Article V

Covenants for Assessments

Section 1. Creation of the Lien and Personal Obligation for the Assessments. Each Owner of any Residential Dwelling Unit, Residential Lot (by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance) including any purchaser at a judicial sale, shall hereafter be deemed to covenant and agree to pay to the Association (1) any annual assessments or charges, (2) any special assessments for capital improvements or major repair, and (3) exterior maintenance assessments (as set forth hereafter), such assessments to be fixed, established and collected from time to time as hereinafter provided. All such assessments, together with interest thereon from due date at the highest lawful rate and costs of collection thereof including attorneys' fees, shall be a charge on the land and shall be a continuing lien upon that portion of the property against which each such assessment is made and shall be the personal obligation of the Owner. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents of the Property and in particular for the improvement and maintenance of the Common Area and property to be conveyed to the Association as Common Area and common services for the benefit of residents of the Property, including, but not limited to, the cost of road and lake maintenance, street lighting, taxes, insurance, labor, equipment, materials, management, maintenance and supervision thereof, as well as for such other purposes as are permissible activities of the Association and undertaken by it.

Section 3. Annual Assessment. Annually, the Board of Directors of the Association shall fix the assessments which shall be in amounts determined in accordance with the projected financial needs of the

Association, as to which the decision of the Board of Directors of the Association shall be dispositive.

Section 4. Rates of Assessments.

A. The rate of the annual assessment which shall be levied against the following categories of the Property shall be as follows:

1. A Residential Dwelling Unit shall be assessed an annual assessment amount as established by the Board of Directors.
2. A Residential Lot shall be assessed an annual assessment amount as established by the Board of Directors, but in no event shall said assessment exceed one-half (½) of the annual assessment of an RDU.

B. The Owner of any assessable property as to which the assessment category changes during an assessment period or which becomes subject to assessment during an assessment period, shall pay the amount attributable to such new assessment category for the prorated portion of the year remaining subsequent to such change or creation of assessment category.

Section 5. Date of Commencement of Annual Assessments Due Dates. The annual assessments provided for herein shall commence on the date (which shall be the first day of a month) fixed by the Board to be the date of commencement. The annual assessments shall be payable in advance, in periodic installments if so determined by the Board. The due date of any special assessment or exterior maintenance assessment hereof shall be fixed in the resolution authorizing such assessment.

Section 6. Duties of the Board of Directors. The Board shall fix the date of commencement and the amount of the assessment for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Property and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the assessment shall be sent to every Owner subject thereto not later than fifteen (15) days after fixing of the date of commencement and the amount thereof. The assessments provided for herein may be collected for and remitted to the Association by any such other association(s) as the Board of Directors may in its discretion deem expedient and appropriate. The Association shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 7. Special Assessments. In addition to the regular annual assessment authorized by Section 3 hereof, the Board may levy special assessments for the following purposes:

- A. construction or reconstruction, repair or replacement of capital improvements, including special maintenance upon the Common Areas including the necessary fixtures, landscaping and personal property related thereto;
- B. for additions to the Common Areas;
- C. to provide for the necessary services and the facilities and equipment to offer the services authorized herein;
- D. to repay any loan made to the Association to enable it to perform the duties and functions authorized herein whether such loan shall be made in the year of such assessment or any prior year;

Such special assessment before being charged must have received the consent of a majority of the votes of all of the Members who are voting in person or by proxy at a meeting duly called and constituted for this purpose. A special assessment levied for the purpose of emergency repairs required as a result of storm, fire and natural disaster or other casualty loss or major rehabilitation or repair shall be levied at the discretion of a majority of the Board of Directors. The proportion of each special assessment to be paid by the Owners of each category of Property shall be equal to the respective proportions of the regular annual assessments made for the year during which such special assessments are made.

Section 8. Effect of Non-Payment of Assessment. The Lien, Remedies of Association. If the assessments are not paid on the date when due, such assessment shall then become delinquent and shall, together with such interest thereon and cost of collection thereof thereupon become a continuing lien on the Property which shall bind such Property in the hands of the then Owner, his heirs, devisees, personal representatives and assigns, and shall also be the continuing personal obligation of the Owner against whom the

assessment is levied.

If the assessment is not paid within thirty (30) days after the delinquency date, the Association may bring an action to foreclose the lien, in like manner as a foreclosure of a mortgage on real property, and/or a suit on the personal obligation against the Owner and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action, and in the event a judgement is obtained, such judgement shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the court together with the costs of the action.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any bona fide mortgage or mortgages (except from buyer to seller of a Residential Dwelling Unit or Residential Lot) now or hereafter placed upon the portion of the Property subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such portion of the Property, pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. No sale or transfer shall relieve any portion of the Property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment. The written opinion of the Association that the lien is subordinate to a mortgage shall be dispositive of any question of subordination.

Section 10. Exempt Property. The following Property subject to this Declaration shall be exempted from the assessments, charge and lien created herein: (a) any Property to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; (b) all Common Area as defined in Article I hereof; (c) all Property exempted from ad valorem taxation by the laws of the State of Florida, to the extent agreed to by the Association.

Section 11. Allocation and Apportionment. The Board shall not be required to allocate or apportion the funds collected by it or the expenditures therefrom between or among owners of the Property or members of the Association or any surviving or consolidated association pursuant to a merger or consolidation of the Association with another association nor shall the Board be required to allocate or apportion the funds collected pursuant to this Declaration or expenditures therefrom between the various purposes specified in this Declaration and the judgement of the Board as to the expenditure of said funds shall be final. The funds collected may be expended for the mutual benefit of the Members of the Association and members of the Existing Master Associations at the discretion of the Board.

Article VI

Section 1. Exterior Maintenance. In addition to maintenance upon the Common Area, the Association may provide exterior maintenance upon any structure or any Residential Dwelling Unit, Residential Lot needing same in the Association's opinion. Exterior maintenance includes, without limitation, painting, repairs, replacing or repairing roofs, gutters, down spouts, exterior building surfaces, heat pump screens, trees, shrubs, grass, walks, and other exterior improvements, provided, however, that to the extent such maintenance is required to be performed and is actually performed by another property owner's association for the area in which any such Property is located, such maintenance shall not be duplicated by the Association.

Section 2. Assessment of Cost. The cost of maintenance performed by the Association as provided in Section 1 above shall be assessed against the Property upon which such maintenance is performed but shall not be considered part of the annual maintenance assessment or charge. Any such special assessment or charge shall be a lien against the Property and the personal obligation of the Owner(s) and shall become due and payable in all respects, together with interest and fees for costs of collection, as provided for the other assessments of the Association.

Section 3. Access at Reasonable Hours. For the purpose of performing the duties authorized by this Article, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon any portion of the Property at reasonable hours on any day except Saturday or Sunday. In the case of emergency repairs access will be permitted at any time with only such notice as, under the circumstances, is practically affordable.

Article VII

Hammock Cove Homeowners Association, Inc. Architectural Controls

Section 1. Structure or Improvements. No structure or improvement, including without limitation, landscaping and landscaping devices, buildings, fences, walls, swimming pools, boathouses, docks, aerials, antennae, bulkheads, sewers, drains, disposal systems or other structures shall be commenced, erected, placed or maintained upon any portion of the Property nor shall any addition to or change or alteration therein be made until the plans, specifications, and locations of the same shall have been submitted to and approved in writing, as to harmony of external design, location in relation to surrounding structures and topography, by the Board of the Association, or by the Architectural Review Board (ARB) thereof in accordance with the provisions of the Bylaws of the Association. If the Association or the ARB thereof shall determine, in its sole discretion, that any such improvements will not have an adverse impact upon areas located outside the jurisdiction of such property owners association or will not affect subdivision buffer areas, subdivision, entrance ways, or visibility from street intersections, the approval or disapproval of the Association shall be dispositive.

Section 2. The Sawgrass Players Club Association Architectural Control Committee (ACC) has the right to approve or disapprove of everything pertaining to the harmony of external design and relation to surrounding structures. It also states that the ACC has sole and exclusive right to identify any items that will not adversely affect buffer zones between subdivisions or entrances to subdivisions, or visibility from golf courses and roadways. Many of these items can then become the responsibility of the Hammock Cove Homeowners Association Architectural Review Board (ARB) which must be an established entity of the Board.

Those specific items in Section 3 below are the primary responsibility of ARB's until otherwise notified. When an appeal is made to an ARB decision, the ACC can be asked by the Homeowner to review the request.

Section 3. All requests are to be first submitted to the ARB. Those other than listed below should be forwarded to the ACC, along with the ARB recommendations.

The following requests are the sole responsibility of the ARB to insure that the proposed changes will remain consistent with the present appearance of Hammock Cove Homeowners Association.

No items in A through I below may be placed, changed or added to, without written approval of the ARB of the Hammock Cove Homeowners Association.

- A. Changes in exterior paint colors.
- B. Changes in roof shingles.
- C. Screen enclosures not affecting the footprint of the house.
- D. Outside lighting.
- E. Mailboxes.
- F. Recreational structures, such as basketball backboards, swings, slides, children's playhouses and tree houses.
- G. Landscape changes not affecting drainage.
- H. Fencing.
- I. Satellite dishes not exceeding 18" in diameter.

For many of these items, both the location and the design are important factors to be considered.

Any requests for changes other than these should be forwarded to the Players Club ACC. The ACC will

then determine whether that particular request should be handled by them or returned to the Hammock Cove Homeowners Association for handling. When new technology affecting exterior appearance creates homeowner demand (such as in the case of the 18" satellite dish), the ACC along with the ARB/ACC Coordination Committee will review the appropriateness of adding that item to the above list.

No weeds, underbrush or other unsightly growth shall be allowed to grow or remain upon any of the Property, and no refuse pile or unsightly object shall be allowed to be placed or suffered to remain anywhere thereon, and in the event the Owner thereof shall fail or refuse to keep the Property free of weeds, underbrush or refuse piles or other unsightly growths or objects, then the Association may enter upon the Property and remove same at the expense of the Owner, and such entry shall not be deemed a trespass. No gasoline or diesel powered boats of any kind shall be kept or used on waters subject to these restrictions or any waters within the Property or located within the lands adjacent to the Property.

Section 8. Drainage. No changes in elevation of Property shall be made which will cause undue hardship to any adjoining property with respect to natural run-off of rain water or which shall result in any alteration of the drainage system for the Property and the lands adjacent to or near the Property, or which shall in any way affect the drainage system for the benefit of the Property and lands adjacent to the Property without the prior written consent of the Association.

Section 9. Boats and Motor Vehicles. No boats, mobile homes, recreational vehicles or other motor vehicles, except four wheel passenger automobiles, vans, shall be placed, parked or stored upon any areas

Domestic animals shall be kept for the pleasure of Owners only and not for any commercial or breeding use or purposes. If, in the discretion of the Association, any animals shall become dangerous or an annoyance or nuisance to other Owners, or destructive of wildlife or property, they may not thereafter be kept upon the Property.

Section 12. Garage Doors. Garage doors are not to be left open at full elevation, unless the resident is working in or near the garage. When using the door to ventilate the garage, it should be no more than 48" above the surface of the garage floor.

Section 13. Residential Lots. All lots in the Subdivision are Residential Parcels and shall be used exclusively for single family residential purposes. No structure, except as otherwise provided, shall be erected, altered, placed or permitted to remain on any Residential Parcel other than one, detached single family residence dwelling not to exceed two (2) stories and a private garage for not more than three (3) cars. This shall not prohibit the construction of one residence upon two (2) or more lots. Failure to enforce such violation shall not, however, give rise to any liability on the part of the Association with respect to parties aggrieved by such failure.

Section 15. Remedies for Violation. Violation or breach of any condition, restriction or covenant contained in this Article shall give the Association in addition to all other remedies, the right to impose fines to be collected by the Association in the manner provided for assessments set forth in their Article V of the stated Declaration of Covenants, the right to proceed at law or in equity to compel compliance with the terms of said conditions, restrictions or covenants and to prevent the violation or breach of any of them and the expense of such litigation shall be borne by the then violating Owner or Owners of the Property, provided such proceeding results in a finding that such Owner was in violation of these restrictions. Expenses of litigation shall include reasonable attorneys' fees incurred by the Association in seeking such enforcement whether incurred during trial or on appeal, and all costs of such enforcement action shall constitute part of the annual assessment against such owner and be enforceable as a lien upon the Property of such Owner in accordance with the provisions of Article V. The invalidation by any court of any of the restrictions contained in this Article shall in no way affect any of the other restrictions, but they remain in full force and effect.

Should the Association exhaust all reasonable means at its disposal short of litigation to enforce compliance with its Covenants and Restrictions and so state in writing to the Sawgrass Players Club Association, Inc., hereinafter called the Master Association, this Article shall give the Master Association

in addition to all other remedies, the right but not the obligation to impose fines as allowed by Fla. Expenses of litigation shall include reasonable attorneys' fees incurred by the Master Association in seeking such enforcement whether incurred at trial or on appeal and all costs of such enforcement action shall constitute part of the annual Master Association assessment against such Owner and be enforceable as a lien upon the Property of such Owner in accordance with the provisions of Article V of the Master Association's Restated and Amended Declaration of Covenants. The invalidation by any court of any restriction's stated in the Master Association's Amended and Restated Declaration of Covenants shall in no way affect any of the other restrictions, but they shall remain in full force and effect.

Article IX General Provisions

The covenants and restrictions of this Amended and Restated Declaration shall run with and bind the Property, and shall inure to the benefit of and be enforceable by the Association, or the Owner of any Property subject to this Amended and Restated Declaration, their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date the Prior Declaration was recorded. Upon the expiration of said thirty (30) year period, this Amended and Restated Declaration may be extended for successive additional periods if a majority of the Members, voting at a duly called and constituted meeting of the Membership noticed specifically for such purpose, vote in favor of extending this Amended and Restated Declaration. The length of each extension shall be established by such vote. Violation or breach of any condition, covenant or restriction herein contained, or of any rule duly promulgated by the Association, shall give the Association, and/or the Owners in addition to all other remedies, the right to proceed at law or in equity to compel compliance with the terms of said covenants, restrictions, or rules, and to prevent the violation or breach of any of them, and the expense of such enforcement shall be borne by the then Owner or Owners of the subject property. The expense of enforcement of such covenants, restrictions or rules shall include reasonable attorneys' fees incurred by the Association or the Owners in seeking such enforcement, regardless of whether litigation is instituted.

A. The Association hereby indemnifies any Director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding;

1. Whether civil, criminal, administrative, or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity of Director or officer of the Association, or in his capacity as director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal therein, if such person acted in good faith in the reasonable belief that such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interests of the Association or that he had reasonable grounds for belief that such action was unlawful.

2. By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or officer of the Association, or by reason of his being or having been a Director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association. Such person shall not be entitled to indemnification in relation to matters as to which such person has been adjudged to have been guilty of negligence or misconduct in the performance of his duty to the Association unless and only to the extent that the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability, but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

B. The Board of Directors shall determine whether amounts for which a Director or officer seeks

indemnification were properly incurred and whether such Director or officer acted in good faith and in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

C. The foregoing right of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law. The liability of the Directors and officers of the Association for money damages shall be eliminated to the fullest extent permissible under Florida law.

The year of dissolution shall count as a whole year for purposes of the preceding fractions.

B.
