- (e) the enforcement of the Architectural Guidelines;
- (f) the enforcement of a contract entered into by the Association with vendors providing services to the Association;
- (g) dealing with an emergency when waiting to obtain the approval of the Members creates a substantial risk of irreparable injury to the Common Area or to Member(s) (the imminent expiration of a statute of limitations shall not be deemed an emergency obviating the need for the requisite vote of three-fourths (3/4) of the Members); or
- (h) filing a compulsory counterclaim.

The costs of any legal proceedings initiated by the Association, which are not included in the above exceptions shall be financed by the Association only with monies that are collected for that purpose by Special Assessment(s) and the Association shall not borrow money, use reserve funds, or use monies collected for other Association obligations.

ARTICLE V MEMBERS AND VOTING

The qualification of Members of the Association, the manner of their admission to membership, the manner of the termination of such membership and the manner of voting by Members shall be as follows:

- A. Until such time as the first deed of conveyance of a Home from Declarant to an Owner is recorded amongst the Public Records of the County ("First Conveyance"), the membership of the Association shall be comprised solely of Declarant. Until the First Conveyance, Declarant shall be entitled to cast the one (1) and only vote on all matters requiring a vote of the membership.

BK: 4455 PG: 1284

B. Upon the First Conveyance, Declarant shall be a Member as to each of the remaining Lots until each such Lot is conveyed to another Owner, and thereupon and thereafter each and every Owner, including Declarant as to Lots owned by Declarant, shall be a Member and exercise all of the rights and privileges of a Member.

C. Membership in the Association for Owners other than Declarant shall be established by the acquisition of ownership of fee simple title to a Lot as evidenced by the recording of an instrument of conveyance amongst the Public Records of the County. Where title to a Lot is acquired by conveyance from a party other than Declarant by means of sale, gift, inheritance, devise, judicial decree or otherwise, the person, persons or entity thereby acquiring such Lot shall not be a Member unless or until such Owner shall deliver a true copy of a deed or other instrument of acquisition of title to the Association.

D. The Association shall have two (2) classes of voting membership:

1. "Class A Members" shall be the Owners of Lots in Beacon Lake, with the exception of Declarant while Declarant is a Class "B" Member, each of whom shall be entitled to one (1) vote for each Lot owned.

2. "Class B Member" shall be Declarant, who shall be entitled to three times the total number of votes of the Class A Members plus one (1). Class B membership shall cease and be converted to Class A membership upon the earlier to occur of the following events ("Turnover Date"):

(a) Three (3) months after the conveyance of ninety percent (90%) of the Lots by Declarant, as evidenced by the recording of instruments of conveyance of such Lots amongst the Public Records of the County;

(b) upon the Class "B" Member abandoning or deserting its responsibility to maintain and complete the amenities or infrastructure as disclosed in the Governing Documents. There is a rebuttable presumption that Declarant has abandoned and deserted the Property if Declarant has unpaid Assessments or guaranteed amounts under Section 720.308 of the HOA Act for a period of more than two (2) years;

(c) upon the Class "B" Member filing a petition seeking protection under Chapter 7 of the Federal Bankruptcy Code;

(d) upon the Class "B" Member losing title to the Property through a foreclosure action or the transfer of a deed in lieu of foreclosure, unless the successor owner has accepted an assignment of developer rights and responsibilities first arising after the date of such assignment;

(e) upon a receiver for the Class "B" Member being appointed by a circuit court and not being discharged within 30 days after such appointment, unless the

court determines within 30 days after such appointment that transfer of control would be detrimental to the Association or the Members; or

(f) When, in its discretion, the Class "B" Member so determines.

On the Turnover Date, Class "A" Members, including Declarant, shall assume control of the Association and elect not less than a majority of the Board.

Members other than Developer are entitled to elect at least one (1) member of the Board when fifty percent (50%) of the Homes in all phases of Beacon Lake which will ultimately be operated by the Association have been conveyed to Members.

E. The designation of different classes of membership are for purposes of establishing the number of votes applicable to certain Lots, and nothing herein shall be deemed to require voting solely by an individual class on any matter which requires the vote of Members, unless otherwise specifically set forth in the Governing Documents.

F. No Member may assign, hypothecate or transfer in any manner his or her membership in the Association except as an appurtenance to his or her Lot.

G. Any Member who conveys or loses title to a Lot by sale, gift, devise, bequest, judicial decree or otherwise shall, immediately upon such conveyance or loss of title, no longer be a Member with respect to such Lot and shall lose all rights and privileges of a Member resulting from ownership of such Lot.

H. There shall be only one (1) vote for each Lot, except for the Class B Member as set forth herein. If there is more than one (1) Member with respect to a Lot as a result of the fee interest in such Lot being held by more than one (1) person, such Members collectively shall be entitled to only one (1) vote. The vote of the Owners of a Lot owned by more than one (1) natural person or by a corporation or other legal entity shall be cast by the person named (the "Voting Member") in a voting certificate signed by all of the Owners of the Lot, or, if appropriate, by properly designated officers, partners or principals of the respective legal entity and filed with the Secretary of the Association, and such voting certificate shall be valid until revoked by a subsequent voting certificate. If such a voting certificate is not filed with the Secretary of the Association, the vote of such Lot shall not be considered for a quorum or for any other purpose.

Notwithstanding the foregoing provisions, whenever any Lot is owned by a husband and wife they may, but shall not be required to, designate a Voting Member. In the event a voting certificate designating a Voting Member is not filed by the husband and wife, the following provisions shall govern their right to vote:

1. When both are present at a meeting, each shall be regarded as the agent and proxy of the other for purposes of casting the vote for each Lot owned by them. In the event they are unable to concur in their decision upon any topic requiring a vote, they shall lose their right to vote on that topic at that meeting, but shall count for purposes of establishing a quorum.

BK: 4455 PG: 1286

2. When only one (1) spouse is present at a meeting, the person present may cast the Lot vote without establishing the concurrence of the other spouse, absent any prior written notice to the contrary by the other spouse. In the event of prior written notice to the contrary to the Association by the other spouse, the vote of said Lot shall not be considered, but shall count for purposes of establishing a quorum.

3. When neither spouse is present, the person designated in a "Proxy" (as defined in the Bylaws) signed by either spouse may cast the Lot vote, when voting by Proxy is allowed, absent any prior written notice to the contrary to the Association by the other spouse or the designation of a different Proxy by the other spouse. In the event of prior written notice to the contrary to the Association or the designation of a different Proxy by the other spouse, the vote of said Lot shall not be considered, but shall count for purposes of establishing a quorum.

I. A quorum shall consist of persons entitled to cast at least thirty percent (30%) of the total number of votes of the Members.

ARTICLE VI TERM

The term for which this Association is to exist shall be perpetual. In the event of dissolution of the Association (unless same is reinstated), other than incident to a merger or consolidation, all of the assets of the Association shall be conveyed to a similar homeowners association or a public agency having a similar purpose, or any Member may petition the appropriate circuit court of the State of Florida for the appointment of a receiver to manage the affairs of the dissolved Association and its properties in the place and stead of the dissolved Association and to make such provisions as may be necessary for the continued management of the affairs of the dissolved Association and its properties.

The election shall occur at a special meeting of the membership to be called by the Board for such purpose ("Initial Election Meeting"). The First Board shall serve until the Initial Election Meeting.

D. The Initial Election Meeting shall be called by the Association, through the Board, within sixty (60) days after the Members other than Declarant are entitled to elect a majority of Directors as provided in Paragraph D hereof. A notice of meeting shall be forwarded to all Members in accordance with the Bylaws; provided, however, that the Members shall be given at least fourteen (14) days' notice of such meeting. F. A Director (other than a Declarant-appointed Director) may be removed from office upon the affirmative vote or the agreement in writing of a majority of the voting interests of Members for any reason deemed to be in the best interests of the Members. A meeting of the Purchaser Members to so remove a Director (other than a Declarant-appointed Director) shall be held upon the written request of ten percent (10%) of the Members. Any such recall shall be effected and a recall election shall be held, if applicable, as provided in the HOA Act.

Notwithstanding the above, in the event of any such settlement, the indemnification provisions provided in this Article XI shall not be automatic and shall apply only when the Board approves such settlement and reimbursement for the costs and expenses of such settlement as being in the best interest of the Association, and in the event a Director or officer admits that he/she is or is adjudged guilty of willful misconduct or gross negligence in the performance of his or her duties, the indemnification provisions of this Article XI shall not apply. The foregoing right of indemnification provided in this Article XI shall be in addition to and not exclusive of any and all rights of indemnification to which a Director or officer of the Association may be entitled under statute or common law.

ARTICLE XII BYLAWS

The Bylaws of the Association shall be adopted by the First Board and thereafter may be altered, amended or rescinded in the manner provided for in the Bylaws. B. After the First Conveyance, and prior to the Turnover Date, these Articles may be amended solely by a majority vote of the Board, without the prior written consent of the Members, at a duly called meeting of the Board.

BK: 4455 PG: 1290

C. After the Turnover Date, these Articles may be amended in the following manner:

2. An amendment may be adopted by a written statement (in lieu of a meeting) signed by all Members and all members of the Board setting forth their intention that an amendment to the Articles be adopted.

D. After the First Conveyance, these Articles may not be amended without the written consent of a majority of the members of the Board.

E. Notwithstanding any provisions of this Article XIII to the contrary, these Articles shall not be amended in any manner which shall abridge, prejudice, amend or alter the rights of: (i) Declarant, without the prior written consent thereto by Declarant, for so long as Declarant holds either a leasehold interest in or title to at least one (1) Home; and (ii) any "Institutional Mortgagee" (as such term is defined in the Declaration) without the prior written consent of such Institutional Mortgagee.

EXHIBIT 3
BYLAWS
OF
BEACON LAKE COMMUNITY ASSOCIATION, INC.

Section 1. Identification of Association

These are the Bylaws of Beacon Lake Community Association, Inc. ("Association") as duly adopted by its Board of Directors ("Board"). The Association is a corporation not for profit, organized pursuant to Chapters 617 and 720, Florida Statutes.

1.1. The principal office and mailing address of the Association shall be for the present at 401 East Las Olas Boulevard, Suite 800, Fort Lauderdale, Florida 33301, and thereafter may be located at any place designated by the Board.

1.2. The fiscal year of the Association shall be the calendar year.

1.3. The seal of the Association shall bear the name of the Association, the word "Florida" and the words "Corporation Not For Profit."

Section 2. Explanation of Terminology

The terms defined in the Articles of Incorporation of the Association ("Articles") as well as in the Declaration of Covenants, Conditions, Restrictions and Easements for Beacon Lake ("Declaration") are incorporated herein by reference and shall appear in initial capital letters each time such terms appear in these Bylaws.

Section 3. Membership; Members' Meetings; Voting and Proxies

3.1. The qualification of Members, the manner of their admission to membership in the Association, the manner of termination of such membership and the voting by Members shall be as set forth in the Articles.

3.2. The Members shall meet annually ("Annual Members' Meeting"). The Annual Members' Meeting shall be held at such place in the County as the Board may determine and on such day and at such time as designated by the Board in the notice of such meeting commencing with the year following the year in which the Articles are filed with the Secretary of State. The purpose of the Annual Members' Meeting shall be to hear reports of the officers, elect members of the Board (when that shall be appropriate as determined by the provisions of the Articles) and transact any other business authorized to be transacted at such Annual Members' Meeting.

3.3. Special meetings (meetings other than the Annual Members' Meeting) of the Members shall be held at any place within the County whenever called by the President or Vice President or by a majority of the Board. A special meeting must be called by such President or Vice President upon receipt of a written request from Members having the right to vote at least one-third (1/3) of the total number of votes entitled to be cast by Members at any such special meeting.

3.4. Except as otherwise provided in the Articles, a written notice of each Members' meeting, whether an Annual Members' Meeting or a special meeting (collectively "Meeting"), shall be given to each Member entitled to vote thereat at the address of the Home owned by such Member, or such other address as the Member shall notify the Association of in writing and shall be mailed to the said address not less than fourteen (14) days nor more than forty-five (45) days prior to the date of the Meeting. Proof of such mailing shall be given by the affidavit of the person giving the notice. Any notice given hereunder shall state the time and place of the Meeting and the purposes for which the Meeting is called. The notices of all Annual Members' Meetings shall, in addition, specify the number of Directors of the Association to be designated by Developer and the number of Directors to be elected

BK: 4455 PG: 1296

by the Members, if applicable. Notwithstanding any provisions hereof to the contrary, notice of any Meeting may be waived before, during or after such Meeting by a Member or by the person entitled to vote for such Member by signing a document setting forth the waiver of such notice.

3.5. The Members may, at the discretion of the Board, act by written response in lieu of a Meeting provided written notice of the matter or matters to be agreed upon is given to the Members or duly waived in accordance with the provisions of these Bylaws. Unless some greater number is required under the Declaration, Articles or Bylaws (the "Beacon Lake Documents") and except as to the election of Directors, which shall be accomplished by plurality vote, the decision of a majority of the votes cast by Members as to the matter or matters to be agreed or voted upon shall be binding on the Members provided a quorum is either present at such Meeting or submits a response if action is taken by written response in lieu of a Meeting, as the case may be. The notice with respect to actions to be taken by written response in lieu of a Meeting shall set forth the time period during which the written responses must be received by the Association.

3.6. (a) A quorum of the Members shall consist of Members entitled to cast twenty percent (20%) of the total number of votes of the Members. Limited "Proxies" and general "Proxies" (as hereinafter defined in Paragraph 3.10) may be used to establish a quorum.

(b) When a quorum is present at any Meeting and a question which raises the jurisdiction of such Meeting is presented, the holders of a majority of the voting rights present in person or represented by written Proxy shall be required to decide the question. However, if the question is one upon which a vote other than the majority vote of a quorum is required by express provision of the Beacon Lake Documents or by law, then such express provision shall govern and control the required vote on the decision of such question.

3.7. At any Annual Members' Meeting when elections of Directors are to occur, written ballots are to be supplied to Members for such purposes. The Board shall adopt a procedure to be followed for each election, which procedure shall specify if nominations for Directors shall be submitted before the meeting so that absentee ballots may be used or if nominations for Directors will be taken at the Meeting and in which case absentee ballots may not be used. Any procedure adopted by the Board shall require the use of secret ballots. Members may not vote for Directors by Proxy but Proxies may be used to establish a quorum. Furthermore, at any Annual Members' Meeting at which Directors are to be elected, the "Chairman" (as hereinafter defined in Paragraph 7.2) shall appoint an "Election Committee" consisting of three (3) Members to supervise the election, count and verify ballots, disqualify votes if such disqualification is justified under the circumstances and certify the results of the election to the Board. The Election Committee shall be able to determine questions within its jurisdiction by plurality vote of all three (3) members, but matters resulting in deadlocked votes of the Election Committee shall be referred to the entire Board for resolution.

3.8. If a quorum is not in attendance at a Meeting, the Members who are present, either in person or by Proxy, may adjourn the Meeting from time to time until a quorum is present with no further notice of such adjourned Meeting being required unless otherwise determined by the Board.

3.9. Minutes of all Meetings shall be kept in a businesslike manner and be available for inspection by the Members and Directors at all reasonable times. The Association shall retain minutes for at least seven (7) years subsequent to the date of the meeting the minutes reflect.

3.10. Voting rights of Members shall be as stated in the Articles with respect to the election of all Boards other than the First Board. Such votes may be cast in person or by Proxy (except for the election of Directors). Proxies may also be used to vote on other agenda items at meetings at which Directors are to be elected, and may also be used to establish a quorum. "Proxy" is defined to mean an instrument containing the appointment of a person who is substituted in the place and stead of the person or authorized representative of an entity entitled to vote. Proxies shall be in writing signed by the person or authorized representative of an entity giving the same and shall be valid only for the particular Meeting designated therein and, if so stated in the Proxy, any adjournments thereof, provided, however, any proxy automatically expires ninety (90) days after the date of the meeting for which it was originally given. A Proxy must be filed with the Secretary of the Association before the appointed time of the Meeting in order to be valid. Any Proxy may be revoked prior to the time a vote is cast in accordance with such Proxy.

BK: 4455 PG: 1297

3.11. The voting on any matter at a Meeting shall be by secret ballot upon request of the holders of twenty percent (20%) of the votes represented at such Meeting and entitled to be cast on such matter, if such request is made prior to the vote in question.

Section 4. Board; Directors' Meetings

4.1. The business and administration of the Association shall be by its Board.

4.2. The election and, if applicable, designation of Directors shall be conducted in accordance with the Articles. Except for Developer-appointed Directors, Directors must be Members or the parents, children or spouses of Members except that if a Lot is owned by an entity and not an individual, such entity may only appoint a partner, shareholder, member, manager, director or officer of such entity or any of its constituent entities on its behalf to be eligible to serve on the Board.

4.3. (a) Any person elected or designated as a Director shall have all the rights, privileges, duties and obligations of a Director of the Association.

(b) The term of a Director's service shall be as stated in the Articles and, if not so stated, shall extend until the next Annual Members' Meeting and thereafter until his or her successor is duly elected and qualified or until he or she resigns or is removed in the manner provided in the Articles.

4.4. The organizational meeting of a newly elected Board shall be held within ten (10) days of its election at such place and time as shall be fixed by the Directors at the meeting at which they were elected. Provided the organizational meeting is held directly following the Annual Members' Meeting, no further notice of the organizational meeting shall be necessary; if not, however, notice of the organizational meeting shall be given in accordance with Chapter 720, Florida Statutes (the "HOA Act").

4.5. Regular meetings of the Board may be held at such times and places in the County as shall be determined from time to time by a majority of the Directors. Special meetings of the Board may be called at the discretion of the President or the Vice President. Special meetings must be called by the Secretary at the written request of at least one-third (1/3) of the Directors. Any such special meeting may be held in the County at such time and place as determined by the Directors requesting such meeting or in such other place as all of the Directors shall agree upon.

4.6. Notice of the time and place of regular and special meetings of the Board, or adjournments thereof, shall be given to each Director personally, by mail, telephone or electronically transmitted if correctly directed to an electronic mail address at which the Director has consented to receive notice at least three (3) days prior to the day named for such meeting unless such notice is waived before, during or after such meeting. Any Director may waive notice of the meeting in writing before, during or after a meeting and such waiver shall be deemed equivalent to the receipt of notice by such Director.

4.7. Notice of all Board meetings shall be given to the members in accordance with the HOA Act.

4.8. A quorum of the Board shall consist of the Directors entitled to cast a majority of the votes of the entire Board. Matters approved by a majority of the Directors present at a meeting at which a quorum is present shall constitute the official acts of the Board, except as may be otherwise specifically provided by law, by the Articles or elsewhere herein. If at any meeting of the Board there shall be less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present. At any meeting that takes place on account of a previously adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted. In the case of the adjournment of a meeting, no further notice of the adjourned meeting need be given unless otherwise determined by the Board.

4.9. The presiding officer at all Board meetings shall be the President. In the absence of the President, the Directors shall designate any one of their number to preside.

BK: 4455 PG: 1298

4.10. Directors' fees, if any, shall be determined by the Members.

4.11. Minutes of all meetings of the Board shall be kept in a businesslike manner and be available for inspection by Members and Directors at all reasonable times.

4.12. Meetings of the Board shall be open to all Members on such terms as the Board may determine but at all times pursuant to, and as limited by, the HOA Act. The Board may also hold closed meetings to the extent permitted by applicable law, including, by way of example but not by way of limitation, when the discussion at a meeting is governed by attorney-client privilege. Members shall have the right to participate in meetings with reference to all designated agenda items in accordance with, and as limited by, the HOA Act and any rules and regulations promulgated by the Association. In the event a Member conducts himself or herself in a manner detrimental to the carrying on of the meeting, then any Director may expel said Member from the meeting by any reasonable means which may be necessary to accomplish said Member's expulsion. Also, any Director shall have the right to exclude from any meeting of the Board any person who is not able to provide sufficient proof that he or she is a Member or a duly authorized representative, agent or proxy holder of a Member, unless said person has been specifically invited by any of the Directors to participate in such meeting.

4.13. Any action required or permitted to be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, specifically setting forth the action to be taken, shall be signed by all the Directors entitled to vote with respect to the subject matter thereof and such consent shall have the same force and effect as a unanimous vote of the Directors, provided, however, whenever assessments are to be considered, they may be considered only at a meeting of the Directors properly noticed in accordance with the HOA Act.

Section 5. Powers and Duties of the Board

5.1. All of the powers and duties of the Association shall be exercised by the Board. Such powers and duties of the Board shall include, but not be limited to, all powers and duties set forth in the Beacon Lake Documents, as well as all of the powers and duties of a director of a corporation not for profit not inconsistent therewith.

5.2. The Association may employ a manager to perform any of the duties, powers or functions of the Association. Notwithstanding the foregoing, the Association may not delegate to the manager the power to conclusively determine whether the Association should make expenditures for capital additions or improvements chargeable against the Association funds. The members of the Board shall not be personally liable for any omission or improper exercise by the manager of any duty, power or function delegated to the manager by the Association.

Section 6. Late Fees

An Owner who fails to timely pay any Assessment shall be charged a late charge of Twenty-Five and No/100 (\$25.00) Dollars or five percent (5%) of the past due amount, whichever is greater, by the Association to defray additional collection costs. This amount is subject to change in the Board's sole discretion. Owners shall be responsible to pay all legal fees (including, but not limited to, attorney and paralegal fees and court costs) incurred in connection with the collection of late Assessments whether or not an action at law to collect said Assessments and foreclose the Association's lien has been commenced.

Section 7. Officers of the Association

7.1. Executive officers of the Association shall be the President, who shall be a Director, one or more Vice Presidents, a Treasurer and a Secretary, all of whom shall be elected annually by the Board. Any officer may be removed without cause from office by vote of the Directors at any meeting of the Board. The Board may, from time to time, elect such other officers and assistant officers and designate their powers and duties as the Board shall find to be required to manage the affairs of the Association. One person may hold any two offices simultaneously, except when the functions of such offices are incompatible, but no person shall hold the office of

BK: 4455 PG: 1299

President and any of the following offices simultaneously: Vice President, Secretary or Assistant Secretary or Treasurer or Assistant Treasurer.

7.2. The President shall be the chief executive officer of the Association. He or She shall have all of the powers and duties which are usually vested in the office of the President of an association or a corporation not for profit, including, but not limited to, the power to appoint such committees from among the Members at such times as he or she may, in his or her discretion, determine appropriate to assist in the conduct of the affairs of the Association. If in attendance, the President ("Chairman") shall preside at all meetings of the Board and the Members; provided, however, that the President may appoint a substitute. The President, or his delegate, shall serve as the Association's representative to the Master Association, for voting and attendance purposes at the Master Association meetings.

7.3. In the absence or disability of the President, the Vice President shall exercise the powers and perform the duties of the President. If there is more than one (1) Vice President, the Board shall designate which Vice President is to perform which duties. The Vice President(s) shall also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed by the Board. In the event there shall be more than one Vice President elected by the Board, then they shall be designated as "First Vice President", "Second Vice President", etc., and shall exercise the powers and perform the duties of the presidency in such order.

7.4. The Secretary shall keep the minutes of all meetings of the Board and the Members, which minutes shall be kept in a businesslike manner and be available for inspection by Members and Directors at all reasonable times. The Secretary shall have custody of the seal of the Association and affix the same to instruments requiring such seal when duly authorized and directed to do so. The Secretary shall be custodian for the corporate records of the Association, except those of the Treasurer, and shall perform all of the duties incident to the office of Secretary of the Association as may be required by the Board or the President. The Assistant Secretary, if any, shall perform the duties of the Secretary when the Secretary is absent and shall assist the Secretary under the supervision of the Secretary.

7.5. The Treasurer shall have custody of all of the monies of the Association, including funds, securities and evidences of indebtedness. The Treasurer shall keep the assessment rolls and accounts of the Members and shall keep the books of the Association in accordance with good accounting practices and he or she shall perform all of the duties incident to the office of the Treasurer. The Assistant Treasurer, if any, shall perform the duties of the Treasurer when the Treasurer is absent and shall assist the Treasurer under the supervision of the Treasurer.

7.6. The compensation, if any, of the officers and other employees of the Association shall be fixed by the Board. This provision shall not preclude the Board from hiring a Director as an employee of the Association or preclude contracting with a Director or a party affiliated with a Director for the management or performance of contract services for all or any part of Beacon Lake.

Section 8. Resignations

Any Director or officer may resign his or her post at any time by written resignation, delivered to the President or Secretary, which shall take effect upon its receipt unless a later date is specified in the resignation, in which event the resignation shall be effective from such date unless withdrawn. The acceptance of a resignation shall not be required to make it effective. The conveyance of all Homes owned by any Director or officer (other than appointees of Developer) shall constitute a written resignation of such Director or officer.

Section 9. Accounting Records; Fiscal Management

9.1. The Association shall prepare financial reports and maintain accounting records in accordance with the HOA Act. The accounting records of the Association shall be open to inspection by Members and Institutional Mortgagees or their respective authorized representatives at reasonable times and in accordance with, but subject to the limitations of, the HOA Act. Such authorization as a representative of a Member must be in writing and signed by the person giving the authorization and dated within sixty (60) days of the date of the inspection. Such records shall include, but not be limited to: (i) a record of all receipts and expenditures; (ii) an

BK: 4455 PG: 1300

account for each Home within Beacon Lake which shall designate the name and address of the Owner thereof, the amount of Individual Lot Assessments and all other Assessments, if any, charged to the Home, the amounts and due dates for payment of same, the amounts paid upon the account and the dates paid, and the balance due; (iii) any tax returns, financial statements and financial reports of the Association; and (iv) any other records that identify, measure, record or communicate financial information.

9.2. The Board shall adopt a Budget (as defined and provided for in the Declaration) of the anticipated Operating Expenses for each forthcoming calendar year (the fiscal year of the Association being the calendar year) at a special meeting of the Board ("Budget Meeting") called for that purpose to be held prior to the end of the fiscal year preceding the year to which the Budget applies. Prior to the Budget Meeting, a proposed Budget for the Operating Expenses shall be prepared by or on behalf of the Board. Within thirty (30) days after adoption of the Budget, a copy thereof, or a notice that a copy thereof is available upon request [at no charge], shall be furnished to each Member, and each Owner shall be given notice of the Individual Lot Assessment applicable to his or her Home(s). The copy of the Budget, shall be deemed furnished and the notice of the Individual Lot Assessment shall be deemed given upon its delivery or upon its being mailed to the Owner at the address of the Home owned by such Owner, or such other address as the Owner shall notify the Association of in writing.

9.3. In administering the finances of the Association, the following procedures shall govern: (i) the fiscal year shall be the calendar year; (ii) any monies received by the Association in any calendar year may be used by the Association to pay expenses incurred in the same calendar year; (iii) there shall be apportioned between calendar years on a *pro rata* basis any expenses which are prepaid in any one calendar year for Operating Expenses which cover more than such calendar year; (iv) Assessments shall be made quarterly in advance in amounts no less than are required to provide funds in advance for payment of all of the anticipated current Operating Expenses and for all unpaid Operating Expenses previously incurred; and (v) items of Operating Expenses incurred in a calendar year shall be charged against income for the same calendar year regardless of when the bill for such expenses is received. Notwithstanding the foregoing, the Assessments for Operating Expenses and any periodic installments thereof shall be of sufficient magnitude to insure an adequacy and availability of cash to meet all budgeted expenses in any calendar year as such expenses are incurred in accordance with the accrual basis method of accounting.

9.4. Individual Lot Assessments shall be payable as provided in the Declaration.

9.5. No Board shall be required to anticipate revenue from Assessments or expend funds to pay for Operating Expenses not budgeted or which shall exceed budgeted items, and no Board is required to engage in deficit spending. Should there exist any deficiency which results from there being greater Operating Expenses than monies from Assessments, then such deficits shall be carried into the next succeeding year's Budget as a deficiency or shall be the subject of a Special Assessment or an upward adjustment to the Individual Lot Assessment.

9.6. The depository of the Association shall be such bank or banks as shall be designated from time to time by the Board in which the monies of the Association shall be deposited. Withdrawal of monies from such account shall be only by checks signed by such persons as are authorized by the Board.

9.7. A report of the accounts of the Association shall be made in compliance with the financial reporting requirements set forth in the HOA Act.

Section 10. Rules and Regulations

The Board may at any meeting of the Board adopt rules and regulations or amend, modify or rescind then existing rules and regulations for the operation of Beacon Lake; provided, however, that such rules and regulations are not inconsistent with the terms or provisions of the Beacon Lake Documents. Copies of any rules and regulations promulgated, amended or rescinded shall be mailed or delivered to all Members at the last known address for such Members as shown on the records of the Association at the time of such delivery or mailing and shall not take effect until forty-eight (48) hours after such delivery or mailing, or, in the event both forms of notification are used, whichever is later. Notwithstanding the foregoing, when rules and regulations are to regulate the use of a specific portion of the Association Property, same shall be conspicuously posted at such facility and such rules and regulations shall be effective immediately upon such posting. Care shall be taken to insure that

BK: 4455 PG: 1301

Section 11. Parliamentary Rules

The then latest edition of Robert's Rules of Order shall govern the conduct of all meetings of the Members and the Board; provided, however, if such rules of order are in conflict with any of the Beacon Lake Documents, Robert's Rules of Order shall yield to the provisions of such instrument.

Section 12. Roster of Owners

Each Owner shall file with the Association a copy of the deed or other document showing his or her ownership of a Lot in Beacon Lake. The Association shall maintain such information. The Association may also maintain the electronic mailing addresses and numbers designated by Owners for receiving notices sent by electronic transmission of those Owners consenting to receive notice by electronic transmission. The electronic mailing address and numbers provided by Owners to receive notice by electronic transmission shall be removed from Association records when consent to receive notice by electronic transmission is revoked. The Association may rely on the accuracy of such information for all purposes until notified in writing of changes therein.

Section 13. Amendment of the Bylaws

13.1. These Bylaws may be amended as hereinafter set forth in this Section 13.

13.2. After the Turnover Date, any Bylaw of the Association may be amended or repealed, and any new Bylaw of the Association may be adopted by either:

(i) a majority vote of the Members at any Annual Members' Meeting or any special meeting of the Members called for that purpose or by majority action of the Members who have acted by written response in lieu of a Meeting as permitted by these Bylaws; or

(ii) by the affirmative vote of a majority of the Directors then in office at any regular meeting of the Board or at any special meeting of the Board called for that purpose or by written instrument signed by all of the Directors as is permitted by these Bylaws, provided that the Directors shall not have any authority to adopt, amend or repeal any Bylaw if such new Bylaw or such amendment or the repeal of a Bylaw would be inconsistent with any Bylaw previously adopted by the Members.

13.3. Notwithstanding any of the foregoing provisions of this Section 13 to the contrary, until the Turnover Date, all amendments or modifications to these Bylaws and adoption or repeal of Bylaws shall only be made by action of the First Board as described in the Articles, which First Board shall have the power to amend, modify, adopt and repeal any Bylaws without the requirement of any consent, approval or vote of the Members.

13.4. Notwithstanding the foregoing provisions of this Section 13, there shall be no amendment to these Bylaws which shall abridge, prejudice, amend or alter the rights of: (i) Developer, without the prior written consent thereto by Developer for so long as Developer holds title to at least one (1) Home; or (ii) any Institutional Mortgagee without the prior written consent of such Institutional Mortgagee.

13.5. Any instrument amending, modifying, repealing or adding Bylaws shall identify the particular section or sections affected and give the exact language of such modification, amendment or addition or of the provisions repealed. A copy of each such amendment, modification, repeal or addition attested to by the Secretary or Assistant Secretary of the Association shall be recorded amongst the Public Records of the County.

Section 14. Mediation

BK: 4455 PG: 1302

Pursuant to the HOA Act, mandatory mediation before the Department of Business and Professional Regulation ("Department") shall be required prior to institution of court litigation for disputes involving certain actions or inactions, as described therein.

Section 15. Recall of Board Members and Election Disputes

Pursuant to the HOA Act, mandatory binding arbitration before the Department shall be required for election disputes and disputes involving the recall of any member of the Board. Any member of the Board may be recalled and removed from office as provided for and described in the Articles in accordance with the HOA Act.

Section 16. Interpretation

In the case of any conflict between the Articles and these Bylaws, the Articles shall control; and in the case of any conflict between the Declaration and these Bylaws, the Declaration shall control; and in the event of any conflict between the Articles and the Declaration, the Declaration shall control.

The foregoing Bylaws of Beacon Lake Community Association, Inc., were adopted by the Board of Directors as of the date of filing the Articles of Incorporation for the Association.

Dear Sir/Madam:

Enclosed is your individual permit issued by the St. Johns River Water Management District on December 07, 2016. This permit is a legal document and should be kept with your other important documents. Permit issuance does not relieve you from the responsibility of obtaining any necessary permits from any federal, state, or local agencies for your project.

Technical Staff Report:

If you wish to review a copy of the Technical Staff Report (TSR) that provides the District's staff analysis of your permit application, you may view the TSR by going to the Permitting section of the District's website at www.sjrwmd.com/permitting. Using the "search applications and permits" feature, you can use your permit number or project name to find information about the permit. When you see the results of your search, click on the permit number and then on the TSR folder.

Noticing Your Permit:

For noticing instructions, please refer to the noticing materials in this package regarding closing the point of entry for someone to challenge the issuance of your permit. Please note that if a timely petition for administrative hearing is filed, your permit will become non-final and any activities that you choose to undertake pursuant to your permit will be at your own risk.

CONDITIONS FOR ISSUANCE OF PERMIT NUMBER 99121-10
Beacon Lake - Master Drainage Plan & Phase 1 Construction
(fka Twin Creeks Heartwood)
DATED December 07, 2016

1. All activities shall be implemented following the plans, specifications and performance criteria approved by this permit. Any deviations must be authorized in a permit modification in accordance with Rule 62-330.315, F.A.C. Any deviations that are not so authorized may subject the permittee to enforcement action and revocation of the permit under Chapter 373, F.S.
2. A complete copy of this permit shall be kept at the work site of the permitted activity during the construction phase, and shall be available for review at the work site upon request by the District staff. The permittee shall require the contractor to review the complete permit prior to beginning construction.
3. Activities shall be conducted in a manner that does not cause or contribute to violations of state water quality standards. Performance-based erosion and sediment control best management practices shall be installed immediately prior to, and be maintained during and after construction as needed, to prevent adverse impacts to the water resources and adjacent lands. Such practices shall be in accordance with the State of Florida Erosion and Sediment Control Designer and Reviewer Manual (Florida Department of Environmental Protection and Florida Department of Transportation June 2007), and the Florida Stormwater Erosion and Sedimentation Control Inspector's Manual (Florida Department of Environmental Protection, Nonpoint Source Management Section, Tallahassee, Florida, July 2008), which are both incorporated by reference in subparagraph 62-330.050(9)(b)5, F.A.C., unless a project-specific erosion and sediment control plan is approved or other water quality control measures are required as part of the permit.
4. At least 48 hours prior to beginning the authorized activities, the permittee shall submit to the District a fully executed Form 62-330.350(1), "Construction Commencement Notice," [10-1-13], incorporated by reference herein (<http://www.flrules.org/Gateway/reference.asp?No=Ref-02505>), indicating the expected start and completion dates. A copy of this form may be obtained from the District, as described in subsection 62-330.010(5), F.A.C. If available, an District website that fulfills this notification requirement may be used in lieu of the form.

6. Within 30 days after completing construction of the entire project, or any independent portion of the project, the permittee shall provide the following to the Agency, as applicable:
 - a. For an individual, private single-family residential dwelling unit, duplex, triplex, or quadruplex — "Construction Completion and Inspection Certification for Activities Associated With a Private Single-Family Dwelling Unit" [Form 62-330.310(3)]; or
 - b. For all other activities — "As-Built Certification and Request for Conversion to Operational Phase" [Form 62-330.310(1)].
 - c. If available, an Agency website that fulfills this certification requirement may be used in lieu of the form.

7. If the final operation and maintenance entity is a third party:
 - a. Prior to sales of any lot or unit served by the activity and within one year of permit issuance, or within 30 days of as-built certification, whichever comes first, the permittee shall submit, as applicable, a copy of the operation and maintenance documents (see sections 12.3 thru 12.3.3 of Volume I) as filed with the Department of State, Division of Corporations and a copy of any easement, plat, or deed restriction needed to operate or maintain the project, as recorded with the Clerk of the Court in the County in which the activity is located.
 - b. Within 30 days of submittal of the as- built certification, the permittee shall submit "Request for Transfer of Environmental Resource Permit to the Perpetual Operation Entity" [Form 62-330.310(2)] to transfer the permit to the operation and maintenance entity, along with the documentation requested in the form. If available, an Agency website that fulfills this transfer requirement may be used in lieu of the form.
8. The permittee shall notify the District in writing of changes required by any other regulatory District that require changes to the permitted activity, and any required modification of this permit must be obtained prior to implementing the changes.
9. This permit does not:
 - a. Convey to the permittee any property rights or privileges, or any other rights or privileges other than those specified herein or in Chapter 62-330, F.A.C.;
 - b. Convey to the permittee or create in the permittee any interest in real property;
 - c. Relieve the permittee from the need to obtain and comply with any other required federal, state, and local authorization, law, rule, or ordinance; or
 - d. Authorize any entrance upon or work on property that is not owned, held in easement, or controlled by the permittee.
10. Prior to conducting any activities on state-owned submerged lands or other lands of the state, title to which is vested in the Board of Trustees of the Internal Improvement Trust Fund, the permittee must receive all necessary approvals and authorizations under Chapters 253 and 258, F.S. Written authorization that requires formal execution by the Board of Trustees of the Internal Improvement Trust Fund shall not be considered received until it has been fully executed.
11. The permittee shall hold and save the District harmless from any and all damages, claims, or liabilities that may arise by reason of the construction, alteration, operation, maintenance, removal, abandonment or use of any project authorized by the permit.
12. The permittee shall notify the District in writing:
 - a. Immediately if any previously submitted information is discovered to be inaccurate; and
 - b. Within 30 days of any conveyance or division of ownership or control of the property or the system, other than conveyance via a long-term lease, and the new owner shall request transfer of the permit in accordance with Rule 62-330.340, F.A.C. 13. Upon reasonable notice to the permittee, District staff with proper identification shall have permission to enter, inspect, sample and test the project or activities to ensure conformity with the plans and specifications authorized in the permit.
14. If any prehistoric or historic artifacts, such as pottery or ceramics, stone tools or metal implements, dugout canoes, or any other physical remains that could be associated with Native American cultures, or early colonial or American settlement are encountered at any time within the project site area, work involving subsurface disturbance in the immediate vicinity of such discoveries shall cease. The permittee or other designee shall contact the Florida Department of State, Division of Historical Resources, Compliance and Review Section, at (850) 245-6333 or (800) 847-7278, as well as the appropriate permitting agency office. Such subsurface work shall not resume without verbal or written authorization from the Division of Historical Resources. If unmarked human remains are encountered, all work shall stop immediately and notification shall be provided in accordance with Section 872.05, F.S.
15. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered binding unless a specific condition of this permit or a formal determination under Rule 62-330.201, F.A.C., provides otherwise.
16. The permittee shall provide routine maintenance of all components of the stormwater management system to remove trapped sediments and debris. Removed materials shall be disposed of in a landfill or other uplands in a manner that does not require a permit under Chapter 62-330, F.A.C., or cause violations of state water quality standards.
17. This permit is issued based on the applicant's submitted information that reasonably demonstrates that adverse water resource-related impacts will not be caused by the completed permit activity. If any adverse impacts result, the District will require the permittee to eliminate the cause, obtain any necessary permit modification, and take any necessary corrective actions to resolve the adverse impacts.
18. A Recorded Notice of Environmental Resource Permit may be recorded in the county public records in accordance with Rule 62-330.090(7), F.A.C. Such notice is not an encumbrance upon the property.
19. This permit for construction will expire five years from the date of issuance.
20. At a minimum, all retention and detention storage areas must be excavated to rough grade prior to building construction or placement of impervious surface within the area to be served by those facilities. To prevent reduction in storage volume and percolation rates, all accumulated sediment must be removed from the storage area prior to final grading and stabilization.
21. All wetland areas or water bodies that are outside the specific limits of construction authorized by this permit must be protected from erosion, siltation, scouring or excess turbidity, and dewatering.
22. The operation and maintenance entity shall inspect the stormwater or surface water management system once within two years after the completion of construction and every two years thereafter to determine if the system is functioning as designed and permitted. The operation and maintenance entity must maintain a record of each required inspection, including the date of the inspection, the name and contact information of the inspector, and whether the system was functioning as designed and permitted, and make such record available for inspection upon request by the District during normal business hours.

If at any time the system is not functioning as designed and permitted, then within 30 days the entity shall submit a report electronically or in writing to the District using Form 62-330.311(1), "Operation and Maintenance Inspection Certification," describing the remedial actions taken to resolve the failure or deviation.

23. Deed of Conservation Easement

This permit requires the recording of a conservation easement. Within 30 days of recording, the permittee shall provide the District with: (a) the original recorded easement (including exhibits) showing the date it was recorded and the official records book and page number, (b) a copy of the recorded plat (if applicable), (c) a surveyor's sketch of the easement area plotted on the appropriate USGS topographic map, and (d) the original recorded consent and joinder(s) of mortgagee (if applicable). Before recording them, the permittee shall ensure that these documents are acceptable to the District as described below.

Description of Conservation Easement Area.

The permittee shall provide to the District for review and written approval a copy of: (a) the preliminary plat showing the area to be encumbered by the conservation easement, or (b) a surveyor's sketch and legal description of the area to be placed under the conservation easement, per the approved mitigation plan, at least 45 days before (1) dredging, filling, or clearing any wetland or surface water for which mitigation is required; (2) clearing any upland within a Riparian Habitat Protection Zone for which mitigation is required; (3) the sale of any lot or parcel; (4) the recording of the subdivision plat; or (5) use of the infrastructure for its intended use, whichever occurs first.

If the impacts to an upland within a Riparian Habitat Protection Zone or to a wetland or surface water for which mitigation is required will occur in discrete phases, the areas to be preserved to offset such impacts may be placed under conservation easement in phases such that impacts are offset during each phase. Such phasing of preservation shall only occur if it has been proposed in the mitigation plan and approved by the permit, or if it is approved in writing by the District. A surveyor's sketch and legal description of the area to be placed under conservation easement during each phase must be submitted in accordance with the previous paragraph.

Recording of Conservation Easement.

Before (1) dredging, filling, or clearing any wetland or surface water for which mitigation is required, (2) clearing any upland within a Riparian Habitat Protection Zone for which mitigation is required, (3) the sale of any lot or parcel, (4) the recording of the subdivision plat, or (5) use of the infrastructure for its intended use, whichever occurs first, the permittee shall record a conservation easement. The conservation easement shall include restrictions on the real property pursuant to section 704.06, Florida Statutes, and be consistent with section 10.3.8, ERP Applicant's Handbook, Volume I (October 1, 2013) and Fla. Admin. Code R. 62-330.301(6).

The conservation easement shall be in the form approved in writing by the District and, if no plat has been submitted, the easement shall include the approved legal description and surveyor's sketch. If the District does not provide written comments on the preliminary plat or surveyor's sketch and legal description within 45 days of receipt, then the permittee may record the conservation easement with the legal description and surveyor's sketch or plat reference previously submitted. If the District provides written disapproval of the preliminary plat or surveyor's sketch and legal description, the permittee shall, within ten (10) days of receipt of the disapproval, correct all errors with the conservation easement, including the preliminary plat or legal description and surveyor's sketch, and record the conservation easement.

Pursuant to section 704.06, Florida Statutes, the conservation easement shall prohibit all construction, including clearing, dredging, or filling, except that which is specifically authorized by this permit, within the mitigation areas delineated on the final plans and/or mitigation proposal approved by the District.

The easement may not be amended without written District approval.

Additional Documents Required.

The permittee shall ensure that the conservation easement identifies, and is executed by, the correct grantor, who must hold sufficient record title to the land encumbered by the easement. If the easement's grantor is a partnership, the partnership shall provide to the District a partnership affidavit stating that the person executing the conservation easement has the legal authority to convey an interest in the partnership land. If there exist any mortgages on the land, the permittee shall also have each mortgagee execute a consent and joinder of mortgagee subordinating the mortgage to the conservation easement. The consent and joinder of the mortgagee shall be recorded simultaneously with the conservation easement in the public records of the county where the land is located. Within 30 days of recording, the permittee shall provide the District with: (a) the original recorded easement (including exhibits) showing the date it was recorded and the official records book and page number, (b) a copy of the recorded plat (if applicable), (c) a surveyor's sketch of the easement area plotted on the appropriate USGS topographic map, and (d) the original recorded consent and joinder(s) of mortgagee (if applicable).

Demarcation of Conservation Easement Area. Prior to lot or parcel sales, all changes in direction of the easement area boundaries must be permanently monumented above ground on the project site.

24. The permittee shall monitor and maintain the wetland mitigation area(s) until the criteria set forth in the Wetland Mitigation Success Criteria Conditions(s) above are met. The permittee shall perform corrective actions identified by the District if the District identifies a wetland mitigation deficiency.
25. The surface water management system must be constructed and operated in accordance with the plans received by the District on June 27, 2016.
26. The impacts and mitigation must be implemented per the plans received 02 December 2016.
27. Before the start of any construction, the permittee shall submit to the District an original executed Performance Bond (for mitigation) in the amount of \$198,121.00. The Performance Bond shall be in substantial conformance with the form mechanism incorporated by reference in 62-330.301(5)(a), F.A.C. and shall be consistent in form and content with the draft bond approved by the District 02 December 2016. The permittee shall request extension of a Performance Bond at least thirty days before the expiration of the currently effective Performance Bond and provide notice of such request to the District. The permittee shall ensure that a District-approved Performance Bond is maintained through the date of notification of final release by the District in accordance with section 10.3.7.7.2, ERP Applicant's Handbook, Vol. I (October 1, 2013).
28. Successful establishment of the wetland restoration area will have occurred when:
 - a) At least 90 percent of the planted individuals in each stratum have survived throughout the monitoring period and are showing signs of normal growth, based upon standard growth parameters such as height and base diameter, or canopy circumference; and,

- b) At least 80 percent cover by appropriate wetland species has been obtained; and,
 - c) Hydrologic conditions generally conform to those specified in the mitigation plan; and,
 - d) The above criteria have been achieved by the end of a 5-year period following initial planting; and,
 - e) less than 5% areal coverage of plants on the Florida Exotic Pest Plant Council's list of Florida's most invasive species within the mitigation area.[include title/date of publication]
29. Heartwood 26, LLC shall be responsible for compliance with conditions 1 through 33. Twin Creeks Development Associates, LLC, shall be responsible for compliance with conditions 24, and 26-32.
30. A maintenance program shall be implemented in accordance with Exhibit C, Twin Creeks Mitigation and Management Plan, received 02 December 2016, for the [(preserved/enhanced/restored) (wetland/upland) areas] on a regular basis to ensure those areas meet the integrity and viability of the success criteria as permitted, including ensuring that the mitigation site is maintained in perpetuity free from invasive exotic species such that they comprise no more than 2 percent (5 percent maximum) cover. In addition, the permittee shall manage the conservation areas such that exotic/nuisance plant species do not dominate any one section of those areas.
31. A monitoring program shall be implemented in accordance with Exhibit C, Twin Creeks Mitigation and Management Plan, received 02 December 2016. The monitoring program shall extend for a period of 5 years with annual reports submitted to District staff.
32. If upon termination of the five-year monitoring period mitigation success has not been demonstrated, within 30 days after submittal of the final monitoring report, the permittee must submit a written description of the known or suspected causes of failure and propose a corrective action plan to achieve mitigation success. Upon approval of the corrective action plan an appropriate additional monitoring period will be required to assess success of the new mitigation plan.
33. Future phases within the master drainage plan not explicitly approved in this permit (Phase 1) must obtain the appropriate District authorization prior to beginning construction

Notice of Rights

1. A person whose substantial interests are or may be affected has the right to request an administrative hearing by filing a written petition with the St. Johns River Water Management District (District). Pursuant to Chapter 28-106 and Rule 40C-1.1007, Florida Administrative Code, the petition must be filed (received) either by delivery at the office of the District Clerk at District Headquarters, P. O. Box 1429, Palatka Florida 32178-1429 (4049 Reid St., Palatka, FL 32177) or by e-mail with the District Clerk at Clerk@sjrwm.com, within twenty-six (26) days of the District depositing the notice of District decision in the mail (for those persons to whom the District mails actual notice), within twenty-one (21) days of the District emailing the notice of District decision (for those persons to whom the District emails actual notice), or within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail or email actual notice). A petition must comply with Sections 120.54(5)(b)4. and 120.569(2)(c), Florida Statutes, and Chapter 28-106, Florida Administrative Code. The District will not accept a petition sent by facsimile (fax), as explained in paragraph no. 4 below.
2. Please be advised that if you wish to dispute this District decision, mediation may be available and that choosing mediation does not affect your right to an administrative hearing. If you wish to request mediation, you must do so in a timely-filed petition. If all parties, including the District, agree to the details of the mediation procedure, in writing, within 10 days after the time period stated in the announcement for election of an administrative remedy under Sections 120.569 and 120.57, Florida Statutes, the time limitations imposed by Sections 120.569 and 120.57, Florida Statutes, shall be tolled to allow mediation of the disputed District decision. The mediation must be concluded within 60 days of the date of the parties' written agreement, or such other timeframe agreed to by the parties in writing. Any mediation agreement must include provisions for selecting a mediator, a statement that each party shall be responsible for paying its pro-rata share of the costs and fees associated with mediation, and the mediating parties' understanding regarding the confidentiality of discussions and documents introduced during mediation. If mediation results in settlement of the administrative dispute, the District will enter a final order consistent with the settlement agreement. If mediation terminates without settlement of the dispute, the District will notify all the parties in writing that the administrative hearing process under Sections 120.569 and 120.57, Florida Statutes, is resumed. Even if a party chooses not to engage in formal mediation, or if formal mediation does not result in a settlement agreement, the District will remain willing to engage in informal settlement discussions.
3. A person whose substantial interests are or may be affected has the right to an informal administrative hearing pursuant to Sections 120.569 and 120.57(2), Florida Statutes, where no material facts are in dispute. A petition for an informal hearing must also comply with the requirements set forth in Rule 28-106.301, Florida Administrative Code.

Notice of Rights

4. A petition for an administrative hearing is deemed filed upon receipt of the complete petition by the District Clerk at the District Headquarters in Palatka, Florida during the District's regular business hours. The District's regular business hours are 8:00 a.m. – 5:00 p.m., excluding weekends and District holidays. Petitions received by the District Clerk after the District's regular business hours shall be deemed filed as of 8:00 a.m. on the District's next regular business day. The District's acceptance of petitions filed by e-mail is subject to certain conditions set forth in the District's Statement of Agency Organization and Operation (issued pursuant to Rule 28-101.001, Florida Administrative Code), which is available for viewing at sirwmd.com. These conditions include, but are not limited to, the petition being in the form of a PDF or TIFF file and being capable of being stored and printed by the District. Further, pursuant to the District's Statement of Agency Organization and Operation, attempting to file a petition by facsimile is prohibited and shall not constitute filing.
5. Failure to file a petition for an administrative hearing within the requisite timeframe shall constitute a waiver of the right to an administrative hearing. (Rule 28-106.111, Florida Administrative Code).
6. The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, Florida Statutes, Chapter 28-106, Florida Administrative Code, and Rule 40C-1.1007, Florida Administrative Code. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice. A person whose substantial interests are or may be affected by the District's final action has the right to become a party to the proceeding, in accordance with the requirements set forth above.
7. Pursuant to Section 120.68, Florida Statutes, a party to the proceeding before the District who is adversely affected by final District action may seek review of the action in the District Court of Appeal by filing a notice of appeal pursuant to Rules 9.110 and 9.190, Florida Rules of Appellate Procedure, within 30 days of the rendering of the final District action.
8. A District action is considered rendered, as referred to in paragraph no. 7 above, after it is signed on behalf of the District and filed by the District Clerk.
9. Failure to observe the relevant timeframes for filing a petition for judicial review as described in paragraph no. 7 above will result in waiver of that right to review.

NOTICING INFORMATION

Dear Permittee:

Please be advised that the St. Johns River Water Management District will not publish a notice in the newspaper advising the public that it has issued a permit for this project.

Newspaper publication, using the District's notice form, notifies members of the public of their right to challenge the issuance of the permit. If proper notice is given by newspaper publication, then there is a 21-day time limit for someone to file a petition for an administrative hearing to challenge the issuance of the permit.

To close the point of entry for filing a petition, you may publish (at your own expense) a one-time notice of the District's decision in a newspaper of general circulation within the affected area as defined in Section 50.011 of the Florida Statutes. If you do not publish a newspaper notice to close the point of entry, the time to challenge the issuance of your permit will not expire and someone could file a petition even after your project is constructed.

A copy of the notice form and a partial list of newspapers of general circulation are attached for your convenience. However, you are not limited to those listed newspapers. If you choose to close the point of entry and the notice is published, the newspaper will return to you an affidavit of publication. In that event, it is important that you either submit a scanned copy of the affidavit by emailing it to compliancesupport@sjrwmnd.com (preferred method) or send a copy of the original affidavit to:

Office of Business and Administrative Services
