southeast corner of BRIDGE BAY AT BANNON LAKES (the “**Master SWMS Outfall**”). Article III, Section 4 of the Master Declaration provides an easement for “up-stream Owners” within the Master Community for installation, operation use and maintenance of temporary or permanent drainage facilities on “down-stream” parcels within the Master Community which are (i) consistent with the design and Master Permit for the Master SWMS as approved by the SJRWMD, (ii) required for drainage of such up-stream Owner’s parcel and (iii) consistent with the current or future development and stormwater management plan of the down-stream parcel (the “**Master Declaration Drainage Easement**”). Consistent with the requirements of the Master Permit and Permit, the SWMS for BRIDGE BAY AT BANNON LAKES has been designed and constructed to accept surface water and stormwater from the Master SWMS for ultimate discharge through the Master SWMS Outfall. Notice is hereby provided that, pursuant to the Master Declaration Drainage Easement, up-stream Owners and the Master Association have an easement over and across BRIDGE BAY AT BANNON LAKES for installation, operation, use and maintenance of drainage facilities required to discharge stormwater outfall from the Master SWMS into the BRIDGE BAY AT BANNON LAKES SWMS and convey such outfall through the BRIDGE BAY AT BANNON LAKES SWMS to the Master SWMS Outfall consistent with the Master Declaration Easement, Permit and Master Permit. The specific terms and conditions of the Master Declaration Drainage Easement are set forth in Article III, Section 4 of the Master Declaration.

28.9 Master Developer. The Master Declarant, is the developer of the Master Community and is not related to Declarant. Further, Declarant did not prepare the Master Declaration and assumes no responsibility for the contents of the Master Declaration. BY ACCEPTANCE OF A DEED TO A LOT, EACH OWNER ACKNOWLEDGES THAT DECLARANT WAS NOT AND IS NOT THE MASTER DECLARANT OF THE MASTER COMMUNITY. THE MASTER DECLARANT HAS CONSTRUCTED, IMPROVED AND INSTALLED CERTAIN INFRASTRUCTURE AND ANY RELATED IMPROVEMENTS. BY ACCEPTANCE OF A DEED TO A LOT, EACH OWNER ACKNOWLEDGES THAT DECLARANT HAS NOT ASSUMED ANY LIABILITIES NOR ANY OBLIGATIONS OF THE MASTER DECLARANT, AS DEVELOPER OF THE MASTER COMMUNITY IMPROVEMENTS AND RELATED INFRASTRUCTURE, OR OTHERWISE. EACH OWNER DOES DISCHARGE, RELEASE AND FULLY EXONERATE DECLARANT AND THE DECLARANT INDEMNIFIED PARTIES FROM ANY AND ALL SUCH LIABILITIES AND OBLIGATIONS, AND DOES COVENANT NOT TO SUE OR MAKE ANY CLAIM AGAINST DECLARANT OR THE DECLARANT INDEMNIFIED PARTIES FOR SUCH LIABILITIES OR OBLIGATIONS.

29. Bannon Lakes Community Development District. The Master Community, including BRIDGE BAY AT BANNON LAKES, are within the jurisdiction of the CDD and subject to CDD Assessments. Portions of the Master Community, including BRIDGE BAY AT BANNON LAKES, may be owned by the CDD, including, but not limited to, open space areas, drainage systems, the Minor Collector Road, the Master Community Amenities, the Master SWMS, the CDD Maintained Ponds, utilities and/or wetland conservation areas. In the event that any portions of BRIDGE BAY AT BANNON LAKES are owned by the CDD, such as the CDD Maintained Ponds, such facilities shall not be part of the Common Areas, but will be part of the infrastructure facilities owned by the CDD (the “**CDD Facilities**”). EACH PERSON BY ACCEPTANCE OF A DEED TO A LOT HEREBY ACKNOWLEDGES AND AGREES THE CDD FACILITIES ARE NOT COMMON AREA OWNED AND CONTROLLED BY THE ASSOCIATION AND FURTHER WAIVES ANY CLAIM OR RIGHT TO HAVE ANY PORTION OF THE CDD FACILITIES BE CONSIDERED AS COMMON AREA.

29.1 Creation of the CDD. The CDD is an independent, multi-purpose, special district created pursuant to Chapter 190 of the Florida Statutes. Homes and other portions of BRIDGE BAY AT BANNON LAKES are under the jurisdiction of the CDD. The CDD may be authorized to finance, fund, install, equip, extend, construct or reconstruct, without limitation, the following: water and sewer facilities, subdivision improvements, environmental mitigation, roadways, the Master SWMS, the Minor Collector Road, the Master Community Amenities, utility lines, land acquisition, perimeter walls/fences, miscellaneous utilities for the Master Community and other infrastructure projects and services necessitated by the development of, and serving lands within, the Master Community (the “**Public Infrastructure**”). The estimated design, development, construction and acquisition costs for these CDD Facilities may be funded by the CDD in one or more series of governmental bond financings utilizing special assessment bonds. The CDD may issue both long term debt and short term debt to finance the Public Infrastructure. The principal and interest on the special assessments bonds may be repaid through non ad valorem special assessments (the “**CDD Debt Service Assessments**”) levied on all benefiting properties in the CDD, which property has been found to be specially benefited by such Public Infrastructure. In addition to the bonds issued to fund the Public Infrastructure costs, the CDD may also impose

non ad valorem special assessment to fund the operations of the CDD and the maintenance and repair of its Public Infrastructure and services (the “CDD O&M Assessments”).

29.2 CDD Assessments. The CDD Assessments, including the CDD Debt Service Assessments and CDD O&M Assessments, will not be taxes but, under Florida law, constitute a lien co-equal with the lien of state, County, municipal, and school board taxes and may be collected on the ad valorem tax bill sent each year by the Tax Collector of St. Johns County and disbursed to the CDD. The homestead exemption is not applicable to the CDD Assessments. Because a tax bill cannot be paid in part, failure to pay the CDD Assessments or any other portion of the tax bill will result in the sale of tax certificates and could ultimately result in the loss of title to the property of the delinquent taxpayer through the issuance of a tax deed. Any future CDD Assessments and/or other charges due with respect to the CDD Facilities are direct obligations of Owner and are secured by a lien against Owner’s Lot and Home. Failure to pay such sums may result in loss of an Owner’s Lot and Home.

29.3 Common Areas and Facilities Part of CDD. Portions of the Common Areas may become part of the CDD. In such event, Common Areas will become part of the CDD Facilities, will be part of the CDD and the CDD shall govern the use and maintenance of the CDD Facilities. Some of the provisions of this Declaration will not apply to such CDD Facilities, as the CDD Facilities will no longer be Common Areas once conveyed to the CDD. Any conveyance of Common Areas to the CDD shall in no way invalidate this Declaration. Declarant may decide, in its sole and absolute discretion, to convey additional portions of the Common Areas to the CDD, Master Association or the Association. If conveyed to the CDD, such portions of the Common Areas shall thereafter be part of the CDD Facilities. The CDD or the Master Association may promulgate membership rules, regulations and/or covenants that may outline use restrictions for the CDD Facilities, including the Master Community Amenities, or the Association’s responsibility to maintain the CDD Facilities, if any. Among other factors, the establishment of the CDD and the inclusion of CDD Facilities in the CDD obligates each Owner to become responsible for the payment of CDD Debt Service Assessments and CDD O&M Assessments for the construction and operation of the CDD Facilities as set forth in this Section.

29.4 Facilities Owned by CDD. The CDD Facilities may be owned and operated by the CDD or owned by the CDD and maintained by the Master Association or Association. The CDD Facilities may be owned by a governmental entity other than the CDD. The CDD Facilities shall be used and enjoyed by the Owners on a non-exclusive basis, in common with such other persons, entities, and corporations that may be entitled to use the CDD Facilities under the Master Declaration, CDD Documents, applicable laws and regulations, or otherwise.

29.5 CDD Facilities Maintenance. The CDD may contract with the Association for the maintenance, repair, and replacement, management and operation of the CDD Facilities, subject to any written agreement accepted by the Association.

29.6 Additional Disclosure. THE BANNON LAKES COMMUNITY DEVELOPMENT DISTRICT MAY IMPOSE AND LEVY TAXES OR ASSESSMENTS, OR BOTH TAXES AND ASSESSMENTS, ON THIS PROPERTY. THESE TAXES AND ASSESSMENTS PAY THE CONSTRUCTION, OPERATION, AND MAINTENANCE COSTS OF CERTAIN PUBLIC FACILITIES AND SERVICES OF THE DISTRICT AND ARE SET

ANNUALLY BY THE GOVERNING BOARD OF THE DISTRICT. THESE TAXES AND ASSESSMENTS ARE IN ADDITION TO COUNTY AND OTHER LOCAL GOVERNMENTAL TAXES AND ASSESSMENTS AND ALL OTHER TAXES AND ASSESSMENTS PROVIDED FOR BY LAW.

IN WITNESS WHEREOF, the undersigned, being Declarant hereunder, has hereunto set its hand and seal this 20 day of May, 2016.

BYLAWS
OF
BRIDGE BAY AT BANNON LAKES COMMUNITY ASSOCIATION, INC.
(A FLORIDA CORPORATION NOT FOR PROFIT)

1. Name and Location. The name of the corporation is BRIDGE BAY AT BANNON LAKES COMMUNITY ASSOCIATION, INC. (the “**Association**”). The principal office of the corporation shall be located at 4901 Vineland Road, Suite 500, Orlando, Florida 32811, or at such other location determined by the Board of Directors (the “**Board**”) from time to time.

2. Definitions. The definitions contained in the COMMUNITY DECLARATION FOR BRIDGE BAY AT BANNON LAKES (the “**Declaration**”) relating to the residential community known as BRIDGE BAY AT BANNON LAKES, recorded, or to be recorded, in the Public Records of St. Johns County, Florida, are incorporated herein by reference and made a part hereof. In addition to the terms defined in the Declaration, the following terms shall have the meanings set forth below:

“**Minutes**” shall mean the minutes of all member and Board meetings, which shall be in the form required by the Florida Statutes. In the absence of governing Florida Statutes, the Board shall determine the form of the minutes.

“**Official Records**” shall mean all records required to be maintained by the Association pursuant to Section 720.303(4) of the Florida Statutes, as amended from time to time.

3. Members.

3.1 Voting Interests. Each Owner and the Declarant shall be a member of the Association. No person who holds an interest in a Lot only as security for the performance of an obligation shall be a member of the Association. Membership shall be appurtenant to, and may not be separated from, ownership of any Lot. There shall be one (1) vote appurtenant to each Lot. Prior to the Turnover, the Declarant shall have Voting Interests equal to nine (9) votes per Lot owned. Notwithstanding the foregoing, from and after the Turnover Date, the Declarant shall have Voting Interest equal to one (1) vote for each Lot owned. For the purposes of determining who may exercise the Voting Interest associated with each Lot, the following rules shall govern:

3.1.1 Home Owned By Husband and Wife. Either the husband or wife (but not both) may exercise the Voting Interest with respect to a Lot. In the event the husband and wife cannot agree, neither may exercise the Voting Interest.

3.1.2 Trusts. In the event that any trust owns a Lot, the Association shall have no obligation to review the trust agreement with respect to such trust. By way of example, if the Lot is owned by Robert Smith, as Trustee, Robert Smith shall be deemed the Owner of the Lot for all Association purposes. If the Lot is owned by Robert Smith as Trustee for the Laura Jones Trust, then Robert Smith shall be deemed the member with respect to the Lot for all Association purposes. If the Lot is owned by the Laura Jones Trust, and the deed does not reference a

trustee, then Laura Jones shall be deemed the member with respect to the Lot for all Association purposes. If the Lot is owned by the Jones Family Trust, the Jones Family Trust may not exercise its Voting Interest unless it presents to the Association, in the form of an attorney opinion letter or affidavit reasonably acceptable to the Association, the identification of the person who should be treated as the member with respect to the Lot for all Association purposes. If Robert Smith and Laura Jones, as Trustees, hold title to a Lot, either trustee may exercise the Voting Interest associated with such Lot. In the event of a conflict between trustees, the Voting Interest for the Lot in question cannot be exercised. In the event that any other form of trust ownership is presented to the Association, the decision of the Board as to who may exercise the Voting Interest with respect to any Lot shall be final. The Association shall have no obligation to obtain an attorney opinion letter in making its decision, which may be made on any reasonable basis whatsoever.

3.1.3 Corporations. If a Lot is owned by a corporation, the corporation shall designate a person, an officer, employee, or agent who shall be treated as the member who can exercise the Voting Interest associated with such Lot.

3.1.4 Partnerships. If a Lot is owned by a limited partnership, any one of the general partners may exercise the Voting Interest associated with such Lot. By way of example, if the general partner of a limited partnership is a corporation, then the provisions hereof governing corporations shall govern which person can act on behalf of the corporation as general partner of such limited partnership. If a Lot is owned by a general partnership, any one of the general partners may exercise the Voting Interest associated with such Lot. In the event of a conflict among general partners entitled to exercise a Voting Interest, the Voting Interest for such Lot cannot be exercised.

3.1.5 Multiple Individuals. If a Lot is owned by more than one individual, any one of such individuals may exercise the Voting Interest with respect to such Lot. In the event that there is a conflict among such individuals, the Voting Interest for such Lot cannot be exercised.

3.1.6 Liability of the Association. The Association may act in reliance upon any writing or instrument or signature, whether original or facsimile, which the Association, in good faith, believes to be genuine, may assume the validity and accuracy of any statement or assertion contained in such a writing or instrument, and may assume that any person purporting to give any writing, notice, advice or instruction in connection with the provisions hereof has been duly authorized to do so. So long as the Association acts in good faith, the Association shall have no liability or obligation with respect to the exercise of Voting Interests, and no election shall be invalidated (in the absence of fraud) on the basis that the Association permitted or denied any person the right to exercise a Voting Interest. In addition, the Board may impose additional requirements respecting the exercise of Voting Interests (e.g., the execution of a Voting Certificate).

3.2 Annual Meetings. The annual meeting of the members (the “**Annual Members Meeting**”) shall be held at least once each calendar year on a date, at a time, and at a place to be determined by the Board.

3.3 Special Meetings of the Members. Special meetings of the members (a “**Special Members Meeting**”) may be called by a majority of the Board, or upon written request of thirty percent (30%) of the Voting Interests of the members. The business to be conducted at a Special Members Meeting shall be limited to the extent required by Florida Statutes.

3.4 Notice of Members Meetings. Notice of each members meeting shall be given by, or at the direction of, any officer of the Board or any management company retained by the Association in any manner permitted by the Florida Statutes applicable to same. A copy of the notice shall be mailed to each member entitled to vote, postage prepaid, not less than ten (10) days before the meeting (provided, however, in the case of an emergency, two (2) days’ notice will be deemed sufficient), unless otherwise required by Florida law. The notice shall be addressed to the member’s address last appearing on the books of the Association. The notice shall specify the place, day, and hour of the meeting and, in the case of a Special Members Meeting, the purpose of the meeting. Alternatively, and to the extent not prohibited by the Florida Statutes, the Board may adopt from time to time, other procedures for giving notice to the members of the Annual Members Meeting or a Special Members Meeting. By way of example, and not of limitation, such notice may be included in a newsletter sent to each member.

3.5 Quorum of Members. Until the Turnover, a quorum shall be established by Declarant’s presence, in person or by proxy, at any meeting. From and after the Turnover, a quorum for purposes of conducting business shall be established by the presence, in person or by proxy, of the members entitled to cast twenty percent (20%) of the total Voting Interests, subject to reduction as provided in Section 3.6 below. Notwithstanding any provision herein to the contrary, in the event that technology permits members to participate in member meetings and vote on matters electronically, then the Board shall have authority, without the joinder of any other party, to revise this provision to establish appropriate quorum requirements.

3.6 Adjournment of Members Meetings. If, however, a quorum shall not be present at any members meeting, the meeting may be adjourned as provided in the Florida Statutes. In the absence of a provision in the Florida Statutes, the members present shall have power to adjourn the meeting and reschedule it on another date. If any such meeting is adjourned and rescheduled for failure to meet quorum requirements, the quorum requirement for the rescheduled meeting shall be one-half (1/2) of the quorum requirement for the adjourned meeting.

3.7 Action of Members. Decisions that require a vote of the members must be made by a concurrence of a majority of the Voting Interests present in person or by proxy, represented at a meeting at which a quorum has been obtained unless provided otherwise in the Declaration, the Articles, or these Bylaws.

3.8 Proxies. At all meetings, members may vote their Voting Interests in person or by proxy. All proxies shall comply with the provisions of Section 720.306(8), Florida Statutes, as amended from time to time, be in writing, and be filed with the Secretary at, or prior to, the meeting. Every proxy shall be revocable prior to the meeting for which it is given.

4. Board of Directors.

4.1 Number. The affairs of the Association shall be managed by a Board consisting of no less than three (3) persons and no more than five (5) persons. Board members appointed by Declarant need not be members of the Association. Board members elected by Owners must be members of the Association.

4.2 Pre-Turnover Director. Pursuant to Section 720.307(2), Florida Statutes Owners are entitled to elect one (1) member of the Board (the “**Pre-Turnover Director**”) when fifty percent (50%) of all the Lots ultimately planned for BRIDGE BAY AT BANNON LAKES are conveyed to Owners. If no Owners are willing to serve as a Pre-Turnover Director, a replacement Director shall be selected pursuant to Section 4.4 hereof to serve until the next Annual Members Meeting, at which time nominations will again be solicited for a Pre-Turnover Director to be elected in conjunction with the Annual Members Meeting. The term of the Pre-Turnover Director shall expire at the second (2nd) Annual Members Meeting after the election of the Pre-Turnover Director.

4.3 Term of Office. The term of office for the Pre-Turnover Director shall end on the Turnover Date. Except with respect to the Pre-Turnover Director, the election of Directors shall take place after Declarant no longer has the authority to appoint a majority Board and shall take place on the Turnover Date. On the Turnover Date the members shall elect three (3) Directors: one (1) Director for a term of one (1) year, one (1) Director for a term two (2) years, and one (1) Director for a term of three (3) years. The candidate receiving the most votes shall serve as the Director for three (3) years; the candidate receiving the second highest number of votes shall serve as Director for two (2) years; and the candidate receiving the least amount of votes shall serve as Director for one (1) year. At each Annual Members Meeting thereafter, the members shall elect the appropriate number of Directors for a term of one (1) year. Each Director’s respective term shall end upon the election of new Directors at the Annual Members Meeting (except that the term of any Director appointed by Declarant shall extend until the date designated by Declarant, or until the Turnover Date).

4.4 Removal. Any vacancy created by the resignation or removal of a Board member appointed by Declarant may be replaced by Declarant. Declarant may replace or remove any Board member appointed by Declarant in Declarant’s sole and absolute discretion. In the event of death or resignation of a Director elected by the members, the remaining Directors may fill such vacancy. Directors may be removed with or without cause by the vote or agreement in writing of members holding a majority of the Voting Interests.

4.5 Compensation. No Director shall receive compensation for any service rendered as a Director to the Association; provided, however, any Director may be reimbursed for actual expenses incurred as a Director.

4.6 Action Taken Without a Meeting. Except to the extent prohibited by law, the Board shall have the right to take any action without a meeting by obtaining the written approval of the required number of Directors. Any action so approved shall have the same effect as though taken at a meeting of Directors.

4.7 Appointment and Election of Directors. Until the Turnover, the Declarant shall have the unrestricted power to appoint a majority of the Directors of the Association. From and

after the Turnover, or such earlier date determined by Declarant in its sole and absolute discretion, the members shall elect all Directors of the Association at or in conjunction with the Annual Members Meeting. Notwithstanding the foregoing, from and after Turnover, for so long as Declarant holds at least five percent (5%) of the total number of Lots planned for BRIDGE BAY AT BANNON LAKES out for sale, Declarant, at Declarant's sole option, may elect one (1) member of the Board. Nothing herein shall require Declarant to elect or place any members on the Board after Turnover.

4.8 Election. Election to the Board shall be by secret written ballot, unless unanimously waived by all members present. The persons receiving the most votes shall be elected. Cumulative voting is not permitted.

5. Meeting of Directors.

5.1 Regular Meetings. Regular meetings of the Board shall be held on a schedule adopted by the Board from time to time. Meetings shall be held at such place and hour as may be fixed, from time to time, by resolution of the Board.

5.2 Special Meetings. Special meetings of the Board shall be held when called by the President, or by any two (2) Directors. Each Director shall be given not less than two (2) days' notice except in the event of an emergency. Notice may be waived. Attendance shall be a waiver of notice. Telephone conference meetings are permitted.

5.3 Emergencies. In the event of an emergency involving immediate danger of injury or death to any person or damage to property, if a meeting of the Board cannot be immediately convened to determine a course of action, the President or, in his absence, any other officer or director, shall be authorized to take such action on behalf of the Association as shall be reasonably required to appropriately respond to the emergency situation, including the expenditure of the Association funds in the minimum amount as may be reasonably required under the circumstances. The authority of officers to act in accordance herewith shall remain in effect until the first to occur of the resolution of the emergency situation or a meeting of the Board convened to act in response thereto.

5.4 Quorum. A majority of the number of Directors shall constitute a quorum for the transaction of business. Every act or decision done or made by a majority of the Directors present at a duly held meeting, at which a quorum is present, or in writing in lieu thereof, shall be action of the Board. Directors may attend meetings telephonically. When some or all Directors meet by telephone conference, those Directors attending by telephone conference shall be counted toward obtaining a quorum and may vote by telephone. A telephone speaker shall be utilized at the noticed location of the meeting so that the conversation of those Directors may be heard by the Board, as well as any member present at the meeting. Members may not attend Board meetings telephonically.

5.5 Open Meetings. Meetings of the Board shall be open to all members except that meetings between the Board or a committee established by the Board and the Association's attorney to discuss proposed or pending litigation or meetings of the Board held for the purpose of discussing personnel matters are not required to be open to members other than the Directors.

5.6 Voting. Board members shall cast votes in the manner provided in the Florida Statutes. In the absence of a statutory provision, the Board shall establish the manner in which votes shall be cast.

5.7 Notice of Board Meetings. Notices of meetings of the Board shall be posted in a conspicuous place on the Common Areas at least 48 hours in advance, except in an event of an emergency. Alternatively, notice may be given to members in any other manner provided by Florida Statute. By way of example, and not of limitation, notice may be given in any newsletter distributed to the members. For the purposes of giving notice, the area for notices to be posted selected by the Board shall be deemed a conspicuous place. Notwithstanding anything to the contrary herein, notice of any meeting of the Board at which an Assessment will be levied must be provided to all members at least fourteen (14) days before the meeting, which notice shall include a statement that Assessments will be considered at the meeting and the nature of the Assessments.

6. Powers and Duties of the Board.

"EXHIBIT A"
CONDITIONS FOR ISSUANCE OF PERMIT NUMBER 107316-13
Bannon Lakes - Phase 1B-1
DATE ISSUED April 13, 2016

1. All activities shall be implemented as set forth in the plans, specifications and performance criteria as approved by this permit. Any deviation from the permitted activity and the conditions for undertaking that activity shall constitute a violation of this permit.
2. This permit or a copy thereof, complete with all conditions, attachments, exhibits, and modifications, shall be kept at the work site of the permitted activity. The complete permit shall be available for review at the work site upon request by District staff. The permittee shall require the contractor to review the complete permit prior to commencement of the activity authorized by this permit.
3. Activities approved by this permit shall be conducted in a manner which do not cause violations of state water quality standards.
4. Prior to and during construction, the permittee shall implement and maintain all erosion and sediment control measures (best management practices) required to retain sediment on-site and to prevent violations of state water quality standards. All practices must be in accordance with the guidelines and specifications in chapter 6 of the Florida Land Development Manual: A Guide to Sound Land and Water Management (Florida Department of Environmental Regulation 1988), which are incorporated by reference, unless a project specific erosion and sediment control plan is approved as part of the permit, in which case the practices must be in accordance with the plan. If site specific conditions require additional measures during any phase of construction or operation to prevent erosion or control sediment, beyond those specified in the erosion and sediment control plan, the permittee shall implement additional best management practices as necessary, in accordance with the specifications in chapter 6 of the Florida Land Development Manual: A Guide to Sound Land and Water Management (Florida Department of Environmental Regulation 1988). The permittee shall correct any erosion or shoaling that causes adverse impacts to the water resources.
5. Stabilization measures shall be initiated for erosion and sediment control on disturbed areas as soon as practicable in portions of the site where construction activities have temporarily or permanently ceased, but in no case more than 7 days after the construction activity in that portion of the site has temporarily or permanently ceased.
6. At least 48 hours prior to commencement of activity authorized by this permit, the permittee shall submit to the District a Construction Commencement Notice Form No. 40C-4.900(3) indicating the actual start date and the expected completion date.
7. When the duration of construction will exceed one year, the permittee shall submit construction status reports to the District on an annual basis utilizing an Annual Status Report Form No. 40C-4.900(4). These forms shall be submitted during June of each year.
8. For those systems which will be operated or maintained by an entity which will require an easement or deed restriction in order to provide that entity with the authority necessary to operate or maintain the system, such easement or deed restriction, together with any other final operation or maintenance documents as are required by subsections 7.1.1 through 7.1.4 of the Applicant's Handbook: Management and Storage of Surface Waters, must be submitted to the District for approval. Documents meeting the requirements set forth in these subsections of the Applicant's Handbook will be approved. Deed restrictions, easements and other operation and maintenance documents which require recordation

either with the Secretary of State or the Clerk of the Circuit Court must be so recorded prior to lot or unit sales within the project served by the system, or upon completion of construction of the system, whichever occurs first. For those systems which are proposed to be maintained by county or municipal entities, final operation and maintenance documents must be received by the District when maintenance and operation of the system is accepted by the local governmental entity. Failure to submit the appropriate final documents referenced in this paragraph will result in the permittee remaining liable for carrying out maintenance and operation of the permitted system.

9. Each phase or independent portion of the permitted system must be completed in accordance with the permitted plans and permit conditions prior to the initiation of the permitted use of site infrastructure located within the area served by the portion or phase of the system. Each phase or independent portion of the system must be completed in accordance with the permitted plans and permit conditions prior to transfer of responsibility for operation and maintenance of that phase or portion of the system to local government or other responsible entity.

10. Within 30 days after completion of construction of the permitted system, or independent portion of the system, the permittee shall submit a written statement of completion and certification by a registered professional engineer or other appropriate individual as authorized by law, utilizing As Built Certification Form 40C-1.181(13) or 40C-1.181(14) supplied with this permit. When the completed system differs substantially from the permitted plans, any substantial deviations shall be noted and explained and one copy of as-built drawings submitted to the District. Submittal of the completed form shall serve to notify the District that the system is ready for inspection. The statement of completion and certification shall be based on on-site observation of construction (conducted by the registered professional engineer, or other appropriate individual as authorized by law, or under his or her direct supervision) or review of as-built drawings for the purpose of determining if the work was completed in compliance with approved plans and specifications. As-built drawings shall be the permitted drawings revised to reflect any changes made during construction. Both the original and any revised specifications must be clearly shown. The plans must be clearly labeled as "as-built" or "record" drawing. All surveyed dimensions and elevations shall be certified by a registered surveyor. The following information, at a minimum, shall be verified on the as-built drawings:

1. Dimensions and elevations of all discharge structures including all weirs, slots, gates, pumps, pipes, and oil and grease skimmers;
2. Locations, dimensions, and elevations of all filter, exfiltration, or underdrain systems including cleanouts, pipes, connections to control structures, and points of discharge to the receiving waters;
3. Dimensions, elevations, contours, or cross-sections of all treatment storage areas sufficient to determine state-storage relationships of the storage area and the permanent pool depth and volume below the control elevation for normally wet systems, when appropriate;
4. Dimensions, elevations, contours, final grades, or cross-sections of the system to determine flow directions and conveyance of runoff to the treatment system;
5. Dimensions, elevations, contours, final grades, or cross-sections of all conveyance systems utilized to convey off-site runoff around the system;
6. Existing water elevation(s) and the date determined; and Elevation and location of benchmark(s) for the survey.

11. The operation phase of this permit shall not become effective until the permittee has submitted the appropriate As-Built Certification Form, the District determines the system to be in compliance with the permitted plans, and the entity approved by the District in accordance with subsections 7.1.1 through 7.1.4 of the Applicant's Handbook: Management and Storage of Surface Waters, accepts responsibility for operation and maintenance of the system. The permit may not be transferred to such an approved operation and maintenance entity until the operation phase of the permit becomes effective. Following inspection and approval of the permitted system by the District, the permittee shall request transfer of the permit to the responsible approved operation and maintenance entity, if different from the permittee. Until the permit is transferred pursuant to section 7.1 of the Applicant's Handbook: Management and Storage of Surface Waters, the permittee shall be liable for compliance with the terms of the permit.
12. Should any other regulatory agency require changes to the permitted system, the permittee shall provide written notification to the District of the changes prior implementation so that a determination can be made whether a permit modification is required.
13. This permit does not eliminate the necessity to obtain any required federal, state, local and special district authorizations prior to the start of any activity approved by this permit. This permit does not convey to the permittee or create in the permittee any property right, or any interest in real property, nor does it authorize any entrance upon or activities on property which is not owned or controlled by the permittee, or convey any rights or privileges other than those specified in the permit and chapter 40C-4 or chapter 40C-40, F.A.C.
14. The permittee shall hold and save the District harmless from any and all damages, claims, or liabilities which may arise by reason of the activities authorized by the permit or any use of the permitted system.
15. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered specifically approved unless a specific condition of this permit or a formal determination under rule 40C-1.1006, F.A.C., provides otherwise.
16. The permittee shall notify the District in writing within 30 days of any sale, conveyance, or other transfer of ownership or control of the permitted system or the real property at which the permitted system is located. All transfers of ownership or transfers of a permit are subject to the requirements of rule 40C-1.612, F.A.C. The permittee transferring the permit shall remain liable for any corrective actions that may be required as a result of any permit violations prior to such sale, conveyance or other transfer.
17. Upon reasonable notice to the permittee, District authorized staff with proper identification shall have permission to enter, inspect, sample and test the system to insure conformity with the plans and specifications approved by the permit.
18. If historical or archaeological artifacts are discovered at any time on the project site, the permittee shall immediately notify the District.
19. The permittee shall immediately notify the District in writing of any previously submitted information that is later discovered to be inaccurate.
20. This permit for construction will expire five years from the date of issuance.
21. At a minimum, all retention and detention storage areas must be excavated to rough grade prior to building construction or placement of impervious surface within the area to be served by those facilities. To prevent reduction in storage volume and percolation rates, all

accumulated sediment must be removed from the storage area prior to final grading and stabilization.

22. All wetland areas or water bodies that are outside the specific limits of construction authorized by this permit must be protected from erosion, siltation, scouring or excess turbidity, and dewatering.
23. Prior to construction, the permittee must clearly designate the limits of construction on-site. The permittee must advise the contractor that any work outside the limits of construction, including clearing, may be a violation of this permit.
24. The operation and maintenance entity shall inspect the stormwater or surface water management system once within two years after the completion of construction and every two years thereafter to determine if the system is functioning as designed and permitted. The operation and maintenance entity must maintain a record of each required inspection, including the date of the inspection, the name, address, and telephone number of the inspector, and whether the system was functioning as designed and permitted, and make such record available for inspection upon request by the District during normal business hours. If at any time the system is not functioning as designed and permitted, then within 14 days the entity shall submit an Exceptions Report to the District, on form number 40C-42.900(6), Exceptions Report for Stormwater Management Systems Out of Compliance.
25. The Surface Water Management System shall be constructed and operated per the plans received by the District on March 11, 2016, and Drawings 7A-7F, 13C received April 7, 2016.
26. Proposed wetland impacts must be completed per Exhibits 4A and 4B received by the District on March 11, 2016.

Notice Of Rights

1. A person whose substantial interests are or may be affected has the right to request an administrative hearing by filing a written petition with the St. Johns River Water Management District (District). Pursuant to Chapter 28-106 and Rule 40C-1.1007, Florida Administrative Code, the petition must be filed (received) either by delivery at the office of the District Clerk at District Headquarters, P. O. Box 1429, Palatka Florida 32178-1429 (4049 Reid St., Palatka, FL 32177) or by e-mail with the District Clerk at Clerk@sjrwmd.com, within twenty-six (26) days of the District depositing the notice of District decision in the mail (for those persons to whom the District mails actual notice), within twenty-one (21) days of the District emailing the notice of District decision (for those persons to whom the District emails actual notice), or within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail or email actual notice). A petition must comply with Sections 120.54(5)(b)4. and 120.569(2)(c), Florida Statutes, and Chapter 28-106, Florida Administrative Code. The District will not accept a petition sent by facsimile (fax), as explained in paragraph no. 4 below.
2. Please be advised that if you wish to dispute this District decision, mediation may be available and that choosing mediation does not affect your right to an administrative hearing. If you wish to request mediation, you must do so in a timely-filed petition. If all parties, including the District, agree to the details of the mediation procedure, in writing, within 10 days after the time period stated in the announcement for election of an administrative remedy under Sections 120.569 and 120.57, Florida Statutes, the time limitations imposed by Sections 120.569 and 120.57, Florida Statutes, shall be tolled to allow mediation of the disputed District decision. The mediation must be concluded within 60 days of the date of the parties' written agreement, or such other timeframe agreed to by the parties in writing. Any mediation agreement must include provisions for selecting a mediator, a statement that each party shall be responsible for paying its pro-rata share of the costs and fees associated with mediation, and the mediating parties' understanding regarding the confidentiality of discussions and documents introduced during mediation. If mediation results in settlement of the administrative dispute, the District will enter a final order consistent with the settlement agreement. If mediation terminates without settlement of the dispute, the District will notify all the parties in writing that the administrative hearing process under Sections 120.569 and 120.57, Florida Statutes, is resumed. Even if a party chooses not to engage in formal mediation, or if formal mediation does not result in a settlement agreement, the District will remain willing to engage in informal settlement discussions.
3. A person whose substantial interests are or may be affected has the right to an informal administrative hearing pursuant to Sections 120.569 and 120.57(2), Florida Statutes, where no material facts are in dispute. A petition for an informal hearing must also comply with the requirements set forth in Rule 28-106.301, Florida Administrative Code.

Notice Of Rights

4. A petition for an administrative hearing is deemed filed upon receipt of the complete petition by the District Clerk at the District Headquarters in Palatka, Florida during the District's regular business hours. The District's regular business hours are 8:00 a.m. – 5:00 p.m., excluding weekends and District holidays. Petitions received by the District Clerk after the District's regular business hours shall be deemed filed as of 8:00 a.m. on the District's next regular business day. The District's acceptance of petitions filed by e-mail is subject to certain conditions set forth in the District's Statement of Agency Organization and Operation (issued pursuant to Rule 28-101.001, Florida Administrative Code), which is available for viewing at floridaswater.com. These conditions include, but are not limited to, the petition being in the form of a PDF or TIFF file and being capable of being stored and printed by the District. Further, pursuant to the District's Statement of Agency Organization and Operation, attempting to file a petition by facsimile is prohibited and shall not constitute filing.
5. Failure to file a petition for an administrative hearing within the requisite timeframe shall constitute a waiver of the right to an administrative hearing. (Rule 28-106.111, Florida Administrative Code).
6. The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, Florida Statutes, Chapter 28-106, Florida Administrative Code, and Rule 40C-1.1007, Florida Administrative Code. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice. A person whose substantial interests are or may be affected by the District's final action has the right to become a party to the proceeding, in accordance with the requirements set forth above.
7. Pursuant to Section 120.68, Florida Statutes, a party to the proceeding before the District who is adversely affected by final District action may seek review of the action in the District Court of Appeal by filing a notice of appeal pursuant to Rules 9.110 and 9.190, Florida Rules of Appellate Procedure, within 30 days of the rendering of the final District action.
8. A District action is considered rendered, as referred to in paragraph no. 7 above, after it is signed on behalf of the District and filed by the District Clerk.
9. Failure to observe the relevant timeframes for filing a petition for judicial review as described in paragraph no. 7 above will result in waiver of that right to review.

NOTICING INFORMATION

Dear Permittee:

Please be advised that the St. Johns River Water Management District will not publish a notice in the newspaper advising the public that it has issued a permit for this project.

Newspaper publication, using the District's notice form, notifies members of the public of their right to challenge the issuance of the permit. If proper notice is given by newspaper publication, then there is a 21-day time limit for someone to file a petition for an administrative hearing to challenge the issuance of the permit.

To close the point of entry for filing a petition, you may publish (at your own expense) a one-time notice of the District's decision in a newspaper of general circulation within the affected area as defined in Section 50.011 of the Florida Statutes. If you do not publish a newspaper notice to close the point of entry, the time to challenge the issuance of your permit will not expire and someone could file a petition even after your project is constructed.

A copy of the notice form and a partial list of newspapers of general circulation are attached for your convenience. However, you are not limited to those listed newspapers. If you choose to close the point of entry and the notice is published, the newspaper will return to you an affidavit of publication. In that event, it is important that you either submit a scanned copy of the affidavit by emailing it to compliancesupport@sjrwmd.com (preferred method) **or** send a copy of the original affidavit to:

Margaret Daniels, Office Director
Office of Business and Administrative Services
4049 Reid Street

Sincerely,

Margaret Daniels, Office Director
