D.R. 1086 PG 1190

Section 3. The Association shall have two classes of voting membership:

(a) Class A. Class A Members shall be all Owners with the exception of Developer while the Developer is a Class B Member. Class A Members shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, other than as security for the performance of an obligation, all such persons shall be Members. The vote for such parcel shall be exercised as they, ~~between themselves,~~ determine, by written designation to the Association, but in no event shall more than one vote be cast with respect to any Lot. The vote appurtenant to any Lot shall be suspended in the event that, and for as long as, more than one member holding an interest in that Lot lawfully seeks to exercise it.

(b) Class B. Class B Members shall be the Developer, who shall be entitled to the number of votes equal to the number of votes held by all Class A Members, plus one. In addition to being a member of the Association, every Owner shall be a member of The Innlet at Ponte Vedra Beach Master Association, Inc., a Florida non-profit corporation (the "Master Association"). Membership in the Master Association shall be subject to the Master Covenants and the Articles of

The Master Association has the power and duty to enforce the Master Covenants and to collect and disburse assessments for the maintenance of the common property serving the Innlet at Ponte Vedra Beach Community.

ARTICLE III

OWNER'S RIGHTS

Section 1. Every Owner shall have a right and easement of enjoyment in and to the Common Area, which will be appurtenant to and shall pass with title to every Lot, subject to the provisions of the Association Articles of Incorporation, Bylaws and Rules and Regulations and the following provisions:

(a) The right of the Association to charge assessments and other fees for the maintenance and security of the Common Areas and the facilities and services provided Owners as described herein.

(b) The right of the Association to adopt rules and regulations governing the manner and extent of use of the Common Areas and the personal conduct of the Members of the Association and their guests thereon.

(c) The right of the Association to dedicate or transfer all or any part of the Common Areas, including, but not limited to

the Common Roads, to any public agency, authority or utility (public or private) for such purposes and subject to such conditions as may be agreed upon by the Members of the Association.

(d) The right of the Association to mortgage any or all of the facilities constructed on its property for the purpose of improvements or repair to such property or facilities provided such action is approved by majority at a regular meeting of the Association or at a special meeting called for this purpose.

(e) ~~The right of Developer or the Association to grant~~ and reserve easements and rights-of-way through, under, over and across the Common Areas and Common Roads, including the right to grant easements over the Common Roads for ingress and egress to members of the general public.

(f) The right of Developer or the Association to acquire, extend, terminate or abandon easements.

(g) The right of the St. Johns River Water Management District to enforce rules and regulations with regard to the Stormwater Retention System.

Section 2. Any Owner may assign his right of enjoyment to the Common Areas and facilities thereon to his tenant who resides on his Lot, subject to the provisions of this Declaration and the Association Articles of Incorporation, Bylaws and Rules and Regulations.

Section 3. In the event any Common Areas, facilities or personal property of the Association or of Developer are damaged or destroyed by an Owner or any of his Guests, tenants, licensees,

agents, employees or members of his Family as a result of negligence or intentional acts, such Owner does hereby authorize the Association to repair the damage. Such repairs will be performed in a good and workmanlike manner in conformance with the original plans and specifications for the area involved or as the area may have been modified or altered subsequently by the Association. The amount necessary for such repairs shall be the responsibility of such Owner and shall become a Lot Assessment.

Section 4. Developer may retain title to the Common Areas, or any portion thereof, until such time as it has completed all improvements thereto. Upon such completion, Developer hereby covenants that it will convey the Common Areas to the Association subject to easements and restrictions of record and free and clear of all liens and financial encumbrances other than taxes for the year of conveyance. Developer shall reserve the right, after conveyance to the Association, to enter upon such Common Areas for the purpose of construction of additional facilities, alteration of existing facilities, landscaping or creation of new easements or modifications of pre-existing easements, or to exercise any other rights provided for elsewhere herein. Each Owner's obligation to pay assessments, as provided herein, shall commence when the Lot owned by the Owner has been substantially developed, notwithstanding that the Common Areas have not then been conveyed to the Association. A Lot shall be deemed "substantially developed" for purposes of Article III and Article V when all roads necessary to provide access to that particular Lot have been

constructed, utilities for use by the Owner of the particular Lot are in place and ready for connection and the Lot is in all other respects ready for the construction of a House.

Section 5. No Lot upon which a House has been constructed shall be further subdivided or separated into smaller lots by any Owner; provided that this shall not prohibit corrective deeds, or similar corrective instruments. Developer shall have the right to modify subdivision plats of the Property if all Owners to whom Lots from such plat have been conveyed consent to such modification, which consent shall not be unreasonably withheld.

ARTICLE IV

ASSOCIATION

Section 1. The duties and powers of the Association shall be those provided for by law or set forth in this Declaration, the Association's Articles of Incorporation and Bylaws, together with those duties and powers which may be reasonably implied to effect the purposes of the Association. Without limiting the generality of the foregoing, the Association may take such measures and perform such services which in the judgment of the Board of Directors are necessary or desirable to enforce the covenants, conditions, restrictions and limitations set forth in this Declaration; operate, maintain and administer all Common Areas, Common Roads and the Stormwater Retention System within the Property in accordance with all applicable governmental rules, regulations and permits, including, without limitation; all permits and rules and

regulations issued by the St. Johns River Water Management District; administer and enforce the easements provided for in this Declaration; and collect and disburse the assessments created in this Declaration.

Section 2. It shall be the obligation of each Owner to maintain his Lot in a neat, clean and attractive condition. In the event an Owner fails to do so, the Association shall have the right to clean up the Lot, cut weeds, and do such things as it may deem necessary and appropriate. The costs incurred by the Association for such Lot maintenance shall be a Lot Assessment. If construction of a House on any Lot has not begun within three (3) years after conveyance of that Lot by Developer, the Association may install an irrigation system, plant grass and maintain the Lot to provide a finished appearance. The costs of these services shall be a Lot Assessment.

Section 3. Except as provided for herein, the Association is not responsible for any exterior maintenance of Houses, including but not limited to, glass surfaces on doors, screens and screen doors, exterior doors and window fixtures, terraces, patio and deck improvements or roofs.

Section 4. The Association may employ or contract with one or more third parties for the performance of all or any portion of the Association's management, maintenance and repair activities, as the Association Board of Directors may choose. The Association shall be billed by its independent contractors, and the cost therefor

shall be included within the General Assessment or Lot Assessment, as the case may be.

Section 5. The Association may, but shall not be required to, establish security procedures for the Property. Such procedures may be adopted and from time to time changed by the Association as the Association Board of Directors chooses in its discretion. No representation, guarantee or warranty is made, nor assurance given, that the security systems or procedures for the Property will prevent ~~personal injury or damage to or~~ loss of property. Neither Developer nor the Association nor its Board of Directors or other agents shall be liable or responsible for any personal injury or for any loss or damage to property which may occur within the Property, whether or not it is due to the failure of the security system and procedures adopted from time to time.

ARTICLE V

COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. All assessments and fines (referred to collectively in this Article as "charges"), together with interest and costs of collection when delinquent, shall be a charge on the land and shall be a continuing lien upon the Lot against which the charges are made, and shall also be the personal obligation of the person or entity who is the Owner of such Lot at the time when the charges were levied, and of each subsequent Owner. Each Owner of a Lot, by acceptance of a deed or other transfer document therefor, whether or not it shall be so expressed in such deed or transfer

D.R. 1086 PG 1197

document, is deemed to covenant and agree to pay the Association the charges established or described in this Article and in the Association Articles of Incorporation and Bylaws. No diminution or abatement of any charges shall be allowed by reason of any alleged failure of the Association to perform such function required of it, or any alleged negligent or wrongful acts of the Association, or its officers, agents and employees, or the nonuse by the Owner of any or all of the Common Areas, the obligation to pay such charges being a separate and independent covenant by each Owner.

Section 2. Each Lot within the Property is subject to an Annual General Assessment by the Association for the improvement, maintenance and operation of the Property, including the management and administration of the Association and the furnishing of services as set forth in this Declaration. Such General Assessments must be allocated equally on a per lot basis. As further described in this Article, the Board of Directors of the Association by a majority vote shall set the Annual General Assessments at a level sufficient to meet the Association's obligations. The Association Board of Directors shall have the right, power and authority, during any fiscal year, to increase the Annual General Assessment for the purpose of meeting its expenses and operating costs on a current basis. The Association Board of Directors shall set the date or dates that the Assessments shall become due, and may provide for collection of Assessments annually or in monthly, quarterly or semi-annual installments; provided, however, that upon a default in the payment of any one or more installments, the

entire balance of the yearly Assessment may be accelerated at the option of the Association Board of Directors and be declared due and payable in full.

Section 3.

(a) In addition to Annual General Assessments authorized above, the Association may levy in any assessment year a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas, ~~including fixtures and~~ personal property related thereto, provided that such assessments shall have been properly authorized pursuant to the terms of the Association Articles of Incorporation and Bylaws.

(b) In addition, the Association may levy an Emergency Assessment at any time by a majority vote of the Association Board of Directors, for the purpose of defraying, in whole or in part, the cost of any unusual or emergency matters that affect the Common Areas, and shall be due and payable at the time and in the manner specified by the Association Board of Directors.

Section 4. In addition to the Assessments authorized above, the Association may levy in any assessment year a Lot Assessment against a particular Lot for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the specific Lot, or any other maintenance or special services provided to such Lot or its Owner, the cost of which is not included in the General Assessment.

Section 5. The Annual General Assessments provided for herein shall commence when the property has been substantially developed. The initial Assessment on any Lot subject to assessment shall be collected on the first day of the month following the month in which the Lot is deemed substantially developed by the Developer or at the time title to such Lot is conveyed to the Owner whichever is the latest to occur. During the initial year of ownership, each Owner shall be responsible for the pro-rata share of the General or ~~Special Assessments charged to that Owner's lot~~, prorated to the date of closing based upon a thirty-day month.

Section 6.

(a) Any charges not paid within fifteen (15) days after the due date shall be subject to a late fee as determined from time to time by the Association Board of Directors and shall bear interest at a rate of eighteen percent (18%) per annum until paid.

(b) All charges against any Lot pursuant to this Declaration, together with such late fee, interest thereon, and cost of collection thereof (including reasonable attorney's fees, whether suit is filed or not), shall become a lien on such Lot. The Association may bring an action at law against the Owner personally obligated to pay the same, foreclose the lien against the Lot, or both. Costs and reasonable attorney's fees incurred in any such action shall be awarded to the prevailing party. The lien provided for in this Section shall be in favor of the Association. The Association, acting on behalf of the Owners, shall have the power to bid for an interest in any Lot foreclosed at such

foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

(c) Each Owner, by acquisition of an interest in a Lot, hereby expressly vests in the Association the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid by all methods available for the enforcement of such liens, including foreclosures, by an action brought in the name of the Association, ~~in a like manner as the mortgage lien on real property,~~ and such Owner hereby expressly grants to the Association a power of sale in connection with such lien. No Owner may waive or otherwise escape liability for the charges provided for herein by abandonment of his Lot.

(d) The lien of the charges provided for herein shall be inferior and subordinate to the lien of a Mortgage held by a Mortgagee now or hereafter placed upon any Lot subject to assessment so long as such Mortgage lien is recorded prior to any claim of lien filed by the Association. Sale or transfer of any Lot shall not affect the Charges lien; however, the sale or transfer of any parcel pursuant to foreclosure of such Mortgage, including a transfer by a deed in lieu of foreclosure, shall extinguish the lien of such Charges as to payments which became due prior to such sale or transfer.

Section 7. The Treasurer of the Association, upon demand of any Owner liable for Charges, shall furnish to such Owner a

O. R. 1086 PG 1201

certificate in writing signed by such Treasurer, setting forth whether such Charges have been made.

Section 8. Budget.

(a) The fiscal year of the Association shall consist of a twelve-month period commencing on January 1st of each year and terminating on December 31st of that year.

(b) Developer shall determine the Association budget for the fiscal year in which a Lot is first assessed its fractional share of the Annual General Assessment.

(c) Pursuant to the Association Articles of Incorporation and Bylaws, the Association Board of Directors shall adopt a budget for each succeeding year containing an estimate of the total amount which they consider necessary to pay the cost of all expenses to be incurred by the Association, to carry out its responsibilities and obligations including, without limitation, the cost of wages, materials, insurance premiums, services, supplies and other expenses needed to render the services specified hereunder. Such budget shall also include such reasonable amounts as the Association Board of Directors consider necessary to provide working capital and to provide for a general operating reserve and reserves for contingencies and replacements. The Association Board of Directors shall send each of its Members a copy of the budget, in a reasonably itemized form which sets forth the amount of the Assessments payable by each of its Members. Each budget shall constitute the basis for determining each Owner's General Assessment as provided herein.

(d) The failure or delay of the Association Board of Directors to prepare or adopt the annual budget or adjusted budget for any fiscal year shall not constitute a waiver or release in any manner of any Owner's obligation to pay his Assessment as herein provided, whenever the same shall be determined. In the absence of an annual budget or adjusted budget, each Owner shall continue to pay the Assessment at the then existing rate established for the previous fiscal period in the manner such payment was previously due until notified otherwise.

Section 9. The following property subject to this Declaration shall be exempted from the Assessments and liens created herein:

- (a) All properties dedicated to and accepted by a governmental body, agency or authority;
- (b) All Common Areas and Common Roads;
- (c) All properties owned by the Developer so long as such property is not being occupied for residential purposes. The Developer may assign this exemption right to any entity which acquires two or more Lots for development purposes. Such an assignment shall have no effect on the Developer's exemption hereunder.

Section 10. In the event the Common Areas owned by the Association are taxed separately from the Lots deeded to Owners, the Association shall include such taxes as a part of the budget. In the event the Common Areas owned by the Association are taxed as a component of the value of the Lot owned by each Owner, it shall be the obligation of each Owner to timely pay such taxes.

ARTICLE VI

ARCHITECTURAL CONTROL

Section 1. In order to preserve the beauty and aesthetic design of the Development and to promote the value of the Development, the Property is hereby made subject to the following restrictions in this Article, and every Lot Owner agrees to be bound hereby.

Section 2. The Board of Directors shall establish the ~~Architectural~~ Review Board (the "ARB"), which shall consist of at least three (3) members who may or may not be members of the Board of Directors, provided that prior to the termination of Developer's right to appoint and remove officers and directors of the Association, Developer reserves the right to appoint a majority of the members of the ARB, which appointees do not have to be Owners. Each ARB member shall be appointed for a one (1) year term commencing with the fiscal year of the Association and may be removed, with or without cause, by the Board of Directors at any time by written notice, with successors appointed to fill such vacancy for the remainder of the term of the former member, provided that only Developer shall have the right to remove ARB members which Developer has appointed. The ARB shall meet at least monthly at such places as may be designated by the Chairman of the ARB. A majority of the members shall constitute a quorum for the transaction of business, and the affirmative vote of the majority of those present in person or by proxy shall constitute the action of the ARB on any matter before it. The ARB is authorized to

retain the services of consulting architects, landscape architect
urban designers, engineers, inspectors, contractors and,
attorneys in order to advise and assist the ARB in performing its
functions as set forth herein.

Section 3. No construction, modification, alteration or other
improvement of any nature whatsoever, except for interior
alterations not affecting the external structure or appearance of
any House, shall be undertaken on any Lot unless and until a plan
of such construction or alteration shall have ~~been approved in~~
writing by the ARB. Modifications subject to ARB approval
specifically include, but are not limited to, painting or other
alteration of a House (including doors, windows and roof);
installation of solar panels or other devices; construction of
fountains, swimming pools, whirlpools or other pools; construction
of privacy fences; additions of awnings, shutters, gates, flower
boxes, shelves, statues or other outdoor ornamentation;
installation of patterned or brightly colored internal window
treatments; any alteration of the landscaping or topography of the
Lot, including without limitation any cutting or removal of trees
in excess of eight (8) inches in diameter at breast height; plant-
ing or removal of plants; creation or alteration of lakes, marshes,
hammocks, lagoons or similar features of the Property; and all
other modification, alterations or improvements visible from Common
Areas or other Lots. This Article shall not apply to any portion
of the Property while it is being utilized by a governmental entity
or being developed by the Developer.

D.R. 1086 PG 1204

Section 4.

(a) The exterior of all Houses constructed on the Property shall be of brick or stucco construction. All roofs shall use thirty year shingles unless otherwise approved by the ARB.

(b) The plans to be submitted to the ARB for approval shall include (i) two copies of the construction plans and specifications, including all proposed landscaping, (ii) an elevation or rendering of all improvements, (iii) a tree survey of the Lot which shows the proposed location of all improvements, and (iv) such other items as the ARB may deem appropriate. One copy of such plans, specifications and related data so submitted shall be retained in the records of the ARB, and the other copy shall be returned to the Owner marked "Approved" or "Disapproved."

(c) Approval shall be granted or denied by the ARB based upon compliance with the provisions of this Declaration, the quality of workmanship and materials, harmony of external design with surrounding structures, the effect of the improvements on the appearance from surrounding areas, and all other factors, including purely aesthetic considerations which, in the sole opinion of the ARB, will affect the desirability or suitability of the construction. The ARB shall have the sole discretion to determine whether plans and specifications submitted for approval are acceptable. In connection with approval rights and to prevent excessive drainage or surface water run-off, the ARB shall have the right to establish a maximum percentage of a Lot which may be covered by dwellings, buildings, structures or other improvements, which standards shall

D.R. 1086 PG 1205

be promulgated on the basis of topography, percolation rate of the soil, soil types and conditions, vegetation cover and other environmental factors. Following approval of any plans and specifications by the ARB, representatives of the ARB shall have the right during reasonable hours to enter upon and inspect any Lot and House, or other improvements, with respect to its construction as underway to determine whether or not the plans and specifications therefor have been approved and are being complied with. In the event the ARB shall determine that ~~such plans and~~ specifications have not been approved or are not being complied with, the ARB in the name of the Association, or any Owner, shall be entitled to enjoin further construction and to require the removal or correction of any work in place which does not comply with approved plans and specifications.

(d) Approval or disapproval of applications shall be given to the applicant in writing by the ARB in accordance with its procedures. In the event that the approval or disapproval is not forthcoming within forty-five (45) days after complete submittal has been made to the ARB, unless an extension is agreed to by the applicant, the application shall be deemed approved and the construction of the improvements applied for may be commenced, provided that all such construction is in accordance with the submitted plans, and provided further that such plans conform in all respects to the other terms and provisions of this Declaration.

(e) After approval by the ARB, the proposed improvements must be substantially commenced within six (6) months, or approval

must once again be obtained from the ARB as provided herein. Once commenced, the construction must proceed diligently. The exterior of any House and the accompanying landscaping shall be completed within nine (9) months from commencement unless the ARB allows an extension of time.

(f) The ARB shall establish and collect a fee sufficient to cover the expense of reviewing plans and related data and to compensate any consulting architects, landscape architects, urban ~~designers, inspectors~~ or attorneys retained in accordance with the terms hereof. The ARB or Board of Directors shall have the right to increase the amount of this fee from time to time.

Section 5. Any Owner may appeal an adverse decision of the ARB to the Board of Directors, who may reverse or modify the decision of the ARB by the unanimous vote of the Directors.

Section 6. No approval of plans and specifications and no publication of architectural standards shall be construed as representing or implying that such plans, specifications or standards will, if followed, result in properly designed improvements. Such approvals and standards shall in no event be construed as representing or guaranteeing that any House or other improvement built in accordance therewith will be built in accordance with applicable building codes or other governmental requirements or in a good and workmanlike manner. Neither Developer, the Association nor the ARB shall be responsible or liable for any defects in any plans or specifications submitted, revised or approved pursuant to
