The Association shall, at the expense of all Unit Owners as and Individual Unit Charge, repair all incidental damage to Units resulting from maintenance, repairs and replacement of or to Common Elements, the Limited Common Elements and the Association Property.

C. Limited Common Elements. The responsibility for the cost of keeping in a clean and orderly condition the Limited Common Elements which are appurtenant to a certain Unit or Units to the exclusion of other Units, shall be borne by the Owner(s) of the Unit(s) to which the same are appurtenant, including without limitation, general cleaning, upkeep of area and appearance, sliding glass doors and any wiring, electrical outlets and fixtures. The Association shall be responsible for maintaining, repairing, repainting, refinishing and replacing the structural and mechanical elements of the Limited Common Elements, including the balconies, porches, lanais and covered garages and shall assess against and collect from the Owners of all Units as a part of the Assessments, the cost of such maintenance, repair, repainting, refinishing and replacement.

D. Right of Access to Units. The Association has the irrevocable right of access to each Unit during reasonable hours, when necessary for the maintenance, repair, or replacement of any Common Elements, or of any portion of a Unit to be maintained by the Association pursuant to this Declaration, or as necessary to prevent damage to the Common Elements or to a Unit or Units. Reasonable notice will be provided to the Unit Owner in the event of non-emergency maintenance, repair and/or replacement and, in the event of an emergency, notice shall be provided to the Unit Owner at a reasonable time after the emergency maintenance, repair and/or replacement.

E. Failure to Maintain. If the Board of Directors determines that any Owner has failed or refused to discharge properly his or her obligations with regard to maintenance, repair or replacement of items for which he or she is responsible hereunder, then, the Association shall give the Owner written notice of the Owner's failure or refusal. The notice shall set forth with reasonable particularity the maintenance, repair or replacement deemed necessary by the Board of Directors.

Unless the Board of Directors determines that an emergency exists, the Owner shall have ten (10) days within which to complete the specified maintenance, repair or replacement, or if the maintenance, repair or replacement is not capable of completion within such time period, to commence maintenance, repair or replacement within ten (10) days. If the Owner does not complete the required maintenance, repair and/or replacement within the time allotted, and if the repair, replacement and/or maintenance is of an item which, if not performed would affect other Units or the Common Elements but which does not create an emergency, the Board may provide such maintenance, repair or replacement and such cost shall be charged to the Owner as an Individual Unit Charge. If the Board determines that an emergency exists by virtue of an Owner's failure to maintain, then the Board may enter the Unit as provided in Article IX(D) above and provide the necessary maintenance, repair and/or replacement and such cost shall be charged to the Unit Owner as an Individual Unit Charge. Any cost charged to the Unit Owner as an Individual Unit charge under this section may include reasonable administrative fees and shall bear interest at the highest rate permitted by law from the date expended until paid in full.

If the Board determines that the need for maintenance, repair or replacement is to the Common Elements and/or Limited Common Elements and is caused by the willful or negligent act of any Owner, tenant or occupant of a Unit or the family, guests or invitees of any Owner, tenant or occupant of a Unit, then the Association shall charge the Unit Owner as an Individual Unit Charge for the cost of any maintenance, repair or replacement and any such amount so charged may include reasonable administrative fees and shall bear interest at the highest rate permitted by law from the date expended until paid in full.

F. Surface Water or Stormwater Management System. The Association shall be responsible for the maintenance, operation and repair of the surface water or stormwater management system. Maintenance of the surface water or stormwater management system(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities, as permitted by the St. Johns River Water Management District. Any repair or reconstruction of the surface water or

stormwater management system shall be as permitted or, if modified, as approved by the St. Johns River Water Management District.

X COMMON EXPENSES AND COMMON SURPLUS.

A. Definition. Common Expenses shall include the expenses of the operation, maintenance, repair or replacement of the Common Elements, costs of carrying out the powers and duties of the Association, costs of maintaining any facilities and property owned by the Association, and any other expense designated as Common Expenses by the Condominium Act, this Declaration or the Bylaws.

B. Ownership of Common Expenses and Common Surplus. Common Expenses shall be assessed against Unit Owners in accordance with the fraction set forth in Article IV(B) of this Declaration. The Common Surplus, if any, shall be owned by Unit Owners in a proportion equal to those proportions of ownership in the Common Elements as provided in Article IV(B) of this Declaration.

XI ASSESSMENTS: LIABILITY, LIENS, PRIORITY, INTEREST AND COLLECTIONS.

A. Determination of Assessments. The Association, through its Board of Directors, shall have the power to determine and fix the sums necessary to provide for the Common Expenses, including the expense allocable to services being rendered by a management company with whom the Association may contract. Assessments shall also be used for the maintenance and repair of the surface water or stormwater management systems, including, but not limited to, work within retention areas, drainage structures and drainage easements. The annual Assessment shall initially be payable monthly in advance; however, the Board of Directors shall have the power to establish other collection procedures (provided, however, that Assessments shall never be made less frequently than quarterly). If the annual Assessment proves insufficient to provide for the Common Expenses, the Board, in its sole discretion, may adopt a supplemental annual budget and levy a Supplemental Annual Assessment for the purpose of paying the deficiency in the Common Expenses. All of the provisions of this Declaration regarding payment and liability for Assessments shall be applicable to any such Supplemental Annual Assessment and any other Special Assessment levied by the Board of Directors, both of which shall be in accordance with §718.116, Florida Statutes. In addition, the Association shall have the power to levy Special Assessments against Units in their respective fractional shares for the other following purposes: (i) for the costs incurred by the Association for specific purposes of a nonrecurring nature which are not capital improvements; or (ii) costs incurred by the Association for the acquisition, installation, construction, maintenance, repair or replacement of any capital improvements located or to be located within the Common Elements or Association Property. In addition to the reserves which may be required to be maintained by the Association, the Board of Directors may include line items in the operating portion of the budget to establish funds for future contingencies in each annual Assessment.

The Board's failure or delay in preparing or adopting the annual budget for any fiscal year shall not waive or release an Owner's obligation to pay Assessments whenever the amount of such Assessment is finally determined. In the absence of an annual Association budget each Owner shall continue to pay the annual Assessment at the rate established for the previous fiscal year until notified otherwise.

B. Individual Unit Charges. In addition to the Assessments authorized above, the Association may charge an Individual Unit Charge against a particular Unit for the purpose of defraying, in whole or in part, the cost of: (i) any construction, reconstruction, repair, replacement, remediation of a capital improvement upon the specific Unit, (ii) any remedial work done by the Association because of the specific Unit Owner's violation of the terms and conditions of this Declaration, (iii) other special services to such Unit, (iv) a reasonable transfer fee as may be established and modified by the Board from time to time payable to the Association upon the sale of each Unit, or (v) any other charges designated in this Declaration as an Individual Unit Charge. Unless otherwise expressly provided by the Board in writing, an Owner shall pay an Individual Unit Charge charged against such Owner on or before the first day of the month immediately following the month in which the same is charged. Each Owner of a Unit, by acceptance of a deed or other transfer document, whether or not it shall be expressed in such deed or transfer document is deemed to covenant, promise and agree to pay the Association the Individual Unit Charges.

C. Liability for Assessments and/or Individual Unit Charges. A Unit Owner, regardless of the manner in which he acquired title to his Unit including, without limitation, a purchaser at a judicial sale or by deed in lieu of foreclosure, shall be personally liable for all Assessments and/or Individual Unit Charges while he is the Owner of a Unit. A grantee of a Unit shall be jointly and severally liable with the grantor for all unpaid Assessments against the latter for his share of the Common Expenses up to the time of the conveyance, except that the liability for prior Assessments of only first Mortgagees joining in a foreclosure action and acquiring title through foreclosure or deed in lieu of foreclosure shall be limited to the lesser of: (i) the Unit's unpaid Common Expenses and regular periodic Assessments which accrued or came due during the six (6) months immediately preceding the acquisition of title and for which payment in full has not been received by the Association, or (ii) one percent (1%) of the original mortgage debt, provided the first mortgagee joined the Association as a defendant in the foreclosure action. The liability for Assessments and/or Individual Unit Charges may not be avoided by waiver of the use or enjoyment of any Common Elements, services or recreation facilities, or by abandonment of the Unit against which the Assessment was made. The Association may charge an administrative late fee, in addition to interest, on any late Assessment and/or Individual Unit Charge payments not to exceed the maximum amount permitted under the Condominium Act.

Any unpaid share of Common Expenses or Assessments for which a first mortgage Mortgagee is relieved from liability under the provisions of this Declaration shall be deemed to be a Common Expense, collectible from all Unit Owners, including the acquirer of the Condominium Parcel, his successors and assigns. A Mortgagee may not, during the period of its ownership of such Parcel, whether or not such Parcel is unoccupied, be excused from the payment of some or all of the Common Expenses coming due during the period of such ownership. Nothing contained herein shall abridge or limit the right or responsibilities of Mortgagees as set forth in the Condominium Act.

D. Delinquent Payment. Assessments and installments thereof and/or Individual Unit Charges not paid when due shall bear interest from the due date until paid at the maximum rate allowed under Florida law. The Association may charge, in addition to the interest, an administrative late charge for Assessments and/or Individual Unit Charges not paid when due in an amount established by the Board of Directors from time to time, but not to exceed the greater of Twenty-Five Dollars (\$25.00) or five percent (5%) of each installment. If the delinquent installment(s) of Assessments, including interest and any late charge(s) thereon and/or Individual Unit Charges, including interest and any late charge(s) thereon are not paid in full when due, the Association at its option may, in accordance with the requirements of the Condominium Act, declare all of the unpaid balance of the annual Assessment to be immediately due and payable without further demand and may enforce the collection thereof and all charges thereon in the manner authorized by law and this Declaration, including, without limitation, an action against the Owner for payment of amount due.

Any payment received by the Association shall be applied first to any interest accrued by the Association, then to any administrative late fee, then to any costs and reasonable attorney's fees incurred in collection, then to any Individual Unit Charges and then to any delinquent Assessments. The foregoing shall be applicable notwithstanding any restrictive endorsement, designation or instruction in or accompanying the payment.

E. Association Lien Rights and Remedies. The Association shall have a lien upon each Condominium Parcel to secure the personal obligation of each Unit Owner thereof for any unpaid Assessment and interest thereon. Such lien shall also secure reasonable attorney's fees incurred by the Association incident to the collection of such Assessment or enforcement of such lien. The lien shall be evidenced by a claim recorded among the public records of the County in the manner provided by the Condominium Act. As to other than first mortgages of record, the lien shall relate back to the recording of the original Declaration of Condominium creating the Unit. As to first mortgages of record, the lien shall be effective from and as of the time of such recording. The Board of Directors may take such action as it deems necessary to collect Assessments by bringing an action in its name to foreclose a lien for Assessments in the manner a mortgage of real property is foreclosed and/or bringing an action to recover a money judgment for the unpaid Assessments and/or Individual Unit Charges without waiving any claim of lien it may have on the unpaid Assessments. The Association is entitled to recover its reasonable attorney's fees incurred in either a lien foreclosure action against unpaid Assessments or an action to recover a money judgment for unpaid Assessments and/or Individual Unit Charges.

Liens for Assessments may be foreclosed by suit brought in the name of the Association in like manner as set forth in the Condominium Act. If the unit owner remains in possession of the unit after a foreclosure judgment has been entered, the court, in its discretion, may require the unit owner to pay a reasonable rental for the unit. If the unit is rented or leased during the pendency of the foreclosure action, the Association is entitled to the appointment of a receiver to collect the rent. The expenses of the receiver shall be paid by the party which does not prevail in the foreclosure action. The Association may bid for the Condominium Parcel at foreclosure sale and apply as a cash credit against its bid all sums due the Association secured by the lien being enforced, and the Association may acquire and hold, lease, mortgage and convey any Condominium Parcel so acquired.

XII TERMINATION OF CONDOMINIUM.

The Condominium may be terminated in the following ways:

A. Destruction. In the event it is determined pursuant to Article XVIII, paragraph A that the Condominium buildings shall not be reconstructed, the Condominium will be thereby terminated without agreement of the owners and mortgagees of record.

B. Agreement. This condominium may be terminated by the approval in writing of all of the owners and mortgagees of record.

C. Termination by Purchase of Dissenting Owner's Units. If members holding a majority of votes in the Association desire termination, they may make a written request to the President of the Association for a meeting of the members to consider termination. Notice of the meeting shall be furnished as provided in the Bylaws. If the termination is approved at the meeting by a vote of not less than 67% of the votes of the owners, and if the consent of all mortgagees of record is obtained in writing not later than sixty (60) days from the date of the meeting, then the approving Owners shall have an option to buy all (but not less than all) of the Condominium Parcels of the non-approving Owners for the period ending on the sixtieth day from the date of the meeting. Approval of termination by an Owner at such a meeting shall be irrevocable until the expiration of the option, and if the option is exercised, the approval shall be irrevocable.

The above option shall be exercised by delivery of the following instruments in person or by registered mail to each owner of the Condominium Parcels to be purchased.

i. A certificate executed by the President and Secretary of the Association certifying that the option to purchase has been exercised as to all Condominium Parcels owned by non-approving owners. The certificate shall state the names of the Owners exercising the option, the Parcels owned by them and the Parcels being purchased by each of them.

ii. An agreement to purchase upon the terms herein stated, the Condominium Parcel of the Owner receiving the notice, which agreement shall be signed by the purchasing Owner.

The price for each Condominium Parcel purchased pursuant to this Article shall be its fair market value determined by agreement between the seller and purchaser within thirty (30) days from the delivery or mailing of the items specified above. In the absence of agreement as to price, it shall be determined by arbitration in accordance with Article XIV of the Original Declaration (the provisions of which are deemed incorporated herein by this reference), and the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association. If the appraisers cannot reach agreement upon the market value of the Condominium Parcel, then the market value shall be the average of the values reached by the two appraisers. A judgment of specific performance of the purchase based upon the determination of the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid equally by the purchaser and seller. The sale price shall be paid in cash, or upon terms approved by the seller and the Association and the sale shall be closed within twenty (20) days following the determination of the sale price. The closing of the purchase of all the Condominium Parcels subject to the above option shall effect a termination of the Condominium without further act except the filing of the certificate hereafter required.

D. Certificate. The termination of the Condominium in any of the foregoing ways shall be evidenced by a certificate of the Association executed by the President and Secretary certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the public records.

E. Shares of Owners after Termination. After termination of the Condominium, the Owners shall own the Condominium Property and all assets of the Association, including the right to insurance proceeds if any, as tenants in common in undivided shares, and their respective mortgagees and lienors shall have mortgages and liens upon the respective undivided shares of the Owners. Such undivided shares of the Owners shall be the same as the undivided shares in Common Elements appurtenant to the Owners' Units prior to the termination. Following termination, any Owner may request distribution to him of his proportionate share in all liquid assets of the Association, but Owners shall not have the right to partition the Property and by their acceptance of this Declaration shall be deemed to have waived such right to partition.

XIII LIMITATION OF LIABILITY.

A. Unit Owner Liability. The liability of each Unit Owner for Common Expenses shall be limited to the amounts assessed against him from time to time in accordance with the Condominium Act, this Declaration, the Articles and the Bylaws.

A Unit Owner may be personally liable for any damages caused by the Association in connection with the use of the Common Elements, but only to the extent of his or her pro rata share of that liability in the same fractional share as his interest in the Common Elements, and in no event shall said liability exceed the value of his Unit. Each Unit Owner shall be liable for injuries or damages resulting from an accident in his own Unit to the same extent and degree that the owner of a house or any other property owner would be liable for such an occurrence.

B. Association Liability. Notwithstanding the duty of the Association to maintain and repair parts of the Condominium Property, the Association shall not be liable to Unit Owners for entry or damage, other than the cost of maintenance and repair, caused by any latent condition of the Condominium Property. Further, the Association shall not be liable for any such injury or damage caused by defects in the design or workmanship or other reason connected with any additions, alterations or improvements or other activities done by or on behalf of any Unit Owners regardless of whether or not the same shall have been approved by the Association as provided hereunder. The Association shall not be liable to any Unit Owner or lessee or to any other person or entity for any property damage, personal injury, death or other liability on the grounds that the Association did not obtain or maintain insurance (or carried insurance with any particular deductible amount) for any particular matter where: (i) such insurance is not required hereby, or (ii) the Association could not obtain such insurance at reasonable cost or upon reasonable terms.

C. Legal Action Against the Association. In any legal action in which the Association may be exposed to liability in excess of insurance coverage protecting it and the Unit Owners, the Association shall give notice of the exposure within a reasonable time to all Unit Owners, and they shall have a right to intervene in and defend any action arising there from.

XIV LIENS.

A. Liens Against All Condominium Property. With the exception of liens which may result from the initial construction of this Condominium or provided for in this Article, no liens of any nature shall arise or be created subsequent to the recording of this Declaration against the Condominium Property (as distinguished from individual Units) without the unanimous consent of the Unit Owners.

B. Liens Against Units. Unless a Unit Owner has expressly requested or consented to work being performed or materials being furnished to his Unit, such labor or materials may not be the basis for the filing of a lien against same. No labor performed or materials furnished to the Common Elements shall be the basis for a lien thereon unless authorized by the Association, in which event, the same may be the basis for the filing of a lien against all Condominium Parcels in the proportions for which the Owners thereof are liable for Common Expenses.

C. Release of Liens. In the event a lien against two or more Condominium Parcels becomes effective, each Owner thereof may release his Condominium Parcel from the lien by paying the proportionate amount attributable to his Condominium Parcel. Upon such payment, it shall be the duty of the lienor to release the lien of record from such Condominium Parcel.

XV EASEMENTS.

A. Access Easement. A non-exclusive easement shall exist for pedestrian traffic over, through and across sidewalks, paths, walks, and stairs, and for vehicular and pedestrian traffic over, through and across such portions of the Common Elements and Association Property as may from time to time be intended for such purposes. All of such easements shall be for the use and benefit of the Unit Owners and their families, tenants, guests, servants, invitees and licensees; provided, however, nothing herein shall be construed to give or create in any person the right to park upon any portion of the Condominium Property, except to the extent that space may be specifically designated and assigned for parking purposes. Provided, however, no restrictions on parking and types of vehicles shall apply to those vehicles which are used in connection with any activity relating to construction, maintenance or marketing of Units.

B. Easements for Encroachments. The Condominium Property shall be subject to perpetual easements for encroachments presently existing or which may hereafter be caused by settlement or movement of the Condominium Building, minor inaccuracies in construction, alteration or repair of Common Elements made by or with the consents of the Association, which easements shall continue until such encroachments no longer exist. If the Condominium Property is destroyed and then rebuilt, encroachments due to reconstruction shall be permitted and a valid easement for said encroachments shall exist. If any portion of the Common Elements encroaches upon any Unit, or any Unit encroaches upon the Common Elements, as a result of the construction, reconstruction, repair, shifting, settlement or movement of any portion of the improvements contained in the Condominium Property, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists.

C. Utility Easements. The Condominium Property and Association Property shall be subject to such easements for utilities as may be determined by the Association or required to properly and adequately serve the Condominium Property as it exists from time to time. Each of said easements, whether heretofore or hereafter created, shall constitute covenants running with the land of the Condominium, and, notwithstanding any other provisions of this Declaration, may not be substantially amended or revoked in such a way as to unreasonably interfere with its proper and intended use and purpose and shall survive the termination of the Condominium. To the extent that the creation of any such utility easements require the joinder of Unit Owners, the Association by its duly authorized officers may, as the agent or the attorney-in-fact for the Unit Owners, execute, acknowledge and deliver such instruments; and the Unit Owners, by the acceptance of deeds to their Units, irrevocably nominate, constitute and appoint the Association, through its duly authorized officers, as their proper and legal attorney-in-fact for such purpose. Said appointment is coupled with an interest and is, therefore, irrevocable. Any such instrument executed pursuant to this Article shall recite that it is made pursuant to this Article.

D. Drainage Easements. The Association reserves for itself and its designees an easement and a right on, over and under the ground within the Condominium Property to maintain and direct drainage of surface water and other erosion controls in order to maintain reasonable standards of safety and appearance. Such right expressly includes the right to cut any trees, bushes or shrubbery, make any gradings of soil, or take any other similar action reasonably necessary in which event the Association shall restore the effected Condominium Property to substantially its condition prior to its action. The Association shall give reasonable notice of intent to take such action as to all affected Owners, unless in the opinion of the Association an emergency exists which precludes such notice. The rights granted hereunder may be exercised at the sole option of the Association and shall not be construed to obligate the Association to take any affirmative action in connection therewith.

E. Stormwater Management System.

(1) Blanket Easement. The plan for the development of the Condominium includes the construction of a Stormwater Management System, which may include, without limitation, retention areas, swales, conduits, weirs, pipes, pumps, and berms across the Condominium Property. The Association hereby reserves for itself, its successors and assigns, and grants to the Association and its designees, a perpetual, nonexclusive easement over and across all areas of the surface water or stormwater management system for access to operate, maintain or

repair the system. By this easement, the Association shall have the right to enter upon any portion of the Common Elements or Limited Common Elements which is a part of the surface water or stormwater management system, at a reasonable time and in a reasonable manner, to operate, maintain or repair the surface water or stormwater management system as required by the St. Johns River Water Management District permit. Additionally, the Association shall have a perpetual, non-exclusive easement for drainage over the entire surface water or stormwater management system. No person shall alter the drainage flow of the surface water or stormwater management system, including buffer areas or swales, without the prior written approval of the St. Johns River Water Management District.

(2) Maintenance. The Association shall operate, maintain, and repair the Stormwater Management System as required by the St. Johns River Water Management District ("District") permit. In order to provide adequate assurance that this stormwater management system will adequately function, the following maintenance procedures are hereby established for the permanent maintenance staff: (i) inspect all inlets and control structures for vandalism, deterioration or accumulation of sand and debris, and remove debris and repair as necessary; (ii) inspect and remove any debris in control structures, or blockage of orifice system, if so equipped; (iii) inspect and/or repair skimmer boards around control structures as necessary. Such right expressly includes the right to cut any trees, bushes or shrubbery, to make any gradings of soil, construct or modify any berms placed along the rear of any Units as part of the Stormwater Management System, providing maintenance and erosion control to the embankments of the surface water management system or take any other action reasonably necessary, following which the Association shall restore the affected property to its original condition as nearly as practicable.

Such maintenance shall include the exercise of practices which allow the Stormwater Management System to provide drainage, water storage, conveyance, or other capabilities in accordance with all the permits, statutes, rules and regulations pertaining to surface water management, drainage, and water quality promulgated by the District, Florida Department of Environmental Protection, and all other local, state and federal authorities having jurisdiction. The Association shall maintain and control the water level and quality of the Stormwater Management System, the bottoms of any portion of the surface water management system or drainage easements which retain or hold stormwater on a regular basis. The Association shall have the power, as may be required by any applicable governmental entity, to control and eradicate plants, fowl, reptiles, animals, fish and fungi in and on any portion of the surface water management system or drainage easements. The Association shall maintain all shoreline vegetation and the grade and control of all embankments to the water's edge (as it may rise and fall from time to time) irrespective of ownership of such land, keep the grass, plantings, and other lateral support of the embankments in a clean and safe manner and to prevent erosion and shall remove trash and debris as it may accumulate in the System, from time to time.

(3) Use and Access. The Association shall have the right to adopt reasonable rules and regulations from time to time in connection with the use of the surface waters of any portion of the Stormwater Management System and shall have the right to deny such use to any person who, in the opinion of the Association, may create or participate in a disturbance or nuisance on any part of the Stormwater Management System. The use of such surface waters by the Owners shall be subject to and limited by the rules and regulations of the Association, all permits issued by governmental authorities, and any rights granted to other persons pursuant to the rules and regulations of the Association. Only the Association shall have the right to pump or otherwise remove any water from any part of the Stormwater Management System for purposes of irrigation or any other use. No gas or diesel driven watercraft shall be operated on any portion of the Stormwater Management System, including the retention lakes.

(4) LIABILITY. THE ASSOCIATION SHALL NOT HAVE ANY LIABILITY WHATSOEVER TO OWNERS, GUESTS, TENANTS, OR INVITEES IN CONNECTION WITH THE SURFACE WATER MANAGEMENT SYSTEM AND DRAINAGE EASEMENTS OR ANY PART OF THE STORMWATER MANAGEMENT SYSTEM. EACH OWNER, FOR ITSELF AND ITS GUESTS, TENANTS, OR INVITEES RELEASES THE ASSOCIATION FROM ANY LIABILITY IN CONNECTION THEREWITH.

NEITHER THE ASSOCIATION, NOR ANY OF THEIR SUCCESSORS, ASSIGNS, OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (COLLECTIVELY), THE "LISTED PARTIES") SHALL BE LIABLE OR RESPONSIBLE FOR MAINTAINING OR ASSURING THE WATER QUALITY OR LEVEL IN ANY LAKE, POND, RETENTION AREA, CANAL, CREEK, MARSH AREA, STREAM OR OTHER WATER BODY WITHIN OR ADJACENT TO THE PROPERTY, EXCEPT AS SUCH RESPONSIBILITY MAY BE SPECIFICALLY IMPOSED BY AN APPLICABLE GOVERNMENTAL OR QUASI-GOVERNMENTAL AGENCY OR ENTITY AS REFERENCED HEREIN. FURTHER, ALL OWNERS AND USERS OF ANY PORTION OF THE PROPERTY LOCATED ADJACENT TO OR HAVING A VIEW OF ANY OF THE AFORESAID AREAS SHALL BE DEEMED, BY VIRTUE OF THEIR ACCEPTANCE OF A DEED TO, OR USE OF, SUCH PROPERTY, TO HAVE AGREED TO HOLD HARMLESS THE LISTED PARTIES FROM ALL LIABILITY RELATED TO ANY CHANGES IN THE QUALITY AND LEVEL OF THE WATER IN SUCH BODIES.

ALL PERSONS ARE HEREBY NOTIFIED THAT FROM TIME TO TIME ALLIGATORS AND OTHER WILDLIFE MAY INHABIT OR ENTER IN TO WATER BODIES CONTAINED WITHIN OR ADJACENT TO THE PROPERTY AND MAY POSE A THREAT TO PERSONS, PETS AND PROPERTY, BUT THAT THE LISTED PARTIES ARE UNDER NO DUTY TO PROTECT AGAINST, AND DO NOT IN ANY MANNER WARRANT AGAINST ANY DEATH, INJURY OR DAMAGED CAUSED BY SUCH WILDLIFE.

ALL PERSONS ARE HEREBY NOTIFIED THAT LAKE BANKS AND SLOPES WITHIN CERTAIN AREAS OF THE PROPERTY MAY BE STEEP AND THAT DEPTHS NEAR SHORE MAY DROP OFF SHARPLY. BY THEIR ACCEPTANCE OF A DEED TO, OR USE OF, ANY UNIT WITHIN THE PROPERTY, ALL OWNERS OR USERS OF SUCH PROPERTY SHALL BE DEEMED TO HAVE AGREED TO HOLD HARMLESS THE LISTED PARTIES FROM ALL LIABILITY OR DAMAGES ARISING FROM THE DESIGN, CONSTRUCTION OR TOPOGRAPHY OR ANY LAKE BANKS, SLOPES OR BOTTOMS.

(5) Wetlands and Jurisdictional Lands. This Declaration is subject to the rights of the State of Florida over portion of the Property which may be considered wetlands, marshes, sovereignty or jurisdictional lands, and every Owner and the Association shall obtain any permit necessary prior to undertaking any dredging, filling, mowing, improving, landscaping, or removal of plant life existing on the Condominium Property.

(6) Rights of the District. Notwithstanding any other provisions contained elsewhere in this Declaration, the District shall have the rights and powers enumerated in this Article. The District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which related to the maintenance, operation and repair of the Stormwater Management System. Any repair or reconstruction of the Stormwater Management System shall be as permitted, or if modified, as approved by the District. No person shall alter the drainage flow of the Stormwater Management Systems, including any buffer areas, swales, treatment berms or swales, without the prior written approval of the District. Any amendment to this Declaration which alters the Stormwater Management System, beyond maintenance in its original condition, including the water management portions of the Condominium and Association Property, must have prior written approval of the District. In the event that the Association is dissolved, prior to such dissolution, all responsibility relating to the Stormwater Management System must be assigned to and accepted by an entity approved by the District.

(7) Indemnity. The Association may be required to assume certain duties and liabilities for the maintenance of the Stormwater Management System or drainage system within the Property under the permits, or certain agreements with governmental agencies. The Unit Owners further agree that subsequent to the recording of this Declaration, they shall hold the Association and its officers, directors, agents, employees, contractors, attorneys, designees, success and assignors harmless from all suits, actions, damages, liabilities and expenses in connection with loss of life, bodily or personal injury or property damage arising out of any occurrence in, upon, at or from the maintenance of the Stormwater Management System occasioned in whole or in part by any action, omission of the Association or its agents, contractor, employees, servants, or licensees but not excluding any liability occasioned wholly or in part by the acts of the Association, its successors or assigns.

F. Construction; Maintenance. The Association and its agents, contractors, designees, employees, successors and assigns shall have the right, in its (and their) sole and absolute discretion from time to time, to enter the Condominium Property and take all other action necessary of convenient for the purpose of undertaking and completing the construction thereof, or any part thereof, of any improvement or Units located or to be located thereon, and for repair, replacement or maintenance or warranty purposes or where the Board of Directors, in its sole and absolute discretion, determines that it is required or desires to do so.

G. Easement for Facilities and Services. The Association and its agents, contractors, designees, employees, success and assigns shall have (i) a non-exclusive easement for access and use of all the Common Elements, including, but not limited to, those customarily used for pedestrian and vehicular traffic and also including driveways, parking lots (both covered and uncovered), walkways, halls and corridors, patios (both screened and unscreened), mechanical/electrical rooms, for the purpose of performing its obligations under this Declaration or the Articles, Bylaws, rules and regulations or architectural criteria promulgated by the Board, from time to time, including, but not limited to, cleaning, repairing, maintaining, replacing and improving the Condominium Property.

H. Blanket Easements and Additional Easements.

The Association through its Board, on the Association's behalf and on the behalf of all Unit Owners (each of whom hereby appoints the president of the Association as its attorney in fact for this purpose) shall have the right to grant such additional general ("blanket") and specific electric, gas or other utility, cable television, security system, communications or service easement (together with appropriate bills of sale for equipment, conduits, pipes, lines and similar installations pertaining thereto) or modify or relocate any such existing easements or drainage facilities on any portion of the Condominium Property and to grant access easements or relocate any existing access easements over any portion of the Condominium Property, as the Board shall deem necessary or desirable for the proper operation and maintenance of the improvements, or any portions thereof or any improvements located on the Common Property or any improvements located within the Condominium Property for the purposes of carrying out any provisions of this Declaration provided that such easements or the relocation of such easements will not prevent or unreasonably interfere with the reasonable use of the Units for any dwelling purposes.

XVI USE RESTRICTIONS.

In order to provide for congenial occupancy of the Condominium Property and for the protection of the value of the Units, the use of the Condominium Property shall be in accordance with the following provisions, so long as the Condominium exists:

A. Occupancy. Owners shall notify the Association's manager in writing in advance of the arrival and departure of anyone other than the Unit's Owner who has permission to use a Unit in the Owner's absence. No person under eighteen (18) years of age shall occupy a Unit unless such person's parent or the Owner is also in residence. Except as otherwise specifically provided in this Declaration, no Unit shall be used for any purpose other than that of a residence for individuals living together as a single housekeeping unit, and uses customarily incidental thereto; provided, however, that no Unit may be used as a group home, commercial foster home, fraternity or sorority house, or any similar type of lodging, care or treatment facility. Notwithstanding the foregoing: (i) an occupant maintaining a personal or professional library, keeping personal business or professional records or accounts, conducting personal business (provided that such use does not involve customers, employees, licensees or invitees coming to the Unit), making professional telephone calls, or corresponding in or from a Unit, is engaging in a use expressly declared customarily incidental to residential use and shall not be in violation of these restrictions; and (iii) one or more Units may be maintained for the use of the Association in fulfilling its responsibilities. The Board of Directors shall have the right to promulgate, modify and abrogate, from time to time, reasonable rules and regulations regarding permissible business activities within a Unit.

B. Limitation in Common Elements. The Common Elements and Limited Common Elements shall be used only for the purposes for which they are intended in the furnishing of services and facilities for enjoyment of the Units. There shall be no obstruction or alteration of, nor shall anything be stored, altered or constructed in, or removed from, the Common Elements or Limited Common Elements without the written consent of the Association. Children shall not play on or about the Common Elements or Limited Common Elements except under the reasonable supervision of a responsible adult. The Association may issue rules from time to time governing and/or restricting the use of the Common Elements by persons under eighteen (18) years of age.

C. Leasing of Units. The leasing of Units shall be restricted as follows:

(i) General. No Owner shall lease his Unit for transient or hotel purposes, and no Owner of a Unit may lease less than his entire Unit. The Board of Directors shall have the right, but not the obligation, in its sole and absolute discretion, to approve a lease form that must be used by any Unit Owner wishing to lease his or her Unit. If the Board does so approve a lease form then the Board shall maintain and, upon request, shall provide the lease form to Unit Owners that is deemed acceptable. All leases shall be required to be in writing and shall have a minimum term of three (3) months, or such lesser term as is required by Fannie Mae Project Standards, Legal Requirements. There shall be no subleasing of a Units or assignment of leases without written approval of the Association. Within ten (10) days after executed a lease agreement for the lease of a Unit, the Owner shall provide the Board (or the property manager, if applicable) with a true copy of the lease and the name of the tenant and all other people occupying the Unit. A maximum of two (2) occupants per bedroom is allowed. Each Unit Owner covenants and agrees to provide each tenant with copies of this Declaration, the Articles of Incorporation, Bylaws and rules and regulations and/or architectural criteria promulgated by the Board, and any and all amendments of the same. Guests of tenants or owners staying longer than two (2) days must register at the Manager's office and will receive a copy of this Declaration to read.

(ii) Liability for Assessments and/or Individual Unit Charges, Use of Common Elements and Compliance with Declaration, Articles, Bylaws, Rules and Regulations and Architectural Criteria. Each Owner covenants and agrees that any lease of a Unit shall contain the following language and agrees that if such language is not expressly contained therein, then such language shall be deemed incorporated into the lease by existence of this covenant, and the tenant, by occupancy of the Unit, agrees to the applicability and incorporation of the following language into the lease:

(a) Compliance with Declaration, Articles, Bylaws, Rules and Regulations and Architectural Criteria. The tenant shall comply with all provisions of the Declaration, Articles, Bylaws, Rules and Regulations and Architectural Criteria (if any) adopted pursuant thereto and shall control the conduct of the other occupants and guests of the leased Unit in order to ensure such compliance. The Owner shall cause all tenants and/or occupants of his or her Unit to comply with the Declaration, Articles, Bylaws, Rules and Regulations and Architectural Criteria (if any) adopted pursuant thereto, and shall be responsible for all violations by such tenants and/or occupants, notwithstanding the fact that such tenants and/or occupants of the Unit are fully liable and may be sanctioned for any such violation. If the tenant, or a person living with the tenant, violates the Declaration, Articles, Bylaws, Rules and Regulations and Architectural Criteria (if any) adopted pursuant thereto for which a fine is imposed, notice of the violation shall be given to the Owner and the tenant, and if the fining committee imposes a fine, such fine shall be an Individual Unit Charge against the Unit, payable by the tenant. If such fine is not paid by the tenant within the time period set forth by the fining committee, the Owner covenants, promises and agrees to pay the fine as an Individual Unit Charge upon notice from the Association of the tenant's failure to pay the fine and will be subject to the same enforcement procedures for Individual Unit Charges as is set forth elsewhere in this Declaration.

Any violation of the Declaration, Articles, Bylaws, Rules and Regulations and Architectural Criteria (if any) adopted pursuant thereto by the tenant or any occupant or guest living with the tenant is deemed to be a default under the terms of the lease and authorizes the Owner to terminate the lease without liability and to evict the tenant in accordance with Florida law. The Owner hereby delegates and assigns to the Association, acting through the Board, the power and authority (but not the responsibility) of enforcement against the tenant for breaches resulting from

violation of the Declaration, Articles, Bylaws, Rules and Regulations and Architectural Criteria (if any) adopted pursuant thereto, including the power and authority (but not the responsibility) to evict the tenant as attorney-in-fact on behalf of and for the benefit of the Owner, in accordance with the terms hereof. If the Association proceeds to evict the tenant, any and all costs of the eviction, including, without limitation, reasonable attorney's fees and court costs associated with the eviction shall be an Individual Unit Charge against the Unit.

(b) Use of Common Elements. The Owner transfer and assigns to the tenant, for the term of the lease, any and all rights and privileges that the Owner has to use the Common Elements, including, but not limited to, the use of any and all recreational facilities and other amenities. Guests under eighteen (18) years of age must have parental supervision in order to use the Unit or the Common Elements or Limited Common Elements.

(c) Liability for Assessments and/or Individual Unit Charges. When a Unit Owner who is leasing his or her Unit fails to pay any annual Assessment, Supplemental Annual Assessment, Special Assessment or Individual Unit Charge charged against the Unit for a period of more than thirty (30) days after it is due and payable, then the delinquent Owner hereby consents to the assignment of any rent received from the tenant during the period of delinquency, and, upon request by the Board, the tenant shall pay to the Association all unpaid annual Assessments, Supplemental Annual Assessments, Special Assessments or Individual Unit Charges payable during and prior to the term of the lease and any other periods of occupancy by tenant. However, tenant need not make such payments to the Association in excess of, or prior to the due dates for, monthly rental payments unpaid at the time of the Board's request. All such payments made by tenant shall reduce, by the same amount, tenant's obligation to make monthly payments to the Owner. If tenant fails to comply with the Board's request to pay any of the above Assessments and/or Individual Unit Charges, tenant shall pay to the Association all amounts authorized under the Declaration as if tenant were an Owner. None of the foregoing shall be construed to release the Owner from any obligation, including the obligation to pay annual Assessments, Supplemental Annual Assessments, Special Assessments and/or Individual Unit Charges, for which he or she would otherwise be responsible.

(iii) Further Restrictions on Leasing. Each Owner covenants and agrees that the Board of Directors shall have the right, from time to time, to establish, amend and abrogate reasonable rules and regulations further restricting leasing.

(iv) Applicability of this Section. Notwithstanding the above, except as required by the Act, or the regulations implementing the Act, as the Act or such regulations may be amended from time to time, the foregoing restrictions on leasing shall not be applicable to any leasing transaction entered into by the Association, or the holder of any first mortgage on a Unit who becomes the Owner of a Unit through foreclosure or any other means pursuant to the satisfaction of the indebtedness secured by such mortgage.

D. Nuisance. No obnoxious or offensive activities shall be permitted upon the Condominium Property nor any use or practice which is a nuisance to Unit Owners or their families, guests, tenants, servants, invitees or licensees, or which interferes with the peaceful possession and proper use of the Condominium Property by residents. All parts of the Condominium Property shall be kept in a clean and sanitary condition and no rubbish, refuse, or garbage shall be allowed to accumulate, nor shall any fire hazard be allowed to exist. The Board of Directors shall have the absolute and unrestricted right to determine in its sole discretion whether any activity constitutes a nuisance in violation of this Declaration and the decision of the Board shall be final.

E. Lawful Use. No immoral, improper, offensive or unlawful use shall be made of the Condominium Property or of any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. The responsibility of meeting the requirements of governmental bodies pertaining to maintenance, replacement, modification or repair of the Condominium Property shall be the same as is elsewhere herein specified.

F. Automobiles and other Motor Vehicles, Trailers, Parking, etc. Motor vehicles shall be operated and parked only upon those portions of the Common Elements and Limited Common Elements designated for such purpose by the Board. Mobile homes, motor homes, truck campers, oversized vehicles (excepting larger SUV's and Hummers), recreational vehicles, trailers of any kind and boats are prohibited and shall not be kept, placed, stored, parked, maintained or operated upon any portion of the Property without written permission. No Owner, nor any occupant of such Owner's Unit including tenants, nor any of their respective family members, employees, guests, invitees or licensees, shall park in any parking space the exclusive use of which has been assigned to another Owner; each Owner hereby expressly agreeing that, in the event of the violation of this provision, the Association shall have the right to have any such vehicle removed at the expense of the violating Owner and the cost incurred by the Association to have any such vehicle removed and stored shall be charged against the violating Owner as an Individual Unit Charge. Further, the violating Owner hereby expressly waives any claim against the Association or the party removing any such vehicle owned by the Owner for any damage that may be incurred thereby in the removal and storage thereof; and the violating Owner hereby expressly agrees to indemnify and hold harmless the Association and the party removing any such vehicle owned by any occupant of such violating Owner's Unit, including tenants, or any of their respective family members, employees, guests, invitees or licensees for any damage that may be incurred thereby in the removal and storage thereof. The Association may regulate the use of non-owned parking spaces. The Board will issue rules from time to time regulating the use of common parking spaces, such as the thirty (30) minute spaces and spaces reserved for the handicapped.

G. Exterior Appearance. To provide a neat, attractive and harmonious appearance throughout the Condominium, each Owner shall adhere to, and shall cause the occupants of such Owner's Unit including tenants, as well as their respective family members, employees, guests and invitees, to adhere to the following restrictions:

(1) No foil or other reflective materials shall be used on any window or door of any Unit for sun screens, blinds, shades or any other purpose. All shutters shall be neutral in color on the exterior side and all curtains or draperies covering any windows, doors or enclosures that may be seen from the outside shall be of a solid material (having no pattern), neutral in color, or be lined on the exterior side with a solid material that is neutral in color. No clothing, rugs or any other item shall be hung on or from any balcony, window or other exterior opening. Nothing shall be dropped, thrown, swept or otherwise expelled from any window, door or balcony. No plants, pots, receptacles or other decorative articles shall be kept, placed, hung or maintained on any ledge or balcony railing. All loose or movable objects shall be removed from balconies upon notice of an approaching hurricane or other inclement weather characterized by conditions of high winds.

(2) Window mounted air-conditioners are prohibited in respect to all Units.

(3) Refuse and garbage shall be deposited only in the receptacles provided therefore. No garbage cans, supplies or other articles serving the occupants of a particular Unit shall be placed in any halls, corridors, stairwells or any other portion of the Common Elements. No construction materials, liquid or solid, may be disposed in the drains in the Unit or in the Common Elements or the Limited Common Elements. Solid materials disposal is the responsibility of the Owner and may not be added to the Association's trash receptacles. Fire exits shall not be obstructed in any manner, and the Common Elements shall be kept free and clear of rubbish, debris and the unsightly material.

(4) Sidewalks. The Board shall have the right to, and will, issue Rules from time to time to regulate what is and is not allowed in Common Elements, such as sidewalks, entrances, halls, corridors, elevators, lobbies, stairways, walkways and all other portions of the Common Elements intended for ingress and egress.

(5) The personal property of all Unit occupants shall be stored within the Unit or within any storage space assigned as a Limited Common Element to the Unit, or within the balcony serving the Unit in such a manner as not to be unsightly or interfere with the comfort and convenience of the occupants of other Units or in such a manner as not to detract from the attractiveness and harmonious appearance of the Condominium in general. No flammable oils or fluids, explosives or other articles deemed hazardous shall be stored on the Condominium Property, except for approved gas grills and gas tanks no larger than 2.5 pounds. The Garage Units (including the parking spaces) shall not be used by the Owners and their tenants for the storage of anything other than their motor vehicles. The Association may permit Owners and their guests to store bicycles within their respective parking spaces so long as the same, in the opinion of the Association, do not constitute a nuisance or interfere with the use and maintenance of the garage.

H. No Unit Owner shall install, within his or her Unit, or upon the Common Elements or Condominium Property, non-breathable wall-coverings or low-permeance paints. Additionally, any and all built-in casework, furniture, and or shelving in a Unit must be installed over floor coverings to allow air space and air movement and shall not be installed with backboards flush against any gypsum board wall. Additionally, all Unit Owners, whether or not occupying the Unit, shall periodically run the air conditioning system to maintain the Unit temperature, whether or not occupied, at 78 degrees F, to minimize humidity in the Unit.

While the foregoing are intended to minimize the potential development of molds, fungi, mildew and other mycotoxins, each Owner understands and agrees that there is no method for completely eliminating the development of molds or mycotoxins. The Association does not make any representations or warranties regarding the existence or development of molds or mycotoxins and each Owners shall be deemed to waive the expressly release any such warranty and claim for loss or damages resulting from the existence and/or development of same. In furtherance of the rights of the Association as set forth above, in the event that the Association reasonably believes that the provisions of this Section are not being complied with, then, the Association shall have the right (but not the obligation) to enter the Unit (without requiring the consent of the Owner or any other party) to turn on the air conditioning in an effort to cause the temperature of the Unit to be maintained as required hereby (with all utility consumption costs to be paid by the Unit Owner). If the utilities have been turned off, the Association shall have the right to connect the electric service and the Unit Owner would be responsible for promptly reimbursing the Association.

I. Antennae. To the extent permitted by law, no antenna or other device for the transmission or reception of television signals, radio signals, or any form of electromagnetic radiation or other signals shall be erected, used, or maintained outdoors on any portion of the Condominium, whether attached to a building or structure or otherwise; provided, however, the Association or the local, state or federal government (under a lease with the Association) shall have the right to erect, construct and maintain such devices. Nothing in this section shall be deemed to interfere with 47 C.F.R. Section 1.4000, which prohibits certain restrictions on the use of antennas used to receive video programming.

J. Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical

devices, which might tend to cause disorderly, unsightly or unkempt conditions, shall not be pursued or undertaken on any portion of the Property.

K. No Discrimination. No action shall at any time be taken by the Association or its Board which in any manner should discriminate against any Owner or Owners in favor of any other Owner or which would discriminate against any tenants of Owners.

L. Governmental Regulations. All governmental building codes, health regulations, zoning restrictions and the like applicable to the Condominium shall be observed. In the event of any conflict between any provisions of any such governmental code, regulation or restriction and any provision of this Declaration, the more restrictive shall apply.

M. Insurance. No use shall be made of any Unit or of the Common Elements or Limited Common Elements which will increase the rate of insurance upon the Condominium Property without the prior written consent of the Association. No Unit Owner shall permit anything to be done or kept in his Unit or in the Common Elements or Limited Common Elements which will result in a cancellation of insurance on any Unit or any part of the Common Elements, or which will be in violation of any law, including without limitation any law, rule or regulation governing the storage, use, generation, or disposal of hazardous or toxic materials.

N. Hurricane Shutters. The Board of Directors may, from time to time, establish hurricane shutter, titanium screen or laminated glass or window film specifications which comply with the applicable building code and which establish permitted colors/tints, styles and materials for hurricane shutters, titanium screens or such laminated glass or indoor window film. Subject to the provisions of Article VI, the Association shall approve the installation or replacement of hurricane shutters, titanium screens or laminated glass and/or window film as applicable, conforming with the Board's specifications. The color should match the color of the building. The Board may, with the approval of the majority voting interests of the Condominium, install hurricane shutters, titanium screens or laminated glass or other indoor window film and may (without regard to approval of the membership) maintain, repair or replace such Common Elements, Units or Association Property; provided, however, that if titanium screens, laminated glass and/or window film in accordance with all applicable building codes and standards, architecturally designed to serve as hurricane protection is installed, the Board will not install and need not permit the installation of hurricane shutters in accordance with this provision. If shutters are permitted, the Board shall have the right to require that all shutters shall remain open unless and until a storm or a storm warning is announced by the National Weather Center or other recognized weather forecaster and must be re-opened within 48 hours of the discontinuance of a storm warning by the National Weather Center or other recognized weather forecaster. A Unit Owner or occupant who plans to be absent during all or any portion of the hurricane season must prepare a Unit prior to departure by designating a responsible firm or individual to care for his Unit should a hurricane threaten the Unit or should the Unit suffer hurricane damage and must furnish the Association with the names of such firm or individual.

O. Signs. No sign of any kind shall be displayed to public view on or from any Unit or the Common Elements without the prior written consent of the Board of Directors, which may be withheld in its sole discretion.

P. Pets. Unit Owners are granted a license to maintain not more than a total of two (2) pets, which must be either domestic dogs, not of a breed considered aggressive, vicious or dangerous and not weighing more than 25 pounds when fully grown, or cats or small caged birds. The maintenance of pets is a license and not a privilege and is subject to such rules and regulations as the Board of Directors may, from time to time, adopt, including, without limitation, limitations on the size and weight of the dogs and cats, the obligation to leash all dogs and to clean up all animal waste. A Unit Owner is fully responsible for any damage to person or property caused by his Pet. Neither the Board nor the Association shall be liable for any personal injury, death or property damage resulting from a violation of the foregoing and any occupant, tenant and/or Owner of a Unit committing such a violation shall fully indemnify and hold harmless the Board of Directors, the Association and each other Unit Owner in such regard. In the event of any damage to the Condominium Property caused by a Pet, the decision of the Board of Directors as to the amount of the damage shall be determinative and the Unit Owner shall be charged to the Unit Owner's account said amount as an Individual Unit Charge. No pets shall be housed in any Limited Common Element areas. Further, all pet owners will be expected to comply with all county and city codes and ordinances regulating domestic animals. Any pet that violates the foregoing restrictions and/or which becomes a nuisance, in the sole and absolute discretion of the Board of Directors, shall be removed from the Property and a Unit Owner's failure to remove a pet creating a nuisance shall, in addition to all other remedies available to the Association or another Unit Owner seeking enforcement of this provision at law or in equity, be subject to fines (as provided hereafter) for each day such Unit Owner fails to abide by the Board's decision.

Q. Floor Coverings. Installation of hard surfaced floor coverings such as tile, marble, wood and the like in any portion of the Unit (or Limited Common Elements appurtenant thereto) other than foyers, bathrooms and kitchens, must first be submitted to and approved by the Board of Directors, and if approved, meet all sound installation standards established by the Board from time to time and also meet applicable structural requirements. Further, approval shall only be granted if Owners use the installation materials approved, from time to time, by the Board. At the time of construction, all areas of the Unit which have hard surfaced flooring will be underlaid with an approved material. The Association makes no representations or warranties with respect to the sound transmission qualities of such material. The installation of any improvement or heavy object must be submitted to, and approved by, the Board,

and must be compatible with the overall structural design of the Building. The Board of Directors may require a structural engineer to review certain of the proposed improvements with such review to be at the Owner's sole cost and expense. In addition, the Board will have the right to specify the exact material to be used on balconies. Owners will be held strictly liable for all violations of these restrictions and for all damages resulting therefrom and the Association has the right to require immediate removal of such violations. Each Owner by acceptance of a deed or other conveyance to their Unit, hereby acknowledges and agrees that sound transmission in a multi-story building such as the Condominium is very difficult to control and that noises from adjoining or nearby Units or mechanical equipment can often be heard in another Unit. The Association does not make any representation or warranty as to the level of sound transmission between and among the Units and other portions of the Condominium Property, and each Unit Owner hereby waives and expressly releases any such representation and warranty and claim for loss or damages resulting from sound transmission.

R. Attractiveness and Safety of Units.

(1) Each Owner shall keep all parts of his Unit in good order and repair and free from debris or hazards. Each Owner shall keep in a neat and clean condition and free of debris or hazards any balcony serving such Owner's Unit and any reserved parking space(s) or storage space assigned to such Owner's Unit as a Limited Common Element.

(2) Clotheslines. No clothesline or other clothes-drying apparatus shall be permitted in any part of a Unit, or any Limited Common Element such as a balcony or assigned parking space, where it may be visible from the Common Elements, Limited Common Elements or any other Unit.

(3) Garbage and Trash Containers. All garbage and trash containers must be placed and maintained in accordance with Rules and Regulations adopted by the Board. No portion of the Property shall be used for dumping refuse.

(4) Balconies. No Unit Owner shall cause anything to be affixed or attached to, hung, displayed or placed on the exterior walls, doors, balconies, porches, lanais or windows of the Building (including, but not limited to, awnings, signs, storm shutters, screens, fixtures and equipment). The Board shall have the right to, and will, issue Rules from time to time to regulate what is and is not acceptable plants, furniture and other items in the balconies. The provisions of this section shall not prohibit a Unit Owner from displaying one portable, removable United States flag in a respectful manner; and on Armed Forces Day, Memorial Day, Flag Day, Independence Day and Veterans Day, a Unit Owner may display in a respectful way, portable, removable official flags, not larger than 4 1/2 feet by 6 feet, that represent the United States Army, Navy, Air Force, Marine Corps, or Coast Guard.

S. Rules or Regulations. Reasonable rules and regulations governing the details of the operation, use, maintenance and control of the Units, Common Elements, Limited Common Elements, the Condominium Property and any facilities or services made available to the Unit Owners may be promulgated, modified or amended, from time to time, by the Board. Copies of such rules and regulations and amendments thereto shall be furnished by the Association to all Unit Owners and residents of the Condominium upon request. The Association shall have the right to enforce all restrictions set forth in this Article and in the Declaration in any manner it deems necessary, including, without limitation, suits for injunctions, actions for damages, or fines.

XVII INSURANCE.

The insurance other than title insurance which shall be carried on the Condominium Property and the property of the Unit Owners shall be governed by the following provisions:

A. Authority to Purchase. Insurance policies upon the Condominium Property shall be purchased by the Association, and provisions shall be made for the issuance of certificates of mortgagee endorsements to mortgagees of Units. The master policies and copies of all endorsements shall be held by the Association. At their own expense, Owners may obtain such additional insurance coverage as they desire, upon their Condominium Parcels or their own personal property, for the contents and portions of the Units for which they are responsible, and for their personal liability and living expense.

B. Coverage. The Association shall obtain casualty insurance upon all buildings and improvements upon the Property and all personal property included in the Common Elements in an amount equal to its maximum insurable replacement value, excluding foundation and excavation costs, as determined annually by the Board of Directors, but subject to such deductible clauses as are required in order to obtain coverage at reasonable costs. Such coverage shall afford protection against loss or damage by fire and other hazards covered by a standard extended coverage endorsement and such other risks including, but not limited to, vandalism and malicious mischief as from time to time shall be customarily covered with respect to buildings similar in construction, location and use. The Board of Directors shall obtain such other insurance coverage for the Association as it deems desirable or required by law including but not limited to workmen's compensation and public liability insurance.

C. Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense, except that any increase in premiums occasioned by use of a Unit other than as a residence, or by misuse, occupancy or abandonment of a Unit or of the Common Elements shall be assessed against

the responsible Owner. If requested to do so, the Association shall furnish evidence of payment of premiums to each mortgagee listed in the register of mortgages.

D. Proceeds. All proceeds of insurance policies purchased by the Association shall be payable to the Association. The Association shall hold such proceeds in trust, to be distributed as provided herein.

E. Association as Agent. The Association is irrevocably appointed agent for each Owner and for each mortgagee or other lien holder and for each Owner of any other interest in the Condominium Property to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

F. Notice of Actions. If any action shall be brought against the Association which might result in a judgment for an amount greater than the insurance coverage carried by the Association, then the Unit Owners shall be given prompt notice of the action and shall have the right to intervene and defend their interests.

XVIII RECONSTRUCTION OR REPAIR AFTER CASUALTY.

A. Determination to reconstruct or repair. If any part of the Condominium Property shall be damaged by casualty the Board of Directors of the Association shall determine as to each Unit whether or not it is tenantable after the casualty. If Units to which 50% or more of the Common Elements are appurtenant are found to be tenantable, the damaged property shall be reconstructed or repaired as provided herein. If Units to which less than 50% of the Common Elements are appurtenant are found to be tenantable, the Board of Directors shall:

i. Obtain estimates of the costs to rebuild or repair, and the amount of insurance proceeds available to pay such costs.

ii. Give all Owners notice of the casualty, specifying the above information, and calling a meeting of Owners to be held within thirty (30) days from the date of the notice.

At the meeting, the Owners shall consider whether to repair or replace the damage or to terminate the condominium. If Owners of 75% of the votes of the Association vote to repair or replace the damaged property, it shall be repaired or replaced. Otherwise, the condominium shall be terminated without agreement as provided in Article XII.

B. Responsibility. The responsibility for reconstruction and repair after casualty, shall be the same as for maintenance and repair of the Condominium Property and the Association shall have the same rights as therein provided (Article IX) to make repairs which are the responsibility of an Owner if that Owner fails to do so.

C. Proceeds. If the damage is to be repaired, the Association shall make available the proceeds of insurance as provided herein to repair or replace the damage. If the proceeds of insurance are not sufficient to reconstruct and repair the damaged property, assessments shall be made against the Owners responsible for the repair, in sufficient amounts to provide funds for payment of such costs. Assessments for repair of a particular Unit shall be made against the Owner of that Unit. Assessments for repair of Common Elements shall be made against Owners in proportion to each Owner's share in the Common Elements.

D. Disbursement of Funds. If the amount of the estimated costs of reconstruction and repair is less than \$10,000.00 and does not involve damage to structural parts of a building, the Board of Directors shall disburse funds for repair (insurance proceeds plus assessments) immediately upon their receipt. If the amount is \$10,000.00 or more, or involves damage to structural parts of a building, funds shall be disbursed by the Board of Directors; (i) only after the Board of Directors has approved the contractor to perform the repair work and the terms of the repair contract; and (ii) only to the extent that work is, in the judgment of the Board of Directors, satisfactorily completed.

Funds to repair damage for which the individual Owner is responsible shall be disbursed directly to that Owner, unless there is a mortgagee endorsement as to any part of the insurance proceeds in which event such insurance proceeds shall be disbursed jointly to the Owner and the Mortgagee. All such disbursements shall be received in trust for use in the repair or replacement of the damaged Unit. All funds to repair damage for which the Association is responsible shall be disbursed directly by the Association for such repairs or replacements.

It shall be presumed that the first money disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If funds remain after payment of all costs of the reconstruction and repair, they shall be distributed to the beneficial owners, except that distributions of insurance proceeds to owners whose mortgagees have a mortgagee endorsement as to the insurance proceeds shall be made payable jointly to the Owner and the mortgagee.

E. Eminent Domain. The taking of a portion of a Unit or of the Common Elements by eminent domain shall be deemed to be a casualty. All awards payable due to such taking shall be paid to the Association and deemed to be proceeds from insurance on account of the casualty. If the casualty of eminent domain causes the condominium

to be terminated pursuant to paragraph A of this Article, then all awards shall be distributed as provided therein. If the casualty does not cause the condominium to be terminated, all such awards shall be used as follows:

i. If the taking reduces the size of a Unit and in the judgment of the Board of Directors, the remainder can be made tenantable, the award attributable to the taking of the Unit shall be used to make the Unit tenantable. If the cost of such work exceeds the amount of the award, the additional funds required shall be assessed against the Unit Owner. If the award exceeds the costs, the balance shall be paid to the Unit Owner or if a mortgagee is shown on the mortgagee roster, jointly to the Owner and the mortgagee.

ii. If the taking destroys or so reduces the size of a unit that in the judgment of the Board of Directors, it cannot be made tenantable, the award attributable to that unit shall be paid entirely to the Unit Owner, or if a mortgagee is shown on the mortgagee roster, jointly to the Owner and the mortgagee. Upon payment of such proceeds, the Owner shall convey his entire interest in that Parcel to the remaining Unit Owners in equal shares and, if the condemnation award paid with regard to such taking is less than the fair market value of the unit, then the remaining Unit Owners in equal shares, shall pay to the conveying Owner, the difference between the fair market value of the Unit and the amount of the condemnation award. Thereupon, the remaining portion of the Unit shall become a part of the Common Elements and shall be placed in condition for use by all of the remaining Owners in a manner approved by the Board of Directors, the cost of such work being a Common Expense. The shares in the Common Elements appurtenant to the remaining Units of the condominium shall be equitably adjusted to distribute the ownership of the Common Elements pro-rata among the reduced number of Owners.

The changes in Units, in the Common Elements and in the ownership of Common Elements which result from or are necessitated by eminent domain shall be evidenced by an amendment of this Declaration which need be approved only by a majority of all directors of the Association.

iii. If part of the Common Elements are taken, all awards attributable to such taking shall be distributed to the Association which shall use such awards to repair or replace the Common Elements to the extent possible. If the award exceeds the cost of repair or replacement, the excess shall be retained by the Association and become a part of the Common Surplus.

XIX EMINENT DOMAIN OR CONDEMNATION PROCEEDING.

A. Deposit of Awards With Insurance Trustee. The taking of portions of Condominium Property or Association Property by the exercise of the power of eminent domain shall be deemed a casualty and any awards for that taking will be deemed to be proceeds of insurance on account of the casualty and shall be deposited with the Insurance Trustee. Even though the awards may be payable to the Unit Owners, Unit Owners shall deposit the awards with the Insurance Trustee, and, in the event of failure to do so, in the discretion of the Directors of the Association, a charge shall be made against the defaulting Unit Owner in the amount of the award or the amount of the award shall be set off against funds hereinafter made payable to that Owner.

B. Determination Whether to Continue Condominium. Whether the Condominium will be continued after condemnation will be determined in the manner provided for whether damaged Property will be constructed or repaired after a casualty. For this purpose, the taking by eminent domain shall also be deemed a casualty.

C. Disbursement of Funds. If the Condominium is terminated after condemnation, the proceeds of the award and Special Assessments shall be deemed to be insurance proceeds and shall be owned and distributed in a manner provided with respect to the ownership and distribution of insurance proceeds, as if the Condominium is terminated after casualty.

If the Condominium is not terminated after condemnation, the size of the Unit, and the remaining portion of the Unit can remain habitable (in the sole opinion of the Association) the award from the taking of the portion of the Unit shall be used for the following purposes and in the order stated and the following changes shall be made to the Condominium:

(a) Restoration of the Unit. The Unit shall be made habitable and if the cost of the restoration exceeds the amount of the award, the additional funds required shall be charged to and paid by the Owner of the Unit;

(b) Distribution of Surplus. The balance of the award, with respect to the Unit, if any, shall be distributed to the Owner of the Unit and to each Mortgagee of the Unit, the remittance being made payable jointly to the Owner and to such Mortgagees;

D. Unit Made Non-Inhabitable. If the taking is of the entire Unit or so reduces the size of the Unit that it cannot be habitable (in the sole opinion of the Association), the award for the taking the Unit shall be used for the following purposes and in the order stated and the following changes shall be made to the Condominium:

(1) Payment of Award. The award shall be paid first to the applicable Mortgagee in the amount sufficient to pay off any Mortgagee in connection with such Unit which is not habitable; Second, to the Association for any due and unpaid Assessments; Third, jointly to the effective Unit Owners and other Mortgagees of their Units. In no

event shall the total of such distributions, with respect to a specific Unit, exceed the market value of such Unit immediately prior to the taking. The balance, if any, shall be applied to the repairing or replacing of Common Elements.

(2) Addition to the Common Elements. The remaining portion of the Unit, if any, shall become a part of the Common Elements and shall be placed in a condition allowing, to the extent possible, for the use of all Unit Owners, in a manner approved by the Board of the Association, provided that if the cost of the work therefore shall exceed the balance of the funds of the award from the taking, such work shall be approved in the manner elsewhere required for capital improvement to the Common Elements.

(3) Adjustment of Shares. The shares of any Common Element, Common Expenses, and Common Surplus pertinent to the Units that continue as a part of the Condominium shall be adjusted to distribute the shares of the Common Element, Common Expenses and Common Surplus among the reduced number of Unit Owners (in and among the reduced Units). This shall be affected by restating the shares of the continuing Unit Owners as follows:

The numerator shall be 1 and the denominator shall be the total number of remaining habitable units.

(4) Assessments. If the balance of the award (and after payments to the Unit Owner and such Unit Owner's Mortgagees as provided above), for the taking is not sufficient to alter the remaining portions of the Unit for the use with the Common Elements, the additional funds required for such purposes shall be raised for Assessments against all the Unit Owners who will continue as Owners of Units after the changes in the Condominium affected by this taking. The Assessment shall be made in proportion to the applicable percentage shares of those Owners after all adjustments to such shares effective pursuant hereto, by reason of this taking.

(5) Arbitration. If the market value of a Unit prior to the taking cannot be determined by agreement between the Unit Owner and Mortgagees of each Unit and the Association within thirty (30) days after notice of any dispute by any affected party, the value shall be determined by arbitration in accordance with, if any, existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit. A judgment upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction in accordance with the Florida Arbitration Code. The cost of Arbitration proceedings shall be assessed against all Unit Owners, including all Unit Owners who will not continue after the taking, in proportion to the applicable percentage shares of such Unit Owners as they exist prior to the adjustment of such shares effective pursuant hereto and by reason of the taking.

E. Taking of Common Elements. The award for the taking of Common Elements shall be used to render the remaining portion of the Common Elements able to be usable in the manner provided by the Board of Directors of the Association; provided, however, that if the cost of the work shall exceed the balance of the funds from the award from the taking, that the work shall be approved in the manner elsewhere required for capital improvements to the Common Elements. The balance of the award for the taking of the Common Elements, if any, shall be distributed to the Unit Owners in the shares in which they own the Common Elements to these shares effective pursuant hereto for the reason of the taking. If there is a mortgage on the Unit, the distribution shall be made jointly to the Owner and the Mortgagee of each Unit.

F. Amendment to the Declaration. The changes in the Unit, and the Common Elements and the ownership of the Common Elements and the share of the Common Expenses and Common Surplus that are effected by the taking shall be evidenced by an Amendment to this Declaration of Condominium that is only required to be approved by and executed upon the direction of the majority of all Directors of the Association.

XX LIABILITY GENERALLY.

A. General Provisions. Notwithstanding anything contained in the Condominium Documents, the Association will not be liable or responsible for, or in any manner a guarantor or insurer of, the health, safety or welfare of any Owner, occupant or user of any portion of the Property, including without limitation, residents, their families, guests, invitees, licensees, agents, servants, contractors or subcontractors, nor for any property of such persons.

B. Specific Provisions. Without limiting the generality of the foregoing:

(1) It is the express intent of the Condominium Documents that the various provisions of the Condominium Documents which are enforceable by the Association and which govern or regulate the use of Property have been written and are to be interpreted and enforced for the sole purpose of enhancing and maintaining the enjoyment of the Property and the value thereof.

(2) The Association is not empowered to enforce or ensure compliance with the laws of the United States, the State of Florida or the County or any other jurisdiction or to prevent tortuous activities by Owners or third parties.

(3) The provisions of the Condominium Documents setting forth the uses of Associations which relate to health, safety or welfare will be interpreted and applied only as limitations on the uses of such funds and not

as creating a duty of the Association to protect or further the safety or welfare of the persons even if such funds are used for such purposes.

C. Owner Covenant. Each Owner, his heirs, successors and assigns, by virtue of his or her acceptance of title, and each other person or entity having an interest or lien upon, or making the use of, any portion of the Property, by virtue of accepting such interest or lien or by making use thereof, will be bound by this Article and will be deemed to have automatically waived any and all rights, claims, demands, or causes of action against the Association arising from or connected with any matter for which the liability of the Association has been disclaimed in this paragraph.

XXI GENERAL PROVISIONS.

A. Partial Invalidity. If any provision of this Declaration, the Articles, the Bylaws or the Condominium Act, or any section, sentence, clause, phrase or work, or the application thereof, in any circumstances, is held invalid, the validity of the remainder of this Declaration, the Articles, the Bylaws, or the Condominium Act, and the application of any such invalid provision, section, sentence, clause, phrase, or word in other circumstances shall not be affected thereby.

B. Notices. Notices to Unit Owners shall be sent to their place of residence in the Condominium Building, unless the Unit Owner has, by written notice to the Association, specified a different address. Notices to the Association shall be delivered by certified mail to 1901 North First Street, Jacksonville Beach, Florida 32250. All notices shall be deemed sent when mailed. Any party may change his or its mailing address by written notice to the other party.

C. Fines. The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration, the Articles of Incorporation of the Association, the Bylaws, or the Rules and Regulations adopted pursuant thereto, shall not constitute a waiver of the right to do so thereafter. In addition to all other remedies available to the Association in law or equity, the Association may levy against any Owner or its Tenant a fine not in excess of \$100.00 per violation, or the highest fine permitted under the Condominium Act, for each day that such Owner or Tenant continues to violate any of the requirements of this Declaration or any of the rules and regulations promulgated by the Association after the Association has given notice of the violation and an opportunity for hearing to the Unit Owner or Tenant. A fine may be levied on the basis of each day of a continuing violation with a single notice and opportunity for hearing to the Unit Owner or Tenant before a committee of other unit owners who are not directors, agents or employees of the Association, or the spouse of a director, agent or employee of the Association, provided that no such fine shall in the aggregate exceed \$1,000.00, unless the Condominium Act is revised to permit fines in excess of said amount and the Board of Directors approves such an increase. If the committee does not agree with the fine, the fine may not be levied. Any and all fines shall be charged to the Unit Owner's account as an Individual Unit Charge.

D. Election of Remedies. All rights, remedies and privileges granted to the Association or Unit Owner pursuant to any terms, provisions, covenants or conditions of the Condominium Documents shall be deemed to be cumulative and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be granted to such other party by the Condominium Documents, or at law or in equity.

E. Notices to Mortgagees. Upon written notice to the Association by any Mortgagee holding, insuring or guaranteeing a mortgage encumbering any portion of the Unit, identifying the name and address of the Mortgagee and the Unit encumbered by such mortgage, any such Mortgagee will be entitled to timely written notice of:

- (1) Any condemnation or casualty loss that affects either a material portion of the Unit securing its mortgage.
- (2) Any sixty (60) day default in the payment of charges or Assessments owed to the Association or in the performance of any obligation hereunder by the Owner of the Unit on which it holds the mortgage.
- (3) Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.
- (4) Any proposed action that requires the consent of a specified percentage of Mortgagees.

F. Mortgagee Approval. Whenever the consent or approval of any, all or a specified percentage or portion of the Mortgagees is required by this Declaration, the Articles, the Bylaws, or any applicable statute or law, to any amendment of the Declaration, the Articles, or the Bylaws, or to any action of the Association, or to any other matter relating to the Property, the Association may request such consent or approval of such Mortgagee by written request sent certified mail, return receipt requested, or equivalent delivery evidencing such request was delivered to and received by such Mortgagee. Any Mortgagee receiving such request shall be required to consent to or disapprove the matter for which the consent or approval is requested in writing, by certified mail, return receipt requested, or equivalent delivery evidencing such request was delivered to and received by the Association, which response must be

received by the Association within thirty (30) days after the Mortgagee receives such request; and if such response is not timely received by the Association, the Mortgagee shall be deemed to have consented to and approved the matter for which such approval or consent was requested. Such consent or approval given or deemed to have been given, where required, may be evidenced by an affidavit signed by all of the directors of the Association, which affidavit, where necessary, may be recorded in the public records of the county where the Property is located, and which affidavit shall be conclusive evidence that the applicable consent or approval was given as to the matters therein contained. The foregoing shall not apply where a Mortgagee is otherwise required to specifically join in an amendment to this Declaration.

G. Attorney's Fees. Notwithstanding anything to the contrary in this Declaration, all remedies for a violation provided by the Condominium Act, at law or in equity, shall be in full force and effect. Any and all such remedies are non-exclusive and may be applied cumulatively. Each Unit Owner agrees that the failure of the Association to seek any and all such remedies, for no matter how long, shall not be deemed a waiver by the Association of the right to seek such any and all such remedies. In addition thereto, should the Association find it necessary to institute legal action upon a finding by a court in favor of the Association, the defendant Unit Owner shall reimburse the Association for its costs of suit, including reasonable attorney's fees at both trial and appellate levels, in bankruptcy, post-judgment collection, or alternative methods of dispute resolution, incurred by it in bringing such action.

H. Interpretation. Whenever the context so requires, the use of any gender shall be deemed to include all genders, the use of the plural shall include the singular, and the singular shall include the plural. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the operation of the Condominium. The Captions herein and in the Exhibits are instituted only as a matter of convenience and for ease of reference and in no way define or limit the scope of the particular document or any provision thereof.

J. Conflict. In the event of conflict between the terms, covenants, conditions and restrictions contained in this Declaration, or the Articles, Bylaws or Rules and Regulations promulgated from time to time, then the terms, covenants, conditions and restrictions of the Declaration shall control first, followed by the Articles, then the Bylaws and finally the Rules and Regulations.

IN WITNESS WHEREOF, this Amended and Restated Declaration of Condominium has been duly executed on this 22 day of Jan, 2008 by the President of the Association.

Every proxy shall be revocable at any time at the pleasure of the Member executing it.

G. Limited or General Proxies. Limited or general proxies may be used to establish a quorum. Limited proxies shall be used for (a) votes taken to waive or reduce reserves; (b) votes taken to amend the Amended and Restated Declaration; (c) votes taken to amend the Amended and Restated Articles or these Bylaws; or (d) for any other matter for which this chapter requires or permits a vote of Members. No proxy, limited or general, may be used in connection with the election of the Board of Directors. General proxies may be used for other matters for which limited proxies are not required.

H. Consent to Action. Unless a duly called meeting of the Association shall be specifically required for action to be taken by the Members in these Bylaws, the Amended and Restated Articles, the Amended and Restated Declaration, the Act or other Florida Statutes, any action to be taken by the Association may be taken by written consent setting forth the action so taken, approved by Members holding not less than the minimum number of votes necessary to authorize or take such action at a meeting at which all Members entitled to vote thereon were present and voting.

Ballots or proxies shall be mailed or hand delivered to all Members. The Board shall establish for each vote the amount of time to be permitted for voting, which shall not be less than 10 days nor more than 60 days, and all ballots or proxies returned within the permitted time shall be counted. Any action so approved shall have the same effect as though taken at a meeting of the Members, and such approval shall be duly filed in the minute book of the Association.

F. Telephone Conferences. Members present by telephone conference shall be considered as present at a meeting for the purposes of a quorum and may vote in any matters presented for a vote of the membership.

The Board of Directors shall consist of not less than five (5) persons as designated in the Amended and Restated Articles of Incorporation; provided, however, that the Board of Directors may increase the number of Directors to seven (7) or nine (9), with the vacancies being filled at the next annual meeting of the Members, upon a vote of at least seventy-five percent of the Directors at a duly called meeting for which specific notice of said vote was given to the Members.

B. Qualifications. Directors must be Owners in the Condominium (or their spouses) at all times during their service as Directors, and any such Director who ceases to be an Owner shall not be eligible to serve as a Director. Subject to the foregoing provisions of this subparagraph, the term "Owner" shall be deemed to include, without limitation, any shareholder, director, officer, partner in, or trustee of a person or entity who is either alone or in conjunction with any other person or persons, an Owner. Any individual who would be eligible to serve as a member of the Board were that individual not a shareholder, director, officer, partner in, or trustee of such a person, shall be deemed to have disqualified himself from continuing in office if he or she ceases to have any such affiliation with that person or entity.

C. Election of Directors. Directors shall be elected in the following manner:

(1) All members of the Board of Directors shall be elected at large, by a plurality of the votes cast at the annual meeting of the general membership. The Members shall vote by written ballot or voting machine at the annual meeting of the general membership.

(2) Vacancies on the Board may be filled, until the next scheduled election, by the remaining Directors who shall fill the vacated directorship for the unexpired term thereof.

(3) In the election of Directors, there shall be appurtenant to each Unit one (1) vote for each Director to be elected. Provided, however, that no Member may cast more than one vote for any person nominated as a Director, it being the intent hereof that voting for Directors shall be noncumulative. The election shall be by secret ballot, but if there is only one candidate for election to fill each vacancy, no election is required.

(4) Not less than sixty (60) days before a scheduled election, the Association shall mail or deliver, to each Member entitled to vote, a first notice of the date of the election. Such first notice may be given by any unit owner if the Association fails to do so. Any Member may nominate himself and any Member desiring to be a candidate for the Board must give written notice to the Board not less than forty (40) days before the scheduled election. The Association shall mail or deliver a written notice of the meeting and agenda together with a second notice of the election to all Members, a ballot which shall list all candidates, and upon request of a candidate, an information sheet no larger than 8½ by 11 inches, which must be furnished by the candidate not less than 35 days before the election. The Association is not liable for the contents of the information sheets prepared by the candidates.

D. Election Procedure. The election of the Board members shall be decided by a plurality of ballots cast. There shall be no quorum requirement for the election of Directors so long as at least twenty percent (20%) of the eligible voters cast a ballot. No Member shall permit any other Member to vote his ballot and any such ballots improperly cast shall be deemed invalid. Notwithstanding the provisions hereof, no election or balloting are required unless more candidates file notices of intent to run or are nominated than vacancies to be filled. The regular election shall occur on the date of the annual meeting.

E. Regular Board Meeting. Regular meetings of the Board may be held at such time and place as shall be determined from time to time by a majority of the Directors. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegram, at least seven (7) days prior to the day named for such meeting, unless notice is waived. Any item not included in a notice of a Board Meeting may be taken up on an emergency basis by a majority of the members of the Board plus one and such action shall be noticed and ratified at the next regular meeting.

F. Special Meeting. Special meetings of the Board may be called by the President, and must be called by the Secretary at the written request of one-third of the Directors. Not less than three (3) days' notice of a special meeting shall be given to each Director, personally or by mail, telephone or telegram, which notice shall state the time, place and purpose of the meeting, unless notice is waived.

G. Notices and Open Meetings. All meetings of the Board of Directors at which a quorum is present shall be open to all Members and notices of meetings shall be posted conspicuously in the Condominium forty-eight (48) continuous hours in advance for the attention of Members, except in an emergency and shall, to the extent possible, identify all agenda items. The Board shall adopt a rule to designate the place on the Condominium Property on which the notice shall be posted. Notice of any meeting where assessments against Members are to be considered for any reason shall specifically contain a statement that assessments will be considered and the nature of any such assessments. Written notice of any meeting at which the annual budget, non-emergency special assessments or amendments to rules are to be considered shall be mailed or delivered to Members and posted conspicuously on the Condominium Property not less than fourteen (14) continuous days prior to the meeting. The right to attend such meetings includes the right to speak at such meetings with reference to all designated agenda items. Provided that, the Board may adopt reasonable rules governing the duration and manner of the foregoing member statements.

Any item not included on the notice may be taken up on an emergency basis by a vote of at least a majority plus one of the members on the Board. Any emergency action shall be noticed and ratified at the next regular meeting of the Board. Written notice of any meeting at which non-emergency special assessments or at which an amendment to rules regarding Unit use will be considered shall be mailed or delivered to the Members and posted on the Condominium Property not less than fourteen (14) days prior to the meeting.

H. Board Minutes. Minutes of all meetings of the Board shall be kept in a businesslike manner and available for inspection by Members and Directors during normal business hours at the principal office of the Association. The Association shall retain these minutes for a period of not less than seven (7) years.

I. Waiver of Notice. Any Director may waive notice of a meeting before, at or after the meeting, and such waiver shall be deemed equivalent to the giving of notice.

J. Quorum. A quorum at meetings of the Board shall consist of the Directors present in person or by telephone conference entitled to cast a majority of the votes of the entire Board. Any Director who is present at a meeting of the Board at which action on any corporate matter is taken shall be presumed to have assented to an action unless he or she votes against such action or abstains from voting in respect thereto because of an asserted conflict of interest. Directors may not vote by proxy or by secret ballot at Board meetings, except that officers may be elected by secret ballot.

If any meeting of the Board cannot be held because a quorum is not present, or because the greater percentage of the Directors required to constitute a quorum for particular purposes is not present, wherever the latter

percentage of attendance may be required as set forth in the Amended and Restated Articles, these Bylaws or the Amended and Restated Declaration, the Directors who are present may adjourn the meeting from time to time until a quorum, or the required percentage of attendance if greater than a quorum is present. At any adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice. The notice for any adjourned meetings must also comply with the requirements for a Board meeting set forth in subparagraph (F) above.

K. Voting and Approval. The acts of the Board approved by a majority of the votes present at a meeting in person or by telephone conference at which a quorum is present shall constitute the acts of the Board of Directors, except as may be specifically otherwise provided in the Amended and Restated Articles, these Bylaws or the Amended and Restated Declaration. Any action required to be taken by vote of the Board may taken in the absence of a meeting (or in the absence of a quorum at a meeting) by obtaining the written approval of a majority of the Board.

L. Removal and Recall. If the recall is approved by a majority of all voting interests by a vote at a meeting, the recall will be effective as provided herein. The Board shall duly notice and hold a Board meeting within five (5) full business days of the adjournment of the Member meeting to recall one or more of the Board members. At the meeting, the Board shall either certify the recall, in which case such member or members of the Board shall be recalled effective immediately and shall turn over to the Board within five (5) full business days any and all records and property of the Association in their possession or shall proceed as hereinafter provided. If the proposed recall is by agreement in writing by a majority of all voting interests, the agreement in writing or a copy thereof shall be served on the Association by certified mail or by personal service in the manner authorized by Chapter 48 and the Florida Rules of Civil Procedure. The Board shall duly notice and hold a meeting of the Board within five (5) full business days after receipt of the written agreement. At the meeting, the Board shall either certify the written agreement or shall recall the member or members of the Board, in which case such member or members of the Board shall be recalled effective immediately and shall turn over to the Board within five (5) full business days any and all records and property of the Association in their possession as hereinafter described. If the Board determines not to certify the written recall of a member or members of the Board or does not certify the recall by a vote at a meeting, the Board shall within five (5) full business days after the meeting, file with the Division a petition for arbitration pursuant to the Condominium Act. For purposes of this section, the members who voted at the meeting or who executed the agreement in writing shall constitute one party under the petition for arbitration. If the arbitrator certifies the recall as to any member or members of the Board, the recall will be effective upon mailing of the final order of arbitration to the Association. If the Association fails to comply with the order, the arbitrator of the Division may take action pursuant to the Condominium Act. Any member or member so recalled shall deliver to the Board any and all records of the Association in their possession within five (5) full business days of the effective date of the recall. If the Board fails to duly notice or hold a Board meeting within five (5) full business days of service of an agreement in writing or within five (5) full business days of the adjournment of the Member recall meeting, the recall shall be deemed effective and the Board members so recalled shall immediately turn over to the Board any and all records and property of the Association. If a vacancy occurs on a Board as a result of a recall, unless the majority of the Board members are removed, the vacancy may be filled by the affirmative vote of the majority of the remaining directors notwithstanding any other provision to the contrary in this section. If vacancies occur on the Board as a result of recall and a majority or more of the Board members are removed, the vacancy shall be filled in accordance with the provisions hereof.

Directors may be removed from office with or without cause by the vote or agreement in writing by a majority of all votes. A special meeting of Members to recall a Director may be called by ten percent (10%) of the votes, giving notice of the meeting and stating the purpose. The action of the Members in connection with recall shall be governed by the rules and regulations of the Board of Directors. Any recalled Director shall turn over to the Board any and all records of the Association in their possession within five business days after the meeting at which the recall vote is passed.

M. Presiding Officer. The presiding officer of meetings of the Board shall be the Chairman of the Board, if such officer has been elected, or, if not, the President of the Association. In the absence of the presiding officer, the Directors present shall designate one of their number to preside.

N. Powers and Duties. All of the powers and duties of the Association shall be exercised by the Board, including those existing under the laws of Florida, the Amended and Restated Articles, these Bylaws and the Amended and Restated Declaration. Such powers and duties shall be exercised in accordance with the Amended and Restated Articles, these Bylaws and the Amended and Restated Declaration.

V. OFFICERS

A. Generally. The Board shall elect a President, Secretary, Treasurer, and as many Vice Presidents, Assistant Secretaries, Assistant Treasurers or other officers as the Board shall deem advisable from time to time. The officers shall serve at the pleasure of the Board. The President shall be elected from the membership of the Board, but no other officer need be a Director. The same person may hold two offices, the duties of which are not incompatible; provided, however, that the office of President and Vice President shall not be held by the same person, nor shall the

office of the President and Secretary or Assistant Secretary be held by the same person. The Board may, from time to time, elect such other officers, and designate their powers and duties, as the Board may deem necessary to properly manage the affairs of the Association. Officers may be removed from office by the Board. The Board may remove such officers for cause or no cause, in their discretion, by a majority vote.

B. President. The President shall be the chief executive officer of the Association. He shall have all of the powers and duties which are usually vested in the office of President of a corporation not for profit, including, but not limited to, the power to appoint committees from among the Members from time to time, as he may in his discretion determine appropriate, to assist in the conduct of the affairs of the Association. He shall have such additional powers as the Board may designate.

C. Vice President. The Vice President shall, in the absence or disability of the President, exercise the powers and perform the duties of President. He shall also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed by the Board.

D. Secretary. The Secretary shall keep the minutes of all proceedings of the Board and the Members. He shall attend to the affairs of the Association. He shall have such additional powers as the Board may designate. He shall attend to the giving and serving of all notices to the Members and the Board, and such other notices as may be required by law. He shall have custody of the seal of the Association and affix the same to instruments requiring a seal when duly signed. He shall keep the records of the Association, except those of the Treasurer, and shall perform all other duties incident to the office of Secretary of a corporation not for profit and as may be required by the Board and the President. The Assistant Secretary shall perform the duties of Secretary when the Secretary is absent.

E. Treasurer. The Treasurer shall have custody of all the property of the Association including funds, securities and evidences of indebtedness. He shall keep the assessment roll and accounts of the Members; he shall keep the books of the Association (including without limitation a separate set of books of account for each of the condominiums administered by the Association) in accordance with good accounting practices, and he shall perform all other duties incident to the office of Treasurer.

F. Compensation. No compensation shall be paid to any officer of the Association, except with the approval of a majority of the membership, reflected by a vote taken at a duly constituted membership meeting. Nothing herein shall be construed so as to prohibit or prevent the Board of Directors from employing any director or officer as an employee of the Association at such compensation as the Board shall determine, nor shall anything herein be construed so as to preclude the Board from contracting with a director or officer or with any corporation in which a director or officer or with any corporation in which a director or officer of the Association may be a stockholder, officer, director or employee, for the management of the Condominium for such compensation as shall be mutually agreed between the Board and such officer, director or corporation, or from contracting with a director or officer or corporation in which a director or officer of the Association may be a stockholder, officer, director or employee for the purpose of making available to the owners of condominium Units such services as are contemplated by the provisions of Article IV of these Bylaws. An officer, director or manager may not solicit, offer to accept, or accept anything of service or value for which consideration has not been provided for his own benefit or that of his immediate family, from any person providing or proposing to provide goods or services to the Association.

G. Committees. The Board may, from time to time, appoint such committees as it may deem necessary or convenient and for such purposes as the Board may elect. No committee meetings, except committees to take final action on behalf of the Board or to make recommendations to the Board regarding the Association budget, shall be required to be open to the members.

VI. FISCAL MANAGEMENT

The provisions for fiscal management of the Association set forth in the Amended and Restated Declaration and Amended and Restated Articles shall be supplemented by the following provisions.

A. Assessment Roll. The assessment roll shall be maintained in a set of accounting books in which there shall be an account for each Member and his respective Unit. Such account shall designate the name and mailing address of the Member owning each Unit, the amount of each assessment against the Member, the amount of each assessment and due date thereof, and all amounts paid, and the balance due upon each assessment.

B. Annual Budget. The Board shall adopt, for, and in advance of, each fiscal year, a budget showing the estimated costs of performing all of the functions of the Association for the year. The budget shall show the total estimated expenses of the Association for that year and shall contain an itemized breakdown of the Common Expenses, which shall include, without limitation, the costs of operating and maintaining the Common Elements, Limited Common Elements, if maintained by the Association, Association Property, wages and salaries of Association employees, management, legal and accounting fees, office supplies, public utility services not metered or charged separately to Units, premiums for insurance carried by the Association and reserve accounts for capital expenditures and deferred maintenance and any other reserves and/or funds which may be established from time to time by the Board. Such reserve accounts shall include, but not be limited to, roof replacement, building painting and pavement

resurfacing. The amount to be reserved shall be computed by means of a formula which is based upon estimated remaining useful life and estimated replacement costs or deferred maintenance expenses of each reserve item. The Association may adjust replacement cost or deferred maintenance annually to take into consideration any changes in estimated or useful life of reserve items caused by deferred maintenance. All such reserve funds and interest thereon shall remain in such accounts for authorized reserve expenditures unless their use for other purposes is approved in advance by a majority of the Members. Each budget shall also show the proportionate share of the total estimated expenses to be assessed against and collected from the Members and due date(s) and amounts of installments thereof. Copies of the proposed budgets and proposed assessments shall be mailed or hand delivered to each Member at the last address furnished to the Association not less than fourteen (14) days prior to the meeting of the Board of Directors at which the budgets will be considered, together with a notice of the time and place of the meeting, which must be open to Members. Evidence of compliance with this fourteen (14) day notice must be made by affidavit executed by an officer of the Association or the manager or other person providing notice of the meeting and filed among the official records of the Association. If any budget is subsequently amended or supplemented, a copy shall be furnished to each affected Member. Delivery of a copy of any budget or amended/supplemented budget to a Member shall not affect the liability of any Member for any such assessment, nor shall delivery of a copy of such budget or amended budget be considered as a condition precedent to the effectiveness of the budget and assessments levied pursuant thereto. Nothing herein contained shall be construed as a limitation upon the additional assessment in the event that any budget originally adopted shall appear to be insufficient to pay costs and expenses of operation and management, or in the event of emergencies. The Members may, by a vote of the majority of votes present at a duly called meeting of Members, determine to provide no reserves or reserves at a less than adequate amount as established under the Act. If a meeting of Members has been called to determine to provide no reserves or reserves at less than required and the quorum requirement is not met, the reserves in the budget as prepared shall go into effect.

C. Increased Budget(s). If a budget is adopted by the Board which requires Assessment of the Members in any budget year exceeding one hundred fifteen percent (115%) of such Assessments for the preceding budget year, upon written application of ten percent (10%) of the Members, delivered to the Board within twenty-one (21) days after adoption of the annual budget, the Board shall call a special meeting of the Members to be held within 60 days after adoption of the budget. At the special meeting, Members shall consider and enact a budget. Any such revision of the budget shall require a vote off not less than fifty-one percent (51%) of the whole number of votes of all Members. The Board may in any event first propose a budget to the Members at any such meeting of Members or by writing, and if such budget or proposed budget be approved by a majority of the Members at the meeting or by a majority of all Members in writing, such budget is adopted, and such budget shall not thereafter be reexamined by the Members in the manner hereinabove set forth nor shall any and all Members of the Board be recalled under the terms hereof. If a meeting of the Members has been called and a quorum is not obtained or a substitute budget is not adopted by the Members, the budget adopted by the Board goes into effect as scheduled. In determining whether Assessments exceed one hundred fifteen percent (115%) of Assessments in the prior year, any authorized provisions for reasonable reserves for repair or replacement of the Condominium Property, expenses which are not anticipated to be incurred on a regular or annual basis, or assessments for betterment of the Condominium Property, must be excluded from the computation.

D. Notice of Adopted Budgets. Upon adoption of budgets, the Board shall cause a written copy thereof to be delivered to all Members. Assessments shall be made against Members pursuant to procedures established by the Board, and in accordance with the terms of the Amended and Restated Declaration and Amended and Restated Articles. Members shall be liable to pay Assessments not less often than quarterly; provided, however, that the lien or lien rights of the Association shall not be impaired by failure to comply with procedures established pursuant to these Bylaws. Further, nothing provided herein shall be construed to preclude the right of the Association to accelerate assessments of a Member who is delinquent in his payment of assessments.

E. Assessments. Unless otherwise determined by the Board of Directors, assessments shall be payable monthly on the first day of each month, but in no event shall amounts be payable less often than quarterly. If an annual assessment is not made as required, an assessment shall be presumed to have been made in the amount of the last prior assessment, and installments on such assessment shall be due upon each installment payment date until changed by an amended Assessment. In the event the annual assessment proves to be insufficient, the budget and assessments may be amended at any time by the Board of Directors. Unpaid assessments for the remaining portion of the fiscal year for which an amended assessment is made shall be payable in equal installments through the end of the fiscal year; provided, nothing herein shall serve to prohibit or prevent the Board of Directors from imposing a lump sum assessment in case of any immediate need or emergency.

F. Special Assessments. Special Assessments shall be levied and paid as determined by the Board and shall be those chargeable to all Members of a Condominium in the same proportions as regular Assessments to meet shortages or emergencies, to construct, reconstruct, repair or replace all or any part of the Common Elements (including fixtures and personal property related thereto) and for such other purposes as shall have been approved by the Board.

G. The Depository. The depository of the Association shall be such bank or banks or savings and loan association or associations as shall be designated from time to time by the Directors and in which the monies of the

Association shall be deposited. Withdrawal of monies from such accounts shall be only by checks or withdrawals signed by such persons as are authorized. Any contract for the management and maintenance of the Condominium Property entered into by the Board with a management agent may include in its provisions authority for the Manager to sign checks on behalf of the Association for payment of the obligations of the Association. Reserve and operating accounts shall not be Condominium Property.

H. Financial Records. Within ninety (90) days following the end of the fiscal year, the Board of Directors of the Association shall mail or furnish by personal delivery to each Member a complete Financial report of actual receipts and expenditures for the previous twelve (12) months or a complete set of financial statements for the proceeding fiscal year prepared in accordance with the applicable rules and regulations of the Division of Land Sales Condominium and Mobile Homes and the Condominium Act.

I. Fidelity Bonds. Fidelity bonds in an amount equal to the maximum amount of funds controlled by the Association and the Management Agreement shall be required from any persons handling or responsible for the control or disbursement of Association funds as the Board of Directors shall direct. The premiums of said bonds shall be paid by the Association.

J. Fines. The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Condominium Act, the Amended and Restated Declaration, the Amended and Restated Articles of Incorporation of the Association, these Bylaws, or the Rules and Regulations adopted pursuant thereto ("Property Documents"), shall not constitute a waiver of the right to do so thereafter. In addition to all other remedies available to the Association in law or equity, the Association may levy against any Owner or its Tenant a fine not in excess of \$100.00 per violation, or the highest fine permitted under the Condominium Act, for each day that such Owner or Tenant continues to violate any of the requirements of the Property Documents after the Association has given notice of the violation and an opportunity for hearing to the Unit Owner or Tenant. A fine may be levied on the basis of each day of a continuing violation with a single notice and opportunity for hearing to the Unit Owner or Tenant before a committee of other unit owners who are not directors, agents or employees of the Association, or the spouse of a director, agent or employee of the Association, provided that no such fine shall in the aggregate exceed \$1,000.00, unless the Condominium Act is revised to permit fines in excess of said amount and the Board of Directors approves such an increase. In assessing the fine, the Association shall follow the following procedure:

(1) The party against whom the fine is sought to be levied shall be afforded an opportunity for hearing after reasonable notice of not less than fourteen (14) days and said notice shall include:

- (a) a statement of the date, time and place of hearing;
- (b) a statement of the provision of the Amended and Restated Declaration, Amended and Restated Articles, these Bylaws or association rules which have been violated; and
- (c) a short and plain statement of the matters asserted by the Association.

(2) The party against whom the fine may be levied shall have an opportunity to respond, to present evidence, and to provide written and oral argument to all issues involved and shall have the opportunity at the hearing to review, challenge and respond to any material considered by the Association.

(3) The hearing must be held before a committee of other Members.

(4) If the Committee does not agree with the fine, the fine may not be levied.

(5) The provisions of this section do not apply to unoccupied units.

VII. OFFICIAL RECORDS

From the inception of the Association, the Association shall maintain each of the following items, when applicable, which shall constitute the Official Records of the Association:

(1) A copy of the plans, permits, warranties and other items provided by the developer pursuant to § 718.301(4).

- (8) All current insurance policies of the Association and the Condominium.

- (10) Any bills of sale or transfer documents for any property owned by the Association.
- (11) Accounting records for the Association. All accounting records shall be maintained for a period of not less than seven (7) years. The accounting records shall include, but are not limited to:
 - (a) Accurate, itemized and detailed records of all receipts and expenditures;
 - (b) A current account and a monthly, bimonthly or quarterly statement of the account for each Unit designating the name of the Member, the due date and amount of each assessment, the amount paid upon the account, and the balance due;
 - (c) All audits, reviews, accounting statements, and financial reports of the association or condominium;
 - (d) All contracts for work to be performed. Bids for work to be performed shall also be considered official records and shall be maintained for a period of one (1) year.
- (12) Ballots, sign-in sheets, voting proxies, and all other papers relating to voting by Members, which shall be maintained for a period of one (1) year from the date of the election, vote or meeting to which the document relates.

- (16) All other records of the Association not specifically included in the foregoing which are related to the operation of the Association.

The Official Records of the Association shall be maintained within the state. The records of the Association shall be made available to a Member within five (5) working days after receipt of written request by the board or its designee. This paragraph may be complied with by having a copy of the official records of the Association available for inspection or copying on the Condominium Property.

The Official Records of the Association are open to inspection by any Member or the authorized representative of such Member at all reasonable times. The right to inspect the records includes the right to make or obtain copies, at the reasonable expense, if any, of the Member. The Association may adopt reasonable rules regarding the frequency, time, location, notice and manner of record inspections and copying. The failure of an Association to provide the records within ten (10) working days after receipt of a written request shall create a rebuttable presumption that the Association willfully failed to comply with this paragraph. A Member who is denied access to Official Records is entitled to the actual damages or minimum damage for the Association's willful failure to comply as provided in the Act or the rules and regulation issued in connection therewith. The Association shall maintain an adequate number of copies of the Amended and Restated Declaration, Amended and Restated Articles of Incorporation, these Bylaws and Rules, and all amendments to each of the foregoing, as well as the question and answer sheet provided for in § 718.504 on the Condominium Property to ensure their availability to Members and prospective purchasers, and may charge its actual costs for preparing and furnishing these documents to those requesting the same.

VIII. PARLIAMENTARY RULES

Robert's Rules of Order (latest edition) shall govern the conduct of the Association's meetings when not in conflict with the Amended and Restated Declaration of Condominium, Amended and Restated Articles of Incorporation or these Bylaws.

IX. ARBITRATION

In the event there are internal disputes among Members, association or their agents and assigns arising from or in connection with the operation of the Condominium, the parties shall enter into mandatory non-binding arbitration pursuant to the rules and regulations of the Division of Florida Land Sales, Condominiums and Mobile Homes or if there are no promulgated rules and regulations of the Division of Florida Land Sales, Condominiums and Mobile Homes, then pursuant to the Rules and Regulations of the American Arbitration Association.

X. AMENDMENTS TO BYLAWS

These Bylaws may be amended by the vote of a majority of the Board of Directors at a duly called regular or special meeting at which a quorum is present.

No Bylaw shall be revised or amended by reference to its title or number only. Proposals to amend existing Bylaws shall contain the full text of the Bylaws to be amended; new words shall be inserted in the text underlined, and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial reworking of bylaw. See bylaw ____ for present text." Nonmaterial errors or omissions in the bylaw amendment process shall not invalidate an otherwise properly promulgated amendment.

Such amendment or amendments to these Bylaws shall be transcribed, certified by the Secretary of the Association, and a copy thereof shall be recorded in the Public Records of Duval County, Florida as an amendment to the Amended and Restated Declaration of Condominium within thirty (30) days from the date on which any amendment or amendments have been affirmatively approved by the Board of Directors.

Provided, however, that no amendment shall discriminate against any Member or group of Units unless the Members so affected shall consent. No amendment shall be made that is in conflict with the Condominium Act, the Amended and Restated Declaration of Condominium, or the Amended and Restated Articles of Incorporation.

XI. INCORPORATION OF ACT

All provisions of §718.112(2)(a) through (m), Florida Statutes, are deemed to be included these bylaws. To the extent that any such provisions of the Act are in conflict with any of the terms of these Bylaws, the provisions of the Act shall control.

The foregoing were adopted as the Amended and Restated Bylaws of Pelican Point at Jacksonville Beach Condominium Association, Inc., under the laws of the State of Florida, on the 3rd day of December 03, 2007.
