XII. INDEMNIFICATION OF OFFICERS AND DIRECTORS.

A. The Association hereby indemnifies any Director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

1. Whether civil, criminal, administrative, or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for any act alleged

to have been committed by such person in his capacity as Director or officer of the Association, or in his capacity as Director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal actions or proceedings, without reasonable grounds for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interest of the Association or that he had reasonable grounds for belief that such action was unlawful.

2. By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or officer of the Association, or by reason of his being or having been a Director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein if such person acted in good faith in the reasonable belief that such action was in the best interest of the Association. Such person shall not be entitled to indemnification in relation to matters to which such person has been adjudged to have been guilty of gross negligence or misconduct in the performance of his duty to the Association unless, and only to the extent that, the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

B. The Board of Directors shall determine whether amounts for which a Director or officer seek indemnification were properly incurred and whether such Director or officer acted in good faith in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

C. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

XIII. TRANSACTION IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED.

A. No contract or transaction between the Association and one or more of its Directors or officers, or between the Association and any other corporation, partnership, association, or other organization in which one or more of its Directors or officers are Directors or officers, or in which they have a financial interest, shall be invalid, void or voidable solely for the reason, or solely because the Director or officer is present at or participates in the meeting of the Board or committee thereof which authorizes the contract or transaction,

or solely because his or their votes are counted for such purpose. No Director or officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

B. Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction.

XIV: DISSOLUTION OF THE ASSOCIATION.

A. The Association may be dissolved upon a resolution to that effect being recommended by three-fourths (3/4) of the members of the Board of Directors, and, if such decree be necessary at the time of dissolution, after receipt of an appropriate decree as set forth in Florida Statutes Section 617.05 or statute of similar import, and approved by two-thirds (2/3) of the votes of each Class of the Association's membership.

B. Upon dissolution of the Association, all of its assets remaining after provisions for creditors and payment of all costs and expenses of such dissolution shall be distributed in the following manner:

1. Real property contributed to the Association without the receipt of other than nominal consideration by the Class B Member (or its predecessor in interest) shall be returned to the Class B Member (whether or not a Class B Member at the time of such dissolution), unless it refuses to accept the conveyance (in whole or in part).
2. The Common Areas, as defined in the Declaration, shall be dedicated to the County of St. Johns, or its successor, unless the County refuses to accept such dedication.
3. Remaining assets shall be distributed among the members as tenants in common, with each member's share of the assets to be determined in accordance with its voting rights.

It shall be the intent of the PCAARB to screen any such use from public view.

14. Garbage and Trash Containers. No Lot shall be used or maintained as a dumping ground for rubbish, trash or other waste. Except for The Players Championship at TPC Sawgrass as described below, no Residence may be leased by any Owner, Owner's agent, tenant, or any other person having interest in such Residence, to any party for a term which is less than five (5) consecutive calendar months, and no Residence may be leased more than twice during any calendar year. Not less than the entire Residence may be leased, and at no time individual rooms, fraction or a portion of a Residence be leased. All leases must be in writing.

An exception to the foregoing is provided to Residences for a period no more than twelve (12) consecutive days during The Players Championship at TPC Sawgrass; specifically, the entire Residence may be rented no earlier than ten (10) days before and not more than two (2) days after the final round of The Players Championship at TPC Sawgrass.

At least five (5) days before the commencement of any lease of a Residence, the Owner shall notify the Association in writing with the (1) name and phone number of the Owner, (2) the address of the Residence being leased, (3) contact information of the tenant(s) including, but not limited to, the name, phone number, and e-mail address of the tenant(s), and (4) start and end dates of the lease term. The Association may adopt a form that Owners must complete incident to any lease of a Residence, which may request additional information or documentation the Association may deem appropriate.

If the Owner is experiencing a hardship, the Owner may seek an exception to these lease terms which would otherwise be in violation of the foregoing restrictions by applying to the Board of Directors for a hardship leasing permit. The Board of Directors shall have the authority to issue or deny requests for hardship leasing permits, in its discretion based on a range of factors including but not limited to: (i) the nature of the hardship, (ii) term of the hardship, (iii) impact to the residential community.

In addition to all other remedies, and to the maximum extent allowed by law, the Association may levy reasonable fines against an Owner or Owner's tenant for failure to comply with any leasing provision or restriction in this Declaration of Rules and Regulations. Any fine may not exceed \$100 per violation. A fine may be levied for each day of a continuing violation, with a single notice and opportunity for hearing, except that the fine may not exceed \$5,000 in the aggregate. A fine of \$1,000 or greater may become a lien against the Lot, which shall constitute an assessment on the Lot and shall be enforced in the same manner that liens for assessment are enforced pursuant to Article VI hereof, and Chapter 720, Florida statutes.

For the purposes of this Section, the term “Residence” means and includes any residential dwelling together with the Lot upon which it is constructed. “Lease” or “leased” means any arrangement, written or oral, by which a natural person, persons or legal entity shall occupy, take possession of or be permitted to occupy or take possession of a Residence in exchange for value and shall include, without limitation, a lease, rental agreement, an occupancy or license agreement, an occupancy permit, and other arrangements by or under in which a person or legal entity may possess or occupy a Residence for any period of time.

Each Owner including the Developer (at all times so long as it owns any part of the Property subject to this Declaration) shall be a member of the Association, provided that any such person or entity who holds such interest only as security for the performance of an obligation shall not be a member. Membership shall be appurtenant to, and may not be separated from, ownership of any Lot which is subject to assessment.

Section 5.2 Classes and Voting. The Association shall have such classes of membership as are set forth in the Articles of the Association.

ARTICLE VI
COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 6.1 Creation of the Lien and Personal Obligation of Assessments. Each Owner of a Lot within the Subdivision other than the Developer hereby covenants, and by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance including any purchaser at a judicial sale, shall hereafter be deemed to covenant and agree to pay to the Association any annual assessments or charges, and any special assessments for capital improvements or major repair against such property. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. All such assessments, together with interest thereon from the due date at the highest lawful rate and costs of collection thereof (including reasonable attorneys fees), shall be a charge on the Lot and shall be a continuing lien upon the Lot(s) against which each such assessment is made, and shall also be the personal obligation of the Owner. No Owner may avoid liability for the assessments by waiver of rights to use, or by non-use of, the Common Property or by abandonment.

Section 6.2 Purpose of Assessments. The annual and special assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in the Subdivision and in particular for the improvement and maintenance of the Common Property and of any easements in favor of the Association. Assessments may be used for the cost of taxes on the Common Property, insurance, labor, equipment, materials, management, maintenance and supervision thereof, as well as for such other purposes as are permissible activities of, and are undertaken by the Association.

Section 6.3 Rate of Assessment. All annual and special assessments shall be levied and collected at a uniform rate for each Lot subject to assessment.

Section 6.4 Annual Assessments. The Board shall fix annual assessments in accordance with the provisions of this Article VI to meet the projected financial needs of the Association. The Board's decision as to the amount of the annual assessment and manner of collection shall be dispositive.

Section 6.5 Supplemental Assessments. If the Board fixes the annual assessment for any year and thereafter during such year determines that the necessary functions of the Association cannot be funded by such assessment, the Board may, by majority vote, levy a supplemental assessment, which shall not be considered a special assessment pursuant to Section 6.6 hereof.

Section 6.6 Special Assessment for Capital Improvements and Major Repairs. In addition to any annual assessments, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, unexpected repair or replacement of a capital improvement including the necessary fixtures or replacement of a capital improvement including the necessary fixtures and personal property related thereto. Any such special assessment shall be approved by two-thirds (2/3) of the members of the Board.

Section 6.7 Developer's Assessments. During the Development Period (as defined below) the Lots and other parcels within the Subdivision owned by the Developer shall not be subject to any annual, supplemental or special assessment levied by the Association or to any lien for subdivision assessments. During the Development Period the Developer shall pay the balance of the actual operating expenses of the Association (excluding costs of major repairs, replacements and reserves) remaining after assessment of and payment of assessments due from Owners other than the Developer at assessment rates equal to the budgeted levels. The Developer shall be obligated to fund such expenses only as they are actually incurred by the Association during the Development Period. The Development Period shall begin upon the conveyance of the first lot in the Subdivision to an Owner other than the Developer and shall continue until the Developer shall notify the Association that it will no longer pay for operating deficits of the Association. Upon the termination of the Developer's agreement to pay operating deficits, the Developer shall become obligated to pay assessments on Lots it owns within the Subdivision on the same basis as other Owners. In no event shall the Developer be obligated to pay for operating deficits of the Association after the Developer no longer owns any Lots within the Subdivision.

Section 6.8 Negligence. Any Owner shall be liable to the Association for the expense of any maintenance, repair or replacement of the Common Property rendered necessary by his act, neglect or carelessness or by that of his family or his guests, employees, agents, issues or other invitees. This expense shall become part of the Assessment to which such Lot and Owner are liable under the Article. As such, it shall be a lien upon such Lot and obligation of the Owner and shall become due and payable in all respects as provided hereunder.

Section 6.9 Date of Commencement of Annual Assessments and Due Dates. The assessments shall commence on the first day of a specified month fixed by the Board to be the date of commencement. Assessments shall be collected in advance on not

less frequently than a quarterly basis. The payment schedule and due date of any assessments shall be fixed in the resolution authorizing such assessments.

Section 6.10 Duties of the Board in Fixing Assessments. The Board shall fix the date of commencement, and the amount of the assessment against each Lot and other portions of the Property, and the payment schedule and the due date at least thirty (30) days in advance of the beginning of the fiscal year. The Board shall prepare or cause to be prepared a roster of the Lots and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any member during normal business hours. Written notice of the assessment shall be sent to every Owner subject thereto not later than thirty (30) days after approval of the assessment by the Board.

The Association shall, upon demand at any time, furnish to any Owner liable for such assessment a certificate in writing signed by an officer of the Association, setting forth whether such assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 6.11 Effect of Non-Payment of Assessment; Lien, Personal Obligation, Remedies of Association. The lien of the Association shall be effective from and after recording in the public records of St. Johns County, Florida, a claim of lien stating the description of the Lot encumbered thereby, the name of the Owner, the amount, and the due date. Such claim of lien shall secure assessments, interest, and costs of collection which shall specifically include court costs, reasonable attorneys' fees, and advances to pay taxes and prior encumbrances and interest thereon, which are due and payable when the claim of lien is recorded and which may accrue thereafter and prior to voluntary payment or the entry of a final judgment of foreclosure or personal judgment against the Owner(s). Such claims of lien shall be signed and verified by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record, and the affected Lot Owner shall pay the cost of such satisfaction.

If any assessment is not paid within fifteen (15) days after its due date, such assessment shall bear interest from its due date at the highest lawful rate, and the Association may at any time thereafter bring an action in foreclosure and/or a suit on the personal obligation of the Owner(s).

Section 6.12 Subordination to Lien of Mortgages. The lien of the assessments provided for by this Declaration shall be subordinate to the lien of any first mortgage to a federal or state chartered bank, mortgage company, life insurance company, federal or state savings and loan association or real estate investment trust which is perfected by recording prior to the recording of a claim of lien for any such unpaid assessments by the Association. Such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such Lot by deed in lieu of foreclosure of such Lot or pursuant to a decree of foreclosure, and in any other proceeding in lieu of foreclosure of such mortgage. The total amount of assessment which remains unpaid as a result of a first mortgagee obtaining title to the Lot, shall be added to the total budget of the Association and paid by all Owners including the first mortgagee on a pro rata basis. No sale or other transfer shall relieve any Lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment. A written statement of either the

Developer or the Association that the lien is subordinate to a mortgage shall be dispositive of any question of subordination.

Section 6.13 Exempt Property. The Board shall have the right to exempt any of the Property from the assessments, charges and liens created herein, provided that such part of the Property exempted is used (and as long as it is used) for any of the following purposes:

(a) Any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use;

(b) All of the Common Property;

(c) Any of the Property exempted from ad valorem taxation by the laws of the State of Florida, to the extent agreed to by the Association.

Notwithstanding any provisions herein, no land or improvements devoted to residential dwelling or related use shall be exempt from such assessments, charges or liens herein created.

ARTICLE VII
ASSESSMENT FOR EXTERIOR MAINTENANCE
AND USE AND MAINTENANCE OF LIMITED COMMON AREAS

Section 7.1 Exterior Maintenance. The Association may provide maintenance upon any residence or other improvements located upon any Lot, or any Lot requiring same, when necessary in the opinion of the Board of Directors of the Association to preserve the beauty, quality and value of the neighborhood. Such maintenance shall include but not be limited to paint, repair, roof repair and replacement, gutter, downspouts, exterior building surfaces, and yard cleanup and/or maintenance. The Lot Owner shall have five (5) days, or such other longer period as may be allowed by the Association, within which to perform the required maintenance after being notified in writing by the Association that such maintenance is necessary before the Association undertakes the maintenance.

Section 7.2 Assessment of Costs. The cost of such exterior maintenance shall be assessed against the property upon which such maintenance is performed or, in the opinion of the Board of Directors of the Association, benefiting from same. The assessment shall be apportioned among the properties involved in the manner determined to be appropriate by the Board of Directors of the Association. If no allocation is made, the assessment shall be uniformly assessed against all of the Lots in the affected area. The exterior maintenance assessments shall not be considered a part of the annual or special assessments. Any exterior maintenance assessment shall be a lien on the Lot(s) and the personal obligation of the Owner(s) and shall become due and payable in all respects, together with interest and fees for the cost of collection, as provided for the other assessments of the Association, and shall be subordinate to mortgage liens to the extent provided by Section 6.12 of Article VI above.

Section 7.3 Access. For the purpose of performing the maintenance authorized by this Article, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon any Lot(s) or any portion of the Property or the exterior of any improvements thereon at reasonable hours on any day except Saturday or Sunday. In the case of emergency repairs, access will be permitted at any time with only such notice as, under the circumstances, is practically affordable.

Section 7.4 Use and Maintenance of Limited Common Areas. Notwithstanding any other provision of this Declaration, each Lot Owner shall be responsible for maintaining the grass and other landscaping within the Limited Common Area of his Lot. Each Lot Owner may use the Limited Common Area of his Lot as a yard subject to the rights of the Association to establish rules and regulations governing use and enjoyment of the Common Property and the rights and easements reserved and granted under Article XII and Article XIII of this Declaration including but not limited to the right to locate or relocate roads, paths, walkways and sidewalks within the Common Property. The Lot Owner shall not place or erect any structure within the Limited Common Area other than a driveway as provided under Section 3.1.5 of this Declaration.

ARTICLE VIII
ARCHITECTURAL CONTROL OF SUBDIVISION
AND ARCHITECTURAL REVIEW BOARD

Section 8.1 Necessity of Architectural Review and Approval. Except for the initial, original construction of residences and related improvements upon the Lots, no landscaping, improvement or structure of any kind, including, without limitation, any building, fence, wall, swimming pool, tennis court, screen enclosure, sewer, drain, disposal system, decorative building, landscape device or object, driveway or other improvement shall be commenced, erected, placed or maintained upon any Lot, nor shall any addition, change or alteration therein or thereof be made, unless and until the plans, specifications and location of the same shall have been submitted to, and approved in writing by, the Association. For purposes of this Article VIII, "initial, original construction of residences and related improvements" shall include all improvements commenced on a Lot prior to the issuance of a Certificate of Occupancy by the St. Johns County Building Department, which are completed within three (3) months of the date of issuance of such Certificate of Occupancy. All plans and specifications shall be evaluated as to visual and acoustical privacy and as to the harmony of external design and location in relation to surrounding structures, topography, existing trees and other natural vegetation and as to conformance with the Architectural Planning Criteria for the Property, a copy of which is attached hereto as Exhibit C, as the same may from time to time be amended. It shall be the burden of each Owner to supply four (4) sets of completed plans and specifications to the Architectural Review Board ("ARB") and no plan or specification shall be deemed approved unless a written approval is granted by the ARB to the Owner submitting same. The ARB shall approve or disapprove plans and specifications properly submitted within thirty (30) days of each submission. Any change or modification to approved plans shall not be deemed approved unless a written approval is granted by the ARB to the Owner submitting same.

Section 8.2 Architectural Review Board. The architectural review and control functions of the Association shall be administered and performed by the ARB, which shall consist of three (3) or five (5) members who need not be members of the Association. The Developer shall have the right to appoint all of the members of the ARB, or such lesser number as it may choose, as long as it owns at least one Lot within the Subdivision or undeveloped property contiguous to the Subdivision that Developer has committed to bring within the scheme of development of this Declaration in accordance with the provisions of Article III hereof. Members of the ARB not appointed by Developer shall be appointed by, and serve at the pleasure of, the Board of Directors of the Association. A

majority of the ARB shall constitute a quorum to transact business at any meeting of the ARB, and the action of a majority present at a meeting at which a quorum is present shall constitute the action of the ARB. Any vacancy occurring on the ARB because of death, resignation, or other termination of service of any member thereof shall be filled by the Board of Directors; except that Developer, to the exclusion of the Board, shall fill any vacancy created by the death, resignation, removal or other termination of services of any member of the ARB appointed by Developer.

Section 8.3 Powers and Duties of the ARB. The ARB shall have the following powers and duties:

8.3.1 To recommend amendments of the Architectural Control Criteria to the Board. Any amendment of the Architectural Control Criteria shall be consistent with the provisions of this Declaration, and shall not be effective until adopted by a majority of the members of the Board at a meeting duly called and noticed at which a quorum is present and voting and approved by a majority of the members of the PCAARB, as such term is defined in Section 8.4 below, at a meeting duly called at which a quorum is present and voting. Upon approval by the Board and the PCAARB, notice of any amendment to the Architectural Control Criteria, including a verbatim copy of such amendment shall be delivered to each member of the Association. Provided, however, the delivery to each member of the Association of notice and a copy of any amendment to the Architectural Control Criteria shall not constitute a condition precedent to the effectiveness or validity of such amendment nor shall it be necessary for any amendment to be recorded.

8.3.2 To require submission to the ARB of four (4) complete sets of all plans and specifications for any improvement or structure of any kind requiring review and approval of the ARB pursuant to this Article VIII, including, without limitation, any building, fence, wall, swimming pool, tennis court, enclosure, sewer, drain, disposal system, decorative building, marsh walkway or observation deck, landscape device or object, driveway or other improvement, the construction or placement of which is proposed upon any Lot within the Property, signed by the Owner thereof and contract vendee, if any. The ARB shall also require submission of samples of building materials proposed for use on any Lot, and may require tree surveys to show the effect of the proposed improvements on existing tree cover and such additional information as reasonably may be necessary for the ARB to completely evaluate the proposed structure or improvement in accordance with this Declaration and the Architectural Planning Criteria.
