The percentage share of Common Elements, Surplus and Expenses appurtenant to each Unit has been apportioned by the Developer taking into consideration the size of the Units and their location. Although such percentage shares have been allocated upon such basis, the shares do not exactly reflect a mathematical ratio of respective square footage among Units. In the event that the number of Units in this Condominium shall be greater or less than 302, the percentage share of each Unit shall be equitably adjusted on the same basis.

Each Owner, the Developer and the Association may use the Common Elements for the purposes for which they are maintained but no such use shall hinder or encroach upon the lawful rights of other Owners. The Common Elements shall remain undivided and no Owner or any other person shall bring any action for partition or division of the whole or any part thereof so long as the Unit buildings or any one of them may exist in useful condition upon the land. Shares of Owners in

the Common Elements as stated in this Declaration may be altered only by amendment of the Declaration executed by all the Owners of Units in the Condominium. No such change shall materially affect the lien of a prior recorded mortgage without the consent of the mortgagees.

2. Membership in the Homeowners Association. Ownership of a Unit shall entitle the Owner to membership in the Association and an interest in the funds and assets of that corporation. Each Owner's interest in the Association shall be equal to his percentage interest in the Common Elements.

3. Easements. Each Unit shall have and is hereby granted as an appurtenance, the following easements:

(a) Easements for encroachment of buildings onto any common area.

(b) An exclusive easement for the use of the air space occupied by the Unit as it exists at any particular time and as the Unit may be altered or reconstructed from time to time, which easement shall be terminated automatically in any air space which is vacated from time to time.

(c) Easements through all Common Elements for ingress, egress, recreational use, maintenance, repair and replacement or any other use as permitted by this Declaration.

(d) Easements through Units for maintenance, repair and replacement of the Unit and Common Elements, and for other necessary purposes; provided that access to any Unit shall be permitted under this easement only during reasonable hours except in case of emergency.

ARTICLE V

DEVELOPER'S UNITS AND PRIVILEGES

1. Right to Own and Sell. Notwithstanding anything herein to the contrary, the Developer is irrevocably empowered to sell, lease or rent Units to any person approved by it. The Developer shall have the right to transact on the Condominium Property any business necessary to consummate the sale, lease or rental of Units, including but not limited to the right to maintain models, have signs, maintain an office and employees on the Property and use the Common

OFFICIAL RECORDS

Elements to show Units. A sales and rental office, signs and all items pertaining to sales and rentals shall not be considered Common Elements and shall remain the property of the Developer.

2. Assessments Against Unsold Units. The Developer may elect to guarantee to purchasers of Units that assessments for Common Expenses during any stated period of time shall not exceed a specified dollar amount and that Developer shall pay any Common Expenses in excess of the guaranteed level. If Developer so elects, this guarantee shall be made a part of the documents provided to purchasers prior to closing as required by Florida law, or may be made by separate agreement between the Developer and not less than a majority of Unit owners other than the Developer. Should the Developer elect to make such a guarantee to Unit Owners, the Developer shall be exempted during the period of the guarantee from liability for Common Expenses attributable to Units owned by the Developer.

If the Developer elects not to make such a guarantee, then it shall nonetheless be exempt from payment of any Common Expenses attributable to Units owned by the Developer for a period of time terminating no later than the first day of the fourth calendar month following the month in which the closing of the sale of the first Unit occurs. However, while the Developer is so exempt, the Developer must pay the portion of the Common Expenses incurred during the exempt period which exceed the amount assessed against other Unit Owners.

3. Right to Change, Divide or Combine Units. The Developer reserves the right to change the interior design and arrangement of, and to divide or combine one or more Units or portions thereof at any time prior to the sale of such Units by the Developer. In the event that Developer divides or combines Units, the share of the Common Elements, Expenses and Surplus applicable to such Unit shall be increased or decreased so that the resulting Unit or Units have shares allocated in the same manner as shares are allocated to all Units herein.

4. Easement for Access and Utilities. The Developer expressly reserves a perpetual easement for ingress and egress and for all utility installation and maintenance over, across and under all the

roadways and parking areas as shown on Exhibit A.

5. Developer's Right to manage the Association. Developer hereby reserves unto itself the right to manage all of the affairs of this Condominium and all of the affairs of the Association including naming all directors and officers thereof so long as the Developer owns more than 85% of the Units.

Developer's rights reserved herein shall include the sole and exclusive right to take all actions and do all things on behalf of the Association for the maintenance and operation of the Condominium Property, the determination and collection of assessments, the enactment and enforcement of regulations respecting the use of the Condominium Property and the payment of all Common Expenses. So long as the Developer shall have control of the Association, it shall have all powers provided in this Declaration and in its Articles of Incorporation and By-Laws.

Unit Owners shall be entitled to elect directors of the Association in the following proportions and at the following times, in the manner provided in the Association By-Laws (with the Developer appointing all remaining Directors):

(a) Unit Owners shall be entitled to elect one-third of the Board of Directors when Unit Owners other than the Developer own record title to 15% or more of the Units in the Condominium.

(b) Unit Owners shall be entitled to elect a majority of the Board not later than:

i. Three years after the Developer has closed the sale of 50% of the Units; or

ii. Three months after the Developer has closed the sale of 90% of the Units; or

iii. Upon completion of all Units, conveyance of at least one to a purchaser other than the Developer, and failure of the Developer to offer any remaining Units for sale in the ordinary course of business; or

iv. Upon conveyance of at least one Unit to a purchaser other than the Developer, and failure of the Developer to construct the other Units or offer them for sale in the ordinary course of business.

Notwithstanding the above, the Developer shall be entitled to elect the remaining members of the Board (other than the members elected by the Owners as provided above) so long as the Developer owns record title to at least 5% of the Units and holds those Units for sale in the ordinary course of business.

Within sixty (60) days after the Unit Owners become entitled to elect any members of the Board of Directors, or at any earlier time, if Developer so elects, the Developer shall call a meeting of the Association for the election of directors. The Unit Owners shall be given at least thirty (30) but not more than forty (40) days notice of the meeting, furnished in the manner provided in the By-Laws of the Association. At the meeting the Owners shall elect directors who shall replace those named by the Developer and who shall serve until the next regularly scheduled annual meeting of the Association when their successors shall be elected as provided in the By-Laws.

6. Prohibited Actions. So long as the Developer is the owner of record title to any Unit, and holds that Unit for sale in the ordinary course of business, none of the following actions may be taken without approval in writing from the Developer:

- (a) Assessment of the Developer as a Unit Owner for capital improvements;
- (b) Any action that would be detrimental to the sale of Units by the Developer; provided, however, that a uniform increase in assessments for common expenses without discrimination against the Developer shall not be deemed detrimental.

ARTICLE VI

MANAGEMENT OF THE CONDOMINIUM

1. The Association. The Association shall administer this Condominium and manage, maintain and repair the Condominium Property (except for the portions of Units to be managed, maintained and repaired by Owners. All persons owning a vested present interest of record in the fee title to any Condominium Parcel shall automatically be members of the Association and their respective membership shall terminate as their vested interest in the fee title to the Condominium Parcel terminates. Membership in the Association cannot be transferred, assigned or pledged in any manner except as an appurte-

nance to the respective Unit. The Association has all of the rights and powers available to a non-profit association under the laws of the State of Florida, and in addition, the rights, powers and duties accorded to it by this Declaration. All expenses of the Association shall be assessed as Common Expenses of the Owners, as provided in its By-Laws.

2. Voting Rights in Association. Each Owner shall be entitled to one vote in the Association for each Condominium Parcel owned by him, which shall be exercised only by that Owner or his proxy. If a person owns more than one Unit, he shall be entitled to one vote for each Unit owned. In the event a Unit is owned by more than one person or by a corporation, trust or other entity, the individual entitled to cast the vote for that Unit shall be designated by a certificate filed with the Secretary of the Association and signed by all joint owners of the Unit or by an authorized agent of the corporation or other entity.

ARTICLE VII

MAINTENANCE, ALTERATION AND REPAIR

The responsibility for the maintenance and repair of the Condominium Property shall be as follows:

1. Association. The Association shall maintain, repair and replace:

(a) All Common Elements, including but not limited to all boundary walls of the Units except interior surfaces, all portions of the Unit contributing to the support of the building, the outside walls of buildings, floor and ceiling slabs, load bearing walls, floor slabs of patios, balconies and all fixtures on the exterior.

(b) All conduits, ducts, plumbing, wiring and other facilities for the furnishing of utility services to the Units, except those facilities which are the responsibility of the Owners to maintain, and all facilities contained within a Unit that service parts of the condominium other than Units in which they are contained.

(c) All other items which the Board of Directors of the Association determines shall be maintained, repaired or replaced by the Association, in accordance with uniform policies, consistently applied.

The Association shall have access to each Unit during reasonable hours as may be necessary for repair or maintenance of any Common Elements located therein or accessible therefrom and shall have such rights of access in emergencies as are necessary to prevent damage to a Unit or to the Common Elements.

2. Owner. The Owner shall:

(a) Maintain, repair and replace all portions of each Unit except the portions to be repaired and replaced by the Association. The areas to be maintained by the Owners shall include but not be limited to:

i. Heating and air-conditioning equipment within the Unit, and the ducts, pipes, wirings, controls, and other apparatus serving only that Unit, even though located outside the Unit boundary.

ii. All kitchen and bathroom fixtures, apparatus and equipment.

iii. All electrical, plumbing, telephone and television fixtures, apparatus, equipment outlets, switches, wires, pipes and conduits within the unfinished surfaces of the boundary walls of the Unit, and any such items serving only one Unit, even though located outside the Unit boundary.

iv. All doors within the Unit including those which open to the Unit from an entranceway or the outside, interior walls and partitions, wall decorations and built-in furniture, windows and window apparatus and glass, sliding glass doors, screens and screen supports.

(b) Not install any mechanical equipment which causes annoyance to the occupants of other Units.

(c) Not paint or otherwise decorate or change any portion of the exterior of the Unit building.

(d) Promptly report to the Association any defects or need for repairs for which the Association is responsible.

If the Owner shall fail to commence and diligently pursue the maintenance and repair required by this paragraph within ten (10) days after receiving written notice of his failure to do so from the Association, the Association shall have the right to make such re-

pairs, maintenance or replacement at the expense of the Owner. If the Owner fails to reimburse the Association for such expenses upon demand, the Association shall have a lien for such expenses upon that Owner's Condominium Parcel.

3. Alteration and Improvements. Neither an Owner nor the Association nor any other party (except the Developer as specifically set forth herein) shall make any alteration or additions or removals in the portions of a Unit that are to be maintained by the Association or do anything that will jeopardize the safety or soundness of the building or impair any easements without first obtaining unanimous approval in writing of Owners and mortgagees of record of all Units in which such work is to be done and of the Board of Directors of the Association. A copy of plans for such work prepared by an architect licensed to practice in Florida shall be filed with the Association prior to the start of any such work, the cost of which exceeds \$5,000.00. Alterations, additions or removals to the Common Elements may be made upon the approval of the Owners of 2/3 of the votes in the Association.

4. Reconstruction or Repair After Casualty.

(a) Determination to reconstruct or repair. If any part of the Condominium Property shall be damaged by casualty, the Board of Directors of the Association shall determine as to each Unit whether or not it is tenantable after the casualty. If Units to which 50% or more of the Common Elements are appurtenant are found to be tenantable, the damaged property shall be reconstructed or repaired as provided herein. If Units to which less than 50% of the Common Elements are appurtenant are found to be tenantable, the Board of Directors shall:

i. Obtain reliable and detailed estimates of the costs to rebuild or repair, and the amount of insurance proceeds available to pay such costs.

ii. Give all Owners notice of the casualty specifying the above information and calling a meeting of Owners to be held within thirty (30) days from the date of the notice.

At the meeting, the Owners shall consider whether to repair or replace the damage or to terminate the Condominium. If Owners of 66

2/3⁴ of the votes of the Association vote to repair or replace the damaged property, it shall be repaired or replaced. Otherwise, the Condominium shall be terminated without agreement as provided in Article XII, paragraph 1.

(b) Responsibility. The responsibility for reconstruction and repair after casualty, shall be the same as for maintenance and repair of the Condominium Property and the Association shall have the same rights as therein provided (Article VII, paragraph 2) to make repairs which are the responsibility of an Owner if that Owner fails to do so.

(c) Proceeds. If the damage is to be repaired, the Association shall make available the proceeds of insurance for such work. If the proceeds of insurance are not sufficient to reconstruct and repair the damaged property, assessments shall be made against the Owners responsible for the repair in sufficient amounts to provide funds for payment of such costs. Assessments for repair of a particular Unit shall be made against the Owner of that Unit. Assessments for repair of Common Elements shall be made against Owners in proportion to each Owner's share in the Common Elements.

(d) Disbursement of Funds. If the amount of the estimated costs of reconstruction and repair is less than \$10,000 and does not involve damage to structural parts of a building, the Board of Directors shall disburse funds for repair (insurance proceeds plus assessments) immediately upon their receipt. If the amount is \$10,000 or more, or involves damage to structural parts of a building, funds shall be disbursed by the Board of Directors: (i) only after the Board of Directors has approved the contractor to perform the repair work and the terms of the repair contract; and (ii) only to the extent that work is, in the judgment of the Board of Directors, satisfactorily completed.

Funds to repair damages for which the individual Owner is responsible shall be disbursed directly to that Owner unless there is a mortgagee endorsement as to any part of the insurance proceeds, in which event such insurance proceeds shall be disbursed jointly to the Owner and the mortgagee. All such disbursements shall be received in trust for use in the repair or replacement of the damaged

Unit.. All funds to repair damage for which the Association is responsible shall be disbursed directly by the Association for such repairs or replacements.

It shall be presumed that the first money disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If funds remain after payment of all costs of the reconstruction and repair, they shall be distributed to the beneficial owners, except that distributions of insurance proceeds to Owners whose mortgagees have a mortgagee endorsement as to the insurance proceeds shall be made payable jointly to the Owner and the mortgagee.

(e) Eminent Domain. The taking of a portion of a Unit or of the Common Elements by eminent domain shall be deemed to be a casualty. All awards payable due to such taking shall be paid to the Association and deemed to be proceeds from insurance on account of the casualty. If the casualty of eminent domain causes the Condominium to be terminated pursuant to paragraph 4(a) of this Article, then all awards shall be distributed as provided therein. If the casualty does not cause the Condominium to be terminated, all such awards shall be used as follows:

i. If the taking reduces the size of a Unit and in the judgment of the Board of Directors the remainder can be made tenantable, the award attributable to the taking of the Unit shall be used to make the Unit tenantable. If the cost of such work exceeds the amount of the award, the additional funds required shall be assessed against the Unit Owner. If the award exceeds the costs, the balance shall be paid to the Unit Owner or if a mortgagee is shown on the mortgagee roster, jointly to the Owner and the mortgagee.

ii. If the taking destroys or so reduces the size of a Unit that in the judgment of the Board of Directors it cannot be made tenantable, the award attributable to that Unit shall be paid entirely to the Unit Owner, or if a mortgagee is shown on the mortgagee roster, jointly to the Owner and the mortgagee. Upon payment of such proceeds, the Owner shall convey his entire interest in that Parcel to the remaining Unit Owners in undivided shares in proportion to the ownership interests of those Owners in the Common Ele-

ments and, if the condemnation award paid with regard to such taking is less than the fair market value of the Unit, then the remaining Unit Owners shall pay the conveying Owner the difference between the fair market value of the Unit and the amount of the condemnation award, sharing such payments in proportion to their respective ownership interests in the Common Elements. Thereupon, the remaining portion of the Unit shall become a part of the Common Elements and shall be placed in condition for use by all of the remaining Owners in a manner approved by the Board of Directors, the cost of such work being a Common Expense. The shares in the Common Elements appurtenant to the remaining Units of the Condominium shall be equitably adjusted to distribute the ownership of the Common Elements among the reduced number of Owners on the same basis as such ownership is established in this Declaration.

The changes in Units, in the Common Elements and in the ownership of Common Elements which result from or are necessitated by eminent domain shall be evidenced by an amendment of this Declaration, which shall be approved only by majority of all directors of the Association. The amendment shall be recorded at the expense of the Association in the Public Records of the County where the Property is located.

iii. If part of the Common Elements are taken, all awards attributable to such taking shall be distributed to the Association which shall use such awards to repair or replace the Common Elements to the extent possible. If the award exceeds the cost of repair or replacement, the excess shall be retained by the Association and become a part of the Common Surplus.

ARTICLE VIII

INSURANCE

The insurance other than title insurance which shall be carried on the Condominium Property and the property of the Unit Owners shall be governed by the following provisions:

1. Authority to Purchase. Insurance policies upon the Condominium Property shall be purchased by the Association, and provision shall be made for the issuance of certificates of mortgage endorsements to mortgagees of Units. The master policies and copies of all

endorsements shall be held by the Association. At the expense of the Owners may obtain such additional insurance coverage as they desire, upon their Condominium Parcels or their own personal property, for the contents and portions of the Units for which they are responsible, and for their personal liability.

2. Coverage. The Association shall obtain casualty insurance upon all buildings and improvements upon the Property and all personal property included in the Common Elements in an amount equal to its maximum insurable replacement value, excluding foundation and excavation costs, as determined annually by the Board of Directors, but subject to such deductible clauses as are required in order to obtain coverage at reasonable costs. Such coverage shall afford protection against loss or damage by fire and other hazards covered by a standard extended coverage endorsement and such other risks including, without limitation, vandalism and malicious mischief, as from time to time shall be customarily covered with respect to buildings similar in construction, location and use. The Board of Directors shall obtain such other insurance coverage for the Association as it deems desirable or required by law including, without limitation, workmen's compensation and public liability insurance.

3. Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense, except that any increase in premiums occasioned by use of a Unit other than as a residence, or by misuse, occupancy or abandonment of a Unit or of the Common Elements shall be assessed against the responsible Owner. If requested to do so, the Association shall furnish evidence of payment of premiums to each mortgagee listed in the register of mortgagees.

4. Proceeds. All proceeds of insurance policies purchased by the Association shall be payable to the Association. The Association shall hold such proceeds in trust, to be distributed as provided herein.

5. Association as Agent. The Association is irrevocably appointed agent for each Owner and for each mortgagee or other lien holder and for each owner of any other interest in the Condominium Property to adjust all claims arising under insurance policies pur-

chased by the Association and to execute and deliver releases upon the payment of claims.

6. Notice of Actions. If any action shall be brought against the Association which might result in a judgment for an amount greater than the insurance coverage carried by the Association, then the Unit Owners shall be given prompt notice of the action and shall have the right to intervene and defend their interests.

ARTICLE IX

ASSESSMENTS AND LIENS

1. Budgets. The members of the Association, by majority vote of all Unit Owners, shall approve annual budgets of projected expenses for each fiscal year and assess each Owner for his proportionate share of such expenses, as provided in the By-Laws.

2. Liability for Assessments. A Unit Owner, regardless of how title is acquired, including a purchaser at a judicial sale, shall be liable for all assessments coming due while he is the Unit Owner. Whenever a Unit is conveyed in a voluntary conveyance, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments up to the time of the conveyance, without prejudice to any right the grantee may have to recover from the grantor the amounts paid by the grantee.

When the mortgagee of a first mortgage of record or other purchaser of a Unit obtains title as a result of foreclosure of the first mortgage, or as a result of a deed given in lieu of foreclosure, such acquirer of title and his successors and assigns shall not be liable for the share of Common Expenses or assessments by the Association pertaining to the Unit or chargeable to the former Owner which became due prior to such acquisition of title unless the share is secured by a claim of lien for assessments that is recorded prior to the recording of the foreclosed mortgage. The unpaid assessments are Common Expenses collectible from all of the Unit Owners, including such acquirer and his successors and assigns. However, such acquirer of title is not excused from liability for assessments against such Unit which come due after acquisition of title to the Unit.

3. Payment of Assessments; Lien for Unpaid Assessments. Each **OFFICIAL RECORDS**

Unit Owner's assessment for his Condominium Parcel shall be due and payable to the Association in twelve (12) equal monthly installments in advance unless some other payment schedule is adopted by the Board of Directors. If necessary to cover unanticipated expenditures which may be incurred during the fiscal year, the board of directors may, as provided in the By-Laws, levy special assessments against Unit Owners in proportion to their share of the Common Expenses and may require Owners to maintain a minimum balance on deposit with the Association for working capital and other contingent expenses. In addition, the Board of Directors may assess Owners for certain expenses attributable solely to their Unit. Such assessments may be for costs specifically provided herein (such as reconstruction or repair after casualty) or may be in the discretion of the Board of Directors.

Any assessments provided for in this Declaration which are not paid when due shall bear interest from the due date until paid at the maximum rate allowed by law or such lower rate as the Board of Directors shall determine, shall be subject to a late charge as may be set and uniformly applied by the Board of Directors and shall entitle the Association to an attorneys fee in the collection thereof. The Association shall have a lien on each Condominium Parcel for any assessment, interest, late charge, expenses, and attorneys fees provided for in this Declaration. Such liens shall not attach until a notice of lien is recorded in the public records of the County in which the Property is located, and a copy thereof is furnished to the record Owner of the Condominium Parcel. In addition, the Association shall have all other rights and remedies provided by this Declaration, the By-Laws, the Condominium Act and other applicable laws for the collection of the above, or the enforcement of its liens.

ARTICLE X**USE RESTRICTIONS**

The use of the Condominium Property shall be in accordance with

the following provisions so long as the Condominium and the condominium buildings exist in a useful condition on the Property:

1. Single-Family Residences; Restrictions on Minor Children.

The Condominium Property shall be used only for single-family residences and for the furnishing of related recreational facilities for the enjoyment of such residents. Accordingly, each of the Units shall be occupied by a single family only, and their guests, as a residence and for no other purpose. Minor children are allowed as permanent residents only in Units having three bedrooms. Entire Units may be rented. Except as reserved to the Developer before sale, no Unit may be divided or subdivided into a smaller Unit, nor shall any portion thereof be sold or otherwise transferred, without first properly amending this Declaration to show the resulting changes in the Units. The Common Elements shall be used only for the purposes for which they are intended in the furnishing of services and facilities for the enjoyment of the Owners and occupants of the Units.

2. Lawful Use; Nuisances. All valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction over the Condominium Property shall be observed by all Owners and occupants. No nuisances shall be allowed upon the Condominium Property, nor any use or practice which annoys or interferes with residents. No loud or objectionable noises or odors which may disturb adjacent Units shall be permitted. All parts of the Condominium Property shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage allowed to accumulate, nor any fire hazard allowed to exist. No Owner shall make or permit any use of his Condominium Parcel which will increase the rate of insurance upon the Condominium Property.

3. Regulations. Reasonable regulations concerning the use of the Condominium Property may be made and amended from time to time by the Board of Directors of the Association, provided that they do not conflict with this Declaration or the By-Laws of the Association. Copies of such regulations shall be furnished by the Association to all Owners and residents of the Condominium upon request. By acceptance of title to or possession of their Units, all Owners

and residents agree to abide by the regulations and By-Laws of the Association. The Board of Directors or its designated agent shall have the right, without a breach of the peace, to enter any Unit after reasonable advance notice at any reasonable time to determine compliance with the Condominium Act, this Declaration, the By-Laws and the regulations of the Association.

4. Signs. No signs shall be displayed from a Unit or on the Common Elements except those which have advance written approval from the Association.

ARTICLE XI

AMENDMENTS TO DECLARATION

Article V and any other article in this Declaration affecting the rights of the Developer shall not be subject to amendment without the consent of the Developer. Article XII entitled "Termination" may not be amended without the consent of all Owners and mortgagees of record. No amendment shall change any Unit or its appurtenant share in the Common Elements unless the Owner and all mortgagees of record shall join in the execution of the amendment. No amendment may change Article VIII entitled "Insurance" nor Article VII, paragraph 4, entitled "Reconstruction or Repair After Casualty," unless all mortgagees of record shall join in the execution of the amendment.

Subject to the above provisions, this Declaration of Condominium may be amended as follows:

1. Until the election of a majority of the Board of Directors by the Owners and except as provided in Article II, this Declaration may be amended by vote of all the Directors provided that the amendment does not increase the number of Units nor alter the boundaries of the Common Elements. In those events, the amendment must be approved by two-thirds of the votes of the Owners regardless of whether the Owners have elected a majority of the Board of Directors.

2. After the election of a majority of the Board of Directors by the Owners, this Declaration may be amended at a meeting of the members of the Association. Amendments may be proposed by the Board

of Directors or by individual members of the Association. Proposals shall be submitted in writing to the President of the Association who, upon receipt, shall call a meeting of the Association to consider the proposed amendment. The meeting shall be held within thirty (30) days after receipt by the President of the proposed amendment. Notice of the meeting specifying the proposed amendment shall be furnished in accordance with the By-Laws of the Association. At the meeting, the proposed amendment shall be adopted if approved by not less than two-thirds of the votes of the entire membership of the Association.

After adoption of any amendment pursuant to this Article, the officers of the Association shall execute and record in the public records of the county in which the Property is located, a certificate certifying that the amendment was duly adopted. The amendment shall be effective when the certificate and a copy of the amendment are duly recorded.

ARTICLE XII

TERMINATION

The Condominium may be terminated in the following ways:

1. Destruction. In the event it is determined pursuant to Article VII, paragraph 4(a) that the condominium buildings shall not be reconstructed after damage, the Condominium will be thereby terminated without agreement.
2. Agreement. The Condominium may be terminated by the approval in writing of all the Owners and mortgagees of record.
3. Termination by Purchase of Dissenting Owner's Units. If members holding a majority of votes in the Association desire termination, they may make a written request to the President of the Association for a meeting of the members to consider termination. Notice of the meeting shall be furnished as provided in the By-Laws. If the termination is approved at the meeting by a vote of not less than two-thirds of the votes of the Owners, and if the consent of all mortgagees of record is obtained in writing not later than sixty (60) days from the date of the meeting, then the approving Owners

shall have an option to buy all (but not less than all) of the Condominium Parcels of the non-approving Owners for the period ending on the sixtieth day from the date of the meeting. Approval of termination by an Owner at such a meeting shall be irrevocable until the expiration of the option, and if the option is exercised, the approval shall be permanently irrevocable.

The above option shall be exercised by delivery of the following instruments in person or by registered mail to each Owner of the Condominium Parcels to be purchased:

(a) A certificate executed by the President and Secretary of the Association certifying that the option to purchase has been exercised as to all Condominium Parcels owned by non-approving Owners. The certificate shall state the names of the Owners exercising the option, the Parcels owned by them and the Parcels being purchased by each of them.

(b) An agreement to purchase upon the terms herein stated, the Condominium Parcel of the Owner receiving the notice, which agreement shall be signed by the purchasing Owner.

The price for each Condominium Parcel purchased pursuant to this Article shall be its fair market value determined by agreement between the seller and purchaser within thirty (30) days from the delivery or mailing of the items specified above. In the absence of agreement as to price, it shall be determined by arbitration in accordance with Article XIII below, and the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association. If the appraisers cannot reach agreement upon the market value of the Condominium Parcel, then the market value shall be the average of the values reached by the two appraisers. A judgment of specific performance of the purchase based upon the determination of the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid equally by the purchaser and seller. The sale price shall be paid in cash, or upon terms approved by the seller and the Association and the sale shall

be closed within twenty (20) days following the determination of the sale price. The closing of the purchase of all the Condominium Parcels subject to the above option shall effect a termination of the Condominium without further act except the filing of the certificate hereafter required.

4. Certificate. The termination of the Condominium in any of the foregoing ways shall be evidenced by a certificate of the Association executed by the President and Secretary certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the public records of the County in which the Property is located.

5. Shares of Owners After Termination. After termination of the Condominium, the Owners shall own the Condominium Property and all assets of the Association, including the right to insurance proceeds, if any, as tenants in common in undivided shares, and their respective mortgagees and lienors shall have mortgages and liens upon the respective undivided shares of the Owners. Such undivided shares of the Owners shall be the same as the undivided shares in Common Elements appurtenant to the Owners' Units prior to the termination. Following termination, any Owner may request distribution to him of his proportionate share in all liquid assets of the Association, but Owners shall not have the right to partition the Property and by their acceptance of this Declaration shall be deemed to have waived such right to partition.

ARTICLE XIII

ARBITRATION

1. When Used. The process of arbitration as herein set forth shall be used to determine the fair market value of a Unit for purposes of sale pursuant to Article XII and when any controversy arises as to the construction of or compliance with any provision of this Declaration.

2. Procedure. Any party to a controversy subject to arbitration hereunder may institute proceedings upon written notice delivered to the other parties in person or by certified mail, which shall reasonably identify the subject of controversy. Within fifteen

(15) days from receipt of such notice, each party shall name and appoint one arbitrator. If any party fails to appoint an arbitrator within the above period, the party having made his appointment shall appoint a second arbitrator. The two appointed arbitrators shall then appoint a third. Upon their failure to appoint a third arbitrator within a reasonable time, application may be made by either party to the Circuit Court of the County in which the Property is located for such appointment.

The arbitrators shall select the time and place for hearing on the controversy, and shall notify the parties of the time and place by written notice delivered in person or by registered mail at least five (5) days prior to the hearing. The hearing shall be conducted by all of the arbitrators, but a majority may determine any question and render a final decision and award. Members

Section 1. The members of Colonial Point Association, Inc. (the "Association"), a corporation not for profit organized under the laws of the State of Florida, shall consist of the respective owners of condominium parcels ("units") of Colonial Point Condominiums located in Duval County, Florida. The interest of each member in the Association's funds and assets shall be equal to that member's ownership in the common elements of the condominium which are appurtenant to his unit.

Section 2. The membership of each unit owner shall terminate when he ceases to be a unit owner, and upon the sale, transfer or other disposition of his ownership interest in a unit, membership in the Association shall automatically be transferred to the new unit owner succeeding to such ownership interest. The Association may issue certificates evidencing membership therein.

Section 3. Each unit shall be entitled to one vote at Association meetings, which shall be exercised by the unit owner. A majority of votes shall decide all questions at Association meetings, unless specified otherwise in these By-Laws, the Articles of Incorporation, or the Declaration of Condominium of Colonial Point Condominiums (the "Declaration"). If a person owns more than one unit, he shall be entitled to one vote for each unit owned. In the event that a unit is owned by more than one person, or by a corporation, trust or other entity, the person entitled to cast the vote for that unit shall be designated by a certificate filed with the Association and signed by all joint owners or an authorized agent of the corporation or other entity.

Section 4. A quorum at membership meetings shall consist of attendance in person or by proxy of members entitled to cast a majority of the votes of the entire membership. The joinder of a member in the action of a meeting by signing and concurring in the minutes thereof shall constitute the presence of such person for the purposes of determining a quorum.

Section 5. Votes may be cast in person or by proxy. Proxies shall be in writing and shall be valid only for the particular meeting designated thereon together with any lawful adjournments thereof, but in no event shall any proxy be valid for more than 90 days after the date of the first meeting for which it was given. Proxies shall set forth the name of the person voting by proxy, the name of the person authorized to vote on behalf of the person giving the proxy, the date the proxy is given, and the date, time and place of the meeting for which the proxy is given. If a proxy expressly so provides, any proxy holder may appoint in writing a substitute to act in his place, but no substitution is authorized in the absence of such provision. Proxies must be filed with the Secretary before the appointed time of the meeting. Every proxy is revocable at any time at the pleasure of the unit owner executing it.

ARTICLE II

Section 2. The annual meeting of the membership of the Association shall be held at the offices of the Association or at such other place in the State of Florida as shall be designated by the Board of Directors or the President of the Association. Section 4. Notice of all members' meetings, regular or special, shall be given by the President, Vice President or Secretary of the Association to each member unless waived in writing. Such notices shall be written or printed, shall state the time, place and purpose of the meeting, and shall be mailed or personally delivered to each member as follows:

(a) For special meetings called by the membership pursuant to Section 3 above (including any special meeting for recall of Board members pursuant to Florida Statutes, §718.112(2)(g)), not less than fourteen nor more than sixty days prior to the meeting:

(b) For any other special meetings, not less than forty-eight (48) hours prior to the date of the meeting, unless the Board determines an emergency, in which event the Board shall give such notice as is reasonable under the circumstances;

(d) For any meetings at which the budget of common expenses will be considered, not less than thirty nor more than sixty days prior to the date of the meeting.

In addition, except in an emergency, when such notice requirement shall be waived, written notice shall be posted at a conspicuous place on the condominium property not less than forty-eight (48) hours prior to any special meeting and not less than fourteen (14) days prior to the annual meeting. An officer of the Association shall provide an affidavit, to be included in the official records of the Association, affirming that notices of the Association meeting were mailed or hand delivered in accordance with

Section 5. Any unit owner may waive notice of a specific meeting or consent to the holding of a meeting without notice or consent to any action taken without a meeting which would otherwise require approval at a meeting, by execution of a waiver or consent in writing. Such waiver or consent may be executed prior to, at, or subsequent to the meeting or Association action to which the waiver or consent relates.

ARTICLE III

Board of Directors

Section 1. The Board of Directors of the Association shall consist of not less than three, nor more than nine persons, who shall be originally appointed as provided in the Declaration. Thereafter, subject to the provisions of the Declaration, the directors shall be elected at the annual membership meeting, and shall hold office for a term of one year and until their successors shall be elected and qualified. At each election for directors, each member shall be entitled to vote for as many persons as there are directors to be elected. No cumulative voting shall be permitted. The candidates receiving the highest number of votes shall be declared elected.

Section 2. After the first election of all directors by the membership, each director shall be a unit owner or the spouse of a unit owner (or, if a unit owner is a corporation, partnership, or trust, a director may be an officer, partner or beneficiary of such unit owner). If a director shall cease to meet such qualifications during his term, he shall thereupon cease to be a director and his place on the Board shall be deemed vacant.

Section 3. Any vacancy occurring in the Board may be filled by a majority vote of the remaining members thereof.

Section 4. An annual meeting of the Board shall be held immediately following the annual meeting of the membership and at the same place. Special meetings of the Board shall be held upon

call by the President or a majority of the Board on not less than forty-eight (48) hours notice in writing to each director, unless the Board determines an emergency to exist, in which event the Board shall give such notice as is reasonable under the circumstances. All meetings of the Board of Directors shall be open to unit owners and, except in an emergency as provided above, notices of all meetings shall be posted in a conspicuous place on the condominium property at least 48 hours prior to the meeting. However, unit owners shall not be entitled to vote or participate in any other way at the meeting. Notice of any meeting of the Board at which assessments against unit owners are to be considered for any reason shall specifically contain a statement that assessments will be considered and shall refer to the nature of such assessments.

Section 5. Any director may waive notice of a specific meeting or consent to the holding of a meeting without notice or consent to any action of the Board without a meeting. Such waiver or consent may be executed prior to, at, or subsequent to the meeting or Board action to which the waiver or consent relates.

Section 6. A quorum for the transaction of business shall consist of a majority of the directors. However, less than a quorum may adjourn a meeting from time to time. A majority of directors who are present at any meeting where a quorum is present shall decide any question before the meeting.

Section 7.

(a) Except for directors appointed by the Developer as allowed in the Declaration, any director may be removed from office, with or without cause, by a vote of agreement in writing of at least a majority of all unit owners. Notwithstanding any other provisions herein, a special meeting of unit owners to remove a director or directors from office may be called by 10% of the voting interests of all unit owners giving notice to all owners of the meeting, which notice shall state the purpose of

the meeting and shall be given to all unit owners in writing in the same manner as required by these Bylaws for special meetings of unit owners and must be accompanied by a dated copy of a signature list of at least 10% of the unit owners, which list must state that the purpose of the signatures is for the removal of a director or directors from office.

(b) If the recall is approved by a majority of all voting interests by a vote at a meeting, the recall shall be effective immediately, and the recalled director or directors shall turn over to the Board any and all records of the Association in their possession, within 72 hours after the meeting.

(c) If the proposed recall is by an agreement in writing by a majority of all voting interests, the agreement in writing shall be served on the Association by certified mail. The Board of Directors shall call a meeting of the Board within 72 hours after receipt of the agreement in writing and shall either certify the written agreement to recall a member or members of the Board, in which case such member or members shall be recalled effective immediately and shall turn over to the Board within 72 hours, any and all records of the Association in their possession, or proceed as described in subparagraph (c).

(d) If the Board determines not to certify the written agreement to recall a member or members of the Board, or if the recall by a vote at a meeting is disputed, the Board shall within 72 hours, file with the Division of Florida Land Sales, Condominiums and Mobile Homes a petition for binding arbitration pursuant to the procedures of Section 718.1255, Florida Statutes. For purposes of this section, the unit owners who voted at the meeting or who executed the agreement in writing shall constitute one party under the petition for arbitration. If the arbitrator certifies the recall as to any member or members of the Board, the recall shall be effective upon service of the final order of arbitration upon the Association. If the Association fails to

comply with the order of the arbitrator, the Division may take action pursuant to Section 718.501, Florida Statutes. Any member or members so recalled shall deliver to the Board any and all records of the Association in their possession within 72 hours of the effective date of the recall.

Section 8. Directors shall receive no compensation for their services unless expressly provided for in resolutions duly adopted by the unit owners.

Section 9. The Board shall have the following powers and duties:

(a) To elect the officers of the Association as hereinafter provided;

(b) To administer the affairs of the Association and the condominium and formulate policies for such purposes;

(c) To adopt administrative rules and regulations governing the administration, management, operation and use of the condominium and to amend such rules and regulations from time to time;

(d) To provide for the maintenance, repair and replacement of the common elements and limited common elements;

(e) To provide for the designation, hiring and removal of employees and other personnel or service companies, to engage or contract for the services of others, to make purchases for the maintenance, repair, replacement, administration, management and operation of the condominium and the condominium property and to delegate any such powers to the employees or agents of the Association;

(f) To estimate the amount of the annual budget, to provide the manner of assessing and collecting from the unit owners their respective shares of such estimated expenses as hereinafter provided and to assess any supplemental assessment as the Board shall deem necessary;

(g) Unless otherwise provided herein or in the Declaration, to comply with the instructions of a majority of the unit

owners as expressed in a resolution duly adopted at any annual or special meeting of the unit owners;

(h) To exercise all other powers and duties of the Board provided for in the Declaration, the Certificate of Incorporation of the Association and Chapter 718, Florida Statutes, the Condominium Act of the State of Florida, as amended from time to time.

ARTICLE IV

Officers

Section 1. Subject to the provisions of the Declaration, at each annual meeting of the Board, the Board shall elect from the membership of the Association the following officers of the Association:

(a) A President, who shall be a director, shall preside over the meetings of the Board and of the unit owners and shall be the chief executive officer of the Association. In the recess of the Board of Directors, the President shall have general control and management of the business and affairs of this Association;

(b) One or more Vice Presidents, who shall in the absence or disability of the President, perform the duties and exercise the powers of the President;

(c) A Secretary, who shall keep the minutes of all meetings of the Board and of the membership and who shall perform all the duties generally incident to the office of Secretary;

(d) A Treasurer, who shall cause to be kept the financial records and books of account of the Association; and

(e) Such additional officers as the Board shall see fit to elect.

Section 2. The respective officers shall have the general powers usually vested in such officers of a not-for-profit corporation, provided that the Board may delegate any specific powers to any other officer or impose such limitations or restrictions upon the powers of any officer as the Board may deem necessary.

Section 3. Each officer shall hold office for the term of one year and until his successor shall have been elected and qualified.

Section 4. Vacancies in any office shall be filled by the Board at special meetings thereof. Any officer may be removed at any time, with or without cause, by the affirmative vote of a majority of the whole Board.

Section 5. Officers shall receive no compensation for their services, unless expressly provided for in a resolution duly adopted by the unit owners.

ARTICLE V

Assessments

Section 1. The Board shall cause to be prepared an estimated annual budget for the common expenses of the Association in advance of each fiscal year at a special meeting of the Board called for that purpose at least 45 days before the end of each fiscal year. The proposed annual budget of common expenses shall be detailed and shall show the amounts budgeted by accounts and expense classifications, including, when applicable, but not limited to:

- (a) Administration of the association;
- (b) Management fees;
- (c) Maintenance;
- (d) Taxes on association property;
- (e) Insurance;
- (f) Security provisions;
- (g) Other expenses;
- (h) Operating capital;
- (i) Fees payable to the Division of Florida Land Sales, Condominiums, and Mobile Homes; and
- (j) Reserve accounts for capital expenditures and deferred maintenance, including, but not limited to, roof replacement, building painting and pavement resurfacing. The amount to be reserved shall be computed by means of a formula

based on the estimated life and estimated replacement costs of the reserved item. Reserves may be removed from the final budget only if a majority of the unit owners vote in person or by proxy at a duly called meeting of the Association to provide no reserves or reserves less adequate than required by Section 718.112(2)(k), Florida Statutes. Any such waiver of the statutorily required reserves shall be effective for only one annual budget, and a vote must be taken annually to continue such waiver. Reserves must be included in the proposed annual budget and shall not be reduced prior to the mailing to unit owners of the proposed annual budget. All funds reserved pursuant to Section 718.112(2)(k), Florida Statutes, shall be used for the purpose for which they are reserved, unless their use for other purposes is approved by a vote of a majority of the unit owners present in person or by proxy at a duly called meeting of the Association.

Section 2. The estimated annual budget for each fiscal year as prepared by the Board shall be approved by a majority of all unit owners. A copy of the proposed annual budget shall be mailed to unit owners not less than thirty (30) days prior to the meeting at which the budget is to be considered, together with notice of the meeting specifying the time and place at which it will be held.

Section 3. On or before the first day of the first month and of each succeeding month of the year covered by the annual budget, each unit owner shall pay as his unit's respective monthly assessment for the common expenses, one-twelfth (1/12) of his proportionate share of the common expenses for such year as shown by the annual budget, unless some other periodic method of payment is designated by the Board of Directors. Such proportionate share for each unit owner shall be in accordance with his respective ownership interest in the common elements as set forth in the Declaration. The Board may send to each unit owner on or before the first day of each assessment period a statement of the assessment of his unit for such period, but the failure to

receive such statement shall not relieve any unit owner of his obligation to pay his assessment on or before the first day of each assessment period. In the event that the Association shall not approve an estimated annual budget or shall fail to determine new periodic assessments for any year, or shall be delayed in doing so, each unit owner shall continue to pay the amount of his respective periodic assessment as last determined. Each unit owner shall pay his assessment on or before the first day of each assessment period to the Treasurer of the Association or as may be otherwise directed by the Board. No unit owner shall be relieved of his obligation to pay his assessments for common expenses by abandoning or not using his condominium parcel or the common elements.

Section 4. In the event that during the course of any fiscal year, it shall appear to the Board that the assessments, determined in accordance with the adopted annual budget for such year, are insufficient or inadequate to cover the estimated common expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, furnish copies to each unit owner, and make a supplemental assessment against each unit owner for his proportionate share of such supplemental budget; provided, however, that the supplemental budget shall not require assessment of unit owners greater than 115% of their prior assessments, without approval of a majority of all unit owners. If the Board determines that a supplemental budget is required which will exceed the above limitations, it shall call a meeting of unit owners to consider such budget, giving notice of such meeting as required in these Bylaws for any meeting at which a budget is to be considered.

Section 5. The Board may require each unit owner to deposit with the Association a reasonable deposit for working capital or contingent expenses to be the same proportion of the total deposit as his percentage ownership in the common elements.

Section 6. If any fiscal year of the Association shall be less than a full calendar year, then the periodic assessments for each unit owner shall be proportionate to the number of days in the period covered by such budget. A unit owner shall pay his assessment commencing with the date of purchase of his condominium parcel, which assessment shall be in proportion to his respective ownership interest in the common elements and the number of days remaining in the assessment period covered by the current annual budget.

Section 7. The Board shall maintain accounting records according to approved accounting practices, which records shall be open to inspection by unit owners at reasonable times and upon reasonable notice. These accounting records shall include a record of receipts and expenditures and a separate account for each unit owner showing the assessments charged to and paid by such owner. Within ninety (90) days after the end of each year covered by an annual budget, or as soon thereafter as shall be practicable, the Board shall cause to be furnished to each unit owner a statement for such year so ended, showing the receipts and expenditures and such other information as the Board may deem desirable.

Upon reasonable notice to the Board, any unit owner shall be furnished a statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from him.

Section 8. Without the approval of the unit owners holding at least 75% of the votes of the Association, the Board shall not approve any capital expenditures in excess of five thousand dollars (\$5,000.00) other than rebuilding, repairing or replacing damaged property.

Section 9. Every unit owner shall pay in the manner herein provided, his proportionate share of the common expenses, and any special assessments assessed against his condominium parcel in the same ratio as his percentage of ownership in the

common elements as set forth in the Declaration. If any Unit owner shall fail or refuse to make any such payment of the common expenses or any special assessments when due, the amount thereof shall constitute a lien on the interest of such unit owner in his unit and its appurtenances. The Association and the Board shall have the authority to exercise and enforce any and all rights and remedies as provided for in the Condominium Act, the Declaration or these Bylaws or otherwise available at law or in equity, for the collection of all unpaid assessments.

Section 10. The Board of Directors may cause the Association to discharge any mechanic's lien or other encumbrance which in the opinion of the Board may constitute a lien against the common elements or limited common elements of the condominium. When less than all the unit owners are responsible for the existence of any such lien, the unit owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses (including attorney's fees) incurred by reason of such lien.

Section 11. The Board of Directors may levy special assessments against one or more of the condominium parcels to pay for improvements, repairs or replacements which are attributable only to those condominium parcels in accordance with the terms of the Declaration. Special assessments shall be due and payable within fifteen (15) days after notice thereof is given unless the notice shall specify a longer period.

ARTICLE VI

Use and Occupancy Restrictions

Section 1. No part of the condominium shall be used for other than housing and the related common purposes for which the condominium was designed. Each occupant, whether owner or tenant, shall comply with all the restrictions upon use set out in the Declaration.

Section 2. Uniform Rules and Regulations governing the use of the condominium and the conduct of persons entitled to so

use the condominium property shall be promulgated from time to time by the Board of Directors. All unit owners shall obey the Rules and Regulations as promulgated by the Board.

ARTICLE VII

Fidelity Bonds

The Association shall maintain a fidelity bond in the principal sum of not less than \$10,000 each for any officer or director of the Association who controls or disburses funds of the Association. The cost of such bond shall be borne by the Association.

ARTICLE VIII

Arbitration

Section 1. The process of arbitration as herein set forth may be used whenever there is an internal dispute among unit owners, the Association, or their agents and assigns, arising from the operation of the condominium.

Section 2. Any party to a controversy subject to arbitration hereunder may institute proceedings upon written notice delivered to the other parties in person or by certified mail, which shall reasonably identify the subject of controversy. Within fifteen (15) days from receipt of such notice, each party shall name and appoint one arbitrator. If any party fails to appoint an arbitrator within the above period, the party having made his appointment shall appoint a second arbitrator. The two appointed arbitrators shall then appoint a third. Upon their failure to appoint a third arbitrator within a reasonable time, application may be made by either party to the Circuit Court of the county in which the condominium is located for such appointment.

Section 3. The arbitrators shall select the time and place for hearing on the controversy, and shall notify the parties of the time and place by written notice delivered in person or by certified mail at least five (5) days prior to the hearing. The hearing shall be conducted by all of the arbitrators, but a majority may determine any questions and render a
